### About Rio Silver

Rio Silver Inc. is a Canadian Exploration and Mine Development company. Our business is to develop our 100% owned Ninobamba project and to unlock the tremendous potential for shareholder value identified from the previous \$10 million spent by Newmont and others at both, Ninobamba Main and Jorimina Zone's. Our own recently commissioned & independently constructed "exploration potential" model for Ninobamba Main has identified more world class development potential. Benefits are also soon to materialize from the carried development of our new Palta Dorada Au Ag project, focusing on a near term revenue stream.
