

CERTIFICATE of QUALIFIED PERSON

I, Richard D. Moritz, do hereby certify that:

1. I am currently employed as Principal Process and Mining Engineer by:
Global Resource Engineering
600 Grant Street, Suite 975
Denver, Co 80203
2. I am a graduate of the University of Nevada, Reno and received a Bachelor of Science degree in Mining Engineering in 1979 and an MBA from the same institution in 1987.
3. I am a Qualified Professional with MMSA, member number 01256QP in Metallurgy/Processing.
4. I have practiced mine and process engineering for over 30 years since my graduation. I have worked for several mine and process engineering companies, a royalty company, and several mining companies over the course of my career. I have been involved with review, design, engineering, construction, startup, and operations for numerous mines.
5. I have read the definition of “qualified person” set out in National instrument 43-101 (“NI 43-101”) and certify that by reason of my education, affiliation with a professional association (as defined in NI 43-101) and past relevant work experience, I fulfill the requirements to be a “qualified person” for the purposes of NI 43-101.
6. I have not visited the Corani property.
7. I am jointly responsible for the preparation of the following sections of the technical report titled “*NI43-101 Technical Report, Corani Project Detailed Engineering Phase 1 (FEED)*”, dated effective September 13, 2017 (the “Technical Report”), relating to the Corani Silver-Lead-Zinc project in Peru.

SECTION	SECTION NAME
13.7 to	Previous Metallurgical Recovery Model
13.8.7	Model Output Results

8. I had prior involvement with the property. I was a QP on the prior technical report titled "Optimized and Final Feasibility Study, Corani Project, Puno, Puru, Form 43-101F1 Technical Report", dated effective May 30, 2015.
9. I am Independent (as defined in NI 43-101) of Bear Creek Mining Corporation.
10. I have read National Instrument 43-101 and Form 43-101F1, and confirm the sections of the Technical Report prepared under my supervision (as listed in Item 7 above) have been prepared in compliance with that instrument and form.
11. As of the effective date of the Technical Report, to the best of my knowledge, information and belief, the Technical Report contains all scientific and technical information required to be disclosed to make the report not misleading.
12. I consent to the filing of the Technical Report with any stock exchange and other regulatory authority and any publication by them for regulatory purposes, including electronic publication in the public company files on their websites accessible by the public, of the Technical Report.
