

MANAGEMENT INFORMATION CIRCULAR AS AT NOVEMBER 13, 2019

This Management Information Circular (“Information Circular”) is furnished in connection with the solicitation of proxies by management of Arctic Hunter Energy Inc. for use at the annual general meeting (the “Meeting”) of shareholders of Arctic Hunter Energy Inc. (“Shareholders”) to be held on December 19, 2019 and any adjournment or postponement thereof, for the purposes set forth in the attached Notice of Annual General Meeting. Except where otherwise indicated, the information contained herein is stated as of November 13, 2019.

In this Information Circular, references to the “Company” and “we” refer to Arctic Hunter Energy Inc. “Common Shares” means the common shares without par value in the capital of the Company. “Registered Shareholders” means Shareholders whose names appear on the records of the Company as the registered holders of Common Shares. “Non-Registered Shareholders” means Shareholders who do not hold Common Shares in their own name. “Intermediaries” refers to brokers, investment firms, clearing houses and similar entities that own securities on behalf of Non-Registered Shareholders.

GENERAL PROXY INFORMATION

Solicitation of Proxies

The solicitation of proxies will be primarily by mail, but proxies may be solicited personally or by telephone by directors, officers and regular employees of the Company. The Company will bear all costs of this solicitation. We have arranged to send meeting materials directly to Registered Shareholders, as well as Non-Registered Shareholders who have consented to their ownership information being disclosed by the Intermediary holding the Common Shares on their behalf (non-objecting beneficial owners). We have not arranged for Intermediaries to forward the meeting materials to Non-Registered Shareholders who have objected to their ownership information being disclosed by the Intermediary holding the Common Shares on their behalf (objecting beneficial owners) under National Instrument 54-101 *Communication with Beneficial Owners of Securities of a Reporting Issuer*. As a result, objecting beneficial owners will not receive the Information Circular and associated Meeting materials unless their Intermediary assumes the costs of delivery.

Appointment and Revocation of Proxies

The individuals named in the accompanying form of proxy (the “Proxy”) are officers or directors of the Company or solicitors for the Company. **If you are a Registered Shareholder, you have the right to attend the Meeting or vote by proxy and to appoint a person or company other than the person designated in the Proxy, who need not be a Shareholder, to attend and act for you and on your behalf at the Meeting. You may do so either by inserting the name of that other person in the blank space provided in the Proxy or by completing and delivering another suitable form of Proxy.**

If you are a Registered Shareholder you may wish to vote by proxy whether or not you are able to attend the Meeting in person. Registered Shareholders electing to submit a proxy may do so by completing, dating and signing the enclosed form of proxy and returning it to the Company’s transfer agent, Computershare Trust Company of Canada (“Computershare”), in accordance with the instructions on the Proxy.

In all cases you should ensure that the Proxy is received at least 48 hours (excluding Saturdays, Sundays and holidays) before the Meeting or the adjournment or postponement thereof at which the proxy is to be used.

Every Proxy may be revoked by an instrument in writing which is:

- (i) executed by the Shareholder or by his/her attorney authorized in writing or, where the Shareholder is a company, by a duly authorized officer or attorney of the company; and

- (ii) delivered either to the registered office of the Company at any time up to and including the last business day preceding the day of the Meeting or any adjournment or postponement thereof, at which the Proxy is to be used, or to the chairman of the Meeting on the day of the Meeting or any adjournment or postponement thereof,

or in any other manner provided by law.

Only Registered Shareholders have the right to revoke a Proxy. Non-Registered Shareholders who wish to change their vote must, at least seven days before the Meeting, arrange for their respective Intermediaries to revoke the Proxy on their behalf. If you are a Non-Registered Shareholder, see “Voting by Non-Registered Shareholders” below for further information on how to vote your Common Shares.

Exercise of Discretion by Proxyholder

If you vote by proxy, the persons named in the Proxy will vote or withhold from voting the Common Shares represented thereby in accordance with your instructions on any ballot that may be called for. If you specify a choice with respect to any matter to be acted upon, your Common Shares will be voted accordingly. The Proxy confers discretionary authority on the persons named therein with respect to:

- (i) each matter or group of matters identified therein for which a choice is not specified;
- (ii) any amendment to or variation of any matter identified therein;
- (iii) any other matter that properly comes before the Meeting; and
- (iv) exercise of discretion of the proxyholder.

In respect of a matter for which a choice is not specified in the Proxy, the persons named in the Proxy will vote the Common Shares represented by the Proxy for the approval of such matter. Management is not currently aware of any other matters that could come before the Meeting.

Voting by Non-Registered Shareholders

The following information is of significant importance to Shareholders who do not hold Common Shares in their own name. Non-Registered Shareholders should note that the only Proxies that can be recognized and acted upon at the Meeting are those deposited by Registered Shareholders.

If Common Shares are listed in an account statement provided to a Shareholder by an Intermediary, then in almost all cases those Common Shares will not be registered in the Shareholder’s name on the records of the Company. Such Common Shares will more likely be registered under the name of the Shareholder’s Intermediary or an agent of that Intermediary. In Canada, the vast majority of such Common Shares are registered under the name of CDS & Co. as nominee for The Canadian Depository for Securities Limited (which acts as depository for many Canadian brokerage firms and custodian banks), and in the United States, under the name of Cede & Co. as nominee for The Depository Trust Company (which acts as depository for many United States brokerage firms and custodian banks).

If you have consented to disclosure of your ownership information, you will receive a request for voting instructions from the Company (through Computershare). If you have declined to disclose your ownership information, you may receive a request for voting instructions from your Intermediary if they have assumed the cost of delivering the Information Circular and associated meeting materials. Every Intermediary has its own mailing procedures and provides its own return instructions to clients. However, most Intermediaries now delegate responsibility for obtaining voting instructions from clients to Broadridge Financial Solutions, Inc. (“**Broadridge**”) in the United States and in Canada.

If you are a Non-Registered Shareholder, you should carefully follow the instructions on the voting instruction form received from Computershare or Broadridge in order to ensure that your Common Shares are voted at the Meeting. The voting instruction form supplied to you will be similar to the Proxy provided to the Registered Shareholders by the Company. However, its purpose is limited to instructing the Intermediary on how to vote on your behalf.

The voting instruction form sent by Computershare or Broadridge will name the same persons as the Company’s proxy to represent you at the Meeting. Although as a Non-Registered Shareholder you may not be recognized directly at the Meeting for the purposes of voting Common Shares registered in the name of your Intermediary, you, or a person designated by you (who need not be a Shareholder), may attend at the Meeting as Proxyholder for your Intermediary and vote your Common Shares in that capacity. To exercise this right to attend the meeting or appoint a Proxyholder of your own choosing, you should insert your own name or the name of the desired representative in the blank space provided in the voting instruction form. Alternatively, you may provide other written instructions requesting that you or your desired representative attend the Meeting as Proxyholder for your Intermediary. The completed voting instruction form or other written instructions must then be returned in accordance with the instructions on the form.

If you receive a voting instruction form from Computershare or Broadridge, you cannot use it to vote Common Shares directly at the Meeting. The voting instruction form must be completed as described above and returned in accordance with its instructions well in advance of the Meeting in order to have the Common Shares voted.

INTEREST OF CERTAIN PERSONS IN MATTERS TO BE ACTED UPON

Except as disclosed herein, no person has any material interest, direct or indirect, by way of beneficial ownership of securities or otherwise, in matters to be acted upon at the Meeting other than the election of directors and as set out herein. For the purpose of this paragraph, “person” shall include each person: (a) who has been a director, senior officer or insider of the Company at any time since the commencement of the Company’s last financial year; (b) who is a proposed nominee for election as a director of the Company; or (c) who is an associate or affiliate of a person included in subparagraphs (a) or (b).

RECORD DATE AND QUORUM

The board of directors (the “**Board**”) of the Company has fixed the record date for the Meeting as the close of business on November 13, 2019 (the “**Record Date**”). Shareholders of record as at the Record Date are entitled to receive notice of the Meeting and to vote their Common Shares at the Meeting, except to the extent that any such Shareholder transfers any Common Shares after the Record Date and the transferee of those Common Shares establishes that the transferee owns the Common Shares and demands, not less than ten (10) days before the Meeting, that the transferee’s name be included in the list of Shareholders entitled to vote at the Meeting, in which case, only such transferee shall be entitled to vote such Common Shares at the Meeting.

Under the Company’s articles, the quorum for the transaction of business at a meeting of Shareholders is one person who is a shareholder, or who is otherwise permitted to vote shares of the Company at a meeting of shareholders, present in person or by proxy.

VOTING SECURITIES AND PRINCIPAL HOLDERS OF VOTING SECURITIES

On the Record Date, there were 18,175,350 Common Shares issued and outstanding, with each Common Share carrying the right to one vote. To the knowledge of the directors and executive officers of the Company, as of the Record Date, the Shareholders who beneficially own, or exercise control or direction over, directly or indirectly, Common Shares carrying 10% or more of the votes attached to the issued and outstanding Common Shares are:

Management does not contemplate that any of the nominees will be unable to serve as a director. The following table sets out the names of the director nominees; their positions and offices in the Company; principal occupations; the period of time that they have been directors of the Company; and the number of Common Shares that each beneficially owns or over which control or direction is exercised.

Oversight and Description of Director and Named Executive Officer Compensation

The objective of the Company’s compensation program is to compensate the executive officers for their services to the Company at a level that is both in line with the Company’s fiscal resources and competitive with companies at a similar stage of development.

The Company compensates its executive officers based on their skill and experience levels and the existing stage of development of the Company. Executive officers are rewarded on the basis of the skill and level of responsibility involved in their position, the individual's experience and qualifications, the Company's resources, industry practice, and regulatory guidelines regarding executive compensation levels.

The Board has implemented three levels of compensation to align the interests of the executive officers with those of the shareholders. First, executive officers may be paid a monthly consulting fee or salary. Second, the Board may award executive officers long term incentives in the form of stock options. Finally, and only in special circumstances, the Board may award cash or share bonuses for exceptional performance that results in a significant increase in shareholder value. The Company does not provide medical, dental, pension or other benefits to the executive officers.

The base compensation of the executive officers is reviewed and set annually by the Board. The CEO has substantial input in setting annual compensation levels. The CEO is directly responsible for the financial resources and operations of the Company. In addition, the CEO and the Board from time to time determine the stock option grants to be made pursuant to the Company's Plan. Previous grants of stock options are taken into account when considering new grants. The Board awards bonuses at its sole discretion. The Board does not have pre-existing performance criteria or objectives.

Compensation for the most recently completed financial year should not be considered an indicator of expected compensation levels in future periods. All compensation is subject to and dependent on the Company's financial resources and prospects.

INDEBTEDNESS OF DIRECTORS AND EXECUTIVE OFFICERS

None of the directors, executive officers, employees, proposed nominees for election as directors and their associates, or any former executive officers, directors and employees of the Company or any of its subsidiaries, is, as at the date of this Information Circular, or has been at any time during the most recently completed financial year, indebted to the Company or any of its subsidiaries.

INTEREST OF INFORMED PERSONS IN MATERIAL TRANSACTIONS

Except as disclosed herein, since the commencement of the Company's most recently completed financial year, no informed person (a director, officer or holder of 10% or more of the Common Shares) or nominee for election as a director of the Company or any associate or affiliate of any informed person or proposed director had any interest in any transaction that has materially affected or would materially affect the Company or any of its subsidiaries.

MANAGEMENT CONTRACTS

Management functions of the Company or any of its subsidiaries are not to any substantial degree performed by anyone other than by the directors or executive officers of the Company.

STATEMENT OF CORPORATE GOVERNANCE

Corporate Governance

Corporate governance relates to the activities of the Board, the members of which are elected by and are accountable to the Shareholders, and takes into account the role of the individual members of management who are appointed by the Board and charged with the day to day management of the Company. The Canadian Securities Administrators (“CSA”) have adopted National Policy 58-201 Corporate Governance Guidelines, which provides non-prescriptive guidelines on corporate governance practices for reporting issuers such as the Company. In addition, the CSA have implemented National Instrument 58-101 *Disclosure of Corporate Governance Practices* (“NI 58-101”), which prescribes certain disclosure by the Company of its corporate governance practices. This disclosure is presented below.

Board of Directors

The Board currently consists of the following three members: Tim Coupland, Lawrence Ilich and Gordon Steblin. It is proposed that all three individuals will be nominated for election at the Meeting.

There is one member of the Board, Lawrence Ilich, who is considered to be independent for purposes of membership on the Board. For this purpose, a director is independent if he has no direct or indirect “material relationship” with the Company. A “material relationship” is a relationship which could, in the view of the Board, be reasonably expected to interfere with the exercise of the director’s independent judgment. Of the proposed nominees, Tim Coupland (CEO) and Gordon Steblin (CFO) are considered to be non-independent directors.

Other Directorships

No director of the Company is presently a director of any other issuer that is a reporting issuer (or the equivalent) in a jurisdiction, or a foreign jurisdiction.

Orientation and Continuing Education

Orientation of new members of the Board is conducted informally by Management and members of the Board. The Company has not adopted formal policies respecting continuing education for Board members.

Ethical Business Conduct

The Board has not adopted a formal code of business conduct and ethics. The Board is of the view that the fiduciary duties placed on individual directors by the Company’s governing legislation and common law together with corporate statutory restrictions on an individual director’s participation in Board decisions in which the director has an interest are sufficient to ensure that the Board operates independently of management and in the best interests of the Company and Shareholders.

Nomination of Directors

The Board considers its size each year when it considers the number of directors to recommend to the shareholders for election at the annual general meeting. The Board takes into account the number of directors required to carry out the Board’s duties effectively and to maintain diversity of views and experience.

The Board has not established a nominating committee; this function is currently performed by the Board as a whole. The Board encourages an objective nomination process through collective communication among the directors.

Compensation

The Board has not established a formal compensation committee. Rather, the independent Board members are responsible for reviewing and determining the adequacy and form of compensation paid to the Company’s directors, executives and key employees. The independent Board members evaluate the performance of senior management measured against the Company’s business goals and industry compensation levels.

Board Committees

The Board has no committees other than the Audit Committee.

Assessments

The Board annually, and at such other times as it deems appropriate, reviews the performance and effectiveness of the Board, the directors and its committees to determine whether changes in size, personnel or responsibilities are warranted. To assist in its review, the Board conducts informal surveys of its directors and receives reports from each committee respecting its own effectiveness. As part of the assessments, the Board or the individual committee may review their respective mandate or charter and conduct reviews of applicable corporate policies.

AUDIT COMMITTEE

Audit Committee Disclosure

Pursuant to National Instrument 52-110 *Audit Committees* of the Canadian Securities Administrators (“**NI 52-110**”) the Company is required to have an audit committee (the “**Audit Committee**”) comprised of not less than three directors, a majority of whom are not officers, control persons or employees of the Company or an affiliate of the Company. NI 52-110 requires the Company, as a venture issuer, to disclose annually in its Information Circular certain information concerning the constitution of its audit committee and its relationship with its independent auditor, as set forth below.

The primary function of the Audit Committee is to assist the Board in fulfilling its financial oversight responsibilities by: (i) reviewing the financial reports and other financial information provided by the Company to regulatory authorities and Shareholders; (ii) reviewing the systems for internal corporate controls which have been established by the Board and management; and (iii) overseeing the Company’s financial reporting processes generally. In meeting these responsibilities, the Audit Committee monitors the financial reporting process and internal control system; reviews and appraises the work of external auditors and provides an avenue of communication between the external auditors, senior management and the Board. The Audit Committee is also mandated to review and approve all material related party transactions.

The Audit Committee’s Charter

The Company has adopted a Charter of the Audit Committee of the Board, a copy of which is attached hereto as Schedule “A”.

Composition of the Audit Committee

The Audit Committee is currently comprised of the following members: Tim Coupland, Lawrence Ilich and Gordon Steblin. Each member of the Audit Committee is considered to be financially literate, as defined by NI 52-110, in that they have the ability to read and understand a set of financial statements that present a breadth and level of complexity of accounting issues that are generally comparable to the breadth and complexity of the issues that can presumably be expected to be raised by the Company’s financial statements. Each member of the Audit Committee is considered to be independent except for Mr. Coupland, CEO of the Company, and Mr. Steblin, CFO of the Company. An audit committee member is independent if they have no direct or indirect “material relationship” with the Company. A “material relationship” is a relationship which could, in the view of the Board, be reasonably expected to interfere with the exercise of a member’s independent judgement.

The members of the Audit Committee are elected by the Board at its first meeting following the annual shareholders’ meeting. Unless a chair is elected by the full Board, the members of the Audit Committee designate a chair by a majority vote of the full Audit Committee membership.

Relevant Education and Experience

Tim Coupland – Mr. Coupland’s background includes providing services in the areas of business management to small companies, field exploration in mining and oil & gas, and serving as director and senior officer of several TSX-V listed companies. Through his work as a director and senior officer of public companies, Mr. Coupland has an understanding of financial reporting requirements respecting financial statements sufficient to enable him to perform his duties as an audit committee member.

Lawrence Ilich – Mr. Ilich is a civil construction consultant, having worked with the Progressive Construction Group, founded by Milan Ilich. Mr. Ilich has over 30 years of experience in project development and construction throughout North America. The Progressive Group of Companies was a leader in project development and construction, building infrastructure, enhancing professional and amateur sports, and generously supporting many charitable causes. Mr. Ilich’s experience has provided him with an understanding of financial reporting sufficient to enable him to perform his duties as an audit committee member.

Gordon Steblin – Mr Steblin is currently a CPA, CGA and has over 20 years of financial experience in the junior mining/exploration sector. Mr. Steblin obtained a Bachelor of Commerce degree in 1983 from the University of British Columbia (UBC), and in 1985 he became a Certified General Accountant.

Since the commencement of the Company’s most recently completed financial year, the Board has not failed to adopt a recommendation of the Committee to nominate or compensate an external auditor.

Reliance on Certain Exemptions

Since the commencement of the Company’s most recently completed financial year, the Company has not relied on the exemptions contained in sections 2.4, 6.1.1(4), 6.1.1(5), 6.1.1(6) or Part 8 of NI 52-110. Section 6.1.1(4), (5) and (6) provide exemptions in certain circumstances from the requirement that a majority of the members of the Audit Committee must not be executive officers, employees or control persons of the venture issuer. Part 8 permits a company to apply to a securities regulatory authority for an exemption from the requirements of NI 52-110, in whole or in part.

Pre-approval Policies and Procedures

The Audit Committee has not adopted specific policies and procedures for the engagement of non-audit services. Subject to the requirements of NI 52-110, the engagement of non-audit services is considered by the Board, and where applicable the Audit Committee, on a case-by-case basis.
