

Virtual Meeting User Guide

The annual general meeting of shareholders (the “Meeting”) of Alithya Group inc. (the “Company”) will be held virtually, giving you the opportunity to attend the Meeting online using a smartphone, tablet or computer. You will be able to view a live audio webcast of the Meeting, ask questions and submit your votes in real time.

The Meeting will be open to all shareholders as well as to the general public, except that only registered shareholders and duly appointed and registered proxyholders will have the opportunity to vote and ask questions.

Important Notice for Non-Registered Shareholders

Non-registered shareholders are shareholders whose shares are registered in the records of the Company in the name of their intermediary (such as a securities broker or a financial institution) which holds them on their behalf. Employees who participate in the Company’s Employee Share Purchase Plan are non-registered shareholders.

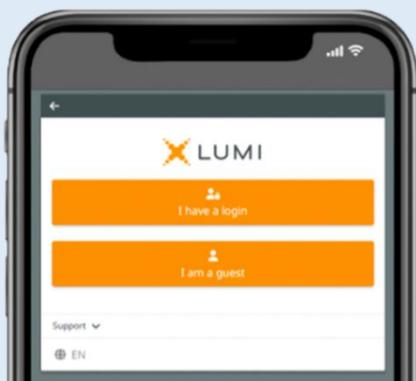

Non-registered shareholders who have not duly appointed and registered themselves as proxyholder will not be able to join the Meeting as shareholders.

If you are a non-registered shareholder and wish to attend and vote at the Meeting, you should carefully follow the instructions set out on your voting information form and in the notice of meeting and management information circular relating to the Meeting, in order to appoint yourself as your proxyholder, otherwise you will have no choice but to log in as a guest and you will be unable to vote and ask questions at the Meeting.
