Calgary, Alberta, December 15, 2022 – Wilton Resources Inc. (the “Corporation”) (TSXV: WIL) is pleased to announce that it intends to issue, by way of non-brokered private placement, units of the Corporation (“**Units**”) at a purchase price of \$0.75 per Unit (the “**Offering Price**”) for gross proceeds of a minimum of \$250,000 (the “**Offering**”). The principal use of the proceeds of the Offering will be for general corporate purposes and as a reserve to pursue the acquisition of an international oil and gas property.

Each Unit will be comprised of one common share in the capital of the Corporation (“**Common Share**”) and one Common Share purchase warrant (“**Warrant**”). Each Warrant will entitle the holder to purchase one Common Share for a period of 24 months from the date of issuance at an exercise price of \$1.00 (the “**Exercise Price**”).

The Corporation may pay a commission, finder’s fee or similar payment (whether in the form of cash, securities or an interest in assets) to third parties who introduce subscribers to the Corporation in connection with the Offering, details of which, if any, will be disclosed in a further press release of the Corporation.

Completion of the Offering is subject to certain conditions including, but not limited to, the receipt of all necessary regulatory approvals including the approval of the TSX Venture Exchange (the “**TSXV**”). The TSXV has not approved the Offering Price or the Exercise Price and these remain subject to the change. The Common Shares, Warrants and the Common Shares underlying the Warrants will be subject to a statutory hold period of four months plus one day from the Closing Date, in accordance with applicable securities legislation.

The Offering was approved by the Corporation’s board of directors by means of a unanimous resolution.
