Caution Regarding Forward-Looking Statements

Certain statements in this press release may constitute "forward looking statements" which involve known and unknown risks, uncertainties and other factors which may cause the actual results, performance or achievements of the Company to be materially different from any future results, performance or achievements expressed or implied by such forward looking statements. When used in this press release, such statements may use such words as "may", "will", "expect", "believe", "plan" and other similar terminology. These statements include, but are not limited to, expectations regarding the use of proceeds of the Private Placement and the option repricing. These statements reflect management's current expectations regarding future events and speak only as of the date of this press release. The forward-looking statements involve a number of risks and uncertainties. These risks and uncertainties include, but are not limited to, the Company's stage of development, capital requirements and future ability to fund operations, regulatory requirements, general economic, market or business conditions. The foregoing list of factors is not exhaustive. The Company undertakes no obligation to update publicly or revise any forward-looking statements, whether a result of new information, future results or otherwise, except as required by law.

Neither TSX Venture Exchange nor its Regulation Services Provider (as that term is defined in the policies of the TSX Venture Exchange) accepts responsibility for the adequacy or accuracy of this release.
