THE COMPANY

Dividend Select 15 Corp. (the “**Company**”) is a mutual fund corporation incorporated under the laws of the Province of Ontario by certificate and articles of incorporation (the “**Articles**”) dated August 26, 2010, as amended effective October 27, 2010 and December 1, 2017. Quadravest Capital Management Inc. (“**Quadravest**”) is the manager and portfolio adviser for the Company. The principal office address of the Company is 200 Front Street West, Suite 2510, Toronto, Ontario, M5V 3K2.

Although the Company is considered to be a mutual fund under applicable securities legislation, it has been exempted from certain requirements of National Instrument 81-102 – *Investment Funds* (“**NI 81-102**”) and National Instrument 81-106 – *Investment Fund Continuous Disclosure*, each a policy statement or rule of the Canadian securities regulatory authorities governing public investment funds.

Investment Objectives and Strategy

The Company’s investment objectives are to provide holders of Equity Shares of the Company (“**Shareholders**”) with (i) monthly cash distributions, plus (ii) the opportunity for capital appreciation, through investment in the common shares of the Portfolio Companies (as defined below). There can be no assurance the Company’s investment objectives will be achieved.

The Company has been created to provide investors with an opportunity to invest in a portfolio (the “**Portfolio**”) of 15 Canadian companies (the “**Portfolio Companies**”) whose shares offer investors an above-average dividend yield, and which have shown solid earnings growth and have a history of capital appreciation. The Portfolio Companies will be selected from among 20 companies (the “**Portfolio Universe**”) listed on the TSX set out below:

Bank of Montreal	Great-West Lifeco Inc.	TC Energy Corporation
The Bank of Nova Scotia	Loblaw Companies Ltd.	TELUS Corporation
BCE Inc.	National Bank of Canada	Thomson Reuters Corporation
Canadian Imperial Bank of Commerce	Ovintiv Inc.	TMX Group Inc.
Cenovus Energy Inc.	Power Corporation of Canada	The Toronto-Dominion Bank
CI Financial Corp.	Royal Bank of Canada	TransAlta Corporation
Enbridge Inc.	Sun Life Financial Inc.	

The selection of the Portfolio Companies from among the Portfolio Universe will be made by Quadravest, based on its assessment from time to time as to which companies in the Portfolio Universe have the most stable dividends and attractive growth potential. The Portfolio will be actively managed by Quadravest. Initially, the investment in the Portfolio Companies was made on an approximately equally-weighted basis.

To supplement the dividends earned on the Portfolio and to reduce risk, the Company will from time to time write covered call options in respect of all or part of the Portfolio. The individual securities within the Portfolio which are subject to call options and the terms of such options will vary from time to time based on Quadravest’s assessment of the market. The Company’s call option writing program is actively managed by Quadravest taking into account current market conditions, current dividend yields and option premiums available from the companies in the Portfolio Universe.

In addition to writing covered call options, the Company may also write cash covered put options or purchase call options with the effect of closing out existing call options written by the Company and may also purchase put options in order to protect the Company from declines in the market prices of the common shares of the Portfolio Companies or other Portfolio securities that it holds. The Company may enter into trades to close out positions in such permitted derivatives. The Company may also use derivatives for hedging purposes as Quadravest determines appropriate from time to time. Such derivatives may include

exchange traded options, futures contracts or options on futures (subject to Quadravest obtaining any necessary registrations under the *Commodity Futures Act* (Ontario)), over-the-counter options and forward contracts.

The Company has no current intention of lending its portfolio securities, but is not precluded from doing so. If it chooses to lend its Portfolio securities, the Company will do so pursuant to the requirements in this regard set out in NI 81-102.

In addition to the restrictions and limitations on the Company's investing activities discussed under "*Investment Restrictions*" in the Current AIF, the Company will not invest in or hold (i) a share of, an interest in, or a debt of a non-resident entity, an interest in or a right or option to acquire such a share, interest or debt or an interest in a partnership which holds such a share, option or right, interest or debt that would cause the Company (or partnership) to include amounts in income under section 94.1 of the Tax Act, (ii) securities of a non-resident trust other than an "exempt foreign trust" as defined in subsection 94(1) of the Tax Act, or (iii) an interest in a trust that would require the Company to report income in connection with such interest pursuant to the rules in section 94.2 of the Tax Act.

Termination Date

The Company was initially scheduled to terminate on December 1, 2017. On October 25, 2017, the Shareholders voted at a special meeting to, among other things, eliminate the fixed termination date, and on December 1, 2017, articles of amendment were filed to effect this change and provide that the Company may terminate upon 60 days' written notice to Shareholders in the discretion of Quadravest if the Equity Shares are delisted on the TSX or if the Net Asset Value declines to less than \$5,000,000.

Fees and Expenses

The following table sets out the fees and expenses payable by the Company. The fees and expenses payable by the Company will reduce the value of an investment in the Company.

Operating Expenses of the Company:	In addition to the Management Fee referred to above, the Company will pay for all other expenses incurred in connection with the operation and administration of the Company, estimated to be approximately \$265,000 per annum, including harmonized sales tax (excluding all commissions and other costs of Portfolio transactions and expenses relating to the issue of

Equity Shares for which the Company is also responsible). These expenses are expected to include, without limitation, valuation and administration services fees; fees payable to the Company's custodian for acting as custodian of the assets of the Company and performing certain administrative services under the Custodian Agreement (as defined herein); fees payable to the Company's registrar and transfer agent with respect to the Equity Shares; fees payable to the auditor and legal advisors of the Company; fees payable to the independent directors of the Company and the Company's independent review committee ("IRC"); premiums for directors' and officers' insurance coverage for the directors and officers of the Company and the members of the IRC; costs and expenses of preparing financial and other reports; costs of reporting to Shareholders, including mailing and printing expenses for periodic reports to Shareholders; expenses related to compliance with National Instrument 81-107 – *Independent Review Committee for Investment Funds*; regulatory filing and stock exchange fees (including any such fees payable by QuadraVest in respect of the services it provides to the Company); costs and expenses arising as a result of complying with all applicable laws, regulations and policies including expenses and costs incurred in connection with continuous public filing requirements; fees payable to Clearing and Depository Services Inc. ("CDS"); any taxes payable by the Company to which the Company may be subject, including income taxes and sales taxes; extraordinary expenses that the Company may incur; all amounts paid on account of indebtedness of the Company; and expenditures incurred upon the dissolution of the Company. USE OF PROCEEDS

Unless otherwise specified in the Prospectus Supplement, the Company intends to use the net proceeds of the sale of Equity Shares for investment purposes as described under "*The Company – Investment Objectives and Strategy*" above.

DESCRIPTION OF THE SHARES OF THE COMPANY

Certain Provisions of the Equity Shares

Dividends and Distributions

The current distribution policy established by the Company effective September 15, 2014 is to pay regular monthly cash distributions on the last business day of each month (each a "**Dividend Record Date**") at a 10% annualized rate based on the volume weighted average market price of the Equity Shares over the last three trading days of the preceding month. The Company may amend its distribution policy from time to time based on the actual and expected dividends received by the Company on the Portfolio, actual and expected net premiums received from call options written on the securities in the Portfolio and the estimated expenses of the Company, among other factors. The amount of the monthly distributions may fluctuate from month

to month and there can be no assurance that the Company will make any distributions in any particular month or months.

Distributions declared by the board of directors of the Company (the “**Board of Directors**”) will be payable to Shareholders of record at 5:00 p.m. (Toronto time) on the applicable Dividend Record Date with payment being made within 15 days thereafter. Distributions paid on the Equity Shares may consist of ordinary dividends, capital gains dividends which are treated as realized capital gains, and non-taxable returns of capital.

Each Shareholder will be mailed annually, no later than February 28, information necessary to enable such Shareholder to complete an income tax return with respect to amounts paid or payable by the Company in respect of the preceding calendar year.

Regular monthly dividends were paid to Shareholders for each of the months during the Company’s last fiscal year ended November 30, 2023.

Rating

The Equity Shares have not been rated by any rating organization.

Payments on Termination

The Articles, as amended, provide that the Company has no fixed termination date and may terminate upon 60 days’ written notice to Shareholders in the discretion of QuadraVest if the Equity Shares are delisted on the TSX or if the Net Asset Value of the Company declines to less than \$5,000,000. On the date specified in any such notice (the “**Termination Date**”), all Equity Shares outstanding on the Termination Date will be redeemed by the Company on such date. Immediately prior to the Termination Date, the Company will, to the extent possible, convert the common shares of the Portfolio Companies or other assets of the Company to cash and pay or make provision for all of the Company’s liabilities and will return to the holder of Class B Shares its aggregate initial investment amount of \$20.00 (\$0.02 per Class B Share). The Company will thereafter distribute to Shareholders the remaining assets of the Company, if any, as soon as practicable after the Termination Date.

Retraction Privileges

Equity Shares may be retracted at the option of Shareholders on the last business day of each month (a “**Monthly Retraction Date**”). In order to effect such a retraction, the Equity Shares must be surrendered for retraction to Computershare Investor Services Inc. (“**Computershare**”), the Company’s registrar and transfer agent, by no later than 5:00 p.m. (Toronto time) on the date which is 20 business days prior to the Monthly Retraction Date. Payment of the retraction price will be made on or before the 15th day of the following month (the “**Retraction Payment Date**”), subject to the Company’s right to suspend retractions in certain circumstances. Shareholders surrendering an Equity Share for retraction, except in connection with the Annual Retraction Date (as defined below), will receive a retraction price per Equity Share equal to the lesser of (i) 95% of the weighted average trading price of the Equity Shares on the TSX (or on such other principal exchange or market on which the Equity Shares are quoted for trading as may from time to time be applicable) for the 10 business days immediately preceding the applicable Monthly Retraction Date, (ii) 100% of the closing market price of an Equity Share on the TSX on the applicable Monthly Retraction Date, and (iii) 95% of the Net Asset Value per Equity Share on the last business day of the month; less in each case any costs associated with the retraction including commissions and other such costs, if any, related to the liquidation of any portion of the Portfolio required to fund such retraction.

Equity Shares may also be retracted by the holder effective the last business day in March (the “**Annual Retraction Date**”) in each year. Equity Shares properly surrendered for retraction at least 20 business days prior to the Annual Retraction Date will be retracted on such Annual Retraction Date, and payment of the retraction price will be made on or before the Retraction Payment Date, subject to the Company’s right to

suspend retractions in certain circumstances. Shareholders retracting Equity Shares on an Annual Retraction Date will be entitled to receive a retraction price per Equity Share equal to the Net Asset Value per Equity Share on the Annual Retraction Date, less any costs associated with the retraction including commissions and other such costs, if any, related to the liquidation of any portion of the Portfolio required to fund such retraction. Any unpaid distribution payable on or before the Annual Retraction Date in respect of Equity Shares tendered for retraction on such Annual Retraction Date will also be paid on or before the Retraction Payment Date.

As disclosed below under “*Description of the Shares of the Company — Resale of Equity Shares Tendered for Retraction*”, if a holder of Equity Shares tendered for retraction has not withheld his, her or its consent thereto in the manner provided in the Retraction Notice (as defined herein) delivered to CDS through a participant in the CDS book-based system (a “**CDS Participant**”), the Company may, but is not obligated to, require the Recirculation Agent (as defined below) to use its best efforts to find purchasers for any Equity Shares tendered for retraction prior to the relevant Retraction Payment Date pursuant to the Recirculation Agreement (as defined herein). Holders of Equity Shares are free to withhold their consent to such treatment and to require the Company to retract their Equity Shares in accordance with their terms.

Subject to the Company’s right to require the Recirculation Agent to use its best efforts to find purchasers prior to the relevant Retraction Payment Date for any Equity Shares tendered for retraction, any and all Equity Shares which have been surrendered to the Company for retraction are deemed to be outstanding until (but not after) the close of business on the relevant Retraction Date, unless the applicable retraction price is not paid on the Retraction Payment Date, in which event such Equity Shares will remain outstanding.

The retraction right must be exercised by causing written notice to be given within the notice periods prescribed herein and in the manner described below under “*Description of the Shares of the Company – Book-Entry Only System*”. Such surrender will be irrevocable upon the delivery of notice to CDS through a CDS Participant, except with respect to those Equity Shares which are not retracted by the Company on the relevant Retraction Payment Date.

Quadravest may, without the approval of Shareholders, change the retraction rights attached to the Equity Shares on not less than 30 days’ notice to Shareholders by increasing the number of times in each year that Shares may be retracted by Shareholders (at a retraction price per Equity Share to be determined by Quadravest), provided that no such change may be made without Shareholder approval if it would eliminate the rights of Shareholders to retract their Equity Shares on a Monthly Redemption Date.

Resale of Equity Shares Tendered for Retraction

The Company has entered into an agreement dated October 27, 2010 (the “**Recirculation Agreement**”) with Scotia Capital Inc. (the “**Recirculation Agent**”) and Computershare whereby the Recirculation Agent has agreed to use commercially reasonable efforts to find purchasers for any Equity Shares tendered for retraction prior to the relevant Retraction Payment Date, provided that the holder of the Equity Shares so tendered has not withheld consent thereto. The Company is not obligated to require the Recirculation Agent to seek such purchasers but may elect to do so. In the event that a purchaser for such Equity Shares is found in this manner, the Retraction Notice shall be deemed to have been withdrawn prior to the relevant Retraction Date and the Equity Shares shall remain outstanding. The amount to be paid to the holder of the Equity Shares on the relevant Retraction Payment Date will be an amount equal to the proceeds of the sale of the Equity Shares less any applicable commission. Such amount will not be less than the applicable retraction price.

Suspension of Retractions

The Company may suspend the retraction of Equity Shares or payment of retraction proceeds during any period when normal trading is suspended on any stock exchange on which the shares of the Portfolio Companies are listed and traded, if those shares represent more than 50% by value of the total assets of the

Company without allowance for liabilities and provided such shares are not traded on any other stock exchange which represents a reasonably practical alternative for the Company, or otherwise with the consent of the securities regulatory authorities. The suspension may apply to all requests for retraction received prior to the suspension but as to which payment has not been made, as well as to all requests received while the suspension is in effect. All Shareholders making such requests shall be advised by the Company of the suspension and that the retraction will be effected at a price determined on the first Valuation Date following the termination of the suspension. All such Shareholders shall have and shall be advised that they have the right to withdraw their requests for retraction. The suspension shall terminate in any event on the first day on which the condition giving rise to the suspension has ceased to exist provided that no other condition under which a suspension is authorized then exists. To the extent not inconsistent with official rules and regulations promulgated by any government body having jurisdiction over the Company, any declaration of suspension made by the Company shall be conclusive.

2017 Special Retraction Right

In conjunction with the elimination of the Company's fixed termination date, Shareholders were provided with a special retraction right which allowed them to tender Equity Shares and receive a retraction price based on the November 30, 2017 net asset value per Equity Share (the "**2017 Special Retraction Right**"). A total of 102,100 Equity Shares were retracted pursuant to the 2017 Special Retraction Right.

Redemptions of Equity Shares

The Equity Shares will be redeemed by the Company on or about its Termination Date (as defined herein) for a redemption price equal to the Net Asset Value per Equity Share. See "*Description of the Shares of the Company – Certain Provisions of the Equity Shares – Payments on Termination*".

Book-Entry Only System

Registration of interests in and transfers of the Equity Shares will be made only through a book-based system administered by CDS (the "**book-entry only system**"). On closing of an offering of Equity Shares, the Company will direct that the Equity Shares subscribed for under such offering be electronically deposited with CDS. Equity Shares must be purchased, transferred and surrendered for retraction or redemption through a CDS Participant. All rights of a beneficial owner of Equity Shares must be exercised through, and all payments or other property to which such beneficial owner is entitled will be made or delivered by, CDS or the CDS Participant through which the beneficial owner holds such Equity Shares. Upon purchase of any Equity Shares, the beneficial owner will receive only the customary confirmation. References in this Prospectus to a holder of Equity Shares means, unless the context otherwise requires, the beneficial owner of the beneficial interest in such shares.

The ability of a beneficial owner of Equity Shares to pledge such shares or otherwise take action with respect to such owner's interest in such shares (other than through a CDS Participant) may be limited due to the lack of a physical certificate.

A beneficial owner of Equity Shares who desires to exercise its retraction privileges thereunder must do so by causing a CDS Participant to deliver to CDS (at its office in the City of Toronto) on behalf of the beneficial owner a written notice of the owner's intention to retract Equity Shares, no later than 5:00 p.m. (local time in Toronto, Ontario) on the relevant notice date. A beneficial owner who desires to retract Equity Shares should ensure that the CDS Participant is provided with notice (the "**Retraction Notice**") of his, her or its intention to exercise its retraction privilege sufficiently in advance of the relevant notice date so as to permit the CDS Participant to deliver notice to CDS by the required time. The Retraction Notice will be available from a CDS Participant or Computershare, the Company's transfer agent and registrar. Any expense associated with the preparation and delivery of Retraction Notices will be for the account of the beneficial owner exercising the retraction privilege.

By causing a CDS Participant to deliver to CDS a notice of the beneficial owner's intention to retract Equity Shares, a beneficial owner shall be deemed to have irrevocably surrendered its Equity Shares for retraction and appointed such CDS Participant to act as its exclusive settlement agent with respect to the exercise of the retraction privilege and the receipt of payment in connection with the settlement of obligations arising from such exercise.

Any Retraction Notice which CDS determines to be incomplete, not in proper form or not duly executed shall for all purposes be void and of no effect, and the retraction privilege to which it relates shall be considered for all purposes not to have been exercised thereby. A failure by a CDS Participant to exercise retraction privileges or to give effect to the settlement thereof in accordance with the beneficial owner's instructions will not give rise to any obligations or liability on the part of the Company to the CDS Participant or the beneficial owner.

The Company has the option to terminate registration of the Equity Shares through the book-entry only system, in which case certificates for Equity Shares in fully registered form would be issued to beneficial owners of such shares, or their nominees.

Meetings of Shareholders

Except as required by law or set out below, Shareholders will not be entitled to receive notice of, to attend or to vote at any meeting of shareholders of the Company.

Each Equity Share will have one vote at such a meeting. Ten percent of the outstanding Equity Shares represented in person or by proxy at the meeting will constitute a quorum. If no quorum is present, the Shareholders then present will constitute a quorum at an adjourned meeting.
