INFORMATION CIRCULAR

as at April 13, 2022

This Information Circular is furnished in connection with the solicitation of proxies by the management of Starr Peak Mining Ltd. (the “Corporation”) for use at the annual general and special meeting (the “Meeting”) of its shareholders to be held on May 18, 2022 at the time and place and for the purposes set forth in the accompanying notice of the Meeting.

In this Information Circular, references to the “Corporation”, “we” and “our” refer to Starr Peak Mining Ltd. “Common Shares” means common shares without par value in the capital of the Corporation. “Beneficial Shareholders” means shareholders who do not hold Common Shares in their own name and “intermediaries” refers to brokers, investment firms, clearing houses and similar entities that own securities on behalf of Beneficial Shareholders.

GENERAL PROXY INFORMATION

Solicitation of Proxies

The solicitation of proxies will be primarily by mail, but proxies may be solicited personally or by telephone by directors, officers and regular employees of the Corporation. The Corporation will bear all costs of this solicitation. We have arranged for intermediaries to forward the meeting materials to beneficial owners of the Common Shares held of record by those intermediaries and we may reimburse the intermediaries for their reasonable fees and disbursements in that regard.

Appointment of Proxyholders

The individuals named in the accompanying form of proxy (the “Proxy”) are officers of the Corporation. If you are a shareholder entitled to vote at the Meeting, you have the right to appoint a person or Corporation other than either of the persons designated in the Proxy, who need not be a shareholder, to attend and act for you and on your behalf at the Meeting. You may do so either by inserting the name of that other person in the blank space provided in the Proxy or by completing and delivering another suitable form of proxy.

Voting by Proxyholder

The persons named in the Proxy will vote or withhold from voting the Common Shares represented thereby in accordance with your instructions on any ballot that may be called for. If you specify a choice with respect to any matter to be acted upon, your Common Shares will be voted accordingly. The Proxy confers discretionary authority on the persons named therein with respect to:

- (i) each matter or group of matters identified therein for which a choice is not specified,
- (ii) any amendment to or variation of any matter identified therein, and
- (iii) any other matter that properly comes before the Meeting.

In respect of a matter for which a choice is not specified in the Proxy, the persons named in the Proxy will vote the Common Shares represented by the Proxy for the approval of such matter. Management is not currently aware of any other matter that could come before the Meeting.

Registered Shareholders

Registered Shareholders may wish to vote by proxy whether or not they are able to attend the Meeting in person. Registered Shareholders electing to submit a proxy may do so by:

- (i) completing, dating and signing the enclosed form of proxy and returning it to the Corporation's transfer agent, Odyssey Trust Company ("Odyssey") by mail or hand delivery at Odyssey Trust Company, 1230 - 300 5th Avenue SW, Calgary AB, T2P 3C4;
- (ii) using a touch-tone phone to transmit voting choices to the toll free number given in the proxy. Registered Shareholders who choose this option must follow the instructions of the voice response system and refer to the enclosed proxy form for the toll free number, the holder's account number and the proxy access number; or
- (iii) using the internet through the website of Odyssey at <https://login.odysseytrust.com/pxlogin>. Registered Shareholders who choose this option must follow the instructions that appear on the screen and refer to the enclosed proxy form for the holder's account number and the proxy access number;

in all cases ensuring that the proxy is received at least 48 hours (excluding Saturdays, Sundays and holidays) before the Meeting or the adjournment thereof at which the proxy is to be used.

Beneficial Shareholders

The following information is of significant importance to shareholders who do not hold Common Shares in their own name. Beneficial Shareholders should note that the only proxies that can be recognized and acted upon at the Meeting are those deposited by registered shareholders (those whose names appear on the records of the Corporation as the registered holders of Common Shares).

If Common Shares are listed in an account statement provided to a shareholder by a broker, then in almost all cases those Common Shares will not be registered in the shareholder's name on the records of the Corporation. Such Common Shares will more likely be registered under the names of the shareholder's broker or an agent of that broker. In the United States, the vast majority of such Common Shares are registered under the name of Cede & Co. as nominee for The Depository Trust Company (which acts as depository for many U.S. brokerage firms and custodian banks), and in Canada, under the name of CDS & Co. (the registration name for The Canadian Depository for Securities Limited, which acts as nominee for many Canadian brokerage firms).

Intermediaries are required to seek voting instructions from Beneficial Shareholders in advance of shareholders' meetings. Every intermediary has its own mailing procedures and provides its own return instructions to clients.

If you are a Beneficial Shareholder:

You should carefully follow the instructions of your broker or intermediary in order to ensure that your Common Shares are voted at the Meeting.

The form of proxy supplied to you by your broker will be similar to the Proxy provided to registered shareholders by the Corporation. However, its purpose is limited to instructing the intermediary on how to vote on your behalf. Most brokers now delegate responsibility for obtaining instructions from clients to Broadridge Financial Solutions, Inc. ("**Broadridge**") in the United States and in Canada. Broadridge mails a voting instruction form in lieu of a Proxy provided by the Corporation. The voting instruction form will name the same persons as the Corporation's Proxy to represent you at the Meeting. You have the right to appoint a person (who need not be a shareholder of the Corporation), other than the persons designated in the voting instruction form, to represent you at the Meeting. To exercise this right, you should insert the name of the desired representative in the blank space provided in the voting instruction form. The completed voting instruction form must then be returned to Broadridge by mail or facsimile or given to Broadridge by phone or

over the internet, in accordance with Broadridge's instructions. Broadridge then tabulates the results of all instructions received and provides appropriate instructions respecting the voting of Common Shares to be represented at the Meeting. **If you receive a voting instruction form from Broadridge, you cannot use it to vote Common Shares directly at the Meeting - the voting instruction form must be completed and returned to Broadridge, in accordance with its instructions, well in advance of the Meeting in order to have the Common Shares voted.**

Although as a Beneficial Shareholder you may not be recognized directly at the Meeting for the purposes of voting Common Shares registered in the name of your broker, you, or a person designated by you, may attend at the Meeting as proxyholder for your broker and vote your Common Shares in that capacity. If you wish to attend at the Meeting and indirectly vote your Common Shares as proxyholder for your broker, or have a person designated by you do so, you should enter your own name, or the name of the person you wish to designate, in the blank space on the voting instruction form provided to you and return the same to your broker in accordance with the instructions provided by such broker, well in advance of the Meeting.

Alternatively, you can request in writing that your broker send you a legal proxy which would enable you, or a person designated by you, to attend at the Meeting and vote your Common Shares.

Revocation of Proxies

In addition to revocation in any other manner permitted by law, a shareholder who has given a proxy may revoke it by:

- (i) executing a proxy bearing a later date or by executing a valid notice of revocation, either of the foregoing to be executed by the registered shareholder or the registered shareholder's authorized attorney in writing, or, if the shareholder is a corporation, under its corporate seal by an officer or attorney duly authorized, and by delivering the proxy bearing a later date to **Odyssey or at the Corporation's office, Suite 300, 1055 W. Hastings Street, Vancouver, BC, V6E 2E9**, at any time up to and including the last business day that precedes the day of the Meeting or, if the Meeting is adjourned, the last business day that precedes any reconvening thereof, or to the chairman of the Meeting on the day of the Meeting or any reconvening thereof, or in any other manner provided by law, or
- (ii) personally attending the Meeting and voting the registered shareholder's Common Shares.

A revocation of a proxy will not affect a matter on which a vote is taken before the revocation.

INTEREST OF CERTAIN PERSONS OR COMPANIES IN MATTERS TO BE ACTED UPON

No director or executive officer of the Corporation, or any person who has held such a position since the beginning of the last completed financial year of the Corporation, nor any nominee for election as a director of the Corporation, nor any associate or affiliate of the foregoing persons, has any substantial or material interest, direct or indirect, by way of beneficial ownership of securities or otherwise, in any matter to be acted on at the Meeting other than the election of directors.

RECORD DATE AND QUORUM

The board of directors (the "**Board**") of the Corporation have fixed the record date for the Meeting at the close of business on April 13, 2022 (the "**Record Date**"). Shareholders of the Corporation of record as at the Record Date are entitled to receive notice of the Meeting and to vote those shares included in the list of shareholders entitled to vote at the Meeting prepared as at the Record Date, except to the extent that any such shareholder transfers any shares after the Record Date and the transferee of those shares establishes that the transferee owns the shares and demands, not less than ten days before the Meeting, that the transferee's name be included in the list of shareholders entitled to vote at the Meeting, in which case such transferee shall be entitled to vote such shares at the Meeting.

Under the Corporation's current Articles the quorum for the transaction of business at the Meeting consists of two shareholders, or one or more proxyholder representing two members, or one member and a proxyholder representing another member.

The Corporation is seeking the approval of a new Stock Option Plan (the "Stock Option Plan"). The number of Common Shares reserved for issuance pursuant to the exercise of stock options under the Stock Option Plan, together with any other Security Based Compensation Plan, is equal to 10% of the number of issued and outstanding Common Shares of the Corporation at any given time on a "rolling" basis (the "Stock Option Plan"). The Company has no other Security Based Compensation Plan other than Stock Option Plan.

The Stock Option Plan was established to provide incentive to employees, directors, officers, management companies employees and consultants who provide services to the Corporation. The intention of management in proposing the Stock Option plans was and is to increase the proprietary interest of such persons in the Corporation and thereby aid the Corporation in attracting, retaining and encouraging the continued involvement of such persons with the Corporation. The plan is administered by the Corporation's board who has the authority to grant options to directors, officers, employees and consultants. At the time an option is granted, the board will determine the terms of the option, including the exercise price and any vesting provisions, providing the same are in accordance with the TSXV policies.

Employment, consulting and management agreements

Except as described below, the Corporation does not have any contracts, agreements, plans or arrangements that provides for payments to a director or NEO at, following or in connection with any termination (whether voluntary, involuntary or constructive), resignation, retirement, a change in control of the Corporation or a change in an NEO's responsibilities:

Oversight and Description of Director and Named Executive Officer Compensation

The Board of Directors considers and determines all compensation matters for the NEO's and directors. The objective of the Corporation's compensation arrangements is to compensate the executive officers for their

services to the Corporation at a level that is both in line with the Corporation’s fiscal resources and competitive with companies at a similar stage of development.

The Corporation compensates its executive officers based on their skill, qualifications, experience level, level of responsibility involved in their position, the existing stage of development of the Corporation, the Corporation’s resources, industry practice and regulatory guidelines regarding executive compensation levels.

At this time, the Corporation does not have a formal compensation program with specific performance goals or similar conditions.

Executive compensation is based upon the need to provide a compensation package that will allow the Corporation to attract and retain qualified and experienced executives, balanced with a pay-for-performance philosophy. The stock option plan will continue to be used to provide share-purchase options to executives. The share-purchase options are granted in consideration of the level of responsibility of the executive as well as his or her impact to the longer-term operating performance of the Corporation. In determining the number of options to be granted to the executive officers, the Board takes into account the number of options, if any, previously granted to each executive officer and the exercise price of any outstanding options to ensure that such grants are in accordance with the policies of the TSX Venture Exchange, and closely align the interests of the executive officers with the interests of the Corporation’s shareholders.

Pension Disclosure

The Corporation does not have any pension or retirement plan which is applicable to the NEOs or directors. The Corporation has not provided compensation, monetary or otherwise, to any person who now or previously has acted as an NEO of the Corporation, in connection with or related to the retirement, termination or resignation of such person, and the Corporation has provided no compensation to any such person as a result of a change of control of the Corporation.

STATEMENT OF CORPORATE GOVERNANCE

Corporate Governance

Corporate governance relates to the activities of the Board of Directors (the “**Board**”), the members of which are elected by and are accountable to the shareholders, and takes into account the role of the individual members of management who are appointed by the Board and who are charged with the day-to-day management of the Corporation. National Policy 58-201 *Corporate Governance Guidelines* establishes corporate governance guidelines which apply to all public companies. These guidelines are not intended to be prescriptive but to be used by issuers in developing their own corporate governance practices. The Board is committed to sound corporate governance practices, which are both in the interest of its shareholders and contribute to effective and efficient decision making.

Pursuant to National Instrument 58-101 *Disclosure of Corporate Governance Practices* (“**NI 58-101**”), the Corporation is required to disclose its corporate governance practices, as summarized below. The Board of Directors will continue to monitor such practices on an ongoing basis and, when necessary, implement such additional practices as it deems appropriate.

Board of Directors

Directors are considered to be independent if they have no direct or indirect material relationship with the Corporation. A “material relationship” is a relationship which could, in the view of the Corporation’s board of directors, be reasonably expected to interfere with the exercise of a director’s independent judgment.

The Corporation’s Board facilitates its exercise of independent judgement in carrying out its responsibilities by carefully examining issues and consulting with outside counsel and other advisors in appropriate circumstances. The Corporation’s Board requires management to provide complete and accurate information with respect to the Corporation’s activities and to provide relevant information concerning the industry in which the Corporation operates in order to identify and manage risks. The Corporation’s Board is responsible

for monitoring the Corporation's officers, who in turn are responsible for the maintenance of internal controls and management information systems.

Currently, the Corporation's board has two independent members, being Ronald Bourgeois and Reagan Glazier. The non-independent members are Johnathan More and Cyrus Driver.

Directorships

The following table sets forth the directors of the Corporation who currently hold directorships in other reporting issuers:

Name of Director	Other Issuer
Johnathan More	Power Metals Corp. Superior Mining International Corporation
Cyrus Driver	Cobra Venture Corporation Noram Ventures Inc. Norra Metals Corp. Power Metals Corp. Serrano Resources Ltd. Superior Mining International Corporation Tesoro Minerals Corp. Wangton Capital Corp.
Reagan Glazier	Freegold Ventures Limited

Orientation and Continuing Education

Each new director is given an outline of the nature of the Corporation's business, its corporate strategy and current issues within the Corporation. New directors are also required to meet with management of the Corporation to discuss and better understand the Corporation's business and are given the opportunity to meet with counsel to the Corporation to discuss their legal obligations as director of the Corporation.

In addition, management of the Corporation takes steps to ensure that its directors and officers are continually updated as to the latest corporate and securities policies which may affect the directors, officers and committee members of the Corporation as a whole. The Corporation continually reviews the latest securities rules and policies and is on the mailing list of the TSX Venture Exchange (the "TSXV") to receive updates to any of those policies. Any such changes or new requirements are then brought to the attention of the Corporation's directors either by way of director or committee meetings or by direct communications from management to the directors.

Ethical Business Conduct

The Corporation's Board has found that the fiduciary duties placed on individual directors by the Corporation's governing corporate legislation and the common law and the restrictions placed by applicable corporate legislation on an individual directors' participation in decisions of the board in which the director has an interest have been sufficient to ensure that the board operates independently of management and in the best interests of the Corporation. Further, the Corporation's auditor has full and unrestricted access to the Audit Committee at all times to discuss the audit of the Corporation's financial statements and any related findings as to the integrity of the financial reporting process.

Nomination of Directors

The Corporation's Board considers its size each year when it considers the number of directors to recommend to the shareholders for election at the annual meeting of shareholders, taking into account the number required to carry out the Board's duties effectively and to maintain a diversity of views and experience.

The Corporation's Board does not have a nominating committee, and these functions are currently performed by the Corporation's Board as a whole. However, if there is a change in the number of directors required by the Corporation, this policy will be reviewed.

Compensation

To determine compensation payable, the independent Directors review compensation paid for directors, officers and senior management of companies of similar size and stage of development in the junior mining and exploration industry and determines an appropriate compensation reflecting the need to provide incentive and compensation for the time and effort expended by the Directors and senior management while taking into account the financial and other resources of the Corporation. In setting the compensation the independent Directors annually review the performance of the officers, and senior management in light of the Corporation's objectives and consider other factors that may have impacted the success of the Corporation in achieving its objectives.

Other Board Committees

The Board has no other committees other than the Audit Committee and Disclosure Committee.

Assessments

The Corporation's Board monitors the adequacy of information given to directors, communication between the Board and management and the strategic direction and processes of the Board and committees.

Diversity on the Board of Directors and among Executive Officers

The Corporation does not currently have a formal diversity policy in place regarding gender representation on the Board or in executive officer positions. The Corporation believes in retaining the most qualified candidate for any position irrespective of gender, and recruitment efforts will continue to be governed by the principles set forth below.

The Company does not discriminate on the basis of race, national or ethnic origin, colour, religion, sex, age or mental or physical disability, or any other prohibited grounds of discrimination set forth in applicable federal or provincial law or guidelines. Directors, officers, contractors, consultants and employees are retained on the basis of their background, skills, relevant experience, education and potential to contribute to the success of the Company. In addition, candidates for Board membership are evaluated based upon their independence, qualifications to act as directors and other qualities which the board as a whole feels are appropriate to assist it in operating in an effective manner, with due regard for the benefits of diversity. Taken together, these diverse skills and backgrounds help to create a business environment that encourages a range of perspectives and fosters excellence in corporate governance, including the creation of shareholder value. Candidates for Board membership who are selected for nomination by the Board (or any committee of the Board established for such purpose from time to time) based on the foregoing criteria will be presented to shareholders for consideration without discrimination

Options that have been cancelled or that have expired without being exercised in full shall continue to be issuable under the Plan. Subject to the provisions of section 6.5, Options that have been exercised will reduce the total number of Options available to be granted hereunder.

3.3 *TERM OF OPTION*

Subject to section 3.5, the Expiry Date of an Option shall be the date so fixed by the Board at the time the particular Option is awarded, provided that such date shall not be later than the tenth anniversary of the Award Date of the Option, or such other maximum amount of time as may be allowable under the policies of the Exchange.

(b) *Ceasing to Hold Office*

Unless otherwise determined by the Board of Directors in writing, in the event that the Option Holder holds his or her Option as Director and such Option Holder ceases to be a Director of the Company other than by reason of death, the Expiry Date of the Option shall be the 90th day following the date the Option Holder ceases to be a Director of the Company unless the Option Holder continues to be engaged by the Company as an Employee or Consultant, in which case the Expiry Date shall remain unchanged. However, if the Option Holder ceases to be a Director of the Company as a result of:

- (i) ceasing to meet the qualifications set forth in s.114 of the *Business Corporations Act* (British Columbia); or
- (ii) a special resolution having been passed by the members of the Company pursuant to subsection 130(3) of the *Business Corporation Act* (British Columbia),

Notwithstanding the paragraph (c) immediately above, and unless otherwise determined by the Board of Directors in writing, in the event that the Option Holder holds his or her Option as an Employee or Consultant of the Company who provides Investor Relations Activities on behalf of the Company, and such Option Holder ceases to be an Employee or Consultant of the Company other than by reason of death, the Expiry Date shall be the date the Option Holder ceases to be an Employee or Consultant of the Company.

3.6 *EXERCISE PRICE*

The Exercise Price shall be that price per Share, as determined by the Board in its sole discretion, and announced as of the Award Date, at which an Option Holder may purchase a Share upon the exercise of an Option, provided that it shall not be less than the closing price of the Company's Shares traded through the facilities of the Exchange (or, if the Shares are no longer listed for trading on the Exchange, then such other exchange or quotation system on which the Shares are listed or quoted for trading) on the day preceding the Award Date, less any discount permitted by the Exchange, or such other price as may be required or permitted by the Exchange.

3.7 *ASSIGNMENT OF OPTIONS*

Options may not be assigned or transferred, and all Option Certificates will be so legended, provided however that the Personal Representatives of an Option Holder may, to the extent permitted by section 4.1, exercise the Option within the Exercise Period.

3.8 *PAYROLL WITHHOLDING*

If the Company is required under the *Income Tax Act (Canada)* or any other applicable law to make source deductions in respect of employee stock option benefits and to remit to the applicable governmental authority an amount on account of tax on the value of the taxable benefit associated with the issuance of Common Shares on exercise of Options, then the Option Holder shall:

- (a) pay to the Company, in addition to the exercise price for the Options, sufficient cash as is reasonably determined by the Company to be the amount necessary to permit the required tax remittance;
- (b) authorize the Company, on behalf of the Option Holder, to sell in the market on such terms and at such time or times as the Company determines a portion of the Common Shares being issued upon exercise of the Options to realize cash proceeds to be used to satisfy the required tax remittance; or
- (c) make other arrangements acceptable to the Company to fund the required tax remittance.

3.9 *ADJUSTMENTS*

If prior to the complete exercise of any Option, the Shares are consolidated, subdivided, converted, exchanged or reclassified or in any way substituted for (collectively the “Event”), the Option, to the extent that it has not been exercised, shall be adjusted by the Board in accordance with such Event in the manner the Board deems appropriate. No fractional Shares shall be issued upon the exercise of the Options and accordingly, if as a result of the Event an Option Holder would become entitled to a fractional share, such Option Holder shall have the right to purchase only the next lowest whole number of shares and no payment or other adjustment will be made with respect to the fractional interest so disregarded. Additionally, no lots of Shares in an amount less than 500 Shares shall be issued upon the exercise of the Options unless such amount of Shares represents the balance left to be exercised under the Options. Notwithstanding the above, any adjustments other than in connection with share consolidation or share subdivision, to any Options granted under this Plan, together with any other Security Based Compensation Plan, is subject to the prior acceptance of the Exchange including any adjustments related to an amalgamation, merger, arrangement, reorganization, spin-off, dividend or recapitalization.

3.10 *EXERCISE RESTRICTIONS*

The Board may, at the time an Option is awarded or upon renegotiation of the same, attach restrictions relating to the exercise of the Option, including vesting provisions. Any such restrictions shall be recorded on the applicable Option Certificate.

Notwithstanding the above, Options issued to all persons performing Investor Relations Activities must vest in stages over at least twelve months with not more than one-quarter of the Options vesting in any three month period.

3.11 *REPRESENTATIONS*

For Options granted to Employees, Consultants or Management Company Employees, the Company will represent that the Option Holder is a bona fide Employee, Consultant or Management Company Employee, as the case may be.

ARTICLE IV EXERCISE OF OPTION

4.1 *EXERCISE OF OPTION*

An Option may be exercised only by the Option Holder or his Personal Representative. An Option Holder or his Personal Representative may exercise an Option in whole or in part, subject to any applicable exercise restrictions, at any time or from time to time during the Exercise Period up to 5:00 p.m. (Vancouver time) on the Expiry Date by delivering to the Administrator an Exercise Notice, the applicable Option Certificate and a certified cheque or bank draft payable to the Company in an amount equal to the aggregate Exercise Price of the Shares to be purchased pursuant to the exercise of the Option.

4.2 *ISSUE OF SHARE CERTIFICATES*

As soon as practicable following the receipt of the Exercise Notice, the Administrator shall cause to be delivered to the Option Holder a certificate for the Shares so purchased. If the number of Shares so purchased is less than the number of Shares subject to the Option Certificate surrendered, the Administrator shall forward a new Option Certificate to the Option Holder concurrently with delivery of the aforesaid share certificate for the balance of the Shares available under the Option.

4.3 *CONDITION OF ISSUE*

The issue of Shares by the Company pursuant to the exercise of an Option is subject to this Plan and compliance with the laws, rules and regulations of all regulatory bodies applicable to the issuance and distribution of such Shares and to the listing requirements of any stock exchange or exchanges on which the Shares may be listed. The Option Holder agrees to comply with all such laws, rules and regulations and agrees to furnish to the Company any information, report and/or undertakings required to comply with and to fully cooperate with the Company in complying with such laws, rules and regulations.

4.4 *MONITORING OF TRADES*

An Option Holder who performs Investor Relations Activities shall provide written notice to the Board of each of his trades of securities of the Company, within five business days of each trade.

ARTICLE V ADMINISTRATION

5.1 *ADMINISTRATION*

The Plan shall be administered by the Board, or an Administrator on the instructions of the Board or such committee of the Board formed in respect of matters relating to the Plan. The Board or such committee may make, amend and repeal at any time and from time to time such regulations not inconsistent with this Plan as it may deem necessary or advisable for the proper administration and operation of this Plan and such regulations shall form part of this Plan. The Board may delegate to the Administrator or any Director, Employee or officer of the Company such administrative duties and powers as it may see fit.

5.2 *INTERPRETATION*

The interpretation by the Board or its authorized committee of any of the provisions of this Plan and any determination by it pursuant thereto shall be final and conclusive and shall not be subject to any dispute by any Option Holder. No member of the Board or any person acting pursuant to authority delegated by the Board hereunder shall be liable for any action or determination in connection with this Plan made or taken in good faith and each member of the Board and each such person shall be entitled to

indemnification with respect to any such action or determination in the manner provided for by the Company.

Prior to its implementation by the Company, this Plan is subject to the receipt of approval by the shareholders of the Company at a general meeting and approval of the Exchange.

6.2 PROSPECTIVE AMENDMENT

Subject to applicable regulatory approval, including TSXV approval, and shareholder approval, where applicable, the Board may from time to time amend this Plan and the terms and conditions of any Option thereafter to be awarded and, without limiting the generality of the foregoing, may make such amendments for the purpose of meeting any changes in any relevant law, Exchange policy, rule or regulation applicable to this Plan, any Option or the Shares, or for any other purpose which may be permitted by all relevant laws, rules and regulations, provided always that any such amendment shall not alter the terms or conditions of any Option or impair any right of any Option Holder pursuant to any Option awarded prior to such amendment.
