3. News Release

The news release announcing the material change was released on August 2, 2018 through GlobeNewswire and subsequently filed on the System for Electronic Document Analysis and Retrieval.

4. Summary of Material Change:

On August 2, 2018, the Company completed a non-brokered private placement of 130 million common shares (the "**Common Shares**") priced at $0.10 per share for total proceeds of $13 million.

5. Full Description of Material Change:

5.1 Full Description of Material Change

On August 2, 2018, the Company completed a non-brokered private placement (the "**Offering**") of 130 million Common Shares priced at $0.10 per share for total proceeds of $13 million. The previously announced private placement was increased in size in order to accelerate the development of the Company's silica sand deposit and as a result of significant interest from high quality and strategic shareholders.

The net proceeds of the Offering will be utilized to pursue the expeditious development of the Company's significant surface silica sand deposit at Seymourville, Manitoba.

As part of the Offering, Paramount Resources Ltd. ("**Paramount**") acquired 41,390,909 Common Shares of Claim Post which represents approximately 13.1% of the issued and outstanding Common Shares of the Company. Paramount is an independent, publicly traded, liquids-focused Canadian energy company that explores for and develops both conventional and unconventional petroleum and natural gas resources, including long-term strategic exploration and pre-development plays, and holds a portfolio of investments in other entities. The Company's principal properties are located in Alberta and British Columbia.

As part of the Offering, Mr. David Wilson, President and CEO of Kelt Exploration Ltd. ("**Kelt**"), acquired 20,000,000 Common Shares of Claim Post and now also holds approximately 13.1% of the issued and outstanding Common Shares of the Company. Kelt is an independent Canadian energy company focused on exploration, development, and production of crude oil and natural gas resources, primarily in west central Alberta and northeastern British Columbia.

Concurrent with Paramount's investment as part of the Offering, Claim Post is pleased to announce the appointment of Mr. Rodrigo Sousa to the Board of Directors. Currently, Mr. Sousa is Paramount's Vice-President, Corporate Development. Prior thereto, Mr. Sousa held senior roles as an oil and gas executive and in investment banking at TD Securities Inc., Ross Smith Sousa Energy Advisors and Scotia Capital. He holds a Bachelor of Commerce degree with Distinction from the University of Calgary and a Chartered Financial Analyst designation from the CFA Institute.

Certain of the directors of the Company, being Lowell Jackson, Tom MacInnis and Rod Sousa, participated in the Offering in the aggregate amount of $350,000, thereby making the Offering a "related party transaction" as defined under Multilateral Instrument 61-101 ("**MI 61-101**"). The Offering is exempt from the need to obtain minority shareholder approval and a formal valuation as required by MI 61-101 as the Company is listed on the TSX Venture Exchange and the fair market value of the Common Shares to insiders or the consideration paid by insiders of the Company does not exceed 25% of the Company's market capitalization. The Company did not file a material change report more than 21 days before the expected closing date of the Offering as the details of the Offering, including the amount to be raised pursuant to the Offering and the participation therein by related parties of the Company, had not been confirmed at that time and the Company wished to close the Offering on an expedited basis for sound business reasons and in a timeframe consistent with usual market practices for transactions of this nature. The Board of Directors of the Company determined that the entering into of the Offering was in the Company's best interests and unanimously approved the transaction. No special committee was established in connection with the Offering. The Offering was approved by a resolution of the board of directors of the Corporation. No materially contrary view was expressed or made by any director who voted on the resolution. The Offering remains subject to the final acceptance of the TSX Venture Exchange. The Common Shares issued in connection with the Offering are subject to a statutory hold period expiring on December 3, 2018. Finder's fees will be payable on a portion of the Offering in accordance with the policies of the TSX Venture Exchange.
