You are receiving this notification as Westport Fuel Systems Inc. (“**Westport Fuel Systems**”) has decided to use the notice-and-access method for delivery of meeting materials to its beneficial shareholders. Under notice-and-access, shareholders still receive a proxy or voting instruction form enabling them to vote at the Westport Fuel Systems meeting. However, instead of a paper copy of the Information Circular (as defined below), shareholders receive this notice with information on how they may access such materials electronically. The use of this alternative means of delivery is more environmentally friendly as it will help reduce paper use and also will reduce the cost of printing and mailing materials to shareholders. Please review the Information Circular prior to voting.

BUSINESS OF THE MEETING

Shareholders will be asked to consider and vote on the following matters:

1. Election of directors: the election of directors of Westport Fuel Systems for the next year. Information respecting the election of directors may be found in the “Matters to be Acted Upon - Election of Directors” section of the Information Circular.
2. Appointment of auditors: the appointment of auditors for Westport Fuel Systems for the next year and the authorization of the directors to fix their remuneration. Information respecting the appointment of KPMG LLP may be found in the “Matters to be Acted Upon - Appointment of Auditors” section of the Information Circular.

Information respecting the amendments to the Westport Fuel Systems Omnibus Incentive Plan may be found in the “Matters to be Acted Upon - Amendment to the Omnibus Plan” section of the Information Circular.
