Calgary, Alberta – February 20, 2026 – Logan Energy Corp. (TSXV: LGN) ("Logan" or the "Company") is pleased to announce that, as a result of excess demand, it has agreed with the syndicate of underwriters (the "**Underwriters**") co-led by National Bank Capital Markets as sole bookrunner and co-lead underwriter, and TD Securities Inc. as co-lead underwriter, to increase the size of its previously announced bought-deal equity financing (the "**Equity Offerings**"). Logan will now issue 45,274,000 common shares ("**Common Shares**") at a price of \$0.73 per Common Share (the "**Issue Price**") on a bought deal basis, by way of a public offering (the "**Prospectus Offering**") and 43,836,000 Common Shares at the Issue Price on a bought deal basis, by way of private placement (the "**Private Placement**"), resulting in aggregate gross proceeds of approximately \$65 million. It is anticipated that certain directors, officers and employees of the Company will subscribe for approximately \$2.1 million of the Private Placement.

The Underwriters have been granted an option to purchase up to an additional 15% of the Common Shares issued under the Prospectus Offering at the Issue Price to cover over allotments exercisable in whole or in part at any time until 30 days after the closing of the Prospectus Offering.

In connection with the Equity Offerings, the Company also announced yesterday that it had entered into a definitive purchase agreement with a subsidiary of a publicly-traded oil and gas company (the "**Vendor**"), pursuant to which Logan will acquire the Vendor's entire interest in certain assets predominantly in the Company's core area at Simonette, Alberta (the "**Acquired Assets**") for cash consideration of \$62.5 million, prior to closing adjustments (the "**Acquisition**"). In all other respects, the terms of the Equity Offerings and use of proceeds therefrom will remain as previously disclosed in the February 19, 2026 press release.

Closing of the Equity Offerings will be conditional on the completion of the Acquisition in accordance with the terms of an asset purchase agreement between Logan and the Vendor dated February 19, 2026, in respect of the Acquisition and other customary closing conditions, including the receipt of all necessary regulatory approvals, including the approval of the TSX Venture Exchange ("**TSXV**"). Closing of the Equity Offerings is expected to occur immediately following closing of the Acquisition on March 10, 2026.
