**Re: Refiling Audited Annual Financial Statements**

**SEDAR Project Number 2589802**

On February 28, 2017 we filed our Audited Annual Financial Statements for the year ended October 31, 2016. The Independent Auditor's Report thereon incorrectly referenced the Company's year end date as being December 31, 2016 rather than October 31, 2016 and was missing the title Independent Auditor's Report. We have re-filed our Audited Annual Financial Statements on SEDAR to correct these typographical errors.
