1. I, Thomas C. Matthews, MMSA-QP, an Independent Qualified Person as defined by the Canadian Securities Administrators' National Instrument 43-101, Standards of Disclosure for Mineral Projects, am responsible for the preparation of the report titled “NI 43-101 Technical Report on Mineral Resources for the Tonopah Project”, dated March 27, 2018, prepared by Gustavson Associates of Lakewood, Colorado (the “**Technical Report**”).
2. I hereby consent to:
  - (a) the use and reliance upon the Technical Report for disclosure in the Company’s press release and material change report, both dated March 1, 2018 (the “**Public Disclosures**”);
  - (b) the inclusion of any extracts from, or a summary of, the Technical Report in the Public Disclosures or incorporation by reference of the Technical Report into the Public Disclosures;
  - (c) the use, inclusion, summarizing of or quoting from the Technical Report in any document or public oral statement and for any and all regulatory filings, acceptances or approvals in connection with any of the mineral properties which are the subject of the Technical Report; and

- (d) the filing of the Technical Report with any stock exchange and other regulatory authority and any publication by them for regulatory purposes, including electronic publication in the public company files on their websites accessible by the public, of the Technical Report.
3. I hereby consent to the use of my name “Thomas C. Matthews, MMSA-QP” in the Public Disclosures.
4. I confirm that I have read the Public Disclosures and have no reason to believe there are any misrepresentations in the information contained in the Public Disclosures that are derived from the technical disclosure referred to in the Technical Report or that is within my knowledge as a result of the services I performed in connection with the Technical Report.

Dated this 27th day of March, 2018.
