INFORMATION CIRCULAR

(all information as at November 16, 2021 unless otherwise noted)

This Information Circular is furnished in connection with the solicitation of proxies being made by the management of Teuton Resources Corp. (the “Company” or “Teuton”) for use at the Annual General and Special Meeting of the Company’s shareholders (the “Meeting”) to be held on December 22nd, 2021, at the time and place and for the purposes set forth in the accompanying Notice of Meeting. Proxies may also be solicited personally by regular employees of the Company. The Company does not reimburse shareholders, nominees or agents for the cost incurred in obtaining from their principals authorization to execute forms of proxy. No solicitation will be made by agents. The cost of solicitation will be borne by the Company.

PROXY RELATED INFORMATION

Appointment of Proxyholder

The purpose of a proxy is to designate persons who will vote the proxy on a shareholder’s behalf in accordance with the instructions given by the shareholder in the proxy. The persons whose names are printed in the enclosed form of proxy are officers or directors of Teuton (the “**Management Proxyholders**”).

A shareholder has the right to appoint a person other than a Management Proxyholder to represent the shareholder at the Meeting by striking out the names of the Management Proxyholders and by inserting the desired person’s name in the blank space provided or by executing a proxy in a form similar to the enclosed form. A proxyholder need not be a shareholder.

Voting by Proxy

Only registered shareholders or duly appointed proxyholders are permitted to vote at the Meeting. Shares represented by a properly executed proxy will be voted or be withheld from voting on each matter referred to in the Notice of Meeting in accordance with the instructions of the shareholder on any ballot that may be called for and if the shareholder specifies a choice with respect to any matter to be acted upon, the shares will be voted accordingly.

If a shareholder does not specify a choice and the shareholder has appointed one of the Management Proxyholders as proxyholder, the Management Proxyholder will vote in favour of the matters specified in the Notice of Meeting and in favour of all other matters proposed by management at the Meeting.

The enclosed form of proxy also gives discretionary authority to the person named therein as proxyholder with respect to amendments or variations to matters identified in the Notice of the Meeting and with respect to other matters which may properly come before the Meeting. At the date of this Information Circular, management of Teuton knows of no such amendments, variations or other matters to come before the Meeting.

Completion and Return of Proxy

Completed forms of proxy must be deposited at the registered and records office of the Company at 2130 Crescent Road, Victoria, British Columbia, Canada, V8S 2H3, Fax: 1.250.387.1464, email: dino@teuton.com, not later than forty-eight (48) hours, excluding Saturdays, Sundays and holidays, prior to the time of the Meeting, unless the chairman of the Meeting elects to exercise his discretion to accept proxies deposited subsequently.

Non-Registered Holders

Only shareholders whose names appear on the records of Teuton as the registered holders of shares or duly appointed proxyholders are permitted to vote at the Meeting. Most shareholders of Teuton are “non-registered” shareholders because the shares they own are not registered in their names but instead registered in the name of a

nominee such as a brokerage firm through which they purchased the shares; bank, trust company, trustee or administrator of self-administered RRSP's, RRIF's, RESP's and similar plans; or clearing agency such as The Canadian Depository for Securities Limited (a "Nominee"). If you purchased your shares through a broker, you are likely an unregistered holder.

In accordance with securities regulatory policy, Teuton has distributed copies of the Meeting materials, being the Notice of Meeting, this Information Circular and the Proxy, to the Nominees for distribution to non-registered holders.

Nominees are required to forward the Meeting materials to non-registered holders to seek their voting instructions in advance of the Meeting. Shares held by Nominees can only be voted in accordance with the instructions of the non-registered holder. The Nominees often have their own form of proxy, mailing procedures and provide their own return instructions. If you wish to vote by proxy, you should carefully follow the instructions from the Nominee in order that your shares are voted at the Meeting.

If you, as a non-registered holder, wish to vote at the Meeting in person, you should appoint yourself as proxyholder by writing your name in the space provided on the request for voting instructions or proxy provided by the Nominee and return the form to the Nominee in the envelope provided. Do not complete the voting section of the form as your vote will be taken at the Meeting.

In addition, Canadian securities legislation now permits Teuton to forward meeting materials directly to "non-objecting beneficial owners". If Teuton or its agent has sent these materials directly to you (instead of through a Nominee), your name, address and information about your holdings of securities have been obtained in accordance with applicable securities regulatory requirements from the Nominee holding on your behalf. By choosing to send these materials to you directly, Teuton (and not the Nominee holding on your behalf) has assumed responsibility for (i) delivering these materials to you and (ii) executing your proper voting instructions.

Revocability of Proxy

Any registered shareholder who has returned a proxy may revoke it at any time before it has been exercised. In addition to revocation in any other manner permitted by law, a registered shareholder, his attorney authorized in writing or, if the registered shareholder is a corporation, a corporation under its corporate seal or by an officer or attorney thereof duly authorized, may revoke a proxy by instrument in writing, including a proxy bearing a later date. The instrument revoking the proxy must be deposited at the registered office of Teuton, at any time up to and including the last business day preceding the date of the Meeting, or any adjournment thereof, or with the chairman of the Meeting on the day of the Meeting. **Only registered shareholders have the right to revoke a proxy. Non-Registered Holders who wish to change their vote must, at least seven days before the Meeting, arrange for their Nominees to revoke the proxy on their behalf.**

Except as disclosed herein, since the commencement of the last completed fiscal year, no insider of the Company, nominee for director, or any associate or affiliate of an insider or nominee, had any material interest, direct or indirect, in any transaction or any proposed transaction which has materially affected or would materially affect the Company or any of its subsidiaries.

INTEREST OF CERTAIN PERSONS IN MATTERS TO BE ACTED UPON

Except as disclosed herein, no Person has any material interest, direct or indirect, by way of beneficial ownership of securities or otherwise, in matters to be acted upon at the Meeting. Stock Option Plans and Other Incentive Plans

The Company has adopted a stock option plan (the “Plan”) which provides eligible directors, officers, employees and consultants with the opportunity to acquire an ownership interest in the Company and is the basis for the Company’s long-term incentive scheme. The Plan has not been previously approved by the shareholders of the Company. The key features of the Plan are as follows:

- The maximum number of common shares issuable under the Plan may not exceed 5,009,188 common shares.
- The options have a maximum term of ten years from the date of issue.
- Options vest as the board of directors of the Company may determine upon the award of the options.
- The exercise price of options granted under the Plan shall be determined by the board of directors but shall not be lower than the last closing price for common shares of the Company as quoted on the TSX Venture Exchange, less any discount permitted by the TSX Venture Exchange, on the date of grant of the option.
- The expiry date of an option shall be the earlier of the date fixed by the Company’s board of directors on the award date, and: (a) in the event of the death or disability of the option holder while he or she is a director, officer, employee or consultant, 12 months from the date of death or disability of the option holder; (b) in the event that the option holder ceases to be a director, employee or consultant other than by reason of death or disability, 90 days following the date the option holder ceases to be a director, employee or consultant; (c) the 30th day after the optionee who is engaged in investor relations activities for the Company ceases to be employed to provide investor relations activities; and (d) the date on which the optionee ceases to be a director, officer, consultant or employee by reason or termination of the optionee as an employee or consultant of the Company for cause (which, in the case of a consultant, includes any breach of an agreement between the Company and the consultant).

The Plan may be terminated at any time by resolution of the board of directors, but any such termination will not affect or prejudice rights of participants holding options at that time. If the Plan is terminated, outstanding options will continue to be governed by the provisions of the Plan.

Employment, Consulting and Management Agreements

Except as disclosed herein, the Company is not party to any employment, consulting or management agreements with any director or Named Executive Officer.

The Company is party to an executive employment agreement effective January 1, 2021 (the “EEA”) with Dino Cremonese, the Company’s President and Chief Executive Officer. Under the EEA, Mr. Cremonese is engaged by the Company in the role of President and Chief Executive Officer of the Company. As compensation, Mr. Cremonese will receive: (a) a base salary of \$180,000 per year; (b) an additional amount of \$800 per day, for each day during which Mr. Cremonese performs engineering duties for the Company which would normally be performed by an independent geologist or engineer; and (c) an annual cash bonus equal to (i) 10% of the total cash payments made to the Company by any optionee company under any of the Company’s option agreements (as reflected in the EEA) during the fiscal year and (ii) 10% of the total revenue generated from the sale by the Company of any optionee company’s shares held by the Company, regardless of when the Company acquired such optionee company’s shares. The EEA also provides that the board of directors, in its sole and absolute discretion, may provide additional bonuses to Mr. Cremonese, with such additional bonuses potentially arising from factors such as future royalties received by the Company from net smelter royalties negotiated by the Company.

Mr. Cremonese may terminate the EEA and his employment thereunder at any time by providing at least three months written notice of such termination to the Company, which notice period may be waived by the Company (provided that Mr. Cremonese’s compensation under the EEA shall continue until the end of such notice period, notwithstanding any such waiver by the Company).

Subject to any minimum statutory requirements, the Company may terminate the EEA at any time without notice or compensation for “Just Cause”. “Just Cause”, as defined in the EEA, includes, but is not limited to, any one or more of the following: (i) theft, fraud or misappropriation of organizational assets; (ii) serious incident of workplace violence or breach of health and safety; (iii) charge or conviction of any criminal offence which gives rise to a fundamental breach of trust; (iv) material breach of trust, conflict of interest or breach of any governing code of conduct applicable to the organization of which Mr. Cremonese is or reasonably ought to be aware; (v) a material breach or non-observance of the EEA by Mr. Cremonese which is not rectified by Mr. Cremonese within 90 days of Mr. Cremonese being provided with written notice of such material breach or non-observance; or (vi) any act or omission by Mr. Cremonese which would in law permit an Company to, without notice or payment in lieu of notice, terminate the employment of an executive.

In the absence of Just Cause, the Company may terminate the EEA at any time without Just Cause by providing Mr. Cremonese with: (a) all earned entitlements up to the date of termination; (b) payment in lieu of notice of the base salary and bonus equivalent to a notice period of 24 months, payable as a lump sum within 30 days of termination; and (c) any other statutory minimum entitlements.

In addition, if a “Triggering Event” occurs (a) the EEA and Mr. Cremonese’s employment will terminate immediately, and Mr. Cremonese shall be provided with the payments to which he would have been entitled under the EEA if the Company terminated the EEA without Just Cause, as described above; and (b) Mr. Cremonese shall be entitled to request to the board of directors that his separation from the Company be announced and described as a voluntary resignation. Under the EEA a “Triggering Event” means any of the following: (a) Mr. Cremonese resigns for any reason within 90 days of a “Change of Control”; (b) Mr. Cremonese resigns for “Good Reason” within 12 months of a Change of Control; or (c) the Company terminates the EEA without Just Cause within 12 months of a Change of Control. Under the EEA, “Change of Control” means: (i) a change in the composition of the Company’s board of directors within any rolling six month period such that there is a change in the identities and/or voting control of a majority of the individuals who are members of the board of directors; and/or (ii) the passing of a motion or resolution by the board of directors which would permit the membership to exercise material influence over the board of directors, including but not limited to the composition of the board, in such a manner that would give the membership the ability to directly influence the employment status of Mr. Cremonese. Under the EEA, “Good Reason” means any of the following: (i) a reduction in excess of 10% of Mr. Cremonese’s total annual salary as described in the EEA; (ii) a material breach or non-observance by the Company of any material provision of the EEA which is not rectified within 90 days of Mr. Cremonese providing written notice to the Company of such material breach or non-observance; and/or (iii) any other reason which would be considered to amount to constructive dismissal by a court of competent jurisdiction.

Oversight and Description of Director and Named Executive Officer Compensation

The board of directors has the responsibility for determining compensation for the directors and senior management (including the Named Executive Officers). In general, compensation has consisted of three components: salary/fees, bonus and option grants. Salary/fees are determined by taking into account a person’s executive’s experience level and qualifications and the scope and complexity of the position held. Bonus may be paid based on performance or, if applicable, as defined in the terms of the person’s employment agreement. Stock options are granted pursuant to the Plan, described above.

AUDIT COMMITTEE

General

The Audit Committee is responsible for reviewing the Company's financial reporting procedures, internal controls and the performance of the financial management and external auditor of the Company. The Audit Committee also reviews the annual and interim financial statements and makes recommendations to the board.

As the Company is a "venture issuer" (as defined in National Instrument 52-110 – Audit Committees ("NI 52-110")), it is relying on the exemptions provided to it under section 6.1 of NI 52-110 with respect to the composition of the Audit Committee and with respect to Audit Committee reporting obligations. At no time since the commencement of the Company's most recently completed financial year has the Company relied on the exemption in Section 2.4 of NI 52-110 (*De Minimis* Non-Audit Services), or an exemption from NI 52-110, in whole or in part, granted under Part 8 of NI 52-110.

To the knowledge of management of the Company, no director nominee:

(i) was subject to an order that was issued while the proposed director was acting in the capacity as director, chief executive officer or chief financial officer; or

(ii) was subject to an order that was issued after the proposed director ceased to be a director, chief executive officer or chief financial officer and which resulted from an event that occurred while that person was acting in the capacity as director, chief executive officer or chief financial officer;

(b) is, as at the date of this Information Circular, or has been within 10 years before the date of this Information Circular, a director or executive officer of any company (including the Company) that, while that person was acting in that capacity, or within a year of that person ceasing to act in that capacity, became bankrupt, made a proposal under any legislation relating to bankruptcy or insolvency or was subject to or instituted any proceedings, arrangement or compromise with creditors or had a receiver, receiver manager or trustee appointed to hold its assets; or

For purpose of the above, “order” means:

Robert Smiley was a director of Sterling Group Ventures, Inc., an OTC reporting issuer, which became subject to a cease trade order issued by the BCSC on August 23, 2017 for failure to file certain financial statements and management’s discussion and analysis as well as failure to file annual financial statements for Euroclub Holdings Ltd., a reverse takeover acquirer. The order remains outstanding.

Re-Pricing of Previously Granted Stock Options

At the Meeting, the shareholders of the Company will be asked to consider and approve an ordinary resolution as set forth below to re-price an aggregate of 1,042,500 outstanding stock options of the Company previously granted to certain Directors of the Company (the “**Options**”) to \$2.06 per share. All other terms of the re-priced options will remain unchanged. The re-pricing of the Options is subject to the final approval of the Exchange.

The current trading price of the shares on the TSX Venture Exchange is lower than the current exercise price of the Options. Recognizing that the Options are a critical element of the Company’s compensation policy, the Board has determined that it is in the best interests of the Company to re-price the Options to be more in line with the market price of Company’s shares. On November 8, 2021, the Company issued a news release re-pricing the Options to \$2.06 per share, in accordance with the policies of the TSX Venture Exchange.

The table below sets out the terms of the re-pricing of options granted to certain Directors and Officers of the Company (collectively, the “**Option Holders**”) as follows:

Name	Title	Grant Date	Number of Options	Original Exercise Price (\$)	Amended Exercise Price (\$)
Dino Cremonese	Director, President & Chief Executive Officer	Aug. 26, 2020	250,000	3.18 ⁽¹⁾	2.06
		May 7, 2021	342,500	2.68	2.06
Robert Gardner	Director	Aug. 26, 2020	250,000	3.18 ⁽¹⁾	2.06
Kenneth Konkin	Director	Sept. 28, 2020	200,000	2.78 ⁽¹⁾	2.06
TOTAL			1,042,500		

¹ The Company previously announced that the exercise prices of these options would be reduced to \$2.68 in a Company news release dated May 7, 2021, pending shareholder approval and TSX Venture Exchange approval. The Company did not seek such approvals following the announcement. As six months has passed since this amendment, the Company announced that the exercise prices of these options would be reduced to \$2.06 in a Company news release dated November 8, 2021.

The policies of the TSX Venture Exchange require that option re-pricings be approved by “Disinterested Shareholders”, being shareholders of the Company, not including any shares held or controlled by the Option Holders and their “Associates” (as defined under the policies of the TSX Venture Exchange). Accordingly, the Disinterested Shareholders will be asked at the Meeting to pass the following resolution:

“BE IT RESOLVED, AS AN ORDINARY RESOLUTION, WITH VOTES OF CERTAIN DIRECTORS, OFFICERS AND THEIR ASSOCIATES EXCLUDED THEREFROM, THAT:

1. Subject to the final acceptance of the TSX Venture Exchange, the exercise price of stock options exercisable for an aggregate of up to 1,042,500 common shares in the capital of Teuton Resources Corp. (the “Company”), as more particularly described in the information circular of the Company dated November 16, 2021, is hereby amended to an exercise price of \$2.06;
2. The Board of Directors of the Company is hereby authorized in its absolute discretion to determine whether or not to proceed with the above resolution without further ratification or approval by the shareholders, and
3. Any one Director or Officer of the Company is authorized, on behalf of the Company, to execute and deliver all other documents and do all such other acts and things as may be necessary or desirable to give effect to the foregoing resolutions.”

Management of the Company recommends that Disinterested Shareholders vote FOR the option re-pricing resolution, and the persons named in the enclosed Form of Proxy intend to vote FOR the approval of the option re-pricing resolution at the Meeting unless such Disinterested Shareholder has specified that the shares represented by such proxy are to be voted against such resolution.

Appointment and Remuneration of Auditor

Shareholders will be asked to approve, by ordinary resolution, the re-appointment of Manning Elliott LLP, Chartered Accountants, as the auditor of the Company to hold office until the next annual general meeting of the shareholders at remuneration to be fixed by the directors. The board recommends that shareholders vote for the proposed resolution. The Management Proxyholders (absent contrary directions) intend to vote in favour of the resolution.

Schedule “B” to the Information Circular of Teuton Resources Corp.

CORPORATE GOVERNANCE DISCLOSURE

The following is a summary of the Company’s corporate governance disclosure required by Form 58-101F2 of National Instrument 58-101 Disclosure of Corporate Governance Practices.

Board of Directors

The Board, at present, is composed of four directors, two of whom are executive officers of the Company and two of whom are considered to be “independent”, as that term is defined in applicable securities legislation. Mr. Robert Gardner and Mr. Kenneth Konkin are considered to be independent directors. Mr. Dino Cremonese, by reason of his being the CEO of the Company, and Mr. Robert Smiley, by reason of his being the CFO of the Company, are not. In determining whether a director is independent, the Board chiefly considers whether the director has a relationship which could be perceived to interfere with the director’s ability to objectively assess the performance of management.

The Board is responsible for approving long-term strategic plans and annual operating plans and budgets recommended by management. Board consideration and approval is also required for material contracts and business transactions, and all debt and equity financing transactions.

The Board delegates to management responsibility for meeting defined corporate objectives, implementing approved strategic and operating plans, carrying on the Company’s business in the ordinary course, managing the Company’s cash flow, evaluating new business opportunities, recruiting staff and complying with applicable regulatory requirements. The Board also looks to management to furnish recommendations respecting corporate objectives, long-term strategic plans and annual operating plans.

Directorships

Certain of the directors of the Company are also directors of other reporting issuers (or equivalent) in a jurisdiction or a foreign jurisdiction as follows:

Name of Director	Other reporting issuer (or equivalent in a foreign jurisdiction)
Dino Cremonese, P.Eng.	Silver Grail Resources Ltd.
Robert Smiley	Silver Grail Resources Ltd., Sterling Group Ventures Inc., Richco Investors Inc.
Robert Gardner	none
Kenneth Konkin	none

Orientation and Continuing Education

The Company has not yet developed an official orientation or training program for new directors. As required, new directors will have the opportunity to become familiar with the Company by meeting with the other directors and with officers and employees. Orientation activities will be tailored to the particular needs and experience of each director and the overall needs of the Board.

Ethical Business Conduct

The Board monitors the ethical conduct of the Company and ensures that it complies with applicable legal and regulatory requirements, such as those of relevant securities commissions and stock exchanges. The Board has found that the fiduciary duties placed on individual directors by the Company's governing corporate legislation and the common law, as well as the restrictions placed by applicable corporate legislation on the individual director's participation in decisions of the Board in which the director has an interest, have been sufficient to ensure that the Board operates independently of management and in the best interests of the Company.

Nomination of Directors

The Board has not appointed a nominating committee because the Board fulfils these functions.

Compensation

The Company does not have a compensation committee as the Board of Directors is responsible for determining all forms of compensation, including long-term incentive in the form of stock options, to be granted to the Chief Executive Officer, the Chief Financial Officer and the directors, and for reviewing the Chief Executive Officer's recommendations respecting compensation of the other officers of the Company, to ensure such arrangements reflect the responsibilities and risks associated with each position. When determining the compensation of its officers, the Board considers: i) recruiting and retaining executives critical to the success of the Company and the enhancement of shareholder value; ii) providing fair and competitive compensation; iii) balancing the interests of management and the Company's shareholders; and iv) rewarding performance, both on an individual basis and with respect to operations in general.

Committees of the Board of Directors

The Board has appointed an Audit Committee the members of which are the following: Robert Smiley, Robert Gardner and Kenneth Konkin. A description of the function of the Audit Committee can be found in this Circular under Audit Committee.

Assessments

The Board has not, as yet, adopted formal procedures for assessing the effectiveness of the Board, its Audit Committee or individual directors.
