MANAGEMENT INFORMATION CIRCULAR

Unless otherwise stated, the information contained in this management information circular is as of November 5, 2021 and dollar amounts referenced herein are expressed in Canadian dollars, unless otherwise stated.

GENERAL PROXY INFORMATION

Solicitation of Proxies

The Company is providing this management information circular and either a form of proxy for registered shareholders or a voting instruction form for non-registered shareholders (see below under “Non-Registered Shareholders”) in connection with management’s solicitation of proxies for use at the annual and special meeting (the “**Meeting**”) of holders of common shares (the “**Common Shares**”) of the Company to be held at Suite 1080 – 789 West Pender Street, Vancouver, British Columbia on December 17, 2021 at 10:00 a.m. (Vancouver time) and at any adjournments thereof. References in this management information circular to the Meeting include any adjournment or adjournments thereof. It is expected that the solicitation will be primarily by mail, however, proxies may also be solicited personally by regular employees of the Company and the Company may use the services of an outside proxy solicitation agency to solicit proxies. The costs of solicitation will be borne by the Company.

The Company intends to hold the Meeting in person. However, in view of the current and rapidly evolving COVID-19 outbreak, the Company asks that, in considering whether to attend the Meeting in person, shareholders follow the instructions of the Public Health Agency of Canada (PHAC) (<https://www.canada.ca/en/public-health/services/diseases/2019-novel-coronavirus-infection.html>). In view of the COVID-19 pandemic, the Company encourages shareholders to consider voting their Shares via proxy rather than attending the Meeting in person, particularly if they are experiencing any of the described COVID19 symptoms of fever, cough or difficulty breathing. Access to the Meeting will, subject to the Articles of the Company, be limited to essential personnel and registered Shareholders and proxyholders entitled to attend and vote at the Meeting. The Company may take additional precautionary measures in relation to the Meeting in response to further developments with the COVID-19 outbreak. The Meeting will be held for the sole purpose of the matters to be voted on, see “Particulars of Matters to be Acted Upon”, and no corporate update or investor presentation will be provided. In the event it is not possible or advisable to hold the Meeting in person or a decision is made to change the date, time or location of the Meeting, the Company will announce, by press release, alternative arrangements for the Meeting as promptly as practicable. The press release will be available under the Company’s profile on SEDAR (www.sedar.com). If you are planning to attend the Meeting, please check our press releases on SEDAR (www.sedar.com) before attending the Meeting. As always, the Company encourages Shareholders to vote their Shares by proxy not later than (48) hours (excluding Saturdays, Sundays and statutory holidays in the Province of British Columbia) prior to the time set for the Meeting or any adjournment(s) or postponement(s) thereof.

Completion and Return of Proxies

Completed proxies must be deposited at the office of the Company's registrar and transfer agent, Computershare Investor Services Inc., either at its office at 100 University Avenue, 8th Floor, Toronto, Ontario M5J 2Y1, Attention: Proxy Department, not later than 48 hours (excluding Saturdays, Sundays and holidays) prior to the time of the Meeting, unless the Chairman of the Meeting elects to exercise his discretion to accept proxies received subsequently.

Appointment and Revocation of Proxies

The persons named in the enclosed form of proxy are officers and/or directors of the Company. **A shareholder desiring to appoint some other person, who need not be a shareholder, to represent him at the Meeting, may do so by inserting such person's name in the blank space provided in the enclosed form of proxy or by completing another proper form of proxy and, in either case, depositing the completed and executed proxy at the office of the Company's transfer agent indicated on the enclosed envelope no later than 10:00 a.m. (Vancouver time) on December 15, 2021, or no later than 48 hours before the time of any adjourned meeting (excluding Saturdays, Sundays and holidays).**

A shareholder forwarding the enclosed proxy may indicate the manner in which the appointee is to vote with respect to any specific item by checking the appropriate space. If the shareholder giving the proxy wishes to confer a discretionary authority with respect to any item of business, then the space opposite the item is to be left blank. The shares represented by the proxy submitted by a shareholder will be voted in accordance with the directions, if any, given in the proxy.

A proxy given pursuant to this solicitation may be revoked by an instrument in writing executed by a shareholder or by a shareholder's attorney authorized in writing (or, if the shareholder is a corporation, by a duly authorized officer or attorney) and deposited either at the registered office of the Company (777 Dunsmuir Street, 17th Floor, Vancouver, British Columbia V7Y 1K4) at any time up to and including the last business day preceding the day of the Meeting or with the Chairman of the Meeting on the day of the Meeting prior to its commencement or in any other manner permitted by law.

Only registered shareholders have the right to revoke a proxy in this manner. Non-Registered Shareholders (as defined below) who wish to change their vote must arrange for their Intermediary (as defined below) to revoke the proxy on their behalf.

Exercise of Discretion by Proxies

The persons named in the enclosed form of proxy will vote the Common Shares in respect of which they are appointed in accordance with the direction of the shareholders appointing them. **In the absence of such direction, such Common Shares will be voted in favour of the passing of all the resolutions described below. The enclosed form of proxy confers discretionary authority upon the persons named therein with respect to amendments or variations to matters identified in the accompanying Notice of Meeting and with respect to other matters which may properly come before the Meeting.** At the time of printing of this management information circular, management knows of no such amendments, variations or other matters to come before the Meeting. However, if any other matters which are not now known to management should properly come before the Meeting, the proxy will be voted on such matters in accordance with the best judgment of the named proxies.

Non-Registered Shareholders

The information set out in this section is important to many shareholders of the Company as a substantial number of shareholders do not hold their Common Shares in their own name.

Only registered shareholders of the Company or the persons they appoint as their proxies are permitted to vote at the Meeting. Most shareholders of the Company are “non-registered” shareholders (“**Non-Registered Shareholders**”) because the Common Shares they own are not registered in their names but are instead registered in the name of the brokerage firm, bank or trust company through which they purchased the shares. The Common Shares beneficially owned by a Non-Registered Shareholder are registered either: (i) in the name of an intermediary (an “**Intermediary**”) that the Non-Registered Shareholder deals with in respect of the shares (Intermediaries include, among others, banks, trust companies, securities dealers or brokers and trustees or administrators of self-administered RRSPs, RRIFs, RESPs and similar plans); or (ii) in the name of a clearing agency (such as CDS Clearing and Depository Services Inc.) of which the Intermediary is a participant.

There are two kinds of Non-Registered Shareholders: (i) those who object to their name being made known to the issuers of securities which they own (called “**OBOs**” for Objecting Beneficial Owners); and (ii) those who do not object to their name being made known to the issuers of securities which they own (called “**NOBOs**” for Non-Objecting Beneficial Owners).

Issuers can request and obtain a list of their NOBOs from Intermediaries via their transfer agents, pursuant to National Instrument 54-101 *Communication with Beneficial Owners of Securities of Reporting Issuers* (“**NI 54-101**”) and issuers can use this NOBO list for distribution of proxy-related materials directly to NOBOs. The Company has decided to take advantage of those provisions of NI 54-101 that allow it to directly deliver proxy-related materials to its NOBOs. As a result, NOBOs can expect to receive copies of the Notice of Meeting, this management information circular and a voting instruction form (which includes a place to request copies of the Company’s annual and/or interim financial statements and related management’s discussion and analysis) (collectively, the “**Meeting Materials**”) from the Company’s transfer agent, Computershare Investor Services Inc. The voting instruction form is to be completed and returned to Computershare Investor Services Inc. in the envelope provided. Computershare Investor Services Inc. will tabulate the results of the voting instruction forms received from NOBOs and will provide appropriate instructions at the Meeting with respect to the shares represented by voting instruction forms they receive. Alternatively, NOBOs may vote following the instructions on the voting instruction form, via the internet or by telephone.

With respect to OBOs, in accordance with applicable securities law requirements, the Company will have distributed copies of the Meeting Materials to the clearing agencies and Intermediaries for distribution to such Non-Registered Shareholders. Intermediaries are required to forward the Meeting Materials to Non-Registered Shareholders unless they have waived the right to receive them. Intermediaries often use service companies to forward the Meeting Materials to Non-Registered Shareholders. Generally, Non-Registered Shareholders who have not waived the right to receive Meeting Materials will either:

- (a) be given a voting instruction form **which is not signed by the Intermediary** and which, when properly completed and signed by the OBO and **returned to the Intermediary or its service company**, will constitute voting instructions which the Intermediary must follow; or
- (b) be given a form of proxy **which has already been signed by the Intermediary** (typically by a facsimile, stamped signature), which is restricted as to the number of

shares beneficially owned by the OBO but which is otherwise not completed by the Intermediary. Because the Intermediary has already signed the form of proxy, this form of proxy is not required to be signed by the OBO when submitting the proxy. In this case, the OBO who wishes to submit a proxy should properly complete the form of proxy and **deposit it with the Company, c/o Computershare Investor Services Inc., 100 University Avenue, 8th Floor, Toronto, Ontario M5J 2Y1.**

In either case, the purpose of these procedures is to permit Non-Registered Shareholders to direct the voting of their Common Shares they beneficially own. Should a Non-Registered Shareholder who receives one of the above forms wish to vote at the Meeting in person (or have another person attend and vote on behalf of the Non-Registered Shareholder), the Non-Registered Shareholder should strike out the persons named in the form of proxy and insert the Non-Registered Shareholder or such other person's name in the blank space provided. **In either case, Non-Registered Shareholders should carefully follow the instructions of their Intermediary, including those regarding when and where the proxy or voting instruction form is to be delivered.**

A Non-Registered Shareholder may revoke a voting instruction form or a waiver of the right to receive Meeting Materials and to vote which has been given to an Intermediary at any time by written notice to the Intermediary provided that an Intermediary is not required to act on a revocation of a voting instruction form or of a waiver of the right to receive Meeting Materials and to vote which is not received by the Intermediary at least seven days prior to the Meeting.

VOTING SECURITIES AND PRINCIPAL HOLDERS OF VOTING SECURITIES

As of November 5, 2021, 204,280,236 Common Shares were issued and outstanding. Each Common Share entitles the holder thereof to one vote on all matters to be acted upon at the Meeting. The record date for the determination of shareholders entitled to receive notice of, and to vote at, the Meeting has been fixed as November 5, 2021. In accordance with the provisions of the *Canada Business Corporations Act* (the "**CBCA**"), the Company will prepare a list of holders of Common Shares as of such record date. Each holder of Common Shares named in the list will be entitled to vote the shares shown opposite their name on the list at the Meeting. All such holders of record of Common Shares are entitled either to attend and vote thereat in person the Common Shares held by them or, provided a completed and executed proxy shall have been delivered to the Company's transfer agent within the time specified in the accompanying Notice of Meeting, to attend and vote thereat by proxy the Common Shares held by them.

Stock Option Plan

The Company has a “fixed” stock option plan, as amended and restated and dated November 23, 2020 (the “**Option Plan**”), which was approved by the Company’s shareholders on December 30, 2020. The purpose of the Option Plan is to enhance the Company’s ability to compensate employees, officers and directors and others providing services to the Company by means other than cash incentives to allow such persons an opportunity to participate in the success of the Company. The granting of options is intended to align the interests of such persons with that of the Company’s shareholders.

Pursuant to the Option Plan, options entitling the purchase of an aggregate of 36,925,618 Common Shares may be issued upon exercise of options to directors, officers, employees, and consultants or management company employees of the Company from time to time. Since November 23, 2020, 11,098,000 Common Shares have been issued pursuant to exercise of options. As of the date hereof, 25,282,000 Common Shares are issuable under previously granted and outstanding stock options, and the number of Common Shares available for future grants of stock options under the Option Plan is 545,618. If stock options expire or otherwise terminate for any reason without having been exercised, the number of Common Shares in respect of the expired or terminated stock options will again be available for grant. The exercise price of the stock options must be paid for in full at the time of such exercise.

The aggregate number of options granted to all persons retained to provide investor relations activities must not exceed 2% of the issued shares of the Company in any 12 month period. The aggregate number of options granted to any one consultant (other than an employee or director of the Company) in a 12 month period must not exceed 2% of the issued shares of the Company. The Option Plan contains no vesting requirements, but permits the Board to specify a vesting schedule in its discretion, provided that if required by any stock exchange on which the Common Shares trade, options issued to a Person conducting Investor Relations Activities must vest in stages over not less than 12 months with no more than one-quarter of the options vesting in any three month period.

In the event that any option expires during, or within 48 hours after, a self-imposed blackout period on trading securities of the Company, such expiry date will become the tenth day following the end of the blackout period. Except as otherwise determined by the Board and subject to the limitation that options may not be exercised later than 10 years from their date of grant, if a participant ceases to be an eligible person for any reason whatsoever other than death, each option held by the participant will cease to be exercisable 90 days after the termination date, or such longer period as determined by the Board. If any portion of an option is not vested by the termination date, that portion of the option may not be exercised by the participant or by a permitted assign of such participant unless the Board determines otherwise. For greater certainty, any such determination regarding the period for exercise or vesting of options made by the Board may be made at any time subsequent to the date of grant of options, provided, however, that the Board may not extend the period for exercise beyond the expiry date of the option. If a participant ceases to be an eligible person because their relationship with the Company or an affiliate of the Company is terminated by the Company or an affiliate of the Company, as applicable, for cause, such participant's options shall cease to be exercisable immediately upon the termination date.

Options are exercisable at exercise prices as determined by the Board, which will not be less than the closing price of the Common Shares on the day immediately prior to the date of grant, less a discount of up to 25%, with the amount of the discount varying with the market price of the Common Shares in accordance with the policies of the TSXV.

The Option Plan permits:

- (a) The aggregate number of Common Shares reserved for issuance under stock options granted to insiders (as a group) at any point in time to exceed 10% of the issued Common Shares;
- (b) The grant to insiders (as a group), within a 12 month period, of an aggregate number of options to exceed 10% of the issued Common Shares, calculated on the date an option is granted to any insider; and

- (c) The aggregate number of options granted to any one person (and companies wholly owned by that person) within a 12 month period to exceed 5% of the issued Common Shares, calculated on the date an option is granted to the person.

Except as otherwise set out below, the Board shall seek shareholder and regulatory approval for any amendments to the Option Plan. The approval of disinterested shareholders will be required for any reduction in the exercise price of a previously granted option to an insider of the Company. The Board may discontinue the Option Plan at any time without first obtaining shareholder approval, provided that, without the consent of a participant, such discontinuance may not in any manner adversely affect the participant's rights under any Option granted under the Option Plan.

The Board may, subject to receipt of requisite regulatory approval, where required, and without further shareholder approval, in its sole discretion make the following amendments to the Option Plan:

- (a) amending typographical, clerical and grammatical errors;
- (b) reflecting changes to applicable securities laws;
- (c) changing the termination provisions of an option or the Option Plan which do not entail an extension beyond the original expiry date;
- (d) including the addition of a cashless exercise feature, payable in cash or securities, which provides for a full deduction of the number of underlying securities from the Option Plan reserve; and
- (e) ensuring that the options granted under the Option Plan will comply with any provisions respecting income tax and other laws in force in any country or jurisdiction of which a participant may from time to time be resident or a citizen.

Notwithstanding the foregoing, the Company shall obtain requisite shareholder approval and where applicable, disinterested shareholder approval, in respect of amendments to the Option Plan to the extent such approval is required by any applicable laws or regulations.

Employment, Consulting and Management Agreements

Pursuant to such agreement, IMX is entitled to an annual fee of \$250,000. In addition, the Company may terminate the IMX Consulting Agreement upon written notice at any time and by providing IMX with (i) a lump sum payment equal to \$750,000, (ii) payment of all outstanding fees accrued to the date of termination, (iii) reimbursement of any outstanding expenses, and (iv) immediate vesting of all unvested stock options, if any, as of the date of termination (collectively, the "**CEO Termination Payment**"). Oversight and Description of Director and Name Executive Officer Compensation

The Compensation Committee has the responsibility for determining compensation for the directors and senior management (including the Named Executive Officers) to be recommended to the Board for approval. The Compensation Committee reviews compensation paid to directors and executive officers of companies of similar size and stage of development in the mineral exploration/mining industry and determines appropriate compensation reflecting the need to provide incentive and compensation for the time and effort expended by the directors and senior management while taking into account the financial and other resources of the Company. The Compensation Committee will annually review the performance of senior management in light of the Company's objectives and consider other factors which may have impacted the success of the Company in achieving its objectives.

The Company's executive compensation program has two key elements:

1. **Base Compensation and Bonus** - The Company establishes a base compensation level unique to each executive that reflects the executive's business credentials, level and length of experience, past compensation history and existing levels of executive compensation. This ensures that the Company can attract experienced and qualified executives. The Company may also pay bonuses (or issue bonus shares) to its executives that are tied to performance criteria and goals established from time to time. Base compensation and bonuses are recommended by the Compensation Committee and approved by the Board.
2. **Corporate Share Ownership** - The Company's Option Plan provides an opportunity for each executive to acquire equity in the Company. Ownership of Common Shares aligns the interests of executives with that of the shareholders, and encourages them to focus

on increasing shareholder value. Option grants are recommended by the Compensation Committee and approved by the Board of Directors.

Corporate governance relates to the activities of the Board, the members of which are elected by and are accountable to the Company's shareholders, and takes into account the role of the individual members of management who are appointed by the Board and who are charged with the day to day management of the Company. The Board is committed to sound corporate governance practices which are both in the interest of its shareholders and contribute to effective and efficient decision making.

National Policy 58-201 *Corporate Governance Guidelines* establishes corporate governance guidelines which apply to all public companies. The Company has reviewed its corporate governance practices in light of these guidelines. In certain cases, the Company's practices comply with the guidelines, however, the Board considers that some of the guidelines are not suitable for the Company at its current stage of development and therefore these guidelines have not been adopted. National Instrument 58-101 *Disclosure of Corporate Governance Practices* mandates disclosure of corporate governance practices which disclosure is set out below, in accordance with Form 58-101F2 *Corporate Governance Disclosure (Venture Issuers)*.

Independence of the Board

For the financial year ended December 31, 2020, the Board consisted of six directors, four of whom are considered by the Board to be independent on the basis that they do not have a material relationship with the Company which could, in the view of the Board, be reasonably expected to interfere with the exercise of their independent judgment. Andrew Lee Smith is not independent as he is also the President and Chief Executive Officer of the Company, and Sean Waller is not independent as he provides consulting services to the Company.

The Chairman of the Board, Dr. Jingbin Wang, is considered by the Board to be an independent director. For the financial year ended December 31, 2020, there was one meeting of the independent directors was held.

Management Supervision by Board

To facilitate the Board's independent supervision over management, the following structures and processes are in place:

- (a) there are no members of management on the Board, other than the Chief Executive Officer of the Company;

- (b) when appropriate, members of management, including the Chief Executive Officer, are not present for the discussion and determination of certain matters at meetings of the Board;
- (c) the compensation of the Chief Executive Officer and other executive officers are considered, in their absence, by the Compensation Committee at least once a year; and
- (d) in addition to the standing committees of the Board, independent committees are appointed from time to time, when appropriate.

Role of Chairman

The role of the Chairman of the Board is to chair all meetings of the Board in a manner that promotes meaningful discussion, and to provide leadership to the Board to enhance the Board's effectiveness in meeting its responsibilities. The Chairman's responsibilities include ensuring that the Board works together as a cohesive team with open communication and that a process is in place by which the effectiveness of the Board, its committees and its individual directors can be evaluated on a regular basis. The Chairman also acts as a liaison between the Board and management to ensure that the relationship between the Board and management is professional and constructive and ensures that the allocation of responsibilities and the boundaries between Board and management are clearly understood.

Orientation and Continuing Education

The Chief Executive Officer of the Company is responsible for ensuring that new directors are provided with an orientation and education program which will include information about the duties and obligations of directors, the business and operations of the Company, documents from recent

Board meetings, and opportunities for meetings and discussion with senior management and other directors.

The Board recognizes the importance of ongoing director education and the need for each director to take personal responsibility for this process. To facilitate ongoing education of the Company's directors, the Chief Executive Officer of the Company will: (a) periodically canvas the directors to determine their training and education needs and interests; (b) arrange ongoing visitation by directors to the Company's operations; (c) arrange the funding for the attendance of directors at seminars or conferences of interest and relevance to their position as a director of the Company; and (d) encourage and facilitate presentations by outside experts to the Board or committees on matters of particular importance or emerging significance.

Ethical Business Conduct

On March 28, 2013, the Board adopted a written Code of Business Conduct and Ethics (the "**Code**") for its directors, officers, employees and consultants. A copy of the Code is available on the Company's website at www.eastafricametals.com.

The Board encourages and promotes an overall culture of ethical business conduct by promoting compliance with applicable laws, rules and regulations; providing guidance to employees, officers and directors to help them recognize and deal with ethical issues; promoting a culture of open communication, honesty and accountability; and ensuring awareness of disciplinary action for violations of ethical business conduct.

The Board takes steps to ensure directors exercise independent judgment in considering transactions and agreements in respect of which a director or executive officer of the Company has a material interest, which include ensuring that directors and officers are familiar with the Code and, in particular, rules concerning reporting conflicts of interest and obtaining direction from the Chief Executive Officer of the Company regarding any potential conflicts of interest.

The Code provides specific guidelines and policies for dealing with situations that may be encountered in the workforce in order to promote an open and positive work environment. The Code details the Company's policies on: employee relations, harassment and anti-discrimination; and business and governmental relations, among other things.

The Code allows directors, officers and employees who feel a violation has occurred to report the actual or potential compliance infraction to the Chairman of the Audit Committee, on a confidential, anonymous basis. Following receipt of any complaints, the Audit Committee will investigate each matter and take corrective disciplinary actions if appropriate.

Nomination of Directors and Diversity Policy

The corporate governance, compensation and nominating committee (the "**Corporate Governance, Compensation and Nominating Committee**") has responsibility for identifying potential Board candidates. The Corporate Governance, Compensation and Nominating Committee assesses potential Board candidates to fill perceived needs on the Board for required skills, expertise, independence and other factors. Members of the Board and representatives of the mining industry are consulted for possible candidates.

In 2018 amendments to the CBCA were adopted requiring new disclosure of the representation of women on the Board and in executive officer positions. As at the date of this Information Circular, none of the Company's six directors is a woman (0%), and one (50%) of the executive officers of the Company is a woman.

The Company recognizes the benefits of having a diverse Board, and to date has sought to increase diversity at the Board level informally through the recruitment efforts of the Corporate Governance, Compensation and Nominating Committee, without a written diversity policy in place. Due to the current limited size of the Board, the Board does not consider it necessary to have a gender diversity policy, but will consider adopting a policy in the future. Furthermore, the Company has not set any objectives for achieving gender diversity. Should a gender diversity policy be considered appropriate for the Company in the future due to increases in the size of the organization, the policy will specifically deal with the objectives for achieving diversity. In order to further its objectives in this regard, the Company is investigating the possibility of adopting a written diversity policy with the objective of increasing diversity at the Board level, with particular emphasis on gender diversity. The Board remains receptive to increasing the representation of women on the Board, taking into account the skills, background, experience and knowledge desired at that particular time by the Board and its committees.

The Company does not support the adoption of quotas or targets regarding gender representation on the Board or in executive officer positions. All Board appointments are made on merit, in the context of the skills, experience, independence, knowledge and other qualities which the Board as a whole requires to be effective, with due regard for the benefits of diversity (including the level of representation of women on the Board). With respect to executive officer appointments, the Company recruits, manages and promotes on the basis of an individual's competence, qualification, experience and performance, also with due regard for the benefits of diversity (including the level of representation of women in executive officer positions).

Appointment of Auditors

PricewaterhouseCoopers LLP, Chartered Professional Accountants, of Suite 700 - 250 Howe Street, Vancouver, British Columbia, V6C 3S7, are the auditors of the Company. Unless otherwise instructed, the proxies given pursuant to this solicitation will be voted for the appointment of PricewaterhouseCoopers LLP as the auditors of the Company to hold office for the ensuing year at a remuneration to be fixed by the directors. PricewaterhouseCoopers LLP were first appointed as the Company's auditors on April 4, 2013.

Approval of Amendment of Option Plan

The Company has a "fixed" Option Plan, under which an aggregate of 36,925,618 Common Shares are reserved for issuance upon the exercise of options awarded under the Option Plan. The Option Plan provides that the terms of the options and the option price may be fixed by the directors subject to the price restrictions and other requirements of the TSXV. See "Statement of Executive Compensation – Stock Option Plan" for a description of the material terms of the Option Plan.

In order to provide incentive to employees, officers, directors and others providing services to the Company, the Board believes it was necessary and in the Company's best interests to increase the maximum number of Common Shares to be reserved for exercise of options under the Option Plan and to further amend the Option Plan to comply with TSXV policy requirements. On

November 5, 2021, the Board resolved to amend the Option Plan, subject to disinterested shareholder approval and TSXV approval, to increase the number of Common Shares reserved for issuance from 36,925,618 to 40,856,047 (which represented approximately 20% of 204,280,236 Common Shares issued and outstanding as at November 5, 2021), which increased number also replaces the 11,098,000 Common Shares which have been previously issued pursuant to exercise of stock options.

As at November 5, 2021, there are 25,282,000 Options outstanding under the Option Plan. If the Option Plan Resolution is approved, an aggregate of 15,574,047 Options will be available for future grants. All other terms and conditions of the Option Plan will remain in force and effect, unchanged. The Option Plan will also be available for review at the Meeting.

The Option Plan must be approved and ratified by disinterested shareholders and submitted to the TSXV for approval.

Disinterested shareholders in connection with the Option Plan Resolution are shareholders of the Company other than (a) directors and senior officers of the Company; and (b) directors and senior officers of a company that is an insider of the Company or subsidiary of the Company, to whom options may be granted under the Option Plan and their associates. As such, the votes attaching to an aggregate of approximately 9,916,185 Common Shares, which are beneficially owned or over which control or direction is exercised by the directors and senior officers of the Company and its subsidiaries and their respective associates, representing approximately 2% of the Company's issued Common Shares entitled to vote at the Meeting, will be withheld from voting on the resolution approving the Option Plan.

The Company believes the Option Plan enables the Company to better align the interests of the Company's directors and officers with those of shareholders and reduces the cash compensation the Company would otherwise have to pay.

At the Meeting, disinterested shareholders will be asked to consider and, if deemed appropriate, to pass, with or without variation, an ordinary resolution, in the form set out below (the "**Option Plan Resolution**"), subject to such amendments, variations or additions as may be approved at the Meeting, approving the Option Plan.

The Board and management recommend the adoption of the Option Plan Resolution. To be effective, the Option Plan Resolution must be approved by not less than a majority of the votes cast by disinterested shareholders present in person, or represented by proxy, at the Meeting. **Unless otherwise indicated, the persons designated as proxyholders in the accompanying form of proxy will vote the Common Shares represented by such form of proxy, properly executed, FOR the Option Plan Resolution.**

The text of the Option Plan Resolution to be submitted to disinterested shareholders at the Meeting is set forth below:

"BE IT RESOLVED THAT (as an ordinary resolution and excluding the votes of interested parties and their associates):

1. the number of Common Shares reserved for issuance upon the exercise of share options granted under the Company's amended and restated 2020 stock option plan (the "Option Plan") dated November 5, 2021, be increased from 36,925,618 Common Shares to 40,856,047 Common Shares, which increased number also replaces the 11,098,000 Common Shares which have previously been issued pursuant to the exercise of stock options;

2. the implementation by the Board of Directors of the Company's Option Plan, all as more particularly described in the Company's management information circular dated November 5, 2021, with such changes to the Option Plan as may be required by the TSX Venture Exchange, is approved, ratified and confirmed;
3. effective as of November 5, 2021, the Company be authorized to issue up to 40,856,047 Common Shares upon exercise of options granted under the Option Plan; and
4. any one or more directors or officers of the Company be and is hereby authorized to execute any other documents as such one or more directors or officers deems necessary to give effect to the foregoing resolutions."

Should the Option Plan not receive the required disinterested shareholder approval at the Meeting, the Option Plan will remain in force and affect, unamended.

EAST AFRICA METALS INC. AUDIT COMMITTEE CHARTER

The Board of Directors (the "**Board**") of East Africa Metals Inc., a Canadian federal corporation (the "**Company**"), approves and adopts the following Audit Committee Charter to specify the composition, roles and responsibilities of the Audit Committee (the "**Committee**").

Purpose

The purpose of the Committee is to assist the Board in fulfilling its responsibility for the oversight of the financial reporting process. The purpose of this Charter is to ensure that the Company maintains a strong, effective and independent audit committee, to enhance the quality of financial disclosure made by the Company and to foster increased investor confidence in both the Company and Canada's capital markets. It is the intention of the Board that through the involvement of the Committee, the external audit will be conducted independently of the Company's Management to ensure that the independent auditors serve the interests of shareholders rather than the interests of Management of the Company. The Committee will act as a liaison to provide better communication between the Board and the external auditors. The Committee will review financial reports or other financial information provided by the Company to regulatory authorities and shareholders and review the integrity, adequacy and timeliness of the financial reporting and disclosure practices of the Company. The Committee will monitor the independence and performance of the Company's independent auditors.

Composition and Procedures of the Audit Committee

The Committee shall consist of at least three (3) directors. Members of the Committee shall be appointed by the Board and may be removed by the Board in its discretion. While the Board may recommend a Chairman for the Committee, the Committee shall have the discretion to appoint the Chairman from amongst its members. The Committee shall establish procedures for quorum, notice and timing of meetings subject to the proviso that a quorum shall be no less than two (2) Committee members. Meetings shall be held no less regularly than once per quarter to review the audited financial statements and interim financial statements of the Company. At least one (1) member of the Committee shall be independent and the Board and the Committee shall endeavour to appoint a majority of independent directors to the Committee, who in the opinion of the Board, would be free from a relationship which would interfere with the exercise of the Committee members' independent judgment. At least (1) member of the Committee shall have accounting or related financial management expertise. All members of the Committee that are not financially literate will work towards becoming financially literate to obtain a working familiarity with basic finance and accounting practices applicable to the Company. For the purposes of this Charter, an individual is financially literate if he or she has the ability to read and understand a set of financial statements that present a breadth and level of complexity of accounting issues that are generally comparable to the breadth and complexity of the issues that can reasonably be expected to be raised by the Company's financial statements.

Specific Duties and Responsibilities of the Audit Committee

External Audit

- (6) The Committee satisfies the pre-approval requirement in paragraph (3) if it adopts specific policies and procedures for the engagement of the non-audit services, if:
 - (a) the pre-approval policies and procedures are detailed as to the particular services;

- (15) The Committee shall review the appointments of the Company's Chief Financial Officer and any other key financial executives involved in the financial reporting process.

Authority

- (16) The Committee shall have the authority:
- (a) to conduct any investigation appropriate to fulfilling its responsibilities and shall have direct access to the outside auditors, management and any employee of the Company to discuss any matters within the Committee's purview, in separate executive sessions, to discuss any matters that the Committee, or these persons, believe should be discussed privately;
