All currency figures in the Information Circular are in Canadian dollars, unless otherwise indicated.

Information regarding the proxies solicited by management in connection with the Meeting is set out below under “Information About Proxies”.

INFORMATION ABOUT PROXIES

Solicitation of Proxies

The solicitation of proxies by management of the Company will be made primarily by mail, but solicitation may be made by telephone or in person with the cost of such solicitation to be borne by the Company. **No arrangements have been made to date to contract for the solicitation of proxies for the Meeting.**

Appointment of Proxyholder

The persons named in the enclosed Proxy Instrument for the Meeting are officers of the Company and nominees of management. **A registered shareholder has the right to appoint some other person or company, who need not be a shareholder, to represent such registered shareholder at the Meeting by striking out the names of the persons designated in the accompanying Proxy Instrument and by inserting the name of that other person or company in the blank space provided.** If a registered shareholder appoints one of the persons designated in the accompanying Proxy Instrument as a nominee and does not direct the said nominee to vote either “For”, “Against” or “Withhold”, as applicable, from voting on a matter or matters with respect to which an opportunity to specify how the Common Shares registered in the name of such registered shareholder shall be voted, the proxy shall be voted “For” such matter or matters.

The instrument appointing a proxyholder must be in writing and signed by the registered shareholder, or such registered shareholder’s attorney, authorized in writing, or if the registered shareholder is a Company, by the authorized representative or a duly authorized person on behalf of such Company. An undated but executed proxy will be deemed to be dated the date of the mailing of the proxy. In order for a proxy to be valid, a registered shareholder must:

- (a) sign and print his or her name on the lines specified for such purpose at the bottom of the Proxy Instrument; and
- (b) return the properly executed and completed Proxy Instrument by mailing it or delivering it by hand in the appropriate enclosed return envelope addressed to Odyssey Trust Company (“**Odyssey**”),

to be received no later than 48 hours (excluding Saturdays, Sundays and statutory holidays in the Province of British Columbia or Ontario) before any adjournment(s) of the Meeting, unless the Chairman of the Meeting elects to exercise his discretion to accept proxies received subsequently.

Revocation of Proxy

A registered shareholder may revoke a proxy by delivering a signed instrument in writing executed by such registered shareholder or by the registered shareholder’s attorney authorized in writing or, where the registered shareholder is a Company, by a duly authorized officer or attorney of such Company, either to the registered office of the Company at any time up to and including the last business day preceding the day of the Meeting or any adjournment thereof, with the Chairman of the Meeting on the day of the Meeting or any adjournment thereof, or before any vote in respect of which the proxy is to be used shall have been taken, or in any other manner permitted by law.

Voting of Proxies

A registered shareholder may direct the manner in which his or her Common Shares are to be voted or withheld from voting in accordance with the instructions of the registered shareholder by marking the Proxy Instrument accordingly. The management nominees designated in the enclosed Proxy Instrument will vote the Common Shares represented by proxy in accordance with the instructions of the registered shareholder on any resolution that may be called for and if the registered shareholder specifies a choice with respect to any matter to be acted upon, the Common Shares will be voted accordingly. **Where no choice is specified with respect to any resolution or in the absence of certain instructions, the Common Shares represented by a proxy given to management will be voted “For” the**

resolution. If more than one direction is made with respect to any resolution, such Common Shares will similarly be voted “For” the resolution.

Exercise of Discretion by Proxyholders

The enclosed Proxy Instrument, when properly completed and delivered and not revoked, confers discretionary authority upon the proxyholders named therein with respect to amendments or variations of matters identified in the accompanying *Notice of Meeting*, and other matters not so identified which may properly be brought before the Meeting. At the date of this Information Circular, management of the Company knows of no such amendments, variations or other matters to come before the Meeting. If any amendment or variation or other matter comes before the Meeting, the persons named in the proxy will vote in accordance with their judgement on such amendment, variation or matter.

VOTING BY BENEFICIAL SHAREHOLDERS

The information set out in this section is important to many shareholders as a substantial number of shareholders do not hold their Common Shares in their own name.

Persons who hold Common Shares through their brokers, agents, trustees or other intermediaries (such shareholders, “**Beneficial Shareholders**”) should note that only proxies deposited by registered shareholders whose names appear on the share register of the Company may be recognized and acted upon at the Meeting. If Common Shares are shown on an account statement provided to a Beneficial Shareholder by a broker, then in almost all cases the name of such Beneficial Shareholder will not appear on the share register of the Company. Such Common Shares will most likely be registered in the name of the broker or an agent of the broker. In Canada, the vast majority of such Common Shares will be registered in the name of “CDS & Co.”, the registration name of CDS Clearing and Depository Services Inc., which acts as a nominee for many brokerage firms. Common Shares held by brokers, agents, trustees or other intermediaries can only be voted by those brokers, agents, trustees or other intermediaries in accordance with instructions received from Beneficial Shareholders. As a result, Beneficial Shareholders should carefully review the request for voting instructions (“**VIF**”) provided with this Information Circular and ensure they communicate how they would like their Common Shares voted in accordance with those instructions.

Beneficial Shareholders who have not objected to their intermediary disclosing certain ownership information about themselves to the Company are referred to as “**NOBOs**”. Those Beneficial Shareholders who have objected to their intermediary disclosing ownership information about themselves to the Company are referred to as “**OBOs**”. In accordance with the requirements of National Instrument 54-101 — *Communication with Beneficial Owners of Securities of a Reporting Issuer* of the Canadian Securities Administrators, the Company has elected to send the Notice of Meeting, the Proxy Instrument and VIF (collectively, the “**Meeting Materials**”) directly to NOBOs.

Generally, a Beneficial Shareholder who has not waived the right to receive Meeting Materials will either:

- (c) be given a Proxy Instrument which has already been signed by the intermediary (typically by a facsimile with a stamped signature), which is restricted as to the number of shares beneficially owned by the Beneficial Shareholder and must be completed, but not signed, by the Beneficial Shareholder and deposited with Odyssey; or
- (d) more typically, be given a VIF which is not signed by the intermediary and which, when properly completed and signed by the Beneficial Shareholder and returned to the intermediary or its service company, will constitute voting instructions which the intermediary must follow.

VIFs should be completed and returned in accordance with the specific instructions noted on the VIF. The purpose of this procedure is to permit Beneficial Shareholders to direct the voting of the Common Shares which they beneficially own.

Beneficial Shareholders should carefully follow the instructions set out in the VIF, including those regarding when and where the VIF is to be delivered.

Although Beneficial Shareholders may not be recognized directly at the Meeting for the purpose of voting Common Shares registered in the name of their broker, agent, trustee or other intermediary, a Beneficial Shareholder may attend the Meeting as a proxyholder for a registered shareholder and vote Common Shares in that capacity. Beneficial Shareholders who wish to attend the Meeting or have someone else attend on their behalf, and indirectly vote their Common Shares as proxyholder for the registered shareholder should contact their broker, agent, trustee or other intermediary well in advance of the Meeting to determine the steps necessary to permit them to indirectly vote their Common Shares as a proxyholder.

If you are a Beneficial Shareholder, and the Company or its agent has sent these materials to you, your name and address and information about your holdings of securities have been obtained in accordance with applicable securities regulatory requirements from the intermediary on your behalf. By choosing to send these materials to you directly, the Company (and not the intermediary holding on your behalf) has assumed responsibility for: (i) delivering these materials to you; and (ii) executing your proper voting instructions. Please return your voting instructions as specified in the VIF.

INTEREST OF CERTAIN PERSONS OR COMPANIES IN MATTERS TO BE ACTED UPON

No director or executive officer of the Company or any proposed nominee of management of the Company for election as a director of the Company, nor any associate or affiliate of the foregoing persons, has any material interest, direct or indirect, by way of beneficial ownership of securities or otherwise, since the beginning of the Company's last financial year in matters to be acted upon at the Meeting, other than the election of directors and the re-appointment of auditors.

Effective November 19, 2020, the Board adopted the Rolling Stock Option Plan, which Stock Option Plan was drafted in accordance with the latest policies and rules of the Canadian Securities Exchange ("CSE"). The Company had a Fixed Stock Option Plan prior to that and the shareholders voted and approved the Rolling Stock Option Plan on November 19, 2020.

The purpose of the Stock Option Plan is to provide the Company with a share-related mechanism to attract, retain and motivate qualified employees, directors, officers, consultants and employees of a person or company which provides management services to the Company or its associated, affiliated, controlled and subsidiary companies (the "Participants") and to grant such Participants stock options to acquire up to 10% of the Company's issued and outstanding common shares of the Company ("Common Shares") from time to time. This is a "rolling" plan as the number of shares reserved for issuance pursuant to the grant of stock options will increase as the Company's issued and outstanding share capital increases. The Stock Option Plan provides that the directors of the Company may grant options to purchase Common Shares on terms that the directors may determine, within the limitations of the Stock Option Plan. The exercise price of an option issued under the Stock Option Plan is determined by the directors but may not be less than the closing market price of the Common Shares on the day preceding the date of granting of the option less any available discount, in accordance with CSE Policies. No option may be granted for a term longer than ten years. An option may expire on such earlier date or dates as may be fixed by the Board, subject to earlier termination in the event the optionee ceases to be eligible under the Stock Option Plan by reason of death, retirement or otherwise.

The Stock Option Plan provides for the following restrictions: (i) no Participant may be granted an option if that option would result in the total number of stock options granted to the Participant in the previous 12 months, exceeding 5% of the issued and outstanding Common Shares unless the Company has obtained disinterested shareholder approval in accordance with CSE Policies; (ii) the aggregate number of options granted to Participants conducting Investor Relations Activities (as defined in CSE Policies) in any 12 month period must not exceed 2% of the issued and outstanding Common Shares, calculated at the time of grant; and (iii) the aggregate number of options granted to any one consultant in any 12 month period must not exceed 2% of the issued and outstanding Common Shares, calculated at the time of grant.

In addition, options granted to consultants conducting Investor Relations Activities (as defined in CSE Policies) will vest over a period of not less than 12 months as to 25% on the date that is three months from the date of grant, and a further 25% on each successive date that is three months from the date of the previous vesting or such longer vesting.
