CONSENT OF QUALIFIED PERSON

I, Tim Maunula, state that I am responsible for preparing the technical report titled “**National Instrument 43-101 Technical Report—Mineral Resource Update, Fenn-Gib Project, Ontario**” with a report date of: October 10, 2025, and with an effective date of September 3, 2024, as signed and certified by me (the “Technical Report”).

Furthermore, I state that:

- (a) I consent to the public filing of the Technical Report by Mayfair Gold Corp (Mayfair).
- (b) The document that the Technical Report supports is the press release titled “**Mayfair Gold Updates Fenn-Gib Open-Pit Mineral Resource and Initiates an Expanded Metallurgical Test Program**” (the “Document”) dated September 10, 2024.
- (c) I consent to the use of extracts from, or a summary of, the Technical Report in the Document disclosed by Mayfair.
- (d) I confirm that I am independent of the Issuer, having applied all the tests outlined in section 1.5 of NI43-101. I have read NI 43-101 and Form 43-101F1, as well as the sections of this Mayfair Gold Technical Report for which I am responsible, and I confirm that those sections fairly and accurately represent the information in the Technical Report in compliance with the instrument and form.

Dated at Chatham, Ontario this 10th of October 2025.
