

## **DLP Resources Inc. Announces Implementation of a Technical Committee and Appointment of Joe Phillips as Technical Advisor**

Cranbrook, British Columbia, (Newsfile Corp. – December 9, 2025) DLP Resources Inc. (“DLP” or the “Company”) (TSXV:DLP) (OTCQB:DLPRF) (FSE: J8C) is pleased to announce the implementation of a Technical Committee (the "TC") to provide specialized oversight and guidance on the Company's technical operations and projects. The Company further announces the appointment of Mr. Joe Phillips as a Technical Advisor.

### **Technical Committee Implementation**

The newly formed TC is established to enhance strategic decision-making related to its technical endeavours.

- **Mandate:** The TC will focus on evaluating, reviewing, and making recommendations to the Board regarding all technical aspects of the Company's business.
- **Composition:** All members of the Company's Board of Directors are authorized to participate in the TC, if they wish, to ensure comprehensive input and alignment with corporate strategy.
- **Reporting Structure:** The TC will report directly to the Board of Directors, ensuring timely communication and integration of technical insights.

### **Appointment of Joe Phillips as Technical Advisor**

The Company is pleased to welcome Mr. Joe Phillips, who will serve as a Technical Advisor. Mr. Phillips has a wealth of experience as a senior mining executive and director in North and South America. His experience ranges from startup and development to operational roles at a senior level. He has acted as technical adviser on various operations, most recently the World Copper project in Arizona, and has been COO at a number of operations including Minera Tres Valles, Chile, and Laguna Gold. He has been in senior management roles with Coeur Mining, Silver Standard and Pan American Silver.
