Pursuant to the Acceleration Clause, if the Shares of the Company close at or above \$0.50 for ten (10) consecutive trading days on the TSX Venture Exchange (the “TSX-V”), then the Company may accelerate the expiry date of the Warrants by issuing a news release announcing the accelerated Warrant term, pursuant to which the Warrants will expire on the 30th calendar day after the date of such news release.

The Company intends to use the net proceeds for general working capital purposes. Closing of the Offering is expected to occur as soon as practicable and may occur in one or more tranches.

The Company may pay a finder’s fee in connection with the Offering to eligible arm’s length finders in accordance with the policies of the TSX-V. Closing of the Offering and the issuance of the Units are subject to a number of conditions, including, without limitation, receipt of all regulatory approvals, including but not limited to the approval of the TSX-V. The Offering is not subject to a minimum amount of subscriptions.
