INFORMATION CIRCULAR

as at February 5, 2026 *(except as otherwise indicated)*

This Information Circular is furnished in connection with the solicitation of proxies by the management of Cantex Mine Development Corp. (the “Corporation”) for use at the annual meeting (the “Meeting”) of its shareholders to be held on March 17, 2026 at the time and place and for the purposes set forth in the accompanying Notice of the Meeting.

In this Information Circular, references to “the Corporation”, “we” and “our” refer to Cantex Mine Development Corp. “Common Shares” means common shares without par value in the capital of the Corporation. “Beneficial Shareholders” means shareholders who do not hold Common Shares in their own name and “intermediaries” refers to brokers, investment firms, clearing houses and similar entities that own securities on behalf of Beneficial Shareholders.

GENERAL PROXY INFORMATION

Solicitation of Proxies

The solicitation of proxies will be primarily by mail, but proxies may be solicited personally or by telephone by directors, officers and regular employees of the Corporation. The Corporation will bear all costs of this solicitation. We have arranged for intermediaries to forward the meeting materials to beneficial owners of the Common Shares held of record by those intermediaries and we may reimburse the intermediaries for their reasonable fees and disbursements in that regard.

Appointment of Proxyholders

The individuals named in the accompanying form of proxy (the “Proxy”) are directors of the Corporation. **If you are a shareholder entitled to vote at the Meeting, you have the right to appoint a person or company other than either of the persons designated in the Proxy, who need not be a shareholder, to attend and act for you on your behalf at the Meeting. You may do so either by inserting the name of that other person in the blank space provided in the Proxy or by completing and delivering another suitable form of proxy.**

Voting by Proxyholder

The persons named in the Proxy will vote for, against or withhold from voting the Common Shares represented thereby in accordance with your instructions on any ballot that may be called for. If you specify a choice with respect to any matter to be acted upon, your Common Shares will be voted accordingly. The Proxy confers discretionary authority on persons named therein with respect to:

- (a) each matter or group of matters identified therein for which a choice is not specified, other than the appointment of an auditor and the election of directors,
- (b) any amendment to or variation of any matter identified therein, and
- (c) any other matter that properly comes before the Meeting.

In respect of a matter for which a choice is not specified in the Proxy, the persons named in the Proxy will vote the Common Shares represented by the Proxy for the approval of such matter.

Registered Shareholders

Registered shareholders may wish to vote by proxy whether or not they are able to attend the Meeting in person. Registered shareholders electing to submit a proxy may do so by one of the following methods:

- (a) by fax – complete, date and sign the enclosed form of Proxy (both sides) and return it to the Corporation’s transfer agent, TSX Trust Company (“TSXT”), at 1-416-607-0470;
- (b) by e-mail – complete, date and sign the enclosed form of Proxy (both sides) and return it to TSXT at proxyvote@tmx.com;
- (c) by mail – complete, date and sign the enclosed form of Proxy (both sides) and mail it to TSXT, TSX Trust Company, Attn: Proxy Department, at: P.O. Box 721, Agincourt, ON, M1S 0A1;
- (d) via the internet – go to www.meeting-vote.com and follow the instructions. You will need to refer to your 13-digit control number located on the accompanying form of Proxy.

Registered shareholders must ensure the Proxy is received by TSXT at least 48 hours (excluding Saturdays, Sundays and statutory holidays) before the Meeting or any adjournment thereof.

Voting in Person

Please note that in order to vote your Common Shares in person at the Meeting, you must attend the Meeting and register with the Scrutineer before the Meeting. If you have already submitted a Proxy but choose to change your method of voting and attend the Meeting to vote, then you should register with the Scrutineer before the Meeting and inform them that your previously submitted proxy is revoked and that you personally will vote your Common Shares at the Meeting.

Beneficial Shareholders

The information in this section is of significant importance to shareholders who do not hold Common Shares in their own name. Beneficial Shareholders should note that the only proxies that can be recognized and acted upon at the Meeting are those deposited by registered shareholders (those whose names appear on the records of the Corporation as the registered holders of Common Shares) or as set out in the following disclosure.

If Common Shares are listed in an account statement provided to a shareholder by a broker, then in almost all cases those Common Shares will not be registered in the shareholder’s name on the records of the Corporation. Such Common Shares will more likely be registered under the names of the shareholder’s broker or an agent of that broker (an “intermediary”). In Canada, the vast majority of such Common Shares are registered under the name of CDS & Co. (the registration name for The Canadian Depository for Securities Limited, which acts as nominee for many Canadian brokerage firms), and in the United States of America (the “United States” or the “U.S.”), under the name of Cede & Co. as nominee for The Depository Trust Company (which acts as depository for many U.S. brokerage firms and custodian banks).

Intermediaries are required to seek voting instructions from Beneficial Shareholders in advance of shareholder meetings. Every intermediary has its own mailing procedures and provides its own return instructions to clients.

If you are a Beneficial Shareholder:

You should carefully follow the instructions of your broker or intermediary in order to ensure that your Common Shares are voted at the Meeting.

The form of proxy that will be supplied by your broker will be similar to the Proxy provided to registered shareholders by the Corporation. However, its purpose is limited to instructing the intermediary how to vote your Common Shares on your behalf. Most brokers now delegate responsibility for obtaining instructions from clients to Broadridge Financial Solutions, Inc. (“Broadridge”) in Canada and in the United States. Broadridge mails a voting instruction form (a “VIF”) in lieu of the Proxy provided by the Corporation. The VIF will name the same persons as the Corporation’s Proxy to represent your Common Shares at the Meeting.

You have the right to appoint another person (who need not be a shareholder) to represent you at the Meeting. You may appoint another person by inserting that person’s name in the blank space set out in the form of proxy provided or by completing another proper form of proxy.

By properly completing and returning your form of Proxy or your VIF, you are authorizing the individual named in your Proxy or VIF to attend the Meeting virtually and to vote your Common Shares.

To be valid, completed Proxies must be deposited with our transfer agent, TSX Trust Company (“TSXT”) either by internet: www.meeting-vote.com; by mail to: TSX Trust Company, Attn: Proxy Dept., P.O. Box 721, Agincourt, Ontario, Canada, M1S 0A1; by fax to: 1-416-607-7964; or by e-mail to: proxyvote@tmx.com. In each case delivery of the Proxy or VIF must be received by no later than 1:00 pm (PST) on March 13, 2026, or, if the Meeting is postponed or adjourned, on a day other than a Saturday, Sunday or a statutory holiday in British Columbia which is at least 48 hours before the time of such reconvened meeting.

If you receive a VIF from Broadridge, you cannot use it to vote Common Shares directly at the Meeting - the VIF must be returned to Broadridge, in accordance with its instructions, well in advance of the Meeting, in order to have your Common Shares voted or to have an alternate representative duly appointed to attend and vote your Common Shares at the Meeting.

If you wish to vote your Common Shares in person at the Meeting, please complete the enclosed VIF and insert your own name as the Appointee on the VIF. Be sure to send your completed and signed VIF to Broadridge well before Broadridge’s deadline. When you attend the Meeting, be sure to confirm with the Scrutineer before the start of the Meeting that you are appointed to vote your own Common Shares and that you will be voting those Common Shares in person at the Meeting.

Appointment of a Third Party as Proxyholder

The following applies to shareholders who wish to appoint someone as their proxyholder other than the Management proxyholders named in the enclosed form of proxy or voting instruction form accompanying this Circular. This includes non-registered shareholders who wish to appoint themselves as proxyholder to attend, ask questions and vote at the Meeting online.

Shareholders who wish to appoint someone other than the Management proxyholders named in the enclosed form of proxy as their proxyholder to attend the Meeting as their proxyholder and vote their Common Shares MUST submit their Proxy, or VIF as applicable, appointing that person as proxyholder.

If you are a non-registered shareholder and wish to vote at the Meeting, you have to insert your own name in the blank space provided on the voting instruction form sent to you by your intermediary, follow the applicable instructions provided by your intermediary,

By doing so, you are instructing your intermediary to appoint you as proxyholder. It is important that you comply with the signature and return instructions provided by your intermediary.

US Beneficial Shareholders – Appointment of Third-party Proxyholder

If you are a non-registered shareholder located in the United States and wish to vote at the Meeting, or, if you are permitted, to appoint a third party as your proxyholder, in addition to the steps described above, **you must first obtain a valid legal proxy from your intermediary.** You must follow the instructions from your intermediary, which are included with the legal proxy form or the voting information form sent to you with this Circular. If you have not received one, you must contact your intermediary to request a **legal proxy form** or a **legal proxy**.

After obtaining a valid legal proxy from your intermediary, you must then submit such legal proxy to our transfer agent, TSX Trust Company (“TSXT”) either, via: the internet at: proxyvote@tmx.com; or by fax at 1-416-607-7964; or by mail at P.O. Box 721, Attention: Proxy Department, Agincourt, Ontario, Canada, M1S 0A1.

The request for registration of third-party proxyholder must be labeled “Legal Proxy” and received by TSXT no later than the voting deadline of 1:00 p.m. (PST) on March 13, 2026 or, if the Meeting is postponed or adjourned, on a day other than a Saturday, Sunday or a statutory holiday in Alberta, Canada, which is at least 48 hours before the time of such reconvened meeting.

Notice to Shareholders in the United States

The solicitation of proxies involve securities of an issuer located in Canada and is being effected in accordance with the corporate laws of the Province of Alberta, Canada and securities laws of the provinces of Canada. The proxy solicitation rules under the *United States Securities Exchange Act of 1934*, as amended, are not applicable to the Corporation or this solicitation, and this solicitation has been prepared in accordance with the disclosure requirements of the securities laws of the provinces of Canada. Shareholders should be aware that disclosure requirements under the securities laws of the provinces of Canada differ from the disclosure requirements under United States securities laws.

The enforcement by Shareholders of civil liabilities under United States federal securities laws may be affected adversely by the fact that the Corporation is incorporated under the *Business Corporations Act* (Alberta) (the “BCA”), as amended, certain of its directors and its executive officers are residents of Canada and a substantial portion of its assets and the assets of such persons are located outside the United States. Shareholders may not be able to sue a foreign company or its officers or directors in a foreign court for violations of United States federal securities laws. It may be difficult to compel a foreign company and its officers and directors to subject themselves to a judgment by a United States court.

Revocation of Proxies

In addition to revocation in any other manner permitted by law, a registered shareholder who has given a proxy may revoke it by:

- (a) executing a proxy bearing a later date or by executing a valid notice of revocation, either of the foregoing to be executed by the registered shareholder or the registered shareholder’s authorized attorney in writing, or, if the registered shareholder is a corporation, under its corporate seal by an officer or attorney duly authorized, and by delivering the proxy bearing a later date to TSXT, or to

the Corporation's office at 203-1634 Harvey Avenue, Kelowna, British Columbia, V1Y 6G2, at any time up to and including the last business day that precedes the day of the Meeting or, if the Meeting is adjourned, the last business day that precedes any reconvening thereof, or to the chairman of the Meeting on the day of the Meeting or any reconvening thereof, or in any other manner provided by law, or

- (b) personally attending the Meeting and voting the registered shareholder's Common Shares.

A revocation of a proxy will not affect a matter on which a vote is taken before the revocation.

INTEREST OF CERTAIN PERSONS OR COMPANIES IN MATTERS TO BE ACTED UPON

No director or executive officer of the Corporation, nor any person who has held such a position since the beginning of the last completed financial year of the Corporation, nor any proposed nominee for election as a director of the Corporation, nor any associate or affiliate of the foregoing persons, has any substantial or material interest, direct or indirect, by way of beneficial ownership of securities or otherwise, in any matter to be acted on at the Meeting other than the election of directors and as set out herein.

Board of Directors

Directors are considered to be independent if they have no direct or indirect material relationship with the Corporation. Board meetings may also include presentations by the Corporation's management to give the directors additional insight into the Corporation's business.

Ethical Business Conduct

The Board has found that the fiduciary duties placed on individual directors by the Corporation's governing corporate legislation and the common law and the restrictions placed by applicable corporate legislation on an individual directors' participation in decisions of the Board in which the director has an interest have been sufficient to ensure that the Board operates independently of management and in the best interests of the Corporation.

Nomination of Directors

The Board considers its size each year when it considers the number of directors to recommend to the shareholders for election at the annual meeting of shareholders, taking into account the number required to carry out the Board's duties effectively and to maintain a diversity of views and experience.

The Board does not have a nominating committee, and these functions are currently performed by the Board as a whole. However, if there is a change in the number of directors required by the Corporation, this policy will be reviewed.

Assessments

The Board monitors the adequacy of information given to directors, communication between the Board and management and the strategic direction and processes of the Board and its audit committee.

- b) a Chief Financial Officer ("CFO");
- c) the three most highly compensated executive officers, or the three most highly compensated individuals acting in a similar capacity, other than the CEO and CFO, at the end of the Corporation's most recently completed financial year whose total compensation was more than \$150,000 for that financial year; and

Chad Ulansky, President and CEO and Jennifer Irons, CFO and Corporate Secretary, are each an "NEO" of the Corporation for purposes of the following disclosure.

Compensation Discussion and Analysis

Element 29 Ventures Ltd. (“**Element 29**”), a company owned by Chad Ulansky, CEO of the Corporation, provides the Corporation with the services of the Chief Executive Officer and invoices the Corporation accordingly. FourIrons Consulting (“**FourIrons**”), a company owned by Jennifer Irons, CFO of the Corporation, provides the Corporation with the services of Chief Financial Officer and invoices the Corporation accordingly. Element 29 and FourIrons provide these services to other public companies operating out of a shared space and operated by the same management team. This sharing of costs allows the Corporation access to high quality executives on an as-needed basis, and is more efficient and economical than trying to hire executives on a full-time basis.

The Board has not appointed a compensation committee so the responsibilities relating to executive and director compensation, including reviewing and recommending director compensation, overseeing the Corporation’s base compensation structure and equity-based compensation programs, recommending compensation of the Corporation’s officers and employees, and evaluating the performance of officers generally and in light of annual goals and objectives, is performed by the Board as a whole.

The Board has not considered the implications of the risks associated with the Corporation’s compensation program.

Philosophy and Objectives

To determine executive compensation, the Corporation relies solely on Board discussion without any formal objectives, criteria and analysis.

Equity Participation

The Corporation believes that encouraging its executives and employees to become shareholders is the best way of aligning their interests with those of its shareholders. Equity participation is accomplished through the Corporation’s share option plan. Share options are granted to executives and employees taking into account a number of factors, including the amount and term of options previously granted, base salary and bonuses and competitive factors. The amounts and terms of options granted are determined by the Board.

The Board continues to review and redesign the overall compensation plan for senior management so as to continue to address the objectives identified above.

Stock Options and Other Compensation Securities

7% Rolling Share Option Plan (*Option-Based Awards*)

The Corporation’s share option plan dated for reference December 22, 2023 (the “**Option Plan**”) is a 7% “rolling” plan whereby the aggregate number of Common Shares reserved for issuance, together with any other Common Shares reserved for issuance under any other plan or agreement of the Corporation, shall not exceed seven (7%) percent of the total number of the Common Shares at the time the option is granted. The Option Plan was last approved by shareholders at the Company’s annual general meeting held on March 17, 2025.

Material Terms of the Option Plan

The material terms of the Option Plan are set forth below. Capitalized terms used but not otherwise defined below shall have the meanings ascribed to such terms in the Option Plan.

1. Service Provider – Service Providers are eligible for awards of Options under the Option Plan. “**Service Provider**” means a person who is a bona fide Director, Officer, Employee, Management Company Employee, Consultant or Company Consultant, and also includes a company, 100% of the share capital of which is beneficially owned by one or more Service Providers.

2. Maximum Plan Shares – The maximum aggregate number of Plan Shares that may be reserved for issuance under the Plan at any point in time is equal to 7% of the Outstanding Shares at the time Plan Shares are reserved for issuance as a result of the grant of an Option, less any Common Shares reserved for issuance under any other Share Compensation Arrangements unless this Plan is amended pursuant to the requirements of the TSX Venture Policies (and, if applicable, NEX Policies).
3. Limitations on Issue - The following restrictions on issuances of Options are applicable under the Option Plan, together with all other Share Compensation Arrangements:
 - (a) no Service Provider can be granted an Option if that Option would result in the total number of Options, together with all other Share Compensation Arrangements granted to such Service Provider in the previous 12 months, exceeding 5% of the Outstanding Shares, unless the Corporation has obtained “Disinterested Shareholder Approval” (as defined in the Option Plan to mean approval evidenced by a majority of the votes cast by all the Shareholders at a duly constituted Shareholders’ meeting, excluding votes attached to Common Shares beneficially owned by Insiders of the Corporation who are Service Providers or their Associates);
 - (b) the aggregate number of Options, together with any other Share Compensation Arrangement, granted to all Investor Relations Service Providers in any 12-month period cannot exceed 2% of the Outstanding Shares, calculated at the time of grant, without the prior consent of the TSXV (or NEX, as the case may be);
 - (c) the aggregate number of Options granted, together with any other Share Compensation Arrangements, granted to any one Consultant in any 12-month period cannot exceed 2% of the Outstanding Shares, calculated at the time of grant, without the prior consent of the TSXV (or the NEX, as the case may be);
 - (d) for so long as such limitation is required by the TSX Venture, the maximum number of Options which may be granted within any twelve (12) months period to Service Providers who perform investor relations activities must not exceed 2% of the issued and outstanding Common Shares, and such Options must vest in stages over twelve (12) months with no more than 25% vesting in any three-month period. In addition, the maximum number of Common Shares that may be granted to any one Consultant under this Plan, together with any other Share Compensation Arrangements, within a twelve (12) month period, may not exceed 2% of the issued Common Shares calculated on the date of grant.

Investor Relations Service Providers cannot receive any security-based compensation other than Options.
4. Maximum Percentage to Insiders – Subject to Disinterested Shareholder Approval, the aggregate number of Common Shares reserved for issuance to Insiders of the Corporation under the Option Plan, together with any other Share Compensation Arrangements, cannot exceed 10% of the Outstanding Shares.

5. Maximum Percentage to Insiders within any 12-month period - Subject to Disinterested Shareholder Approval, the number of Common Shares issued to Insiders of the Corporation within any 12-month period under the Option Plan, together with any other Share Compensation Arrangements, cannot exceed 10% of the Outstanding Shares.
6. Exercise Price – The Exercise Price of an Option will be set by the Board at the time such Option is allocated under the Option Plan and cannot be less than the Discounted Market Price (as defined in TSX Venture Exchange Policy 1.1).
7. Vesting of Options - Vesting of Options shall be at the discretion of the Board and, with respect to any Options granted under the Plan, in the absence of a vesting schedule being specified at the time of grant, Options shall vest immediately. Where applicable, vesting of Options will generally be subject to:
 - (a) the Service Provider remaining employed by or continuing to provide services to the Corporation or any of its Affiliates as well as, at the discretion of the Board, achieving certain milestones which may be defined by the Board from time to time or receiving a satisfactory performance review by the Corporation or any of its Affiliates during the vesting period; or
 - (b) the Service Provider remaining as a Director of the Corporation or any of its Affiliates during the vesting period.
8. Vesting of Options Granted to Investor Relations Service Providers - Options granted to Investor Relations Service Providers will vest such that:
 - (a) no more than 25% of the Options vest no sooner than three months after the Options were granted;
 - (b) no more than 25% of Options vest no sooner than six months after the Options were granted;
 - (c) no more than 25% of Options vest no sooner than nine months after the Options were granted; and
 - (d) the remainder of the Options vest no sooner than 12 months after the Options were granted.
9. Term of Option – The term of an Option will be set by the Board at the time such Option is allocated under the Option Plan. An Option can be exercisable for a maximum of 10 years from the Effective Date.
10. Optionee Ceasing to be a Director, Employee or Service Provider – Options may be exercised after the Service Provider has left his/her employ/office or has been advised by the Corporation that his/her services are no longer required or his/her service contract has expired, until the term applicable to such Options expires, except as follows:
 - (a) in the case of the death of an Optionee, any vested Option held by him/her at the date of death will become exercisable by the Optionee's lawful personal representatives, heirs or executors until the earlier of one year after the date of death of such Optionee and the date of expiration of the term otherwise applicable to such Option;

- (b) an Option granted to any Service Provider (excluding Service Providers conducting Investor Relations Activities) will expire 90 days (or such other time, not to exceed one year, as shall be determined by the Board as at the date of grant or agreed to by the Board and the Optionee at any time prior to expiry of the Option) after the date the Optionee ceases to be employed by or provide services to the Corporation, and only to the extent that such Option was vested on the date the Optionee ceased to be so employed by or to provide services to the Corporation; and
 - (c) in the case of an Optionee being dismissed from employment or service for Cause, such Optionee's Options, whether or not vested at the date of dismissal will immediately terminate without right to exercise same.
- 11. Non-Assignability of Options – Except in the case of death of an Optionee, all Options will be exercisable only by the Optionee to whom they are granted and will not be assignable or transferable.
- 12. Amendment of the Option Plan by the Board of Directors - Subject to the requirements of the TSXV Policies and the prior receipt of any necessary Regulatory Approval, the Board may in its absolute discretion amend, or modify the Option Plan or any Option granted as follows:
 - (a) amendments which are of a typographical, grammatical, clerical nature only;
 - (b) amendments of a housekeeping nature;
 - (c) amendments necessary as a result in changes in securities laws applicable to the Corporation or any requested changes by the TSX Venture; and
 - (d) if the Corporation becomes listed or quoted on a stock exchange or stock market senior to the TSX Venture, amendments as may be required by the policies of such senior stock exchange or stock market.
- 13. Amendments Requiring Disinterested Shareholder Approval - The Corporation will be required to obtain Disinterested Shareholder Approval prior to any of the following actions becoming effective:
 - (a) the Option Plan, together with all of the Corporation's other previous Share Compensation Arrangements, could result at any time in:
 - (i) the aggregate number of Common Shares reserved for issuance to Insiders exceeding 10% of the Outstanding Shares;
 - (ii) the aggregate number of Common Shares reserved for issuance to Insiders within a 12-month period exceeding 10% of the Outstanding Shares; or
 - (iii) the aggregate number of Common Shares reserved for issuance to any one Optionee within a 12-month period exceeding 5% of the Outstanding Shares; or
 - (b) any reduction in the Exercise Price of an Option, or extension to the Expiry Date of an Option held by an Insider at the time of the proposed amendment, is subject to Disinterested Shareholder Approval in accordance with the policies of the TSX Venture.

14. Take Over Bid - If a Take Over Bid is made to the Shareholders generally then the Corporation shall immediately upon receipt of notice of the Take Over Bid, notify each Optionee currently holding an Option of the Take Over Bid, with full particulars thereof whereupon such Option may, notwithstanding other applicable vesting requirements or any vesting requirements set out in the Option Commitment, be immediately exercised in whole or in part by the Optionee, subject to approval of the TSXV (or the NEX, as the case may be) for vesting requirements imposed by the TSXV Policies.
15. Acceleration of Vesting on Change of Control - In the event of a Change of Control occurring, Options granted and outstanding, which are subject to vesting provisions, shall be deemed to have immediately vested upon the occurrence of the Change of Control, excluding Options granted to a Person engaged in Investor Relations Activities. Notwithstanding the foregoing, no acceleration to the vesting schedule of one or more Options granted to an Investor Relations Service Provider can be made without the prior written acceptance of the TSXV.
16. Black-out Period - The Option Plan also contains provision for a “Black-out Period”. Should the Expiry Date for an Option fall within a Black-out Period, such Expiry Date shall, subject to approval of the TSXV (or the NEX, as the case may be), be automatically extended without any further act or formality to that day which is the tenth (10th) Business Day after the end of the Black-out Period, such tenth (10th) Business Day to be considered the Expiry Date for such Option for all purposes under the Option Plan. The tenth (10th) Business Day period referred to herein may not be extended by the Board. “**Black-out Period**” is defined in the Option Plan to mean an interval of time during which the Corporation has determined that one or more Participants may not trade any securities of the Corporation because they may be in possession of undisclosed material information pertaining to the Corporation, or when in anticipation of the release of quarterly or annual financials, to avoid potential conflicts associated with a company’s insider-trading policy or applicable securities legislation, (which, for greater certainty, does not include the period during which a cease trade order is in effect to which the Corporation or in respect of an Insider, that Insider, is subject).
17. Cashless Exercise – The Option Plan also contains a “cashless exercise” or “net exercise” basis. “Cashless exercise” is a method of exercising stock options in which a securities dealer loans funds to the option holder or sells the same shares as those underlying the option, prior to or in conjunction with the exercise of options, to allow the option holder to fund the exercise of some or all of their options. “Net exercise” is a method of option exercise under which the option holder does not make any payment to the issuer for the exercise of their options and receives on exercise a number of shares equal to the intrinsic value (current market price less the exercise price) of the option valued at the current market price. The current market price must be the 5-day volume weighted average trading price prior to option exercise. “Net exercise” may not be utilized by persons performing investor relations services.

The foregoing description of the Option Plan does not purport to be complete and is qualified in its entirety by reference to the full text of the Option Plan attached as Schedule “A” to the Corporation’s Information Circular dated January 3, 2024, which is available on the Corporation’s SEDAR+ profile at www.sedarplus.ca.
