INFORMATION CIRCULAR

as at July 5, 2022 *(except as otherwise indicated)*

This Information Circular is furnished in connection with the solicitation of proxies by the management of Gladiator Metals Corp. for use at the annual general meeting (the “Meeting”) of its shareholders to be held on August 11, 2022 at the time and place and for the purposes set forth in the accompanying notice of the Meeting.

In this Information Circular, references to “the Company”, “we” and “our” refer to Gladiator Metals Corp. “Common Shares” means common shares in the capital of the Company. “Beneficial Shareholders” means shareholders who do not hold Common Shares in their own name and “intermediaries” refers to brokers, investment firms, clearing houses and similar entities that own securities on behalf of Beneficial Shareholders.

GENERAL PROXY INFORMATION

Solicitation of Proxies

The solicitation of proxies will be primarily by mail, but proxies may be solicited personally or by telephone by directors, officers and regular employees of the Company. The Company will bear all costs of this solicitation. We have arranged for intermediaries to forward the meeting materials to beneficial owners of the Common Shares held of record by those intermediaries and we may reimburse the intermediaries for their reasonable fees and disbursements in that regard.

Appointment of Proxyholders

The individuals named in the accompanying form of proxy (the “**Proxy**”) are officers and/or directors of the Company. **If you are a shareholder entitled to vote at the Meeting, you have the right to appoint a person or company other than either of the persons designated in the Proxy, who need not be a shareholder, to attend and act for you and on your behalf at the Meeting. You may do so either by inserting the name of that other person in the blank space provided in the Proxy or by completing and delivering another suitable form of proxy.**

Voting by Proxyholder

The persons named in the Proxy will vote or withhold from voting the Common Shares represented thereby in accordance with your instructions on any ballot that may be called for. If you specify a choice with respect to any matter to be acted upon, your Common Shares will be voted accordingly. The Proxy confers discretionary authority on the persons named therein with respect to:

- a) each matter or group of matters identified therein for which a choice is not specified, other than the appointment of an auditor and the election of directors,
- b) any amendment to or variation of any matter identified therein, and
- c) any other matter that properly comes before the Meeting.

In respect of a matter for which a choice is not specified in the Proxy, the persons named in the Proxy will vote the Common Shares represented by the Proxy for the approval of such matter.

Registered Shareholders

Registered Shareholders may wish to vote by proxy whether or not they are able to attend the Meeting in person. Registered Shareholders electing to submit a proxy may do so by one of the following methods:

- a) complete, date and sign the Proxy and return it to the Company's transfer agent, Odyssey Trust Company ("**Odyssey Trust**"), by mail to Suite 350, 409 Granville Street, Vancouver, British Columbia V6C 1T2, or by fax at 1-800-517-4553; or
- b) log on to the Odyssey Trust website at <https://login.odysseytrust.com/pxlogin>. Registered shareholders must follow the instructions provided on the website and refer to the enclosed proxy form for the holder's account number and the proxy access number.

In either case you must ensure the proxy is received at least 48 hours (excluding Saturdays, Sundays and statutory holidays) before the Meeting or the adjournment thereof. Failure to complete or deposit a proxy properly may result in its invalidation. The time limit for the deposit of proxies may be waived by the chairman of the meeting at the chairman's discretion without notice. **Please note that in order to vote your Common Shares in person at the Meeting, you must attend the Meeting and register with the Scrutineer before the Meeting. If you have already submitted a Proxy, but choose to change your method of voting and attend the Meeting to vote, then you should register with the Scrutineer before the Meeting and inform them that your previously submitted proxy is revoked and that you personally will vote your Common Shares at the Meeting.**

Beneficial Shareholders

The following information is of significant importance to shareholders who do not hold Common Shares in their own name. Beneficial Shareholders should note the only proxies that can be recognized and acted upon at the Meeting are those deposited by registered shareholders (those whose names appear on the records of the Company as the registered holders of Common Shares) or as set out in the following disclosure.

If Common Shares are listed in an account statement provided to a shareholder by a broker, then in almost all cases those Common Shares will not be registered in the shareholder's name on the records of the Company. Such Common Shares will more likely be registered under the name of the shareholder's broker or an agent of that broker. In Canada, the vast majority of such Common Shares are registered under the name of CDS & Co. (the registration name for The Canadian Depository for Securities Limited, which acts as nominee for many Canadian brokerage firms), and in the United States of America (the "**U.S.**" or the "**United States**") the vast majority of such Common Shares are registered under the name of Cede & Co. as nominee for The Depository Trust Company (which acts as depository for many U.S. brokerage firms and custodian banks).

Intermediaries are required to seek voting instructions from Beneficial Shareholders in advance of shareholders' meetings. Every intermediary has its own mailing procedures and provides its own return instructions to clients.

There are two kinds of Beneficial Shareholders - those who object to their name being made known to the issuers of securities which they own (called "**OBOS**" for "*Objecting Beneficial Owners*") and those who do not object to the issuers of the securities they own knowing who they are (called "**NOBOS**" for "*Non-Objecting Beneficial Owners*").

The Company is taking advantage of the provisions of National Instrument 54-101 “*Communication with Beneficial Owners of Securities of a Reporting Issuer*” that permit it to deliver proxy-related materials directly to its NOBOs. As a result, NOBOs can expect to receive a scannable Voting Instruction Form (“VIF”) from our transfer agent, Odyssey Trust Company. The VIF is to be completed and returned to Odyssey Trust Company as set out in the instructions provided on the VIF. Odyssey Trust Company will tabulate the results of the VIFs received from NOBOs and will provide appropriate instructions at the Meeting with respect to the shares represented by the VIFs they receive.

These securityholder materials are being sent to both registered and non-registered owners of the securities of the Company. If you are a non-registered owner, and the Company or its agent has sent these materials directly to you, your name, address and information about your holdings of securities were obtained in accordance with applicable securities regulatory requirements from the intermediary holding securities on your behalf.

By choosing to send these materials to you directly, the Company (and not the intermediary holding securities on your behalf) has assumed responsibility for (i) delivering these materials to you; and (ii) executing your proper voting instructions. Please return your VIF as specified in the request for voting instructions that was sent to you.

These securityholder materials are sent to both registered and non-registered (beneficial) owners of the securities of the Company. If you are a non-registered owner, and the Company or its agent sent these materials directly to you, your name, address and information about your holdings of securities, were obtained in accordance with applicable securities regulatory requirements from the intermediary holding securities on your behalf.

Beneficial Shareholders who are OBOs should follow the instructions of their intermediary carefully to ensure that their Common Shares are voted at the Meeting.

The form of proxy supplied to you (as a beneficial owner) by your broker will be similar to the proxy provided to registered shareholders by the Company. However, its purpose is limited to instructing the intermediary on how to vote on your behalf. Most brokers now delegate responsibility for obtaining instructions from clients to Broadridge Financial Solutions Inc. (“**Broadridge**”) in Canada and in the United States. Broadridge mails a VIF in lieu of the proxy provided by the Company. The VIF will name the same persons as the Company’s Proxy to represent you at the Meeting. You have the right to appoint a person (who need not be a Beneficial Shareholder of the Company), different from the persons designated in the VIF, to represent your Common Shares at the Meeting, and that person may be you. To exercise this right insert the name of your desired representative (which may be you) in the blank space provided in the VIF. Once you have completed and signed your VIF return it to Broadridge by mail or facsimile, or deliver your voting instructions to Broadridge by phone or via the internet, in accordance with Broadridge’s instructions. Broadridge tabulates the results of all instructions received and provides appropriate instructions respecting the voting of Common Shares to be represented at the Meeting. **If you receive a VIF from Broadridge, it must be completed and returned to Broadridge, in accordance with Broadridge’s instructions, well in advance of the Meeting in order to: (a) have your Common Shares voted at the Meeting as per your instructions; or (b) have an alternate representative chosen by you duly appointed to attend and vote your Common Shares at the Meeting.**

- b) personally attending the Meeting and voting the registered shareholder's Common Shares.

CORPORATE GOVERNANCE

General

National Instrument 58-101 – *Disclosure of Corporate Governance Practices* ("NI 58-101") requires issuers to disclose their corporate governance practices and National Policy 58-201 – *Corporate Governance Guidelines* ("NP 58-201") provides guidance on corporate governance practices. This section sets out the Company's approach to corporate governance and addresses the Company's compliance with NI 58-101.

Corporate governance refers to the policies and structure of the board of directors of a corporation, whose members are elected by and are accountable to the shareholders of the company. Corporate governance encourages establishing a reasonable degree of independence of the board of directors from executive management and the adoption of policies to ensure the board of directors recognizes the principles of good management. The board of directors is committed to sound corporate governance practices, as such practices are both in the interests of shareholders and help to contribute to effective and efficient decision-making.

Board of Directors

Directors are considered to be independent if they have no direct or indirect material relationship with the Company. A "material relationship" is a relationship which could, in the opinion of the Board, be reasonably expected to interfere with the exercise of a director's independent judgment.

The Board facilitates its exercise of independent judgment in carrying out its responsibilities by carefully examining issues and consulting with outside counsel and other advisors in appropriate circumstances. The Board requires management to provide complete and accurate information with respect to the Company's activities and to provide relevant information concerning the business of the Company in order to identify and manage risks. The Board is responsible for monitoring the Company's senior officers, who in turn are responsible for the maintenance of internal controls and management information systems.

The independent members of the Board are Darren Devine, Shawn Khunkhun and Jason Bontempo. Ian Harris, the Company's CEO is the only non-independent member of the Board.

The independent directors exercise their responsibility for independent oversight of management.

Board consideration and approval is required for all material contracts, business transactions and all debt and equity financing proposals. The Board delegates to management, through the CEO, responsibility for meeting defined corporate objectives, evaluating new business opportunities and complying with applicable regulatory requirements. The Board also looks to management to furnish recommendations respecting corporate objectives.

The directors believe that, at this early stage of the Company's development, the current composition of the Board adequately facilitates its exercise of independent supervision over management. The Board anticipates that as the Company matures as a business enterprise, it will identify additional qualified candidates that have experience relevant to the Company's needs, who are independent of management applying the guidelines contained in applicable legislation

Orientation and Continuing Education

The Company will provide new directors with an orientation program upon joining the Company that includes copies of relevant financial, technical and other information regarding its products and meetings with management.

Board members are encouraged to communicate with management and auditors, to keep themselves current with industry trends and developments, and to attend related industry seminars. Board members have full access to the Company's records.

Ethical Business Conduct

While the Company has not adopted a written code of business conduct and ethics, the Board will from time to time discuss and emphasize the importance of matters relating to conflicts of interest, protection and proper use of corporate assets and opportunities, confidentiality of corporate information, compliance with laws and the reporting of any illegal or unethical behavior.

Nomination of Directors and Assessment

The Board determines new nominees to the Board, although a formal process has not been adopted. The nominees are generally the result of recruitment efforts by the Board members, including both formal and informal discussions among Board members. The Board monitors but does not formally assess the performance of individual Board members or committee members or their contributions. The Company conducts the due diligence, reference and background checks on any suitable candidate. New nominees must have a track record in general business management, special expertise in an area of strategic interest to the Company, the ability to devote the time required and a willingness to serve. As the Company progresses as a business enterprise, the Board will consider its size on an annual basis when it considers the number of directors to recommend to shareholders for election at annual general meetings, taking into account the number required to carry out the Board's duties effectively and to maintain diversity of view and experience.

Board Committees

The Company does not have any committees other than an Audit Committee. See "Composition of the Audit Committee" above.

Share Options and Other Compensation Securities

The Board adopted a 10% rolling stock option plan which was approved by shareholders April 6, 2020 (the “**Current Plan**”). The purpose of the Current Plan is to: (i) attract and retain directors, officers, employees and consultants and to motivate them to advance the interests of the Company by affording them with the opportunity to acquire an equity interest in the Company through options granted under the Current Plan and (ii) recognize contributions made by eligible persons and to create an incentive for their continuing assistance to the Company and its affiliates. The Current Plan is administered by the Board, which has full and final authority with respect to the granting of all options thereunder. The Current Plan is a rolling plan pursuant to which the number of Shares reserved for issuance pursuant to the exercise of options granted

under the plan cannot exceed 10% of the total number of issued Shares (calculated on a non-diluted basis) at the time an option is granted.

Options may be granted under the Current Plan to such directors, officers, employees, or consultants of the Company and its affiliates, if any, as the Board may from time to time designate. The exercise price of options will be determined by the Board, but such price will not be less than the minimum prevailing price permitted by the TSX Venture Exchange (the “**Exchange**”). All options granted under the Current Plan will expire not later than the maximum exercise period as determined by the applicable securities laws and the policies of the Exchange. Options granted under the Current Plan are not transferable or assignable other than by will or other testamentary instrument or pursuant to the laws of succession.

The foregoing summary of the Current Plan is not complete and is qualified in its entirety by reference to the Current Plan, a copy of which is filed on the Company’s profile on SEDAR.

As discussed below under the heading “*Particulars of Matters to be Acted Upon – Incentive Option Plan*” the Company will not be renewing the Current Plan at the Meeting and will instead be seeking shareholder approval for the implementation of a new 10% rolling option plan that complies with the Exchange’s updated Policy 4.4.

As at July 5, 2022 there were 19,142,627 Common Shares outstanding. Accordingly, a maximum aggregate of 1,914,262 Common Shares are available for reserve for exercise of options under the Current Plan. There are currently 1,200,000 options outstanding to purchase 1,200,000 Common Shares. Accordingly, 714,262 Common Shares remain available for reserve for exercise of options under the Current Plan.

Tax Withholding and Procedures

4.5 Notwithstanding anything else contained in this Plan, the Company may, from time to time, implement such procedures and conditions as it determines appropriate with respect to the withholding and remittance of taxes imposed under applicable law, or the funding of related amounts for which liability may arise under such applicable law. Without limiting the generality of the foregoing, an Optionee who wishes to exercise an Option must, in addition to following the procedures set out in §4.5 and elsewhere in this Plan, and as a condition of exercise:

- (a) deliver a certified cheque, wire transfer or bank draft payable to the Company for the amount determined by the Company to be the appropriate amount on account of such taxes or related amounts; or
- (b) otherwise ensure, in a manner acceptable to the Company (if at all) in its sole and unfettered discretion, that the amount will be securely funded;

and must in all other respects follow any related procedures and conditions imposed by the Company.

Delivery of Optioned Shares and Hold Periods

4.6 As soon as practicable after receipt of the notice of exercise described in §4.2 or §4.3, as applicable, and payment in full for the Optioned Shares being acquired, the Company will direct its transfer agent to issue to the Optionee the appropriate number of Optioned Shares. An Exchange Hold Period will be applied from the date of grant for all Options granted to:

- (a) Insiders of the Company; or
- (b) where Options are granted to any Participants, including Insiders, where the Exercise Price is at a discount to the Market Price.

4.7 Pursuant to TSX Venture Policies, where the Exchange Hold Period is applicable, the certificate representing the Optioned Shares or written notice in the case of uncertificated shares will include a legend stipulating that the Optioned Shares issued are subject to a four-month Exchange Hold Period commencing the date of the Option Commitment.

ARTICLE 5 GENERAL

Employment and Services

5.1 Nothing contained in this Plan will confer upon or imply in favour of any Optionee any right with respect to office, employment or provision of services with the Company, or interfere in any way with the right of the Company to lawfully terminate the Optionee's office, employment or service at any time pursuant to the arrangements pertaining to same.
