RE: Interim MD&A for the interim period ended March 31, 2023

The Company has re-filed its interim management’s discussion and analysis for the interim period ended March 31, 2023 (the “**MD&A**”). Due to an administrative oversight, the document originally filed on SEDAR on May 26, 2023 under the heading “MD&A – English” was the Company’s interim financial statements for the corresponding period.

Form 52-109F2R – Certificates of the Company’s Chief Executive Officer and Chief Financial Officer have also been filed in support of the re-filed MD&A.
