Dear Sirs / Mesdames:

**Re: Lycos Energy Inc. – Short Form Prospectus dated September 27, 2023**

We refer to the short form prospectus (the "**Prospectus**") of Lycos Energy Inc.. (the "**Corporation**") dated September 27, 2023, which qualifies the distribution of common shares in the capital of the Corporation.

We are a firm of independent petroleum engineering consultants and have prepared a report for the Corporation titled "**Evaluation of the P&NG Reserves of Lycos Energy Inc. (As of December 31, 2022)**", with a preparation date of March 14, 2023 and prepared by Sproule Associates Limited (the "**Reserves Report**").

We hereby consent to the use of, and reference to, our firm name, and the use of the Reserves Report and the inclusion of information derived from the Reserves Report in the Prospectus and in the AIF (as applicable), which is incorporated by reference into the Prospectus.

We confirm that we have read the AIF and the Prospectus and all information specifically incorporated by reference therein and have no reason to believe that there are any misrepresentations in the information contained therein that are derived from the Reserves Report or that are within our knowledge as a result of the services we performed in connection with preparing the Reserves Report.

Sincerely,

**SPROULE ASSOCIATES LIMITED**
