Notice is hereby given that the Annual General and Special Meeting (the “**Meeting**”) of the holders (“**Shareholders**”) of common shares (“**Shares**”) of Galleon Gold Corp. (the “**Company**”) will be held at the offices of **Peterson McVicar LLP, 18 King St. East, Suite 902, Toronto, ON M5C 1C4, on November 24, 2020 at 10:00 a.m. ET** for the following purposes:

1. to receive and consider the audited financial statements of the Company for the year ended November 30, 2019 and the report of the auditors thereon;
2. to elect eight (8) directors of the Company for the ensuing year;
3. to appoint Grant Thornton LLP as the auditors of the Company for the ensuing year and to authorize the directors to fix their remuneration;
4. to consider and, if deemed advisable, to approve the continuation of the Company’ stock option plan which permits grant of options of up to ten (10%) percent of the issued and outstanding common shares to be made by the Company on a rolling grant basis;
5. to consider, and if deemed advisable, to pass with or without modification a special resolution authorizing an amendment of the articles of the Company to effect a consolidation of all of the issued and outstanding Shares of the Company on the basis of a consolidation ratio to be selected by the board of directors within a range between two (2) pre-consolidation Shares for one (1) post-consolidation Share and ten (10) pre-consolidation Shares for one (1) post-consolidation Share, as more particularly described in the accompanying management information circular; and
6. to transact other business as may properly be brought before the Meeting, or any adjournment or postponements thereof.

The directors have set the close of business on October 9, 2020 as the record date (“**Record Date**”) for determining the Shareholders who are entitled to receive notice of and vote at the Meeting. Only Shareholders whose names have been entered in the registers of the Company as at the close of business on the Record Date will be entitled to receive notice of and vote at the Meeting.

NOTICE-AND-ACCESS

Notice is also hereby given that the Company has decided to use the notice-and-access method of delivery of meeting materials for the Meeting for beneficial owners of Shares of the Company (the “**Non-Registered Holders**”) and for registered shareholders (the “**Registered Holders**”). The notice-and-access method of delivery of meeting materials allows the Company to deliver the meeting materials over the internet in accordance with the notice-and-access rules adopted by the Canadian Securities Administrators under National Instrument 54-101 – *Communication with Beneficial Owners of Securities of a Reporting Issuer*. Under the notice-and-access system, Registered Holders will receive a form of proxy and the Non-Registered Holders will receive a voting instruction form enabling them to vote at the Meeting. However, instead of a paper copy of the Notice of Meeting, the management information circular (the “**Circular**”), and related management’s discussion and analysis and other meeting materials, if applicable (collectively the “**Meeting Materials**”), shareholders receive a notification with information on how they may access such materials electronically. The use of this alternative means of delivery is more environmentally friendly as it will help reduce paper use and will also reduce the cost of printing and mailing the Meeting Materials to shareholders. Shareholders are reminded to view the Meeting Materials prior to voting. The Company will not be adopting stratification procedures in relation to the use of notice-and-access provisions.

How to Access the Meeting Materials

Meeting Materials can be viewed online on the Company's website www.galleongold.com/investors/annual meeting or under the Company's profile at www.sedar.com. The Meeting Materials will remain posted on the Company's website at least until the date that is one year after the date the Meeting materials were posted.

To proactively deal with the unprecedented public health impact of the coronavirus, also known as COVID-19 ("Covid-19") and recent Provincial and Federal guidance regarding public gatherings, shareholders and proxyholders are strongly encouraged NOT to attend the Meeting in person. The Covid-19 virus is causing unprecedented social and economic disruption and we want to ensure that no one is unnecessarily exposed to any risks. Furthermore, so that the Company can mitigate potential risks to the health and safety of shareholders and the community, all Meeting participants will be asked to wear a suitable facemask, and there will be a limitation on the number of persons permitted entry to the Meeting and anyone who is not a Registered Holder or proxyholder will not be permitted entry.

The Company urges all shareholders to vote by proxy in advance of the Meeting in accordance with the instructions set out below. The Covid-19 situation is dynamic and continues to evolve daily. If events arise that require us to make changes to the date, time and location of the Meeting, we will promptly notify shareholders and communicate any changes through a press release. The Company intends to resume holding unrestricted in-person shareholder's meetings in future years.

Shareholders who are unable to attend the Meeting in person and who wish to ensure that their Shares are voted at the Meeting, are requested to date, sign and return in the envelope provided for that purpose, the enclosed form of proxy, or complete and submit the form of proxy through the internet, telephone or by such other method as is identified, and pursuant to any instructions contained, in the form of proxy.

All instruments appointing proxies to be used at the Meeting or at any adjournment thereof must be received by our transfer agent, Computershare Trust Company of Canada, 100 University Avenue, 8th Floor, North Tower, Toronto, Ontario M5J 2Y1, at least 48 hours (excluding Saturdays, Sundays, and holidays) before the time of the Meeting or any adjournment thereof. The time limit for deposit of proxies may be waived by the Chairman of the Meeting at his discretion.

If you are a Non-Registered Holder and have received these materials through your broker, custodian, nominee or other intermediary, please complete and return the form of proxy or voting instruction form provided to you by your broker, custodian, nominee or other intermediary in accordance with the instructions provided therein. **Shareholders are reminded to review the Circular before voting.**

DELIVERY OF MEETING MATERIALS

Notice-and-Access

As permitted by the Canadian Securities Administrators and pursuant to an exemption from the management proxy solicitation requirement received from the Director appointed under the *Canada Business Corporations Act* (the “**CBCA**”), the Company is using “notice-and-access” to deliver proxy related materials (such as this Circular and the 2019 financial documents (the “**Meeting Materials**”) to both registered (the “**Registered Holders**”) and non-registered shareholders (the “**Non-Registered Holders**”) of Shares. Rather than receiving a paper copy of the Meeting Materials in the mail, shareholders as of October 9, 2020, the record date for the Meeting, have access to them online. Shareholders will receive a notice package (“**Notice Package**”) containing information about the matters to be addressed at the Meeting online and the notice-and-access process, a form of proxy (if you are a Registered Holder) or a voting instruction form (if you are a Non-Registered Holder), and instructions on how to vote their Shares. Where a Shareholder has previously consented to electronic delivery, the Notice Package will be sent to the shareholder electronically. The Notice Package will be mailed to all shareholders from whom consent to electronic delivery has not been obtained. **Shareholders are reminded to review this Circular prior to voting.** The Company will not be adopting stratification procedures in relation to the use of notice-and-access provisions.

The Company anticipates that notice-and-access will directly benefit the Company through a substantial reduction in both postage and printing costs and will also promote environmental responsibility by decreasing the large volume of paper documents generated by printing proxy-related materials. VOTING – Questions and Answers

You have received this Circular because our records indicate you held Shares of the Company as of the close of business on October 9, 2020 (“**Record Date**”) and we are sending this Circular to you in connection with the Meeting of Shareholders to be held on November 24, 2020 at 10:00 am ET at the offices of Peterson McVicar LLP, 18 King St. East, Suite 902, Toronto, ON M5C 1C4.

Am I entitled to vote?

You are entitled to vote if you were a Shareholder as of the close of business on October 9, 2020. Each Share that you own entitles you to one vote.

What am I voting on?

You are voting on the following business matters that are to be addressed at the Meeting:

- to receive and consider the audited financial statements of the Company for the year ended November 30, 2019 and the report of the auditors thereon;
- to elect eight (8) directors of the Company for the ensuing year;
- to appoint Grant Thornton LLP as the auditors of the Company for the ensuing year and to authorize the directors to fix their remuneration;
- to consider and, if deemed advisable, to approve the continuation of the Company’ stock option plan (the “**Stock Option Plan**”) which permits grant of options of up to ten (10%) percent of the issued and outstanding to be made by the Company on a rolling grant basis;
- to consider, and if deemed advisable, to pass with or without modification a special resolution authorizing an amendment of the articles of the Company to effect a consolidation of all of the issued and outstanding Shares of the Company on the basis of a consolidation ratio to be selected by the board of directors within a range between two (2) pre-consolidation Shares for one (1) post-consolidation Share and ten (10) pre-consolidation Shares for one (1) post-consolidation Share, as more particularly described in the accompanying Circular; and
- to transact other business as may properly be brought before the Meeting, or any adjournment or postponements thereof.

Who is soliciting my proxy?

Management of Galleon Gold is soliciting your proxy. Solicitation of proxies is primarily by mail but may also be made by telephone or other contact, by employees or agents of the Company. All costs of such solicitation (if any) will be borne by the Company.

How do I vote?

You can vote your Shares by attending and voting your Shares at the Meeting, or by having your Shares voted by proxy. How you exercise your vote depends on whether you are a "Registered Holder" or a "Non-Registered Holder".

Registered Holders - If you were a Registered Holder on the Record Date, you can attend and vote at the Meeting, together with all other Registered Holders. Alternatively, you can submit your completed proxy for your Shares to Computershare through the internet or telephone or by signing, dating and returning the enclosed form of proxy in the envelope provided, so that such Shares can be voted at the Meeting.

Non-Registered Holders - If your Shares are **not registered** in your name but are held in the name of a nominee (usually a bank, trust company, securities broker or other financial institution) you should have received a request for voting instructions ("**Voting Instruction Form**") from your nominee or an agent acting on its behalf. Please note that we have limited access to the names of our Non-Registered Holders. If you attend the Meeting, we will have no record of your shareholding or your entitlement to vote unless your nominee has appointed you as proxyholder. Therefore, if you wish to vote in person at the Meeting insert your own name in the space provided on the Voting Instruction Form and return it by following the instructions provided. Do not otherwise complete the Voting Instruction Form as your vote will be taken at the Meeting. Please register with our transfer agent Computershare when you arrive at the Meeting. If you do not intend to attend the Meeting in person, **follow the instructions on your Voting Instruction Form to vote by telephone, internet or complete, sign and mail it in the envelope provided.**

There are two categories of Non-Registered Holders under applicable securities regulations for purposes of dissemination to Non-Registered Holders of proxy-related materials and other security holder materials and requests for voting instructions from such Non-Registered Holders. Non-objecting beneficial owners ("**NOBOs**") are Non-Registered Holders who have advised their intermediary (such as brokers or other nominees) that they do not object to their intermediary disclosing ownership information to the Company, consisting of their name, address, e-mail address, securities holdings and preferred language of communication. Canadian Securities Laws restricts the use of that information to matters strictly relating to the affairs of the Company. Objecting beneficial owners ("**OBOs**") are Non-Registered Holders who have advised their intermediary that they object to their intermediary disclosing such ownership information to the Company.

In accordance with the requirements of NI 54-101, the Company is sending the Meeting Materials indirectly to NOBOs and will pay for intermediaries and agents to send the Meeting Materials to NOBOs. The Company intends to pay for intermediaries to deliver Meeting Materials to the OBOs. **As more particularly outlined above under the heading "Notice-and-Access", Meeting Materials will be sent to Non-Registered Holders using the Notice-and-Access Provisions.**

When do I need to return my completed proxy?

All proxies, whether transmitted by mail, telephone or the internet, must be received not later than 10:00 a.m. ET on November 20, 2020 or in the case of any adjournment(s) or postponement(s) of the Meeting, by no later than 48 hours (excluding Saturdays, Sundays or holidays) before the adjourned or postponed Meeting.

Who votes my Shares and how will they be voted if I return a proxy?

When you complete and return the proxy, you are authorizing the person(s) named in it to attend the Meeting and to vote your Shares. The Shares represented by your proxy will be voted or withheld from voting in accordance with your instructions on any ballot that may be called for and if you specify a choice with respect to any matter to be acted upon, the Shares will be voted accordingly. If you properly complete and return your proxy but do not specify how you wish the votes cast, your Shares will be voted as your proxyholder sees fit. **Unless contrary instructions are provided, Shares represented by proxies by management will be voted:**

- **For the election of the eight (8) director nominees;**

- **For** the appointment of Grant Thornton LLP as auditors to serve until the next annual meeting;
- **For** the continuation of the Company' Stock Option Plan;
- **For** the consolidation of all the Shares of the Company on the basis of a range between one (1) post-consolidation Share for every two (2) to ten (10) pre-consolidation Shares.

Can I appoint someone other than the individuals named in the enclosed proxy to vote my Shares?

Yes, you have the right to appoint another person of your choice, other than the persons designated in the form of proxy, who need not be a shareholder, to attend and act on your behalf at the Meeting. To appoint a person other than those named in the enclosed proxy, strike out those printed name(s) appearing on the proxy and insert the name of your chosen proxyholder in the space provided. Note that you should ensure that any other person you appoint will attend the Meeting and is aware that his or her appointment has been made to vote your Shares. Proxyholders should, on arrival at the Meeting, present themselves to a representative of Computershare.

What if my Shares are registered in more than one name or in the name of a company?

If your Shares are registered in more than one name, all those persons in whose name they are registered must sign the proxy. If the Shares are registered in the name of a company or any name other than your own, you may need to provide documentation that proves you are authorized to sign the proxy on behalf of that company or name. If you have any questions as to what supporting documentation is required, please contact Computershare prior to submitting your proxy.

Can I revoke a proxy or voting instruction?

If you are a Registered Holder and have returned a proxy, you may revoke it at any time prior to the exercise thereof by:

- (a) Completing and signing another proxy bearing a later date, and delivering it to Computershare at any time up to 10:00 a.m. ET on November 23, 2020 (or if the Meeting is adjourned, on the last business day preceding the day to which the Meeting is adjourned);
- (b) Delivering a written statement, signed by you or your authorized attorney to Computershare at any time up to 10:00 am ET on November 23, 2020, (or if the Meeting is adjourned, on the last business day preceding the day to which the Meeting is adjourned);
- (c) Delivering a written statement, signed by you or your authorized attorney to the chairman of the Meeting on the day of the Meeting or an adjournment thereof; or
- (d) In any other manner permitted by law.

If you are a Non-Registered Holder, please contact your nominee. If you have returned a form of proxy and then attend personally at the Meeting you should, on arrival at the Meeting, contact a representative of Computershare to revoke the proxy and vote in person.

How may the proxyholders exercise their discretion?

The proxy provides discretionary authority to the management designees, or other persons named in the proxy, with respect to amendments to or variations of matters identified here and any other matters which may properly come before the Meeting or any adjournments of it. At the date of this Circular, management is not aware of any amendments to, or variations of, or other matters which may come before the Meeting other than the matters referred to herein. In any such event, the management designees intend to vote in accordance with their judgment on such matters.

Mr. O'Neil resigned his positions in April 2013 and on July 29, 2013 Gryphon filed a voluntary petition under Chapter 11 of the United States Bankruptcy Code.

Penalties or Sanctions

- I. been subject to any penalties or sanctions imposed by a court relating to securities legislation or by a securities regulatory authority or has entered into a settlement agreement with a securities regulatory authority; or
- II. been subject to any other penalties or sanctions imposed by a court or regulatory body, including a self-regulatory body, that would be likely to be considered important to a reasonable shareholder in deciding whether to vote for a proposed director.

Reappointment of Auditors

Grant Thornton LLP ("**Grant Thornton**"), 11th Floor, 200 King Street West, Toronto, Ontario, M5H 3T4 is our current auditor. At the Meeting, Shareholders will be asked to pass an ordinary resolution to reappoint Grant Thornton as auditors of the Company to serve until the next annual meeting of Shareholders and to authorize the Board to fix their remuneration.

Unless otherwise instructed, the persons named in the accompanying proxy intend to vote FOR the re-appointment of Grant Thornton as the auditors of the Company to hold office until the next annual meeting of Shareholders or until a successor is appointed, and to authorize the Board to fix their remuneration.

Continuance of Stock Option Plan

Pursuant to TSX Venture Exchange (“**TSX-V**”) policies, a TSX-V-listed issuer is required to obtain the approval of its shareholders for a “rolling” stock option plan at each annual meeting of shareholders. Shareholders will be asked to approve by ordinary resolution the continuance of the Company’s Stock Option Plan pursuant to which 10% of the Company’s issued and outstanding shares are set aside and reserved for stock options on a rolling basis. The Stock Option Plan was approved by the shareholders of the Company at the annual and special meeting of shareholders held on December 11, 2019. The form of Stock Option Plan to be re-approved and ratified at the Meeting is attached as Schedule “B” of the Company’s management information circular.

Unless otherwise instructed, the persons named in the accompanying proxy intend to vote FOR the continuance of the Company’s Stock Option Plan.

Consolidation of Issued and Outstanding Shares

At the Meeting, Shareholders will be asked to consider a special resolution (the “**Consolidation Resolution**”), authorizing the Board to amend the articles of the Company to effect a consolidation of all of the issued and outstanding Shares on the basis of a consolidation ratio (the “**Consolidation Ratio**”) to be selected by the Board within a range between two (2) pre-consolidation Shares for one (1) post-consolidation Share and ten (10) pre-consolidation Shares for one (1) post-consolidation Share (the “**Share Consolidation**”).

The principal purpose of the Share Consolidation is to enhance the Company’s liquidity, the marketability of Shares and shareholders’ profitability and to facilitate fund raising, giving the Company a greater chance to meet its working capital requirements and to fund further exploration programs on its mining projects, namely on the West Cache Gold Property.

In the opinion of Management, a consolidation of the Shares of the Company pursuant to the Consolidation Ratio is the proper action to make the Company more attractive to investors financing the Company’s activities as well as buying securities either privately or on public markets. The final decision to proceed with the Share Consolidation or to not proceed, including the final Consolidation Ratio, shall be the privilege of the directors of the Company. As a result, the authorization given to the Board to proceed with the Share Consolidation does not guarantee that it will occur. Prior to implementing the Share Consolidation, the Company shall first be required to obtain the approval of the TSX-V and other applicable regulatory approvals.

Effect of the Consolidation

The number of securities of the Company currently outstanding prior to the proposed Share Consolidation is 406,416,735 Shares, 21,200,000 stock options to purchase Shares (the “**Options**”) and 86,860,443 common share purchase warrants (the “**Warrants**”). For illustrative purposes, assuming the Share Consolidation is implemented at a Consolidation Ratio of ten (10) pre-consolidation Shares for one (1) post-consolidation Share:

- (a) The number of outstanding securities of the Company will be 40,641,674 Shares, 2,120,000 Options and 8,686,044 Warrants;
- (b) Each holder of Shares will become entitled to receive such number of post-consolidation Shares as is equal to its existing Shares divided by the Consolidation Ratio;
- (c) Each Warrant and Option not yet exercised and still valid and outstanding at the date of the Share Consolidation will be adjusted by the Consolidation Ratio as applied to the Shares and each holder thereof will become entitled to receive post-consolidation Shares accordingly; and
- (d) No fractional Shares, Warrants or Options of the Company shall be issued in connection with the Share Consolidation and no cash shall be paid in the event that a Shareholder would otherwise be entitled to receive a fractional security upon such Share Consolidation. Any fractions stemming therefore will be rounded up or rounded down to the nearest whole number.

Exchange of Shares

If the Share Consolidation is implemented, the specific procedures for the exchange of Shares for the post-consolidation Shares will be outlined in a letter of transmittal to be completed and returned to the Company's registrar and transfer agent per instructions in the letter of transmittal. Thereafter, certificates for the number of the post-consolidation Shares will be distributed without charge.

Certain Risks Associated with the Share Consolidation

There can be no assurance that the total market capitalization of the Company's post-consolidation Shares (the aggregate value of all Shares at the then-market price) immediately after implementation of the Share Consolidation will be equal to or greater than the total market capitalization immediately before the Share Consolidation. In addition, there can be no assurance that the per-share market price of the Shares following the Share Consolidation will be higher than the per-share market price immediately before the Share Consolidation or equal or exceed the direct arithmetical result of the Share Consolidation. A decline in the market price of the Shares after the Share Consolidation may result in a greater percentage decline than would occur in the absence of a Share Consolidation and the liquidity of the Shares could be adversely affected. There can be no assurance that, if the Share Consolidation is implemented, the margin terms associated with the purchase of Shares will improve or that the Company will be successful in receiving increased attention from institutional investors.

If the Share Consolidation is implemented, it may result in some Shareholders owning "odd lots" of less than 100 Shares on a post-consolidation basis. Odd lots may be more difficult to sell, or require greater transaction costs per Share to sell, relative to Shares in "board lots" of multiples of 100 Shares.

Other Information Regarding the Share Consolidation

If approved and implemented, the Share Consolidation will occur simultaneously for all Shares and the consolidation ratio would be the same for all such Shares. The Share Consolidation would affect all Shareholders equally. Except for any variances attributable to fractional Shares, the change in the number of issued and outstanding Shares that would result from the Share Consolidation would cause no change in the capital attributable to the Shares and would not materially affect any Shareholders' percentage ownership in the Company, even though such ownership would be represented by a smaller number of Shares. In addition, the Share Consolidation would not affect any Shareholder's proportionate voting rights. Each Share outstanding after the Share Consolidation would be entitled to one vote and be fully paid and non-assessable.

Non-Registered Holders holding their Shares through a bank, broker or other nominee should note that such banks, brokers or other nominees may have different procedures for processing the Share Consolidation than those that will be put in place by the Company for Registered Holders. If you hold your Shares with a bank, broker or other nominee and if you have any questions in this regard, you are encouraged to contact your nominee.

Under the CBCA, Shareholders do not have dissent and appraisal rights with respect to the proposed Share Consolidation.

Resolutions and Vote Required

The text of the special resolution, which will be submitted to shareholders at the Meeting, is set forth below. The special resolution must be approved by not less than two-thirds (66 $\frac{2}{3}$ %) of the votes cast by the holders of Shares present in person or represented by proxy at the Meeting to be effective. The special resolution provided that the Board may revoke the special resolution before the issuance of certificate of amendment by the Director under the CBCA without the approval of the shareholders.

The shareholders of the Company are therefore asked to consider, and if thought advisable, to approve the following resolution:

"BE IT RESOLVED, as a special resolution of the Shareholders of the Company, that:

1. pursuant to the *Canada Business Corporations Act*, the articles of the Company be amended to consolidate all of the issued and outstanding common shares, on the basis of a consolidation ratio to be selected by the Board of Directors (the "**Board**") within a range between two (2) pre-consolidation common shares for one

- (1) post-consolidation common share and ten (10) pre-consolidation common shares for one (1) post-consolidation common share (the "**Share Consolidation**"), effective as at the discretion of the Board;
2. the Board be and it is authorized to file articles of amendment and all other requisite documents with all applicable regulatory authorities in order to give effect to the Share Consolidation;
3. the date of completion of the Share Consolidation shall be determined at the discretion of the Board, provided that such date shall be on or before November 24, 2022;
4. in the event that the consolidation would otherwise result in the issuance of a fractional common share, no fractional common share shall be issued and such fraction would be rounded up or rounded down to the nearest whole number;
5. any officer or director of the Company is hereby authorized to sign, for and on behalf of the Company, and file the articles of amendment with Corporations Canada and deliver any document and to do all things and to sign any other document which he, in his sole discretion, may deem necessary or useful in order to give effect to this special resolution, including the determination of the effective date of the Share Consolidation and the filing of all appropriate documents with the TSX Venture Exchange so as to obtain its approval for such Share Consolidation; and
6. notwithstanding the foregoing, the directors of the Company are hereby authorized, without further approval of or notice to the shareholders of the Company, to revoke this special resolution at any time before a certificate of amendment is issued by the Director".

For the reasons indicated above, the Board believes that the proposed Share Consolidation is in the best interests of the Company and its Shareholders and, accordingly, recommends that shareholders vote FOR the special resolution approving the Share Consolidation. The persons named in the enclosed proxy form intend to vote **FOR the special resolution unless the Shareholder specifies that his or her proxy form shall be voted against the resolution.**

Other Matters

Management of the Company knows of no amendment, variation or other matter to come before the Meeting other than the matters referred to in the Notice of Meeting accompanying this Circular. However, if any other matter properly comes before the Meeting, the form of proxy furnished by the Company will be voted on such matters in accordance with the best judgment of the persons voting the proxy.

EXECUTIVE COMPENSATION

Compensation Discussion and Analysis

The following Compensation Discussion and Analysis describes and explains the significant elements of our compensation programs. The objectives of our compensation program are to retain and motivate qualified executive officers who will drive our success while promoting an alignment of interests between the executive officers and the Shareholders. Compensation consists of three elements: base salary, short-term incentive bonus, and Options. The Compensation Committee reviews annually each component and appropriate competitive factors, and makes recommendations based upon performance.

Base salaries: The primary element of our compensation program is base salary. Our view is that a competitive base salary is a necessary element for retaining and attracting qualified employees. The base salary of each executive is determined based upon survey of competitive information, number of years' experience, and comparison to other base salaries paid in similar situations.

Short-term incentive bonus: In addition to establishing competitive base salaries and option incentives, one of the objectives of the executive compensation strategy is to encourage and recognize strong levels of performance by linking achievement of specific goals with variable cash compensation in the form of a short-term incentive bonus.

Target bonus awards range up to 100% of base salary for the achievement of specific operational objectives, subject to market conditions. The amount of any bonus is based upon a recommendation of the Compensation Committee and discussion with the full Board. Bonuses paid during the 2019 fiscal year were on account of performance achievements and contractual obligations during the fiscal year.

Options: The number of Options granted is reviewed at each grant date to provide medium-term incentives. The determination as to the number of Options awarded is arrived at subjectively based upon a recommendation of the Compensation Committee and discussion with the full Board. The terms and conditions of Options granted to executives and other employees are reviewed for each grant at the time that it is made. There were 21,200,000 Options outstanding at the Record Date.

Director and Named Executive Officer Compensation, Excluding Compensation Securities

There were four Named Executive Officers during the year ended November 30, 2019: R. There were three Named Executive Officers during the year ended November 30, 2018: David McPherson, former President and CEO, Thomas Kofman, former CFO (until March 9, 2018), and Sonia Agustina, CFO (from March 9, 2018). “Named Executive Officer” means each of the following individuals (a) a CEO; (b) a CFO (c) each of the three most highly compensated executive officers of the company, including any of its subsidiaries, or the three most highly compensated individuals acting in a similar capacity, other than the CEO and CFO, at the end of the most recently completed financial year whose total compensation was more than \$150,000; and (d) each individual who would be an NEO under paragraph (c) but for the fact that the individual was neither an executive officer of the company or its subsidiaries, nor acting in a similar capacity, at the end of that financial year.

The following table sets out a summary of compensation (excluding compensation securities) paid, awarded to or earned by the Named Executive Officers and any non-NEO directors of the Company for the periods indicated therein:

Stock Option Plan and Option-Based Awards

The timing of the grant and number of Shares made subject to Options, with respect to Options proposed to be granted by the Company to its executive officers, is recommended by the CEO, reviewed and approved (or revised, if thought appropriate) by the Compensation Committee and implemented by a resolution of the Board. The review of proposed Option grants by the Compensation Committee (which is composed of independent directors) and the implementation thereof by the Board (which is comprised of a majority of independent directors) provides the independent directors with significant input into such compensation decisions. Previous grants of Options are taken into account when considering new grants. There are at present no policies that forbid a Named Executive Officer or a director from acquiring financial instruments to hedge a decrease in the market value of share-based or option-based securities. To the knowledge of the Company, for the fiscal year ended November 30, 2019, no Named Executive Officer or director, directly or indirectly, employed a strategy to hedge or offset a decrease in market value of equity securities granted as compensation or held.

At a special meeting of the Shareholders on December 11, 2019 the Shareholders approved a 10% "Rolling" Stock Option Plan which needs to be re-approved every year thereafter. For a summary of the terms of the Stock Option Plan, see "Securities Authorized for Issuance Under Equity Compensation Plans – Summary of the Stock Option Plan".

Pension Plan Benefits

The Company does not have any pension plans that provide for retirement benefits or payments for directors and executive officers at, following or in connection with retirement.

Termination, Change of Control Benefits, Employment and Management Contracts

There are certain circumstances that trigger payments or the provision of other benefits to a NEO upon termination and change of control. Such change of control provisions are necessary in order to attract and retain highly skilled executives. Change of control provisions are necessary not only to protect NEOs of the Company, but also to encourage NEOs to pursue transactions, including mergers and take-overs, that are beneficial to the Company but may result in the termination of the NEO's employment.

On January 11, 2019, the Company appointed a new President and CEO, R. David Russell ("Mr. Russell"). Effective January 11, 2019, the Company entered into a consulting agreement with Mr. Russell that provides for a sign on

bonus of US\$100,000 and a monthly fee of US\$22,000, with initial payments of US\$6,000 per month and the balance accrued until Mr. Russell recapitalized the Company and funds became available for payment. Effective January 1, 2020, monthly fee shall increase to US\$26,666, subject to board approval. Variable compensation includes a bonus of US\$100,000 in cash and 5% of the value paid, whether cash or stock, for each new mining project or acquisition/merger of a company with mining assets completed, and a yearly bonus of 50% (up to 100% based on performance) of annual salary which could be paid in cash and restricted stock, at the discretion of Mr. Russell. Mr. Russell is also entitled to monthly car allowance of US\$1,500 per month, health insurance of \$1,100 per month, life insurance capped at US\$12,000 per year. In the event that the consulting agreement with Mr. Russell is terminated by the Company without cause, the Company shall provide twenty-four (24) months prior written notice or 24 months' salary, in lieu of notice, plus a 100% bonus of annual salary and US\$100,000. If Mr. Russell's consulting agreement is terminated following a Change of Control (as defined below), Mr. Russell shall be deemed to have been terminated without cause by the Company. The consulting agreement with Mr. Russell shall be terminated by death or permanent disability and all compensation ceased at the end of the month following the termination. Mr. Russell or his heirs will have thirty-six (36) months to exercise all stock options held after termination.

Sonia Agustina ("Ms. Agustina") was appointed as CFO on March 9, 2018. Ms. Agustina provides consulting services through, 2399384 Ontario Inc., a company she owns and controls. Terms of the consulting agreement include payments of \$6,000 per quarter. Additional payments at an agreed upon rate are paid during quarters that require additional accounting services.

Lisa Buchan ("Ms. Buchan") has been an employee of the Company since 2007. Effective March 1, 2019, the Company entered into a new employment agreement with Ms. Buchan that provides a monthly fee of \$7,500 until the Company is recapitalized, at which time, the monthly fee increases to \$10,000 and Ms. Buchan is entitled to a sign on bonus of \$100,000. Effective January 1, 2020, her monthly fee shall automatically increase to \$12,500. Ms. Buchan is also entitled to monthly health and dental allowance of \$1,000 per month until the Company adopts an employee health plan. In the event that the consulting agreement with Ms. Buchan is terminated by the Company without cause, the Company shall provide twenty-four (24) months prior written notice or 24 months' salary, in lieu of notice, plus a lump sum payment of US\$100,000. If Ms. Buchan consulting agreement is terminated following a Change of Control (as defined below), Ms. Buchan shall be deemed to have been terminated without cause by the Company. The employment agreement with Ms. Buchan shall be terminated by death or permanent disability and all compensation ceased at the end of the month following the termination and if the Company has not adopted an employee life insurance plan then, the Company shall pay \$150,000 to Ms. Buchan or her heirs.

For the purposes of this section:

"Change of Control" means: (i) the acquisition by any person or group of related persons or persons acting jointly or in concert (other than the Executive) of more than 60% of the issued and outstanding common shares of the Company (calculated on a non-diluted basis), whether acquired in a single transaction or a series of transactions; or (ii) the dismissal (including without limitation, constructive dismissal) of the Executive of the Company except as a result of his Permanent Disability as defined herein or death or for cause as defined herein; or (iii) the election to the Board of Directors of the Company, of persons employed by or representing any one person or group of related persons or persons acting jointly or in concert (other than the Executive) and constituting more than 50% of such Board; and (iv) a material change in the Executive's duties and responsibilities such that the Executive is required to assume duties that are not consistent with or to relinquish duties that are consistent with, those customarily and usually performed by an Executive.

CORPORATE GOVERNANCE PRACTICES

The Board and management consider good corporate governance to be central to effective and efficient operations. Through the Corporate Governance and Nominating Committee, the Board reviews, evaluates and modifies its governance program to ensure it is of the highest standard. The Board is satisfied that the Company’s governance plan is consistent with legal and stock exchange requirements. Under National Instrument 58-101 – *Disclosure of Corporate Governance Practices* the Company is required to disclose certain information relating to its corporate governance practices. This information is set out below.

Board of Directors

NI 58-101 defines an “independent director” as a director who has no direct or indirect material relationship with the Company. A “material relationship” is in turn defined as a relationship which could, in the view of the Board, be reasonably expected to interfere with such member’s independent judgment.

The following five directors are independent: James T. O’Neil, Thomas Kofman, Mario Colantonio, Gerhard Merkel and Michael Hobart. Two directors of the Board are not independent: R. David Russell and Christian Dupont. Following the Meeting, the Board will be comprised of eight (8) members, of which six (6) will be independent.

The Board facilitates its exercise of independent supervision over management by ensuring that at least half of its directors qualify as independent directors pursuant to NI 58-101 and by establishing committees that are comprised of a majority of independent members.

The following proposed directors are currently directors of other issuers that are reporting issuers (or the equivalent):

Name of Director	Issuer
Thomas Kofman	Urbanfund Corp. Tempus Capital Inc.
Christian Dupont	Brunswick Resources Inc.
Mario Colantonio	Brunswick Resources Inc.

The Board and its committees meet as necessary in the absence of the President and CEO and other members of management. The Audit Committee also holds *in camera* sessions with only the external auditors present as needed.

Position Description

The Board has developed written position descriptions for the Chairman and the chair of each Board committee. The Board has developed a written position description for the CEO.

Orientation and Continuing Education

Due to the size of the Board, no formal program exists for the orientation of new directors. Upon joining the Board, new directors will be given access to all of the background documents of the Company, including all corporate records, by-laws, corporate policies, organization structure and prior board and committee minutes. Candidates for election to the Board will have been allowed the opportunity to review appropriate portions of such material prior to their having indicated their consent to stand for election as directors, in order to assess their suitability as directors.

No formal continuing education program exists for directors of the Company. As part of continuing education, the Board will receive management presentations with respect to the operations and business risks as needed. In addition, the individual directors identify their continuing education needs through a variety of means, including discussions with management and at Board and committee meetings.

Ethical Business Conduct

The Board has adopted a Code of Business Conduct and Ethics applicable to the directors, officers and employees. A copy of the Code of Business Conduct and Ethics is available for review on our website at galleongold.com.

When situations of non-compliance with the code become known to management, it would take appropriate disciplinary actions. Management is required to report violations of the code and any actions taken to the Corporate Governance and Nominating Committee. The Board monitors this by periodic reporting by the Corporate Governance and Nominating Committee to the full Board. There have not been any material change reports filed since the beginning of the Company's most recently completed financial year that pertain to any conduct of a director or executive officer that constitutes a departure from the code. Directors recuse themselves from discussions where they have a conflict of interest or may be perceived to have a conflict of interest. The Chair may also request that a director recuse himself or abstain from voting on an issue if he feels that there may be a conflict or if required by law.

The Board has adopted a Whistleblower Policy which provides employees, management, officers, directors, contractors, consultants and committee members with the ability to report, on a confidential and anonymous basis: (a) any concern that an employee, director, officer or consultant has committed an actual or apparent violation of the *Code of Conduct and Ethics Policy* or *Whistleblower Policy*; (b) any actual or apparent violation of our *Insider Trading Policy*; (c) any significant violation of any other of our policies; (d) any complaint regarding accounting, internal controls, disclosure controls or auditing matters, or (e) any good faith concerns regarding possible fraud, or questionable accounting or auditing matters. The Nominating and Governance Committee makes recommendations to the full Board concerning all nominees for board membership. SCHEDULE B
GALLEON GOLD CORP.
STOCK OPTION PLAN

1. THE PLAN

Galleon Gold Corp. (the “**Company**”) has established a Stock Option Plan (the “**Plan**”) for *bona fide* Directors, Employees, Consultants, Service Providers and any personal holding company (a “**Personal Holding Company**”) of a Director, Employee, Consultant or Service Provider (collectively, the “**Admissible Persons**”), to purchase authorized but unissued common shares of the Company (the “**Common Shares**”) on the terms and conditions hereinafter set out.

The Board of Directors of the Company may appoint a committee to administer the Plan (the “**Committee**”). In the event such a Committee is not appointed by the Board of Directors, then the Board of Directors shall, for the purposes herein, be deemed to constitute the Committee.

2. PURPOSE

The purpose of the Plan is to encourage the participation of the Admissible Persons in the Company’s growth and development by providing them, through the grant of options exercisable for Common Shares (the “**Options**”), with the opportunity to acquire a financial interest in the Company, or increase same.

3. DEFINITIONS

All capitalized terms used but not otherwise defined herein shall have the meaning ascribed thereto in the TSX Venture Exchange (“**TSXV**”) Corporate Finance Manual Policy 1.1 – *Interpretation* and Policy 4.4 – *Incentive Stock Options*.

4. GRANT OF OPTIONS

The Committee may, from time to time, in its discretion, grant to any Admissible Person (the “**Optionee**”), the irrevocable (subject to the terms hereof) option to acquire Common Shares (the “**Optioned Shares**”) upon and subject to such terms, conditions and limitations as are herein contained and as the Committee may from time to time determine with respect to each Option. Notwithstanding the foregoing, the exercise of any Option granted hereunder is subject to the vesting provisions contained in Section 9 hereof.

Subject to the Plan, the Committee may impose limitations, restrictions and conditions, in addition to those set out in the Plan, that are applicable to the exercise of an Option including, without limitation, the nature and duration of any restrictions applicable to a sale or other disposition of Optioned Shares acquired upon exercise of an Option and the nature of events, if any, that may cause any Optionee’s rights in respect of Optioned Shares acquired upon exercise of an Option to be forfeited and the duration of the period of such forfeiture.

The granting of any Option to an Optionee does not confer upon the Optionee any right to continue in the employment of the Company or as a member of the Board, as the case may be, nor does it interfere in any way with the rights of the Optionee or of the Company’s rights to terminate the Optionee’s employment or consultancy agreement at any time or of any shareholder’s right to nominate or elect one or more Directors of the Company.

For options granted to Employees, Consultants, Service Providers (including a Personal Holding Company of an Employee, Consulting or Service Provider), the Company shall represent that the Optionee is a *bona fide* Employee, Consultant or Service Provider, as the case may be.

The Committee shall be permitted, through the establishment of appropriate procedures, to monitor the trading of Common Shares by persons who are performing Investor Relations Activities for the Company and who have been granted Options pursuant to this Plan.

5. AUTHORIZED SHARES PURSUANT TO THE PLAN

Subject to adjustment as provided in Section 13 hereof, the aggregate number of Optioned Shares to be delivered upon the exercise of all Options granted under the Plan shall not exceed 10% of the issued and outstanding Common Shares from time to time. If any Option granted hereunder is cancelled, expires or terminates for any reason without having been exercised in full, the unpurchased Optioned Shares subject thereto shall again be available for the purposes of the Plan. Any Common Shares subject to an Option which has been exercised by an Optionee, shall again be available for grants under the Plan.

The allotment of the Common Shares and the Company's obligation to issue Common Shares pursuant to the Plan are subject to the following conditions:

- (a) Subject to subsections 5(b) and 5(c) hereof, no Optionee may be granted Options to acquire more than 5% of the issued and outstanding Common Shares of the Company (calculated as at the time of the grant of such Options) in any 12-month period unless the Company has obtained disinterested shareholder approval in connection therewith;
- (b) No Consultant Optionee may be granted Options to acquire more than 2% of the issued and outstanding Common Shares of the Company (calculated as at the time of the grant of such Options) in any 12-month period; and
- (c) The aggregate number of Options granted to Optionees conducting Investor Relations Activities shall not exceed 2% of the issued and outstanding Common Shares of the Company (calculated as at the time of the grant of such Options) in any 12-month period.

6. OPTION PRICE

The purchase price of the Common Shares, upon exercise of each Option granted under the Plan, (the "**Option Price**") shall be a price fixed for such Option by the Committee upon grant of each such Option provided that such Option Price shall not be lower than the Discounted Market Price at the time of grant. In the event that the Company proposes to reduce the Option Price of Options granted to an Optionee who is an Insider of the Company at the time of the proposed amendment, such amendment shall not be effective until disinterested shareholder approval has been obtained in respect of the Option Price reduction.

The allotment of the Common Shares and the Company's obligation to issue Common Shares pursuant to the Plan are subject to the Company having obtained the required authorizations from the regulatory authorities pertaining to the allotment of the Options or to the issuance and distribution of the Optioned Shares and the listing of the Optioned Shares on the TSXV. The Company undertakes to use its best efforts to obtain all the required approvals to give effect to the Plan.

7. METHOD OF EXERCISE OF OPTION

Each Option or part thereof may be exercised by the Optionee or his heirs or legal personal representative by giving notice in writing in the form annexed hereto as Schedule A hereto addressed to the Company at its head office in Toronto, Ontario, and delivered or mailed by registered mail to the Chief Financial Officer of the Company. Such notice shall specify the number of Optioned Shares with respect to which the Option is being exercised and shall be accompanied by payment in full, by certified cheque or other form of payment acceptable to the Company, of the aggregate Option Price for such number of Optioned Shares so specified therein.

Upon any such exercise of an Option as aforesaid, the Company shall forthwith deliver or, as applicable, cause the transfer agent and registrar of the Company to deliver to the Optionee, or his legal personal representative or to the order thereof, a certificate representing the aggregate number of fully paid and non-assessable Common Shares as the Optionee or his heirs or legal personal representative shall have then paid for. Notwithstanding the foregoing,

no Option shall be exercisable unless the Company shall be satisfied that the issuance of Optioned Shares, upon exercise thereof, will be in compliance with the applicable laws of Canada or any province therein and the rules of the TSXV. Upon receipt of payment in full, the number of Optioned Shares in respect of which the Option is exercised will be duly issued as fully paid and non-assessable.

No fractional Common Shares shall be issued upon the exercise of Options. If an Optionee otherwise becomes entitled to a fractional Common Share upon exercise of an Option, such Optionee shall only have the right to purchase the next lowest whole number of Common Shares and no payment or adjustment shall be made with respect to the fractional interest so disregarded.

The exercise of each Option granted under this Plan is subject to the condition that if at anytime the Company determines, in its discretion, that the satisfaction of withholding tax or other withholding liabilities is necessary or desirable in respect of such exercise, such exercise is not effective unless such withholding has been effected to the satisfaction of the Company. In such circumstances, the Company may require that an Optionee pay to the Company, in addition to and in the same manner as the Option Price for the Optioned Shares, such amount that the Company is obliged to remit to the relevant taxing authority in respect of the exercise of the Option. Any such additional payment is due no later than the date as of which any amount with respect to the Option exercised first becomes includable in the gross income of the Optionee for tax purposes.

8. TERM

Each Option, unless sooner terminated in accordance with the terms, conditions and limitations thereof, or unless sooner exercised, shall expire at 5:00 p.m. (Toronto time) on the date ("**Expiry Date**") determined by the Board of Directors or by the Committee when the Option is granted or, failing such determination and in any event, not later than that date which is ten (10) years after the grant of the Option.

Subject to the rules, policies or regulations of the TSXV, in the event that the expiry of an Option occurs during a blackout period imposed by management, the Board of Directors or the Committee in accordance with the Company's insider trading policy, if any, the expiry date of such Option shall be deemed to be amended to that date which is seven business days following the end of such blackout period.

9. VESTING

The vesting of each Option granted pursuant to the Plan, and the extent to which each Option is exercisable from time to time during the term of such Option, shall be determined by the Committee in its sole discretion. Notwithstanding the discretion of the Committee to determine vesting periods, Options granted to Consultants conducting Investor Relations Activities for the Company shall vest over a period of not less than twelve (12) months with no more than twenty-five percent (25%) of the options vesting in any three (3) month period.

10. TERMINATION AS ADMISSIBLE PERSON

Subject to subsections 10(a) and 10(b) hereof and to any express resolution passed by the Committee with respect to an Option but in no event to exceed an extension of one year, an Option and all rights to purchase Common Shares pursuant thereto shall expire and terminate immediately upon the Optionee who holds such Options ceasing to be an Admissible Person, provided that:

- (a) If, before the expiry of an Option in accordance with the terms thereof, an Optionee shall cease to be an Admissible Person (an "**Event of Termination**") for any reason other than his or her resignation or termination for Cause of his or her employment with the Company, or his or her resignation or failure to be re-elected as a Director of the Company, then the Optionee may:
 - (i) exercise the Option to the extent that he or she was entitled to do so at the time of such Event of Termination, at any time up to and including, but not after, a date three (3) months following the date of such Event of Termination, or prior to the close of business on the expiration date of the Option, whichever is earlier; and
 - (ii) with the prior written consent of the Board of Directors or the Committee, which consent may be withheld in the Company's sole discretion, permit the exercise of any Options which have not yet vested at any time up to and including, but not after, a date three (3) months following the date of such Event of Termination, or prior to the close of business on the expiration date of the Option,

whichever is earlier, to purchase all or any of the Optioned Shares as the Board of Directors or the Committee may designate but not exceeding the number of Optioned Shares the Optionee would have otherwise been entitled to purchase pursuant to the Option had the Optionee's status as an Admissible Person been maintained for the term of the Option. The Committee in its sole discretion may extend the time permitted to exercise any Options which have not yet vested at any time up to and including, but not after, a date twelve months following the date of such Event of Termination,

- (b) if an Optionee dies before the expiry of an Option in accordance with the terms thereof, the Optionee's legal representative(s) may, subject to the terms of the Option and the Plan:
 - (i) exercise the Option to the extent that the Optionee was entitled to do so at the date of his or her death at any time up to and including, but not after, a date one year following the date of death of the Optionee, or prior to the close of business on the expiration date of the Option, whichever is earlier; and
 - (ii) with the prior written consent of the Board of Directors or the Committee, exercise at any time up to and including, but not after, a date one year following the date of death of the Optionee, a further Option to purchase all or any of the Optioned Shares as the Board of Directors or the Committee may designate but not exceeding the number of Optioned Shares the Optionee would have otherwise been entitled to purchase had the Optionee survived.

For greater certainty, Options shall not be affected by any change of employment of the Optionee or by the Optionee ceasing to be a Director of the Company provided that the Optionee continues to be an Admissible Person.

For the purposes of this Section 10, "**Cause**" means any act or omission by the Admissible Person which would in law permit an employer to, without notice or payment in lieu of notice, terminate the Admissible Person's employment or services, and shall include without limitation the meaning attributed thereto in the employment agreement or consulting agreement, as may be applicable, of such Admissible Person.

For the purposes of 10(a), the date the Optionee ceases to be an Admissible Person, in the case of termination of employment with the Company, shall be the last day upon which the employee provides services to the Company at its premises and not the last day of any notice period or upon which the Company pays wages or salaries in lieu of notice of termination, statutory, contractual or otherwise.

11. ISSUE OF COMMON SHARES

No Optionee shall have any of the rights of a shareholder with respect to any Optioned Shares until same have been paid for in full and issued to him.

12. TRANSFERABILITY AND ASSIGNMENT

Subject to the provisions of this Section 12, Options are personal to the Optionee. No Optionee may deal with any Option or any interest in it or Transfer any Option now or hereafter held by the Optionee except in accordance with the Plan. A purported Transfer of any Option in violation of the Plan will not be valid and the Company will not issue any Optioned Shares upon the attempted exercise of an improperly Transferred Option. No Option shall be Transferable or assignable other than by will or the laws of succession and distribution.

For the purposes of this Section 12, "**Transfer**" means any sale, exchange, assignment, gift, bequest, disposition, mortgage, charge, pledge, encumbrance, grant of security interest or other arrangement by which, directly or indirectly, possession, legal title or beneficial ownership passes from an Optionee to another person, or to the Optionee in a different capacity, whether or not voluntary or by operation of law and whether or not for value, and any agreement to effect any of the foregoing; and the words "**Transferred**", "**Transferring**", "**Transferrable**" and similar words have corresponding meanings.

13. ALTERATION OF NUMBER OF SHARES SUBJECT TO THE PLAN

The number of Common Shares subject to the Plan shall be increased or decreased proportionately in the event of the subdivision or consolidation of Common Shares of the Company, and in any such event a corresponding adjustment shall be made changing the number of shares deliverable upon the exercise of any Option theretofore

granted without change in the total price applicable to the unexercised portion of the Option, but with a corresponding adjustment in the price for each Optioned Share. In case the Company is reorganized or merged or consolidated or amalgamated with another corporation, appropriate provisions shall be made for the continuance of the Options outstanding under the Plan and to prevent their dilution or enlargement.

14. TERMINATION

Notwithstanding any vesting schedule determined in accordance with Section 9 hereto or any other provision of this Plan, in the event that the Company or its shareholders receive and accept an offer to acquire all of the shares or substantially all of the assets of the Company, whether effected through an acquisition for cash or securities, and whether structured as a purchase, amalgamation, merger, arrangement, reorganization or other business combination (in each case, a “**Sale Transaction**”), the Committee may, in its sole discretion, deal with the Options issued under the Plan in the manner it deems fair and reasonable in light of the circumstances of the Sale Transaction provided all Optionees to whom Options have been granted under the Plan and remain outstanding are treated similarly. In this regard, in the event of a proposed Sale Transaction, the Committee may, in its sole discretion, by written notice (the “**Notice**”) to any Optionee, accelerate the vesting of some or all the Options such that such Options become immediately fully vested. In such circumstances, the Committee may by written notice compel the Optionee to exercise his Options within 30 days of the date of such written notice to exercise, failing which the Optionee’s right to purchase Optioned Shares under such Options lapses. In addition, and without limiting the generality of the foregoing, in connection with a Sale Transaction, the Committee may, without any action or consent required on the part of any such Optionee, (i) deem any or all Options (vested or unvested) under the Plan to have been exercised and the Optioned Shares to have been tendered to the Sale Transaction, (ii) apply a portion of the Optionee’s proceeds from the closing of the Sale Transaction to the Option Price payable by that Optionee for the exercise of his or her Options, (iii) cancel the Options and pay to an Optionee the amount that the Optionee would have received, after deducting the Option Price of the Options, had the Options been exercised, (iv) exchange Options, or any portion of them, for options to purchase shares in the capital of the acquiror or any corporation which results from an amalgamation, merger or similar transaction involving the Company made in connection with the Sale Transaction, or (v) take such other actions, and combinations of the foregoing actions, as it deems fair and reasonable under the circumstances.

If the proposed Sale Transaction is not completed within 180 days after the date of Notice, any affected Optionee, within a period of 10 days following the 180-day period, may elect to cancel an exercise pursuant to the Notice. In respect of any Optionee who makes this election, the Company will return to the Optionee all rights under such Optionee’s Options as if no exercise had been effected, subject to the appropriate adjustment of accounts to the position that would have existed had there been no exercise of Options.

The Committee may at any time terminate the Plan with respect to Common Shares not being, at that time, Optioned Shares, and the Committee may at any time amend any provision of the Plan subject to obtaining the necessary approval of the TSXV and any other applicable regulatory authorities, provided that any such amendment shall not adversely affect or impair any Option previously granted to an Optionee under the Plan, without its consent.

15. ADMINISTRATION AND AMENDMENT

Within the limitations set forth in the Plan, the Committee is authorized to provide for the grant, vesting, exercise and method of exercise of Options, on such terms (which may vary as between Options) as it shall determine. All decisions and interpretations made by the Committee shall be binding and conclusive on the Company and all Admissible Persons who participate in the Plan. With respect to the Plan and to its administration, time shall be of the essence.

With the consent of the affected Optionee, the Committee may amend or modify any outstanding Option in any manner to the extent that the Committee would have had the initial authority to grant the Option as so modified or amended, including without limitation, to change the date or the price at which an Option becomes exercisable, subject to any required prior approval of any applicable regulatory authority.

Subject to any applicable rules and approvals required by the TSXV, the Committee may from time to time, in its absolute discretion and without the approval of shareholders, make the following amendments to:

- (i) amend the vesting provisions of the Plan;

- (ii) amend the Plan or the terms of an Option as necessary to comply with applicable law or the requirements of the TSXV or any other regulatory body having authority over the Company, the Plan or the shareholders of the Company;
- (iii) make any amendment of a “housekeeping” nature, including, without limitation, to clarify the meaning of an existing provision of the Plan, correct or supplement any provision of the Plan that is inconsistent with any other provision of the Plan, correct any grammatical or typographical errors or amend the definitions in the Plan regarding administration of the Plan.

16. WITHHOLDINGS, ETC.

For certainty and notwithstanding any other provision of the Plan, if the Company is required under the *Income Tax Act* (Canada) or any other applicable law to remit to any governmental authority an amount on account of tax on the value of any taxable benefit associated with the exercise or disposition of Options by an Optionee, then the Optionee shall, concurrently with the exercise or disposition:

- (i) pay to the Company, in addition to the exercise price for the Options, if applicable, sufficient cash as is determined by the Company to be the amount necessary to fund the required tax remittance;
- (ii) authorize the Company, on behalf of the Optionee, to sell in the market on such terms and at such time or times as the Company determines such portion of the Optioned Shares being issued upon exercise of the Options as is required to realize cash proceeds in the amount necessary to fund the required tax remittance; or
- (iii) make other arrangements acceptable to the Company to fund the required tax remittance.

17. GENERAL
