September 30, 2020

Attention Fellow Shareholders

On behalf of the Board of Directors and Management of ScoZinc Mining Ltd. (the “Company”), I would like to invite you to attend our annual meeting of shareholders that will be held on Tuesday, November 3, 2020 at 1:00 p.m. (Atlantic Standard Time) at our Scotia Mine located at #15601 HWY 224, Cooks Brook, Nova Scotia, Canada, B0N 2H0.

Due to the COVID-19 Pandemic and ongoing concerns about potentially contracting the coronavirus, we will have strict access and security measures in place on the mine site for shareholders attending the meeting.

The enclosed management information circular contains important information about the meeting, including voting on particular matters, our nominated directors, our governance practices and other financial information for the past year.

At the meeting, I will also be conducting a site tour with our other mining professionals, and presenting various milestones of the Company’s 2019 performance and our future plans for advancing the Scotia Mine towards commercial production.

The Board of Directors and I encourage you to exercise your *vote in favour* of all our resolutions as your participation in the affairs of the Company are important to us. Considering the ongoing COVID-19 Pandemic, and the potential concerns to attend the meeting anyway, we additionally encourage you to exercise your vote online, or by telephone, or by completing and returning your proxy form in advance of the meeting.

Yours faithfully,

SCOZINC MINING LTD.

"Mark Haywood"
