**1. CORPORATE INFORMATION AND NATURE OF CONTINUANCE OF OPERATIONS**

SolidusGold Inc. (the “Company”) was incorporated on April 13, 2011 under the laws of British Columbia under the name of “Mantra Capital Inc.”. On September 4, 2014 the Company changed its name to SolidusGold Inc. and commenced trading on the TSX Venture Exchange (“TSX-V”) under the new symbol of “SDC”. The address of the Company’s corporate office and its principal place of business is 10<sup>th</sup> Floor, 595 Howe Street, Vancouver, British Columbia, V6C 2T5, Canada.

At September 30, 2021, the Company had not yet determined whether its property contains ore reserves that are economically recoverable. The recoverability of amounts shown for exploration and evaluation assets is dependent upon the discovery of economically recoverable reserves, confirmation of the Company’s interest in the underlying mineral claims, the ability of the Company to obtain necessary financing to complete the development, and upon future profitable production or proceeds from the disposition of the resource property. The outcome of these matters cannot be predicted at this time and the uncertainties cast significant doubt upon the Company’s ability to continue as a going concern.

These interim condensed consolidated financial statements do not give effect to any adjustments which would be necessary should the Company be unable to continue as a going concern and therefore be required to realize its assets and discharge its liabilities in other than the normal course of business and at amounts different from those reflected in these financial statements.

During March 2020, the World Health Organization declared COVID-19 a global pandemic. This contagious disease outbreak and any related adverse public health developments, has adversely affected workforces, economies, and financial markets globally, leading to an economic downturn. The impact on the Company is not currently determinable, but management continues to monitor the situation.

**2. SIGNIFICANT ACCOUNTING POLICIES**

**a) Statement of compliance**

These condensed consolidated interim financial statements have been prepared in accordance with International Financial Reporting Standards (“IFRS”), including IAS 34 – *Interim Financial Reporting*. For these purposes, IFRS comprise the standards issued by the International Accounting Standards Board (“IASB”) and interpretations issued by the International Financial Reporting Interpretations Committee (“IFRIC”).

The accounting policies applied in these interim condensed financial statements are consistent with those applied in the preparation of, and disclosed in, the Company’s audited annual consolidated financial statements for the year ended March 31, 2021.

**b) Basis of presentation**

These condensed consolidated interim financial statements include the assets and operations of the Company and its wholly owned subsidiaries, Solidus Holdings Inc. (“Solidus Holdings”) and SolidusGold US Inc. (“Solidus US”). Solidus Holdings was incorporated on October 30, 2014 under the British Columbia Business Corporations Act. Solidus US was incorporated on July 15, 2014 in Nevada, USA. All significant inter-company balances and transactions have been eliminated upon consolidation.

The condensed consolidated interim financial statements have been prepared on the historical cost basis, with the exception of financial instruments which are measured at fair value, as explained in the accounting policies set out below. In addition, these financial statements have been prepared using the accrual basis of accounting, except for cash flow information.
