DATE AND CURRENCY

The date of this Information Circular is October 27, 2022. Unless otherwise stated, all amounts herein are in Canadian dollars.

GENERAL PROXY INFORMATION

Management Solicitation

The solicitation of proxies by the management of the Company will be conducted by mail and may be supplemented by telephone or other personal contact to be made without special compensation by the directors, officers and employees of the Company. The Company does not reimburse shareholders, nominees or agents for costs incurred in obtaining from their principals authorization to execute forms of proxy, except that the Company has requested brokers and nominees who hold stock in their respective names to furnish this proxy material to their customers, and the Company will reimburse such brokers and nominees for their related out of pocket expenses. No solicitation will be made by specifically engaged employees or soliciting agents. The cost of solicitation will be borne by the Company.

No person has been authorized to give any information or to make any representation other than as contained in this Information Circular in connection with the solicitation of proxies. If given or made, such information or representations must not be relied upon as having been authorized by the

Company. The delivery of this Information Circular shall not create, under any circumstances, any implication that there has been no change in the information set forth herein since the date of this Information Circular. This Information Circular does not constitute the solicitation of a proxy by anyone in any jurisdiction in which such solicitation is not authorized, or in which the person making such solicitation is not qualified to do so, or to anyone to whom it is unlawful to make such an offer of solicitation.

Appointment of Proxies

Registered shareholders are entitled to vote at the Meeting. A shareholder is entitled to one vote for each common share that such shareholder holds on the record date of October 19, 2022 (the “**Record Date**”) on the resolutions to be voted upon at the Meeting, and any other matter to come before the Meeting.

The persons named as proxyholders (the “**Designated Persons**”) in the enclosed form of proxy are directors and/or officers of the Company.

A SHAREHOLDER HAS THE RIGHT TO APPOINT A PERSON OR COMPANY (WHO NEED NOT BE A SHAREHOLDER) TO ATTEND AND ACT FOR OR ON BEHALF OF THAT SHAREHOLDER AT THE MEETING, OTHER THAN THE DESIGNATED PERSONS NAMED IN THE ENCLOSED FORM OF PROXY.

TO EXERCISE THE RIGHT, THE SHAREHOLDER MAY DO SO BY STRIKING OUT THE PRINTED NAMES AND INSERTING THE NAME OF SUCH OTHER PERSON AND, IF DESIRED, AN ALTERNATE TO SUCH PERSON, IN THE BLANK SPACE PROVIDED IN THE FORM OF PROXY. SUCH SHAREHOLDER SHOULD NOTIFY THE NOMINEE OF THE APPOINTMENT, OBTAIN THE NOMINEE’S CONSENT TO ACT AS PROXY AND SHOULD PROVIDE INSTRUCTION TO THE NOMINEE ON HOW THE SHAREHOLDER’S SHARES SHOULD BE VOTED. THE NOMINEE SHOULD BRING PERSONAL IDENTIFICATION TO THE MEETING.

In order to be voted, the completed form of proxy must be received by the Company’s registrar and transfer agent, Odyssey Trust Company (the “**Transfer Agent**”) at their offices located at 323 – 409 Granville St., Vancouver, BC V6C 1T2, Attention: Proxy Department, or by fax at 1-800-517-4553 not later than 48 hours (excluding Saturdays, Sundays and holidays recognized in the Province of British Columbia) prior to the scheduled time of the Meeting, or any adjournment or postponement thereof. Alternatively, the completed form of proxy may be delivered to the chairman of the Meeting on the day of the Meeting, or any adjournment or postponement thereof.

A proxy may not be valid unless it is dated and signed by the shareholder who is giving it or by that shareholder’s attorney-in-fact duly authorized by that shareholder in writing or, in the case of a corporation, dated and executed by a duly authorized officer or attorney-in-fact for the corporation. If a form of proxy is executed by an attorney-in-fact for an individual shareholder or joint shareholders, or by an officer or attorney-in-fact for a corporate shareholder, the instrument so empowering the officer or attorney-in-fact, as the case may be, or a notarially certified copy thereof, must accompany the form of proxy.

Revocation of Proxies

A shareholder who has given a proxy may revoke it at any time before it is exercised by an instrument in writing:

- (a) executed by that shareholder or by that shareholder's attorney-in-fact authorized in writing or, where the shareholder is a corporation, by a duly authorized officer of, or attorney-in-fact for, the corporation; and
- (b) delivered either:
 - (i) to the Company at the address set forth above, at any time up to and including the last business day preceding the day of the Meeting or, if adjourned or postponed, any reconvening thereof, or
 - (ii) to the chairman of the Meeting prior to the vote on matters covered by the proxy on the day of the Meeting or, if adjourned or postponed, any reconvening thereof, or
 - (iii) in any other manner provided by law.

Also, a proxy will automatically be revoked by either:

- (a) attendance at the Meeting and participation in a poll (ballot) by a shareholder, or
- (b) submission of a subsequent proxy in accordance with the foregoing procedures.

A revocation of a proxy does not affect any matter on which a vote has been taken prior to any such revocation.

Voting of Proxies and Exercise of Discretion

A shareholder may indicate the manner in which the Designated Persons are to vote with respect to a matter to be voted upon at the Meeting by marking the appropriate space. If the instructions as to voting indicated in the proxy are certain, the Common Shares represented by the proxy will be voted or withheld from voting in accordance with the instructions given in the proxy. The Common Shares represented by a proxy will be voted or withheld from voting in accordance with the instructions of the shareholder on any ballot that may be called for and if the shareholder specifies a choice with respect to any matter to be acted upon, the Common Shares will be voted accordingly.

IF NO CHOICE IS SPECIFIED IN THE PROXY WITH RESPECT TO A MATTER TO BE ACTED UPON, THE PROXY CONFERS DISCRETIONARY AUTHORITY WITH RESPECT TO THAT MATTER UPON THE DESIGNATED PERSONS NAMED IN THE FORM OF PROXY. IT IS INTENDED THAT THE DESIGNATED PERSONS WILL VOTE THE COMMON SHARES REPRESENTED BY THE PROXY IN FAVOUR OF EACH MATTER IDENTIFIED IN THE PROXY.

The enclosed form of proxy confers discretionary authority upon the persons named therein with respect to other matters which may properly come before the Meeting, including any amendments or variations to any matters identified in the Notice of Meeting, and with respect to other matters which

may properly come before the Meeting. At the date of this Information Circular, management of the Company is not aware of any such amendments, variations, or other matters to come before the Meeting.

In the case of abstentions from, or withholding of, the voting of the Common Shares on any matter, the Common Shares that are the subject of the abstention or withholding will be counted for determination of a quorum, but will not be counted as affirmative or negative on the matter to be voted upon.

Registered Shareholders

Registered Shareholders may wish to vote by proxy whether or not they are able to attend the Meeting in person. Registered Shareholders electing to submit a proxy may do so by completing, dating and signing the enclosed form of proxy and returning it to the Company's transfer agent, Odyssey Trust Company, 323 – 409 Granville St., Vancouver, BC V6C 1T2, (Attention: Proxy Department) by delivery, by fax at 1-800-517-4553 or online at <https://login.odysseytrust.com/pxlogin>.

In all cases ensuring that the proxy is received at least 48 hours (excluding Saturdays, Sundays and holidays) before the Meeting or the adjournment thereof at which the proxy is to be used.

Beneficial Shareholders

The information set out in this section is of significant importance to those shareholders who do not hold shares in their own name. Shareholders who do not hold their shares in their own name (referred to in this Information Circular as "Beneficial Shareholders") should note that only proxies deposited by shareholders whose names appear on the records of the Company as the registered holders of Common Shares can be recognized and acted upon at the Meeting. If Common Shares are listed in an account statement provided to a shareholder by a broker, then in almost all cases those Common Shares will not be registered in the shareholder's name on the records of the Company. Such Common Shares will more likely be registered under the names of the shareholder's broker or an agent of that broker. In the United States, the vast majority of such Common Shares are registered under the name of Cede & Co. as nominee for The Depository Trust Company (which acts as depository for many U.S. brokerage firms and custodian banks), and in Canada, under the name of CDS & Co. (the registration name for The Canadian Depository for Securities Limited, which acts as nominee for many Canadian brokerage firms). Beneficial Shareholders should ensure that instructions respecting the voting of their Common Shares are communicated to the appropriate person well in advance of the Meeting.

The Company does not have access to names of Beneficial Shareholders. Applicable regulatory policy requires intermediaries/brokers to seek voting instructions from Beneficial Shareholders in advance of shareholders' meetings. Every intermediary/broker has its own mailing procedures and provides its own return instructions to clients, which should be carefully followed by Beneficial Shareholders in order to ensure that their Common Shares are voted at the Meeting. The form of proxy supplied to a Beneficial Shareholder by its broker (or the agent of the broker) is similar to the Form of Proxy provided to registered shareholders by the Company. However, its purpose is limited to instructing the registered shareholder (the broker or agent of the broker) how to vote on behalf of the Beneficial Shareholder. The majority of brokers now delegate responsibility for obtaining instructions from clients to Broadridge Financial Solutions, Inc. ("**Broadridge**") in the United States and in Canada. Broadridge typically prepares a special voting instruction form, mails this form to the Beneficial Shareholders and asks for appropriate instructions regarding the voting of Common Shares to be voted at the Meeting. Beneficial Shareholders are requested to complete and return the voting instructions to Broadridge by mail or

facsimile. Alternatively, Beneficial Shareholders can call a toll-free number and access Broadridge's dedicated voting website (each as noted on the voting instruction form) to deliver their voting instructions and to vote the Common Shares held by them. Broadridge then tabulates the results of all instructions received and provides appropriate instructions respecting the voting of shares to be represented at the Meeting. A Beneficial Shareholder receiving a Broadridge voting instruction form cannot use that form as a proxy to vote Common Shares directly at the Meeting – the voting instruction form must be returned to Broadridge well in advance of the Meeting in order to have its Common Shares voted at the Meeting.

Although a Beneficial Shareholder may not be recognized directly at the Meeting for the purposes of voting Common Shares registered in the name of his broker (or agent of the broker), a Beneficial Shareholder may attend at the Meeting as proxyholder for the registered shareholder and vote the Common Shares in that capacity. Beneficial Shareholders who wish to attend at the Meeting and indirectly vote their Common Shares as proxyholder for the registered shareholder should enter their own names in the blank space on the instrument of proxy provided to them and return the same to their broker (or the broker's agent) in accordance with the instructions provided by such broker (or agent), well in advance of the Meeting.

Alternatively, a Beneficial Shareholder may request in writing that his or her broker send to the Beneficial Shareholder a legal proxy which would enable the Beneficial Shareholder to attend at the Meeting and vote his or her Common Shares.

Beneficial Shareholders consist of non-objecting beneficial owners and objecting beneficial owners. A non-objecting beneficial owner is a beneficial owner of securities that has provided instructions to an intermediary holding the securities in an account on behalf of the beneficial owner that the beneficial owner does not object, for that account, to the intermediary disclosing ownership information about the beneficial owner under National Instrument 54-101 – *Communication with Beneficial Owners of Securities of a Reporting Issuer* ("NI 54-101"), of the Canadian Securities Administrators. An objecting beneficial owner is a beneficial owner of securities that has provided instructions to the intermediary holding the securities in an account on behalf of the beneficial owner that the beneficial owner objects, for that account, to the intermediary disclosing ownership information about the beneficial owner under NI 54-101.

The Company is sending proxy-related materials directly to non-objecting beneficial owners of the Shares. The Company will not pay for the delivery of proxy-related materials to objecting beneficial owners of the Shares. The objecting beneficial owners of the Shares will not receive the materials unless their intermediary assumes the costs of delivery.

All references to shareholders in this Information Circular are to registered shareholders, unless specifically stated otherwise.

Notice to Shareholders in the United States

The solicitation of proxies involve securities of an issuer located in Canada and is being effected in accordance with the corporate laws of the Canada and securities laws of the provinces of Canada. The proxy solicitation rules under the United States *Securities Exchange Act of 1934, as amended*, are not applicable to the Company or this solicitation, and this solicitation has been prepared in accordance with the disclosure requirements of the securities laws of the provinces of Canada. Shareholders should be

aware that disclosure requirements under the securities laws of the provinces of Canada differ from the disclosure requirements under United States securities laws.

The enforcement by Shareholders of civil liabilities under United States federal securities laws may be affected adversely by the fact that the Company is incorporated under the Canada *Business Corporations Act*, as amended, certain of its directors and its executive officers are residents of Canada and a substantial portion of its assets and the assets of such persons are located outside the United States. Shareholders may not be able to sue a foreign company or its officers or directors in a foreign court for violations of United States federal securities laws. It may be difficult to compel a foreign company and its officers and directors to subject themselves to a judgment by a United States court.

INTEREST OF CERTAIN PERSONS OR COMPANIES IN MATTERS TO BE ACTED UPON

Other than as disclosed below and elsewhere in this Information Circular, none of the directors or executive officers of the Company, no proposed nominee for election as a director of the Company, none of the persons who have been directors or executive officers of the Company since the commencement of the Company's last completed financial year and no associate or affiliate of any of the foregoing persons has any material interest, direct or indirect, by way of beneficial ownership of securities or otherwise, in any matter to be acted upon at the Meeting.

VOTING SECURITIES AND PRINCIPAL HOLDERS OF VOTING SECURITIES

The Company is authorized to issue an unlimited number of common shares without par value (the "Common Shares"). As of the record date, determined by the Company's board of directors (the "Board") to be the close of business on October 19, 2022 (the "Record Date"), 101,846,567 Common Shares were issued and outstanding. Each common share carries the right to one vote at the Meeting. At a general meeting of the Company, on a show of hands, every shareholder present in person shall have one vote and, on a poll, every shareholder shall have one vote for each share of which he is the holder.

Only registered shareholders as of the Record Date are entitled to receive notice of, and to attend and vote at, the Meeting or any adjournment or postponement of the Meeting.

To the knowledge of the directors and executive officers of the Company, only the following beneficially own, directly or indirectly, or exercise control or direction over, shares carrying more than 10% of the voting rights attached to all outstanding shares of the Company:

- (1) This number does not include: (i) 5,889,500 share purchase warrants held directly, with each share purchase warrant exercisable into one common share at a price of \$0.15 per common share until December 23, 2023, (ii) 1,500,000 share purchase warrants held directly, with each share purchase warrant exercisable into one common share at a price of \$0.075 per common share until June 24, 2024, (iii) 1,575,000 share purchase warrants held directly, with each share purchase warrant exercisable into one common share at a price of \$0.075 per common share until December 24, 2024.

The Plan provides that the Board may, from time to time, in its discretion, grant to directors, officers, employees, consultants and other personnel of the Company and its subsidiaries or affiliates, options to purchase shares of the Company. As at the date hereof, there are 5,225,000 options outstanding under the Plan. The Plan was last approved by the shareholders of the Company on November 25, 2021.

A copy of the Plan is available for review on the Company's profile at www.sedar.com and at the office of the Company at Suite 1450 – 789 West Pender Street, Vancouver, British Columbia V6C 1H2 or at the registered offices of the Company, at 800 – 885 West Georgia Street, Vancouver, British Columbia, V6C 3H1 during normal business hours up to and including the date of the Meeting.

The Company currently has a Management and Administrative Services Agreement in place with Zimtu Capital Corp. (“Zimtu”). Oversight and Description of Director and NEO Compensation

The Company’s compensation program is intended to attract, motivate, reward and retain the management talent needed to achieve the Company’s business objectives of improving overall corporate performance and creating long-term value for the Company’s shareholders. The compensation program is intended to reward executive officers on the basis of individual performance and achievement of corporate objectives, including the advancement of the exploration and development goals of the Company. The Company’s current compensation program is comprised of base salary or fees and long term incentives such as stock options.

The Board has not created or appointed a compensation committee given the Company’s current size and stage of development. All tasks related to developing and monitoring the Company’s approach to the compensation of the Company’s NEOs and directors are performed by the members of the Board. The compensation of the NEOs, directors and the Company’s employees or consultants, if any, is reviewed, recommended and approved by the Board without reference to any specific formula or criteria. NEOs that are also directors of the Company are involved in discussion relating to compensation, and disclose their interest in and abstain from voting on compensation decisions relating to them, as applicable, in accordance with the applicable corporate legislation.

In making compensation decisions, the Board strives to find a balance between short-term and long-term compensation and cash versus equity incentive compensation. Base salaries or fees primarily reward recent performance and incentive stock options encourage NEOs and directors to continue to deliver results over a longer period of time and serve as a retention tool. The annual salary or fee for each NEO, as applicable, is determined by the Board based on the level of responsibility and experience of the individual, the relative importance of the position to the Company, the professional qualifications of the individual and the performance of the individual over time. The NEOs’ performances and salaries or fees are to be reviewed periodically. Increases in salary or fees are to be evaluated on an individual basis and are performance and market-based. Compensation is not tied to performance criteria or goals such as milestones, agreements or transactions, and the Company does not use a “peer group” to determine compensation.

Pension Disclosure

The Company does not provide any pension, retirement plan or other remuneration for its directors or officers that constitutes an expense to the Company.

Under National Instrument 52-110 – *Audit Committees* ("**NI 52-110**"), of the Canadian Securities Administrators, a reporting issuer is required to provide disclosure with respect to its audit committee, including the text of the audit committee charter, information regarding composition of the audit committee, and the fees paid to the external auditor. The Company provides the following disclosure with respect to its audit committee (the "**Audit Committee**").

Audit Committee Charter

The Company's audit committee is governed by an audit committee charter, the text of which is attached as Schedule A to this Information Circular.

Composition of the Audit Committee

The Company's audit committee is comprised of three directors, Mike Hodge, Charn Deol and Alicia Milne. As defined in NI 52-110, Alicia Milne and Charn Deol are "independent". Mr. Hodge is the Company's President and CEO and therefore is not "independent". Also, as defined in NI 52-110, all of the audit committee members are "financially literate".

A member of the audit committee is "independent" if the member has no direct or indirect material relationship with the Company. A material relationship means a relationship which could, in the view of the Company's board of directors, reasonably interfere with the exercise of the member's independent judgment.

Relevant Education and Experience

Every member of the Company's audit committee is considered to be "financially literate", meaning each has the ability to read and understand a set of financial statements that present a breadth and level of complexity of accounting issues that are generally comparable to the breadth and complexities of the issues that can reasonably be expected to be raised by the Company.

The education and experience of each member of the audit committee that is relevant to the performance of his responsibilities as an audit committee member and, in particular, any education or experience that would provide the member with:

- (b) the ability to assess the general application of such accounting principles in connection with the accounting for estimates, accruals and reserves;
- (c) experience preparing, auditing, analysing or evaluating financial statements that present a breadth and level of complexity of accounting issues that are generally comparable to the breadth and complexity of issues that can reasonably be expected to be raised by the Company's financial statements, or experience actively supervising one or more individuals engaged in such activities; and

Over the last four decades of being in business in both the private and public sector Mr. Deol has had to review and complete numerous balance sheets and income statements and corporate tax forms.

Audit Committee Oversight

At no time since the commencement of the Company's most recently completed financial year, was a recommendation of the Audit Committee to nominate or compensate an external auditor not adopted by the Company's Board.

Reliance on Certain Exemptions

Since the commencement of the Company's most recently completed financial year, the Company has not relied on the exemptions contained in sections 2.4 or 8 of NI 52-110. Section 2.4 (De Minimis Non-audit Services) provides an exemption from the requirement that the Audit Committee must pre-approve all non-audit services to be provided by the auditor, where the total amount of fees related to the non-audit services are not expected to exceed 5% of the total fees payable to the auditor in the fiscal year in which the non-audit services were provided. Section 8 (Exemptions) permits a company to apply to a securities regulatory authority for an exemption from the requirements of NI 52-110 in whole or in part.

Pre-Approval Policies and Procedures

Formal policies and procedures for the engagement of non-audit services have yet to be formulated and adopted. Subject to the requirements of NI 52-110, the engagement of non-audit services is considered by, as applicable, the Board and the Audit Committee, on a case-by-case basis.

External Auditor Service Fees

In the following table, "audit fees" are fees billed by the Company's external auditor for services provided in auditing the Company's annual financial statements for the subject year. "Audit-related fees" are fees not included in audit fees that are billed by the auditor for assurance and related services that are reasonably related to the performance of the audit or review of the Company's financial statements. "Tax fees" are fees billed by the auditor for professional services rendered for tax compliance, tax advice and tax planning. "All other fees" are fees billed by the auditor for products and services not included in the foregoing categories.

The fees paid by the Company to its auditor in each of the last two fiscal years ended April 30, by category, are as follows:

Financial Year Ending	Audit Fees ¹	Audit Related Fees ²	Tax Fees ³	All Other Fees ⁴

Audit Fees also include audit or other attest services required by legislation or regulation such as comfort letters, consents, reviews of securities filings and statutory audits.
2. "Audit Related Fees" include services that are traditionally performed by the auditor. These audit related services include employee benefit audits, due diligence assistance, accounting consultations on proposed transactions, internal control reviews and audit or attest services not required by legislation or regulation.
3. "Tax Fees" include fees for all tax services other than those included in "Audit Fees" and "Audit Related Fees". This category includes fees for tax compliance, tax planning and tax advice. Tax planning and tax advice include assistance with tax audits and appeals, tax advice related to mergers and acquisitions and requests for rulings or technical advice from tax authorities.

MANAGEMENT CONTRACTS

During the Company's most recently completed financial year ended **April 30, 2022** there were no management functions of the Company, which were to any substantial degree performed by a person other than a Director or senior Officer of the Company.

CORPORATE GOVERNANCE

General

The Board believes that good corporate governance improves corporate performance and benefits all Shareholders. National Policy – 58-201 *Corporate Governance Guidelines*, as adopted by the British Columbia Securities Commission, provides non-prescriptive guidelines on corporate governance practices for reporting issuers such as the Company. In addition, National Instrument 58-101 – *Disclosure of Corporate Governance Practices*, of the Canadian Securities Administrators, prescribes certain disclosure by the Company of its corporate governance practices. This disclosure is presented below.

Board of Directors

The Board facilitates its exercise of independent supervision over the Company's management through frequent meetings of the Board.

Charn Deol, Alicia Milne and Nicholas Rodway, directors of the Company, are "independent" in that they are independent and free from any interest and any business or other relationship which could or could reasonably be perceived to, materially interfere with the director's ability to act in the best interests of the Company, other than the interests and relationships arising from shareholdings. Mr. Hodge is the President and CEO of the Company and is therefore not independent.

Directorships

The following table discloses directors and nominees who are currently directors of other Reporting Issuers:

Name of Director:	Other Reporting Issuers:
Mike Hodge	Sceptre Ventures Inc. SWMBRD Sports Inc.
Alicia Milne	QMC Quantum Minerals Queensland Gold Hills Corp. First Hydrogen Corp.

Nicholas Rodway	Rain City Resources Corp. Core Assets Corp. Lion Rock Resources Inc.

Orientation and Continuing Education

The Board briefs all new directors with the policies of the Board, and other relevant corporate and business information.

Ethical Business Conduct

The Board has found that the fiduciary duties placed on individual directors by the Company's governing corporate legislation and the common law and the restrictions placed by applicable corporate legislation on an individual director's participation in decisions of the Board in which the director has an interest have been sufficient to ensure that the Board operates independently of management and in the best interests of the Company.

Under the corporate legislation, a director is required to act honestly and in good faith with a view to the best interests of the Company and exercise the care, diligence and skill that a reasonably prudent person would exercise in comparable circumstances, and disclose to the board the nature and extent of

any interest of the director in any material contract or material transaction, whether made or proposed, if the director is a party to the contract or transaction, is a director or officer (or an individual acting in a similar capacity) of a party to the contract or transaction or has a material interest in a party to the contract or transaction. The director must then abstain from voting on the contract or transaction unless the contract or transaction (i) relates primarily to their remuneration as a director, officer, employee or agent of the Company or an affiliate of the Company, (ii) is for indemnity or insurance for the benefit of the director in connection with the Company, or (iii) is with an affiliate of the corporation. If the director abstains from voting after disclosure of their interest, the directors approve the contract or transaction and the contract or transaction was reasonable and fair to the Company at the time it was entered into, the contract or transaction is not invalid and the director is not accountable to the Company for any profit realized from the contract or transaction. Otherwise, the director must have acted honestly and in good faith, the contract or transaction must have been reasonable and fair to the Company and the contract or transaction be approved by the shareholders by a special resolution after receiving full disclosure of its terms in order for the director to avoid such liability or the contract or transaction being invalid.

Nomination of Directors

The Board is responsible for identifying individuals qualified to become new Board members and recommending to the Board new director nominees for the next annual meeting of the shareholders.

New nominees must have a track record in general business management, special expertise in an area of strategic interest to the Company, the ability to devote the time required, shown support for the Company's mission and strategic objectives, and a willingness to serve.

Compensation

The Board has not created or appointed a compensation committee, given the Company's current size and stage of development. All tasks related to developing and monitoring the Company's approach to the compensation of the NEOs and directors are performed by the members of the Board. The compensation of the NEOs, directors and the Company's employees or consultants, if any, is reviewed, recommended and approved by the Board without reference to any specific formula or criteria.

Other Board Committees

The Board has no other committees other than the audit committee.

Assessments

The Board monitors the adequacy of information given to directors, communication between the Board and management and the strategic direction and processes of the board and committees.

PARTICULARS OF MATTERS TO BE ACTED UPON

Approval of 2022 Equity Incentive Plan (the "2022 Plan")

The Company's current stock option plan (the "**Stock Option Plan**") is a "rolling" stock option plan, whereby the aggregate number of Shares reserved for issuance, together with any other Shares

reserved for issuance under any other plan or agreement of the Company, shall not exceed ten (10%) percent of the total number of issued Shares (calculated on a non-diluted basis) at the time an option is granted as at the date the Company implemented the Stock Option Plan. See “*Statement of Executive Compensation – Stock Option Plans and Other Incentive Plans*” above for further details of the Stock Option Plan.

In November 2021, the Exchange has amended Policy 4.4 with respect to equity-based compensation to allow for a greater variety of security based compensation plans. In light of the amendments to Policy 4.4, the Board is recommending that the Stock Option Plan be replaced by the 2022 Plan, which is a “fixed” 20% plan under Exchange Policy 4.4 that would permit the following forms of equity-based incentive compensation: stock options, deferred share units, performance share units and restricted share units.

Under Exchange Policy 4.4, the Company must obtain Shareholder approval of the 2022 Plan at the Meeting.

Effective as of October 18, 2022, the Board adopted the 2022 Plan (the “**Effective Date**”). If the 2022 Plan is approved by Shareholders at the Meeting, no further stock options will be granted under the Stock Option Plan.

At the Meeting, Shareholders will be asked to consider and, if thought advisable, pass an ordinary resolution approving the 2022 Plan in the form set out as Schedule “C” hereto.

The following information is intended as a brief description of the 2022 Plan and is qualified in its entirety by the full text of the 2022 Plan.

Purpose

The purpose of the 2022 Plan is to promote the long-term success of the Company and the creation of Shareholder value by: (i) encouraging the attraction and retention of Eligible Persons (as hereinafter defined); (ii) encouraging such Eligible Persons to focus on critical long-term objectives; and (iii) promoting greater alignment of the interests of such Eligible Persons with the interests of the Company.

The 2022 Plan provides flexibility to the Company to grant equity-based incentive awards in the form of stock options (“**Options**”), restricted share units (“**RSUs**”), performance share units (“**PSUs**”) and deferred share units (“**DSUs**” and, collectively with the RSUs and PSUs, the “**Performance-Based Awards**”) to Eligible Persons.

Shares Subject to the 2022 Plan

The 2022 Plan is a “fixed” plan such that the aggregate number of Shares that may be issued upon the exercise or settlement of Options and Performance-Based Awards granted under the 2022 Plan (and all of the Company’s other Security-Based Compensation Arrangements (as defined in the 2022 Plan)), shall not exceed, in the aggregate, 20% of the Company’s issued and outstanding Shares at the time that the 2022 Plan is implemented, such number being 20,369,313 as at October 18, 2022.

The 2022 Plan is considered an “evergreen” plan, since Shares that were the subject of any Option or Performance-Based Award made under the 2022 Plan that have been settled in cash, or that have been cancelled, terminated, surrendered, forfeited or have expired without being exercised, and pursuant to which no securities have been issued, may continue to be issuable under the 2022 Plan.

Participation Limits

The 2022 Plan provides that, so long as it may be required by the rules and Policies of the Exchange:

- (a) unless the Company has obtained disinterested Shareholder approval, the maximum aggregate number of Shares issuable to any Participant (as defined in the 2022 Plan) under the 2022 Plan, within any 12 month period, together with Shares reserved for issuance to such Participant (and to Companies wholly-owned by that Participant) under all of the Company’s other Security-Based Compensation Arrangements, shall not exceed five (5%) percent of the issued and outstanding Shares (calculated as at the date specified by the Board as the grant date at the time it granted the Option or Performance-Based Award or, if no such date was specified, the date upon which the Option or Performance-Based Award was actually granted (the “**Grant Date**”));
- (b) unless the Company has obtained disinterested Shareholder approval, the maximum aggregate number of Shares issuable to Insiders (as defined in the 2022 Plan) under the 2022 Plan, within any 12 month period, together with Shares reserved for issuance to Insiders under all of the Company’s other Security-Based Compensation Arrangements, shall not exceed ten (10%) percent of the issued and outstanding Shares (calculated as at the Grant Date);
- (c) unless the Company has obtained disinterested Shareholder approval, the maximum aggregate number of Shares issuable to Insiders under the 2022 Plan, at any point in time, together with Shares reserved for issuance to Insiders under all of the Company’s other Security-Based Compensation Arrangements, shall not exceed ten (10%) percent of the issued and outstanding Shares;
- (d) the maximum aggregate number of Shares issuable to any one Consultant (as defined in the 2022 Plan) under the 2022 Plan, within any 12 month period, together with Shares issuable to such Consultant under all of the Company’s other Security-Based Compensation Arrangements, shall not exceed two (2%) percent of the issued and outstanding Shares (calculated as at the Grant Date); and
- (e) the maximum aggregate number of Shares issuable pursuant to grants of Options to all investor relation service providers performing Investor Relations Activities (as defined in the 2022 Plan) under the 2022 Plan, within any 12 month period, shall not in aggregate

exceed two (2%) percent of the issued and outstanding Shares (calculated as at the Grant Date). For the avoidance of doubt, persons performing Investor Relations Activities are only eligible to receive Options under the 2022 Plan; they are not eligible to receive any Performance-Based Award or other type of securities based compensation under the 2022 Plan.

Administration of the 2022 Plan

The 2022 Plan shall be administered by the Board of the Company and the Board of the Company has full authority to administer the 2022 Plan, including the authority to interpret and construe any provision of the 2022 Plan and to adopt, amend and rescind such rules and regulations for administering the 2022 Plan as the Board of the Company may deem necessary in order to comply with the requirements of the 2022 Plan.

“Eligible Persons” under the 2022 Plan

When used in connection with the grant of Options, all “*bona fide*” officers, directors, employees, management company employees and Consultants of the Company or any of its subsidiaries, are eligible to participate in the 2022 Plan, as “**Eligible Persons**”. When used in connection with the grant of Performance-Based Awards, all “*bona fide*” officers, directors, employees, management company employees and Consultants of the Company or any of its subsidiaries that do not perform Investor Relations Activities are eligible to participate in the 2022 Plan, as “**Eligible Persons**”. The extent to which any such individual is entitled to receive a grant of an award pursuant to the 2022 Plan will be determined in the sole and absolute discretion of the Board. Each person who receives a grant under the 2022 Plan is referred to as a “Participant”.

Types of Awards

Awards of Options, RSUs, PSUs and DSUs may be made under the 2022 Plan. All of the awards described below are subject to the conditions, limitations, restrictions, exercise price, vesting, settlement and forfeiture provisions determined by the Board, in its sole discretion, subject to such limitations provided in the 2022 Plan, and will generally be evidenced by an award agreement.

Options

Each Option entitles a holder thereof to purchase one Share at an exercise price determined by the Board at the time of the grant of the Option, provided that the exercise price of an Option granted under the 2022 Plan shall not be less than the Discounted Market Price (as defined in the Policies of the Exchange), provided that if an Option is proposed to be granted by the Company after the Company has just been recalled for trading following a suspension or halt, the Company must wait at least ten trading days since the day on which trading in the Company’s securities resumes before setting the exercise price for and granting the Option. Each Option shall, unless sooner terminated, expire on a date to be determined by the Board which will not exceed ten (10) years from the Grant Date. The Board may, in its absolute discretion, upon granting Options under the 2022 Plan, specify different time periods following the dates of granting the Options during which the Participant may exercise their Options to purchase Shares and may designate different exercise prices and numbers of Shares in respect of which each Participant may exercise Options during each respective time period. Subject to the discretion of the Board, the Options granted to a Participant under the 2022 Plan shall vest as determined by the Board on the Grant Date of such Options. If the Board does not specify a vesting schedule at the Grant Date,

then Options granted to persons, other than those conducting Investor Relations Activities, shall vest fully on the Grant Date, and in any event in accordance with the policies of the Exchange. Options issued to Persons conducting Investor Relations Activities must vest (and shall not otherwise be exercisable) in stages over a minimum of 12 months such that:

- A. no more than 1/4 of the Options vest no sooner than three months after the Grant Date;
- B. no more than another 1/4 of the Options vest no sooner than six months after the Grant Date;
- C. no more than another 1/4 of the Options vest no sooner than nine months after the Grant Date; and
- D. the remainder of the Options vest no sooner than 12 months after the Grant Date.

If the award agreement for the grant of Options so provides, in the event of a Change of Control (as defined in the 2022 Plan), all Options granted to a Participant that ceases to be an Eligible Person shall become fully vested and shall become exercisable by the Participant in accordance with the terms of such award agreement and the 2022 Plan. No acceleration of the vesting of any Options shall be permitted without prior Exchange review and acceptance for Options issued to persons conducting Investor Relations Activities.

Other than as may be set forth in the award agreement for the grant of Options, upon the death of a Participant, any Options granted to such Participant which, prior to the Participant's death, have not vested, will immediately terminate without payment, be forfeited and cancelled and shall be of no further force or effect; and the Participant or his or her estate, as the case may be, shall have no right, title or interest therein whatsoever. Any Options granted to such Participant which, prior to the Participant's death, had vested pursuant to the terms of the applicable award agreement will accrue to the Participant's estate in accordance with 2022 Plan and may be exercised by the Participant's estate within one year of the death of the Participant.

Where a Participant's relationship with the Company is terminated by the Company or a subsidiary for cause, all Options granted to the Participant under the 2022 Plan will immediately terminate without payment, be forfeited and cancelled and shall be of no further force or effect as of the termination date.

Where a Participant's relationship with the Company terminates by reason of termination by the Company or a subsidiary without cause, by voluntary termination, voluntary resignation or due to retirement by the Participant, such that the Participant no longer qualifies as an Eligible Person, all Options granted to the Participant under the 2022 Plan that have not vested will, unless the applicable award agreement provides otherwise and subject to the provisions below, immediately terminate without payment, be forfeited and cancelled and shall be of no further force or effect as of the termination date; provided, however, that any Options granted to such Participant which, prior to the Participant's termination without cause, voluntary termination, voluntary resignation or retirement, had vested pursuant to the terms of the applicable award agreement will accrue to the Participant in accordance with the 2022 Plan and shall be exercisable by such Participant for a period of 90 days following the date the Participant ceased to be an Eligible Person, or such longer period as may be provided for in the award agreement or as may be determined by the Board provided such period does not exceed 12 months after the termination date.

Where a Participant becomes afflicted by a disability, all Options granted to the Participant under the 2022 Plan will continue to vest in accordance with the terms of such Options; provided, however, that no Options may be redeemed during a leave of absence. Where a Participant's relationship is terminated due to disability such that the Participant ceases to be an Eligible Person, all Options granted to the Participant under this Plan that have not vested will, unless the applicable award agreement provides otherwise and subject to the provisions below, immediately terminate without payment, be forfeited and cancelled and shall be of no further force or effect as of the termination date; provided, however, that any Options granted to such Participant which, prior to the termination of the Participant's relationship with the Company due to disability, had vested pursuant to terms of the applicable award agreement, will accrue to the Participant in accordance with the 2022 Plan and shall be exercisable by such Participant for a period of 90 days following the termination date, or such longer period as may be provided for in the award agreement or as may be determined by the Board, provided such period does not exceed 12 months after the termination date.

The 2022 Plan states that the exercise price of an Option should be paid in cash, however, "**Cashless Exercise**" may be effected when the Company has an arrangement with a brokerage firm pursuant to which the brokerage firm will loan money to a Participant to purchase the Shares underlying her, his or its Options, with the brokerage firm then selling a sufficient number of Shares to cover the exercise price of the Options in order to repay the loan made to the Participant. Upon such a Cashless Exercise, the brokerage firm involved receives a number of Shares from the exercise of a Participant's Options to repay the loan so provided, and the Participant receives the balance of Shares or the cash proceeds from the balance of such Shares.

Restricted Share Units

A RSU is a right awarded to a Participant, as compensation for employment or consulting services or services as a director or officer, to receive for no additional cash consideration, securities of the Company upon specified vesting criteria being satisfied, and subject to the terms and conditions of the 2022 Plan and the applicable award agreement, and which may be paid in cash and/or Shares. Subject to the provisions of the 2022 Plan, the Board may, from time to time, grant RSUs to Eligible Persons that do not perform Investor Relations Activities. The number of RSUs to be credited to each Participant shall be determined by the Board in its sole discretion in accordance with the 2022 Plan. Each RSU shall, contingent upon the lapse of any restrictions, represent one Share. All RSUs will vest and become payable by the issuance of Shares at the end of the restriction period if all applicable restrictions have lapsed, as such restrictions may be specified in the award agreement.

RSUs shall be subject to such restrictions as the Board, in its sole discretion, may establish in the applicable award agreement, which restrictions may lapse separately or in combination at such time or times and on such terms, conditions and satisfaction of objectives as the Board may, in its discretion, determine at the time a RSU is granted. The Board shall determine any vesting terms applicable to the grant of RSUs, however, no RSUs may vest before the date that is one (1) year following the date of the award.

If the award agreement so provides, in the event of a Change of Control and the Participant ceases to be an Eligible Person, all restrictions upon any RSUs held by such Participant shall lapse immediately and all such RSUs shall become fully vested in such Participant in accordance with the 2022 Plan.

Other than as may be set forth in the applicable award agreement, upon the death of a Participant, any RSUs granted to such Participant which, prior to the Participant's death, have not vested, will be immediately and automatically forfeited and cancelled without further action and without any cost or payment, and the Participant or his or her estate, as the case may be, shall have no right, title or interest therein whatsoever. Any RSUs granted to such Participant which, prior to the Participant's death, had vested pursuant to the terms of the applicable award agreement will accrue to the Participant's estate in accordance with the 2022 Plan.

Where a Participant's relationship with the Company is terminated by the Company or a subsidiary for cause, all RSUs granted to the Participant under this Plan will immediately terminate without payment, be forfeited and cancelled and shall be of no further force or effect as of the termination date.

Where a Participant's relationship with the Company terminates by reason of termination by the Company or a subsidiary without cause, by voluntary termination, voluntary resignation or due to retirement by the Participant, all RSUs granted to the Participant under the 2022 Plan that have not vested will, unless the applicable award agreement provides otherwise and subject to the provisions below, immediately terminate without payment, be forfeited and cancelled and shall be of no further force or effect as of the termination date and the Participant shall have no right, title or interest therein whatsoever; provided, however, that any RSUs granted to such Participant which, prior to the Participant's termination without cause, voluntary termination, voluntary resignation or retirement, had vested pursuant to the terms of the applicable award agreement will accrue to the Participant in accordance with the 2022 Plan.

Where a Participant becomes afflicted by a disability, all RSUs granted to the Participant under the 2022 Plan will continue to vest in accordance with the terms of such RSUs; provided, however, that no RSUs may be redeemed during a leave of absence. Where a Participant's relationship is terminated due to disability such that the Participant ceases to be an Eligible Person, all RSUs granted to the Participant under the 2022 Plan that have not vested will, unless the applicable award agreement provides otherwise and subject to the provisions below, immediately terminate without payment, be forfeited and cancelled and shall be of no further force or effect as of the termination date and the Participant shall have no right, title or interest therein whatsoever; provided, however, that any RSUs granted to such Participant which, prior to the Participant's termination due to disability, had vested pursuant to terms of the applicable award agreement will accrue to the Participant in accordance with the 2022 Plan.

As soon as practicable after each vesting date of a RSU, the Company shall, at the sole discretion of the Board, either: (a) issue to the Participant from treasury the number of Shares equal to the number of RSUs that have vested; or (b) make a cash payment in an amount equal to the Market Unit Price (as defined in the 2022 Plan) on the next trading day after the vesting date of the RSUs, net of applicable withholdings.

Performance Share Units

A PSU is a right awarded to a Participant, as compensation for employment or consulting services or services as a director or officer, to receive, for no additional cash consideration, securities of the Company upon specified performance and vesting criteria being satisfied, subject to the terms and conditions of the 2022 Plan and the applicable award agreement, and which may be paid in cash and/or Shares. Subject to the provisions of the 2022 Plan and such other terms and conditions as the Board may

prescribe, the Board may, from time to time, grant awards of PSUs to Eligible Persons that do not perform Investor Relations Activities. The number of PSUs to be awarded to any Participant shall be determined by the Board, in its sole discretion, in accordance with the 2022 Plan. Each PSU shall, contingent upon the attainment of the performance criteria within the performance cycle, represent one Share.

The Board will select, settle and determine the performance criteria (including without limitation the attainment thereof), for purposes of the vesting of the PSUs, in its sole discretion. An award agreement may provide the Board with the right to revise the performance criteria and the award amounts if unforeseen events (including, without limitation, changes in capitalization, an equity restructuring, an acquisition or a divestiture) occur which have a substantial effect on the financial results and which in the sole judgment of the Board make the application of the performance criteria unfair unless a revision is made.

All PSUs will vest and become payable to the extent that the performance criteria set forth in the award agreement are satisfied in the performance cycle, the determination of which satisfaction shall be made by the Board on the determination date. No PSU may vest before the date that is one year following the date of the award.

If the award agreement so provides, in the event of a Change of Control and the Participant ceases to be an Eligible Person, all PSUs granted to such Participant shall become fully vested in such Participant (without regard to the attainment of any performance criteria) and shall become payable to the Participant in accordance with the 2022 Plan.

Other than as may be set forth in the applicable award agreement and below, upon the death of a Participant, all PSUs granted to the Participant which, prior to the Participant's death, have not vested, will immediately and automatically be forfeited and cancelled without further action and without any cost or payment, and the Participant or his or her estate, as the case may be, shall have no right, title or interest therein whatsoever; provided, however, the Board may determine, in its sole discretion, the number of the Participant's PSUs that will vest based on the extent to which the applicable performance criteria have been satisfied in that portion of the performance cycle that has lapsed. The PSUs that the Board determines to have vested shall become payable in accordance with the 2022 Plan.

Where a Participant's relationship with the Company is terminated by the Company or a subsidiary for cause, all PSUs granted to the Participant under the 2022 Plan will immediately terminate without payment, be forfeited and cancelled and shall be of no further force or effect as of the termination date.

Where a Participant's relationship with the Company terminates by reason of termination by the Company or a subsidiary without cause, by voluntary termination, voluntary resignation or due to retirement by the Participant, all PSUs granted to the Participant which have not vested will, unless the award agreement provides otherwise and subject to the provisions below, immediately terminate without payment, be forfeited and cancelled and shall be of no further force or effect as of the termination date, and the Participant shall have no right, title or interest therein whatsoever; provided, however, the Board may determine, in its sole discretion, the number of the Participant's PSUs that will vest based on the extent to which the applicable performance have been satisfied in that portion of the performance cycle that has lapsed. The PSUs that the Board determines to have vested shall become payable in accordance with the 2022 Plan.

Where a Participant becomes afflicted by a disability, all PSUs granted to the Participant under the 2022 Plan will continue to vest in accordance with the terms of such PSUs; provided, however, that no PSUs may be redeemed during a leave of absence. Where a Participant's relationship is terminated due to disability such that the Participant ceases to be an Eligible Person, all PSUs granted to the Participant under the 2022 Plan that have not vested will, unless the applicable award agreement provides otherwise and subject to the provisions below, immediately terminate without payment, be forfeited and cancelled and shall be of no further force or effect as of the termination date, and the Participant shall have no right, title or interest therein whatsoever; provided, however, that the Board may determine, in its sole discretion, the number of the Participant's PSUs that will vest based on the extent to which the applicable performance criteria have been satisfied in that portion of the performance cycle that has lapsed. The PSUs that the Board determines to have vested shall become payable in accordance with the 2022 Plan.

Payment to Participants in respect of vested PSUs shall be made after the determination date for the applicable award and in any case within ninety-five (95) days after the last day of the performance cycle to which such award relates. The Company shall, at the sole discretion of the Board, either: (a) issue to the Participant the number of Shares equal to the number of PSUs that have vested on the determination date; or (b) make a cash payment in an amount equal to the Market Unit Price on the next trading day after the determination date of the PSUs that have vested, net of applicable withholdings.

Deferred Share Units

A DSU is a right granted to a Participant, as compensation for employment or consulting services or services as a director or officer, to receive, for no additional cash consideration, securities of the Company on a deferred basis upon specified vesting criteria being satisfied, subject to the terms and conditions of the 2022 Plan and the applicable award agreement, and which may be paid in cash and/or Shares. Subject to the provisions of the 2022 Plan and such other terms and conditions as the Board may prescribe, the Board may, from time to time, grant awards of DSUs to directors that do not perform Investor Relations Activities in lieu of fees (including annual Board retainers, chair fees, meeting attendance fees or any other fees payable to a director) or to other Eligible Persons that do not perform Investor Relations Activities as compensation for employment or consulting services. The number of DSUs to be credited to each Participant shall be determined by the Board in its sole discretion in accordance with the 2022 Plan. The number of DSUs shall be specified in the applicable award agreement. Each director may elect to receive any or all of his or her fees in DSUs under the 2022 Plan.

The number of DSUs shall be calculated by dividing the amount of fees selected by a director by the Market Unit Price on the Grant Date (or such other price as required under the Policies of the Exchange) which shall be the 10th business day following each financial quarter end. Any fractional DSU shall be rounded down and no payment or other adjustment will be made with respect to the fractional DSU.

No DSUs may vest before the date that is one year following the date of the award of the DSU.

Each Participant shall be entitled to receive, after the effective date that the Participant ceases to be an Eligible Person for any reason, on a day designated by the Participant and communicated to the Company by the Participant in writing at least fifteen (15) days prior to the designated day (or such earlier date after the Participant ceases to be an Eligible Person as the Participant and the Company may agree, which date shall be no later than one year after the date upon which the Participant ceases to be

an Eligible Person) and if no such notice is given, then on the first anniversary of the effective date that the Participant ceases to be an Eligible Person, at the sole discretion of the Board, either: (a) that number of Shares equal to the number of vested DSUs credited to the Participant's account, such Shares to be issued from treasury of the Company; or (b) a cash payment in an amount equal to the Market Unit Price on the next trading day after the Participant ceases to be an Eligible Person of the vested DSUs, net of applicable withholdings.

In the event that the value of a DSU would be determined with reference to a period commencing at a fiscal quarter-end of the Company and ending prior to the public disclosure of interim financial statements for the quarter (or annual financial statements in the case of the fourth quarter), the cash payment of the value of the DSUs will be made to the Participant with reference to the five (5) trading days immediately following the public disclosure of the interim financial statements for that quarter (or annual financial statements in the case of the fourth quarter).

Upon death of a Participant holding DSUs that have vested, the Participant's estate shall be entitled to receive, within 120 days after the Participant's death and at the sole discretion of the Board, a cash payment or Shares that would have otherwise been payable in accordance with the 2022 Plan to the Participant upon such Participant ceasing to be an Eligible Person.

General Provisions of the 2022 Plan

Non-Transferability

No Option or Performance-Based Award and no right under any such Option or Performance-Based Award shall be assignable, alienable, saleable, or transferable by a Participant otherwise than by will or by the laws of descent and distribution and only then if permitted by the Policies of the Exchange. No Option or Performance-Based Award and no right under any such Option or Performance-Based Award, may be pledged, alienated, attached, or otherwise encumbered, and any purported pledge, alienation, attachment, or encumbrance thereof shall be void and unenforceable against the Company.

Black-out Periods

In the event that the date provided for expiration, redemption or settlement of an Option or Performance-Based Award falls within a blackout period imposed by the Company pursuant to a trading policy as the result of the bona fide existence of undisclosed material information, the expiry date, redemption date or settlement date, as applicable, of the Option or Performance-Based Award shall automatically be extended to the date that is ten (10) business days following the date of expiry of the blackout period which shall occur promptly following general disclosure of the undisclosed material information. Notwithstanding the foregoing, there will be no extension of any Option or Performance-Based Award if the Company (or the Participant) is subject to a cease trade order (or similar order under applicable law).

Deductions

Whenever cash is to be paid in respect of DSUs, RSUs or PSUs, the Company shall have the right to deduct from all cash payments made to a Participant any taxes required by law to be withheld with respect to such payments. Whenever Shares are to be delivered in respect of DSUs, RSUs or PSUs, the Company shall have the right to deduct from any other amounts payable to the Participant any taxes required by law to be withheld with respect to such delivery of Shares, or if any payment due to the

Participant is not sufficient to satisfy the withholding obligation, to require the Participant to remit to the Company in cash an amount sufficient to satisfy any taxes required by law to be withheld. At the sole discretion of the Board, a Participant may be permitted to satisfy the foregoing requirement by, all in accordance with the Policies of the Exchange, delivering (on a form prescribed by the Company) an irrevocable direction to a securities broker approved by the Company to sell all or a portion of the Shares and deliver to the Company from the sales proceeds an amount sufficient to pay the required withholding taxes.

Amendments to the 2022 Plan

The Board may at any time or from time to time, in its sole and absolute discretion and without the approval of Shareholders, amend, suspend, terminate or discontinue the 2022 Plan and may amend the terms and conditions of any Options or Performance-Based Awards granted hereunder, subject to:

- (i) any required disinterested Shareholder approval to (i) reduce the exercise price of an Option or Performance-Based Award issued to an Insider or (ii) extend the term of an Option granted to an Insider, in either event in accordance with the policies of the Exchange while the Shares are listed on the Exchange;
- (ii) any required approval of any applicable regulatory authority or the Exchange; and
- (iii) any approval of Shareholders as required by the Policies of the Exchange or applicable law, provided that Shareholder approval shall not be required for the following amendments and the Board may make any changes which may include but are not limited to (except that the Exchange may require approval of the Shareholders for amendments pursuant to Sections C to G below):
 - A. amendments of a "housekeeping nature";
 - B. amendments for the purpose of curing any ambiguity, error or omission in the 2022 Plan or to correct or supplement any provision of the 2022 Plan that is inconsistent with any other provision of the 2022 Plan;
 - C. amendments which are necessary to comply with applicable law or the requirements of the Exchange;
 - D. amendments respecting administration and eligibility for participation under the 2022 Plan;
 - E. amendments to the terms and conditions on which Option or Performance-Based Awards may be or have been granted pursuant to 2022 Plan including amendments to the vesting provisions and terms of any Options or Performance-Based Awards;
 - F. with the exception of Options granted to persons performing Investor Relations Activities, amendments which alter, extend or accelerate the terms of vesting applicable to any Options or Performance-Based Awards; and

- G. changes to the termination provisions of an Option or Performance-Based Award or the 2022 Plan which do not entail an extension beyond the original fixed term.

The 2022 Plan shall terminate automatically 10 years after the Effective Date and may be terminated on any earlier date as provided in the 2022 Plan.

This review may include discussions with the independent auditor without the presence of management.
8. Review with management and the independent auditor significant related party transactions and potential conflicts of interest.
9. Pre-approve all non-audit services to be provided to the Company by the independent auditor.

- (b) So long as it may be required by the rules and policies of the Exchange:
- (i) unless the Company has obtained disinterested shareholder approval, the maximum aggregate number of Shares issuable to any Participant under this Plan, within any twelve (12) month period, together with Shares reserved for issuance to such Participant (and to Companies wholly-owned by that Participant) under all of the Company's other Security-Based Compensation Arrangements, shall not exceed five (5%) percent of the issued and outstanding Shares (calculated on the Grant Date);

4.3 Anti-Dilution

If the number of outstanding Shares is increased or decreased as a result of a stock split, consolidation or recapitalization and not as a result of the issuance of Shares for additional consideration or by way of stock dividend, the Board may, subject to the prior acceptance of the Exchange in the case of a recapitalization, make appropriate adjustments to the number and price (or other basis upon which an Award is measured) of Options, RSUs, PSUs or DSUs credited to a Participant. Upon such a Cashless Exercise, the brokerage firm involved receives a number of Shares from the exercise of a Participant's Options to repay the loan so provided, and the

Participant receives the balance of Shares or the cash proceeds from the balance of such Shares.

No Performance Share Units may vest before the date that is one year following the date of the Award.
- (d) Change of Control – If the Award Agreement so provides, in the event of a Change of Control and the Participant ceases to be an Eligible Person, all Performance Share Units granted to a Participant shall become fully vested in such Participant (without regard to the attainment of any Performance Criteria) and shall become payable to the Participant in accordance with Section 5.3(h) hereof.
- (e) Death - Other than as may be set forth in the applicable Award Agreement and below, upon the death of a Participant, all Performance Share Units granted to the Participant which, prior to the Participant's death, have not vested, will immediately and automatically be forfeited and cancelled without further action and without any cost or payment, and the Participant or his or her estate, as the case may be, shall have no right, title or interest therein whatsoever; *provided, however*, the Board may determine, in its sole discretion, the number of the Participant's Performance Share Units that will vest based on the extent to which the applicable Performance Criteria set forth in the Award Agreement have been satisfied in that portion of the Performance Cycle that has lapsed. The Performance Share Units that the Board determines to have vested shall become payable in accordance with Section 5.3(h) hereof.
- (f) Termination of a Participant's Relationship with the Company
 - (i) Where a Participant's relationship with the Company is terminated by the Company or a Subsidiary for cause, all Performance Share Units granted to the Participant

under this Plan will immediately terminate without payment, be forfeited and cancelled and shall be of no further force or effect as of the Termination Date.

- (ii) Where a Participant's relationship with the Company terminates by reason of termination by the Company or a Subsidiary without cause, by voluntary termination, voluntary resignation or due to Retirement by the Participant, all Performance Share Units granted to the Participant which have not vested will, unless the Award Agreement provides otherwise and subject to the provisions below, immediately terminate without payment, be forfeited and cancelled and shall be of no further force or effect as of the Termination Date, and the Participant shall have no right, title or interest therein whatsoever; *provided, however*, the Board may determine, in its sole discretion, the number of the Participant's Performance Share Units that will vest based on the extent to which the applicable Performance Criteria set forth in the Award Agreement have been satisfied in that portion of the Performance Cycle that has lapsed. The Performance Share Units that the Board determines to have vested shall become payable in accordance with Section 5.3(h) hereof.
 - (iii) Upon termination of a Participant's relationship with the Company or a Subsidiary such that the Participant no longer qualifies as an Eligible Person, the Participant's eligibility to receive further grants of Awards of Performance Share Units under this Plan shall cease as of the Termination Date.
- (g) Disability - Where a Participant becomes afflicted by a Disability, all Performance Share Units granted to the Participant under this Plan will continue to vest in accordance with the terms of such Performance Share Units; *provided, however*, that no Performance Share Units may be redeemed during a leave of absence. Where a Participant's relationship is terminated due to Disability such that the Participant ceases to be an Eligible Person, all Performance Share Units granted to the Participant under this Plan that have not vested will, unless the applicable Award Agreement provides otherwise and subject to the provisions below, immediately terminate without payment, be forfeited and cancelled and shall be of no further force or effect as of the Termination Date, and the Participant shall have no right, title or interest therein whatsoever; *provided, however*, that the Board may determine, in its sole discretion, the number of the Participant's Performance Share Units that will vest based on the extent to which the applicable Performance Criteria set forth in the Award Agreement have been satisfied in that portion of the Performance Cycle that has lapsed. The Performance Share Units that the Board determines to have vested shall become payable in accordance with Section 5.3(h) hereof.
- (h) Payment of Award - Payment to Participants in respect of vested Performance Share Units shall be made after the Determination Date for the applicable Award and in any case within ninety-five (95) days after the last day of the Performance Cycle to which such Award relates. The Company shall, at the sole discretion of the Board, either:
- (i) issue to the Participant, or if Section 5.3(e) applies, the Participant's estate, the number of Shares equal to the number of Performance Share Units credited to the Participant's Account that have vested on the Determination Date; or
 - (ii) make a cash payment in an amount equal to the Market Unit Price on the next Trading Day after the Determination Date of the Performance Share Units credited to a Participant's Account that have vested, net of applicable withholdings.

As of the Vesting Date, the Performance Share Units in respect of which such Shares are issued or cash payment made shall be cancelled and no further payments shall be made to the Participant under this Plan in relation to such Performance Share Units.

5.4 Deferred Share Units

- (a) Eligibility and Participation - Subject to the provisions of this Plan and such other terms and conditions as the Board may prescribe, the Board may, from time to time, grant Awards of Deferred Share Units to Directors that do not perform Investor Relations Activities in lieu of Fees or to other Eligible Persons that do not perform Investor Relations Activities as compensation for employment or consulting services. Deferred Share Units granted to a Participant in accordance with Section 5.4 hereof shall be credited, as of the Grant Date, to the Participant's Account. The number of Deferred Share Units to be credited to each Participant shall be determined by the Board in its sole discretion in accordance with this Plan. The number of Deferred Share Units shall be specified in the applicable Award Agreement.
- (b) Election - Each Director may elect to receive any or all of his or her Fees in Deferred Share Units under this Plan. Elections by Directors regarding the amount of their Fees that they wish to receive in Deferred Share Units shall be made no later than 90 days after this Plan is adopted by the Board, and thereafter no later than December 31 of any given year with respect to Fees for the following year. Any Director who becomes a Director during a calendar year and wishes to receive an amount of his or her Fees for the remainder of that year in Deferred Share Units must make his or her election within 60 days of becoming a Director.
- (c) Calculation of Deferred Share Units Granted in Lieu of Fees - The number of Deferred Share Units to be credited to a Participant's Account where the Participant is a Director who has elected to receive Deferred Share Units in lieu of Fees shall be calculated by dividing the amount of Fees selected by a Director in the applicable Election Form by the Market Unit Price on the Grant Date (or such other price as required under Exchange policies) which shall be the 10th business day following each financial quarter end. If, as a result of the foregoing calculation, a Participant that is a Director shall become entitled to a fractional Deferred Share Unit, the Participant shall only be credited with a full number of Deferred Share Units (rounded down) and no payment or other adjustment will be made with respect to the fractional Deferred Share Unit.
- (d) Vesting - No Deferred Share Units may vest before the date that is one year following the date of the Award.
- (e) Payment of Award - Each Participant shall be entitled to receive, after the effective date that the Participant ceases to be an Eligible Person for any reason, on a day designated by the Participant and communicated to the Company by the Participant in writing at least 15 days prior to the designated day (or such earlier date after the Participant ceases to be an Eligible Person as the Participant and the Company may agree, which date shall be no later than one year after the date upon which the Participant ceases to be an Eligible Person) and if no such notice is given, then on the first anniversary of the effective date that the Participant ceases to be an Eligible Person, at the sole discretion of the Board, either:
 - (i) that number of Shares equal to the number of vested Deferred Share Units credited to the Participant's Account, such Shares to be issued from treasury of the Company

(provided that such issuance will not result in the number specified Section 4.1(b) being exceeded); or

- (ii) a cash payment in an amount equal to the Market Unit Price on the next Trading Day after the Participant ceases to be an Eligible Person of the vested Deferred Share Units credited to a Participant's Account, net of applicable withholdings.
- (f) Exception - In the event that the value of a Deferred Share Unit would be determined with reference to a period commencing at a fiscal quarter-end of the Company and ending prior to the public disclosure of interim financial statements for the quarter (or annual financial statements in the case of the fourth quarter), the cash payment of the value of the Deferred Share Units will be made to the Participant with reference to the five (5) Trading Days immediately following the public disclosure of the interim financial statements for that quarter (or annual financial statements in the case of the fourth quarter).
- (g) Death - Upon death of a Participant holding Deferred Share Units that have vested, the Participant's estate shall be entitled to receive, within 120 days after the Participant's death and at the sole discretion of the Board, a cash payment or Shares that would have otherwise been payable in accordance with Section 5.4(d) hereof to the Participant upon such Participant ceasing to be an Eligible Person.

5.5 General Terms Applicable to Awards

- (a) Forfeiture Events - The Board will specify in an Award Agreement at the time of the Award that the Participant's rights, payments and benefits with respect to an Award shall be subject to reduction, cancellation, forfeiture or recoupment upon the occurrence of certain specified events, in addition to any otherwise applicable vesting or performance conditions of an Award. Such events shall include, but shall not be limited to, termination of a relationship for cause, violation of material Company policies, fraud, breach of non-competition, confidentiality or other restrictive covenants that may apply to the Participant or other conduct by the Participant that is detrimental to the business or reputation of the Company.
- (b) Awards May be Granted Separately or Together - Awards may, in the discretion of the Board, be granted either alone or in addition to, in tandem with, or in substitution for any other Award or any award granted under any other Security-Based Compensation Arrangement of the Company. Awards granted in addition to or in tandem with other Awards, or in addition to or in tandem with awards granted under any other Security-Based Compensation Arrangement of the Company, may be granted either at the same time as or at a different time from the grant of such other Awards or awards.
- (c) Non-Transferability of Awards - No Award and no right under any such Award shall be assignable, alienable, saleable, or transferable by a Participant otherwise than by will or by the laws of descent and distribution and only then if permitted by the Policies of the Exchange. No Award and no right under any such Award, may be pledged, alienated, attached, or otherwise encumbered, and any purported pledge, alienation, attachment, or encumbrance thereof shall be void and unenforceable against the Company.
- (d) Conditions and Restrictions Upon Securities Subject to Awards - The Board may provide that the Shares issued under an Award shall be subject to such further agreements, restrictions, conditions or limitations as the Board in its sole discretion may specify, including without limitation, conditions on vesting or transferability and forfeiture or repurchase provisions or

provisions on payment of taxes arising in connection with an Award. Without limiting the foregoing, such restrictions may address the timing and manner of any resales by the Participant or other subsequent transfers by the Participant of any Shares issued under an Award, including without limitation:

- (i) restrictions under an insider trading policy or pursuant to applicable law;
 - (ii) restrictions designed to delay and/or coordinate the timing and manner of sales by Participant and holders of other Security-Based Compensation Arrangements; and
 - (iii) restrictions as to the use of a specified brokerage firm for such resales or other transfers.
- (e) Blackout Periods – In the event that the date provided for expiration, redemption or settlement of an Award falls within a Blackout Period imposed by the Company pursuant to a trading policy as the result of the bona fide existence of undisclosed Material Information, the expiry date, redemption date or settlement date, as applicable, of the Award shall automatically be extended to the date that is ten (10) business days following the date of expiry of the Blackout Period. Notwithstanding the foregoing, there will be no extension of any Award if the Company (or the Participant) is subject to a cease trade order (or similar order under applicable law).
- (f) Share Certificates - All Shares delivered under this Plan pursuant to any Award shall be subject to such stop transfer orders and other restrictions as the Board may deem advisable under this Plan or the rules, regulations, and other requirements of any securities commission, the Exchange, and any applicable securities legislation, regulations, rules, policies or orders, and the Board may cause a legend or legends to be put on any such certificates to make appropriate reference to such restrictions.
- (g) Conformity to Plan - In the event that an Award is granted which does not conform in all particulars with the provisions of this Plan, or purports to grant an Award on terms different from those set out in this Plan, the Award shall not be in any way void or invalidated, but the Award shall be adjusted to become, in all respects, in conformity with this Plan.
- (h) Deductions - Whenever cash is to be paid in respect of Deferred Share Units, Restricted Share Units or Performance Share Units, the Company shall have the right to deduct from all cash payments made to a Participant any taxes required by law to be withheld with respect to such payments. Whenever Shares are to be delivered in respect of Deferred Share Units, Restricted Share Units or Performance Share Units, the Company shall have the right to deduct from any other amounts payable to the Participant any taxes required by law to be withheld with respect to such delivery of Shares, or if any payment due to the Participant is not sufficient to satisfy the withholding obligation, to require the Participant to remit to the Company in cash an amount sufficient to satisfy any taxes required by law to be withheld. At the sole discretion of the Board, a Participant may be permitted to satisfy the foregoing requirement by, all in accordance with the Policies of the Exchange, delivering (on a form prescribed by the Company) an irrevocable direction to a securities broker approved by the Company to sell all or a portion of the Shares and deliver to the Company from the sales proceeds an amount sufficient to pay the required withholding taxes.
- (i) Evergreen Plan - Shares that were the subject of any Award made under this Plan that has been settled in cash, or that has been cancelled, terminated, surrendered, forfeited or has

expired without being exercised, and pursuant to which no securities have been issued, may continue to be issuable under this Plan.

5.6 General Terms Applicable to Performance-Based Awards

- (a) Performance Evaluation; Adjustment of Goals - At the time that a Performance-Based Award is first issued, the Board, in the Award Agreement or in another written document, shall specify whether performance will be evaluated including or excluding the effect of any of the following events that occur during the Performance Cycle or Restriction Period, as the case may be:
- (i) judgments entered or settlements reached in litigation;
 - (ii) the write-down of assets;
 - (iii) the impact of any reorganization or restructuring;

- (b) Adjustment of Performance-Based Awards - The Board shall have the sole discretion to adjust the determinations of the degree of attainment of the pre-established Performance Criteria or restrictions, as the case may be, as may be set out in the applicable Award Agreement governing the relevant Performance-Based Award. Notwithstanding any provision herein to the contrary, the Board may not make any adjustment or take any other action with respect to any Performance-Based Award that will increase the amount payable under any such Award. The Board shall retain the sole discretion to adjust Performance-Based Awards downward or to otherwise reduce the amount payable with respect to any Performance-Based Award.

SECTION 6 AMENDMENT AND TERMINATION

6.1 Amendments and Termination of this Plan

The Board may at any time or from time to time, in its sole and absolute discretion and without the approval of shareholders of the Company, amend, suspend, terminate or discontinue this Plan and may amend the terms and conditions of any Awards granted hereunder, subject to:

- (a) any required disinterested shareholder approval to (i) reduce the exercise price of an Award issued to an Insider or (ii) extend the term of an Option granted to an Insider, in either event in accordance with the policies of the Exchange while the Shares are listed on the Exchange;
- (b) any required approval of any applicable regulatory authority or the Exchange; and

- (c) any approval of shareholders of the Company as required by the rules of the Exchange or applicable law, provided that shareholder approval shall not be required for the following amendments and the Board may make any changes which may include but are not limited to (except that the Exchange may require approval of the shareholders of the Company for amendments pursuant to Sections 6.1(c)(iii) to 6.1(c)(vii)) for any of the following amendments:
 - (i) amendments of a “housekeeping nature”;
 - (ii) amendments for the purpose of curing any ambiguity, error or omission in this Plan or to correct or supplement any provision of this Plan that is inconsistent with any other provision of this Plan;
 - (iii) amendments which are necessary to comply with applicable law or the requirements of the Exchange;
 - (iv) amendments respecting administration and eligibility for participation under this Plan;
 - (v) amendments to the terms and conditions on which Awards may be or have been granted pursuant to this Plan including amendments to the vesting provisions and terms of any Awards;
 - (vi) with the exception of Options granted to Persons performing Investor Relations Activities, amendments which alter, extend or accelerate the terms of vesting applicable to any Awards; and
 - (vii) changes to the termination provisions of an Award or this Plan which do not entail an extension beyond the original fixed term.

If this Plan is terminated, prior Awards shall remain outstanding and in effect in accordance with their applicable terms and conditions.

6.2 Amendments to Awards

The Board may waive any conditions or rights under, amend any terms of, or amend, alter, suspend, discontinue, or terminate, any Awards theretofore granted, prospectively or retroactively. No such amendment or alteration shall be made which would impair the rights of any Participant, without such Participant’s consent, under any Award theretofore granted, provided that no such consent shall be required with respect to any amendment or alteration if the Board determines in its sole discretion that such amendment or alteration either:

- (a) is required or advisable in order for the Company, this Plan or the Award to satisfy or conform to any law or regulation or to meet the requirements of Policy of the Exchange or any accounting standard; or
- (b) is not reasonably likely to significantly diminish the benefits provided under such Award.

SECTION 7 GENERAL PROVISIONS

7.1 No Rights to Awards

No Person shall have any claim to be granted any Award under this Plan, or, having been selected to receive an Award under this Plan, to be selected to receive a future Award. There is no obligation for uniformity of treatment of Eligible Persons or Participants or beneficiaries of Awards under this Plan. The terms and conditions of Awards need not be the same with respect to each Participant. The Company and each Eligible Person qualifying for an Award are and shall be responsible for ensuring and confirming that each recipient of an Award is a bona fide Eligible Person that qualifies to receive the applicable Award.

7.2 Withholding

The Company shall be authorized to withhold any payment due under any Award or under this Plan until the Participant has paid or made arrangements for the payment of the amount of any withholding taxes due in respect of an Award, its exercise, or any payment under such Award or under this Plan.

7.3 No Limit on Other Security-Based Compensation Arrangements

Nothing contained in this Plan shall prevent the Company or a Subsidiary from adopting or continuing in effect other Security-Based Compensation Arrangements, and such arrangements may be either generally applicable or applicable only in specific cases.

7.4 No Right to Employment

The grant of an Award shall neither constitute an employment contract nor be construed as giving a Participant the right to be retained in the employ of the Company, or to any other relationship with the Company. Further, the Company may at any time dismiss a Participant, free from any liability, or any claim under this Plan, unless otherwise expressly provided in this Plan or in an applicable Award Agreement.

7.5 No Right as Shareholder

Neither the Participant nor any representatives of a Participant's estate shall have any rights whatsoever as shareholders in respect of any Shares covered by such Participant's Options, RSUs, PSUs and/or DSUs until the date of issuance of a share certificate to such Participant or representatives of a Participant's estate for such Shares.

7.6 Governing Law

This Plan and all of the rights and obligations arising hereunder shall be interpreted and applied in accordance with the laws of the Province of British Columbia and the federal laws of Canada applicable therein.

7.7 Severability

If any provision of this Plan or any Award is or becomes or is deemed to be invalid, illegal, or unenforceable in any jurisdiction, or as to any Person or Award, or would disqualify this Plan or any Award under any law deemed applicable by the Board, such provision shall be construed or deemed

amended to conform to applicable laws, or if it cannot be so construed or deemed amended without, in the determination of the Board, materially altering the intent of this Plan or the Award, such provision shall be stricken as to such jurisdiction, Person or Award, and the remainder of this Plan and any such Award shall remain in full force and effect.

7.8 No Trust or Fund Created

Neither this Plan nor any Award shall create or be construed to create a trust or separate fund of any kind or a fiduciary relationship between the Company and a Participant or any other Person. To the extent that any Person acquires a right to receive payments from the Company pursuant to an Award, such right shall be no greater than the right of any unsecured creditor of the Company.

7.9 No Fractional Shares

No fractional Shares shall be issued or delivered pursuant to this Plan or any Award, and the Board shall determine whether cash, or other securities shall be paid or transferred in lieu of any fractional Shares, or whether such fractional Shares or any rights thereto shall be cancelled, terminated, or otherwise eliminated.

7.10 Headings

Headings are given to the Sections and subsections of this Plan solely as a convenience to facilitate reference. Such headings shall not be deemed in any way material or relevant to the construction or interpretation of this Plan or any provision thereof.

7.11 No Representation or Warranty

The Company makes no representation or warranty as to the value of any Award granted pursuant to this Plan or as to the future value of any Shares issued pursuant to any Award.

7.12 No Representations or Covenant with Respect to Tax Qualification

Although the Company may, in its discretion, endeavor to (i) qualify an Award for favourable Canadian tax treatment or (ii) avoid adverse tax treatment, the Company makes no representation to that effect and expressly disavows any covenant to maintain favorable or avoid unfavorable tax treatment. The Company shall be unconstrained in its corporate activities without regard to the potential negative tax impact on holders of Awards under this Plan.

7.13 Conflict with Award Agreement

In the event of any inconsistency or conflict between the Policies of the Exchange, this Plan and an Award Agreement, the Policies of the Exchange shall govern for all purposes. In the event of any inconsistency or conflict between the provisions of this Plan and an Award Agreement, the provisions of this Plan shall govern for all purposes.

7.14 Compliance with Laws

The granting of Awards and the issuance of Shares under this Plan shall be subject to all applicable laws, rules, and regulations, as well as the Policies of the Exchange as in effect from time-to-time, and to such approvals by any governmental agencies or stock exchanges on which the Company is listed as may be required. The Company shall have no obligation to issue or deliver evidence of title for Shares issued under this Plan prior to:

- (a) obtaining any approvals from governmental agencies that the Company determines are necessary or advisable; and
- (b) completion of any registration or other qualification of the Shares under any applicable national or foreign law or ruling of any governmental body that the Company determines to be necessary or advisable or at a time when any such registration or qualification is not current, has been suspended or otherwise has ceased to be effective.

The inability or impracticability of the Company to obtain or maintain authority from any regulatory body having jurisdiction, which authority is deemed by the Company's counsel to be necessary to the lawful issuance and sale of any Shares hereunder shall relieve the Company of any liability in respect of the failure to issue or sell such Shares as to which such requisite authority shall not have been obtained.

SECTION 8 EFFECTIVE DATE OF THIS PLAN

8.1 Effective Date

This Plan shall become effective upon the date (the "**Effective Date**") of approval by the Board.

SECTION 9 TERM OF THIS PLAN

9.1 Term

This Plan shall terminate automatically 10 years after the Effective Date and may be terminated on any earlier date as provided in Section 6 hereof.
