**Re: Cordoba Minerals Corp. - Management Discussion & Analysis for the period ended
September 30, 2018 - Refiling**

The Management Discussion & Analysis ("MD&A") for the period ended September 30, 2018 is being refiled together with the CEO and CFO Forms 52-109F2R – *Certification of Refiled Interim Filings* in accordance with NI 52-109.

The MD&A is being refiled to revise disclosure on page 4 of the MD&A to reflect that Cordoba provided informal notification to Bell Copper of its intention to initiate the Phase 1 earn-in under the joint venture project on November 12, 2018.

Sincerely,

CORDOBA MINERALS CORP.
