

HIGHWAY 50 GOLD CORP.

INFORMATION CIRCULAR

FOR THE ANNUAL GENERAL AND SPECIAL MEETING OF SHAREHOLDERS TO BE HELD ON MONDAY, DECEMBER 3, 2018

This information is given as of October 25, 2018 unless otherwise noted.

SOLICITATION OF PROXIES

This Information Circular is furnished in connection with the solicitation of proxies by the management of **Highway 50 Gold Corp.** (the “Corporation”) for use at the Annual General and Special Meeting (the “Meeting”) of the shareholders of the Corporation, to be held at the time and place and for the purposes set forth in the accompanying Notice of Meeting and at any adjournment(s) or postponement(s) thereof.

PERSONS OR COMPANIES MAKING THE SOLICITATION

The enclosed instrument of proxy is solicited by Management. Solicitations will be made by mail and possibly supplemented by telephone, electronic or other personal contact to be made without special compensation by directors, officers and employees of the Corporation. The Corporation may reimburse shareholders’ nominees or agents (including brokers holding shares on behalf of clients) for the cost incurred in obtaining authorization from their principals to execute the instrument of proxy. No solicitation will be made by specifically engaged employees or soliciting agents. The cost of solicitation will be borne by the Corporation. None of the directors of the Corporation have advised that they intend to oppose any action intended to be taken by management as set forth in this Information Circular.

APPOINTMENT OF PROXYHOLDER

A duly completed form of proxy will constitute the person(s) named in the enclosed form of proxy as the proxyholder for the registered shareholder (“Registered Shareholder”). The persons whose names are printed in the enclosed form of proxy for the Meeting are officers or directors of the Corporation (the “Management Proxyholders”).

A Registered Shareholder has the right to appoint a person other than a Management Proxyholder to represent the Registered Shareholder at the Meeting by striking out the names of the Management Proxyholders and by inserting the desired person’s name in the blank space provided or by executing a proxy in a form similar to the enclosed form. A proxyholder need not be a Registered Shareholder.

VOTING BY PROXY

Common shares of the Corporation (the “Shares”) represented by properly executed proxies in the accompanying form will be voted or withheld from voting on each respective matter in accordance with the instructions of the Registered Shareholder on any ballot that may be called for, and if the Registered Shareholder specifies a choice with respect to any matter to be acted upon, the Shares will be voted accordingly.

If no choice is specified and one of the Management Proxyholders is appointed by a Registered Shareholder as proxyholder, such person will vote in favour of each matter identified in the Notice of Meeting and for the nominees of management for directors and auditor.

The enclosed form of proxy also confers discretionary authority upon the person named therein as proxyholder with respect to amendments or variations to matters identified in the Notice of Meeting and with respect to other matters which may properly come before the Meeting. At the date of this Information Circular, management of the Corporation knows of no such amendments, variations or other matters to come before the Meeting.

COMPLETION AND RETURN OF PROXY

Completed forms of proxy must be deposited at the office of the Corporation's registrar and transfer agent, Computershare Investor Services Inc., 8th Floor, 100 University Avenue, Toronto, Ontario, M5J 2Y1 (Fax: within North America 1-866-249-7775, outside North America 1-416-263-9524) by mail, fax or by following the procedure for telephone or internet voting provided in the accompanying form of proxy, not later than forty-eight (48) hours, excluding Saturdays, Sundays and holidays, prior to the time of the Meeting or any adjournment(s) or postponement(s) thereof.

NON-REGISTERED HOLDERS

Only Registered Shareholders or duly appointed proxyholders are permitted to vote at the Meeting. Most shareholders of the Corporation are "non-registered" shareholders because the Shares they own are not registered in their names but are instead registered in the name of the brokerage firm, bank or trust company through which they purchased the Shares. More particularly, a person is not a Registered Shareholder in respect of Shares which are held on behalf of that person (the "Non-Registered Holder") but which are registered either: (a) in the name of an intermediary (an "Intermediary") that the Non-Registered Holder deals with in respect of the Shares (Intermediaries include, among others, banks, trust companies, securities dealers or brokers and trustees or administrators of self-administered RRSPs, RRI's, RESPs and similar plans); or (b) in the name of a clearing agency (such as The Canadian Depository for Securities Limited ("CDS")) of which the Intermediary is a participant.

The majority of Intermediaries now delegate responsibility for obtaining instructions from clients to Broadridge Financial Solutions, Inc. ("Broadridge"). Broadridge typically prepares a machine-readable voting instruction form, mails those forms to the Non-Registered Holder and asks the Non-Registered Holder to return the forms to Broadridge, or otherwise communicate voting instructions to Broadridge (by way of the internet or telephone, for example). Broadridge then tabulates the results of all instructions received and provides appropriate instructions respecting the voting of Shares to be represented at the Meeting. **A Non-Registered Holder who receives a voting instruction form cannot use that form to vote Shares directly at the Meeting. The voting instruction form must be returned to Broadridge (or instructions respecting the voting of the Shares must be communicated to Broadridge) well in advance of the Meeting in order to have the Shares voted.** All references to shareholders in this Information Circular and the accompanying form of proxy and Notice of Meeting are to shareholders of record unless specifically stated otherwise.

Non-Registered Holders who have not objected to their Intermediary disclosing certain ownership information about themselves to the Corporation are referred to as "NOBOs". Those Non-Registered Holders who have objected to their Intermediary disclosing ownership information about themselves to the Corporation are referred to as "OBOs".

Meeting Materials sent to NOBOs are accompanied by a request for voting instructions (a "VIF"). This form is instead of a proxy. By returning the VIF in accordance with the instructions noted on it, a Non-Registered Holder is able to instruct the Registered Shareholder how to vote on behalf of the Non-Registered Shareholder. VIFs should be completed and returned in accordance with the specific instructions noted on the VIF. The purpose of this procedure is to permit Non-Registered Holders to direct the voting of the Shares which they beneficially own. Should a Non-Registered Holder who receives a VIF wish to attend the Meeting or have someone else attend on his/her/its behalf, the Non-Registered Holder may request a legal proxy as set forth in the VIF, which will grant the Non-Registered Holder or his/her/its nominee the right to attend and vote at the Meeting. **Non-Registered Holders should carefully follow the instructions set out in the VIF including those regarding when and where the VIF is to be delivered.**

The Intermediaries (or their service companies) are responsible for forwarding the Meeting Materials to each OBO, unless the OBO has waived the right to receive them. Management of the Corporation does not intend to pay for Intermediaries to forward the Meeting Materials and VIF to OBOs. An OBO will not receive the Meeting Materials and VIF unless the OBO's Intermediary assumes the cost of delivery.

REVOCABILITY OF PROXY

Any Registered Shareholder who has returned a proxy may revoke it at any time before it has been exercised. In addition to revocation in any other manner permitted by law, a proxy may be revoked by instrument in writing, including a proxy bearing a later date, executed by the Registered Shareholder or by his attorney authorized in writing or, if the Registered Shareholder is a corporation, under its corporate seal or by an officer or attorney thereof duly

authorized. The instrument revoking the proxy must be deposited at the registered office of the Corporation at Suite 910, 800 West Pender Street, Vancouver, British Columbia V6C 2V6 at any time up to and including the last business day preceding the date of the Meeting, or any adjournment(s) or postponement(s) thereof, or with the chairman of the Meeting on the day of the Meeting prior to the commencement of the Meeting or, if adjourned or postponed, any reconvening thereof. A revocation of proxy does not affect any matter on which a vote has been taken prior to the revocation.

INTEREST OF CERTAIN PERSONS IN MATTERS TO BE ACTED UPON

Other than as disclosed elsewhere in this Information Circular, none of the directors or executive officers of the Corporation, no proposed nominee for election as a director of the Corporation, none of the persons who have been directors or executive officers of the Corporation since the commencement of the Corporation's last completed financial year and no associate or affiliate of any of the foregoing persons has any material interest, direct or indirect, by way of beneficial ownership of securities or otherwise, in any matter to be acted upon at the Meeting, save and except for the election of directors, the appointment of auditors and the ratification of the Corporation's stock option plan. See "*Matters to be Approved at the Meeting*".

VOTING SHARES AND PRINCIPAL HOLDERS THEREOF

On October 25, 2018, an aggregate of 34,980,819 Shares without par value were issued and outstanding, each Share carrying the right to one vote. At a general meeting of the Corporation, on a show of hands, every shareholder present in person shall have one vote and, on a poll, every shareholder shall have one vote for each Share of which he/she/it is the holder.

Only shareholders of record on the close of business on October 25, 2018 who either personally attend the Meeting or who complete and deliver an instrument of proxy in the manner and subject to the provisions set out under the headings "Appointment of Proxyholder", "Completion and Return of Proxy" and "Revocability of Proxy" will be entitled to have his, her or its Shares voted at the Meeting or any adjournment(s) or postponement(s) thereof.

To the knowledge of the directors and executive officers of the Corporation, the following person beneficially owns, or exercises control or direction over, directly or indirectly, Shares carrying more than 10% of the voting rights attached to all outstanding Shares of the Corporation:

Name	Number of Shares Held	Percentage of Shares Held
Gordon P. Leask	4,682,076	13.38 %

Stock Option Plans and other Incentive Plans

The Corporation currently has in place a “rolling” stock option plan (the “Plan”) pursuant to which the Corporation may grant stock options to directors, officers, employees and consultants of the Corporation and its subsidiaries at exercise prices to be determined by the market value of the Shares at the date of each grant of options. Any grant of options under the Plan is within the discretion of the board of directors of the Corporation (the “Board”), subject to the condition that the maximum number of Shares which may be issuable under the Plan shall not exceed 10% of the Corporation’s issued and outstanding Shares at the time of the grant. In addition, the number of Shares which may be issuable under the Plan within a one year period: (i) to any one individual shall not exceed 5% of the outstanding issued Shares; and (ii) to a consultant or an employee performing investor relations activities, shall not exceed 2% of the outstanding issued Shares. Vesting of options is made at the discretion of the Board at the time the options are granted, with the exception of options granted in connection with investor relations. Options granted to consultants engaged in investor relations activities must vest no earlier than as to one-quarter upon the grant date and as to a further one-quarter after each of the following three four-month periods.

In accordance with the policies of the TSX Venture Exchange (the “TSXV”), “rolling 10% stock option plans” must be approved annually at the annual meeting by the shareholders of the Corporation. Accordingly, the Corporation will be seeking the approval of its shareholders to the ratification of the Plan at the Meeting. The Plan was last approved by the shareholders at the Corporation’s annual general and special meeting held on December 1, 2017.

A copy of the Plan is available upon request from the Corporation and will be available for review at the Meeting. See “*Matters to be Approved at the Meeting – Ratification of Approved Stock Option Plan*” for details of the annual ratification of the Plan.

Employment, Consulting and Management Agreements

The Corporation entered into a management services agreement dated March 1, 2014 (the “Eagle Putt MSA”) with Eagle Putt, a private company controlled by Mr. Gordon P. Leask, pursuant to which Eagle Putt agreed to provide certain management consulting services to the Corporation and its subsidiaries through Mr. Gordon Leask as may be requested by and at the direction of the Board from time to time. The initial term of the Eagle Putt MSA expired on March 1, 2015 and automatically extends in increments of 24 months until terminated in accordance with the Eagle Putt MSA.

Pursuant to the Eagle Putt MSA, Eagle Putt receives base consulting fees of \$10,000 per month (the “Base Fee”) and, after the initial grant of 575,000 incentive stock options to purchase an aggregate of up to 575,000 Shares which have been granted as at the date hereof, additional stock option grants as the Corporation may determine in its sole discretion. Eagle Putt is also eligible for an annual incentive fee, subject to the discretion of the Board, which may be payable in Shares at the discretion of the Board.

In the event that the Eagle Putt MSA is terminated by the Corporation for cause or due to a change in the designated representative from Mr. Gordon Leask, or is voluntarily terminated by Eagle Putt, the Corporation must pay Eagle Putt the Base Fee and the reimbursable expenses accrued until the date of termination (the “Accrued Obligations”). If the Eagle Putt MSA is terminated by the Corporation without cause, the Corporation will pay Eagle Putt a termination fee equal to 15 months of the Base Fee plus the Accrued Obligations. In the event the Eagle Putt MSA is terminated by the Corporation or Eagle Putt within 60 days following a Takeover of Control (as defined in the Eagle Putt MSA) or by the Corporation within 12 months following a Takeover of Control for any reason other than those referred to above or for no reason at all, the Corporation will pay to Eagle Putt the Accrued Obligations, together with a termination fee equal to 24 months of the Base Fee plus an amount equal to all cash bonuses paid to Eagle Putt in the 24 months prior to the Takeover of Control.

The Corporation entered into a management services agreement dated March 1, 2014 (the “Rangefront MSA”) with Rangefront, a private company controlled by Mr. John M. Leask, pursuant to which Rangefront agreed to provide certain management consulting services to the Corporation and its subsidiaries through Mr. John Leask as may be requested by and at the direction of the Board from time to time. The initial term of the Rangefront MSA expired on March 1, 2015 and automatically extends in increments of 24 months until terminated in accordance with the Rangefront MSA.

Pursuant to the Rangefront MSA, Rangefront receives base consulting fees of \$10,000 per month (the “Base Fee”) and, after the initial grant of 575,000 incentive stock options to purchase an aggregate of up to 575,000 Shares which have been granted as at the date hereof, additional stock option grants as the Corporation may determine in its sole discretion. Rangefront is also eligible for an annual incentive fee, subject to the discretion of the Board, which may be payable in Shares at the discretion of the Board.

In the event that the Rangefront MSA is terminated by the Corporation for cause or due to a change in the designated representative from Mr. John Leask, or is voluntarily terminated by Rangefront, the Corporation must pay Rangefront the Base Fee and the reimbursable expenses accrued until the date of termination (the “Accrued Obligations”). If the Rangefront MSA is terminated by the Corporation without cause, the Corporation will pay Rangefront a termination fee equal to 15 months of the Base Fee plus the Accrued Obligations. In the event the Rangefront MSA is terminated by the Corporation or Rangefront within 60 days following a Takeover of Control (as defined in the Rangefront MSA) or by the Corporation within 12 months following a Takeover of Control for any reason other than those referred to above or for no reason at all, the Corporation will pay to Rangefront the Accrued Obligations, together with a termination fee equal to 24 months of the Base Fee plus an amount equal to all cash bonuses paid to Rangefront in the 24 months prior to the Takeover of Control.

Oversight and Description of Director and Named Executive Officer Compensation

Named Executive Officer Compensation

The Board determines Named Executive Officer compensation at the time of the engagement of an NEO and, if applicable, at the time an NEO enters into a management services agreement with the Corporation. Compensation payable to an NEO is subsequently reviewed at the discretion of the Board from time to time. The objectives of the Company's executive compensation policy are to attract and retain individuals of high caliber to serve as officers of the Corporation, to motivate their performance in order to achieve the Corporation's strategic objectives and to align the interests of executive officers with the long-term interests of the Corporation's shareholders. The Corporation's primary compensation policy is to pay for performance and, accordingly, the performance of the Corporation and its Named Executive Officers are both examined by the Board.

For the Corporation's financial year ended December 31, 2017, the significant elements of compensation paid and awarded to each of the Named Executive Officers were management fees paid indirectly to Mr. Gordon P. Leask and accounting services fees paid indirectly to Mr. Scott Davis. See "*Statement of Executive Compensation – Table of Compensation Excluding Compensation Securities*".

The Corporation paid base compensation in the form of management fees to Mr. Gordon Leask that is competitive with that of comparable companies in the mineral exploration industry. The base compensation payable to Mr. Leask was determined at the time the Corporation entered into the Eagle Putt MSA. See "*Statement of Executive Compensation – Employment, Consulting and Management Agreements*". The base compensation was determined by the Board by comparing the base compensation of Mr. Leask with that of executive officers of surveyed peer companies in the mineral exploration industry to ensure that the base compensation paid to Mr. Leask is consistent with the industry average for such position while attempting to adjust for the Corporation's size. The following companies comprised the peer companies surveyed by the Corporation: Evolving Gold Corp., Nevada Exploration Inc., Miranda Gold Corp., Sonoro Metals Corp., and NuLegacy Gold Corporation. The Board considered the peer companies to be relevant as the total assets, total level of capital expenditures, total operating and general and administrative expenses and number of employees of each of the peer companies was similar at that time to that of the Corporation. The Board has also used a lower base compensation for its senior management to take into account the equity positions of these individuals.

Director Compensation

The Corporation has no arrangements, standard or otherwise, pursuant to which directors are compensated by the Corporation for their services in their capacity as directors or for committee participation. No compensation was paid or is payable to any director of the Corporation for their respective services as a director during the financial year ended December 31, 2017. Directors are entitled to be reimbursed for reasonable expenditures incurred in performing their duties as directors, and the Corporation may, from time to time, grant to its directors incentive stock options to purchase Shares. Directors are entitled to receive compensation from the Corporation to the extent that they provide other services to the Corporation and any such compensation is based on rates that would be charged by such directors for such services to arm's length parties. See "*Statement of Executive Compensation – Employment, Consulting and Management Agreements*". The Corporation currently relies solely on Board discussion without any formal objectives, criteria and analysis to determine the number of incentive stock options, and the terms and conditions of such stock options, to be granted to the directors and officers of the Corporation in accordance with the policies of the TSXV and the Plan. The Board also takes into consideration the number and value of outstanding stock options already held by each option holder when determining stock option grants. See "*Statement of Executive Compensation – Table of Stock Options and other Compensation Securities*".

Pension Benefits

Neither the Corporation nor any of its subsidiaries currently has a pension benefits arrangement under which the Corporation or any of its subsidiaries has made payments to the directors or Named Executive Officers of the Corporation during its financial year ended December 31, 2017 or intends to make payments to the Corporation's directors or Named Executive Officers upon their retirement (other than the payments made, if any, pursuant to the Canada Pension Plan or any government plan similar to it).

SECURITIES AUTHORIZED FOR ISSUANCE UNDER EQUITY COMPENSATION PLANS

Equity Compensation Plan Information

The following table provides information regarding the number of securities authorized for issuance under the Plan as at the end of the Corporation's most recently completed financial year ended December 31, 2017:

Plan Category	Number of securities to be issued upon exercise of outstanding options, warrants and rights	Weighted-average exercise price of outstanding options, warrants and rights	Number of securities remaining available for future issuance under equity compensation plans (excluding securities reflected in column (a)) ⁽¹⁾
Stock Option Plan	2,100,000	\$0.38	928,257

(1) Based on 10% of the total number of Shares outstanding as at December 31, 2017 which may be granted as stock options under the terms of the Plan.

A summary of the material terms of the Plan is set out under "Statement of Executive Compensation – Stock Option Plans and Other Incentive Plans".

INTEREST OF INFORMED PERSONS AND COMPANIES IN MATERIAL TRANSACTIONS

Except as set out below, to the knowledge of management of the Corporation, no informed person of the Corporation or nominee for election as a director of the Corporation, or any associate or affiliate of an informed person or proposed director, has or had any material interest, direct or indirect, in any transaction since the commencement of the Corporation's financial year ended December 31, 2017 or in any proposed transaction which has materially affected or will materially affect the Corporation or any of its subsidiaries.

On May 2, 2016, the Corporation entered into an option agreement with Eagle Putt to earn an undivided 50% interest in the 1,282 hectare Monroe property (the "Monroe Property") located in the Fort Steele Mining Division, southeast British Columbia. In order to exercise the option (the "Option"), the Corporation made a firm commitment to spend an initial \$100,000 in exploration expenditures on the Monroe Property in the first year (paid), followed by additional annual optional exploration expenditures totaling \$2.9 million over the next four years. No other consideration is required to exercise the Option. The Corporation will be the operator on the Monroe Property during the course of the Option. Upon exercise of its Option to earn a 50% undivided interest in the Monroe Property, the Corporation and Eagle Putt will form a joint venture to further advance the exploration and development of the Monroe Property.

The Monroe Property is owned 50/50 by Gordon P. Leask, President, Chief Executive Officer, and a director of the Corporation and John M. Leask a director of the Corporation, and is held in trust for them by Eagle Putt, a private corporation owned by Gordon Leask. Given the non-arm's length nature of the transaction, the Corporation obtained approval to the grant of the Option by way of written resolution from a majority of the disinterested shareholders of the Corporation. Messrs. Gordon Leask and John Leask and their associates were excluded from voting on the shareholder resolution to approve the grant of the Option to the Corporation. The TSXV also approved the grant of the Option to the Corporation.

INDEBTEDNESS OF DIRECTORS AND EXECUTIVE OFFICERS

Since January 1, 2017, the beginning of the Corporation's last completed financial year, no current or former director, executive officer or employee of the Corporation, or of any of its subsidiaries, has been indebted to the Corporation or to any of its subsidiaries, nor has any of these individuals been indebted to another entity which indebtedness is the subject of a guarantee, support agreement, letter of credit or other similar arrangement or understanding provided by the Corporation or any of its subsidiaries.

MANAGEMENT CONTRACTS

Other than as described herein, management functions of the Corporation or any subsidiary of the Corporation are not, to any substantial degree, performed by a person other than the directors or executive officers of the Corporation or its subsidiaries. Management functions to the Corporation were provided under the following agreements during the financial year ended December 31, 2017.

In accordance with National Instrument 52-110 *Audit Committees* (“NI 52-110”), the Corporation has a written charter, which sets out the duties and responsibilities of its audit committee.

Audit Committee’s Charter

Mandate

The primary function of the audit committee (the “Committee”) is to assist the Board in fulfilling its financial oversight responsibilities by reviewing the financial reports and other financial information provided by the Corporation to regulatory *authorities* and shareholders, the Corporation’s systems of internal controls regarding finance and accounting, and the Corporation’s auditing, accounting and financial reporting processes. Consistent with this function, the Committee will encourage continuous improvement of, and should foster adherence to, the Corporation’s policies, procedures and practices at all levels. The Committee’s primary duties and responsibilities are to:

- serve as an independent and objective party to monitor the Corporation's financial reporting and internal control systems and review the Corporation's financial statements;
- review and appraise the performance of the Corporation's external auditors; and
- provide an open avenue of communication among the Corporation's auditors, financial and senior management and the Board.

Independence

NI 52-110 provides that a member of an audit committee is "independent" if the member has no direct or indirect material relationship with the Corporation, which could, in the view of the Corporation's board of directors (the "Board"), reasonably interfere with the exercise of the member's independent judgment.

All members of the Corporation's audit committee are independent, except for John M. Leask as he received, through a private company controlled by him, consulting fees from the Corporation during the financial year ended December 31, 2017. See "*Statement of Corporate Governance Practices – Board of Directors*". As a venture issuer, the Corporation is not required to have all independent directors on its audit committee.

Financial Literacy

NI 52-110 provides that an individual is "financially literate" if he or she has the ability to read and understand a set of financial statements that present a breadth and level of complexity of accounting issues that are generally comparable to the breadth and complexity of the issues that can reasonably be expected to be raised by the Corporation's financial statements.

All of the members of the Committee are financially literate as that term is defined.

Composition

The Committee shall be comprised of three directors as determined by the Board, the majority of whom shall be free from any relationship that, in the opinion of the Board, would reasonably interfere with the exercise of his or her independent judgment as a member of the Committee. At least one member of the Committee shall have accounting or related financial management expertise. All members of the Committee that are not financially literate will work towards becoming financially literate to obtain a working familiarity with basic finance and accounting practices. For the purposes of the Committee's Charter, the definition of "financially literate" is the ability to read and understand a set of financial statements that present a breadth and level of complexity of accounting issues that are generally comparable to the breadth and complexity of the issues that can presumably be expected to be raised by the Corporation's financial statements. The members of the Committee shall be elected by the Board at its first meeting following the annual shareholders' meeting.

Meetings

The Committee shall meet at least four times annually, or more frequently as circumstances dictate. As part of its job to foster open communication, the Committee will meet at least annually with the CEO and the external auditors in separate sessions.

Responsibilities and Duties

To fulfill its responsibilities and duties, the Committee shall:

Documents/Reports Review

- (a) Review and update this Charter annually.
- (b) Review the Corporation's financial statements, MD&A and any annual and interim earnings, press releases before the Corporation publicly discloses this information and any reports or other financial information (including quarterly financial statements), which are submitted to any governmental

body, or to the public, including any certification, report, opinion, or review rendered by the external auditors.

- (c) Confirm that adequate procedures are in place for the review of the Corporation's public disclosure of financial information extracted or derived from the Corporation's financial statements.

External Auditors

- (b) Obtain annually, a formal written statement of the external auditors setting forth all relationships between the external auditors and the Corporation, consistent with the Independence Standards Board Standard 1.
- (c) Review and discuss with the external auditors any disclosed relationships or services that may impact the objectivity and independence of the external auditors.
- (d) Take, or recommend that the full Board, take appropriate action to oversee the independence of the external auditors.
- (e) Recommend to the Board the selection and compensation and, where applicable, the replacement of the external auditors nominated annually for shareholder approval.
- (f) At each meeting, consult with the external auditors, without the presence of management, about the quality of the Corporation's accounting principles, internal controls and the completeness and accuracy of the Corporation's financial statements.
- (g) Review and approve the Corporation's hiring policies regarding partners, employees and former partners and employees of the present and former external auditors of the Corporation.
- (h) Review with management and the external auditors the audit plan for the year-end financial statements and intended template for such statements.
- (i) Review and pre-approve all audit and audit-related services and the fees and other compensation related thereto, and any non-audit services, provided by the Corporation's external auditors. The pre-approval requirement is waived with respect to the provision of non-audit services if:
 - (i) the aggregate amount of all such non-audit services provided to the Corporation constitutes not more than five percent of the total amount of fees paid by the Corporation to its external auditors during the fiscal year in which the non-audit services are provided;
 - (ii) such services were not recognized by the Corporation at the time of the engagement to be non-audit services; and
 - (iii) such services are promptly brought to the attention of the Committee by the Corporation and approved prior to the completion of the audit by the Committee or by one or more members of the Committee who are members of the Board to whom authority to grant such approvals has been delegated by the Committee. Provided the pre-approval of the non-audit services is presented to the Committee's first scheduled meeting following such approval, such authority may be delegated by the Committee to one or more independent members of the Committee.

Financial Reporting Processes

- (f) Review any significant disagreement among management and the external auditors in connection with the preparation of the financial statements.
- (g) Review with the external auditors and management the extent to which changes and improvements in financial or accounting practices have been implemented.

The Corporation is a “venture issuer” as defined in NI 52-110 and is relying on the exemption in section 6.1 of NI 52-110 relating to Part 3 (*Composition of Audit Committee*) and Part 5 (*Reporting Obligations*).

STATEMENT OF CORPORATE GOVERNANCE PRACTICES

National Instrument 58-101, *Disclosure of Corporate Governance Practices*, requires all reporting issuers to provide certain annual disclosure of their corporate governance practices with respect to the corporate governance guidelines adopted in National Policy 58-201: Corporate Governance Guidelines (“NP 58-201”). These guidelines are not prescriptive. Corporate governance relates to the activities of the Board, the members of which are elected by and are accountable to the shareholders, and takes into account the role of the individual members of management who are appointed by the Board and who are charged with the day-to-day management of the Corporation. The Board is committed to sound corporate governance practices, which are both in the interests of its shareholders and contribute to effective and efficient decision making. The Board is of the view that the Corporation’s general approach to corporate governance, summarized below, is appropriate and substantially consistent with the objectives reflected in NP 58-201.

Board of Directors

The Board is currently composed of five directors, Mr. Gordon P. Leask who is also the President and CEO of the Corporation, Mr. John M. Leask, Ms. Megan Cameron-Jones who is also the Corporate Secretary, Mr. Bassam Moubarak and Mr. Peter Krag-Hansen.

NP 58-201 suggests that the board of directors of every listed company should be constituted with a majority of individuals who qualify as “independent” directors (as defined in NI 52-110). Of the proposed nominees, each of Peter Krag-Hansen, Bassam Moubarak and Megan Cameron-Jones is independent; whereas Gordon P. Leask is considered not independent by virtue of him being CEO and John M. Leask is considered not independent as he received, through a private company controlled by him, consulting fees of \$120,000 from the Corporation during the financial year ended December 31, 2017. See “*Statement of Executive Compensation – Table of Compensation Excluding Compensation Securities*”.

Nomination and Assessment

The Board determines new nominees to the Board, although no formal process has been adopted. The nominees are generally the result of recruitment efforts by the Board members, including both formal and informal discussions among Board members. Nominees are interviewed by the Board and are asked to join the Board where consensus regarding the nominee is obtained.

Neither the Corporation nor the Board has determined formal means or methods to regularly assess the Board, its committees or the individual directors with respect to their effectiveness and contributions. Effectiveness is subjectively measured by comparing actual corporate results with stated objectives. The contributions of an individual director are informally monitored by the other Board members, having in mind the business strengths of the individual and the purpose of originally nominating the individual to the Board.

Compensation

The Corporation does not have a compensation committee. The compensation of the directors and the CEO is considered by the Board. The directors currently do not receive any remuneration for their acting in such capacity other than the potential grant of incentive stock options to the directors.

Other Board Committees

At the present time, the only standing committee is the Audit Committee. As the Company grows, and its operations and management structure become more complex, the Board expects it may constitute additional formal standing committees, such as a Corporate Governance Committee, a Compensation Committee and a Nominating Committee, and will ensure that any such committees are governed by written charters and, where possible, are composed of at least a majority of independent directors.

Other Directorships

The directors of the Corporation are also currently directors of the following other reporting issuers, all of which are listed on the TSXV:

<u>Director</u>	<u>Reporting Issuer</u>
Gordon P. Leask	Regulus Resources Inc.
John M. Leask	Regulus Resources Inc.
Peter Krag-Hansen	Fjordland Exploration Inc. Consolidated Woodjam Copper Corp.

Orientation and Continuing Education

The Board has not adopted any formal steps to orient new Board members. The Board's continuing education is typically derived from correspondence with the Corporation's legal counsel to remain up-to-date with developments in relevant corporate and securities law matters.

Ethical Business Conduct

The Board has not adopted guidelines or attempted to quantify or stipulate steps to encourage and promote a culture of ethical business conduct. The Board promotes ethical business conduct through the nomination of Board members it considers ethical, through avoiding or minimizing conflicts of interest. In the event of a conflict of interest at a meeting of the Board, the conflicted director will disclose the nature and extent of his or her interest and abstain from voting on or against the approval of such participation.

MATTERS TO BE APPROVED AT THE MEETING

A. Election of Directors

The Board currently consists of five directors and it is intended to determine the number of directors at five and to elect five directors for the ensuing year. The Board proposes to nominate the persons named in the table below for election as directors of the Corporation.
