Dear Sirs/Mesdames:

**Re: GoldMining Inc. (the "Company")
Technical report titled "NI 43-101 Resource Estimate for the Whistler Project" with an effective date
of June 11, 2021 (the "Technical Report") – SEDAR Project No. 3214284**

We are counsel to the Company and write on behalf of the Company with respect to correction of a clerical error in the Technical Report. Further to our filing of the Technical Report on August 6, 2021 under SEDAR Project No. 3214284, the Company advises that it has discovered a typographical error in one instance in the resource summary with the correct figure presented in other instances throughout the Technical Report and related disclosures.

Please do not hesitate to contact the undersigned should you have any questions or concerns regarding this filing.

Yours truly,

SANGRA MOLLER LLP
