GENERAL PROXY INFORMATION

Management Solicitation

The solicitation of proxies by the management of the Company will be conducted by mail and may be supplemented by telephone or other personal contact to be made without special compensation by the directors, officers and employees of the Company. The Company does not reimburse shareholders, nominees or agents for costs incurred in obtaining from their principals authorization to execute forms of proxy, except that the Company has requested brokers and nominees who hold stock in their respective names to furnish this proxy material to their customers, and the Company will reimburse such brokers and nominees for their related out of pocket expenses. No solicitation will be made by specifically engaged employees or soliciting agents. The cost of solicitation will be borne by the Company.

No person has been authorized to give any information or to make any representation other than as contained in this Information Circular in connection with the solicitation of proxies. If given or made, such information or representations must not be relied upon as having been authorized by the

Company. The delivery of this Information Circular shall not create, under any circumstances, any implication that there has been no change in the information set forth herein since the date of this Information Circular. This Information Circular does not constitute the solicitation of a proxy by anyone in any jurisdiction in which such solicitation is not authorized, or in which the person making such solicitation is not qualified to do so, or to anyone to whom it is unlawful to make such an offer of solicitation.

Appointment of Proxies

Registered shareholders are entitled to vote at the Meeting. A shareholder is entitled to one vote for each common share that such shareholder holds on the record date of October 15, 2021 (the “**Record Date**”) on the resolutions to be voted upon at the Meeting, and any other matter to come before the Meeting.

The persons named as proxyholders (the “**Designated Persons**”) in the enclosed form of proxy are directors and/or officers of the Company.

A SHAREHOLDER HAS THE RIGHT TO APPOINT A PERSON OR COMPANY (WHO NEED NOT BE A SHAREHOLDER) TO ATTEND AND ACT FOR OR ON BEHALF OF THAT SHAREHOLDER AT THE MEETING, OTHER THAN THE DESIGNATED PERSONS NAMED IN THE ENCLOSED FORM OF PROXY.

TO EXERCISE THE RIGHT, THE SHAREHOLDER MAY DO SO BY STRIKING OUT THE PRINTED NAMES AND INSERTING THE NAME OF SUCH OTHER PERSON AND, IF DESIRED, AN ALTERNATE TO SUCH PERSON, IN THE BLANK SPACE PROVIDED IN THE FORM OF PROXY. SUCH SHAREHOLDER SHOULD NOTIFY THE NOMINEE OF THE APPOINTMENT, OBTAIN THE NOMINEE’S CONSENT TO ACT AS PROXY AND SHOULD PROVIDE INSTRUCTION TO THE NOMINEE ON HOW THE SHAREHOLDER’S SHARES SHOULD BE VOTED. THE NOMINEE SHOULD BRING PERSONAL IDENTIFICATION TO THE MEETING.

In order to be voted, the completed form of proxy must be received by the Company’s registrar and transfer agent, Odyssey Trust Company (the “**Transfer Agent**”) at their offices located at 323 – 409 Granville St., Vancouver, BC V6C 1T2, Attention: Proxy Department, or by fax at 1-800-517-4553 not later than 48 hours (excluding Saturdays, Sundays and holidays recognized in the Province of British Columbia) prior to the scheduled time of the Meeting, or any adjournment or postponement thereof. Alternatively, the completed form of proxy may be delivered to the chairman of the Meeting on the day of the Meeting, or any adjournment or postponement thereof.

A proxy may not be valid unless it is dated and signed by the shareholder who is giving it or by that shareholder’s attorney-in-fact duly authorized by that shareholder in writing or, in the case of a corporation, dated and executed by a duly authorized officer or attorney-in-fact for the corporation. If a form of proxy is executed by an attorney-in-fact for an individual shareholder or joint shareholders, or by an officer or attorney-in-fact for a corporate shareholder, the instrument so empowering the officer or attorney-in-fact, as the case may be, or a notarially certified copy thereof, must accompany the form of proxy.

Revocation of Proxies

A shareholder who has given a proxy may revoke it at any time before it is exercised by an instrument in writing:

- (a) executed by that shareholder or by that shareholder's attorney-in-fact authorized in writing or, where the shareholder is a corporation, by a duly authorized officer of, or attorney-in-fact for, the corporation; and
- (b) delivered either:
 - (i) to the Company at the address set forth above, at any time up to and including the last business day preceding the day of the Meeting or, if adjourned or postponed, any reconvening thereof, or
 - (ii) to the chairman of the Meeting prior to the vote on matters covered by the proxy on the day of the Meeting or, if adjourned or postponed, any reconvening thereof, or
 - (iii) in any other manner provided by law.

Also, a proxy will automatically be revoked by either:

- (a) attendance at the Meeting and participation in a poll (ballot) by a shareholder, or
- (b) submission of a subsequent proxy in accordance with the foregoing procedures.

A revocation of a proxy does not affect any matter on which a vote has been taken prior to any such revocation.

Voting of Proxies and Exercise of Discretion

A shareholder may indicate the manner in which the Designated Persons are to vote with respect to a matter to be voted upon at the Meeting by marking the appropriate space. If the instructions as to voting indicated in the proxy are certain, the Common Shares represented by the proxy will be voted or withheld from voting in accordance with the instructions given in the proxy. The Common Shares represented by a proxy will be voted or withheld from voting in accordance with the instructions of the shareholder on any ballot that may be called for and if the shareholder specifies a choice with respect to any matter to be acted upon, the Common Shares will be voted accordingly.

IF NO CHOICE IS SPECIFIED IN THE PROXY WITH RESPECT TO A MATTER TO BE ACTED UPON, THE PROXY CONFERS DISCRETIONARY AUTHORITY WITH RESPECT TO THAT MATTER UPON THE DESIGNATED PERSONS NAMED IN THE FORM OF PROXY. IT IS INTENDED THAT THE DESIGNATED PERSONS WILL VOTE THE COMMON SHARES REPRESENTED BY THE PROXY IN FAVOUR OF EACH MATTER IDENTIFIED IN THE PROXY.

The enclosed form of proxy confers discretionary authority upon the persons named therein with respect to other matters which may properly come before the Meeting, including any amendments or variations to any matters identified in the Notice of Meeting, and with respect to other matters which

may properly come before the Meeting. At the date of this Information Circular, management of the Company is not aware of any such amendments, variations, or other matters to come before the Meeting.

In the case of abstentions from, or withholding of, the voting of the Common Shares on any matter, the Common Shares that are the subject of the abstention or withholding will be counted for determination of a quorum, but will not be counted as affirmative or negative on the matter to be voted upon.

Registered Shareholders

Registered Shareholders may wish to vote by proxy whether or not they are able to attend the Meeting in person. Registered Shareholders electing to submit a proxy may do so by completing, dating and signing the enclosed form of proxy and returning it to the Company's transfer agent, Odyssey Trust Company, 323 – 409 Granville St., Vancouver, BC V6C 1T2, (Attention: Proxy Department) by delivery, by fax at 1-800-517-4553 or online at <https://login.odysseytrust.com/pxlogin>.

In all cases ensuring that the proxy is received at least 48 hours (excluding Saturdays, Sundays and holidays) before the Meeting or the adjournment thereof at which the proxy is to be used.

Beneficial Shareholders

The information set out in this section is of significant importance to those shareholders who do not hold shares in their own name. Shareholders who do not hold their shares in their own name (referred to in this Information Circular as "Beneficial Shareholders") should note that only proxies deposited by shareholders whose names appear on the records of the Company as the registered holders of Common Shares can be recognized and acted upon at the Meeting. If Common Shares are listed in an account statement provided to a shareholder by a broker, then in almost all cases those Common Shares will not be registered in the shareholder's name on the records of the Company. Such Common Shares will more likely be registered under the names of the shareholder's broker or an agent of that broker. In the United States, the vast majority of such Common Shares are registered under the name of Cede & Co. as nominee for The Depository Trust Company (which acts as depository for many U.S. brokerage firms and custodian banks), and in Canada, under the name of CDS & Co. (the registration name for The Canadian Depository for Securities Limited, which acts as nominee for many Canadian brokerage firms). Beneficial Shareholders should ensure that instructions respecting the voting of their Common Shares are communicated to the appropriate person well in advance of the Meeting.

The Company does not have access to names of Beneficial Shareholders. Applicable regulatory policy requires intermediaries/brokers to seek voting instructions from Beneficial Shareholders in advance of shareholders' meetings. Every intermediary/broker has its own mailing procedures and provides its own return instructions to clients, which should be carefully followed by Beneficial Shareholders in order to ensure that their Common Shares are voted at the Meeting. The form of proxy supplied to a Beneficial Shareholder by its broker (or the agent of the broker) is similar to the Form of Proxy provided to registered shareholders by the Company. However, its purpose is limited to instructing the registered shareholder (the broker or agent of the broker) how to vote on behalf of the Beneficial Shareholder. The majority of brokers now delegate responsibility for obtaining instructions from clients to Broadridge Financial Solutions, Inc. ("**Broadridge**") in the United States and in Canada. Broadridge typically prepares a special voting instruction form, mails this form to the Beneficial Shareholders and asks for appropriate instructions regarding the voting of Common Shares to be voted at the Meeting. Beneficial Shareholders are requested to complete and return the voting instructions to Broadridge by mail or

facsimile. Alternatively, Beneficial Shareholders can call a toll-free number and access Broadridge's dedicated voting website (each as noted on the voting instruction form) to deliver their voting instructions and to vote the Common Shares held by them. Broadridge then tabulates the results of all instructions received and provides appropriate instructions respecting the voting of shares to be represented at the Meeting. A Beneficial Shareholder receiving a Broadridge voting instruction form cannot use that form as a proxy to vote Common Shares directly at the Meeting – the voting instruction form must be returned to Broadridge well in advance of the Meeting in order to have its Common Shares voted at the Meeting.

Although a Beneficial Shareholder may not be recognized directly at the Meeting for the purposes of voting Common Shares registered in the name of his broker (or agent of the broker), a Beneficial Shareholder may attend at the Meeting as proxyholder for the registered shareholder and vote the Common Shares in that capacity. Beneficial Shareholders who wish to attend at the Meeting and indirectly vote their Common Shares as proxyholder for the registered shareholder should enter their own names in the blank space on the instrument of proxy provided to them and return the same to their broker (or the broker's agent) in accordance with the instructions provided by such broker (or agent), well in advance of the Meeting.

Alternatively, a Beneficial Shareholder may request in writing that his or her broker send to the Beneficial Shareholder a legal proxy which would enable the Beneficial Shareholder to attend at the Meeting and vote his or her Common Shares.

Beneficial Shareholders consist of non-objecting beneficial owners and objecting beneficial owners. A non-objecting beneficial owner is a beneficial owner of securities that has provided instructions to an intermediary holding the securities in an account on behalf of the beneficial owner that the beneficial owner does not object, for that account, to the intermediary disclosing ownership information about the beneficial owner under National Instrument 54-101 – *Communication with Beneficial Owners of Securities of a Reporting Issuer* ("NI 54-101"), of the Canadian Securities Administrators. An objecting beneficial owner is a beneficial owner of securities that has provided instructions to the intermediary holding the securities in an account on behalf of the beneficial owner that the beneficial owner objects, for that account, to the intermediary disclosing ownership information about the beneficial owner under NI 54-101.

The Company is sending proxy-related materials directly to non-objecting beneficial owners of the Shares. The Company will not pay for the delivery of proxy-related materials to objecting beneficial owners of the Shares. The objecting beneficial owners of the Shares will not receive the materials unless their intermediary assumes the costs of delivery.

All references to shareholders in this Information Circular are to registered shareholders, unless specifically stated otherwise.

Notice to Shareholders in the United States

The solicitation of proxies involve securities of an issuer located in Canada and is being effected in accordance with the corporate laws of the Canada and securities laws of the provinces of Canada. The proxy solicitation rules under the United States *Securities Exchange Act of 1934, as amended*, are not applicable to the Company or this solicitation, and this solicitation has been prepared in accordance with the disclosure requirements of the securities laws of the provinces of Canada. Shareholders should be

aware that disclosure requirements under the securities laws of the provinces of Canada differ from the disclosure requirements under United States securities laws.

The enforcement by Shareholders of civil liabilities under United States federal securities laws may be affected adversely by the fact that the Company is incorporated under the Canada *Business Corporations Act*, as amended, certain of its directors and its executive officers are residents of Canada and a substantial portion of its assets and the assets of such persons are located outside the United States. Shareholders may not be able to sue a foreign company or its officers or directors in a foreign court for violations of United States federal securities laws. It may be difficult to compel a foreign company and its officers and directors to subject themselves to a judgment by a United States court.

INTEREST OF CERTAIN PERSONS OR COMPANIES IN MATTERS TO BE ACTED UPON

Other than as disclosed below and elsewhere in this Information Circular, none of the directors or executive officers of the Company, no proposed nominee for election as a director of the Company, none of the persons who have been directors or executive officers of the Company since the commencement of the Company's last completed financial year and no associate or affiliate of any of the foregoing persons has any material interest, direct or indirect, by way of beneficial ownership of securities or otherwise, in any matter to be acted upon at the Meeting.

VOTING SECURITIES AND PRINCIPAL HOLDERS OF VOTING SECURITIES

The Company is authorized to issue an unlimited number of common shares without par value (the "**Common Shares**"). As of the record date, determined by the Company's board of directors (the "**Board**") to be the close of business on October 15, 2021 (the "**Record Date**"), 91,971,567 Common Shares were issued and outstanding. Each common share carries the right to one vote at the Meeting. At a general meeting of the Company, on a show of hands, every shareholder present in person shall have one vote and, on a poll, every shareholder shall have one vote for each share of which he is the holder.

Only registered shareholders as of the Record Date are entitled to receive notice of, and to attend and vote at, the Meeting or any adjournment or postponement of the Meeting.

To the knowledge of the directors and executive officers of the Company, only the following beneficially own, directly or indirectly, or exercise control or direction over, shares carrying more than 10% of the voting rights attached to all outstanding shares of the Company:

Name of Shareholder	Number of Shares	Percentage of Issued and Outstanding
Zimtu Capital Corp.	14,760,500 ⁽¹⁾	16.04%

- (1) This number does not include: (i) 5,889,500 share purchase warrants held directly, with each share purchase warrant exercisable into one common share at a price of \$0.15 per common share until December 23, 2023, and (ii) 1,500,000 share purchase warrants held directly, with each share purchase warrant exercisable into one common share at a price of \$0.075 per common share until June 24, 2024.

The Plan provides that the Board may, from time to time, in its discretion, grant to directors, officers, employees, consultants and other personnel of the Company and its subsidiaries or affiliates, options to purchase shares of the Company. As at the date hereof, there are 5,225,000 options outstanding under the Plan. The Plan was last approved by the shareholders of the Company on November 25, 2021.

The Company currently has a Management and Administrative Services Agreement in place with Zimtu Capital Corp. (“Zimtu”). Oversight and Description of Director and NEO Compensation

The Company’s compensation program is intended to attract, motivate, reward and retain the management talent needed to achieve the Company’s business objectives of improving overall corporate performance and creating long-term value for the Company’s shareholders. The compensation program is intended to reward executive officers on the basis of individual performance and achievement of corporate objectives, including the advancement of the exploration and development goals of the Company. The Company’s current compensation program is comprised of base salary or fees and long term incentives such as stock options.

The Board has not created or appointed a compensation committee given the Company’s current size and stage of development. All tasks related to developing and monitoring the Company’s approach to the compensation of the Company’s NEOs and directors are performed by the members of the Board. The compensation of the NEOs, directors and the Company’s employees or consultants, if any, is reviewed, recommended and approved by the Board without reference to any specific formula or criteria. NEOs that are also directors of the Company are involved in discussion relating to compensation, and disclose their interest in and abstain from voting on compensation decisions relating to them, as applicable, in accordance with the applicable corporate legislation.

In making compensation decisions, the Board strives to find a balance between short-term and long-term compensation and cash versus equity incentive compensation. Base salaries or fees primarily reward recent performance and incentive stock options encourage NEOs and directors to continue to deliver results over a longer period of time and serve as a retention tool. The annual salary or fee for each NEO, as applicable, is determined by the Board based on the level of responsibility and experience of the individual, the relative importance of the position to the Company, the professional qualifications of the individual and the performance of the individual over time. The NEOs’ performances and salaries or fees are to be reviewed periodically. Increases in salary or fees are to be evaluated on an individual basis and are performance and market-based. Compensation is not tied to performance criteria or goals such as milestones, agreements or transactions, and the Company does not use a “peer group” to determine compensation.

Pension Disclosure

The Company does not provide any pension, retirement plan or other remuneration for its directors or officers that constitutes an expense to the Company.

Under National Instrument 52-110 – *Audit Committees* (“**NI 52-110**”), of the Canadian Securities Administrators, a reporting issuer is required to provide disclosure with respect to its audit committee, including the text of the audit committee charter, information regarding composition of the audit committee, and the fees paid to the external auditor. The Company provides the following disclosure with respect to its audit committee (the “**Audit Committee**”).

Audit Committee Charter

The Company's audit committee is governed by an audit committee charter, the text of which is attached as Schedule A to this Information Circular.

Composition of the Audit Committee

The Company's audit committee is comprised of three directors, Mike Hodge, Charn Deol and Alicia Milne. As defined in NI 52-110, Alicia Milne and Charn Deol are “independent”. Mr. Hodge is the Company's President and CEO and therefore is not “independent”. Also, as defined in NI 52-110, all of the audit committee members are “financially literate”.

A member of the audit committee is “independent” if the member has no direct or indirect material relationship with the Company. A material relationship means a relationship which could, in the view of the Company's board of directors, reasonably interfere with the exercise of the member's independent judgment.

Relevant Education and Experience

Every member of the Company's audit committee is considered to be "financially literate", meaning each has the ability to read and understand a set of financial statements that present a breadth and level of complexity of accounting issues that are generally comparable to the breadth and complexities of the issues that can reasonably be expected to be raised by the Company.

- (a) an understanding of the accounting principles used by the Company to prepare its financial statements;
- (b) the ability to assess the general application of such accounting principles in connection with the accounting for estimates, accruals and reserves;
- (c) experience preparing, auditing, analysing or evaluating financial statements that present a breadth and level of complexity of accounting issues that are generally comparable to the breadth and complexity of issues that can reasonably be expected to be raised by the Company's financial statements, or experience actively supervising one or more individuals engaged in such activities; and
- (d) an understanding of internal controls and procedures for financial reporting.

The relevant education and experience of the current members of our Audit Committee is as follows:

Alicia Milne

Alicia has years of management experience, specializing in corporate governance and compliance for public companies listed on the NYSE, TSX and TSX Venture Exchanges. Alicia is a member of the Governance Professionals of Canada and is financially literate and able to evaluate and understand the Company's financial statements at the current level of complexity.

Charn Deol

Charn Deol currently sits on the audit committee of five other publicly listed companies (Matica Enterprises Inc., Green Battery Metals Inc., Zinc8 Energy Solutions Inc., Cache Exploration Corp., and Makara Mining Inc.) and has in the past decade served on the audit committee of numerous public companies. Mr. Deol is also currently the CFO for Matica Enterprises Inc. Over the last four decades of being in business in both the private and public sector Mr. Deol has had to review and complete numerous balance sheets and income statements and corporate tax forms.

Audit Committee Oversight

At no time since the commencement of the Company's most recently completed financial year, was a recommendation of the Audit Committee to nominate or compensate an external auditor not adopted by the Company's Board.

Reliance on Certain Exemptions

Since the commencement of the Company's most recently completed financial year, the Company has not relied on the exemptions contained in sections 2.4 or 8 of NI 52-110. Section 2.4 (De Minimis Non-audit Services) provides an exemption from the requirement that the Audit Committee must pre-approve all non-audit services to be provided by the auditor, where the total amount of fees related to the non-audit services are not expected to exceed 5% of the total fees payable to the auditor in the fiscal year in which the non-audit services were provided. Section 8 (Exemptions) permits a company to apply to a securities regulatory authority for an exemption from the requirements of NI 52-110 in whole or in part.

Pre-Approval Policies and Procedures

Formal policies and procedures for the engagement of non-audit services have yet to be formulated and adopted. Subject to the requirements of NI 52-110, the engagement of non-audit services is considered by, as applicable, the Board and the Audit Committee, on a case-by-case basis.

External Auditor Service Fees

In the following table, "audit fees" are fees billed by the Company's external auditor for services provided in auditing the Company's annual financial statements for the subject year. "Audit-related fees" are fees not included in audit fees that are billed by the auditor for assurance and related services that are reasonably related to the performance of the audit or review of the Company's financial statements. "Tax fees" are fees billed by the auditor for professional services rendered for tax compliance, tax advice and tax planning. "All other fees" are fees billed by the auditor for products and services not included in the foregoing categories.

The fees paid by the Company to its auditor in each of the last two fiscal years ended April 30, by category, are as follows:

Financial Year Ending	Audit Fees ¹	Audit Related Fees ²	Tax Fees ³	All Other Fees ⁴
2021	\$12,000	Nil	\$1,000	\$Nil
2012	\$12,000	Nil	\$2,500	\$Nil

Notes:

1. "Audit Fees" include fees necessary to perform the annual audit and quarterly reviews of the Company's financial statements. Audit Fees include fees for review of tax provisions and for accounting consultations on matters reflected in the financial statements. Audit Fees also include audit or other attest services required by legislation or regulation such as comfort letters, consents, reviews of securities filings and statutory audits.

2. "Audit Related Fees" include services that are traditionally performed by the auditor. These audit related services include employee benefit audits, due diligence assistance, accounting consultations on proposed transactions, internal control reviews and audit or attest services not required by legislation or regulation.
3. "Tax Fees" include fees for all tax services other than those included in "Audit Fees" and "Audit Related Fees". This category includes fees for tax compliance, tax planning and tax advice. Tax planning and tax advice include assistance with tax audits and appeals, tax advice related to mergers and acquisitions and requests for rulings or technical advice from tax authorities.

The Company is relying on the exemption provided by section 6.1 of NI 52-110 which provides that the Company, as a venture issuer, is not required to comply with Part 3 (Composition of the Audit Committee) and Part 5 (Reporting Obligations) of NI 52-110.

MANAGEMENT CONTRACTS

During the Company's most recently completed financial year ended **April 30, 2021** there were no management functions of the Company, which were to any substantial degree performed by a person other than a Director or senior Officer of the Company.

CORPORATE GOVERNANCE

General

The Board believes that good corporate governance improves corporate performance and benefits all Shareholders. National Policy – 58-201 *Corporate Governance Guidelines*, as adopted by the British Columbia Securities Commission, provides non-prescriptive guidelines on corporate governance practices for reporting issuers such as the Company. In addition, National Instrument 58-101 – *Disclosure of Corporate Governance Practices*, of the Canadian Securities Administrators, prescribes certain disclosure by the Company of its corporate governance practices. This disclosure is presented below.

Board of Directors

The Board facilitates its exercise of independent supervision over the Company's management through frequent meetings of the Board.

Charn Deol, Alicia Milne and Nicholas Rodway, directors of the Company, are "independent" in that they are independent and free from any interest and any business or other relationship which could or could reasonably be perceived to, materially interfere with the director's ability to act in the best interests of the Company, other than the interests and relationships arising from shareholdings. Mr. Hodge is the President and CEO of the Company and is therefore not independent.

Directorships

The following table discloses directors and nominees who are currently directors of other Reporting Issuers:

Name of Director:	Other Reporting Issuers:
Mike Hodge	Sceptre Ventures Inc.
Alicia Milne	QMC Quantum Minerals Minifocus Exploration Corp. First Hydrogen Corp. Core Assets Corp.
Charn Deol	Green Battery Metals Inc. Matica Enterprises Inc. Cache Exploration Inc. Zinc8 Energy Solutions Inc. Makara Mining Inc.
Nicholas Rodway	Rain City Resources Corp. Core Assets Corp.

Orientation and Continuing Education

The Board briefs all new directors with the policies of the Board, and other relevant corporate and business information.

Ethical Business Conduct

The Board has found that the fiduciary duties placed on individual directors by the Company's governing corporate legislation and the common law and the restrictions placed by applicable corporate legislation on an individual director's participation in decisions of the Board in which the director has an interest have been sufficient to ensure that the Board operates independently of management and in the best interests of the Company.

Under the corporate legislation, a director is required to act honestly and in good faith with a view to the best interests of the Company and exercise the care, diligence and skill that a reasonably prudent person would exercise in comparable circumstances, and disclose to the board the nature and extent of any interest of the director in any material contract or material transaction, whether made or proposed, if the director is a party to the contract or transaction, is a director or officer (or an individual acting in a similar capacity) of a party to the contract or transaction or has a material interest in a party to the contract or transaction. The director must then abstain from voting on the contract or transaction unless the contract or transaction (i) relates primarily to their remuneration as a director, officer, employee or agent of the Company or an affiliate of the Company, (ii) is for indemnity or insurance for the benefit of the director in connection with the Company, or (iii) is with an affiliate of the corporation. If the director abstains from voting after disclosure of their interest, the directors approve the contract or transaction and the contract or transaction was reasonable and fair to the Company at the time it was entered into, the contract or transaction is not invalid and the director is not accountable to the Company for any profit realized from the contract or transaction. Otherwise, the director must have

acted honestly and in good faith, the contract or transaction must have been reasonable and fair to the Company and the contract or transaction be approved by the shareholders by a special resolution after receiving full disclosure of its terms in order for the director to avoid such liability or the contract or transaction being invalid.

Nomination of Directors

The Board is responsible for identifying individuals qualified to become new Board members and recommending to the Board new director nominees for the next annual meeting of the shareholders.

New nominees must have a track record in general business management, special expertise in an area of strategic interest to the Company, the ability to devote the time required, shown support for the Company's mission and strategic objectives, and a willingness to serve.

Compensation

The Board has not created or appointed a compensation committee, given the Company's current size and stage of development. All tasks related to developing and monitoring the Company's approach to the compensation of the NEOs and directors are performed by the members of the Board. The compensation of the NEOs, directors and the Company's employees or consultants, if any, is reviewed, recommended and approved by the Board without reference to any specific formula or criteria.

Other Board Committees

The Board has no other committees other than the audit committee.

Assessments

The Board monitors the adequacy of information given to directors, communication between the Board and management and the strategic direction and processes of the board and committees.

PARTICULARS OF MATTERS TO BE ACTED UPON

Re-Approval of Stock Option Plan

The Company has a stock option plan (the "**Plan**") in place for the granting of stock options to the directors, officers, employees and consultants of the Company. The purpose of granting such stock options is to assist the Company in compensating, attracting, retaining and motivating such persons and to closely align the personal interest of such persons to that of the Company's shareholders, having regard to the fact that the Company has no significant ongoing cash flow or revenue from production and, as a result, there are limited funds available for the payment of salaries or consulting fees. The allocation of options under the Plan is determined by the Board which, in determining such allocations, considers such factors as previous grants to individuals, overall Company performance, share price, the role and performance of the individual in question, the amount of time directed to the Company's affairs and time expended for serving on the Company's committees.

At the Meeting, shareholders will be asked to consider and, if thought fit, pass an ordinary resolution approving the renewal of the Plan for 2021. The Plan was initially approved by shareholders at the Company's annual general meeting held October 16, 2003 and has been re-approved annually

thereafter. The Plan was last approved by Company shareholders at an annual general meeting held November 25, 2020. It is a condition of TSX Venture Exchange (the “TSXV”) approval of the Plan that shareholder approval be obtained annually.

The Plan is a “rolling” stock option plan, whereby the aggregate number of common shares reserved for issuance under the Plan, together with any other common shares reserved for issuance under any other plan or agreement of the Company, shall not exceed ten (10%) percent of the total number of issued common shares (calculated on a non-diluted basis) at the time an option is granted.

A summary of the material aspects of the Plan is as follows:

1. Options granted under the Plan are non-assignable and may be granted for a term not exceeding that permitted by the TSXV (currently ten years);
2. The Plan is administered by the Company's Board or, if the Board so designates, a committee of the Board appointed in accordance with the Plan to administer the Plan;
3. The maximum number of shares in respect of which options may be outstanding under the Plan at any given time is equivalent to 10% of the issued and outstanding shares of the Company at that time, less the number of shares, if any, subject to prior options;
4. Following termination of an optionee's employment, directorship, consulting agreement or other qualified position, the optionee's option shall terminate upon the expiry of such period of time following termination, not to exceed 90 days (30 days if the optionee is engaged in providing investor relations services), as has been determined by the Board;
5. An option granted under the Plan will terminate one year following the death of the optionee. These provisions do not have the effect of extending the term of an option which would have expired earlier in accordance with its terms, and do not apply to any portion of an option which had not vested at the time of death or other termination;
6. As long as required by TSXV policy, no one individual may receive options on more than 5% of the issued and outstanding shares of the Company (the "Outstanding Shares") in any 12 month period, no one consultant may receive options on more than 2% of the Outstanding Shares in any 12 month period, and options granted to persons employed to provide investor relations services may not exceed, in the aggregate, 2% of the Outstanding Shares in any 12 month period;
7. Options may not be granted at prices that are less than the Discounted Market Price as defined in TSXV policy which, subject to certain exceptions, generally means the most recent closing price of the Company's shares on the TSXV, less a discount of from 15% to 25%, depending on the trading value of the Company's shares;
8. Any amendment of the terms of an option shall be subject to any required regulatory and shareholder approvals; and
9. In the event of a reorganization of the Company or the amalgamation, merger or consolidation of the shares of the Company, the Board of Directors shall make such appropriate provisions for the protection of the rights of the optionee as it may deem advisable.

At the Meeting, shareholders will be asked to approve the following ordinary resolution (the **“Plan Resolution”**), which must be approved by at least a majority of the votes cast by shareholders represented in person or by proxy at the Meeting who vote in respect of the Plan Resolution:

“RESOLVED, as an ordinary resolution of the shareholders of Saville Resources Inc. (the **“Company”**), that:

1. The Company’s Stock Option Plan (the **“Plan”**) including the reservation for issuance under the Plan at any time of a maximum of 10% of the issued common shares of the Company, be and is hereby ratified, confirmed and approved, subject to the acceptance of the Plan by the TSX Venture Exchange (the **“TSXV”**);
2. The board of directors of the Company be authorized in its absolute discretion to administer the Plan and amend or modify the Plan in accordance with its terms and conditions and with the policies of the TSXV; and
3. Any one director or officer of the Company be and is hereby authorized and directed to do all such acts and things and to execute and deliver, under the corporate seal of the Company or otherwise, all such deeds, documents, instruments and assurances as in his opinion may be necessary or desirable to give effect to the foregoing resolutions, including, without limitation, making any changes to the Plan required by the TSXV or applicable securities regulatory authorities and to complete all transactions in connection with the administration of the Plan.”

The form of the Plan Resolution set forth above is subject to such amendments as management may propose at the Meeting, but which do not materially affect the substance of the Plan Resolution.

Management of the Company recommends that shareholders vote in favour of the Plan Resolution at the Meeting. It is the intention of the Designated Persons named in the enclosed form of proxy, if not expressly directed otherwise in such form of proxy, to vote such proxy FOR the Plan Resolution.

OTHER MATTERS

Management of the Company knows of no other matters to come before the Meeting other than those referred to in the Notice of Meeting. However, if any other matters that are not known to management should properly come before the Meeting, the accompanying form of proxy confers discretionary authority upon the persons named therein to vote on such matters in accordance with their best judgment.

With the exception of the foregoing quorum requirement, the Committee may determine its own procedures.

The Committee's role is one of oversight. Management is responsible for preparing the Company's financial statements and other financial information and for the fair presentation of the information set forth in the financial statements in accordance with International Financial Reporting Standards ("IFRS"). Management is also responsible for establishing internal controls and procedures and for maintaining the appropriate accounting and financial reporting principles and policies designed to assure compliance with accounting standards and all applicable laws and regulations.

This review may include discussions with the independent auditor without the presence of management.
8. Review with management and the independent auditor significant related party transactions and potential conflicts of interest.
9. Pre-approve all non-audit services to be provided to the Company by the independent auditor.
10. Monitor the independence of the independent auditor by reviewing all relationships between the independent auditor and the Company and all non-audit work performed for the Company by the independent auditor.
11. Establish and review the Company's procedures for the:
 - receipt, retention and treatment of complaints regarding accounting, financial disclosure, internal controls or auditing matters; and
 - confidential, anonymous submission by employees regarding questionable accounting, auditing and financial reporting and disclosure matters.

12. Conduct or authorize investigations into any matters that the Committee believes is within the scope of its responsibilities. The Committee has the authority to retain independent counsel, accountants or other advisors to assist it, as it considers necessary, to carry out its duties, and to set and pay the compensation of such advisors at the expense of the Company.
