INFORMATION CIRCULAR
as at July 7, 2025 *(except as otherwise indicated)*

This Information Circular is furnished in connection with the solicitation of proxies by the management of King Copper Discovery Corp. for use at the annual general meeting (the “Meeting”) of its shareholders to be held on August 14, 2025 at the time and place and for the purposes set forth in the accompanying notice of the Meeting.

In this Information Circular, references to “**the Company**”, “**we**” and “**our**” refer to King Copper Discovery Corp. “**Common Shares**” means common shares in the capital of the Company. “**Beneficial Shareholders**” means shareholders who do not hold Common Shares in their own name and “**intermediaries**” refers to brokers, investment firms, clearing houses and similar entities that own securities on behalf of Beneficial Shareholders. “**Registered Shareholders**” means shareholders who hold Common Shares registered in their own name, and may include intermediaries. “**Shareholders**” means all shareholders who hold Common Shares.

GENERAL PROXY INFORMATION

Solicitation of Proxies

The solicitation of proxies will be primarily by mail, but proxies may be solicited personally or by telephone by directors, officers and regular employees of the Company. The Company will bear all costs of this solicitation. We have arranged for intermediaries to forward the meeting materials to beneficial owners of the Common Shares held of record by those intermediaries and we may reimburse the intermediaries for their reasonable fees and disbursements in that regard.

Appointment of Proxyholders

The individuals named in the accompanying form of proxy (the “**Proxy**”) are officers and/or directors of the Company. **If you are a shareholder entitled to vote at the Meeting, you have the right to appoint a person or company other than either of the persons designated in the Proxy, who need not be a shareholder, to attend and act for you and on your behalf at the Meeting. You may do so either by inserting the name of that other person in the blank space provided in the Proxy or by completing and delivering another suitable form of proxy.**

Voting by Proxyholder

The persons named in the Proxy will vote or withhold from voting the Common Shares represented thereby in accordance with your instructions on any ballot that may be called for. If you specify a choice with respect to any matter to be acted upon, your Common Shares will be voted accordingly. The Proxy confers discretionary authority on the persons named therein with respect to:

- (a) each matter or group of matters identified therein for which a choice is not specified, other than the appointment of an auditor and the election of directors,
- (b) any amendment to or variation of any matter identified therein, and
- (c) any other matter that properly comes before the Meeting.

In respect of a matter for which a choice is not specified in the Proxy, the persons named in the Proxy will vote the Common Shares represented by the Proxy for the approval of such matter.

Registered Shareholders

Registered Shareholders may wish to vote by proxy whether or not they are able to attend the Meeting in person. Registered Shareholders electing to submit a proxy may do so by choosing one of the following methods:

To Vote Your Proxy Online please visit:

1. <https://vote.odysseytrust.com> and click on LOGIN. You will require the CONTROL NUMBER printed with your address to the right on your proxy form. If you vote by Internet, do not mail this proxy.
2. By mail or personal delivery to Odyssey Trust Company, Attn: Proxy Department, Suite 702, 67 Yonge St., Toronto, ON M5E 1J8; or
3. By fax to Odyssey, to the attention of the Proxy Department at 1-800-517-4553 (toll-free within Canada and the U.S.) or 416-263-9524 (international).

In either case you must ensure the Proxy is received at least 48 hours (excluding Saturdays, Sundays and statutory holidays) before the Meeting or the adjournment thereof. Failure to complete or deposit a Proxy properly may result in its invalidation. The time limit for the deposit of Proxies may be waived by the Chair of the Meeting. **Please note that in order to vote your Common Shares in person at the Meeting, you must attend the Meeting and register with the Scrutineer before the Meeting. If you have already submitted a Proxy, but choose to change your method of voting and attend the Meeting to vote, then you should register with the Scrutineer before the Meeting and inform them that your previously submitted Proxy is revoked and that you personally will vote your Common Shares at the Meeting.**

Beneficial Shareholders

The following information is of significant importance to Shareholders who do not hold Common Shares in their own name. Beneficial Shareholders should note the only proxies that can be recognized and acted upon at the Meeting are those deposited by Registered Shareholders (those whose names appear on the records of the Company as the registered holders of Common Shares) or as set out in the following disclosure.

If Common Shares are listed in an account statement provided to a Shareholder by a broker, then in almost all cases those Common Shares will not be registered in the Beneficial Shareholder's name on the records of the Company. Such Common Shares will more likely be registered under the name of the Shareholder's broker or an agent of that broker. In Canada, the vast majority of such Common Shares are registered under the name of CDS & Co. (the registration name for The Canadian Depository for Securities Limited, which acts as nominee for many Canadian brokerage firms), and in the United States of America (the "U.S." or the "United States"), the vast majority of such Common Shares are registered under the name of Cede & Co. as nominee for The Depository Trust Company (which acts as depository for many U.S. brokerage firms and custodian banks).

Intermediaries are required to seek voting instructions from Beneficial Shareholders in advance of Shareholders' meetings. Every intermediary has its own mailing procedures and provides its own return instructions to clients.

There are two kinds of Beneficial Shareholders – those who object to their name being made known to the issuers of securities which they own (called "**OBOs**" for "*Objecting Beneficial Owners*") and those who do

not object to the issuers of the securities they own knowing who they are (called “**NOBOs**” for “*Non-Objecting Beneficial Owners*”).

These securityholder materials are sent to both registered and non-registered (beneficial) owners of the securities of the Company. If you are a non-registered owner, and the Company or its agent sent these materials directly to you, your name, address and information about your holdings of securities, were obtained in accordance with applicable securities regulatory requirements from the intermediary holding securities on your behalf.

Beneficial Shareholders who are OBOs should follow the instructions of their intermediary carefully to ensure that their Common Shares are voted at the Meeting.

The form of proxy supplied to you by your broker will be similar to the proxy provided to Registered Shareholders by the Company. However, its purpose is limited to instructing the intermediary on how to vote on your behalf. Most brokers now delegate responsibility for obtaining instructions from clients to Broadridge Financial Solutions Inc. (“**Broadridge**”) in Canada and in the United States. Broadridge mails a Voting Instruction Form (“**VIF**”) in lieu of a proxy provided by the Company. The VIF will name the same persons as the Company’s Proxy to represent you at the Meeting. You have the right to appoint a person (who need not be a Beneficial Shareholder of the Company), different from the persons designated in the VIF, to represent your Common Shares at the Meeting, and that person may be you. To exercise this right, insert the name of your desired representative (which may be you) in the blank space provided in the VIF. Once you have completed and signed your VIF return it to Broadridge by mail or facsimile, or deliver your voting instructions to Broadridge by phone or via the internet, in accordance with Broadridge’s instructions. Broadridge tabulates the results of all instructions received and provides appropriate instructions respecting the voting of Common Shares to be represented at the Meeting. **If you receive a VIF from Broadridge, it must be completed and returned to Broadridge, in accordance with Broadridge’s instructions, well in advance of the Meeting in order to: (a) have your Common Shares voted at the Meeting per your instructions; or (b) have an alternate representative chosen by you duly appointed to attend and vote your Common Shares at the Meeting.**

Notice to Shareholders in the United States

The solicitation of proxies involves securities of an issuer located in Canada and is being effected in accordance with the corporate laws of the Province of British Columbia, Canada and securities laws of British Columbia. The proxy solicitation rules under the United States *Securities Exchange Act of 1934*, as amended, are not applicable to the Company or this solicitation, and this solicitation has been prepared in accordance with the disclosure requirements of the securities laws of British Columbia. Shareholders should be aware that disclosure requirements under the securities laws of British Columbia differ from the disclosure requirements under United States securities laws.

The enforcement by Shareholders of civil liabilities under United States federal securities laws may be affected adversely by the fact that the Company is incorporated under the *Business Corporations Act* (British Columbia), as amended (the “**BCBCA**”), certain of its directors and its executive officers are residents of Canada and its assets and the assets of such persons are located outside the United States. Shareholders may not be able to sue a foreign company or its officers or directors in a foreign court for violations of United States federal securities laws. It may be difficult to compel a foreign company and its officers and directors to subject themselves to a judgment by a United States court.

Revocation of Proxies

In addition to revocation in any other manner permitted by law, a Registered Shareholder who has given a Proxy may revoke it by:

- (a) executing a proxy bearing a later date or by executing a valid notice of revocation, either of the foregoing to be executed by the registered shareholder or the registered shareholder’s authorized

attorney in writing, or, if the shareholder is a corporation, under its corporate seal by an officer or attorney duly authorized, and by emailing the proxy bearing a later date to Odyssey at proxy@odysseytrust.com at any time up to and including the last business day that precedes the day of the Meeting or, if the Meeting is adjourned, the last business day that precedes any reconvening thereof, or to the chairman of the Meeting on the day of the Meeting or any reconvening thereof, or in any other manner provided by law; or

(b) personally attending the Meeting and voting the registered Shareholder's Common Shares.

A revocation of a Proxy will not affect a matter on which a vote is taken before the revocation.

INTEREST OF CERTAIN PERSONS OR COMPANIES IN MATTERS TO BE ACTED UPON

No director or executive officer of the Company, or any person who has held such a position since the beginning of the last completed financial year of the Company, nor any nominee for election as a director of the Company, nor any associate or affiliate of the foregoing persons, has any substantial or material interest, direct or indirect, by way of beneficial ownership of securities or otherwise, in any matter to be acted on at the Meeting other than the election of directors or the appointment of an auditor, as further described below.

VOTING SECURITIES AND PRINCIPAL HOLDERS OF VOTING SECURITIES

The Company's board of directors (the "**Board**") has fixed July 7, 2025 as the record date (the "**Record Date**") for determining persons entitled to receive notice of the Meeting. Only Shareholders of record at the close of business on the Record Date who either attend the Meeting personally or complete, sign and deliver a form of Proxy in the manner and subject to the provisions described above will be entitled to vote or to have their Common Shares voted at the Meeting.

The Common Shares of the Company are listed on the TSX Venture Exchange (the "**TSXV**") and the Company is authorized to issue an unlimited number of Common Shares. As of July 7, 2025, there were 203,907,129 Common Shares without par value issued and outstanding, each carrying the right to one vote. No group of Shareholders has the right to elect a specified number of directors, nor are there cumulative or similar voting rights attached to the Common Shares.

To the knowledge of the directors and executive officers of the Company, there are no persons or corporations who beneficially owned, directly or indirectly, or exercised control or direction over, Common Shares carrying 10% or more of the voting rights attached to all outstanding Common Shares of the Company as at July 7, 2025.

VOTES NECESSARY TO PASS RESOLUTIONS

A simple majority of affirmative votes cast at the Meeting is required to pass the resolutions to elect directors and to appoint the auditor. If there are more nominees for election as directors or appointment of the Company's auditor than there are vacancies to fill, those nominees receiving the greatest number of votes will be elected or appointed, as the case may be, until all such vacancies have been filled. If the number of nominees for election or appointment is equal to the number of vacancies to be filled, all such nominees will be declared elected or appointed by acclamation.

In accordance with TSXV policies, a simple majority of affirmative votes of Shareholders of the Company is required to pass the resolutions to approve the continuation of the Option Plan and the continuation of the RSU Plan.

FINANCIAL STATEMENTS

The audited financial statements for the year ended December 31, 2024 and the report of the auditor thereon will be placed before Shareholders at the Meeting for their consideration. No formal action will be taken at the Meeting to approve the financial statements. If any Shareholder has questions regarding such financial

statements, such questions may be brought forward at the Meeting. Copies of the audited financial statements and relevant management discussion and analysis have been filed on April 25, 2025 under the Company's SEDAR+ profile at www.sedarplus.ca.

ELECTION OF DIRECTORS

The size of the Board was last set at four and the Board has determined to propose the number of directors to be elected to the Board at the Meeting at four (4) directors.

The Board will nominate the four (4) individuals set out below to be elected to the Board at the Meeting.

The term of office of each of the current directors will end at the conclusion of the Meeting. Unless a director's office is vacated earlier in accordance with the provisions of the BCBCA, each director elected at the Meeting will hold office until the conclusion of the next annual general meeting of the Company, or if no director is then elected, until a successor is elected.

As of the date of this Information Circular, the current directors of the Company are: Jonathan Richards, Francisco Azevedo, Laura Bastias, and Miguel Inchaustegui.

Advance Notice Provision

Pursuant to the Advance Notice Provisions contained in the Articles, the Board has determined that notice of nominations of persons for election to the Board at the Meeting must be made following the requirements of such Advance Notice Provisions. To the date of this Information Circular, the Company has not received notice of a nomination in compliance with the Articles and, subject to the timely receipt of any such nomination, any nominations other than nominations by or at the direction of the Board or an authorized officer of the Company will be disregarded at the Meeting.

Among other things, the Advance Notice Provision fixes a deadline by which holders of Common Shares must submit director nominations to the Company prior to any annual or special meeting of Shareholders and sets forth the minimum information that a Shareholder must include in the notice to the Company for the notice to be in proper written form.

The Advance Notice Provision also requires all proposed director nominees to deliver a written representation and agreement that such candidate for nomination, if elected as a director of the Company, will comply with all applicable corporate governance, conflict of interest, confidentiality, share ownership, majority voting and insider trading policies and other policies and guidelines of the Company applicable to directors and in effect during such person's term in office as a director.

The foregoing is merely a summary of the Advance Notice Provision, is not comprehensive and is qualified by the full text of the Company's Articles, a copy of which was filed under the Company's SEDAR+ profile at www.sedarplus.ca.

CORPORATE GOVERNANCE

General

National Instrument 58-101 – *Disclosure of Corporate Governance Practices* (“**NI 58-101**”) requires issuers to disclose their corporate governance practices and National Policy 58-201 – *Corporate Governance Guidelines* provides guidance on corporate governance practices. This section sets out the Company’s approach to corporate governance and addresses the Company’s compliance with NI 58-101.

Corporate governance refers to the policies and structure of the board of directors of a company, whose members are elected by and are accountable to the company’s shareholders. Corporate governance encourages establishing a reasonable degree of independence of the board from executive management and the adoption of policies to ensure the board recognizes the principles of good management. The Board is committed to sound corporate governance practices as such practices are both in the interests of Shareholders and help to contribute to effective and efficient decision-making.

Board of Directors

Management is delegated the responsibility for meeting defined corporate objectives, implementing approved strategic and operating plans, carrying on the Company’s business in the ordinary course, managing cash flow, evaluating new business opportunities, recruiting staff and complying with applicable regulatory requirements. The Board facilitates its independent supervision over management by reviewing and approving long-term strategic, business and capital plans, material contracts and business transactions, and all debt and equity financing transactions. Through its Audit Committee, the Board examines the effectiveness of the Company’s internal control processes and management information systems. The Board reviews executive compensation and approves Option grants based on recommendations from the Compensation Committee.

Directors are considered to be independent if they have no direct or indirect material relationship with the Company. A “material relationship” is a relationship which could, in the Board’s opinion, be reasonably expected to interfere with the exercise of a director’s independent judgment.

The independent member of the Board is Miguel Inchaustegui. Jonathan Richards and Francisco Azevedo are not independent as they are officers of the Company. Laura Bastias is not independent as she is a partner in Bastias Yacante Abogados, which provides legal services to the Company.

Directorships

Certain members of the Board are currently serving on boards of directors of other reporting companies (or equivalent) as set out below:

Name of Director	Name of Reporting Issuer	Exchange
Jonathan Richards	ProStar Holdings Inc.	TSXV

Name of Director	Name of Reporting Issuer	Exchange
	Leviathan Gold Ltd.	TSXV

Orientation and Continuing Education

When new directors are appointed, they receive orientation, commensurate with their previous experience, on the Company's properties, business, technology and industry and on the responsibilities of directors.

Board meetings may also include presentations by the Company's management and employees to give the directors additional insight into the Company's business.

Ethical Business Conduct

The Board has found that the fiduciary duties placed on individual directors by the Company's governing corporate legislation and the common law and the restrictions placed by applicable corporate legislation on an individual director's participation in decisions of the Board in which the director has an interest have been sufficient to ensure that the Board operates independently of management and in the best interests of the Company.

Nomination of Directors

The Board considers its size each year when it considers the number of directors to recommend for election at the annual meeting of Shareholders, taking into account the number required to carry out the Board's duties effectively and to maintain a diversity of views and experience.

The Board does not have a nominating committee, and these functions are currently performed by the Board as a whole. However, if there is a change in the number of directors required by the Company, this policy will be reviewed.

Compensation

The Board acting through its Compensation Committee determines compensation for the directors and the procedures for this determination are described under Statement of Executive Compensation below. With respect to compensation paid to the Chief Executive Officer, please refer to Statement of Executive Compensation below.

Other Board Committees

In addition to the Audit Committee, the Board also has a Compensation Committee.

Compensation Committee

The Board has established a Compensation Committee consisting of Laura Bastias and Miguel Inchaustegui. The recommendations of the Compensation Committee are considered by the Board in determining compensation for the directors, the CEO and other senior executives and consultants.

Assessments

The Board monitors the adequacy of information given to directors, communication between the Board and management, and the strategic direction and processes of the Board and the Audit Committee on an ongoing basis.

Stock Option Plans and Other Incentive Plans

Share Option Plan

The Company has a Share Option Plan dated for reference August 12, 2022 (the "**Option Plan**"). The principal purpose of the Option Plan is to advance the interests of the Company by encouraging the directors, employees and consultants of the Company and of its subsidiaries or affiliates, if any, by providing them with the opportunity, through Options, to acquire Common Shares in the share capital of the Company, thereby increasing their proprietary interest in the Company, encouraging them to remain associated with the Company and furnishing them with additional incentive in their efforts on behalf of the Company in the conduct of its affairs.

The Option Plan provides that the aggregate number of securities reserved for issuance under the Option Plan, together with all other security based compensation plans, will be 10% of the number of Common Shares of the Company issued and outstanding from time to time.

The Option Plan is administered by the Board of the Company, which has full and final authority with respect to the granting of all Options thereunder.

Options may be granted under the Option Plan to such service providers of the Company and its affiliates, if any, as the Board may from time to time designate. The exercise prices will be determined by the Board, but will, in no event, be less than the Discounted Market Price, as such defined by the policies of the TSXV. All Options granted under the Option Plan will expire not later than the date that is ten (10) years from the date that such Options are granted. Options granted under the Option Plan are not transferable or assignable other than by testamentary instrument or pursuant to the laws of succession.

As at July 7, 2025, there were 16,870,000 Options outstanding under the Option Plan. As at July 7, 2025, there were 203,907,129 issued and outstanding Common Shares and accordingly, there are a further 3,520,713 Common Shares available for reserve for grant of Options. At the December 31, 2024 financial year end, there were 5,370,000 options outstanding pursuant to the Option Plan.

The Board is of the view that the Option Plan permits the Company to attract and maintain the services of executives, employees and other service providers with other companies in the industry, and therefore will seek Shareholder approval at the Meeting of the Plan.

Material Terms of the Plan

The following is a summary of the material terms of the Option Plan. All terms capitalized but not defined below shall have the meanings ascribed to such terms in the Option Plan.

- (a) Persons who are Service Providers to the Company or its affiliates, or who are providing services to the Company or its affiliates, are eligible to receive grants of Options under the Plan;
- (b) Investor Relations Service Providers may not receive any Security Based Compensation other than Options.
- (c) Options granted under the Plan are non-assignable, and non-transferable;
- (d) For Options granted to Service Providers, the Company must ensure that the proposed Option holder (an “**Optionee**”) is a bona fide Service Provider of the Company or its affiliates;
- (e) An Option granted to any Service Provider will expire within 90 days (or such other time, not to exceed one year, as shall be determined by the Board as at the date of grant or agreed to by the Board and the Optionee at any time prior to expiry of the Option), after the date the Optionee ceases to be employed by or provide services to the Company, but only to the extent that such Option was vested at the date the Optionee ceased to be so employed by or to provide services to the Company;
- (f) If an Optionee dies, any vested Option held by him or her at the date of death will become exercisable by the Optionee’s lawful personal representatives, heirs or executors until the earlier of one year after the date of death of such Optionee and the date of expiration of the term otherwise applicable to such option;
- (g) In the case of an Optionee being dismissed from employment or service for cause, such Optionee’s options, whether or not vested at the date of dismissal, will immediately terminate without right to exercise same;
- (h) Vesting of options shall be at the discretion of the Board, and will generally be subject to: (i) the Service Provider remaining employed by or continuing to provide services to the Company or its affiliates, as well as, at the discretion of the Board, achieving certain milestones which may be defined by the Board from time to time or receiving a satisfactory performance review by the Company or its affiliates during the vesting period; or (ii) the Service Provider remaining as a Director of the Company or its affiliates during the vesting period;

- (i) Subject to approval from the TSXV, the Board reserves the right in its absolute discretion to amend, suspend, terminate or discontinue the Plan with respect to all Plan shares in respect of options which have not yet been granted under the Plan;
- (j) Disinterested shareholder approval will be required to approve any extensions or reductions of exercise price to stock options granted to individuals that are Insiders at the time of the proposed amendment;
- (k) The Plan includes specific restrictions with respect to adjustments to security based compensation. Any adjustment to stock options granted or issued (except in relation to a consolidation or share split) is subject to the prior acceptance of the TSXV; and
- (l) The Plan provides for the following limits on grants, unless otherwise permitted pursuant to the policies of the TSXV:
 - i. unless Disinterested Shareholder Approval is obtained, the maximum aggregate number of Common Shares that may be issuable to any one Participant (and where permitted pursuant to the policies of the TSX Venture, any company that is wholly-owned by the Participant) pursuant to all Security Based Compensation of the Company granted or issued within any twelve (12) month period may not exceed 5% of the Outstanding Shares calculated on the date of grant of any Security Based Compensation;
 - ii. unless Disinterested Shareholder Approval is obtained, the maximum aggregate number of Common Shares that may be issuable to Insiders of the Company (as a group) pursuant to all Security Based Compensation of the Company granted or issued within any twelve (12) month period may not exceed 10% of the Outstanding Shares calculated on the date of grant of any Security Based Compensation;
 - iii. unless Disinterested Shareholder Approval is obtained, the maximum aggregate number of Common Shares that may be issuable to Insiders of the Company (as a group) pursuant to all Security Based Compensation of the Company may not exceed 10% of the Outstanding Shares at any point in time;
 - iv. the maximum aggregate number of Common Shares that may be issuable to any Consultant of the Company pursuant to all Security Based Compensation of the Company granted or issued within any twelve (12) month period may not exceed 2% of the Outstanding Shares calculated on the date of grant of any Security Based Compensation; and
 - v. the maximum aggregate number of Common Shares that may be issuable to all Investor Relations Services Providers pursuant to Options granted or issued within any twelve (12) month period may not exceed 2% of the Outstanding Shares calculated on the date of grant of any Options and Investor Relations Services Providers may not received any Security Based Compensation other than Options.

The Option Plan also allows for option holders to exercise options on a “Cashless Exercise” or “Net Exercise” basis. “Cashless Exercise” is a method of exercising Options in which a securities dealer loans funds to the Optionee or sells the same shares as those underlying the Option, prior to or in conjunction with the exercise of Options, to allow the Optionee to fund the exercise of some or all of their Options. “Net Exercise” is a method of Option exercise under which the Optionee does not make any payment to the issuer for the exercise of their Options and receives on exercise a number of Common Shares equal to the intrinsic value (current market price less the exercise price) of the Option valued at the current market price. Pursuant to the policies

of the TSXV, the current market price must be the 5-day volume weighted average trading price prior to Option exercise. “Net Exercise” may not be utilized by persons performing investor relations services.

The Option Plan has been conditionally approved by the TSXV with final approval being subject to shareholder approval at the Meeting.

Refer to heading below – “*Particulars of Matters to be Acted Upon – Continuation of the Option Plan*”.

Restricted Share Unit Plan

On June 26, 2023, the Board adopted a restricted share unit plan (the “**RSU Plan**”) as an alternative to stock options and as a means of compensating directors, officers, employees and consultants of the Company. Pursuant to the RSU Plan, a maximum of 15,000,000 restricted share units (“**RSUs**”) may be awarded.

The RSU Plan allows the Company to grant RSUs, under and subject to the terms and conditions of the RSU Plan, which may be exercised to purchase up to a maximum of 15,000,000 Common Shares.

The RSU Plan is subject to the approval of the TSXV.

The following is a summary of the material terms of the RSU Plan. All terms capitalized but not defined below shall have the meanings ascribed to such terms in the RSU Plan.

Nature and Administration of the RSU Plan

All Eligible Persons are eligible to participate in the RSU Plan (those who are granted RSUs being referred to as “**Participants**”), however, the actual participation of any person is at the discretion of the Board or the Committee. Eligibility to participate as a Participant in the RSU Plan does not confer upon any person a right to receive an award of RSUs. It shall be the responsibility of the Company and the Eligible Person to ensure that such Eligible Person is a *bona fide* Eligible Person.

Subject to the provisions of the RSU Plan and other such terms and conditions as the Committee or Board may prescribe, the Committee, may, from time to time, award RSUs to any Eligible Person. RSUs so awarded shall be credited to an Account maintained for each Participant on the books of the Company as of the Award Date. The number of RSUs to be credited to each Participant’s Account in respect of a fiscal year shall be determined by dividing: (a) the dollar amount of the portion of the Participant’s compensation which the Committee, in its sole discretion, determines to be paid as RSUs (including, for greater certainty, such portion of the Participant’s compensation which the Participant has elected to be paid as RSUs in advance of an award in accordance with any rules as may be adopted and communicated by the Committee in this regard at its discretion, if the Committee in its discretion determines to do so), by (b) the Fair Market Value per Common Share on the Award Date.

An RSU is personal to the Participant and is non-assignable. No RSU granted under the RSU Plan shall be pledged, hypothecated, charged, transferred, assigned or otherwise encumbered or disposed of by the Participant, whether voluntarily or by operation of law, otherwise than by testate succession or the laws of descent and distribution, and any attempt to do so will cause such RSU to be null and void. A vested RSU shall be redeemable only by the Participant and, upon the death of a Participant, the person to whom the rights shall have passed by testate succession or by the laws of descent and distribution may redeem any vested RSUs in accordance with the provisions of the RSU Plan.

Credit for Dividends

A Participant’s account will be credited with additional RSUs as of each dividend payment date in respect of which cash dividends are paid on Common Shares. The number of additional RSUs to be credited to a Participant’s account is computed by dividing: (a) the dividends that would have been paid to such Participant if each RSU in the Participant’s Account on the relevant dividend record date had been one Common Share, by (b) the Fair Market Value of the Common Shares determined as of the date of payment of such dividend.

However, the Company is not obligated to pay dividends on Common Shares and nothing in the RSU Plan shall be interpreted as creating such an obligation.

The Company has made a housekeeping amendment to add the following language to the RSU Plan to clarify that where the Company does not have sufficient shares available to satisfy the obligation to issue dividends in shares or where the issuance of shares would result in breaching a limit on grants or issuances contained in the DSU Plan, such dividends shall be issued in cash.

“For greater certainty, any RSUs credited to a Participant’s Account pursuant to this Section 4.4 will be counted towards to limits on issuances set forth in Section 4.15 of this Plan. In the event that a dividend would result in the number of RSUs exceeding such limits, rather than crediting additional RSUs to the Participant’s Account, the Company will make a cash payment to the Participant equal to the dividends that would have been paid to such Participant if each RSU in the Participant’s Account on the relevant dividend record date had been one Common Share.”

Resignation or Termination

If (a) a Participant’s employment or service is terminated, whether or not for Cause, or (b) a Participant resigns from employment or service with the Company, then any RSUs granted to the Participant under the RSU Plan which have not yet vested or been deemed to be vested, on or before the Separation Date for the Participant are forfeited and cancelled effective on the Separation Date and shall terminate without payment and shall be of no further force or effect from and after the Separation Date.

The Participant may, but only within the next 30 days following the Separation Date, deliver a completed Notice of Acquisition to the Company to acquire Common Shares for previously vested RSUs (if any) and following such 30 day period, any vested RSUs in respect of which the Participant has not delivered a completed Notice of Acquisition to the Company shall be forfeited and cancelled effective at 4:00 p.m. (Vancouver time) on such 30th day and shall terminate without payment and shall be of no further force or effect from and after such time.

Leave of Absence

In the event a Participant takes a leave of absence other than an Approved Leave of Absence, all RSUs granted to the Participant under the RSU Plan that have not then vested shall terminate and be null and void, subject to the Board’s sole and absolute discretion to determine otherwise and applicable law.

Death of Participant

Subject to any express resolution passed by the Committee, upon the death of a Participant, any RSUs granted to the Participant under the RSU Plan, which, as of the date of the death of a Participant have not yet vested, shall immediately vest. Upon the death of a Participant, any RSUs granted to the Participant under the RSU Plan shall be forfeited and cancelled effective at 4:00 p.m. (Vancouver time) on the first year anniversary of the death of the Participant and shall terminated without payment and shall be of no further force or effect from and after such time. If a Participant’s heirs or administrators are entitled to any portion of the Participant’s outstanding RSUs, the period in which they shall be entitled to make a claim in respect of such RSUs may not exceed one year from the Participant’s death.

Control Change

In the circumstances where the Company has entered into an agreement relating to, or otherwise becomes aware of, a transaction which, if completed, would result in a Control Change, the Company shall give written notice of the proposed transaction to the Participants, together with a description of the effect of such Control Change on outstanding RSUs. Such notice shall be given not less than ten Business Days prior to the closing of the transaction resulting in the Control Change.

Adjustments

In the event of any subdivision, consolidation, stock dividend, capital reorganization, reclassification, exchange, or other change with respect to the Common Shares, or a consolidation, amalgamation, merger, spin-off, sale, lease or exchange of all or substantially all of the property of the Company or other distribution

of the Company's assets to Shareholders (other than the payment of dividends in respect of the Common Shares), the Committee may choose to adjust the Account of each Participant and the RSUs outstanding under the RSU Plan in such manner, if any, as the Committee may in its discretion deem appropriate (taking into account any tax consequences to the extent considered relevant by the Committee) to preserve the Account of each Participant and the RSUs outstanding under the RSU Plan shall be adjusted in such manner, if any, as the Committee may in its discretion deem appropriate to preserve, proportionally, the interests of Participants under the RSU Plan.

Vesting

Each Award will vest on the dates and/or the satisfaction of the Performance Criteria (each, a "**Vesting Date**") specified by the Committee on the Award Date, and reflected in the Award Notice. The RSU Term shall be determined by the Committee on the Award Date, and reflected in the Award Notice, and shall end no later than December 31st of the third calendar year following the Award Date.

However, the Committee may, in its sole discretion, subject to such terms and conditions (if any) established by the Committee in its sole discretion, at any time prior to or following the events contemplated therein, permit:

- (a) persons previously entitled to participate in the RSU Plan to continue to be a Participant for purposes of the RSU Plan;
- (b) the vesting or accelerated vesting of any or all RSUs held by a Participant; and
- (c) the payment of the Payment Amount in respect of such RSUs in the manner and on the terms authorized by the Committee.

Limits on Issuances

The RSU Plan provides for the following limits on grants unless otherwise permitted pursuant to Exchange Policies:

- (a) unless Disinterested Shareholder Approval is obtained, the aggregate number of Common Shares reserved for issuance under the RSU Plan, together with any other Security Based Compensation Plan, for Insiders (as a group) at any point in time may not exceed 10% of the issued and outstanding Common Shares from time to time;
- (b) unless Disinterested Shareholder Approval is obtained, the maximum number of RSUs that may be granted to Insiders (as a group) under the RSU Plan, together with any other Security Based Compensation Plan, within a 12 month period, may not exceed 10% of the issued and outstanding Common Shares, calculated on the Award Date;

However, any such amendment, suspension or termination shall not adversely affect the RSUs previously granted to a Participant at the time of such amendment, suspension or termination, without the consent of the affected Participant.

The Company will be required to obtain Shareholder approval in accordance with Exchange Policies for any amendment of the RSU Plan related to:

Employment, Consulting and Management Agreements

During the financial year ended December 31, 2024 and to date, the Company has no agreements of compensatory plans or arrangements, except as disclosed herein, with any of its NEOs concerning severance payments of cash or equity compensation resulting from the resignation, retirement or any other termination of employment or other agreement with the Company or as a result of a change of control of the Company.

Oversight and Description of Director and Named Executive Officer Compensation

Elements of the Compensation Program

The responsibilities relating to executive and director compensation, including reviewing and determining compensation of the Company’s officers and employees and overseeing the Company’s base compensation structure and equity-based compensation program is performed by the Board as a whole based on recommendations from the Compensation Committee. The Compensation Committee assumes responsibility for reviewing and monitoring the long-range compensation strategy for the Company’s senior management. The Compensation Committee generally reviews the compensation of senior management on an annual basis taking into account compensation paid by other issuers of similar size and activity and the performance of officers generally and in light of the Company’s goals and objectives.

The Company is a small junior resource company with limited resources. The compensation for executives and senior management of the Company is designed to ensure that the level and form of compensation achieves certain objectives, including: (a) attracting and retaining talented, qualified and effective executives; (b) motivating the short and long-term performance of executives; and (c) better aligning the interests of executive officers with those of the Company’s Shareholders. In the Board’s view, paying salaries which are competitive in the markets in which the Company operates is a first step to attracting and retaining talented, qualified and effective executives. Competitive salary information on comparable companies is compiled from a variety of sources, including national and international publications.

The Board determines compensation of the Company's executives based on recommendations from the Compensation Committee. In each case, the Compensation Committee takes into consideration the prior experience of the executive, industry standards, competitive salary information on comparable companies of similar size and stage of development, the degree of responsibility and participation of the executive in the day-to-day affairs of the Company, and the Company's available cash resources.

In the Board's view, to attract and retain qualified and effective executives, the Company must pay base salaries which are reasonable in relation to the level of service expected while remaining competitive in the markets in which the Company operates.

The Board has assessed the Company's compensation plans and programs for its executive officers to ensure alignment with the Company's business plan and to evaluate the potential risks associated with those plans and programs. The Board has concluded that the compensation policies and practices do not create any risks that are reasonably likely to have a material adverse effect on the Company. The Board considers the risks associated with executive compensation and corporate incentive plans when designing and reviewing such plans and programs.

The Company has not adopted a policy restricting its executive officers or directors from purchasing financial instruments that are designated to hedge or offset a decrease in market value of equity securities granted as compensation or held, directly or indirectly, by its executive officers or directors. To the knowledge of the Company, none of the executive officers or directors has purchased such financial instruments.

Executive Compensation

There are no arrangements under which NEOs were compensated by the Company during the two most recently completed financial years for their services in their capacity as NEOs, directors or consultants.

Director Compensation

During the two most recently completed financial years, the directors received no cash compensation for acting in their capacity as directors of the Company.

Except for the potential grant to directors of share options, there were no arrangements under which directors were compensated by the Company during the two most recently completed financial years for their services in their capacity as directors.

Pension Disclosure

The Company does not have a pension plan that provides for payments or benefits to the NEOs at, following, or in connection with retirement.

SECURITIES AUTHORIZED FOR ISSUANCE UNDER EQUITY COMPENSATION PLANS

The Company has two equity compensation plans currently in place, being (1) the Option Plan which was approved by shareholders on August 12, 2022, and (2) the RSU Plan which was approved by shareholders at the last AGM on the Company held on June 28, 2024.

The Option Plan has been established to provide incentive to qualified parties to increase their proprietary interest in the Company and thereby encourage their continuing association with the Company. The Option Plan is administered by the Board of the Company. The Option Plan provides that Options will be issued to directors, officers, employees or consultants of the Company or a subsidiary of the Company. The Option Plan provides that the number of Common Shares issuable under the Option Plan, together with all of the Company's other previously established or proposed share compensation arrangements, may not exceed 10% of the total number of issued and outstanding Common Shares. All Options expire on a date not later than 10 years after the date of grant of such option.

The RSU Plan was established to provide certain directors, officers, employees, and consultants (each, an “**Eligible Person**”) of the Company and its related entities with the opportunity to acquire RSUs of the Company in order to enable them to participate in the long-term success of the Company and to promote a greater alignment of their interests with the interests of the Company’s Shareholders.

At the meeting, Shareholders will be asked to approve the Option Plan for continuation as discussed above under the heading “*Statement of Executive Compensation - Stock Options and Other Compensation Securities*”.

The following table sets out equity compensation plan information as at the December 31, 2024 financial year end:
