If any changes occur in accounting principles from those used in the preparation of the 2017 fiscal year audited financial statements of any Credit Party including, by reason of the promulgation of rules, regulations, pronouncements, opinions or other requirements of the Canadian Institute of Chartered Accountants, (or successors thereto or agencies with similar functions), including the CICA Handbook, and result in a change in the method of calculation of financial covenants or the terms related thereto contained in this Agreement, the Borrowers shall, at their option, **(a)** furnish to the Administrative Agent, together with each delivery of the financial statements required to be delivered pursuant to Sections 14.3 and 14.4, a written reconciliation setting forth the differences that would have resulted if such financial statements had been prepared utilizing accounting principles and policies in conformity with those used to prepare the 2017 fiscal year audited financial statements of the applicable Person or **(b)** agree with the Administrative Agent to amend the Ratios or financial covenants or terms equitably to reflect such changes so that the criteria for evaluating the financial condition of the Credit Parties shall be the same after such changes as if such changes had not been made; provided, however, that, at all times in the case of clause (a) above, and in the case of clause (b) above until the amendment referred to in such clause (b) becomes effective, all covenants and related calculations under this Agreement shall be performed, observed and determined as though no such changes in accounting principles had been made.

2.2 Grant of Swingline Facilities

- 2.2.1 The General Swingline Lender hereby establishes in favour of the Cdn Borrowers the General Swingline Facility which shall be available, at any time and from time to time during the Revolving Period, up to an amount equal to the Available General Swingline Commitment at such time.

2.4 **Reallocation of the Existing Revolving Loans**

2.4.1 Subject to the reallocation set forth below in subsection 2.4.2, the Existing Revolving Loans owing to the Continuing Lenders are intended to remain outstanding and be repayable hereunder as Revolving Loans as of the Effective Date. Each of the Borrowers acknowledges to the Continuing Lenders that it is indebted to the Continuing Lenders in the amounts and on account of their respective Existing Revolving Loans and that, as of the Effective Date such Existing Revolving Loans, as reallocated below pursuant to subsection 2.4.2, shall have all of the rights and benefits of Revolving Loans as set forth in this Agreement and the other Operative Documents.

The Lenders, through the Administrative Agent, shall settle among themselves and pay to each other, as required, the appropriate amount resulting from such re-establishment of the Rateable Shares in the Revolving Facility.

2.4.3 The parties acknowledge and agree that the Existing LCs specified in Schedules "N" are deemed to be outstanding hereunder and shall be allocated to the Revolving Lenders on a Rateable Share basis and the non-accrued portion of any LC Fee under such Existing LCs will be distributed among the Revolving Lenders on a Rateable Share basis. Any such allocation shall not result in the outstanding Revolving Loan of any Revolving Lender exceeding such Revolving Lender's Revolving Commitment. Any Continuing Lender whose Revolving Commitment is reduced (including a reduction to zero) on the Effective Date is released to the extent of such reduction from any liability in respect of such Existing LCs.

2.5 **Purpose of Credit Facilities**

Revolving Facility is equal to or greater than the Swingline Loan of such Swingline Lender.

- 2.6.7 The Borrowers covenant and agree that the total outstanding amount of all Advances under the Revolving Facility and the Swingline Facilities (expressed in the Equivalent of Canadian Dollars) shall never exceed the lesser of (i) the Borrowing Base as at such time, and (ii) the Revolving Facility as at such time, the Administrative Agent and the Swingline Lenders having no obligation whatsoever to monitor, in any way, the foregoing undertaking.
- 2.6.8 Where under any of the terms hereof, the Revolving Facility is cancelled, reduced or terminated, same may not subsequently be increased, any such cancellation, reduction or termination thereof being permanent. Any such conversion shall be calculated so that the resulting Revolving Canada Base Rate Loan shall be the Equivalent in US Dollars on the date of conversion of the amount of Cdn Dollars so converted. Any accrued and unpaid interest denominated in Cdn Dollars at the time of any such conversion shall be similarly converted to US Dollars, and such Revolving Canada Base Rate Loan and accrued and unpaid interest thereon shall thereafter bear interest in accordance with Section 3.4

17.3 Distribution of Proceeds of Realization

Any Proceeds of Realization received by any one of the Secured Creditors, shall be applied as follows:

- 17.3.1 firstly, to pay all fees due and costs incurred by the Administrative Agent up to and including the day a payment is made to, or Proceeds of Realization are retained by, the Secured Creditors under subsection 17.3.3; and then

17.4 Application of Payments

Notwithstanding the provisions of Article 1572 C.C.Q., as well as any other legal rule governing the application of payments, the Lenders shall apply the Proceeds of Realization and of any credit or compensating balances in accordance with Section 17.3.

17.5 **Pro Rata Sharing of Realization Costs**

Until such time as the Realization Costs are paid in the manner contemplated in subsection 17.3.2, all Realization Costs incurred and paid by any one of the Secured Creditors shall be shared by the Secured Creditors on the basis of their relative Exposures.

17.6 **Indemnities and Payments**

Nothing herein contained shall be construed or interpreted as in any way obliging the Secured Creditors to make any payment when exercising any Rights, Remedies and/or Recourses or in any realization or enforcement with respect to any Obligations unless they or it are firstly supplied with such indemnifications as the Majority Lenders may consider to be necessary or desirable to protect and save the Secured Creditors harmless from any liability or penalty for which any one thereof may become liable under any applicable Law as a result of making such payment.

17.7 **Compensation and Set-Off**

- 17.7.1 In addition to any rights now or hereafter granted under applicable Law and not by way of limitation of any such rights, upon the occurrence of an Event of Default which is continuing, each Secured Creditor is hereby authorized by each of the Borrowers, at any time and from time to time, without notice to any of the Borrowers or to any other Person, any such notice being hereby expressly waived, to effect compensation, to set-off and to appropriate and to apply any and all deposits (general or special, time or demand, including Indebtedness evidenced by certificates of deposit, in each case whether matured or unmatured), and any other Indebtedness at any time held or owing by such Secured Creditor to or for the credit or the account of a Borrower against and on account of the obligations and liabilities of any Borrower to such Secured Creditor under the Operative Documents, irrespective of whether or not the Agent shall have made any demand hereunder or shall have declared the Loans to be due and payable as permitted hereunder and although said obligations and liabilities, or any of them, shall be contingent or unmatured.
- 17.7.2 For the purposes of the application of this Section 17.7, the Credit Parties and the Finance Parties agree that the benefit of any term applicable to any Secured Creditors' deposit or other indebtedness referred to in this Section 17.7 shall be lost immediately before the time when such Secured Creditor shall exercise its rights under this Section 17.7 in respect of such deposit or indebtedness of such Secured Creditor.
- 17.7.3 Furthermore, in the exercise of its rights under this Section 17.7, where any indebtedness of any Secured Creditor to any Credit Party is not outstanding in the same currency as the indebtedness of such Credit Party to such Secured Creditor, then such Secured Creditor may effect all currency conversions with

respect to any such indebtedness as it considers appropriate in accordance with its normal practices by using its own rate of exchange in effect on the Business Day preceding that on which it exercised its rights under this Section.

17.8 **Recovery for the Secured Creditors**

Each Secured Creditor agrees that if it shall exercise any right under Section 17.7 or any other right of counterclaim, compensation, set-off, banker's lien, realization of security, or similar right with respect to property of a Borrower or if, under any applicable bankruptcy, insolvency or other similar Law, it receives a secured claim the security for which is a debt owed by it to a Borrower, the amount thereof shall constitute Proceeds of Realization under Section 17.2 and shall be dealt with in the same manner as therein provided as if a realization had occurred. All amounts thus recovered by any Secured Creditor shall promptly be delivered to the Administrative Agent for distribution.

17.9 **Notices**

Save as otherwise expressly provided for herein, no notice or *mise en demeure* of any kind shall be required to be given to the Borrowers by the Administrative Agent or the other Finance Parties for the purpose of putting the Borrowers in default, the Borrowers being in default by the mere lapse of time allowed for the performance of an Obligation or by the mere occurrence of any event constituting an Event of Default.

17.10 **Dealings with the Borrowers**

The Administrative Agent may grant extensions of time and other indulgences, take and give up securities, accept compositions, grant releases and discharges and otherwise deal with the Borrowers as the Administrative Agent, acting in accordance with the instructions of the Required Lenders, may see fit, without prejudice to the liability of the Borrowers or to the Secured Creditors' rights in respect of the security conferred upon them pursuant to the terms of the Operative Documents.

17.11 **No Deemed Payment**

Where any Finance Party, whether under the provisions of the Operative Documents or otherwise, receives or recovers from a Borrower an amount ultimately payable to it under the provisions of the Operative Documents, but as a consequence of the provisions of Section 9.6 or 17.8 does not retain the totality of such amount, as between such Borrower, on the one hand, and that Finance Party, on the other hand, that excess amount not retained by such Finance Party shall be treated as not having been paid to such Finance Party for the purposes of this Agreement.

17.12 **Derivative Instruments**

In the event the Administrative Agent exercises any one of the rights referred to in Section 17.1, any Finance Party having entered into a Derivative Instrument with any Borrower shall have the right to claim from that Borrower all amounts due under such Derivative Instruments as a

consequence of the exercise by such Finance Party of its right to terminate such agreement under the terms thereof.

17.13 Finance Parties to Exercise Rights through Administrative Agent

Subject only to the extent that under the provisions of Article 18 and Article 19 a single Finance Party is affected and subject to the provisions of Section 17.7, the Finance Parties shall only exercise their Rights, Remedies and/or Recourses with respect to the Operative Documents through the Administrative Agent.

ARTICLE 18

TAXES AND OTHER CHARGES

18.1 Payments without Deductions

The Borrowers solidarily agree to pay the Loans of each Finance Party in principal, interest, fees and accessories, free and clear of and without deduction or withholding for (i) any and all present and future Taxes (but excluding, however, (y) withholding taxes imposed under FATCA, (z) Taxes imposed upon such Finance Party (any such Finance Party shall be referred to herein as a "**Taxed Party**") by the jurisdiction and political subdivision in which its principal office or its relevant lending office may be located or under the Laws of which it may have been constituted) that may be imposed from time to time by any jurisdiction (including any jurisdiction from which payment is made) in connection with any amount required to be paid to such Finance Party pursuant to this Agreement or by any jurisdiction with respect to the preparation, execution, delivery, registration, performance, amendment or enforcement of this Agreement (all of the foregoing, other than the excluded items shall be collectively referred to herein as the "**Local Taxes**"), and (ii) any and all present and future Taxes that may be imposed from time to time by any jurisdiction with respect to the payment by the Borrowers of or the reimbursement by the Borrowers for any Local Taxes (all of the foregoing listed in clauses (i) and (ii) other than the excluded items shall be collectively referred to herein as the "**Indemnified Taxes**"). In the event that any Taxed Party shall have paid any Indemnified Taxes, which under the terms of this Section 18.1, the Borrowers are obliged to pay, the Borrowers solidarily covenant and agree to reimburse, upon demand, such Taxed Party on an after-tax-basis as contemplated in Section 18.2 for the amount of any such Indemnified Taxes so paid by the latter, with interest on such amount as contemplated in this Agreement, and any such reimbursement paid by the Borrowers shall benefit from and be subject to the provisions of this Section 18.1 and Section 18.2.

18.2 Payments of Additional Amounts

If any Borrower is at any time (x) required by Law to make any deduction or withholding in respect of any Indemnified Taxes from any amount payable under this Agreement or (y) prevented by operation of Law from paying, causing to be paid or reimbursing the payment of any Indemnified Taxes or (z) required to reimburse a Taxed Party for any Indemnified Taxes paid by the latter but which, under the terms hereof, such Borrower is obliged to pay, the Borrowers solidarily covenant and agree to pay such additional amounts as may be necessary in order that the net amounts retained by any Taxed Party, after any deduction or withholding, after

the deduction of any such Indemnified Taxes not paid, caused to be paid or reimbursed by such Borrower, after the payment of such Indemnified Taxes by the Taxed Party and after any Taxes imposed on or measured by the net income, profit or capital of the Taxed Party as a result of its receipt of additional amounts hereunder, shall equal the net after-tax amounts which would have been retained by such Taxed Party if any deduction or withholding had not been made, if such Indemnified Taxes had been paid, caused to be paid or reimbursed by such Borrower, if such Indemnified Taxes had not been paid by the Taxed Party and if no additional amounts had been paid hereunder. Such additional amounts shall be paid **(i)** in the case of amounts payable as a result of a deduction or withholding from an amount payable under this Agreement, on the date the latter amount is payable, **(ii)** in the case of amounts payable as a result of the failure by a Borrower to pay or reimburse such Indemnified Taxes, on the earlier of the date on which such Indemnified Taxes are due and the fifth day following the receipt by such Borrower of a notice from the Taxed Party that such Indemnified Taxes have been paid by such Taxed Party, **(iii)** in the case of Indemnified Taxes paid by a Taxed Party and that a Borrower is obliged to pay, on demand from the Taxed Party and **(iv)** in the case of amounts payable as a result of Taxes imposed on or measured by the net income, profit or capital of any Taxed Party as a result of its receipt of additional amounts hereunder, on the fifth day following the receipt by the Borrowers of a request therefor by such Taxed Party. Upon request from a Borrower, the Taxed Party claiming payment of Indemnified Taxes under the provisions of this Section shall provide such Borrower with such information and documentation as such Borrower may reasonably request.

18.3 **Increase in Interest Rates**

If a Borrower is prevented by operation of Law from paying or causing to be paid any amount required to be paid by Section 18.2, the Borrowers solidarily covenant and agree to pay as additional interest payable under this Agreement an amount equal to such required amount, on the applicable Interest Payment Date if such amount is in respect of interest or, if otherwise, on the next succeeding Interest Payment Date, it being expressly understood and agreed that any such additional interest payment shall be paid on an after-tax-basis as contemplated in Section 18.2 and shall be subject to the provisions of Sections 18.1 and 18.2. The Borrowers, at the request of any Taxed Party, shall sign such documents, deeds and instruments and shall do all such things as such Taxed Party shall reasonably consider useful or necessary to give full force and effect to such increase in the rate of interest.

18.4 **Remittances by Taxed Party**

With respect to any of such Indemnified Taxes, the Borrowers shall make any required payment thereof within the time allowed under Applicable Law and, within 15 days thereafter, shall furnish to the Administrative Agent and any Taxed Party evidence of such payment together with such certificates, receipts and other documents as may be available to establish any Tax credit or Tax benefit to which such Taxed Party may be entitled. If such Taxed Party shall determine that it has irrevocably obtained a credit or similar Tax benefit with respect to Indemnified Taxes imposed by a jurisdiction in which its principal office or its relevant lending office may be located or under the Laws of which it has been constituted, on the basis of the payment of such Indemnified Taxes by any Borrower, such Taxed Party shall remit to such Borrower promptly an amount equal to the amount of such credit or benefit as is, in its discretion, exercised in good faith, equitably allocable to such payment by such Borrower having taken into account all its

dealings giving rise to similar credits or benefits in relation to the same Tax period. If such Taxed Party shall determine subsequently that, for any reason, the amount of such credit or benefit has directly or indirectly been reduced, the Borrowers solidarily covenant and agree to pay, upon the request of such Taxed Party accompanied by evidence of such reduction, to such Taxed Party an amount equal to the amount of such reduction. All determinations and computations required or permitted by this Section shall be made, and all assumptions, methods of allocation and other principles necessary for or related to such determinations and computations shall be made or selected, by such Taxed Party in its sole discretion (exercised in good faith) and shall constitute, in the absence of manifest error, *prima facie* evidence of the amounts or matters so determined or computed.

18.5 **Mitigation**

If any Borrower is required to pay additional amounts to or for the account of any Lender pursuant to this Article 18, then such Lender shall use reasonable efforts to change the jurisdiction of its applicable lending office so as to eliminate or reduce any such additional payment which may thereafter accrue if such change, in the judgment of such Lender, would not subject such Lender to any unreimbursed cost or expense and would not otherwise be disadvantageous to such Lender in its sole discretion.

18.6 **FATCA**

If a payment made to a Finance Party under this Agreement would be subject to U.S. federal withholding Tax imposed by FATCA if such Finance Party were to fail to comply with the applicable reporting requirements of FATCA (including those contained in Section 1471(b) or 1472(b) of the Code, as applicable), such Finance Party shall deliver to the Borrowers and the Administrative Agent at the time or times prescribed by Applicable Law and at such time or times reasonably requested by the Borrowers or the Administrative Agent such documentation prescribed by Applicable Law (including as prescribed by Section 1471(b)(3)(C)(i) of the Code) and such additional documentation reasonably requested by the Borrowers or the Administrative Agent as may be necessary for the Borrowers and the Administrative Agent to comply with their obligations under FATCA and to determine that such Finance Party has complied with such Finance Party's obligations under FATCA or to determine the amount to deduct and withhold from such payment. For purposes of this Section 18.6, "FATCA" shall include any amendments made to FATCA after the date of this Agreement. Each Finance Party agrees that if any form or certification it previously delivered expires or becomes obsolete or inaccurate in any respect, it shall update such form or certification or promptly notify the Borrowers and the Administrative Agent in writing of its legal inability to do so.

18.7 **Survival of Agreements**

The agreements of the Borrowers under this Article 18 shall survive the repayment of the Loans and the cancellation in full of the Credit Facilities.

ARTICLE 19

INDEMNITIES

19.1 Market Disruption

If and each time that:

19.1.1 the Administrative Agent shall have determined that by reason of circumstances affecting the relevant markets for deposits in the relevant currencies generally, adequate and reasonable means do not exist for ascertaining the interest rate applicable to the Daily Compounded CORRA Loans, Daily Compounded CORRA Advances, Term CORRA Loans, Term CORRA Advances, Term SOFR Advances or Term SOFR Loans or any part or any one thereof, for any Selected Period, or the Administrative Agent shall receive a notice from any Affected Lender that:

19.1.1.1 by reason of circumstances affecting the relevant markets generally, deposits in the relevant currencies are not available to such Affected Lender in such market in the ordinary course of business in sufficient amounts to enable it to make a CORRA Advance or Term SOFR Advance; or

19.1.1.2 it is impracticable for such Affected Lender to make or maintain a CORRA Advance, CORRA Loan, Term SOFR Advance or Term SOFR Loan for any Selected Period; or

19.1.1.3 the Adjusted Term SOFR, Adjusted Daily Compounded CORRA or Adjusted Term CORRA does not represent, for such Affected Lender, by an amount which such Affected Lender deems in its sole discretion (exercised in good faith) to be material, the effective cost of funding or maintaining the Term SOFR Loan, the Daily Compounded CORRA Loan or the Term CORRA Loan of such Affected Lender or any part thereof to be made for any Selected Period or continued for any new Selected Period by such Affected Lender;

in each case, the Administrative Agent shall promptly give notice of such determination by it or of receipt by it of such notice from an Affected Lender to the Borrowers and the other Finance Parties and identifying the Type of Loan (the "**Affected Type of Loan**") and Loans affected thereby (the "**Affected Loans**").

19.2 Suspension of Rights to Convert

If notice has been given by the Administrative Agent pursuant to Section 19.1:

- 19.2.1 the Affected Loans of the Affected Type of Loan shall not be made (whether pursuant to an Advance, a conversion or a rollover) by the Affected Lenders and the Cdn Borrowers' right to elect that Advances be made or once made be converted into or continued as an Affected Type of Loan by an Affected Lender or Lenders, as the case may be, shall be suspended until such time as the Administrative Agent shall notify the Cdn Borrowers that the circumstances having given rise to such suspension no longer exist. In the meantime, each Affected Lender shall fulfill its obligations to the Cdn Borrowers under this Agreement by way of Prime Rate Loans in respect of any Advance, conversion or rollover requested by the Cdn Borrowers in CORRA Loans and by way of Canada Base Rate Loans in respect of any Advance, conversion or rollover requested by the Cdn Borrowers in Term SOFR Loans; and
- 19.2.2 in the circumstances described in paragraph 19.1.1, each Affected Lender, over the course of the next ten (10) Business Days following the issuance of the notice by the Administrative Agent under Section 19.1, shall negotiate in good faith with the Borrowers and deliver to the Borrowers in writing the terms of a substitute basis for the continuation of the Affected Loans of such Affected Lender, or any part thereof, which is, financially, the substantial equivalent to such Affected Lender of the terms provided herein. If the terms of the Substitute Basis are accepted by the Borrowers, the Borrowers shall sign such documents and shall do all such things as the Affected Lenders shall reasonably consider necessary to give effect to the Substitute Basis, retroactively to the affected Borrowing Date. If by the expiry of the said ten (10) Business Days no agreement has been reached with respect to the Substitute Basis, the Affected Loans of each Affected Lender will automatically be converted into the Revolving Prime Rate Loan (to the extent the Affected Loans consist of CORRA Loans) or the Revolving Canada Base Rate Loan (to the extent the Affected Loans consist of Term SOFR Loans), as applicable, of such Affected Lender in accordance with Section 7.1 7.2, retroactively to the affected Borrowing Date, and the Cdn Borrowers shall pay, forthwith upon receipt of a demand therefor, the amounts referred to in Sections 19.5 and 19.6.
- 19.2.3 in the circumstances described in paragraph 19.1.1, the Administrative Agent and the Lenders, over the course of the next ten (10) Business Days following the issuance of the notice by the Administrative Agent under Section 19.1, shall negotiate in good faith with the Borrowers and deliver to the Borrowers in writing the terms of a substitute basis for the continuation of the Affected Loans, or any part thereof, which is, financially, the substantial equivalent to the Lenders of the terms provided herein. The terms of the Substitute Basis for the Affected Loans, or any part thereof, if they are accepted by the Borrowers, shall be effective from any such acceptance and the provisions of this Agreement respecting such Affected Type of Loan, ipso facto, shall be amended to accord with the terms of the Substitute Basis. The Borrowers shall

sign such documents, deeds and instruments, and shall do all such things as the Administrative Agent and the Lenders shall reasonably consider useful or necessary to give effect to the Substitute Basis. If by the expiry of the said ten (10) Business Days no agreement has been reached with respect to the Substitute Basis, the Affected Loans (i) to the extent such Affected Loans consist of Term SOFR Loans, will automatically be converted into Canada Base Rate Loans retroactively to the affected Borrowing Date, and (ii) to the extent such Affected Loans consist of CORRA Loans, will automatically be converted into Prime Rate Loans retroactively to the affected Borrowing Date, together with, in all cases, forthwith upon receipt of a demand therefor, the amounts referred to in Sections 19.5 and 19.6.

19.3 Change in Law

If any Finance Party determines (which determination shall be evidenced by a certificate submitted to the Borrowers and the Administrative Agent by such Finance Party) that:

19.3.1 a Change in Law has made or shall make it unlawful or contrary to any Applicable Law for such Finance Party to maintain or give effect to all or any part of its obligations as contemplated by this Agreement and the other Operative Documents, or to make or maintain all or any part of the CORRA Loans or the Term SOFR Loan hereunder of such Finance Party, then the obligations of such Finance Party to maintain or give effect to such part of such obligations, or to make or maintain such part of such CORRA Loan or such Term SOFR Loan shall terminate and, subject to the provisions of any such Applicable Law and those of Sections 19.5 and 19.6 with respect to losses and expenses, the Borrowers may convert such CORRA Loan or such Term SOFR Loan or any part thereof or alternatively may repay in full any such or other affected Loan or liability to such Finance Party, together, in each case, with all interest accrued thereon, which conversion or repayment shall be made, with respect to each relevant CORRA Advance or Term SOFR Advance, at the expiry of its Interest Period, or if in the reasonable judgment of such Finance Party immediate conversion or repayment is required, immediately upon demand of such Finance Party; or

19.3.2 a Change in Law has:

19.3.2.1 imposed, modified, or deemed applicable any loan ceiling against such Finance Party or imposed, modified or deemed applicable any special Tax (other than a Tax on the overall net income of such Finance Party and except for any U.S. federal withholding Taxes that would not have been imposed but for a failure by a Lender (or any financial institution through which any payment is made to such Lender) to comply with the procedures, certifications, information reporting, disclosure, or other related requirements of FATCA) deposit insurance, reserve, deposit or similar requirement

with respect to assets held by, deposits in or for the account of, the acquisition of funds by, or loans by such Finance Party; or

- 19.3.2.2 changed the basis of taxation of payments to such Finance Party under this Agreement (other than a change affecting taxation on the overall net income of such Finance Party); or
- 19.3.2.3 imposed on such Finance Party any other condition (including the amount of capital required or expected to be maintained by such Finance Party as a result of this Agreement, or its Commitment) or monetary restraint with respect to this Agreement, the CORRA Loans, the Term SOFR Loans or any part thereof of such Finance Party or any other Operative Document; and

the result of any of the foregoing is to increase the cost to such Finance Party of making or maintaining its Commitment, CORRA Loan, Term SOFR Loan or LC Liabilities or any part of any one thereof or to reduce any amount receivable by such Finance Party with respect to the CORRA Loan, the Term SOFR Loan or LC Liabilities or any part of any one thereof of such Finance Party by an amount which such Finance Party in its sole discretion deems to be material, then, the Borrowers, within fifteen (15) Business Days of receipt of the certificate referred to above (which certificate shall contain all required computations and reasonable explanations of the amounts required to be paid):

- 19.3.2.4 shall pay to such Finance Party, such additional amount computed by such Finance Party as will, on an after-tax basis, compensate such Finance Party for such additional cost or reduction in amounts receivable which such Finance Party determines to be attributable to the Borrowers or the Loans made to the Borrowers. Any payment of such additional amount required to be made under this subsection shall not in any event exceed an amount equal to the Commitments; and
- 19.3.2.5 subject to the provisions of Sections 19.5 and 19.6 with respect to losses and expenses, may **(i)** convert such CORRA Loans, LC Liabilities and Term SOFR Loans or any part thereof into a Revolving Prime Rate Loan or Revolving Canada Base Rate Loan, as applicable, or **(ii)** repay in full the CORRA, LC Liabilities and Term SOFR Loans or any part thereof together, in each case, with accrued interest thereon.

19.4 **Notice of Change in Law**

The Administrative Agent shall promptly give notice of receipt by it of any certificate delivered pursuant to the provisions of Section 19.3 to the Borrowers and the Finance Parties.

19.5 Reimbursement of Losses and Expenses

Whenever any Finance Party or the Administrative Agent shall sustain or incur any losses and expenses in connection with:

- 19.5.1 the failure of a Borrower to borrow pursuant to a Draw Request once delivered (whether by reason of such Borrower's decision not to proceed, the non-fulfilment of any of the conditions set forth in this Agreement, the existence of a Default on the relevant Drawdown Date or for any other reason); or
- 19.5.2 the declaration by the Administrative Agent following the occurrence of an Event of Default, that the Loans are immediately due and payable; or
- 19.5.3 the failure of the Borrowers to pay when due principal, interest, fees or any other amount under this Agreement (whether at maturity, by reason of acceleration or otherwise); or

- 19.5.5 the conversion or repayment of the whole or any part of any affected Loans or liabilities pursuant to Sections 19.1 or 19.3; or

(the events contemplated above shall be referred to individually as a "**Loss Event**" and the funds converted, repaid, not borrowed or not repaid, as the case may be, which are subject to any such Loss Event shall be collectively referred to as the "**Affected Funds**");

The Borrowers solidarily agree to pay such Finance Party or the Administrative Agent (for the benefit of such Finance Party), upon demand, an amount certified by such Finance Party or the Administrative Agent to be necessary to compensate such Finance Party for all such losses and expenses. The certificate of such Finance Party or the Administrative Agent, as the case may be, shall also specify the computation and reasonable explanations of the amount to be paid. The agreements of the Borrowers under this Section 19.5 shall survive the repayment of the Loans and the termination of the Credit Facilities.

19.6 Amount of Losses with respect to Term SOFR Loans or CORRA Loans

With respect to the Term SOFR Loans and CORRA Loans, the losses and expenses referred to in Section 19.5 shall consist of and be limited to, losses and expenses incurred by any Finance Party in connection with the redeployment of the Affected Funds in an amount equal to the premium, if any, that such Finance Party would be required to pay were it to purchase, in the relevant market, prior to its maturity, on the date of such Loss Event, a term deposit instrument in a principal amount equal to the affected portion of the Term SOFR Loans or CORRA Loans, as applicable, and whose maturity is equal to the remaining term of the affected Interest Period and bearing interest at a rate equal to the rate applicable or that would have been applicable under the terms hereof to the Affected Funds on the date of such Loss Event.

19.7 General Indemnity

The Borrowers hereby solidarily indemnify and hold harmless the Indemnified Parties from any and all losses and expenses that may be incurred by or awarded against any Indemnified Party, arising out of or relating to any investigation, litigation or proceeding relating to any Operative Document or any use made or proposed to be made with the proceeds of the Credit Facilities, whether or not such investigation, litigation or proceeding is brought by the Borrowers or any other Person, except to the extent such losses and expenses are found in a final, non-appealable judgment by a court of competent jurisdiction to have resulted from such Indemnified Party's intentional or gross fault.

19.8 Claims under the Indemnity

The Indemnified Party claiming indemnification under Section 19.7 shall give the Borrowers prompt notice in writing of particulars of any claim asserted by third parties against it which is covered by such indemnities.

19.9 Acknowledgement

The Borrowers acknowledge that the Lenders have agreed to make the Loans in reliance upon the representations, warranties and covenants in this Agreement relating to the environment. For this reason, it is the intention of the Borrowers and the Lenders that the Borrowers shall be liable for any liability or indebtedness arising under this Article even if the amount of liability incurred exceeds the amount of the Loans. The liability and indebtedness of the Borrowers arising under this Article shall constitute part of the Obligations, shall be guaranteed by the Guarantee Agreements, shall be secured under the other Security Documents, are absolute and unconditional and shall not be affected by any act, omission, or circumstance whatsoever, whether or not occasioned by the fault of the Lenders, the Administrative Agent or any one thereof, except in respect of the gross or intentional fault by the Lenders, the Administrative Agent, their respective directors, officers, employees, advisors, representatives and agents or any one thereof. All of the representations, warranties, covenants and indemnities of this Agreement relating to the environment shall survive the repayment of the Loans and shall survive the transfer of any or all right, title and interest in and to the Business Assets of any Credit Party to

any party, whether or not affiliated with such Credit Party for a period of three (3) years following the repayment in full of the Loans and the cancellation of the Credit Facilities.

19.10 **Mitigation Obligations**

If any Lender requests compensation under this Article 19, then such Lender shall use reasonable efforts to designate a different lending office for funding or booking its Loan hereunder or to assign its rights and obligations hereunder to another of its offices, branches or Affiliates, if, in the judgment of such Lender, such designation or assignment (i) would eliminate or reduce amounts payable under this Article 19 in the future and (ii) would not subject such Lender to any unreimbursed cost or expense and would not otherwise be disadvantageous to such Lender. The Borrowers hereby solidarily agree to pay all reasonable costs and expenses incurred by any Lender in connection with any such designation or assignment.

19.11 **Benchmark Replacement Setting**

19.11.2 **Benchmark Replacement Conforming Changes**. In connection with the implementation, use, adoption and administration of a Benchmark Replacement, the Administrative Agent will have the right to make

20.2 **Declaration of Agency**

The Administrative Agent declares that it shall hold the Liens entrusted to it, the Business Assets charged thereby and rights granted to it under each Operative Document, for its own benefit and as agent for the rateable benefit of each Lender. The rights vested in the Administrative Agent by any Operative Document shall be performed by it in accordance with the provisions of this Article.

20.3 **Protection of Administrative Agent**

20.4 **Interest Holders**

The Administrative Agent may treat each Lender as the holder of all of the interests of such Lender in respect of the Facilities until a duly executed and delivered Loan Transfer Agreement, in form and substance satisfactory to the Administrative Agent, has been delivered to the Administrative Agent and the Administrative Agent has been paid its required processing fee for such Assignment.

20.5 **Consultation with Professionals**

Each Agent may engage and consult with Finance Parties' Counsel, accountants, consultants, financial advisors and other experts and such Agent shall not be liable for any action taken or not taken or suffered by it in good faith and in accordance with the advice and opinion of Finance Parties' Counsel or such accountants, consultants, financial advisors or other experts.

20.6 **Operative Documents**

The Administrative Agent shall be under no duty or obligation to examine, enquire into or pass upon the validity, effectiveness or genuineness of any Operative Document or any other agreement, document, instrument or communication furnished pursuant to or in connection with any Operative Document, and the Administrative Agent shall be entitled to assume that the same are valid, effective and genuine, have been signed or sent by the proper parties and are what they purport to be. In order to give effect to any instructions received from time to time by the Required Lenders, the Administrative Agent is hereby authorized to enter into and deliver, on behalf of the Lenders, all such Operative Documents as it may consider necessary or required

and such Operative Documents shall be binding on all the Lenders. Without limiting the generality of the provisions of the foregoing sentence, the Administrative Agent is expressly authorized to enter into and deliver, on behalf of the Lenders, all such Operative Documents, including all Operative Documents referred to or contemplated in Article 10 and Article 11.

20.7 **The Administrative Agent and its Subsidiaries and Affiliates**

The Administrative Agent shall only have those contractual obligations expressly set forth in the Operative Documents. The Administrative Agent shall have no duty or obligation to investigate whether any Default has occurred. The Administrative Agent shall be entitled to assume that no Default has occurred and is continuing, unless an officer of the Administrative Agent charged with the administration of this Agreement has actual knowledge or has been notified by a Borrower of such fact or has been notified by the Majority Lenders that they consider that a Default has occurred and is continuing, such notification to specify in detail the nature thereof.

20.9 **Action by the Administrative Agent**

The Administrative Agent shall incur no obligation under or in respect of the Operative Documents with respect to anything which it may do or refrain from doing in the reasonable exercise of its judgment or which may seem to it to be necessary or desirable in the circumstances, except for its intentional or gross fault.

20.9.2 The Administrative Agent shall in all cases be fully protected in acting or refraining from acting under any Operative Document in accordance with the

instructions of the Required Lenders, and any action taken or failure to act pursuant to such instructions shall be binding on all Finance Parties.

- 20.9.3 Notwithstanding anything else herein contained, the Administrative Agent may refrain from doing anything which would or might in its opinion be contrary to any Applicable Law or which would or might otherwise render it liable to any Person and may do anything which is, in its opinion, necessary to comply with any Applicable Law.
- 20.9.4 Notwithstanding subsection 20.9.1, the Administrative Agent may refrain from acting in accordance with any instructions of the Required Lenders to begin any litigation, arising out of or in connection with any Operative Document until it has received such security as it may require (whether by way of payment in advance or otherwise) for all losses and expenses which it will or may expend or incur in complying with such instructions.
- 20.9.5 The Borrowers shall not be required to inquire whether, and may assume that, the Administrative Agent is acting in accordance with the instructions of the Required Lenders at all times.

20.10 **Notice of Events of Default**

- 20.10.1 In the event that an officer of the Administrative Agent charged with the administration of this Agreement is notified of any Default, the Administrative Agent shall promptly notify the Finance Parties, and, subject to Section 20.9, the Administrative Agent shall take such action and assert such rights under the Operative Documents as the Required Lenders shall request in writing, and the Administrative Agent shall not be subject to any liability by reason of its acting pursuant to any such request.
- 20.10.2 Prior to receiving any instructions from the Required Lenders in respect of such Default, the Administrative Agent may, but shall not be obliged to, take such action or assert such rights (other than those matters requiring unanimous Lender consent) as it deems in its discretion to be advisable for the protection of the Finance Parties, except that, if the Required Lenders have instructed the Administrative Agent not to take such action or assert such rights, in no event shall the Administrative Agent act contrary to those instructions.

20.11 **Responsibility Disclaimed**

The Administrative Agent, in its capacity as Administrative Agent, shall be under no obligation whatsoever:

Payment by the Lenders to the Administrative Agent pursuant to this Section 20.12 shall not discharge or satisfy any obligation of the Borrowers to make such payment to the Administrative Agent, but rather the Lenders making such payment shall be subrogated to the rights of the Administrative Agent against the Borrowers in respect thereof.

20.13 **Protection of Employees**

Each reference in Sections 20.1, 20.9, 20.10, 20.11, 20.12 and 20.15 to the Administrative Agent shall (to the extent the context so admits) be deemed to include the Administrative Agent and its directors, officers, employees, agents, solicitors, accountants, consultants, financial advisors, other experts and all other representatives and the Administrative Agent shall be constituted as agent and bare trustee of each such Person and shall hold and enforce their rights under said Sections for their respective benefits.

- 20.14.2 so long as any portion of its Loan remains outstanding it will continue to make its own independent evaluation of the financial condition and affairs of each Credit Party.

20.15 Replacement Administrative Agent

- 20.15.1 The Administrative Agent (a "**Resigning Agent**") may resign at any time by giving written notice thereof to the other Finance Parties and the Borrowers. If no replacement to the Resigning Agent shall have been so appointed and shall have accepted such appointment within 15 days of receipt of such notice, the Majority Lenders shall, within the following 15 days, appoint a replacement that may, but need not be, a Lender but that shall be, with respect to the Revolving Facility, a financial institution to which payments are not subject to Part XIII of the *Income Tax Act* (Canada) and which has a branch in Montréal, Québec or Toronto, Ontario, and provided no Default shall have then occurred and be continuing, that shall be acceptable to the Borrowers.

- 20.15.5 The Administrative Agent may also be removed at any time by the Majority Lenders on the grounds that the Administrative Agent has failed to comply, in all material respects, with its obligations towards any Lender and has not remedied such failure within a reasonable delay following its receipt of a notice from the Majority Lenders describing such failure. The foregoing provisions of this Section 20.15 will apply *mutatis mutandis* to an Administrative Agent that is being so removed.

20.16 **Delegation**

- 20.17.2 Without the prior consent of every Lender and the Borrowers, no amendment, waiver or other action of, or in respect of, any Operative Document (other than Derivative Instruments) shall:
- 20.17.2.1 increase the aggregate amount of any Credit Facility, the amount or term of any of the Commitments or the proportion represented by the Rateable Share of any Lender, except to the extent expressly permitted or required in this Agreement;

- amendments to the definition of "Senior Debt to Tangible Net Worth" or any of its constituent parts);

- 20.17.4 Nothing contained in this Agreement or the other Operative Documents, including, without limitation, the specific reference to Lenders in certain provisions and to Majority Lenders in other provisions, should be construed or interpreted as in any way limiting or restricting the generality of the provisions of this Section 20.17.
- 20.17.5 No amendment or waiver of any provision of any Operative Document shall affect any of the rights or obligations of any Swingline Lender under any Operative Document without the prior consent of such Swingline Lender.
- 20.17.6 Notwithstanding anything to the contrary herein, only the consent of the relevant Lender or Hedging Creditor shall be required in connection with any amendment, waiver or other action under, or in respect of, any Hedge Contracts entered into by such Lender or Hedging Creditor.

20.19 **Rights, Benefits and Recourses Created by the Operative Documents**

The parties hereto do hereby expressly acknowledge, declare and agree that the rights, benefits and recourses created and intended to be created at any time and from time to time by any of the Operative Documents in favour of the Administrative Agent or in favour of the Finance Parties or any one thereof, are created and intended to be created in favour of the Lenders, and in favour of the Administrative Agent as agent for such Person or Persons that now are or may, at any time and from time to time, become Finance Parties, in the same manner and to the same extent as though each such Person was personally an original party to or a Person specifically named as a beneficiary in the said documents.

The Administrative Agent may satisfy its obligations under this Agreement to deliver to the Lenders copies of the information, notices and reports referred to in this Agreement by posting this information onto a secure and confidential electronic website (which shall include IntraLinks and DebtDomain) designated by the Administrative Agent to which the Lenders have access provided that notice of any such posting is provided to the Lenders by the Administrative Agent directly or by the notification process provided by any such website. The Administrative Agent shall supply the Lenders with the address of and any relevant password specifications for that designated website.

20.21 **Solicitation of Lenders**

The Borrowers will not directly or indirectly pay or cause to be paid any remuneration, whether by way of supplemental or additional interest, fee or otherwise, grant any security, to any Lender as consideration for or as an inducement to the entering into by any Lender of any waiver or amendment of any of the terms and provisions hereof or of the other Operative Documents unless such remuneration is concurrently paid, or security is concurrently granted, on the same terms, rateably to each Lender even if such Lender did not consent to such waiver or amendment.

20.22 **Hedging Creditors**

It is hereby acknowledged and agreed by the parties hereto that notwithstanding any provision of any Operative Document to the contrary, the Hedging Creditors shall have no right to direct or instruct the Administrative Agent to take any action or refrain from taking any action unless and until the Loans have been indefeasibly paid in full.

20.23 **No Reliance on Administrative Agent's Customer Identification Program**

Each Lender acknowledges and agrees that neither such Lender, nor any of its Affiliates, Participants or Assignees, may rely on the Administrative Agent to carry out such Lender's, Affiliate's, Participant's or Assignee's customer identification program, or other obligations required or imposed under or pursuant to Applicable Law, including any programs involving any of the following items relating to or in connection with any of the Borrowers, their respective Affiliates or their respective representatives, the Operative Documents or the transactions hereunder or contemplated hereby: **(a)** any identity verification procedures, **(b)** any

recordkeeping, (c) comparisons with government lists, (d) customer notices or (e) other procedures required under Applicable Law.

Notwithstanding anything to the contrary herein contained, none of the Persons identified on the facing page or signature page of this Agreement as "Lead Arranger" or "Sole Bookrunner" shall have any right, power, obligation, liability, responsibility or duty under this Agreement or any other Operative Document in its capacity as such. Without limiting the foregoing, no such Person so identified shall have or be deemed to have any mandatary or fiduciary relationship to any Finance Party or any Credit Party.

20.25 Erroneous Payments

- 20.25.1 If the Administrative Agent notifies a Lender, the LC Issuing Lender, a Finance Party, or any Person who has received funds on behalf of a Lender, LC Issuing Lender or Finance Party (any such Lender, LC Issuing Lender, Finance Party or other recipient, a **Payment Recipient**) that the Administrative Agent has determined in its sole discretion (whether or not after receipt of any notice under subsection 20.25.2) that any funds received by such Payment Recipient from the Administrative Agent or any of its Affiliates were erroneously transmitted to, or otherwise erroneously or mistakenly received by, such Payment Recipient (whether or not known to such Lender, LC Issuing Lender, Finance Party or other Payment Recipient on its behalf) (any such funds, whether received as a payment, prepayment or repayment of principal, interest, fees, distribution or otherwise, individually and collectively, an **Erroneous Payment**) and demands the return of such Erroneous Payment (or a portion thereof), such Erroneous Payment shall at all times remain the property of the Administrative Agent and shall be segregated by the Payment Recipient and held in trust for the benefit of the Administrative Agent, and such Lender, LC Issuing Lender or Finance Party shall (or, with respect to any Payment Recipient who received such funds on its behalf, shall cause such Payment Recipient to) promptly, but in no event later than two Business Days thereafter, return to the Administrative Agent the amount of any such Erroneous Payment (or portion thereof) as to which such a demand was made, in same day funds (in the currency so received), together with interest thereon in respect of each day from and including the date such Erroneous Payment (or portion thereof) was received by such Payment Recipient to the date such amount is repaid to the Administrative Agent in same day funds at the greater of (x) in respect of an Erroneous Payment in U.S. Dollars, the Federal Funds Effective Rate, and in respect of an Erroneous Payment in Canadian Dollars or any other currency at a fluctuating rate per annum equal to the overnight rate at which Canadian Dollars or funds in the currency of such Erroneous Payment, as the case may be, may be borrowed by the Administrative Agent in the interbank market in an amount comparable to such Erroneous Payment (as determined by the Administrative Agent) and (y) a rate determined by the Administrative Agent in accordance with banking

industry rules on interbank compensation from time to time in effect. A notice of the Administrative Agent to any Payment Recipient under this subsection 20.25.1 shall be conclusive, absent manifest error.

20.25.2 Without limiting subsection 20.25.1, each Lender, LC Issuing Lender or Finance Party, or any Person who has received funds on behalf of a Lender, LC Issuing Lender or Finance Party, hereby further agrees that if it receives a payment, prepayment or repayment (whether received as a payment, prepayment or repayment of principal, interest, fees, distribution or otherwise) from the Administrative Agent (or any of its Affiliates) (x) that is in a different amount than, or on a different date from, that specified in a notice of payment, prepayment or repayment sent by the Administrative Agent (or any of its Affiliates) with respect to such payment, prepayment or repayment, (y) that was not preceded or accompanied by a notice of payment, prepayment or repayment sent by the Administrative Agent (or any of its Affiliates), or (z) that such Lender, LC Issuing Lender or Finance Party, or other such recipient, otherwise becomes aware was transmitted, or received, in error or by mistake (in whole or in part) in each case:

20.25.2.1 (A) in the case of immediately preceding clauses (x) or (y) of subsection 20.25.2, an error shall be presumed to have been made (absent written confirmation from the Administrative Agent to the contrary) or (B) an error has been made (in the case of immediately preceding clause (z) of subsection 20.25.2), in each case, with respect to such payment, prepayment or repayment; and

20.25.2.2 such Lender, LC Issuing Lender or Finance Party shall (and shall cause any other recipient that receives funds on its respective behalf to) promptly (and, in all events, within one Business Day of its knowledge of such error) notify the Administrative Agent of its receipt of such payment, prepayment or repayment, the details thereof (in reasonable detail) and that it is so notifying the Administrative Agent pursuant to this) subsection 20.25.2.

20.25.3 Each Lender, LC Issuing Lender or Finance Party hereby authorizes the Administrative Agent to set off, net and apply any and all amounts at any time owing to such Lender, LC Issuing Lender or Finance Party under any Operative Document, or otherwise payable or distributable by the Administrative Agent to such Lender, LC Issuing Lender or Finance Party from any source, against any amount due to the Administrative Agent under subsection 20.25.1 or under the indemnification provisions of this Agreement.

20.25.4 In the event that an Erroneous Payment (or portion thereof) is not recovered by the Administrative Agent for any reason, after demand therefor by the Administrative Agent in accordance with subsection 20.25.1, from any Lender or LC Issuing Lender that has received such Erroneous Payment (or portion thereof) (and/or from any Payment Recipient who received such Erroneous

Payment (or portion thereof) on its respective behalf) (such unrecovered amount, an **Erroneous Payment Return Deficiency**), upon the Administrative Agent's notice to such Lender or LC Issuing Lender at any time, (i) such Lender or LC Issuing Lender shall be deemed to have assigned its Loans (but not its Commitment) of the relevant class with respect to which such Erroneous Payment was made (the **Erroneous Payment Impacted Class**) in an amount equal to the Erroneous Payment Return Deficiency (or such lesser amount as the Administrative Agent may specify) (such assignment of the Loans (but not Commitment) of the Erroneous Payment Impacted Class, the **Erroneous Payment Deficiency Assignment**) at par plus any accrued and unpaid interest (with the assignment fee to be waived by the Administrative Agent in such instance), and is hereby (together with the Borrower) deemed to execute and deliver a Loan Transfer Agreement (or, to the extent applicable, an agreement incorporating a Loan Transfer Agreement by reference pursuant to an approved electronic platform as to which the Administrative Agent and such parties are participants) with respect to such Erroneous Payment Deficiency Assignment, and such Lender or LC Issuing Lender shall deliver any notes evidencing such Loans to the Borrowers (or the applicable one thereof) or the Administrative Agent, (ii) the Administrative Agent as the assignee Lender shall be deemed to acquire the Erroneous Payment Deficiency Assignment, (iii) upon such deemed acquisition, the Administrative Agent as the assignee Lender shall become a Lender or LC Issuing Lender, as applicable, hereunder with respect to such Erroneous Payment Deficiency Assignment and the assigning Lender or assigning LC Issuing Lender shall cease to be a Lender or LC Issuing Lender, as applicable, hereunder with respect to such Erroneous Payment Deficiency Assignment, excluding, for the avoidance of doubt, its obligations under the indemnification provisions of this Agreement and its applicable Commitment which shall survive as to such assigning Lender or assigning LC Issuing Lender and (iv) the Administrative Agent may reflect in the loan register it maintains its ownership interest in the Loans subject to the Erroneous Payment Deficiency Assignment. The Administrative Agent may, in its discretion, sell any Loans acquired pursuant to an Erroneous Payment Deficiency Assignment and upon receipt of the proceeds of such sale, the Erroneous Payment Return Deficiency owing by the applicable Lender or LC Issuing Lender shall be reduced by the net proceeds of the sale of such Loan (or portion thereof), and the Administrative Agent shall retain all other rights, remedies and claims against such Lender or LC Issuing Lender (and/or against any recipient that receives funds on its respective behalf). For the avoidance of doubt, no Erroneous Payment Deficiency Assignment will reduce the Commitment of any Lender or LC Issuing Lender and such Commitment shall remain available in accordance with the terms of this Agreement. In addition, each party hereto agrees that, except to the extent that the Administrative Agent has sold a Loan (or portion thereof) acquired pursuant to an Erroneous Payment Deficiency Assignment, and irrespective of whether the Administrative Agent may be equitably subrogated, the Administrative Agent

shall be contractually subrogated to all the rights and interests of the applicable Lender, LC Issuing Lender or Finance Party under the Operative Documents with respect to each Erroneous Payment Return Deficiency (the **Erroneous Payment Subrogation Rights**).

- 20.25.5 The parties hereto agree that an Erroneous Payment shall not pay, prepay, repay, discharge or otherwise satisfy any Obligations owed by the Borrowers or any other Credit Party, except, in each case, to the extent such Erroneous Payment is, and solely with respect to the amount of such Erroneous Payment that is, comprised of funds received by the Administrative Agent from the Borrowers or any other Credit Party for the purpose of making such Erroneous Payment.
- 20.25.6 To the extent permitted by Applicable Law, no Payment Recipient shall assert any right or claim to an Erroneous Payment, and hereby waives, and is deemed to waive, any claim, counterclaim, defense or right of set-off or recoupment with respect to any demand, claim or counterclaim by the Administrative Agent for the return of any Erroneous Payment received, including without limitation waiver of any defense based on "discharge for value" or any similar doctrine
- 20.25.7 Each party's obligations, agreements and waivers under this Section 20.25 shall survive the resignation or replacement of the Administrative Agent, any transfer of rights or obligations by, or the replacement of, a Lender or LC Issuing Lender, the termination of the Commitments and/or the repayment, satisfaction or discharge of all Obligations (or any portion thereof) under any Operative Document.

ARTICLE 21

OPERATION OF ACCOUNTS

21.1 Notice of Advance to the Finance Parties

Upon receipt of any Draw Request, Conversion Request or Repayment Notice, the Administrative Agent shall promptly notify each Finance Party of the receipt of such request or notice and, subject to Section 4.3, of the Rateable Share of the requested Advance of each Revolving Lender or of the contemplated repayment, as the case may be.

21.2 Interlender Procedure for Making Advances

- 21.2.1 With respect to any Direct Advance, by no later than 11:00 a.m. (local time in the place of payment) on the requested Borrowing Date, each Revolving Lender shall make available to the Administrative Agent its Rateable Share of the requested Advance in same-day funds in the appropriate currency by wire-transferring such amount to the Administrative Agent's Account.

- 21.2.2 With respect to Advances requested by way of LCs, the Advance shall be made by delivery by the LC Issuing Lender of the requested LCs as contemplated in Section 6.2.

21.3 Deposits By or on Behalf of Lenders to Constitute Advances

With respect to each Borrowers' Account, all deposits and credits made into said accounts under the terms hereof by the Administrative Agent, on behalf of the Revolving Lenders, and required to be so deposited or credited pursuant to a Draw Request or Conversion Request, shall constitute Advances by the Revolving Lenders under the terms hereof.

21.4 Bank Account

The Administrative Agent will open and maintain on its books, for the purpose of this Agreement for the account of each Borrower, at the Canadian Account Branch, bank accounts for debits, deposits, credits and transfers in Canadian Dollars and in US Dollars, it being expressly understood that no Borrower shall close such accounts while any of the Loans remain outstanding, save only in the case of a change in the Administrative Agent, where the Borrowers may close the accounts that they had maintained with the Resigning Agent.

21.5 Maintenance of Loan Records by the Administrative Agent

- 21.5.1 The Administrative Agent will open and maintain on its books, at the Administrative Agent's Office, a loan record for each Borrower evidencing the aggregate Indebtedness of such Borrower to the Finance Parties hereunder and each constituent part of the Loans. The Administrative Agent shall record therein the amount of each Direct Advance and the issuance of each LC, and shall enter therein each payment of principal and interest on the said Loans and all amounts paid by the Borrowers on account of LC Liabilities and all other amounts paid by the Borrowers and becoming due under this Agreement.
- 21.5.2 The said loan records shall constitute, in the absence of manifest error, *prima facie* evidence of the whole and each constituent part of the Loans, the date any Advance is made to a Borrower and the aggregate amounts from time to time paid by a Borrower on account of such Loans, in principal, interest, fees and other amounts due hereunder. Any failure of the Administrative Agent to record a transaction on any loan record in a timely fashion shall not affect or impair the validity of the obligation of the Borrowers to repay the Loans, as and when herein provided. The obligations of the Borrowers to repay the Loans shall be evidenced by this Agreement and by the loan records maintained by the Administrative Agent, it being the intent of the parties hereto that the obligations of the Borrowers with respect to the Loans are to be evidenced only as stated herein and not by separate promissory notes.

21.6 **Authority to Debit and Credit**

Each Borrower does hereby expressly and irrevocably authorize the Administrative Agent and each Swingline Lender to effect all any necessary debits, deposits, credits and transfers in, from or to any Borrowers' Account or Borrowers' Operating Account, as the case may be, in order to accommodate the Lenders in making Advances and in order to accommodate the Borrowers in making payments to the Finance Parties and the Administrative Agent, the whole under and subject to the provisions of this Agreement.

21.7 **Failure by Any Lender to Advance**

21.7.1 Unless the Administrative Agent has actual knowledge that a Lender has not made or will not make available to the Administrative Agent for value on a Drawdown Date the applicable amount required from such Lender pursuant to Section 21.1, the Administrative Agent shall be entitled to assume that such amount has been or will be received from such Lender when so due and the Administrative Agent may (but shall not be obliged to), in reliance upon such assumption, make available to the applicable Borrower that has requested such Advance a corresponding amount. If such amount is not in fact received by the Administrative Agent from such Lender on such Drawdown Date and the Administrative Agent has made available a corresponding amount to the Borrower on such Drawdown Date as aforesaid, such Lender shall pay to the Administrative Agent on demand such amount together with an amount equal to the product of (i) the Interbank Reference Rate per annum multiplied by (ii) the amount that should have been paid to the Administrative Agent by such Lender on such Drawdown Date and was not, multiplied by (iii) a fraction, the numerator of which is the number of days that have elapsed from and including such Drawdown Date to but excluding the date on which the amount is received by the Administrative Agent from such Lender and the denominator of which is the number of days in the calendar year in which the same is to be ascertained. A certificate of the Administrative Agent containing details of the amounts owing by a Lender under this Section shall be binding and conclusive in the absence of manifest error. If any such principal amount is not in fact received by the Administrative Agent from such Lender on such Drawdown Date, the Administrative Agent shall be entitled to recover from the Borrowers, on demand, the related amount made available by the Administrative Agent to the relevant Borrower as aforesaid together with interest thereon at the applicable rate per annum payable by the Borrowers hereunder.

21.7.2 Notwithstanding the provisions of subsection 21.7.1, if any Lender becomes a Defaulting Lender, the Administrative Agent shall forthwith give notice of such failure by the Defaulting Lender to the Borrower and the other Lenders. The Administrative Agent shall then forthwith give notice to the other Lenders that any Lender may make available to the Administrative Agent all or any portion of the Defaulting Lender's Rateable Share of such Advance (but

in no way shall any other Lender or the Administrative Agent be obliged to do so) in the place of the Defaulting Lender. If more than one Lender gives notice that it is prepared to make funds available in the place of a Defaulting Lender in such circumstances and the aggregate of the funds which such Lenders (herein collectively called the "**Contributing Lenders**" and individually called the "**Contributing Lender**") are prepared to make available exceeds the amount of the Advance which the Defaulting Lender failed to make, then each Contributing Lender shall be deemed to have given notice that it is prepared to make available its Rateable Share of such Advance based on the Contributing Lenders' relative commitments to advance in such circumstances. If any Contributing Lender makes funds available in the place of a Defaulting Lender in such circumstances, then the Defaulting Lender shall pay to any Contributing Lender making the funds available in its place, forthwith on demand, any amount advanced on its behalf together with interest thereon at the rate applicable to such Advance from the date of advance to the date of payment, against payment by the Contributing Lender making the funds available of all interest received in respect of the Advance from the Borrowers. The failure of any Lender to make available to the Administrative Agent its Rateable Share of any Advance as required herein shall not relieve any other Lender of its obligations to make available to the Administrative Agent its Rateable Share of any Advance as required herein.

- 21.7.3 If any Lender becomes a Defaulting Lender and no other Lender provides notice that it is prepared to act as a Contributing Lender pursuant to subsection 21.7.2, the Borrowers may specify one or more other Persons satisfactory to the Administrative Agent and the Swingline Lenders (which may include one or more other Lenders), acting reasonably, to become Lenders and to assume all, or a rateable portion of, the Commitments of (and the Obligations due to) each such Defaulting Lender under the Facilities.

21.8 **European Union Bail-In Action**

Notwithstanding anything to the contrary in this Agreement or in any other agreement, arrangement or understanding among any such parties, each party hereto acknowledges that any liability of any Affected Financial Institution arising under this Agreement, to the extent such liability is unsecured, may be subject to the write-down and conversion powers of the applicable Resolution Authority and agrees and consents to, and acknowledges and agrees to be bound by:

- 21.8.1 the application of any Write-Down and Conversion Powers by the applicable Resolution Authority to any such liabilities arising hereunder which may be payable to it by any party hereto that is an Affected Financial Institution; and
- 21.8.2 the effects of any Bail-in Action on any such liability, including, if applicable:
- 21.8.2.1 a reduction in full or in part or cancellation of any such liability;

- 21.8.2.2 a conversion of all, or a portion of, such liability into shares or other instruments of ownership in such Affected Financial Institution, its parent undertaking, or a bridge institution that may be issued to it or otherwise conferred on it, and that such shares or other instruments of ownership will be accepted by it in lieu of any rights with respect to any such liability under this Agreement; or
- 21.8.2.3 the variation of the terms of such liability in connection with the exercise of the Write-Down and Conversion Powers of any applicable Resolution Authority.

ARTICLE 22

MISCELLANEOUS

22.1 Notices

Except as otherwise specified herein, all notices, requests, demands or other communications to or upon the respective parties hereto shall be given or made to the party to which such notice, request, demand or other communication is required or permitted to be given or made under this Agreement by certified mail, postage prepaid, by electronic mail or by personal delivery at its address and attention set forth in Appendix "I" hereto or at such other address as any of the parties hereto may hereafter notify the others in writing. Any notice given by personal delivery or by a delivery service will be conclusively deemed to have been given at the time of such delivery and, if given by electronic mail, on the day of transmittal if before 3:00 p.m. on a Business Day, or on the following Business Day if such transmission occurs on a day which is not a Business Day or after 3:00 p.m. on a Business Day. If the mail or electronic transmission system suffers any interruptions by way of a strike, slow-down, a *force majeure*, or any other cause, a party giving a notice must do so using another means of communication not affected by the disruption.

No other method of giving notice is hereby precluded, provided however that (i) electronic mail and internet and intranet websites may be used only to distribute routine communications, such as financial statements and other similar information and may not be used for any other purposes, and (ii) the Borrowers may use electronic mail to deliver to the Administrative Agent any Draw Request, Repayment Notice or Conversion Request, provided that, in all cases, where any such information, request or notice is a document that shall be signed by any Borrower or any Responsible Officer, as the case may be, same shall be furnished in a "pdf" format or similar format evidencing any such signature, and provided further that in the case of any Draw Request, Repayment Notice or Conversion Request so delivered to the Administrative Agent by "pdf" or such similar format within the delays herein contemplated, any such Draw Request, Repayment Notice or Conversion Request shall be confirmed by the relevant Borrower by telephonic notice to the Administrative Agent within the same delays.

22.2 Calculations and Determinations Shall Constitute Prima Facie Proof

In the absence of manifest error, any calculation or determination to be made by the Administrative Agent, any Finance Party or the Majority Lenders under this Agreement, when made, shall constitute *prima facie* evidence for all of the parties hereto.

22.3 Rights and Recourses Cumulative

The rights and remedies of each Finance Party under this Agreement shall be cumulative and not exclusive of any right or remedy which each Finance Party would otherwise have and no failure or delay by the Administrative Agent or any Finance Party in exercising any right shall operate as a waiver thereof, nor shall any single or partial exercise of any power or right preclude its other or further exercise or the exercise of any other power or right.

22.4 Assignments by the Borrowers

The rights of each Borrower hereunder are declared to be purely personal and may therefore not be assigned or transferred, nor can any Borrower assign or transfer any of its obligations, any such assignment being null and void insofar as the Finance Parties are concerned and rendering any balance then outstanding of the Loans immediately due and payable at the option of the Administrative Agent and relieving the Lenders from the obligation of making any or any further Advances hereunder.

22.5 Assignments and Participations by Lenders

22.5.1 Any Lender may at any time enter into Assignments, provided, that no such Assignment to a separate legal entity shall be effective:

22.5.1.1 unless the Assignee or potential Participant is a Person other than a natural Person, a Borrower, any other Credit Party or any Affiliate or Subsidiary of a Borrower and is FATCA compliant;

22.5.1.2 until the Administrative Agent, the LC Issuing Lender and the Swingline Lenders shall consent to same, which consent shall not be unreasonably withheld, provided however that no such consent shall be required for an Assignment to a Lender;

22.5.1.3 until the Borrowers shall consent to same, which consent shall not be unreasonably withheld, provided, however, that (i) in the event any such Assignment shall result, under the then Applicable Laws, in the Borrowers having to indemnify or pay additional amounts to the Assignee pursuant to Article 18, same shall constitute a sufficient reason to withhold such consent, (ii) no such consent shall be required for an Assignment to a Lender, an Affiliate of a Lender or an Approved Fund unless any such Assignment shall result, under the then Applicable Laws, in the Borrowers having to indemnify or pay additional amounts to such Assignee pursuant to

Article 18, and **(iii)** where such Assignment is to occur at a time where a Default has occurred and is continuing, no such consent shall be required;

22.5.1.4 until a Loan Transfer Agreement shall have been executed by such Lender, the Assignee, the Administrative Agent and the Borrowers and delivered to the Administrative Agent and the Borrowers. Each Borrower hereby covenants and agrees not to unreasonably withhold its execution of the aforesaid instrument. The signature of the Borrowers shall only be required under the terms of this subsection where such Assignment is to occur at a time where no Default has occurred and is continuing; and

22.5.1.5 such Lender has paid to the Administrative Agent, for its exclusive benefit, a fee of CDN\$5,000.

Any Lender may, without the consent of the Borrowers or the Administrative Agent, pledge its rights hereunder or under any Loan as collateral security for extensions of credit from any Federal Reserve Bank.

22.5.2 Upon such execution and delivery and provided the other conditions of this Section 22.5 shall have been met, such Lender shall be released from its Commitments and other obligations hereunder to the extent of such Assignment, and such Assignee shall for all purposes be a Lender party to this Agreement, and shall have all the rights and obligations of a Lender under this Agreement and shall be entitled to the benefit of the provisions hereof, to the same extent as if it were an original party hereto, and no further consent or action by the Borrowers, the Lenders or the Administrative Agent shall be required. Each Loan Transfer Agreement shall constitute an amendment to this Agreement and more particularly to Schedule "A" hereto to the extent, and only to the extent, necessary to reflect the addition of such Assignee as a Lender and the resulting adjustment of the Commitments, if any, resulting from the aforesaid Assignment.

22.5.3 Without in any way limiting the generality of any of the foregoing, the Borrowers shall, at the request of any Lender which so Assigns any of its interest under this Agreement, execute and deliver to such Lender or to such party or parties as such Lender may designate any and all further instruments or documents and use its best efforts to obtain any and all further authorizations or approvals, and make any and all further registrations, filings or notifications, as may be necessary or desirable to give full force and effect to such Assignment.

22.5.4 Any Assignment contemplated in this Section 22.5 must be either for the entire amount of the Commitments and the Loan of a Lender or where it is for a lesser amount, such amount must not be such that the Commitment of the Assigning Lender would be reduced by less than CDN\$5,000,000 nor must

the remaining amount of the Commitment of the Assigning Lender following such an Assignment be less than CDN\$5,000,000. Notwithstanding the foregoing, where any such Assignment is being made while a Default has occurred and is continuing, none of the restrictions contained in this subsection 22.5.4 shall apply to such Assignment.

- 22.5.5 Any Lender may, without the consent of any Borrower, the Administrative Agent or any LC Issuing Lender, sell participations to one or more banks or other entities (a "**Participant**") in all or a portion of such Lender's rights and obligations under this Agreement (including all or a portion of its Commitment and the Loan owing to it); provided that (i) such Lender's obligations under this Agreement shall remain unchanged, (ii) such Lender shall remain solely responsible to the other parties hereto for the performance of such obligations, and (iii) the Borrowers, the Administrative Agent, the LC Issuing Lender and the other Lenders shall continue to deal solely and directly with such Lender in connection with such Lender's rights and obligations under this Agreement.
- 22.5.6 For the purposes of this Section 22.5, each Lender, subject to the prior consent of the Borrowers (which consent shall not be required if the prospective Assignee, transferee or Participant is a Lender, an Affiliate of a Lender or an Approved Fund) and subject to Section 22.17, which consent shall not be unreasonably withheld, may provide, on a confidential and need-to-know basis, any prospective Assignees, transferees or Participants with this Agreement, the other Operative Documents as well as all information, reports, budgets, projections and documents, which are made available to each Lender by the Borrowers in connection with this Agreement, from time to time provided that the prior consent of the Borrower is not required at any time where a Default has occurred and is continuing.
- 22.5.7 In addition to the other conditions specified in this Agreement, no assignment of rights and obligations of a Defaulting Lender shall be effective until the parties to the assignment have made additional payments to the Administrative Agent in an amount sufficient, upon distribution of the payments as appropriate, to (a) pay and satisfy in full all payment liabilities then owed by the Defaulting Lender to the Administrative Agent and each Lender, with accrued interest, and (b) acquire (and fund as appropriate) its full pro rata share of all Advances, including obligations relating to participations by Lenders in respect of LCs and/or overdrafts under the Swingline Facilities, in accordance with its Rateable Share. Distribution of payments may be by outright payment, purchases by the assignee of participations or sub-participations, or other compensating actions, including funding, with the consent of the Borrowers and the Administrative Agent, the applicable pro rata share of Advances previously requested but not funded by the Defaulting Lender, to each of which the applicable assignor and assignee hereby irrevocably consent. If, notwithstanding the foregoing, any assignment of the rights and obligations of a Defaulting Lender becomes effective under

Applicable Law without compliance with this subsection 22.5.7, then the assignee shall be deemed to be a Defaulting Lender for all purposes of this Agreement until compliance occurs.

22.6 **Re-Establishment of Rateable Shares**

As of and from the Effective Date, the parties hereto acknowledge and agree that the Commitments shall be as set forth in this Agreement and the Rateable Share of each Lender in such Commitments shall be established in accordance with this Agreement, it being expressly understood and agreed that any re-establishment of the Rateable Share of the Lenders in each of the Commitments and any redistribution that may result therefrom shall be deemed to have been made in accordance with the provisions of Section 22.5.

22.7 **Conversion Rules**

If for the purpose of obtaining or enforcing a judgment in any court or for any other purpose hereunder (such as, without limitation, to determine the value of any amount expressed in a currency other than that in which is expressed hereunder the amount to which it is being compared), it is necessary to convert any amount in the currency in which it is denominated (the "**Original Currency**") into another currency (the "**Second Currency**"), the rate of exchange applied shall be the Exchange Rate for conversion of the Original Currency into the Second Currency applicable on the Business Day on which judgment is given or such determination must be made.

22.8 **Currency Indemnity**

Each Borrower agrees that its obligations in respect of any amount due and payable to the Finance Parties in the Original Currency hereunder shall be discharged only to the extent that, on the Business Day following receipt of any sums so paid or adjudged to be due hereunder in the Second Currency, the Administrative Agent, in accordance with normal banking procedure, may purchase in the Canadian money market or the Canadian foreign exchange market, as the case may be, the Original Currency with the amount of the Second Currency so paid or so adjudged to be due; and, if the amount of the Original Currency so purchased is less than the amount originally due in the Original Currency, each Borrower agrees, as a separate obligation and notwithstanding any such payment or judgment to indemnify the affected Finance Parties against such loss and, if the amount of the Original Currency so purchased is greater than the amount originally due in the Original Currency, the Administrative Agent and the Finance Parties agree, notwithstanding any such payment or judgment, to remit to such Borrower, on demand, any such excess.

22.9 **Counterparts**

This Agreement may be executed in any number of counterparts, each of which shall be deemed to be an original, but all such separate counterparts shall together constitute but one and the same instrument. Transmission of a copy of an executed signature page of this Agreement to the other parties to this Agreement by facsimile transmission or e-mail in pdf format, or posting such executed signature page on the website maintained by the Administrative Agent pursuant to

Section 20.20, shall be as effective as delivery to each party to this Agreement of a manually executed counterpart hereof.

22.10 **Severability**

Any provision of this Agreement which is prohibited or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such prohibition or unenforceability without invalidating the remaining provisions hereof in that jurisdiction or affecting the validity or enforceability of such provision in any other jurisdiction.

22.11 **Replacement of Previous Agreements**

This Agreement replaces and supersedes all verbal or oral agreements, understandings and undertakings between the Finance Parties, or any one thereof, and the Borrowers relating to the Credit Facilities, the whole subject to and except for the letter agreement contemplated in Section 8.2.

22.12 **No Novation**

Any security provided to the Finance Parties by any Borrower shall not constitute a payment, nor shall it operate novation of any amount due hereunder and shall not operate by way of compensation, set-off or confusion of, or merge with, any Indebtedness or liability of any Borrower or of any other Person or Persons to the Finance Parties or any one thereof under any deed, guarantee, contract, bill of exchange, promissory note, letter of credit, certificate of deposit or other instrument by which the same may now or at any time hereafter be represented or evidenced.

22.13 **Obligation to Pay Absolute**

Except as provided under Section 9.8, the obligations of each Borrower to make payments on the Loans as and when in this Agreement provided shall be unconditional and irrevocable, and shall be paid strictly in accordance with the terms of this Agreement under all circumstances without any right of compensation or set-off and notwithstanding any defence, right of action or claim of any nature whatsoever which any Borrower may at any time have or have had against the Administrative Agent or the Finance Parties, whether in connection with this Agreement or otherwise.

22.14 **Risk of Superior Force**

Each Borrower expressly assumes all risks of superior force, so that each Borrower shall be bound to timely repay the Loans in full under this Agreement notwithstanding the existence or occurrence of any event or circumstance constituting a superior force within the meaning of Article 1693 of the *Civil Code of Québec*.

22.15 **Survival**

The Obligations of the Borrowers under Section 13.10, Article 18, Section 19.3, Section 19.5 and Section 19.7 (the "**Indemnity Obligations**") shall survive the payment in full of all

Obligations and shall continue in full force and effect until such Indemnity Obligations are fully performed and irrevocably paid in full.

22.16 **Inconsistency with the Operative Documents**

Unless otherwise herein provided, to the extent that any provision of this Agreement is inconsistent with the provisions of any other Operative Document, the provisions of this Agreement shall prevail provided, however, that nothing in this Agreement shall limit or restrict the rights of any Finance Party upon the occurrence of a Default or an Event of Default or the validity of the Liens intended to be created under the Security Documents.

22.17 **Treatment of Certain Information: Confidentiality**

- 22.17.1 Each of the Administrative Agent and the Lenders agrees to maintain the confidentiality of the Information (as hereinafter defined), except that Information may be disclosed **(a)** to it, its Affiliates and its and its Affiliates' respective partners, directors, officers, employees, agents, advisors and representatives, **(b)** to the extent required by Applicable Laws or by any subpoena or similar legal process, **(c)** to any other party hereto, **(d)** in connection with the exercise of any remedies hereunder or under any other Operative Document, **(e)** to the extent such Information becomes publicly available other than as a result of a breach of this Section or becomes available to the Administrative Agent or any Lender on a non-confidential basis from a source other than a Credit Party, or **(f)** to the extent requested by any Governmental Authority or regulatory authority (including any self-regulatory authority) purporting to have jurisdiction over it.

ARTICLE 1

INTERPRETATION

- 1.1 **Definitions.** The capitalized words and expressions, wherever used in this Agreement, in its Schedules or in any deed or agreement supplemental or ancillary hereto, unless otherwise defined in Schedule "B" hereof or unless there be something in the subject or the context inconsistent therewith, shall have the meanings ascribed thereto from time to time in the Credit Agreement.
- 1.2 **Preamble.** The preamble of this Agreement shall form an integral part hereof, as if at length recited herein.
- 1.3 **General Interpretation.** Unless there be something in the subject or the context inconsistent therewith, words importing the singular only shall include the plural and vice versa, and words importing the masculine gender shall include the feminine gender, and vice versa, and all references to dollars shall mean Canadian Dollars.
- 1.4 **Division into Articles.** The division of this Agreement into Articles, Sections, subsections, paragraphs and subparagraphs and the insertion of titles are for convenience of reference only and do not affect the meaning or the interpretation of the present Agreement.
- 1.5 **Governing Law.** This Agreement and the interpretation and enforcement thereof shall be governed by and in accordance with the Laws of the Province of Québec and the federal Laws of Canada applicable therein, save and except for the provisions of Article 9 which shall be exclusively read and construed in accordance with the Applicable Laws of Luxembourg.
- 1.6 **Submission to Jurisdiction.** Each of the parties hereto irrevocably submits to the non-exclusive jurisdiction of the Courts of the Province of Québec sitting in the judicial district of Montréal with respect to any matter arising hereunder or in relation herewith. The parties hereto irrevocably waive any objections on the ground of venue or *forum non conveniens* or any similar grounds. The parties hereto irrevocably consent to service of process by mail or in any other manner permitted by relevant Law.

ARTICLE 2

GUARANTEE

- 2.1 **Object of Guarantee.** The Guarantors, solidarily and jointly and severally, hereby irrevocably, absolutely and unconditionally guarantee to the Finance Parties, herein acting and represented by Administrative Agent, the due and punctual payment, observance and performance of all of the Guaranteed Obligations when and as due

(whether at maturity, by reason of acceleration or otherwise) and in accordance with their respective terms, and the Guarantors expressly agree so to pay, observe or perform the same when so due or deemed to be due, upon demand therefor by the Administrative Agent.

- 2.2 **Consideration.** Each of the Guarantors acknowledges that it has made this Guarantee to induce the Finance Parties to make the Loans available to the Borrowers and to induce the Finance Parties to enter into the Hedge Contracts and Cash Management Documents and that the Finance Parties are making the Loans and other financial accommodations available to the Borrowers and may enter into the Hedge Contracts and Cash Management Documents in reliance upon this Guarantee and would not make same available to the Borrowers or enter into same without the appropriate execution and delivery of this Guarantee. Each of the Guarantors represents and warrants that this Guarantee may reasonably be expected to benefit it directly or indirectly.
- 2.3 **Nature of the Guarantors' Obligations.** The Guarantors' obligations hereunder are solidary, joint and several, absolute and unconditional, present and continuing, unlimited, general and irrevocable and constitute a guarantee of payment and performance and not merely a guarantee of collection. The obligations of the Guarantors hereunder are independent of the Guaranteed Obligations, and a separate action may be brought or prosecuted against all or any one of the Guarantors to enforce this Guarantee.
- 2.4 **Manner of Payment.** Upon receipt of a written demand from the Administrative Agent, the Guarantors shall make payment forthwith of the amount claimed at the Administrative Agent's Office in the same currency as that in which the relevant Guaranteed Obligations are then outstanding, in funds immediately available to the Administrative Agent. Any amount payable by any Guarantor under this Guarantee which is not paid forthwith upon demand therefor will bear interest from the date of such demand until paid in full at the rate or rates applicable to the corresponding Guaranteed Obligation under the applicable Secured Document. All payments hereunder shall be made at the Administrative Agent's Office no later than 3:00 p.m., Montréal time, on the Business Day following the day on which a demand is made hereunder.
- 2.5 **Statement of Account.** Any statement of account prepared by the Administrative Agent (as regards the Guaranteed Obligations) shall constitute *prima facie* evidence of the amount which, as of the date of the statement so prepared, is due by the Borrowers or the other Guarantors, as the case may be, to the Finance Parties in respect of the Guaranteed Obligations and each of the Guarantors hereby acknowledges and agrees that, absent manifest error, it shall be bound by each such statement. The Administrative Agent agrees to provide the Guarantors with the computations and calculations used by the Administrative Agent to prepare each such statement of account promptly following a request therefor.
- 2.6 **No Reduction in Payment or Performance.** All payments due to the Finance Parties hereunder and all of the other terms, conditions, covenants and agreements to be observed or performed by the Guarantors hereunder, whether in respect of the Guaranteed

Obligations or otherwise, shall be made, observed or performed by the Guarantors without any reduction whatsoever, including, without limitation, any reduction resulting from any defence, right of action, right of set-off or compensation, right of recoupment or counterclaim of any nature whatsoever that the Borrowers or the other Guarantors, as the case may be, may have or have had at any time against the Administrative Agent, another Finance Party or any other Person whether with respect to this Agreement, the Credit Agreement, the other Secured Documents or otherwise other than the prior payment in accordance with the terms of the Secured Documents, of the Guaranteed Obligations (or any portion thereof).

2.7 **Imputation of moneys received in reduction of Guaranteed Obligations.**

Notwithstanding every legal rule concerning the imputation of payments, all sums of money received from any Guarantor pursuant to the provisions of this Article 2, shall be applied in reduction of the Guaranteed Obligations as provided in the Operative Documents. No Guarantor shall be subrogated to the rights of the Finance Parties as long as they have not received the full, final and definitive amount of their claim against the Borrowers and the other Guarantors, as the case may be, with respect to all of the Obligations.

2.8 **Irregularity in borrowings of no effect on obligations of the Guarantors.**

All sums of money, advances, renewals, commitments and undertakings related to the Guaranteed Obligations borrowed or effectively obtained from the Finance Parties by any Borrower or any other Guarantor pursuant to the Credit Agreement, the Hedge Contracts or other Secured Documents or otherwise, shall be considered as being part of the Guaranteed Obligations, notwithstanding any irregularity, defect or flaw in the borrowing or obtaining of such sums of money, advances, renewals, commitments and undertakings, whether or not the Administrative Agent, the other Finance Parties, or any one thereof, was aware of the same, it being expressly understood that any sum which cannot be recovered from the Guarantors as guarantors hereunder for reasons of voidness of the principal obligation, may be recovered from the Guarantors and any one thereof as sole or principal debtor and shall be payable to the Administrative Agent, for the benefit of itself and the other Finance Parties upon demand therefor by the Administrative Agent.

2.9 **No Release of the Guarantors.**

To the fullest extent permitted by Applicable Laws and notably for the purpose of article 1278 and article 1281 of the Luxembourg Civil Code, save and except for, and only upon, the cancellation in full of the Credit Facilities and the receipt by the Finance Parties of the full, final and definitive amount of their claim against the Guarantors with respect to the Obligations, the obligations of the Guarantors hereunder shall not be reduced, limited or terminated, nor shall the Guarantors be discharged from any obligation hereunder, for any reason whatsoever including, but not limited to (and whether or not the same shall have occurred or failed to occur once or more than once and, in the case of extensions of time for payment, observance or performance of obligations, whether such extensions or any of them are for periods longer than the respective periods then specified therefor and whether or not the Guarantors or any one thereof shall have received notice thereof or assented thereto):

- 2.9.1 any extension of the time for payment, observance or performance, or any other amendment or modification of any of the terms and conditions of the Guaranteed Obligations or the Secured Documents;
 - 2.9.2 any composition or settlement (whether by way of release, acceptance of a plan of reorganization or otherwise) of the Guaranteed Obligations;
 - 2.9.3 the release of any or all of the other Security Documents or any release, compromise, settlement or extension of the time for payment, observance or performance of any obligation created by the Security Documents;
 - 2.9.4 any election not to or failure to exercise, delay in the exercise of, waiver of, or forbearance or other indulgence with respect to any Rights, Remedies and/or Recourses available to the Finance Parties, including but not limited to:
 - 2.9.4.1 any election not and or failure to protect or preserve any collateral or protect, perfect or continue the perfection of any Lien upon any collateral now or hereafter securing any or all of the Guaranteed Obligations;
 - 2.9.4.2 any election not and or failure to protect or preserve any collateral or protect, perfect or continue the perfection of any Lien upon any collateral now or hereafter securing any or all of the Guaranteed Obligations;
 - 2.9.4.3 any election of rights, remedies and/or recourses effected by the Finance Parties;
 - 2.9.4.4 any subordination by operation of Law, whether present or future, of any or all of the Guaranteed Obligations;
 - 2.9.4.5 any disallowance, invalidity, illegality, voidness or unenforceability of any or all Liens securing all or any of the Guaranteed Obligations;
 - 2.9.4.6 any other act or failure to act which varies the risks of the Guarantors hereunder or, but for the provisions hereof, under the terms of any Law, would operate to reduce, limit or terminate the obligations of the Guarantors from any obligation hereunder; and
 - 2.9.5 any novation of the Guaranteed Obligations.
- 2.10 **Certain Waivers.** Each of the Guarantors hereby waives, to the fullest extent permitted by Applicable Laws:

- 2.10.1 any benefit of discussion or division including, without limitation, any requirement, and any right to require, that any power be exercised or any action be taken against any Borrower, any other Guarantor or any collateral for any of the Guaranteed Obligations;
 - 2.10.2 any and all defences to and set-offs, counterclaims and claims of recoupment against any and all of the Guaranteed Obligations that may at any time be available to any Borrower or any other Guarantor;
 - 2.10.3 any notice of acceptance of the incurrence or renewal of any Guaranteed Obligations;
 - 2.10.4 all notices which may be required by Applicable Laws to preserve any rights against such Guarantor hereunder including, but not limited to, any notice of default, demand, dishonour, presentment and protest;
 - 2.10.5 any defence based upon, arising out of or in any way related to:
 - 2.10.5.1 any claim that any election of remedies by the Finance Parties impaired, reduced, released or extinguished any rights that such Guarantor might otherwise have had against any Borrower, or any other Guarantor; and
 - 2.10.5.2 any claim that the Guaranteed Obligations should be strictly construed against the Finance Parties; and
 - 2.10.6 any and all other defences related to the Guaranteed Obligations save and except, for the receipt by the Finance Parties of the full, final and definitive amount of their claim against the Borrowers and the other Guarantors with respect to the Guaranteed Obligations, and the cancellation in full of the Credit Facilities.
- 2.11 **No Release in Event of Bankruptcy.** No settlement or discharge of the Guaranteed Obligations shall be effective if any payment by any of the Guarantors in respect thereof is avoided or reduced by virtue of any provision or enactment relating to bankruptcy, insolvency, liquidation or similar laws of general application from time to time, and if such payment is so avoided or reduced, the Finance Parties shall be entitled to recover the amount of such payment as if such settlement or discharge had not occurred.
- 2.12 **Additional Security.** This Guarantee shall be in addition to and without prejudice to any other security by whomsoever given, held at any time by the Administrative Agent, the other Finance Parties or any one thereof. None of the Finance Parties or the Administrative Agent shall be under any obligation to marshal any such security or any of the funds or assets the Administrative Agent or the Finance Parties or any one thereof may be entitled to receive or have a claim upon.

- 2.13 **Continuing Liability of Guarantors.** The Guaranteed Obligations shall be deemed not to have been paid, observed or performed, and the liability of each of the Guarantors hereunder in respect thereof shall continue and not be discharged, to the extent that any payment, observance or performance thereof by the Borrowers or any other Guarantor, or out of the proceeds of any collateral (collectively referred to herein as the "Disgorged Amount"), is recovered from or reimbursed by or for the account of the Finance Parties for any reason, including, but not limited to, a preference or fraudulent transfer or by virtue of any subordination (whether present or future or contractual or otherwise) of the Guaranteed Obligations, whether such recovery or payment over is effected by any judgment, decree or order of any court or Governmental Authority, by any plan of reorganization or by settlement or compromise by the Finance Parties (whether or not consented to by the Borrowers or any Guarantor) of any claim for any such recovery or payment over. Each of the Guarantors hereby expressly waives, to the fullest extent permitted under Applicable Laws, the benefit of any limitations or prescription period provided in any Applicable Law and agrees that it shall be liable hereunder whenever such a recovery or payment ever occurs.
- 2.14 **Rights of Subrogation, etc.** None of the Guarantors will enforce any right that it may at any time have against any Borrower or any other Guarantor or any collateral for any of the Guaranteed Obligations, including, but not limited to, rights of subrogation, exoneration, reimbursement and contribution and whether arising by operation of Law or otherwise, until all of the Guaranteed Obligations have been paid, observed and performed in full, except that this Section 2.14 shall not apply to routine acts, such as the giving of notices and the filing of continuation statements, necessary to preserve any such rights. Notwithstanding the fact that at such time any of the Guarantors may be subrogated to all or any part of the Guaranteed Obligations or have existing rights of exoneration, reimbursement, contribution or similar rights, the Administrative Agent and the other Finance Parties may from time to time take or refrain from taking any and all of the actions referred to in Section 2.9 and such Guarantor hereby releases the Administrative Agent and the other Finance Parties from any and all claims arising therefrom, connected therewith or in any way related thereto.
- 2.15 **Continuance of Guarantee.** Subject to Section 2.13, this Guarantee shall continue in full force and effect until the payment, observance and performance in full of the Guaranteed Obligations and the cancellation in full of the Credit Facilities, provided however that where at any time the Administrative Agent, the other Finance Parties or any one thereof is required to pay over any Disgorged Amount, the Administrative Agent, the other Finance Parties or any one thereof shall be permitted to make a claim therefor under the provisions of Section 2.13.
- 2.16 **Reasonableness of Waivers, Renunciations, Declarations and Authorizations.** Each of the Guarantors warrants and agrees with the Finance Parties (herein acting and represented by the Administrative Agent) that each of the waivers, renunciations, declarations and authorizations set forth in this Guarantee is made with full knowledge of its significance and consequences and each of the Guarantors and the Finance Parties

(herein acting and represented by the Administrative Agent) hereby warrants and agrees that if any of such waivers, renunciations, declarations and authorizations is determined to be contrary to any Applicable Law or public policy, such waivers, renunciations, declarations and authorizations shall be effective only to the maximum extent permitted by Law.

- 2.17 Authority to Modify Guaranteed Obligations. Each of the Guarantors expressly authorizes the Administrative Agent, the other Finance Parties or any one thereof, at any time and from time to time, without notice and without affecting the liability of such Guarantor hereunder, to:
- 2.17.1 alter the terms of all or any part of the Guaranteed Obligations and any security and guarantees therefor, in each case in accordance with the provisions of the relevant Secured Documents, including, without limitation, modification of times for payment and rates of interest and increases to the amount of the Guaranteed Obligations;
 - 2.17.2 accept new or additional instruments, documents, agreements, security or guarantees in connection with all or any part of the Guaranteed Obligations;
 - 2.17.3 accept partial payments on the Guaranteed Obligations;
 - 2.17.4 waive, release, reconvey, terminate, abandon, subordinate, exchange, substitute, transfer, compound, compromise, liquidate and enforce all or any part of the Guaranteed Obligations and any security or guarantee therefor, and apply any such security and direct the order or manner of sale thereof as the Administrative Agent (for the Finance Parties) in its discretion may determine;
 - 2.17.5 release any Borrower, any Guarantor or any other Person from any personal liability with respect to all or any part of the Guaranteed Obligations; and
 - 2.17.6 otherwise amend the provisions of any one of the Secured Documents, in accordance with the relevant provisions thereof, including, without limitation, increasing the amount of any Facility or any constituent part of any Facility.
- 2.18 **Compliance with Operative Documents.** Each Guarantor shall comply with all of the provisions, covenants and agreements contained in each of the Operative Documents to the extent that such provisions, covenants and agreements apply to each Guarantor and shall take, or refrain from taking, as the case may be, all actions that are necessary to be taken or not taken so that no violation of any provision, covenant or agreement contained in any of the Operative Documents, and so that no Default or Event of Default under any of the Operative Documents, is caused by the actions or inactions of the Guarantor. Each Guarantor represents and warrants, upon each of which representations and warranties each of the Finance Parties relies, that each of the representations and warranties relative

to each Guarantor in each of the other Operative Documents is true and correct when made or deemed made.

ARTICLE 3

SUBORDINATION AND POSTPONEMENT

- 3.1 **Subordination and Postponement of Indebtedness.** Subject to Section 3.2, each of the Guarantors acknowledges, declares and agrees that all Subordinated Indebtedness is junior and subordinate, and the payment thereof, whether in whole or in part, and whether as to principal, interest, fees or otherwise, and whether at or prior to maturity or upon acceleration of any maturity, is postponed to the prior payment in full of the Guaranteed Obligations.
- 3.2 **Exception as to Postponement Only.** Notwithstanding the provisions of Section 3.1, any Guarantor may pay or prepay any amount owing to any other Guarantor, in principal, interest, fees and accessories, at any time, on account of the Subordinated Indebtedness (whether or not the amount to be paid or prepaid is then due), on condition that at the time of such payment or prepayment, no Default or Event of Default exists or would result therefrom.
- 3.3 **Subordination and Postponement of Liens.** Each of the Guarantors hereby acknowledges and declares that it does not hold any Liens against the assets of any of the other Guarantors. Each of the Guarantors also acknowledges, declares and agrees that it shall obtain the written consent and approval of the Administrative Agent in order to create a Lien in favour of any other Guarantor in connection with the Subordinated Indebtedness or any part thereof (the aggregate of all such present and future Liens is collectively referred to herein as the "Subordinated Liens") and that any such Liens thereafter held by it, as well as all of the rights, remedies and/or recourses which may be granted to such Guarantor, directly or indirectly, under the terms of any Applicable Laws or the Subordinated Liens, are hereby and shall be completely subordinated to and rank after any and all Liens, if any, then or at any time thereafter held by the Administrative Agent, the other Finance Parties or any one thereof and securing the Guaranteed Obligations or any part thereof (all of which Liens are collectively referred to herein as the "Secured Party Liens") notwithstanding any ranking that might otherwise be established by Applicable Law resulting from the nature of the Lien which may be created under the Subordinated Liens or the Secured Party Liens or the date or time of execution, issue, delivery, registration, filing, notification, publication or perfection of any deed, document, application for registration, notice or financing statement, or otherwise howsoever.
- 3.4 **Exercise of Rights Either Under the Subordinated Indebtedness or the Subordinated Liens.** In the event that any event of default occurs and continues under any one of the deeds or documents pursuant to which the Subordinated Indebtedness, or

any part thereof, may be attested or evidenced, now or at any time hereafter, or any deeds or documents pursuant to which the Subordinated Liens or any one thereof is now or may be constituted at any time hereafter (the aggregate of such contracts, hypothecs, deeds and documents are collectively referred to herein as the "Subordinated Documents"), each of the Guarantors agrees not to directly or indirectly exercise any Right, Remedy and/or Recourse granted to it by Law or any one of the Subordinated Documents during any period prior to the cancellation in full of the Credit Facilities and final and indefeasible payment of the Guaranteed Obligations until such time as the Administrative Agent shall have given its prior written consent to the exercise of such rights, remedies or recourses and, with respect to any such right, remedy and/or recourse, which any Guarantor is exercising prior to the cancellation in full of the Credit Facilities and final and indefeasible payment of the Guaranteed Obligations, each of the Guarantors agrees to cease exercising such Right, Remedy and/or Recourse upon the request of the Administrative Agent.

- 3.5 **Discharge of Subordinated Liens.** In the event of any Disposition of the whole or any part of the assets and properties of any of the Guarantors whether by the Administrative Agent, the other Finance Parties or any one thereof, in the exercise of any one of their rights, remedies and/or recourses, or whether by any receiver, trustee, liquidator or sequestrator pursuant to the powers granted to it by any Applicable Law of any jurisdiction whatsoever, or whether by any other Person in the performance of analogous duties under any Law concerning bankruptcy, reorganization, arrangement, readjustment, composition or liquidation, of any jurisdiction whatsoever, each of the Guarantors expressly agrees, upon the written demand of the Administrative Agent and at the expense of the Guarantors, to execute and deliver all such instruments of release, discharge and cancellation of Liens and termination statements as the Administrative Agent considers necessary or desirable in order to discharge and cancel such Subordinated Liens now or hereafter held by it. After the repayment in full of the Guaranteed Obligations following such Disposition, to the extent that under any applicable provisions of Applicable Law, any Guarantor has the right to receive the balance, if any, of the proceeds of such Disposition, the Administrative Agent shall pay such balance over to the relevant Guarantors.
- 3.6 **Proceeds of Sale, etc.** Subject to the provisions of the Operative Documents (including Section 3.2 of this Agreement), in the event that the assets and properties of any of the Guarantors are Disposed of or are otherwise realized, or proceeds of insurance policies or expropriation awards are paid in respect thereof, the Guaranteed Obligations shall be paid in full prior to the payment of any Subordinated Indebtedness.
- 3.7 **Prior Payment of Finance Party's Indebtedness in Bankruptcy, etc.** In the event of any Insolvency Proceeding relating to any one of the Guarantors or its debts or assets, if the Guaranteed Obligations have not been paid in full at such time, the Administrative Agent, for and on behalf of the Finance Parties, is hereby irrevocably authorized by each of the Guarantors in any such Insolvency Proceeding, to collect any assets or securities of any kind of such Guarantor distributed, divided or applied by way of dividend or payment or any such securities issued on account of any of the Subordinated Indebtedness and to

apply the same, or the proceeds of any realization upon the same, as the Majority Lenders in their discretion elect to effect to the Guaranteed Obligations until the Guaranteed Obligations shall have been paid in full, rendering any surplus then remaining to the Persons entitled by Applicable Law to receive same. The Guarantors shall vote or otherwise act in any such Insolvency Proceeding (including, without limitation, vote to accept or reject any plan of partial or complete liquidation, reorganization, arrangement, composition or extension) in accordance with the written instructions of the Administrative Agent and, upon request from the Administrative Agent, each Guarantor shall give a power of attorney or proxy to the Administrative Agent or any Person designated by the Administrative Agent to vote or otherwise act in any such Insolvency Proceeding. Furthermore, each of the Guarantors hereby covenants and agrees to do all such things and give all such instructions as the Majority Lenders, in their discretion, may deem necessary or desirable in order to instruct any receiver, trustee, liquidator or sequestrator appointed in connection with or as a result of any such Insolvency Proceeding, to make any payment or distribution or issue any securities to be made or issued in connection with such Insolvency Proceeding on account of such Subordinated Indebtedness to the Administrative Agent, for the benefit of itself and the other Finance Parties, until the Obligations shall have been paid in full.

- 3.8 **Payments Held in Deposit.** In the event of any payment or distribution to any Guarantor made in breach of the terms of this Article, such a payment or distribution shall be held under gratuitous deposit for the Finance Parties and shall be paid to the Administrative Agent, for the benefit of itself and the other Finance Parties, forthwith following demand therefor by the Administrative Agent to the extent that the Finance Parties remain, on the date of any such payment, creditors of any of the Guarantors.
- 3.9 **Scope of Subordination and Postponement.** The provisions of this Article are intended solely to define and establish the relative rights of the creditors of the Guarantors who are parties hereto. Nothing in this Agreement shall in any way impair, modify or affect, as between or among any Guarantor, on the one hand, and its creditors and the creditors under such documents, on the other hand, the obligations of such party to effect payment of principal, interest, costs, fees, royalties and other amounts, obligations and liabilities owing under or pursuant to the terms of such documents or affect the relative rights of the creditors of such Guarantor thereunder.
- 3.10 **Further Acts.** Each of the Guarantors hereby covenants and agrees to execute and deliver all such deeds, documents, applications for registration, notices and financing statements and to do all such things as are reasonably necessary in order to register and publish the subordinations contained in this Article wheresoever required by the Administrative Agent, the whole at the expense of the Guarantors.

ARTICLE 4

CONTRIBUTIONS OF GUARANTORS

- 4.1 **Indemnity and Subrogation.** In addition to all such rights of indemnity and subrogation as the Guarantors may have under Applicable Law (but subject to Section 4.3), each Guarantor agrees that in the event a payment shall be made by any other Guarantor under this Agreement, such first Guarantor (on account of the Guaranteed Obligations) shall indemnify such other Guarantor for the full amount of such payment and such other Guarantor shall be subrogated to the rights of the Person to whom such payment shall have been made by such other Guarantor to the extent of such payment.
- 4.2 **Contribution and Subrogation.** Each Guarantor (a "Contributing Guarantor") agrees (subject to Section 4.3) that, in the event a payment shall be made by any other Guarantor under this Agreement and such other Guarantor (the "Claiming Guarantor") shall not have been fully indemnified by the Borrowers, as provided in Section 4.1, such Contributing Guarantor shall indemnify the Claiming Guarantor in an amount equal to the amount of such payment by the Claiming Guarantor, multiplied by a fraction of which the numerator shall be the net worth of such Contributing Guarantor on the date it became a party hereto and the denominator shall be the aggregate net worth of all Guarantors on such date. Any Contributing Guarantor making any payment to a Claiming Guarantor pursuant to this Section 4.2 shall be subrogated to the rights of such Claiming Guarantor under Section 4.1 to the extent of such payment.
- 4.3 **Subordination.** Notwithstanding any provision of this Agreement to the contrary, all rights of the Guarantors under Sections 4.1 and 4.2 and all other rights of indemnity, contribution or subrogation under Applicable Law or otherwise shall be (i) fully subordinated to the indefeasible payment in full in cash of the Guaranteed Obligations, and (ii) expressly subject to the provisions and limitations imposed on such rights hereunder. No failure on the part of any Borrower or any Guarantor to make the payments required by Sections 4.1 and 4.2 (or any other payments required under Applicable Law or otherwise) shall in any respect limit the liability of any other Guarantor with respect to its obligations hereunder, and each Guarantor shall remain liable for the full amount of the obligations of such Guarantor hereunder.

ARTICLE 5

ACCESSIONS

- 5.1 **Additional Guarantors.** At any time and from time to time, any Material Subsidiary which is not already a Guarantor may become party to this Agreement in the capacity of a Guarantor provided:
- 5.1.1 an instrument, in form and substance similar to the one attached hereto as Schedule "C", shall have been executed by such Person and the Administrative Agent and shall have been delivered to such Person, the Administrative Agent and the Borrowers; and

5.1.2 that such Person shall have delivered to the Administrative Agent with respect to itself and its entering into and performing its obligations under this Agreement the documents contemplated in Sections 10.3 and 10.4 of the Credit Agreement.

5.2 **Effective Date.** As of and from the effective date stipulated in the instrument referred to in subsection 5.1.1, such Person shall for all purposes be a Guarantor party to this Agreement and shall have all the rights and obligations of a Guarantor under this Agreement and shall be entitled to the benefit hereof, and be bound by the provisions hereof, to the same extent as if it were an original party hereto and no further consent or action by the Borrowers, the Administrative Agent or the other Finance Parties shall be required. Such instrument shall constitute, *inter alia*, an amendment to this Agreement and more particularly, of Schedule hereof to the extent, and only to the extent, necessary to reflect the addition of such Person as a Guarantor. Promptly after receipt thereof, the Administrative Agent shall deliver to each of the Finance Parties a copy of any instrument received under the terms of this Section 5.1.

ARTICLES 6

TAXES AND OTHER CHARGES

6.1 **Payments without Deductions.** The Guarantors solidarily agree to pay the Loans of each Finance Party in principal, interest, fees and accessories, free and clear of and without deduction or withholding for (i) any and all present and future Taxes (but excluding, however, Taxes imposed upon such Finance Party (any such Finance Party shall be referred to herein as a "Taxed Party") by the jurisdiction and political subdivision in which it or its relevant lending office may be located or under the Laws of which it may have been constituted) that may be imposed from time to time by any jurisdiction (including any jurisdiction from which payment is made) in connection with any amount required to be paid to such Finance Party pursuant to this Agreement or by any jurisdiction with respect to the preparation, execution, delivery, registration, performance, amendment or enforcement of this Agreement (all of the foregoing, other than the excluded items shall be collectively referred to herein as the "Local Taxes"), and (ii) any and all present and future Taxes that may be imposed from time to time by any jurisdiction with respect to the payment by any of the Guarantors of or the reimbursement by any of the Guarantors for any Local Taxes (all of the foregoing listed in clauses (i) and (ii) other than the excluded items shall be collectively referred to herein as the "Indemnified Taxes"). In the event that any Taxed Party shall have paid any Indemnified Taxes, which under the terms of this Section 6.1, any Guarantor is obliged to pay, the Guarantors solidarily covenant and agree to reimburse, upon demand, such Taxed Party on an after-tax-basis as contemplated in Section 6.2 for the amount of any such Indemnified Taxes so paid by the latter, with interest on such amount as contemplated in this Agreement, and any such reimbursement paid by the Guarantors shall benefit from and be subject to the provisions of this Section 6.1 and Section 6.2.

- 6.2 **Payments of Additional Amounts.** If any Guarantor is at any time (x) required by Applicable Law to make any deduction or withholding in respect of any Indemnified Taxes from any amount payable under this Agreement or (y) prevented by operation of Applicable Law from paying, causing to be paid or reimbursing the payment of any Indemnified Taxes or (z) required to reimburse a Taxed Party for any Indemnified Taxes paid by the latter but which, under the terms hereof, such Guarantor is obliged to pay, the Guarantors solidarily covenant and agree to pay such additional amounts as may be necessary in order that the net amounts retained by any Taxed Party, after any deduction or withholding, after the deduction of any such Indemnified Taxes not paid, caused to be paid or reimbursed by such Guarantor, after the payment of such Indemnified Taxes by the Taxed Party and after any Taxes imposed on or measured by the net income, profit or capital of the Taxed Party as a result of its receipt of additional amounts hereunder, shall equal the net after-tax amounts which would have been retained by such Taxed Party if any deduction or withholding had not been made, if such Indemnified Taxes had been paid, caused to be paid or reimbursed by such Guarantor, if such Indemnified Taxes had not been paid by the Taxed Party and if no additional amounts had been paid hereunder. Such additional amounts shall be paid (i) in the case of amounts payable as a result of a deduction or withholding from an amount payable under this Agreement, on the date the latter amount is payable, (ii) in the case of amounts payable as a result of the failure by a Guarantor to pay or reimburse such Indemnified Taxes, on the earlier of the date on which such Indemnified Taxes are due and the fifth day following the receipt by such Guarantor of a notice from the Taxed Party that such Indemnified Taxes have been paid by such Taxed Party, (iii) in the case of Indemnified Taxes paid by a Taxed Party and that a Guarantor is obliged to pay, on demand from the Taxed Party and (iv) in the case of amounts payable as a result of Taxes imposed on or measured by the net income, profit or capital of any Taxed Party as a result of its receipt of additional amounts hereunder, on the fifth day following the receipt by the Guarantors of a request therefor by such Taxed Party. Upon request from a Guarantor, the Taxed Party claiming payment of Indemnified Taxes under the provisions of this Section shall provide such Guarantor with such information and documentation as such Guarantor may reasonably request.
- 6.3 **Increase in Interest Rates.** If a Guarantor is prevented by operation of Applicable Law from paying or causing to be paid any amount required to be paid by Section 6.2, the Guarantors solidarily covenant and agree to pay as additional interest payable under this Agreement an amount equal to such required amount, on the applicable Interest Payment Date if such amount is in respect of interest or, if otherwise, on the next succeeding Interest Payment Date, it being expressly understood and agreed that any such additional interest payment shall be paid on an after-tax-basis as contemplated in Section and shall be subject to the provisions of Sections 6.1 and 6.2. The Guarantors, at the request of any Taxed Party, shall sign such documents, deeds and instruments and shall do all such things as such Taxed Party shall reasonably consider useful or necessary to give full force and effect to such increase in the rate of interest.
- 6.4 **Remittances by Taxed Party.** With respect to any of such Indemnified Taxes, the Guarantors shall make any required payment thereof within the time allowed under

Applicable Law and, within 15 days thereafter, shall furnish to the Administrative Agent and any Taxed Party evidence of such payment together with such certificates, receipts and other documents as may be available to establish any Tax credit or Tax benefit to which such Taxed Party may be entitled. If such Taxed Party shall determine that it has irrevocably obtained a credit or similar Tax benefit with respect to Indemnified Taxes imposed by a jurisdiction in which it or its relevant lending office may be located or under the Laws of which it has been constituted, on the basis of the payment of such Indemnified Taxes by any Guarantor, such Taxed Party shall remit to such Guarantor promptly an amount equal to the amount of such credit or benefit as is, in its discretion, exercised in good faith, equitably allocable to such payment by such Guarantor having taken into account all its dealings giving rise to similar credits or benefits in relation to the same Tax period. If such Taxed Party shall determine subsequently that, for any reason, the amount of such credit or benefit has directly or indirectly been reduced, the Guarantors solidarily covenant and agree to pay, upon the request of such Taxed Party accompanied by evidence of such reduction, to such Taxed Party an amount equal to the amount of such reduction. All determinations and computations required or permitted by this Section shall be made, and all assumptions, methods of allocation and other principles necessary for or related to such determinations and computations shall be made or selected, by such Taxed Party in its sole discretion (exercised in good faith) and shall constitute, in the absence of manifest error, *prima facie* evidence of the amounts or matters so determined or computed.

- 6.5 **Mitigation.** If any Guarantor is required to pay additional amounts to or for the account of any Finance Party pursuant to this Article 6, then such Finance Party shall use reasonable efforts to change the jurisdiction of its applicable lending office so as to eliminate or reduce any such additional payment which may thereafter accrue if such change, in the judgment of such Finance Party, would not subject such Finance Party to any unreimbursed cost or expense and would not otherwise be disadvantageous to such Finance Party in its sole discretion.
- 6.6 **Survival of Agreements.** The agreements of the Guarantors under this Article 6 shall survive the repayment of the Loans and the cancellation in full of the Credit Facilities.

ARTICLE 7

JUDGMENT CURRENCY

- 7.1 **Conversion Rules.** If for the purpose of obtaining or enforcing judgment in any court or for any other purpose hereunder, it is necessary to convert an amount due hereunder in the currency in which it is due (the "Original Currency") into another currency (the "Second Currency"), the rate of exchange applied shall be the Exchange Rate for conversion of the Original Currency into the Second Currency on the Business Day on which judgment is given or the amount is due, as the case may be.
- 7.2 **Currency Indemnity.** Each of the Guarantors agrees that its obligations, in respect of any amounts due from it to the Finance Parties in the Original Currency hereunder shall,

notwithstanding any payment or tender, including pursuant to any judgment expressed or payment made in the Second Currency, be discharged only to the extent that, on the Business Day following receipt of any sums so paid or adjudged to be due hereunder in the Second Currency, the Administrative Agent, on behalf of itself and the other Finance Parties, as the case may be, in accordance with normal banking procedure, may purchase in the Canadian money market or the Canadian foreign exchange market, as the case may be, the Original Currency with the amount of the Second Currency so paid or so adjudged to be due; and, if the amount of the Original Currency so purchased is less than the amount originally due in the Original Currency, each of the Guarantors agrees as a separate and independent obligation and notwithstanding any such payment or judgment to indemnify the Finance Parties against such loss and, if the amount of the Original Currency so purchased is greater than the amount originally due in the Original Currency, the Administrative Agent and the other Finance Parties (herein acting and represented by the Administrative Agent) agree, notwithstanding any such payment or judgment, to remit to the relevant Guarantors, on demand, any such excess. The obligation provided for in this Section 7.2 shall not be affected by or merged with any judgment obtained under this Agreement.

ARTICLE 8

SPECIAL PROVISIONS WITH RESPECT TO THE FINANCE PARTIES

- 8.1 **Intervention of any Lender into this Agreement.** The Administrative Agent does hereby declare that in accordance with the provisions of the Credit Agreement and of any Loan Transfer Agreement which has been or shall be executed from time to time, it has been mandated or shall have its mandate confirmed, as the case may be, by each and every Person who may, at any time and from time to time, become a Lender to act for and on its behalf in the execution of this Agreement and in the assumption and performance of its obligations hereunder in the same manner and to the same extent as though such Person were an original Finance Party thereto. Furthermore, the Finance Parties (herein acting and represented by the Administrative Agent) do hereby acknowledge and agree that the execution and delivery of a Loan Transfer Agreement by the parties referred to therein shall constitute for all purposes of this Agreement, the intervention into this Agreement by such transferee referred to in such Loan Transfer Agreement into this Agreement and such transferee shall have all the benefits created hereunder and shall be bound by all the terms hereof as fully as though it were an original Finance Party hereto.
- 8.2 **Benefit of this Agreement for future Finance Parties.** The Finance Parties (herein acting and represented by the Administrative Agent) hereto do hereby expressly acknowledge, declare and agree that the rights, benefits and remedies created and intended to be created at any time and from time to time by this Agreement in favour of the Administrative Agent, are created and intended to be created in favour of the Finance Parties and in favour of the Administrative Agent as administrative agent for such Person or Persons who now are or may, at any time and from time to time, become Finance Parties in the same manner and to the same extent as though each such Person was personally an original Finance Party hereto or a Person specifically named as a

beneficiary in this Agreement. In furtherance of the provisions of this Section 8.2, the original Finance Parties (herein acting and represented by the Administrative Agent) hereto do hereby irrevocably mandate the Administrative Agent, for and on their behalf, to confirm to and confer upon each Person who becomes a Finance Party, the benefits of this Agreement and to execute any instrument necessary to evidence same. The acceptance by the Administrative Agent of any Loan transfer agreement shall constitute for all purposes of this Agreement the carrying out by the Administrative Agent of the irrevocable mandate given to it under this Section 8.2.

ARTICLE 9

LIMITATION LANGUAGE **WITH RESPECT TO LUXEMBOURG GUARANTORS**

9.1 Luxembourg Limitation. Notwithstanding anything to the contrary in this Agreement, the payment undertaking of any Guarantor incorporated under the laws of Luxembourg (a "Luxembourg Guarantor") for the obligations of any Guarantor which is not a direct or indirect Subsidiary of such Luxembourg Guarantor:

9.1.1 shall be limited at any time to an aggregate amount not exceeding the higher of, with no double counting:

9.1.1.1 ninety-five per cent. (95%) of the Luxembourg Guarantor's own funds (*capitaux propres*) (as referred to in article 34 of the Luxembourg law dated 19 December 2002 on the trade and companies register and the accounting and annual accounts of undertakings, as amended) and its subordinated debt (*dettes subordonnées*) (as referred to in article 34 of the Luxembourg law dated 19 December 2002 on the trade and companies register and the accounting and annual accounts of undertakings, as amended) as determined by the Finance Parties in good faith on the basis of the information available to them including, without limitation, its most recently and duly approved financial statements (*comptes annuels*) and any (unaudited) interim financial statements prepared by the board of managers of the Luxembourg Guarantor (if any are available at that time), as at the date of this Agreement; and

9.1.1.2 ninety-five per cent. (95%) of the Luxembourg Guarantor's own funds (*capitaux propres*) (as referred to in article 34 of the Luxembourg law dated 19 December 2002 on the trade and companies register and the accounting and annual accounts of undertakings, as amended) and its subordinated debt (*dettes subordonnées*) (as referred to in article 34 of the Luxembourg law dated 19 December 2002 on the trade and companies register and the accounting and annual accounts of undertakings, as amended) as determined by the Finance Parties in good faith on the basis of

For the avoidance of doubt, any amounts borrowed under any Loan and in each case made available, in any form whatsoever, to such Luxembourg Guarantor or any of its direct or indirect Subsidiaries shall form part of, and be covered by, the guarantee pursuant to Article 2 above.

ARTICLE 10

GENERAL PROVISIONS

- 10.1 **Notices.** Except as otherwise specified herein, all notices, requests, demands or other communications to or upon the respective parties hereto shall be deemed to have been duly given or made to the party to which such notice, request, demand or other communication is required or permitted to be given or made under this Agreement, when delivered to such party (by certified mail, postage prepaid, or by telecopier or hand delivery) at its address and attention set forth with its signature below, or at such other address as any of the parties hereto may hereafter notify the others in writing. No other method of giving notice is hereby precluded.
- 10.2 **Amendments and Waivers.** The rights and remedies of the Administrative Agent and the other Finance Parties under this Agreement shall be cumulative and not exclusive of any rights or remedies which they would otherwise have and no failure or delay by any one thereof in exercising any right shall operate as a waiver thereof, nor shall any single or partial exercise of any power or right preclude its other or further exercise or the exercise of any other power or right. Any term, covenant, agreement or condition contained in this Agreement may be amended with the consent of the Guarantors, the Borrowers and the Administrative Agent and such amendment shall be binding upon all of the parties hereto and the Finance Parties, or compliance therewith may be waived (either generally or in a particular instance and either retroactively or prospectively) by the Administrative Agent and such waiver shall be binding upon all of the parties hereto and the Finance Parties, and in any such event the failure to observe, perform or discharge any such covenant, condition or obligation (whether such amendment is executed or such consent or waiver is given before or after such failure) shall not be construed as a breach of such covenant, condition or obligation.
- 10.3 **Assignments by Lenders.** Each of the Guarantors hereby acknowledges that (y) pursuant to the provisions of Section 22.5 of the Credit Agreement, any Finance Party may at any time grant Participations in or enter into Assignments subject to the

conditions set forth in Section 22.5 of the Credit Agreement and (z) upon fulfillment of the conditions precedent to Assignment set forth in Section 22.5 of the Credit Agreement, including, without limitation, the execution of a Loan Transfer Agreement, the assigning Finance Party shall be released from its obligations under the terms hereof to the extent of such Assignment and the transferee of such Finance Party, for all purposes, shall be a Finance Party under this Agreement and shall be entitled to the benefits, rights, remedies and/or recourses of such Finance Party under this Agreement to the same extent and in the same manner as if it were an original party hereto and no further consent or action by the Guarantors shall be required. Except as specifically set forth in this Section 10.3, nothing in this Agreement, expressed or implied, is intended to or shall confer on any Person other than the Administrative Agent, the other Finance Parties and their respective successors and assigns any benefit or any legal or equitable right, remedy or other claim under this Agreement.

10.4 **Compensation and Set-Off.** In addition to any right now or hereafter granted under Applicable Law and not by way of limitation of any such rights:

10.4.1 upon the occurrence and during the continuance of an Event of Default, each Finance Party is hereby authorized by each Guarantor, at any time and from time to time, without notice to any Guarantor or to any other Person, any such notice being hereby expressly waived, to effect compensation, to set-off and to appropriate and to apply any and all deposits (general or special, time or demand, including Indebtedness evidenced by certificates of deposit, in each case whether matured or unmatured), and any other Indebtedness at any time held or owing by such Finance Party to or for the credit or the account of any Guarantor against and on account of the Guaranteed Obligations, irrespective of whether or not the Administrative Agent shall have made any demand hereunder and although said obligations and liabilities, or any of them, shall be contingent or unmatured;

10.4.2 For the purposes of the application of this Section 10.4, the Guarantors and the Finance Parties (herein acting and represented by the Administrative Agent) agree that the benefit of any term applicable to any Finance Party's deposit, credit indebtedness, liability or obligation referred to in this Section 10.4 shall be lost immediately before the time when such or Finance Party shall exercise its rights under this Section 10.4 in respect of such deposit, credit indebtedness, liability or obligation of such Finance Party.

10.4.3 Furthermore, in the exercise of its rights under this Section 10.4, where any Indebtedness of any Finance Party to any Guarantor is not outstanding in the same currency as the Indebtedness of such Guarantor to such Finance Party, then such Finance Party may effect all currency conversions with respect to any such Indebtedness as it considers appropriate in accordance with its normal practices at the Exchange Rate at the time of its exercise of its rights under this Section 10.4.

- 10.5 **No Duty to Disclose.** Each of the Guarantors hereby acknowledges that it is presently, and covenants that it will keep itself at any time and from time to time, fully informed of the financial condition of the Borrowers and of all other circumstances which a diligent inquiry would reveal and which bear upon the risk of non-payment of the Guaranteed Obligations. Each of the Guarantors hereby agrees that none of the Administrative Agent and the other Finance Parties shall have any duty to disclose or report to any of the Guarantors any information now or hereafter known to them, relating to the business, assets, liabilities, financial position, results of operations or status of the Borrowers' performance of their obligations under the Operative Documents.
- 10.6 **Limitation on Interest.** The Finance Parties and each of the Guarantors intend to fully comply with all Applicable Laws limiting the amount of interest which may be contracted for, charged or received, and so in the event that any portion of the payments required hereunder from any of the Guarantors is determined to be interest, such payments shall be automatically limited to the portion thereof which, after taking into account all other interest contracted for, charged or received, shall not exceed the limit prescribed by Applicable Law, and in the event the Finance Parties shall have received any such amounts determined to be interest in excess of the amount permitted hereunder, the Finance Parties shall apply such excess amounts to the other obligations of the Guarantors hereunder which do not constitute interest and shall return to the Guarantors any portion of the excess not so applied.
- 10.7 **Counterparts.** This Agreement may be executed in any number of counterparts, each of which shall be deemed to be an original, but all such separate counterparts shall together constitute but one and the same instrument.
- 10.8 **Severability.** Any provision of this Agreement which is prohibited or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such prohibition or unenforceability without invalidating the remaining provisions hereof in that jurisdiction or affecting the validity or enforceability of such provision in any other jurisdiction.
- 10.9 **Entire Agreement.** With respect to the obligations of the Guarantors hereunder, this Agreement constitutes the entire agreement among the parties hereto.
- 10.10 **Assignments by the Guarantors.** The rights of the Guarantors hereunder are declared to be purely personal and may therefore not be assigned or transferred, nor can any Guarantor assign or transfer any of its obligations, any such assignment being null and void insofar as the Finance Parties are concerned.
- 10.11 **Expenses.** The Guarantors solidarily agree to pay all duly documented reasonable out-of-pocket costs and expenses, including reasonable attorneys' fees, which may be incurred by the Finance Parties, the Administrative Agent or any one thereof in any effort to collect or enforce any of their obligations hereunder. The obligations of the Guarantors

under this Section 10.11 shall be in addition to the Guaranteed Obligations and shall not in any event exceed the amount of the Credit Facilities.

- 10.12 **Acknowledgment.** Each of the Guarantors hereby acknowledges that (i) it has received and taken cognizance of an original executed copy of the Credit Agreement, this Agreement and the other Operative Documents and is familiar with all the provisions thereof, and (ii) it consents and agrees with the provisions of Section 10.6 of the Credit Agreement and agrees that it and its Financial Accounts shall be bound thereby.
