Forward Looking Information

Certain statements in this release, other than statements of historical fact, are forward looking information that involves various risks and uncertainties. Such statements relating to, among other things, the prospects for the company to enhance operating results, are necessarily subject to risks and uncertainties, some of which are significant in scope and nature.

These uncertainties may cause actual results to differ from information contained herein. There can be no assurance that such statements will prove to be accurate. Actual results and future events could differ materially from those anticipated in such statements. These and all subsequent written and oral forward looking statements are based on the estimates and opinions of the management on the dates they are made and expressly qualified in their entirety by this notice. The Company assumes no obligation to update forward looking statements should circumstances or management's estimates or opinions change.

The TSX Venture Exchange does not accept responsibility for the adequacy or accuracy of this release.
