MANAGEMENT INFORMATION CIRCULAR

as at **November 10, 2025**

This management information circular (“Information Circular”) is furnished in connection with the solicitation of proxies by management of Trans Canada Gold Corp. (the “Company”) for use at the annual general meeting (the “Meeting”) of the shareholders of the Company (“Shareholders”) to be held on December 19, 2025 and any adjournment or postponement thereof, for the purposes set forth in the attached notice of Meeting. Except where otherwise indicated, the information contained herein is stated as of November 10, 2025.

In this Information Circular, references to the “**Company**” and “**we**” refer to Trans Canada Gold Corp. “**Common Shares**” means common shares without par value in the capital of the Company. “**Registered Shareholders**” means Shareholders whose names appear on the records of the Company as the registered holders of Common Shares. “**Non-Registered Shareholders**” means Shareholders who do not hold Common Shares in their own name. “**Intermediaries**” refers to brokers, investment firms, clearing houses and similar entities that own securities on behalf of Non-Registered Shareholders.

GENERAL PROXY INFORMATION

Solicitation of Proxies

The solicitation of proxies will be primarily by mail, but proxies may be solicited personally or by telephone by directors, officers and regular employees of the Company. The Company will bear all costs of this solicitation. We have arranged to send meeting materials directly to Registered Shareholders, as well as Non-Registered Shareholders who have consented to their ownership information being disclosed by the Intermediary holding the Common Shares on their behalf (non-objecting beneficial owners). We have not arranged for Intermediaries to forward the meeting materials to Non-Registered Shareholders who have objected to their ownership information being disclosed by the Intermediary holding the Common Shares on their behalf (objecting beneficial owners) under National Instrument 54-101 *Communication with Beneficial Owners of Securities of a Reporting Issuer* (“**NI 54-101**”). As a result, objecting beneficial owners will not receive the Information Circular and associated meeting materials unless their Intermediary assumes the costs of delivery.

Appointment and Revocation of Proxies

The individuals named in the accompanying form of proxy (the “**Proxy**”) are officers or directors of the Company, or solicitors for the Company. **If you are a Registered Shareholder, you have the right to attend the Meeting or vote by proxy and to appoint a person or company other than the person designated in the Proxy, who need not be a Shareholder, to attend and act for you and on your behalf at the Meeting. You may do so either by inserting the name of that other person in the blank space provided in the Proxy or by completing and delivering another suitable form of Proxy.**

If you are a Registered Shareholder you may wish to vote by proxy whether or not you are able to attend the Meeting in person. Registered Shareholders electing to submit a proxy may do so by completing, dating and signing the enclosed form of proxy and returning it to the Company’s transfer agent, Computershare Investor Services Inc. (“**Computershare**”), in accordance with the instructions on the Proxy.

In all cases you should ensure that the Proxy is received at least 48 hours (excluding Saturdays, Sundays and holidays) before the Meeting or the adjournment thereof at which the Proxy is to be used.

Every Proxy may be revoked by an instrument in writing:

- (i) executed by the Registered Shareholder or by his/her attorney authorized in writing or, where the Registered Shareholder is a company, by a duly authorized officer or attorney of the company; and
- (ii) delivered either to the registered office of the Company at any time up to and including the last business day preceding the day of the Meeting or any adjournment or postponement thereof, at which the Proxy is to be used, or to the chairman of the Meeting on the day of the Meeting or any adjournment or postponement thereof,

or in any other manner provided by law.

Only Registered Shareholders have the right to revoke a Proxy. Non-Registered Shareholders who wish to change their vote must, at least seven days before the Meeting, arrange for their respective Intermediaries to revoke the Proxy on their behalf. If you are a Non-Registered Shareholder, see “Voting by Non-Registered Shareholders” below for further information on how to vote your Common Shares.

Exercise of Discretion by Proxyholder

If you vote by proxy, the persons named in the Proxy (the “**Proxyholder**”) will vote or withhold from voting the Common Shares represented thereby in accordance with your instructions on any ballot that may be called for. If you specify a choice with respect to any matter to be acted upon, your Common Shares will be voted accordingly. The Proxy confers discretionary authority on the persons named therein with respect to:

- (i) each matter or group of matters identified therein for which a choice is not specified,
- (ii) any amendment to or variation of any matter identified therein,
- (iii) any other matter that properly comes before the Meeting, and
- (iv) the exercise of discretion of the Proxyholder.

In respect of a matter for which a choice is not specified in the Proxy, the persons named in the Proxy will vote the Common Shares represented by the Proxy for the approval of such matter. Management is not currently aware of any other matters that could come before the Meeting.

Voting by Non-Registered Shareholders

The following information is of significant importance to Shareholders who do not hold Common Shares in their own name. Non-Registered Shareholders should note that the only Proxies that can be recognized and acted upon at the Meeting are those deposited by Registered Shareholders.

If Common Shares are listed in an account statement provided to a Shareholder by an Intermediary, then in almost all cases those Common Shares will not be registered in the Shareholder’s name on the records of the Company. Such Common Shares will more likely be registered under the name of the Shareholder’s Intermediary or an agent of that Intermediary. In the United States, the vast majority of such Common Shares are registered under the name of Cede & Co. (the registration name for the Depository Trust Company, which acts as nominee for many U.S. brokerage firms), and in Canada, under the name of CDS & Co. (the registration name for the Canadian Depository for Securities Limited, which acts as nominee for many Canadian brokerage firms).

If you have consented to disclosure of your ownership information, you will receive a request for voting instructions from the Company (through Computershare). If you have declined to disclose your ownership information, you may receive a request for voting instructions from your Intermediary if they have assumed the cost of delivering the Information Circular and associated meeting materials. Every Intermediary has its own mailing procedures and provides its own return instructions to clients. However, most Intermediaries now delegate responsibility for obtaining voting instructions from clients to Broadridge Financial Solutions, Inc. (“**Broadridge**”) in the United States and in Canada.

If you are a Non-Registered Shareholder, you should carefully follow the instructions on the voting instruction form received from Computershare or Broadridge in order to ensure that your Common Shares are voted at the Meeting. The voting instruction form supplied to you will be similar to the Proxy provided to the Registered Shareholders by the Company. However, its purpose is limited to instructing the Intermediary on how to vote on your behalf.

The voting instruction form sent by Computershare or Broadridge will name the same persons as the Company's proxy to represent you at the Meeting. Although as a Non-Registered Shareholder you may not be recognized directly at the Meeting for the purposes of voting Common Shares registered in the name of your Intermediary, you, or a person designated by you (who need not be a Shareholder), may attend at the Meeting as Proxyholder for your Intermediary and vote your Common Shares in that capacity. To exercise this right to attend the Meeting or appoint a Proxyholder of your own choosing, you should insert your own name or the name of the desired representative in the blank space provided in the voting instruction form. Alternatively, you may provide other written instructions requesting that you or your desired representative attend the Meeting as Proxyholder for your Intermediary. The completed voting instruction form or other written instructions must then be returned in accordance with the instructions on the form.

If you receive a voting instruction form from Computershare or Broadridge, you cannot use it to vote Common Shares directly at the Meeting – the voting instruction form must be completed as described above and returned in accordance with its instructions well in advance of the Meeting in order to have the Common Shares voted.

INTEREST OF CERTAIN PERSONS OR COMPANIES IN MATTERS TO BE ACTED UPON

Except as disclosed herein, no person or company has any material interest, direct or indirect, by way of beneficial ownership of securities or otherwise, in any matter to be acted upon at the Meeting other than the election of directors or the appointment of auditors. For the purpose of this paragraph, "person" shall include each person: (a) who has been a director, senior officer or insider of the Company at any time since the commencement of the Company's last financial year; (b) who is a proposed nominee for election as a director of the Company; or (c) who is an associate or affiliate of a person or company included in subparagraph (a) or (b) above.

RECORD DATE AND QUORUM

The board of directors (the "**Board**") of the Company has fixed the record date for the Meeting as the close of business on November 10, 2025 (the "**Record Date**"). Shareholders of record as at the Record Date are entitled to receive notice of the Meeting and to vote their Common Shares at the Meeting, except to the extent that any such Shareholder transfers any Common Shares after the Record Date and the transferee of those Common Shares establishes that the transferee owns the Common Shares and demands, not less than ten (10) days before the Meeting, that the transferee's name be included in the list of Shareholders entitled to vote at the Meeting, in which case, only such transferee shall be entitled to vote such Common Shares at the Meeting.

Under the Company's articles, the quorum for the transaction of business at a meeting of Shareholders is one person who is a shareholder, or who is otherwise permitted to vote shares of the Company at a meeting of shareholders, present in person or by proxy.

VOTING SECURITIES AND PRINCIPAL HOLDERS OF VOTING SECURITIES

On the Record Date, there were 51,295,337 Common Shares issued and outstanding, with each Common Share carrying the right to one vote. Only Shareholders of record at the close of business on the Record Date will be entitled to vote in person or by Proxy at the Meeting or any adjournment or postponement thereof.

To the knowledge of the directors and executive officers of the Company, as of the Record Date, there are no Shareholders who beneficially own, directly or indirectly, or exercise control or direction over, Common Shares of the Company carrying more than 10% of the voting rights attached to all of the issued and outstanding Common Shares of the Company, other than as set forth below.

Name	Number of Common Shares Owned, or Controlled or Directed, Directly or Indirectly	Approximate Percentage of Total Outstanding Common Shares
Daniel Scholefield	6,658,650	12.98%
Tim Coupland	4,674,541	14.96%

PARTICULARS OF MATTERS TO BE ACTED UPON

To the knowledge of the Company's directors, the only matters to be placed before the Meeting are those set forth in the accompanying notice of Meeting and more particularly discussed below.

Presentation of Financial Statements

The annual consolidated financial statements of the Company for the financial year ended June 30, 2025, together with the auditor's report thereon, will be placed before the Meeting. The Company's financial statements are available on the System of Electronic Document Analysis and Retrieval (SEDAR+) website at www.sedarplus.com.

Election of Directors

The Company proposes to fix the number of directors of the Company at three (3) and to nominate the persons listed below for election as directors. Each director will hold office until the next annual general meeting of the Company or until his successor is elected or appointed, unless his office is earlier vacated. Management does not contemplate that any of the nominees will be unable to serve as a director. If, prior to the Meeting, any vacancies occur in the slate of nominees herein listed, it is intended that discretionary authority shall be exercised by the person named in the Proxy as nominee to vote the Common Shares represented by Proxy for the election of any other person or persons as directors.

Pursuant to the advance notice provisions contained in the Company's Articles (the "Advance Notice Provisions"), the Board has determined that notice of nominations of persons for election to the Board at the Meeting must be made following the requirements of such Advance Notice Provisions. As of the date of this Information Circular, the Company has not received notice of a nomination in compliance with the Articles and, subject to the timely receipt of any such nomination, any nominations other than nominations by or at the direction of the Board or an authorized officer of the Company will be disregarded at the Meeting.

The following table sets out the names of the director nominees; their positions and offices in the Company; principal occupations; the period of time that they have been directors of the Company; and the number of Common Shares that each beneficially owns or over which control or direction is exercised.

Except as otherwise disclosed below, to the knowledge of the Company, no proposed director of the Company is, as at the date of this Information Circular, or has been, within 10 years before the date of this Information Circular, a director, chief executive officer or chief financial officer of any company (including the Company) that:

- (a) was subject to an order that was issued while the proposed director was acting in the capacity as director, chief executive officer or chief financial officer, or
- (b) was subject to an order that was issued after the proposed director ceased to be a director, chief executive officer or chief financial officer and which resulted from an event that occurred while that person was acting in the capacity as director, chief executive officer or chief financial officer.

For the purposes of subsection (a) above, “**order**” means:

- (i) a cease trade order;
- (ii) an order similar to a cease trade order; or
- (iii) an order that denied the relevant company access to any exemption under securities legislation;

that was in effect for more than 30 consecutive days.

Except as otherwise disclosed below, to the knowledge of the Company, no proposed director of the Company:

- (a) is, as at the date of this Information Circular, or has been within 10 years before the date of this Information Circular, a director or executive officer of any company (including the Company) that, while that person was acting in the that capacity, or within a year of that person ceasing to act in that capacity, became bankrupt, made a proposal under any legislation relating to bankruptcy or insolvency or was subject to or instituted any proceedings, arrangement or compromise with creditors or had a receiver, receiver manager or trustee appointed to hold its assets;

- (c) has been subject to any penalties or sanctions imposed by a court relating to securities legislation or by a securities regulatory authority or has entered into a settlement agreement with a securities regulatory authority; or
- (d) has been subject to any other penalties or sanctions imposed by a court or regulatory body that would likely be considered important to a reasonable securityholder in deciding whether to vote for a proposed director.

Appointment of Auditor

At the Meeting, Shareholders will be asked to vote for the appointment of Dale Matheson Carr-Hilton LaBonte LLP, Chartered Professional Accountants, to serve as auditor of the Company for the fiscal year, and to hold such position until the next annual general meeting of the shareholders or until they are removed by the Board or resign as provided by law, and to authorize the directors to fix their remuneration.

Approval of 2025 Equity Incentive Plan

Shareholders will be asked to approve the Company's 2025 equity incentive plan (the "**Plan**") at the Meeting. The Plan includes the ability to issue stock options ("**Options**"), restricted share units ("**RSUs**"), performance share units ("**PSUs**"), and deferred share units ("**DSUs**", and together with Options, RSUs, PSUs, the "**Awards**"). The aggregate number of Common Shares reserved for issuance in respect of Awards shall not exceed 10% of the total number of issued Common Shares (calculated on a rolling, non-diluted basis) at the time an Award is granted.

The purpose of the Plan is to provide an incentive to directors, employees and consultants to acquire a proprietary interest in the Company, to continue their participation in the affairs of the Company and to increase their efforts on behalf of the Company.

The Plan is considered an "evergreen" plan, since Awards which have been exercised, cancelled, terminated, surrendered, forfeited or expired without being exercised shall be available for subsequent grants under the Plan, and the number of Awards available to grant increases as the number of issued and outstanding Common Shares increases.

The following is a summary of certain provisions of the Plan and is subject to, and qualified in its entirety by, the full text of the Plan. A copy of the Plan is available at the records office of the Company at Suite 1200 – 750 West Pender Street, Vancouver, British Columbia, Canada until the business day immediately preceding the date of the Meeting. A copy will also be made available at the Meeting.

Eligible Participants

Awards may be granted under the Plan to directors and senior officers of the Company or its subsidiaries ("**Directors**"), management company employees, employees of the Company or its subsidiaries, (collectively, the "**Employees**") or consultants of the Company or its subsidiaries ("**Consultants**", and together with the Directors and Employees the "**Participants**"). The Board, in its discretion, determines which of the Participants will be granted Awards under the Plan.

Type of Awards: The Company may grant Awards to Participants under the Plan. All of the Awards described below are subject to the conditions, limitations, restrictions, exercise price, vesting, settlement and forfeiture provisions determined by the Board, in its sole discretion, subject to such limitations provided in the Plan, and will generally be evidenced by an award agreement.

Options

Each Option entitles a holder thereof to purchase a prescribed number of Common Shares at an exercise price determined by the Board at the time of the grant of the Option, which includes an incentive stock option (an "**ISO**") (an ISO being an Option granted to a U.S. participant intended to constitute an incentive stock option within the meaning of the United States Internal Revenue Code of 1986, as amended (the "**U.S. Tax Code**")).

ISOs are available only for Participants who are employees of the Company, or a “parent corporation” or “subsidiary corporation” (as such terms are defined in Section 424(e) and (f) of the U.S. Tax Code), on the date the Option is granted. A Participant who holds an ISO must continue as an employee, except that upon termination of employment the Option will continue to be treated as an ISO for up to three months, after which the Option will no longer qualify as an ISO, except as otherwise provided herein. A Participant’s employment will be deemed to continue during period of sick leave, military leave or other bona fide leave of absence, provided the leave of absence does not exceed three months, or the Participant’s return to employment is guaranteed by statute or contract. If a termination of employment is due to permanent disability, an Option may continue its ISO status for up to one year, and if the termination is due to death, the ISO status may continue for the balance of the Option’s term. Nothing referenced herein will be deemed to extend the original expiry date of an Option. A Participant who owns, or is deemed to own, pursuant to Section 424(e) of the Code, Common Shares accounting for more than ten percent (10%) of the total combined voting power of all classes of stock of the Company may not be granted an ISO unless (i) the Option Price is at least one hundred and ten percent (110%) of the Market Value of the Common Shares, as of the date of the grant, and (ii) the Option is not exercisable after the expiration of five years from the date of grant. To the extent the aggregate Market Value (determined as of the date of grant) of Common Shares with respect to which ISOs are exercisable for the first time by a Participant during any calendar year (under all plans of the Company and any affiliates) exceeds One Hundred Thousand United States Dollars (US\$100,000), the Options or portions thereof that exceed such limit (according to the order in which they were granted) shall be treated as Options other than ISOs, notwithstanding any contrary provision in the applicable award agreement.

RSUs

A RSU is a right awarded to a Participant, as compensation for employment or consulting services or services as a director or officer, to receive for no additional cash consideration, securities of the Company upon specified vesting criteria being satisfied, and subject to the terms and conditions of the Plan and the applicable award agreement, and which may be paid in cash and/or Common Shares.

PSUs

A PSU is a right awarded to a Participant, as compensation for employment or consulting services or services as a director or officer, to receive, for no additional cash consideration, securities of the Company upon specified performance and vesting criteria being satisfied, subject to the terms and conditions of the Plan and the applicable award agreement, and which may be paid in cash and/or Common Shares.

DSUs

A DSU is a right granted to a Participant, as compensation for employment or consulting services or services as a director or officer, to receive, for no additional cash consideration, securities of the Company on a deferred basis upon specified vesting criteria being satisfied, subject to the terms and conditions of the Plan and the applicable award agreement, and which may be paid in cash and/or Common Shares.

Number of Common Shares Reserved The aggregate number of Common Shares reserved for issuance in respect of Awards shall not exceed ten (10%) percent of the total number of issued and outstanding Common Shares (calculated on a rolling, non-diluted basis) at the time an Award is granted. Awards that are exercised, cancelled or expire prior to exercise continue to be issuable under the Plan.

Limitations Under the Plan, the aggregate number of Common Shares that are issuable pursuant to all Awards granted or issued to any one person (including companies wholly owned by that person) in a 12-month period must not exceed 5% of the issued and outstanding Common Shares, calculated on the date the Award is granted or issued to the person. The aggregate number of Common Shares that are issuable pursuant to all Awards granted or issued to any one Consultant in a 12-month period must not exceed 2% of the issued and outstanding Common Shares, calculated at the date the Award is granted or issued. The aggregate number of Common Shares issuable pursuant to all Awards granted or issued to all persons retained to provide investor relations services to the Company (including Consultants and Employees or Directors whose role and duties primarily consist of providing investor relations services) must not exceed 2% of the issued and outstanding Common Shares in any 12-month period, calculated at the date an Award is granted or issued to any such person. Disinterested shareholder approval will be required for any grant of Awards which will result in the number of Common Shares issuable pursuant to all Awards granted or issued to Insiders (as defined in the *Securities Act* (British Columbia)) as a group at any point in time or within a 12-month period exceeding 10% of the issued and outstanding Common Shares.

Exercise Price The exercise price of Options granted under the Plan is determined by the Board, provided that it is not less than the discounted market price, as that term is defined in the TSX Venture Exchange (the “**TSX-V**”) policy manual, or such other minimum price as is permitted by the TSX-V in accordance with the policies in effect at the time of the grant, or, if the Common Shares are no longer listed on the TSX-V, then such other exchange or quotation system on which the Common Shares are listed or quoted for trading. The exercise price of Options granted to Insiders may not be decreased without disinterested Shareholder approval at the time of the proposed amendment.

Cashless Exercise Subject to the rules and policies of the TSX-V, the Board may, in its discretion and at any time, determine to grant a Participant the alternative, when entitled to exercise an Option, to deal with such Option on a “cashless exercise” basis, on such terms as the Board may determine in its discretion (the “**Cashless Exercise Right**”). Without limitation, the Board may determine in its discretion that such Cashless Exercise Right, if any, grants a Participant the right to engage a broker to sell such number of Common Shares as is necessary to raise an amount equal to the aggregate exercise price for all Options being exercised by that Participant and any applicable tax withholdings. Pursuant to the award agreement, the Participant may authorize the broker to sell shares on the open market and forward the proceeds to the Company to satisfy the exercise price and any applicable tax withholdings, promptly following which the Company shall issue the Common Shares underlying the number of Options as provided for in the award agreement. In the event the Company permits a Participant to exercise a Cashless Exercise Right, the Company shall make an election pursuant to subsection 110(1.1) of the *Income Tax Act* (Canada)

Term of Options Subject to the termination and change of control provisions noted below, the term of any Options granted under the Plan is determined by the Board and may not exceed ten (10) years from the date of grant. Disinterested Shareholder approval will be required for any extension to Options granted to individuals that are Insiders at the time of the proposed amendment.

Deferment Subject to the terms and conditions of the applicable Award Agreement, if a Participant wishes to defer settling an Award of RSUs, the Participant must provide written notice to the Company within three business days of the Vesting Date (as defined in the Plan). Subject to the terms and conditions of the applicable award agreement, if a Participant wishes to defer settling an Award of PSUs, the Participant must provide written notice to the Company within three business days of the Determination Date (as defined in the Plan).

Vesting All Options granted pursuant to the Plan will be subject to such vesting requirements as may be prescribed by the TSX-V, if applicable, or as may be imposed by the Board. Options issued to persons retained to provide Investor Relations Activities must vest in stages over 12 months with no more than one-quarter of the Options vesting in any three-month period. No Awards issued pursuant to the Plan, other than Options, may vest before the date that is one year following the date it is granted or issued.

Termination

Options

Any Options granted pursuant to the Plan will terminate at the end of the term of the Option. Where a Participant’s relationship with the Company is terminated by the Company or a subsidiary for cause, all Options granted to the

Participant under the Plan will immediately terminate without payment, be forfeited and cancelled and shall be of no further force or effect as of the termination date. Where a Participant's relationship with the Company terminates by reason of termination by the Company or a subsidiary without cause, by voluntary termination, voluntary resignation or due to retirement by the Participant, such that the Participant no longer qualifies as an eligible person, all Options granted to the Participant under the Plan that have not vested will, unless the applicable award agreement provides otherwise and subject to the provisions below, immediately terminate without payment, be forfeited and cancelled and shall be of no further force or effect as of the termination date; provided, however, that any Options granted to such Participant which, prior to the Participant's termination without cause, voluntary termination, voluntary resignation or retirement, had vested pursuant to the terms of the applicable award agreement will accrue to the Participant in accordance with the Plan and shall be exercisable by such Participant for a period of 90 days following the date the Participant ceased to be an eligible person, or such longer period as may be provided for in the award agreement or as may be determined by the Board provided such period does not exceed 12 months after the termination date.

RSUs

Where a Participant's relationship with the Company is terminated by the Company or a subsidiary for cause, all RSUs granted to the Participant under the Plan will immediately terminate without payment, be forfeited and cancelled and shall be of no further force or effect as of the termination date.

Where a Participant's relationship with the Company terminates by reason of termination by the Company or a subsidiary without cause, by voluntary termination, voluntary resignation or due to retirement by the Participant, all RSUs granted to the Participant under the Plan that have not vested will, unless the applicable award agreement provides otherwise and subject to the provisions below, immediately terminate without payment, be forfeited and cancelled and shall be of no further force or effect as of the termination date and the Participant shall have no right, title or interest therein whatsoever; provided, however, that any RSUs granted to such Participant which, prior to the Participant's termination without cause, voluntary termination, voluntary resignation or retirement, had vested pursuant to the terms of the applicable award agreement will accrue to the Participant in accordance with the Plan.

PSUs

Where a Participant's relationship with the Company is terminated by the Company or a subsidiary for cause, all PSUs granted to the Participant under the Plan will immediately terminate without payment, be forfeited and cancelled and shall be of no further force or effect as of the termination date.

Where a Participant's relationship with the Company terminates by reason of termination by the Company or a subsidiary without cause, by voluntary termination, voluntary resignation or due to retirement by the Participant, all PSUs granted to the Participant which have not vested will, unless the award agreement provides otherwise and subject to the provisions below, immediately terminate without payment, be forfeited and cancelled and shall be of no further force or effect as of the termination date, and the Participant shall have no right, title or interest therein whatsoever; provided, however, the Board may determine, in its sole discretion, the number of the Participant's PSUs that will vest based on the extent to which the applicable performance have been satisfied in that portion of the performance cycle that has lapsed.

DSUs

Upon a Participant ceasing to be a Participant by reason of Termination for Cause, the Participant's participation in the Plan shall be terminated immediately, all DSUs credited to such Participant's account that have not vested shall be forfeited and cancelled, and the Participant's rights to Common Shares or cash equivalent or a combination thereof that relate to such Participant's unvested DSUs shall be forfeited and cancelled on the date of termination. The Participant shall not receive any payment in lieu of cancelled DSUs that have not vested. "Termination for Cause" shall include, among other things, gross misconduct, theft, fraud, breach of confidentiality or breach of the Company's codes of conduct and any other reason determined by the Company to be cause for termination. For the purposes of the Plan, the determination by the Company that the Participant was Terminated for Cause shall be binding on the Participant.

Adjustments Any adjustment to Awards granted or issued (except in relation to a consolidation or share split) must be subject to the prior acceptance of the TSX-V, including adjustments related to an amalgamation, merger, arrangement, reorganization, spin-off, dividend or recapitalization. The Company will seek disinterested shareholder approval in respect of any material amendment to the Plan.

The Compensation Plan Resolution

Shareholders will be asked at the Meeting to approve, with or without variation, the following ordinary resolution (the “**Compensation Plan Resolution**”):

Tim Coupland, Chief Executive Officer and a director of the Company provides his management services to the Company through T8X Capital Ltd. (“T8X”). The Company and T8X entered into a management services agreement dated January 1, 2021 (the “**Management Agreement**”) pursuant to which the Company provides payment of \$8,500 per month, subject to review by the Board. T8X provides certain management consulting services to the Company and its subsidiaries, as may be requested by and at the direction of the Board from time to time, including: (i) guidance, advice and services with respect to strategic planning, future growth, projects and business activities; (ii) guidance and advice in the day to day operation and business of the Company; (iii) guidance and advice concerning proposed acquisitions, divestitures, joint ventures and business combinations; (iv) guidance and advice concerning mineral properties owned by the Company or interests in mineral properties acquired by the Company; and (v) other mutually agreed upon services. The Management Agreement is for an initial term of three years, following which the Management Agreement will be automatically renewed for additional one year terms without action by either party.

Oversight and description of director and named executive officer compensation

The objective of the Company’s compensation program is to compensate the executive officers for their services to the Company at a level that is both in line with the Company’s fiscal resources and competitive with companies at a similar stage of development.

The Company compensates its executive officers based on their skill and experience levels and the existing stage of development of the Company. Executive officers are rewarded on the basis of the skill and level of responsibility involved in their position, the individual’s experience and qualifications, the Company’s resources, industry practice, and regulatory guidelines regarding executive compensation levels.

The Board has implemented three levels of compensation to align the interests of the executive officers with those of the shareholders. First, executive officers may be paid a monthly consulting fee or salary. Second, the Board may award executive officers long term incentives in the form of stock options. Finally, and only in special circumstances, the Board may award cash or share bonuses for exceptional performance that results in a significant increase in shareholder value. The Company does not provide medical, dental, pension or other benefits to the executive officers.

The base compensation of the executive officers is reviewed and set annually by the Board. The CEO has substantial input in setting annual compensation levels. The CEO is directly responsible for the financial resources and operations of the Company. In addition, the CEO and the Board from time to time determine the stock option grants to be made pursuant to the Company’s Plan. Previous grants of stock options are taken into account when considering new grants. The Board awards bonuses at its sole discretion. The Board does not have pre-existing performance criteria or objectives.

Compensation for the most recently completed financial year should not be considered an indicator of expected compensation levels in future periods. All compensation is subject to and dependent on the Company’s financial resources and prospects.

STATEMENT OF CORPORATE GOVERNANCE

Corporate Governance

Corporate governance relates to the activities of the Board, the members of which are elected by and are accountable to the Shareholders, and takes into account the role of the individual members of management who are appointed by the Board and charged with the day to day management of the Company. The Canadian Securities Administrators (“CSA”) have adopted National Policy 58-201 Corporate Governance Guidelines, which provides non-prescriptive guidelines on corporate governance practices for reporting issuers such as the Company. In addition, the CSA have implemented National Instrument 58-101 *Disclosure of Corporate Governance Practices* (“NI 58-101”), which prescribes certain disclosure by the Company of its corporate governance practices. This disclosure is presented below.

Board of Directors

The Board currently consists of the following three members: Tim Coupland, Lawrence Ilich, and Gavin Kirk. It is proposed that all three individuals will be nominated for election at the Meeting.

There are currently two members of the Board, Lawrence Ilich and Gavin Kirk, who are considered to be independent for purposes of membership on the Board. For this purpose, a director is independent if he has no direct or indirect “material relationship” with the Company. A “material relationship” is a relationship which could, in the view of the Board, be reasonably expected to interfere with the exercise of the director’s independent judgment. Of the proposed nominees, Tim Coupland (CEO) is considered to be a non-independent director.

Other Directorships

The following table sets forth the directors and proposed directors of the Company who are directors of other reporting issuers as at the Record Date:

Name	Name of other reporting issuer
Gavin Kirk	Sixty North Gold Mining Ltd.

Orientation and Continuing Education

Orientation of new members of the Board is conducted informally by management and members of the Board. The Company has not adopted formal policies respecting continuing education for Board members.

Ethical Business Conduct

The Board has adopted a formal written code of business conduct and ethics. The Board is of the view that the fiduciary duties placed on individual directors by the Company’s governing legislation and common law together with corporate statutory restrictions on an individual director’s participation in Board decisions in which the director has an interest are sufficient to ensure that the Board operates independently of management and in the best interests of the Company.

Nomination of Directors

The Board considers its size each year when it considers the number of directors to recommend to the shareholders for election at the annual general meeting. The Board takes into account the number of directors required to carry out the Board’s duties effectively and to maintain diversity of views and experience.

The Board has not established a nominating committee; this function is currently performed by the Board as a whole. The Board encourages an objective nomination process through collective communication among the directors.

Compensation

The Board has not established a formal compensation committee. Rather, the independent Board members are responsible for reviewing and determining the adequacy and form of compensation paid to the Company's directors, executives and key employees. The independent Board members evaluate the performance of senior management measured against the Company's business goals and industry compensation levels.

Board Committees

The Board has no committees other than the Audit Committee.

Assessments

The Board annually, and at such other times as it deems appropriate, reviews the performance and effectiveness of the Board, the directors and its committees to determine whether changes in size, personnel or responsibilities are warranted. To assist in its review, the Board conducts informal surveys of its directors and receives reports from each committee respecting its own effectiveness. As part of the assessments, the Board or the individual committee may review their respective mandate or charter and conduct reviews of applicable corporate policies.

AUDIT COMMITTEE

Audit Committee Disclosure

Pursuant to section 224(1) of the *Business Corporations Act* (British Columbia) and National Instrument 52-110 *Audit Committees* ("NI 52-110") the Company is required to have an audit committee (the "**Audit Committee**") comprised of not less than three directors, a majority of whom are not officers, control persons or employees of the Company or an affiliate of the Company. NI 52-110 requires the Company, as a venture issuer, to disclose annually in its Information Circular certain information concerning the constitution of its audit committee and its relationship with its independent auditor, as set forth below.

The primary function of the Audit Committee is to assist the Board in fulfilling its financial oversight responsibilities by: (i) reviewing the financial reports and other financial information provided by the Company to regulatory authorities and Shareholders; (ii) reviewing the systems for internal corporate controls which have been established by the Board and management; and (iii) overseeing the Company's financial reporting processes generally. In meeting these responsibilities, the Audit Committee monitors the financial reporting process and internal control system; reviews and appraises the work of external auditors and provides an avenue of communication between the external auditors, senior management and the Board. The Audit Committee is also mandated to review and approve all material related party transactions.

The Audit Committee's Charter

The Company has adopted a Charter of the Audit Committee, a copy of which is attached hereto as Schedule "A".

Composition of the Audit Committee

The Audit Committee is currently comprised of the following members: Tim Coupland, Lawrence Ilich and Gavin Kirk. Each member of the Audit Committee is considered to be financially literate, as defined by NI 52-110, in that they have the ability to read and understand a set of financial statements that present a breadth and level of complexity of accounting issues that are generally comparable to the breadth and complexity of the issues that can presumably be expected to be raised by the Company's financial statements. Each member of the Audit Committee is considered to be independent except for Mr. Coupland, CEO of the Company. An audit committee member is independent if they have no direct or indirect "material relationship" with the Company. A "material relationship" is a relationship which could, in the view of the Board, be reasonably expected to interfere with the exercise of a member's independent judgement.

The members of the Audit Committee are elected by the Board at its first meeting following the annual shareholders' meeting. Unless a chair is elected by the full Board, the members of the Audit Committee designate a chair by a majority vote of the full Audit Committee membership.

Relevant Education and Experience

All three current Audit Committee members have the ability to read and understand financial statements that present a breadth and level of complexity of accounting issues that are generally comparable to the breadth and complexity of the issues that can reasonably be expected to be raised by the Company's financial statements and are therefore considered "financially literate".

Tim Coupland – Mr. Coupland's background includes providing services in the areas of business management to small companies, field exploration in mining and oil & gas, and serving as director and senior officer of several TSX-V listed companies. Through his work as a director and senior officer of public companies, Mr. Coupland has an understanding of financial reporting requirements respecting financial statements sufficient to enable him to perform his duties as an audit committee member.

Lawrence Ilich – Mr. Ilich is a civil construction consultant, having worked with the Progressive Construction Group, founded by Milan Ilich. Mr. Ilich has over 30 years of experience in project development and construction throughout North America. The Progressive Group of Companies was a leader in project development and construction, building infrastructure, enhancing professional and amateur sports, and generously supporting many charitable causes. Mr. Ilich's experience has provided him with an understanding of financial reporting sufficient to enable him to perform his duties as an audit committee member.

Gavin Kirk – Mr. Kirk has worked extensively within the Canadian investment community since 1985, firstly with Levesque Baeubien Geoffrion (National Bank Financial), followed by executive positions with Union Securities Ltd. and Raymond James Ltd. Mr. Kirk has been involved for over 20 years in the Canadian capital and resource based markets, and is knowledgeable and experienced in corporate sales, early-stage corporate financings, marketing, strategic planning and corporate restructuring. Mr. Kirk's experience has provided him with an understanding of financial reporting sufficient to enable him to perform his duties as an audit committee member.

Audit Committee Oversight

Since the commencement of the Company's most recently completed financial year, the Board has not failed to adopt a recommendation of the Audit Committee to nominate or compensate an external auditor.

Reliance on Certain Exemptions

Since the commencement of the Company's most recently completed financial year, the Company has not relied on the exemptions contained in sections 2.4, 6.1.1(4), 6.1.1(5), 6.1.1(6) or Part 8 of NI 52-110. Section 2.4 provides an exemption from the requirement that the Audit Committee must pre-approve all non-audit services to be provided by the auditor, where the total amount of fees related to the non-audit services are not expected to exceed 5% of the total fees payable to the auditor in the fiscal year in which the non-audit services were provided. Section 6.1.1(4), (5) and (6) provide exemptions in certain circumstances from the requirement that a majority of the members of the Audit Committee must not be executive officers, employees or control persons of the venture issuer. Part 8 permits a company to apply to a securities regulatory authority for an exemption from the requirements of NI 52-110, in whole or in part.

Pre-Approval Policies and Procedures

The Audit Committee has not adopted specific policies and procedures for the engagement of non-audit services. Subject to the requirements of NI 52-110, the engagement of non-audit services is considered by the Board, and where applicable the Audit Committee, on a case-by-case basis.

External Auditor Service Fees

In the following table, “audit fees” are fees billed by the Company’s external auditor for services provided in auditing the Company’s annual financial statements for the subject year. “Audit-related fees” are fees not included in audit fees that are billed by the auditor for assurance and related services that are reasonably related to the performance of the audit or review of the Company’s financial statements. “Tax fees” are fees billed by the auditor for professional services rendered for tax compliance, tax advice and tax planning. “All other fees” are fees billed by the auditor for products and services not included in the foregoing categories.

The fees paid by the Company to its auditor in respect of each of the last two fiscal years, by category, are as follows:

Financial Year Ending	Audit Fees	Audit Related Fees	Tax Fees ⁽¹⁾	All Other Fees
June 30, 2025	\$35,000	\$427	\$1,375	Nil
June 30, 2024	\$25,000	\$305	\$1,300	Nil

Notes:

- (1) Fees for tax compliance and tax returns.

Exemption

The Company is relying on the exemption provided by section 6.1 of NI 52-110 which provides that the Company, as a venture issuer, is not required to comply with Part 3 (*Composition of the Audit Committee*) and Part 5 (*Reporting Obligations*) of NI 52-110.
