This information circular (the "Information Circular") is furnished in connection with the solicitation of proxies by the management ("Management") of Rio Silver Inc. (the "Company"), for use at the annual general and special meeting (the "Meeting") of the shareholders (the "Shareholders") of the Company, to be held on Monday, August 29, 2022, at the time and place and for the purposes set forth in the accompanying notice of meeting and at any adjournment thereof. The solicitation will be primarily by mail; however, proxies may be solicited personally or by telephone by the regular officers and employees of the Company. The cost of solicitation will be borne by the Company.

The Company intends to hold the Meeting in person. However, due to the COVID-19 pandemic, to mitigate risk to the health and safety of our communities, shareholders and employees, the Company requests that shareholders not attend the Meeting in person. The Company encourages shareholders to instead vote their shares in advance of the Meeting via mail, facsimile or online. No management presentation will be made at the Meeting.

If any shareholder does wish to attend the Meeting in person, please contact the Company at the above number or email chris.hopton@riosilverinc.com in order for arrangements to be made that comply with all recommendations, regulations and orders related to the COVID-19 pandemic. The Meeting can accommodate no more than 5 shareholders in person. Attendance will be on a first come, first served basis. No shareholder who is experiencing any symptoms of COVID-19, including fever, cough or difficulty breathing will be permitted to attend the Meeting in person. The Company may take additional precautionary measures in relation to the Meeting as necessary in response to further developments related to the COVID-19 pandemic and shall comply with all applicable recommendations, regulations and orders related thereto. In the event it is not possible or advisable to hold the Meeting in person, the Company will announce alternative arrangements for the Meeting as promptly as practicable, which may include holding the Meeting entirely by electronic means.

APPOINTMENT AND REVOCATION OF PROXIES

The persons named in the accompanying form of proxy (the "Proxy") are directors and/or officers of the Company. **A SHAREHOLDER HAS THE RIGHT TO APPOINT A PERSON (WHO NEED NOT BE A SHAREHOLDER) TO ATTEND AND ACT FOR HIM ON HIS BEHALF AT THE MEETING OTHER THAN THE PERSONS NAMED IN THE ENCLOSED INSTRUMENT OF PROXY. TO EXERCISE THIS RIGHT, A SHAREHOLDER SHALL STRIKE OUT THE NAMES OF THE PERSONS NAMED IN THE INSTRUMENT OF PROXY AND INSERT THE NAME OF HIS/HER NOMINEE IN THE BLANK SPACE PROVIDED, OR COMPLETE ANOTHER INSTRUMENT OF PROXY. A PROXY WILL NOT BE VALID UNLESS IT IS DEPOSITED WITH THE COMPANY'S REGISTRAR AND TRANSFER AGENT, COMPUTERSHARE INVESTOR SERVICES INC. ("COMPUTERSHARE") AT 100 UNIVERSITY AVENUE, 9TH FLOOR, TORONTO, ONTARIO, M5J 2Y1, NOT LESS THAN 48 HOURS (EXCLUDING SATURDAYS, SUNDAYS AND HOLIDAYS) BEFORE THE TIME OF THE MEETING OR ADJOURNMENT THEREOF.**

The Proxy must be signed by the Shareholder or by his attorney in writing, or, if the Shareholder is a corporation, it must either be under its common seal or signed by a duly authorized officer.

A Shareholder who has given a Proxy may revoke it at any time before it is exercised. In addition to revocation in any other manner permitted by law, a proxy may be revoked by instrument in writing executed by the Shareholder or by his attorney authorized in writing, or, if the Shareholder is a corporation, it must either be under its common seal, or signed by a duly authorized officer and deposited with Computershare at 100 University Avenue, 9th Floor,

Toronto, Ontario, M5J 2Y1, at any time up to and including the last business day preceding the day of the Meeting, or any adjournment of it, at which the Proxy is to be used, or to the Chairperson of the Meeting on the day of the Meeting or any adjournment of it. A revocation of a Proxy does not affect any matter on which a vote has been taken prior to the revocation.

VOTING OF SHARES AND EXERCISE OF DISCRETION OF PROXIES

On any poll, the persons named in the enclosed Proxy will vote the shares in respect of which they are appointed. Where directions are given by the Shareholder in respect of voting for or against any resolution, the proxyholder will do so in accordance with such direction.

IN THE ABSENCE OF ANY INSTRUCTION IN THE PROXY, IT IS INTENDED THAT SUCH SHARES WILL BE VOTED IN FAVOUR OF THE MOTIONS PROPOSED TO BE MADE AT THE MEETING AS STATED UNDER THE HEADINGS IN THIS INFORMATION CIRCULAR. The Proxy enclosed, when properly signed, confers discretionary authority with respect to amendments or variations to the matters which may properly be brought before the Meeting. At the time of printing this Information Circular, the Management of the Company is not aware that any such amendments, variations or other matters are to be presented for action at the Meeting. However, if any other matters which are not now known to the Management should properly come before the Meeting, the Proxies hereby solicited will be exercised on such matters in accordance with the best judgment of the nominee.

In order to approve a motion proposed at the Meeting, a majority of greater than 50% of the votes cast will be required (an "**Ordinary Resolution**") unless the motion requires a "**Special Resolution**", in which case a majority of not less than 66⅔% of the votes cast will be required. In the event a motion proposed at the Meeting requires disinterested Shareholder approval (the "**Disinterested Shareholder Approval**"), common shares held by Shareholders of the Company who are also "insiders", as such term is defined under applicable securities laws, will be excluded from the count of votes cast on such motion.

ADVICE TO BENEFICIAL SHAREHOLDERS

The information set forth in this section is of significant importance to many Shareholders as a substantial number of Shareholders do not hold common shares in their own name. Shareholders who do not hold their common shares in their own name (referred to in this Information Circular as "**Beneficial Shareholders**") should note that only proxies deposited by Shareholders whose names appear on the records of the Company as the registered holders of common shares can be recognized and acted upon at the Meeting. If common shares are listed in an account statement provided to a Shareholder by a broker, then, in almost all cases, those common shares will not be registered in the Shareholder's name on the records of the Company. Such common shares will more likely be registered under the name of the Shareholder's broker or an agent of that broker. In Canada, the vast majority of such common shares are registered under the name CDS & Co. (the registration name for The Canadian Depository for Securities, which acts as nominee for many Canadian brokerage firms). The common shares held by brokers or their agents or nominees can only be voted (for or against resolutions) upon the instructions of the Beneficial Shareholder. Without specific instructions, a broker and its agents are prohibited from voting shares for the broker's clients. **Therefore, Beneficial Shareholders should ensure that instructions respecting the voting of their common shares are communicated to the appropriate person.**

There are two kinds of Beneficial Shareholders, those who object to their name being made known to the issuers of securities which they own ("**OBOs**" for Objecting Beneficial Owners) and those who do not object to the issuers of the securities they own knowing who they are ("**NOBOs**" for Non-Objecting Beneficial Owners). Pursuant to National Instrument 54-101, issuers can obtain a list of their NOBOs from intermediaries for distribution of proxy related materials directly to NOBOs.

This year, the Company has decided to take advantage of those provisions of National Instrument 54-101 that permit it to directly deliver proxy-related materials to its NOBOs. As a result, NOBOs can expect to receive a scannable Voting Instruction Form ("**VIF**") from our transfer agent, Computershare. These VIFs are to be completed and returned to Computershare in the envelope provided or by facsimile. In addition, Computershare provides both telephone voting and internet voting as described on the VIF itself which contains complete instructions. Computershare will tabulate the results of the VIFs received from NOBOs and will provide appropriate instructions at the Meeting with respect to the shares represented by the VIFs they receive.

With respect to Beneficial Shareholders who are OBOs, regulatory rules require intermediaries/brokers to seek voting instructions in advance of Shareholders' meetings. Every intermediary/broker has its own mailing procedures and provides its own return instructions to clients, which should be carefully followed by Beneficial Shareholders who are OBOs in order to ensure that their shares are voted at the Meeting. The purpose of the form of proxy or voting instruction form provided to a Beneficial Shareholder who is an OBO by its broker, agent or nominee is limited to instructing the registered holder of the common shares on how to vote such shares on behalf of the Beneficial Shareholder. The majority of brokers now delegate responsibility for obtaining instructions from clients to Broadridge Investor Communications ("**Broadridge**"). Broadridge typically supplies a voting instruction form, mails those forms to Beneficial Shareholders and asks those Beneficial Shareholders to return the forms to Broadridge or follow specific telephone or other voting procedures. Broadridge then tabulates the results of all instructions received by it and provides appropriate instructions respecting the voting of the shares to be represented at the Meeting. **A Beneficial Shareholder receiving a voting instruction form from Broadridge cannot use that form to vote common shares directly at the Meeting. Instead, the voting instruction form must be returned to Broadridge or the alternate voting procedures must be completed well in advance of the Meeting in order to ensure such common shares are voted.**

These security holder materials are being sent to both registered and non-registered owners of the shares of the Company. If you are a non-registered owner and the Company or its agent has sent these materials directly to you, your name and address and information about your holdings of securities have been obtained in accordance with applicable securities regulatory requirements from the intermediary holding on your behalf. In this event, by choosing to send these materials to you directly, the Company (and not the intermediary holding on your behalf) has assumed responsibility for (i) delivering these materials to you; and (ii) executing your proper voting instructions. Please return your voting instructions as specified in the request for voting instructions.

In accordance with the provisions of National Instrument 54-101, the Company has elected not to pay for mailing to OBOs. As a result, OBOs will only receive paper copies of proxy-related materials if the OBO's intermediary assumes the costs of delivery.

Although Beneficial Shareholders may not be recognized directly at the Meeting for the purpose of voting common shares registered in the name of their broker, agent or nominee, a Beneficial Shareholder may attend the Meeting as a proxyholder for a shareholder and vote common shares in that capacity. Beneficial Shareholders who wish to attend the Meeting and indirectly vote their common shares as proxyholder for the registered shareholder should contact their broker, agent or nominee well in advance of the Meeting to determine the steps necessary to permit them to indirectly vote their common shares as a proxyholder.

VOTING SHARES AND PRINCIPAL HOLDERS THEREOF

The Company's authorized capital consists of an unlimited number of common shares ("**Common Shares**") without par value, each share carrying the right to one vote, of which 74,444,844 Common Shares are issued and outstanding as at July 27, 2022 (the "**Record Date**") and an unlimited number of preferred shares (the "**Preferred Shares**") of which none are outstanding as at the Record Date. The Company has no other classes of securities.

Any Shareholder of record at the close of business on the Record Date who either personally attends the Meeting or who has completed and delivered a Proxy in the manner and subject to the provisions described above, shall be entitled to vote or to have such shareholder's shares voted at the Meeting.

As at the Record Date, Mr. Richard Mazur holds 7,773,623 Common Shares of the Company representing 10.44% of the issued and outstanding Common Shares of the Company. To the best of the knowledge of the directors and senior officers of the Company, no other person holds, directly or indirectly, or exercises control or direction, over more than 10% of the issued and outstanding Common Shares of the Company.

STATEMENT OF EXECUTIVE COMPENSATION

The compensation of the Company's named executive officers has been established with a view to attracting and retaining executives critical to the Company's short and long-term success and to continue to provide executives with compensation that is in accordance with existing market standards generally and competitive within the mining industry in particular.

Compensation of the Company's named executive officers is typically comprised of a base salary and the grant of options to purchase Common Shares under the Company's stock option plan (as more particularly described below), and as circumstances permit may include a bonus based on the satisfaction of performance milestones. The Board of Directors of the Company (the "**Board of Directors**" or "**Board**") determines NEO compensation and director compensation. The base salary review of each NEO takes into consideration the current competitive market conditions, experience, proven or expected performance, and the particular skills of the NEO. Base salary is not evaluated against a formal "peer group". The Board of Directors relies on the general experience of its members in setting base salary amounts.

Through its executive compensation practices, the Company seeks to provide value to its Shareholders through a strong executive leadership. Specifically, the Company's executive compensation structure seeks to attract and retain talented and experienced executives necessary to achieve the Company's strategic objectives, motivate and reward executives whose knowledge, skills and performance are critical to the Company's success, align the interests of the Company's executives and shareholders by motivating executives to increase shareholder value.

The Board has not conducted a formal evaluation of the implications of the risks associated with the Company's compensation policies. Risk management is a consideration of the Board of Directors when implementing its compensation policies and the Board of Directors do not believe that the Company's compensation policies result in unnecessary or inappropriate risk taking including risks that are likely to have a material adverse effect on the Company.

STOCK OPTIONS

The Company's granting of stock options to purchase Common Shares to its directors, executive officers and others is a method of compensation which is used to attract and retain personnel and to provide an incentive to participate in the long-term development of the Company and to increase shareholder value. The relative emphasis of options for remunerating executive officers and employees will generally vary depending on the prevailing practices in competing companies and on the number of options to purchase Common Shares that are outstanding at the time. During the year ended December 31, 2021, the Company granted an aggregate of 6,925,000 stock options to directors, officers, employees and consultants of the Company. The Company generally expects future option grants should be based on the following factors: the executive's past performance, anticipated future contribution, prior option grants to such executive, the percentage of outstanding equity owned by the executive, competitive market practices and the executive's responsibilities and performance. The Company has not set specific target levels for options to named executive officers but seeks to be competitive with similar companies.

USE OF FINANCIAL INSTRUMENTS

The Company does not have a policy that would prohibit a NEO or director from purchasing financial instruments, including prepaid variable forward contracts, equity swaps, collars or units of exchange funds, that are designed to hedge or offset a decrease in market value of equity securities granted as compensation or held, directly or

indirectly, by the NEO or director. However, management is not aware of any NEO or director having purchased such an instrument.

- stock options may have a term not exceeding ten years;

- if an optionee providing investor relations services to the Company ceases to be an eligible participant under the Plan, that optionee's outstanding options will terminate on the earlier of the applicable expiry date and the date that is 30 days from such an event unless extended by the board at its discretion;

It is the intention of the Board that through the involvement of the Committee, the external audit will be conducted independently of the Company's Management to ensure that the independent auditors serve the interests of Shareholders rather than the interests of Management of the Company. SCHEDULE "B"

RIO SILVER INC.

CORPORATE GOVERNANCE DISCLOSURE AND CBCA DIVERSITY DISCLOSURE

Pursuant to National Instrument 58-101 *Disclosure of Corporate Governance Practices* the Company is required to and hereby discloses its corporate governance practices as follows.

ITEM 1. BOARD OF DIRECTORS

The Board of Directors (the "**Board**") of the Company facilitates its exercise of independent supervision over the Company's management through frequent meetings of the Board. The Board reviews its procedures on an ongoing basis to ensure it is functioning independently of management. As circumstances require, the Board meets without management present, and convenes meetings, as deemed necessary, of the independent directors, at which meetings non-independent directors and members of management are not in attendance. When conflicts arise, interested parties are precluded from voting on matters in which they may have an interest.

Mr. Richard Mazur, a director of the Company, is "independent" in that he is independent and free from any interest and any business or other relationship which could, or could reasonably be perceived to, materially interfere with the director's ability to act with the best interests of the Company, other than the interests and relationships arising from shareholdings.

Mr. Steven Brunelle, a director of the Company, is also the Chairman of the Company and is therefore not independent.

Mr. Edward J. Badida, a director of the Company, is "independent" in that he is independent and free from any interest and any business or other relationship which could, or could reasonably be perceived to, materially interfere with the director's ability to act with the best interests of the Company, other than the interests and relationships arising from shareholdings.

Mr. Christopher Verrico, a director of the Company, is also the President and Chief Executive Officer of the Company and is therefore not independent.

ITEM 2. DIRECTORSHIPS

The directors of the Company are currently directors of the following other reporting issuers:

Name of Director	Name of Reporting Issuer	Term
Steve Brunelle	Bold Ventures Inc.	August 2017 to present
	Eagle Graphite Incorporated (formerly Amerix Precious Metals Corporation)	February 2011 to present
	Imperial Mining Group Ltd.	December 2017 to present
	Klondike Gold Corp.	February 2014 to present
	Peruvian Metals Corp. (formerly Duran Ventures Inc.)	July 2010 to present
Chris Verrico	Four Nines Gold Inc.	June 2017 to present
	Juggernaut Exploration Ltd.	August 2011 to present

ITEM 3. ORIENTATION AND CONTINUING EDUCATION

The Board briefs all new directors with the policies of the Board, and other relevant corporate and business information.

ITEM 4. ETHICAL BUSINESS CONDUCT

The Board has found that the fiduciary duties placed on individual directors by the Company's governing corporate legislation and the common law and the restrictions placed by applicable corporate legislation on an individual director's participation in decisions of the Board in which the director has an interest have been sufficient to ensure that the Board operates independently of management and in the best interests of the Company.

Under the corporate legislation, a director is required to act honestly and in good faith with a view to the best interests of the Company and exercise the care, diligence and skill that a reasonably prudent person would exercise in comparable circumstances, and disclose to the board the nature and extent of any interest of the director in any material contract or material transaction, whether made or proposed, if the director is a party to the contract or transaction, is a director or officer (or an individual acting in a similar capacity) of a party to the contract or transaction or has a material interest in a party to the contract or transaction. The director must then abstain from voting on the contract or transaction unless the contract or transaction (i) relates primarily to their remuneration as a director, officer, employee or agent of the Company or an affiliate of the Company, (ii) is for indemnity or insurance for the benefit of the director in connection with the Company, or (iii) is with an affiliate of the Company. If the director abstains from voting after disclosure of their interest, the directors approve the contract or transaction and the contract or transaction was reasonable and fair to the Company at the time it was entered into, the contract or transaction is not invalid and the director is not accountable to the Company for any profit realized from the contract or transaction. Otherwise, the director must have acted honestly and in good faith, the contract or transaction must have been reasonable and fair to the Company and the contract or transaction be approved by the shareholders by a special resolution after receiving full disclosure of its terms in order for the director to avoid such liability or the contract or transaction being invalid.

ITEM 5. NOMINATION OF DIRECTORS

The Board is responsible for identifying individuals qualified to become new Board members and recommending to the Board new director nominees for the next annual meeting the shareholders.

New nominees must have a track record in general business management, special expertise in an area of strategic interest to the Company, the ability to devote the time required, shown support for the Company's mission and strategic objectives, and a willingness to serve.

ITEM 6. COMPENSATION

The Board conducts reviews with regard to directors' compensation once a year. To make its recommendation on directors' compensation, the Board takes into account the types of compensation and the amounts paid to directors of comparable publicly traded Canadian companies.

ITEM 7. OTHER BOARD COMMITTEES

The Board has no other committees other than the Audit Committee and the Compensation Committee.

ITEM 8. ASSESSMENTS

On an ongoing basis, the Board monitors the adequacy of information given to directors, communication between the board and management and the strategic direction and processes of the board and committees. On an ongoing annual basis, the Board assesses the performance of the Board as a whole, each of the individual directors and each committee of the Board in order to satisfy itself that each is functioning effectively.

CBCA DIVERSITY DISCLOSURE

Pursuant to section 172.1 of the *Canada Business Corporations Act*, the Company is required to and hereby discloses its diversity practices as follows:

Diversity on the Company's Board and Among Senior Management

The Company believes that ensuring diversity is not only fundamental to its future growth and progress but is an integral part of all its business activities. The Company recognizes and appreciates the benefits of having diversity on its Board and in its senior management. The Company respects and values, among other things, differences in gender, age, ethnic origin, religion, education, sexual orientation, political belief and disability. At the same time, the Company also recognizes that Board and senior management appointments must be based on performance, ability and potential.

The Board has not adopted a formal policy regarding the identification and nomination of directors who are women, Indigenous peoples (First Nations, Inuit and Métis), persons with disabilities or members of visible minorities (collectively, the "**Designated Groups**"). The Company recognizes the benefits of diversity within its Board, at the executive level and at all levels of the organization, but does not believe that a formal policy would enhance the representation of Designated Groups on the Board beyond the current recruitment and selection process.

In assessing potential directors and members of senior management, the Company focuses on the skills, expertise, experience and independence that the Company requires to be effective, and includes diversity (including the level of representation of members of Designated Groups) as a factor in its decision-making when identifying and nominating candidates for election or re-election to the Board and for senior management positions.

As of the date of this Information Circular, the Company has not adopted a target number or percentage, or a range of target numbers or percentages, for the members of any Designated Group to hold positions on the Board or to be members of senior management by a specific date, as it believes that imposing targets based on specific selection criteria would limit the Company's ability to ensure that the overall composition of the Board and senior management meets the needs of the Company and its shareholders.

As of the date of this Information Circular, the Company has a total of 4 directors and 3 members of senior management. Currently, none of the Company's directors (0%) and none of the members of senior management are female (0%). Currently, none of the Company's directors (0%) and none of the members of senior management (0%) are members of a visible minority. To the knowledge of the Company, none of the Company's directors or members of senior management (0%) are Indigenous peoples or persons with disabilities.

Director Term Limits

The Company has not adopted term limits for the directors on the Board or other mechanisms of Board renewal. The Company does not impose term limits on its directors as it takes the view that term limits are an arbitrary mechanism for removing directors which can result in valuable, experienced directors being forced to leave the Board solely because of length of service. Instead, the Company believes that directors should be assessed based on their ability to continue to make a meaningful contribution. The Board's priorities continue to be ensuring the appropriate skill sets are present amongst the Board to optimize the benefit to the Company. The Company believes that annual elections by the shareholders are a more meaningful way to evaluate the performance of directors and to make determinations about whether a director should be removed due to under-performance.
