INFORMATION CIRCULAR
as at May 21, 2021 *(except as otherwise indicated)*

This Information Circular is furnished in connection with the solicitation of proxies by the management of Mayfair Gold Corp. for use at the annual general meeting (the “Meeting”) of its shareholders (the “Shareholders”) to be held on Wednesday, June 30, 2021 at the time and place and for the purposes set forth in the accompanying notice of Meeting.

In this Information Circular, references to “the **Company**”, “we” and “our” refer to **Mayfair Gold Corp.** “**Common Shares**” means common shares in the capital of the Company. “**Beneficial Shareholders**” means shareholders who do not hold Common Shares in their own name and “**intermediaries**” refers to brokers, investment firms, clearing houses and similar entities that own securities on behalf of Beneficial Shareholders. “**Registered Shareholder**” means the person whose name appears on the central securities register maintained by or on behalf of the Company and who holds Common Shares in his or her own name.

GENERAL PROXY INFORMATION

Solicitation of Proxies

The solicitation of proxies will be primarily by mail, but proxies may be solicited personally or by telephone by directors, officers and regular employees of the Company. The Company will bear all costs of this solicitation. We have arranged for intermediaries to forward the meeting materials to beneficial owners of the Common Shares held of record by those intermediaries and we may reimburse the intermediaries for their reasonable fees and disbursements in that regard.

Appointment of Proxyholders

The individuals named in the accompanying form of proxy (the “**Proxy**”) are officers and/or directors of the Company. **If you are a Shareholder entitled to vote at the Meeting, you have the right to appoint a person or company other than either of the persons designated in the Proxy, who need not be a Shareholder, to attend and act for you and on your behalf at the Meeting. You may do so either by inserting the name of that other person in the blank space provided in the Proxy or by completing and delivering another suitable form of proxy.**

Voting by Proxyholder

The persons named in the Proxy will vote or withhold from voting the Common Shares represented thereby in accordance with your instructions on any ballot that may be called for. If you specify a choice with respect to any matter to be acted upon, your Common Shares will be voted accordingly. The Proxy confers discretionary authority on the persons named therein with respect to:

- (a) each matter or group of matters identified therein for which a choice is not specified, other than the appointment of an auditor and the election of directors,
- (b) any amendment to or variation of any matter identified therein, and
- (c) any other matter that properly comes before the Meeting.

In respect of a matter for which a choice is not specified in the Proxy, the persons named in the Proxy will vote the Common Shares represented by the Proxy for the approval of such matter.

Registered Shareholders

Registered Shareholders may wish to vote by proxy whether or not they are able to attend the Meeting in person. Registered Shareholders electing to submit a proxy may do so by choosing one of the following methods:

- (a) complete, date and sign the enclosed Proxy and return it to the Company's transfer agent, Computershare Investor Services Inc. ("**Computershare**"), by fax within North America at 1-866-249-7775, outside North America at (416) 263-9524, or by mail or by hand to the 8th Floor, 100 University Avenue, Toronto, Ontario, M5J 2Y1;
- (b) use a touch-tone phone to transmit voting choices to the toll-free number given in the Proxy. Registered Shareholders must follow the instructions of the voice response system and refer to the Proxy for the toll-free number, the holder's account number and the Proxy access number; or
- (c) log onto Computershare's website at www.investorvote.com. Registered Shareholders must follow the instructions provided on the website and refer to Proxy for the holder's account number and the Proxy access number.

In either case you must ensure the Proxy is received at least 48 hours (excluding Saturdays, Sundays and statutory holidays) before the Meeting or the adjournment thereof. Failure to complete or deposit the Proxy properly may result in its invalidation. The time limit for the deposit of proxies may be waived by the Company's board of directors (the "**Board**") at its discretion without notice. **Please note that in order to vote your Common Shares in person at the Meeting, you must attend the Meeting and register with the scrutineer before the Meeting. If you have already submitted a Proxy, but choose to change your method of voting and attend the Meeting to vote, then you should register with the scrutineer before the Meeting and inform them that your previously submitted Proxy is revoked and that you personally will vote your Common Shares at the Meeting.**

Beneficial Shareholders

The following information is of significant importance to Shareholders who do not hold Common Shares in their own name. Beneficial Shareholders should note the only proxies that can be recognized and acted upon at the Meeting are those deposited by Registered Shareholders (those whose names appear on the records of the Company as the registered holders of Common Shares) or as set out in the following disclosure.

If Common Shares are listed in an account statement provided to a Shareholder by a broker, then in almost all cases those Common Shares will not be registered in the Shareholder's name on the records of the Company. Such Common Shares will more likely be registered under the name of the Shareholder's broker or an agent of that broker. In Canada, the vast majority of such Common Shares are registered under the name of CDS & Co. (the registration name for The Canadian Depository for Securities Limited, which acts as nominee for many Canadian brokerage firms). In the United States of America (the "**U.S.**" or the "**United States**") the vast majority of such Common Shares are registered under the name of Cede & Co. as nominee for The Depository Trust Company (which acts as depository for many U.S. brokerage firms and custodian banks).

Intermediaries are required to seek voting instructions from Beneficial Shareholders in advance of shareholders' meetings. Every intermediary has its own mailing procedures and provides its own return instructions to clients.

There are two kinds of Beneficial Shareholders - those who object to their name being made known to the issuers of securities which they own (called "**OBOs**" for "*Objecting Beneficial Owners*") and those who do not object to the issuers of the securities they own knowing who they are (called "**NOBOs**" for "*Non-Objecting Beneficial Owners*").

These securityholder materials are sent to both registered and non-registered (beneficial) owners of the securities of the Company. If you are a non-registered owner, and the Company or its agent sent these materials directly to you, your name, address and information about your holdings of securities, were obtained in accordance with applicable securities regulatory requirements from the intermediary holding securities on your behalf.

Beneficial Shareholders who are OBOs should follow the instructions of their intermediary carefully to ensure that their Common Shares are voted at the Meeting.

The form of proxy supplied to you by your broker will be similar to the Proxy provided to Registered Shareholders by the Company. However, its purpose is limited to instructing the intermediary on how to vote on your behalf. Most brokers now delegate responsibility for obtaining instructions from clients to Broadridge Financial Solutions Inc. ("**Broadridge**") in Canada and in the United States. Broadridge mails a Voting Instruction Form ("**VIF**") in lieu of a proxy provided by the Company. The VIF will name the same persons as

the Company's Proxy to represent you at the Meeting. You have the right to appoint a person (who need not be a Beneficial Shareholder of the Company), different from the persons designated in the VIF, to represent your Common Shares at the Meeting, and that person may be you. To exercise this right, insert the name of your desired representative (which may be you) in the blank space provided in the VIF. Once you have completed and signed your VIF return it to Broadridge by mail or facsimile, or deliver your voting instructions to Broadridge by phone or via the internet, in accordance with Broadridge's instructions. Broadridge tabulates the results of all instructions received and provides appropriate instructions respecting the voting of Common Shares to be represented at the Meeting. **If you receive a VIF from Broadridge, it must be completed and returned to Broadridge, in accordance with Broadridge's instructions, well in advance of the Meeting in order to: (a) have your Common Shares voted at the Meeting as per your instructions; or (b) have an alternate representative chosen by you duly appointed to attend and vote your Common Shares at the Meeting.**

Notice to Shareholders in the United States

The solicitation of proxies involves securities of an issuer located in Canada and is being effected in accordance with the corporate laws of the Province of British Columbia, Canada and securities laws of the provinces of Canada. The proxy solicitation rules under the United States *Securities Exchange Act of 1934*, as amended, are not applicable to the Company or this solicitation, and this solicitation has been prepared in accordance with the disclosure requirements of the securities laws of the provinces of Canada. Shareholders should be aware that disclosure requirements under the securities laws of the provinces of Canada differ from the disclosure requirements under United States securities laws.

The enforcement by Shareholders of civil liabilities under United States federal securities laws may be affected adversely by the fact that the Company is incorporated under the *Business Corporations Act* (British Columbia) (the "BCBCA"), as amended, certain of its directors and its executive officers are residents of Canada and a substantial portion of its assets and the assets of such persons are located outside the United States. Shareholders may not be able to sue a foreign company or its officers or directors in a foreign court for violations of United States federal securities laws. It may be difficult to compel a foreign company and its officers and directors to subject themselves to a judgment by a United States court.

Revocation of Proxies

In addition to revocation in any other manner permitted by law, a Registered Shareholder who has given a Proxy may revoke it by:

1. executing a Proxy bearing a later date or by executing a valid notice of revocation, either of the foregoing to be executed by the Registered Shareholder or the Registered Shareholder's authorized attorney in writing, or, if the Shareholder is a corporation, under its corporate seal by an officer or duly authorized attorney, and by delivering the Proxy bearing a later date to Computershare or at the address of the registered office of the Company at 1500 Royal Centre, 1055 West Georgia Street, P.O. Box 11117, Vancouver, British Columbia, V6E 4N7, at any time up to and including the last business day that precedes the day of the Meeting or, if the Meeting is adjourned, the last business day that precedes any reconvening thereof, or to the chairman of the Meeting on the day of the Meeting or any reconvening thereof, or in any other manner provided by law, or

- (c) access to management and technical experts and consultants; and
- (d) information regarding a summary of significant corporate and securities responsibilities.

Board members are encouraged to communicate with management, auditors and technical consultants; to keep themselves current with industry trends and developments and changes in legislation with management's assistance; and to attend related industry seminars and visit the Company's operations. Board members have full access to the Company's records.

Ethical Business Conduct

The Board has found that the fiduciary duties placed on individual directors by the Company's governing corporate legislation and the common law and the restrictions placed by applicable corporate legislation on an individual director's participation in decisions of the Board in which the director has an interest have been sufficient to ensure that the Board operates independently of management and in the best interests of the Company.

Under the corporate legislation, a director is required to act honestly and in good faith with a view to the best interests of the Company and exercise the care, diligence and skill that a reasonably prudent person would exercise in comparable circumstances, and disclose to the Board the nature and extent of any interest of the director in any material contract or material transaction, whether made or proposed, if the director is a party to the contract or transaction, is a director or officer (or an individual acting in a similar capacity) of a party to the contract or transaction or has a material interest in a party to the contract or transaction. The director must then abstain from voting on the contract or transaction unless the contract or transaction (i) relates primarily to their remuneration as a director, officer, employee or agent of the Company or an affiliate of the Company, (ii) is for indemnity or insurance for the benefit of the director in connection with the Company, or (iii) is with an affiliate of the Company. If the director abstains from voting after disclosure of their interest, the directors approve the contract or transaction and the contract or transaction was reasonable and fair to the Company at the time it was entered into, the contract or transaction is not invalid and the director is not accountable to the Company for any profit realized from the contract or transaction. Otherwise, the director must have acted honestly and in good faith, the contract or transaction must have been reasonable and fair to the Company and the contract or transaction be approved by the shareholders by a special resolution after receiving full disclosure of its terms in order for the director to avoid such liability or the contract or transaction being invalid.

The Board requires that directors and executive officers who have an interest in a transaction or agreement with the Company promptly disclose that interest at any meeting of the Board at which the transaction or agreement will be discussed and abstain from discussions and voting in respect to same if the interest is material or if required to do so by corporate or securities law.

Nomination of Directors

The Company has established a corporate governance committee (the "**Corporate Governance Committee**"), comprised of three members: Sean Pi (Chair), Christopher Reynolds and Douglas Cater.

In fulfilling its oversight responsibilities for the nominations to the Board, the Corporate Governance Committee shall: (i) establish criteria for selecting new directors which shall reflect, among other facts, a candidate's integrity and business ethics, strength of character, judgment, experience and independence, as well as factors relating to the composition of the Board, including its size and structure, the relative strengths and experience of current Board members and principles of diversity; (ii) consider and recruit candidates to fill new positions

on the Board; (iii) review any candidate recommended by the shareholders of the Company; (iv) be responsible for conducting appropriate inquiries to establish a candidate's compliance with the independent and other qualification requirements established by the Corporate Governance Committee; (v) assess the contributions of current directors in connection with the annual recommendation of a slate of nominees and at that time review the criteria for Board candidates in the context of the evaluation process and other perceived needs of the Board; and (vi) recommend the director nominees for election by the shareholders.

A copy of the Corporate Governance Committee Charter is attached hereto as Schedule "B" to this Information Circular.

Compensation matters are currently determined by the Board upon the recommendation of the Compensation Committee. See "*Statement of Executive Compensation - Oversight and Description of Director and Named Executive Officer Compensation.*"

Other Board Committees

The Board has no other committees other than the Audit Committee, the Corporate Governance Committee, and the Compensation Committee.

Stock Options and Other Incentive Plans

10% Rolling Option Plan (Option-Based Awards)

The Company adopted a share option plan, dated for reference February 24, 2020 (the “**Option Plan**”), which was approved by Shareholders at the Company’s annual general meeting on November 10, 2020. Capitalized but undefined terms used below have the meaning ascribed to such terms in the Option Plan.

The Option Plan provides that the Board may, from time to time, in its discretion and in accordance with TSXV requirements, grant to Service Providers of the Company, non-assignable and non-transferable options to purchase Common Shares (the “**Options**”), provided that the total number of Common Shares reserved for issuance under the Option Plan at any point in time is no more than 10% of the outstanding Common Shares at the time such Common Shares are reserved for issuance as a result of the grant of an Option, less any Common Shares reserved for issuance under share options granted under Share Compensation Arrangements other than the Option Plan, unless the Option Plan is amended pursuant to the requirements of the TSXV Policies.

Additionally, pursuant to the Plan, the following restrictions on issuances of the Options are applicable:

- (a) no Service Provider can be granted a Option if that Option would result in the total number of Options, together with all other Share Compensation Arrangements granted to such Service Provider in the previous 12 months, exceeding 5% of the number of issued and outstanding Common Shares of the Company at the time of grant, unless the Company has obtained Disinterested Shareholder Approval to do so;
- (b) the aggregate number of Options granted to all Service Providers conducting Investor Relations Activities in any 12-month period cannot exceed 2% of the number of issued and outstanding Common Shares of the Company at the time of grant without the prior consent of the TSXV; and
- (c) the aggregate number of Options granted to any one Consultant in any 12-month period cannot exceed 2% of the number of issued and outstanding Common Shares of the Company at the time of grant without the prior consent of the TSXV.

The amount payable per Common Share on the exercise of an Option will be set by the Board at the time that such Option is granted under the Option Plan, and this amount cannot be less than the Discounted Market Price, as further described in the Option Plan. The Options will be exercisable for a maximum term of 10 years from the date of grant thereof by the Board. In the event an Option granted under the Option Plan expires unexercised or is terminated by reason of dismissal of the Optionee for cause or is otherwise lawfully cancelled prior to exercise the Option, the Common Shares that were issuable to a Service Provider upon the exercise of an Option will be returned to the Option Plan and will be eligible for re-issuance.

The Options are non-assignable and non-transferable. As such, they will be exercisable only by the Optionee to whom they are granted. If the Optionee has left their employ/office or has been advised by the Company that their services are no longer required or that their service contract has expired, such Optionee may exercise their Options until the term applicable to such Option expires, except as follows:

- (a) in the case of the death of an Optionee, any vested Options held by him/her at the date of death will become exercisable by the Optionee's lawful personal representatives, heirs or executors until the earlier of one year after the date of death of such Optionee and the date of expiration of the term otherwise applicable to such Options;
- (b) an Option granted to any Service Provider will expire 90 days (or such other time, not to exceed one year, as shall be determined by the Board as at the date of grant or agreed to by the Board and the Optionee at any time prior to the expiry of the Option) after the date the Optionee ceases to be employed by or provide services to the Company, and only to the extent that such Option was vested at the date the Optionee ceased to be so employed by or ceased to provide services to the Company; and
- (c) in the case of an Optionee being dismissed from employment or the provision of services are terminated for cause, such Optionee's Options, whether or not vested at the date of dismissal or termination, will immediately be cancelled without the right to exercise such Options.

A copy of the Option Plan is available under the Corporation's SEDAR profile at www.sedar.com.

Oversight and Description of Director and Named Executive Officer Compensation

The Company has established a compensation committee (the "**Compensation Committee**") which makes recommendations to the Board regarding compensation to be paid or awarded to its Named Executive Officers. In making its recommendations, the Compensation Committee considers the Company's size and stage of development, and ensures that compensation reflects to the need to provide incentive and compensation for the time and effort expended by the NEOs, while taking into account the financial and other resources of the Company, as well as increasing shareholder value. The Company is a public junior mineral exploration company without revenue and therefore certain compensation factors were considered and not included within the compensation structure and philosophy. Some of the factors not considered were target share ownership guidelines, pension plans, specific target weightings and percentage of compensation at risk.

The Company's executive compensation program consists of a combination of base salary and long-term incentives in the form of participation in the Option Plan. In making determinations regarding the various elements of executive compensation, the Company will seek to meet the following requirements:

- incentivize extraordinary performance from key personnel;
- attract, retain and motivate talented executives; and
- align the interests of Named Executive Officers with the interests of the Company's shareholders.

In determining compensation, the Company does not use a peer group.

The Company has not adopted a policy restricting its executive officers or directors from purchasing financial instruments that are designated to hedge or offset a decrease in market value of equity securities granted as compensation or held, directly or indirectly, by its executive officers or directors. To the knowledge of the Company, none of the executive officers or directors has purchased such financial instruments.

The Compensation Committee consists of three members: Harry Pokrandt (Chair), Christopher Reynolds and Douglas Cater. Each of the Compensation Committee members are considered independent pursuant to NI 52-

110. Each member of the Compensation Committee has business and other experience which is relevant to their position as a member of the Compensation Committee. By virtue of having differing professional backgrounds, business experience, knowledge of the Company's industry, knowledge of corporate governance practices and, where appropriate, service on compensation committees of other reporting issuers and experience interacting with external consultants and advisors, the members of the Compensation Committee are able to make decisions on the suitability of the Company's compensation policies and practices.

A copy of the Compensation Committee Charter is attached hereto as Schedule "C" to this Information Circular.

Pension Disclosure

The Company does not have a pension plan that provides for payments or benefits to the NEOs at, following, or in connection with retirement.
