Dear Sirs / Mesdames:

Re: Logan Energy Corp. – Short Form Prospectus dated March 4, 2026

We refer to the final short form prospectus (the "**Prospectus**") of Logan Energy Corp. (the "**Corporation**") dated March 4, 2026, which qualifies the distribution of common shares in the capital of the Corporation.

We are a firm of independent petroleum engineering consultants and have prepared: (a) a report (the "**2024 Reserves Report**") for the Corporation titled "Logan Energy Corp., Evaluation of Petroleum Reserves, Based on Forecast Prices and Costs" as at December 31, 2024, with a preparation date of March 19, 2025, as described in the Corporation's annual information form dated March 19, 2025, for the financial year ended December 31, 2024 (the "**AIF**"); and (b) a report (the "**2025 Reserves Report**" and, together with the 2024 Reserves Report, the "**Reserves Reports**") for the Corporation titled "Logan Energy Corp., Evaluation of Petroleum Reserves, Based on Forecast Prices and Costs" as at December 31, 2025, with a preparation date of February 17, 2026, as described in the Corporation's material change report dated February 25, 2026 (the "**MCR**").

We hereby consent to the use of, and reference to, our firm name, and the use of the Reserves Reports and the inclusion of information derived from the Reserves Reports in the Prospectus, the AIF and the MCR (as applicable), which is incorporated by reference into the Prospectus.

We confirm that we have read the AIF, the MCR and the Prospectus and all information specifically incorporated by reference therein and have no reason to believe that there are any misrepresentations in the information contained therein that are derived from the Reserves Reports or that are within our knowledge as a result of the services we performed in connection with preparing the Reserves Reports.

Sincerely,
McDaniel & Associates Consultants Ltd.
