Forward-Looking Statements

Included in this news release may be matters that constitute "forward-looking" information within the meaning of Canadian securities law. Such forward-looking statements may be identified by words such as "plans", "proposes", "estimates", "intends", "expects", "believes", "may" or words of a similar nature. There can be no assurance that such statements will prove to be accurate. Actual results and future events could differ materially from such statements. Factors that could cause actual results to differ materially include among others, regulatory risks, risk inherent in foreign operations, commodity prices and competition. Most of these factors are outside the control of the Company. All subsequent forward-looking statements attributable to the Company or its agents are expressly qualified in their entirety by these cautionary comments. Except as otherwise required by applicable securities statutes or regulation, the Company expressly disclaims any intent or obligation to update publicly forward-looking information, whether as a result of new information, future events or otherwise.

Neither TSX Venture Exchange nor its Regulation Services Provider (as that term is defined in policies of the TSX Venture Exchange) has in any way approved or disapproved of the contents of this press release.
