Each Shareholder is entitled to one vote for each common share in the capital of the Corporation (a “Common Share” and collectively, the “Common Shares”) held and shown as registered in such holder’s name on the list of the Shareholders prepared as of the close of business on the Record Date. NOTICE AND ACCESS

The Corporation is using notice and access to deliver Meeting materials to our registered shareholders. The circular will be available on SEDAR+ (www.sedarplus.ca) and also at <https://docs.tsxtrust.com/2022>.

The Corporation will send proxy-related materials directly to non-objecting Non-Registered Shareholders, through the services of its registrar and transfer agent, TSX Trust Company. The Corporation will not pay for the Intermediary to deliver to objecting Non-Registered Shareholders the proxy-related materials; accordingly, objecting Non-Registered Shareholders will not receive the material materials unless their intermediaries assume the cost of delivery.

The Corporation will not rely upon the use of 'stratification'.

If you are a shareholder, you may request a paper copy of this information circular, at no cost, at any time up to one year from the date the information circular was filed on SEDAR+. Shareholders should be aware that disclosure requirements under securities laws of the provinces of Canada differ from the disclosure requirements under United States securities laws.

VOTING BY PROXY AT THE MEETING

If a registered Shareholder or NOBO cannot attend the Meeting but wishes to vote on the resolutions, the registered Shareholder or NOBO should sign, date and deliver the enclosed form of proxy or voting instruction form to the Corporation's registrar and transfer agent, TSX Trust Company, 301 – 100 Adelaide Street West, Toronto, Ontario M5H 4H1 so it is received no later than 11:00 a.m. on June 10, 2025. **The persons named in the enclosed form of proxy are directors and/or officers of the Corporation. A shareholder giving a proxy can strike out the names of the nominees printed in the accompanying form of proxy and insert the name of another nominee in the space provided, or the shareholder may complete another form of proxy. A proxy nominee need not be a shareholder of the Corporation.** A shareholder giving a proxy has the right to attend the Meeting, or appoint someone else to attend as his or her proxy at the Meeting and the proxy submitted earlier can be revoked in the manner described under "Revocation of Proxies".

NON-REGISTERED HOLDERS

In many cases, Common Shares beneficially owned by a holder (a "**Non-Registered Holder**") are registered either: (a) in the name of an intermediary that the Non-Registered Holder deals with in respect of the Common Shares. Intermediaries include banks, trust companies, securities dealers or brokers, and trustees or administrators of self-administered RRSPs, RRIFs, RESPs and similar plans (an "**Intermediary**"); or, (b) in the name of a depository (such as The Canadian Depository for Securities Limited or "**CDS**"). Non-Registered Holders do not appear on the list of shareholders of the Corporation maintained by the transfer agent.

In accordance with Canadian securities law, the Corporation has distributed copies of the Notice of Meeting, this Management Information Circular and the form of proxy (collectively, the "**meeting materials**") to CDS and intermediaries for onward distribution to Non-Registered Holders. Intermediaries are required to forward meeting materials to Non-Registered Holders unless a Non-Registered Holder has waived the right to receive them. Typically, Intermediaries will use a service company to forward the meeting materials to Non-Registered Holders. Non-Registered Holders will receive either a voting instruction form or, less frequently, a form of proxy. The purpose of these forms is to permit Non-Registered Holders to direct the voting of the Common Shares they beneficially own. Non-Registered Holders should follow the procedures set out below, depending on which type of form they receive.

Voting Instruction Form. In most cases, a Non-Registered Holder will receive, as part of the meeting materials, a voting instruction form. If the Non-Registered Holder does not wish to attend and vote at the Meeting in person (or have another person attend and vote on the holder's behalf), the voting instruction form must be completed, signed and returned in accordance with the directions on the

form. If a Non-Registered Holder wishes to attend and vote at the Meeting in person (or have another person attend and vote on the Holder's behalf), the Non-Registered Holder must complete, sign and return the voting instruction form in accordance with the directions provided and a form of proxy giving the right to attend and vote will be forwarded to the Non-Registered Holder.

Form of Proxy. Less frequently, a Non-Registered Holder will receive, as part of the meeting materials, a form of proxy that has already been signed by the intermediary (typically by a facsimile, stamped signature) which is restricted as to the number of shares beneficially owned by the Non-Registered Holder but which is otherwise uncompleted. If the Non-Registered Holder does not wish to attend and vote at the Meeting in person (or have another person attend and vote on the holder's behalf), the Non-Registered Holder must complete the form of proxy and deposit it with the Corporation's registrar and transfer agent, TSX Trust Company, 301 – 100 Adelaide Street West, Toronto, Ontario M5H 4H1, as described above. If a Non-Registered Holder wishes to attend and vote at the Meeting in person (or have another person attend and vote on the holder's behalf), the Non-Registered Holder must strike out the names of the persons named in the proxy and insert the Non-Registered Holder's (or such other person's) name in the blank space provided.

Management of the Corporation does not intend to pay for intermediaries to forward to objecting Beneficial Shareholders under NI 54-101 the proxy-related materials and request for voting instructions and in the case of objecting Beneficial Shareholders, the objecting Beneficial Shareholder will not receive the materials unless the objecting Beneficial Shareholder's intermediary assumes the cost of delivery.

Non-Objecting Beneficial Owners

These meeting materials are being sent to both registered and non-registered owners of the securities. If you are a non-registered owner, and the Corporation or its agent has sent these materials directly to you, your name and address and information about your holdings of securities have been obtained in accordance with applicable securities regulatory requirements from the intermediary holding on your behalf. By choosing to send these materials to you directly, the Corporation (and not the intermediary holding on your behalf) has assumed responsibility for: (i) delivering these materials to you; and (ii) executing your proper voting instructions. Please return your voting instructions as specified in the request for voting instructions or form of proxy delivered to you.

VOTING OF PROXIES

The enclosed form of proxy will be voted with respect to the Common Shares represented thereby in accordance with the instructions of the Shareholder as indicated on the proxy and, if the Shareholder specifies a choice with respect to any matter to be acted upon, the Common Shares will be voted accordingly. **In the absence of any specific instructions with respect to a particular matter, the Common Shares represented by such proxies will be voted at the Meeting, or any adjournment thereof, in accordance with the best judgment of the person or persons voting such proxies.**

The enclosed form of proxy, when properly signed, confers discretionary authority upon the representatives designated therein with respect to amendments to or variations of matters identified in the Notice of Meeting and with respect to other matters which may properly come before the Meeting. At the date of this Circular, management of the Corporation does not know of any such amendments, variations or other matters. However, if any such amendments, variations or other matters which are not now known to management of the Corporation should properly come before the Meeting, or any adjournment thereof, the Common Shares represented by the proxies solicited hereby will be voted thereon in accordance with the best judgment of the person or persons voting such proxies.

REVOCATION OF PROXIES

A registered holder of Common Shares who has given a proxy may revoke the proxy by: (a) completing and signing a proxy bearing a later date and depositing it as aforesaid; (b) by depositing an instrument in writing executed by such registered holder or by his, her or its attorney authorized in writing (i) at the registered office of the Corporation at any time up to and including the last business day preceding the day of the Meeting or any adjournment thereof, or (ii) with the Chairman of the Meeting prior to the commencement of the Meeting on the day of the Meeting or any adjournment thereof; or (c) in any other manner permitted by law.

A Non-Registered Holder who wishes to revoke a voting instruction form or a waiver of the right to receive Meeting Materials should contact his, her or its Intermediary for instructions.

INTEREST OF CERTAIN PERSONS OR COMPANIES IN MATTERS TO BE ACTED UPON

To the knowledge of the directors and executive officers of the Corporation, except as set out herein and except insofar as they may be shareholders and option holders of the Corporation, no director or executive officer of the Corporation, or any proposed nominee for director of the Corporation, or any associate or affiliate of the foregoing persons, has any material interest, direct or indirect, by way of beneficial ownership or otherwise, in matters to be acted upon at the Meeting.

No proposed director of the Corporation is, or within 10 years before the date hereof, has been: (a) a director, chief executive officer or chief financial officer of any company (including the Corporation) that, (i) was subject to an order that was issued while the proposed director was acting in the capacity as director, chief executive officer or chief financial officer, or (ii) was subject to an order that was issued after the proposed director ceased to be a director, chief executive officer or chief financial officer and which resulted from an event that occurred while that person was acting in the capacity as director, chief executive officer or chief financial officer; or (b) a director or executive officer of any company (including the Corporation) that, while that person was acting in that capacity, or within a year of that person ceasing to act in that capacity, became bankrupt, made a proposal under any legislation relating to bankruptcy or insolvency or was subject to or instituted any proceedings, arrangement or compromise with creditors or had a receiver, receiver manager or trustee appointed to hold its assets. For the purposes of this paragraph, "order" means a cease trade order, an order similar to a cease trade order or an order that denied the relevant company access to any exemption under securities legislation, in each case that was in effect for a period of more than 30 consecutive days.

No proposed director of the Corporation has been subject to any: (a) penalties or sanctions imposed by a court relating to Canadian securities legislation or by a Canadian securities regulatory authority or has entered into a settlement agreement with a Canadian securities regulatory authority; or (b) other penalties or sanctions imposed by a court or regulatory body that would be likely be considered important to a reasonable security holder in deciding whether to vote for a proposed director.

No proposed director of the Corporation has, within the 10 years before the date hereof, become bankrupt, made a proposal under any legislation relating to bankruptcy or insolvency, or become subject to or instituted any proceedings, arrangement or compromise with creditors, or had a receiver, receiver manager or trustee appointed to hold the assets of the director.

Approval of Stock Option Plan

The Corporation wishes to renew the existing incentive stock option plan (the “**Stock Option Plan**”). The Corporation established the Stock Option Plan for its directors, officers, employees and consultants, which was initially approved by the Shareholders on March 21, 2005 and later revised on January 9, 2007, June 9, 2009 and June 28, 2022. The Stock Option Plan was adopted each year at the Corporation’s annual and special meeting of Shareholders.

A summary of the material provisions of the Stock Option Plan is set forth below. The definitive Stock Option Plan is attached hereto as Appendix “B”.

The exercise price of the Common Shares subject to each option shall be determined by the Board of Directors but in no event shall such exercise price be lower than the exercise price permitted by the TSX Venture Exchange (“**TSX-V**”). No single participant may be granted stock options to purchase a number of Common Shares (“**Options**”) equaling more than 5% of the issued Common Shares in any one 12-month period without disinterested Shareholder approval. Options shall not be granted if the exercise thereof would result in the issuance of more than 2% of the issued Common Shares in any 12-month period to any one consultant of the Corporation. Options shall not be granted if the exercise thereof would result in the issuance of more than 2% of the issued Common Shares in any 12-month period to employees of the Corporation conducting investor relations activities. The maximum term of any stock options granted may not exceed 10 years. If the Common Shares are increased, decreased or changed through re-organization, merger, re-capitalization, reclassification, stock dividend, subdivision or consolidation, an appropriate adjustment shall be made by the Board of Directors in the number of shares optioned and the exercise price per share.

As at the date hereof, 16,980,000 Options were outstanding under the Stock Option Plan and there were 6,086,572 Options available to be granted under the Stock Option Plan.

The Plan is a “rolling plan” within the meaning of the TSX-V’s policies regarding incentive stock options. A “rolling plan” is defined as a stock option plan that reserves a maximum of 10% of the issued shares of an issuer at the time of the stock option grant with no prescribed vesting provisions. The TSX-V requires that a rolling plan receive annual approval from the Shareholders at a meeting of Shareholders. Accordingly, the Shareholders are being asked to consider and, if deemed advisable, pass the following ordinary resolution:

“BE IT RESOLVED THAT:

1. the amended and restated incentive Stock Option Plan (the “**Plan**”) of the Corporation is authorized, approved and adopted in substantially the form attached as Appendix “B” to the Circular, prepared for the purposes of the annual and general meeting of holders of common shares of the Corporation and acceptance by the TSX-V;
2. the Corporation be and is hereby authorized to make such amendments, if any, to the Plan, as may be requested by the TSX-V in order that the Plan complies with TSX-V Policy 4.4; and
3. the directors and officers of the Corporation be and are hereby authorized to cause all such documents, instruments and other writings to be executed and delivered and to cause all such acts and things to be done, all for and on behalf of the Corporation, as the Board may consider necessary or desirable to give effect to the foregoing resolution.”

In order to be approved, the foregoing resolution must be passed by a majority of the votes cast at the Meeting. **In the absence of instructions to the vote against the persons designated by management of the Corporation in the enclosed form of proxy, intend to vote to approve**

the foregoing resolutions.

Appointment of Auditors

Jones & O’Connell LLP (“**Jones & O’Connell**”) have served as auditors of the Corporation since September 23, 2022.

At the Meeting, the Shareholders will be asked to appoint Jones & O’Connell as auditors of the Corporation and authorize the Board to fix the remuneration of the auditors. **The Board recommends that the Shareholders vote FOR the appointment of Jones & O’Connell LLP as auditors of the Corporation and authorize the Board to fix the remuneration of the auditors. In the absence of instructions to be withheld from voting, the persons designated by management of the Corporation in the enclosed form of proxy, intend to vote to approve the appointment of Jones & O’Connell LLP as the Corporation’s auditors and to authorize the Board of Directors to fix the auditors’ remuneration.**

Exercise of Compensation Securities by Directors and NEOs

Oversight and Description of Director and Named Executive Officer Compensation

The Corporation believes that the experience, skills, engagement, dedication and motivation of the Named Executive Officers are important factors that may have a direct effect on the Corporation’s performance and ability to provide growth of shareholder value. It is the view of the Corporation that the total compensation should be established at a competitive level to attract, retain and motivate the executive officers to achieve its business objectives. The retention of executive officers, their talent, skills and experience is enabled through a competitive compensation system.

The Compensation Committee of the Board of Directors (the “**Compensation Committee**”) which is composed of Messrs. James E. Cohen O.M., Peter C. Hubacheck, Ernie J. Marcotte, and John H. Paterson, all of whom are independent directors, is responsible for establishing policies with respect to compensation of the Named Officers of the Corporation. It has overall responsibilities for approving and evaluating plans, policies and programs related to executive compensation. The Compensation Committee utilizes two primary compensation elements and such elements are aligned with certain goals and objectives: base salary and stock options. Each of these compensation elements are discussed in detail below.

Objectives of the Corporation’s Compensation Program

When determining executive compensation, the Compensation Committee has the following objectives:

- Attract, retain and motivate executive officers in a highly competitive environment.
- Provide compensation based on performance.
- Provide incentives that motivate performance.
- By motivating performance through compensation, add shareholder value.
- Recognize the value, dedication and contribution of executive officers; and
- Provide compensation which is competitive with that provided by other corporations comparable in size with the Corporation and that operate in the same industry.

Independent Advice

The Compensation Committee has the power to retain outside compensation consultants, counsel and other experts and advisors as it determines appropriate to assist in the performance of its functions. The Compensation Committee may consider independent advice; however final recommendations related to compensation are made solely by the Compensation Committee to the Board. The Board has final approval on all recommendations by the Compensation Committee. During 2024, the Compensation Committee did not engage the services of any outside compensation consultants.

Elements of Executive Compensation

As mentioned, it is the Corporation's objective to provide the Named Executive Officers with competitive compensation based upon the overall financial performance of the Corporation, their contributions to the financial success of the Corporation and their personal performance. The compensation package for Named Executive Officers is comprised of two elements: (i) base salary, which is designed primarily to be competitive with salary levels in the industry as well as reflect individual performance through merit increases; and (ii) equity-based incentive awards which provide enhanced executive compensation opportunities in return for performance intended to increase shareholder value.

The factors which the Compensation Committee considered in establishing the individual components of each Named Executive Officer's compensation package for fiscal year 2024 are summarized below. The Compensation Committee may in its discretion apply entirely different factors, particularly different measures of financial performance, in setting Named Executive Officer compensation.

Base Salary

The Corporation provides Named Executive Officers with a fixed base salary set at a level to allow the Corporation to attract, motivate and retain highly qualified executives. The base salary for each Named Executive Officer is determined on the basis of the following factors: responsibilities, experience, skill, performance, potential for growth, and the average salary levels in effect for comparable position within the industry against which the Corporation competes to attract superior executive talent. The base salary level rewards executive performance and their contribution to the Corporation. For the purposes of maintaining competitive compensation, the Compensation Committee periodically refers to compensation surveys, advice from compensation consultants and other informative sources. Salary levels are reviewed and considered annually as part of the Corporation's performance review process. Merit based increases to salaries are based on the assessment made by the Compensation Committee of the individual's performance, skill set and competitive market factors.

The Compensation Committee reviews the annual base salary of Chief Executive Officer in addition to reviewing the compensation paid to the Chief Financial Officer.

Incentive Compensation

Long-term incentives are provided through stock options. The Corporation and the Compensation Committee believe that stock-based compensation aligns the interests of the executive officers of the Corporation with that of the shareholders. The Compensation Committee sets equity grant levels to executive officers based on a variety of factors, including the individual performance and contribution of the executive officer and having the objective to keep the Corporation's overall compensation competitive.

Stock options are granted in accordance with the TSX Venture Exchange (the "**Exchange**") Rules. It is the Corporation's policy that options should not be granted during blackout trading periods. Stock options generally expire 10 years from the date of grant.

Director Compensation

Independent Directors receive an annual retainer of \$100 annually and inside directors receive an annual retainer of \$100. Periodically, the directors receive grants of stock options, pursuant to the Plan. The Board of Directors of the Corporation is responsible for determining all forms of compensation to be granted to the President and Chief Executive Officer and Chief Financial Officer and the directors, and for reviewing the President and Chief Executive Officer's recommendations respecting compensation of the other senior executives of the Corporation. In this regard, the Board of Directors of the Corporation considers, among other things, that recruitment and retention of qualified executives is critical to the Corporation's success, that compensation must be fair and competitive and that performance needs to be rewarded. The compensation paid to executive officers consists of a combination of base salary, performance incentives and options.

Pension Disclosure.

The Corporation does not provide a pension to directors or Named Executive Officers.

APPENDIX A

CANADIAN SECURITIES ADMINISTRATORS REQUIREMENTS

Statement of Corporate Governance Practices

The board of directors (the “**Board**” or the “**Board of Directors**”) of Plato Gold Corp. (the “**Corporation**”) believes that sound corporate governance practices are essential to the effective, efficient and prudent operation of the Corporation and to the enhancement of shareholder value. The Board of Directors fulfills its mandate directly and through its committees at regularly scheduled meetings or as required. Frequency of meetings may be increased and the nature of the agenda items may be changed depending upon the state of the Corporation’s affairs and in light of opportunities or risks which the Corporation faces. The directors are kept informed of the Corporation’s operations at these meetings as well as through reports and discussions with management on matters within their particular areas of expertise.

National Policy 58-201 “Corporate Governance Guidelines” (“**NP 58-201**”) sets out guidelines for effective corporate governance. These guidelines deal with matters such as the constitution and independence of corporate boards, their functions, the effectiveness and education of board members and other items dealing with sound corporate governance. National Instrument 58-101 “Disclosure of Corporate Governance Practices” (“**NI 58-101**”) requires that if management of an issuer solicits proxies from its securityholders for the purpose of electing directors, specified disclosure of the corporate governance practices must be included in its management information circular.

The Corporation and the Board of Directors recognize the importance of corporate governance to the effective management of the Corporation and to the protection of its employees and shareholders. The Corporation’s approach to significant issues of corporate governance is designed with a view to ensuring that the business and affairs of the Corporation are effectively managed so as to enhance shareholder value.

The Corporation’s corporate governance practices are in compliance with applicable Canadian requirements. The Corporation continues to monitor developments in Canada with a view to further revising its governance policies and practices, as appropriate.

The Board of Directors has considered the guidelines set out in NP 58-201 and believes that its approach to corporate governance is appropriate and works effectively for the Corporation and its shareholders, given its size. The following is a description of the Corporation’s corporate governance practices which has been prepared by the Corporate Governance and Nominating Committee of the Board and has been approved by the Board.

The Board of Directors

A director is considered independent only where the Board of Directors determines that the director has no direct or indirect material relationship with the Corporation or its subsidiaries. A “material relationship” is defined in National Instrument 52-110 “Audit Committees” to mean any relationship, which could, in the view of the Board, be reasonably expected to interfere with the exercise of a director’s independent judgement.

On an annual basis, the Board of Directors, in consultation with the Corporate Governance and Nominating Committee, reviews each relationship that a director has with the Corporation in order to determine whether the director is or remains independent.

The Board of Directors is currently comprised of six members. Mr. Anthony J. Cohen is not independent as he serves as President and Chief Executive Officer of the Corporation. Each of Messrs. James E. Cohen O.M., J.J. Elkin, Peter C. Hubacheck, Ernie J. Marcotte, and John H. Paterson, is independent.

The role of the Chairman of the Board of Directors is to chair all meetings of the Board in a manner that promotes meaningful discussion, and to provide leadership to the Board to enhance the Board's effectiveness in meeting its responsibilities. The Chairman's responsibilities include, without limitation, ensuring that the Board of Directors works together as a cohesive team with open communication; working together with the Corporate Governance and Nominating Committee to ensure that a process is in place by which the effectiveness of the Board, its committees and its individual directors can be evaluated on at least an annual basis. The Chairman also acts as a liaison between the Board of Directors and management to ensure that the relationship between the Board of Directors and management is professional and constructive and ensures that the allocation of responsibilities and the boundaries between Board of Directors and management are clearly understood.

Given the size of the Corporation, the independent directors of the Corporation have not historically met without management present. However, during meetings of the Board of Directors, non-independent directors, executive officers and other guests attending these meetings are asked to withdraw from these meetings for a certain period in order to allow the independent directors to discuss issues freely among themselves. During the financial year ended December 31, 2024, the Board of Directors held four meetings.

The following directors are current directors of the other reporting issuers set forth below:

Director Name	Directorships with Other Reporting Issuers
Anthony J. Cohen	Gulf & Pacific Equities Corp.

Orientation and Continuing Education

The measures that the Board of Directors takes in connection with orienting new Board members regarding the role of the Board, its directors, the committees of the Board and the nature and operation of the Corporation's business include providing each new member with information concerning the role and responsibilities of a public corporation director, providing new members with a complete set of the Corporation's charters, policies and procedures and discussing with new members the Corporation's operations. Additionally, each new Board member undergoes a detailed debriefing with the Chairman of the Board.

With respect to providing continuing education for its directors, the Board ensures that all directors are kept apprised of changes in the Corporation's operations and business, changes in the regulatory environment affecting the Corporation's day to day business both within Canada and within the foreign jurisdictions in which the Corporation does business and changes in their roles as directors of a public Corporation.

The Corporate Governance and Nominating Committee also considers orientation and continuing education for Board members and makes recommendations to the Board of Directors from time to time regarding same.

Ethical Business Conduct

The Board of Directors has adopted a Code of Business Conduct and Ethics for its directors, officers and employees. The Code includes provisions that require directors, officers and employees to inform the Corporation's Chief Executive Officer or other appropriate person of any non-compliance with the Code.

The Board of Directors takes steps to ensure directors exercise independent judgment in considering transactions and agreements in respect of which a director or executive officer of the Corporation has a material interest, which include ensuring that directors and officers are thoroughly familiar with the Corporation's Code of Business Conduct and Ethics and, in particular, the rules concerning reporting conflicts of interest and obtaining direction from the Corporation's Chief Executive Officer or other appropriate person, regarding any potential conflicts of interest.

The Board encourages and promotes an overall culture of ethical business conduct by promoting compliance with applicable laws, rules and regulations; providing guidance to employees, officers and directors to help them recognize and deal with ethical issues; promoting a culture of open communication, honesty and accountability; and ensuring awareness of disciplinary action for violations of ethical business conduct.

Nomination of Directors

The Board of Directors, together with its Corporate Governance and Nominating Committee, is responsible for identifying new candidates for nomination to the Board. The Corporate Governance and Nominating Committee members are Messrs. Peter C. Hubacheck (Chairman), J.J. Elkin, Ernie J. Marcotte, and John H. Paterson, whom are all independent directors. While National Policy 58-201 ("NI 58-201") provides that a corporation's nominating committee should be composed entirely of independent directors, given that the Corporation's Board of Directors is composed of a majority of independent directors (as that term is defined in National Instrument 52-110), the Corporation has satisfied applicable securities laws requirements relating to independence. In carrying out its mandate, the Corporate Governance and Nominating Committee met once during the year ended December 31, 2024, and all of the members at that time were in attendance. The process by which the Board identifies new candidates is through recommendations of the Corporate Governance and Nominating Committee, whose responsibility it is to establish qualifications and procedures to identify new candidates based on corporate law and regulatory requirements as well as relevant education and experience related to the business of the Corporation.

The Corporate Governance and Nominating Committee's responsibilities include annually reviewing the charters of the Board of Directors and the Corporate Governance and Nominating Committee; assisting the Chairman of the Board of Directors in carrying out his responsibilities; considering and, if thought fit, approving requests from directors or committee members for the engagement of special advisors from time to time; preparing and recommending to the Board of Directors a set of corporate governance guidelines, a Code of Business Conduct and ethics and annually a statement of corporate governance practices to be included in the Corporation's management information circular; meeting with the Corporation's external corporate counsel to discuss the Corporation's corporate governance policies and practices; recommending procedures to permit the Board of Directors to meet on a regular basis without management present; assisting the Board of Directors by identifying individuals qualified to become Board members and members of Board committees; leading the Board of Directors in its annual review of the Board's performance; and assisting the Board of Directors in monitoring compliance by the Corporation with legal and regulatory requirements.

Compensation

The Board of Directors, together with its Compensation Committee which is composed of a majority of independent directors, among other things, determines appropriate compensation for the

Corporation's directors and executive officers. As at December 31, 2024, the Compensation Committee included Messrs. James E. Cohen O.M. (Chairman), Peter C. Hubacheck, Ernie J. Marcotte, and John H. Paterson, whom are all independent directors. The Compensation Committee met once during the year ended December 31, 2024. The process by which appropriate compensation is determined is through periodic and annual reports from the Compensation Committee on the Corporation's overall compensation and benefits philosophies, which are established based, in part, on a review of peer group and mining industry compensation data. The reports describe processes undertaken by the committee to weight factors and target levels in determining executive compensation.

The Compensation Committee's responsibilities include reviewing and making recommendations to the directors regarding any equity or other compensation plan and regarding the total compensation package of the Chief Executive Officer, and considering and approving the recommendations of the Chief Executive Officer regarding the total compensation packages of the Chief Financial Officer and the Corporate Secretary.

Audit Committee

The purpose of the Audit Committee is to oversee the accounting and financial reporting processes of the Corporation and the audits of its financial statements, and thereby assist the Board in monitoring (1) the integrity of the financial statements of the Corporation, (2) compliance by the Corporation with legal and regulatory requirements related to financial reporting, (3) the performance of the Corporation's independent auditors, and (4) performance of the Corporation's internal controls and financial reporting process.

The Audit Committee has the power to conduct or authorize investigations into any matters within its scope of responsibilities, with full access to all books, records, facilities and personnel of the Corporation, its auditors and its legal advisors. In connection with such investigations or otherwise in the course of fulfilling its responsibilities under this charter, the Audit Committee has the authority to independently retain special legal, accounting, or other consultants to advise it, and may request any officer or employee of the Corporation, its independent legal counsel or independent auditor to attend a meeting of the Audit Committee or to meet with any members of, or consultants to, the Audit Committee. The Audit Committee has the power to create specific sub-committees with all of the power to conduct or authorize investigations into any matters within the scope of the mandate of the sub-committee, with full access to all books, records, facilities and personnel of the Corporation, its auditors and its legal advisors.

The Corporation's independent auditor is ultimately accountable to the Board of Directors and to the Audit Committee, who, as representatives of the Corporation's shareholders, have the ultimate authority and responsibility to evaluate the independent auditor, appoint and replace the independent auditor, and to determine appropriate compensation for the independent auditor. In the course of fulfilling its specific responsibilities hereunder, the Audit Committee must maintain free and open communication between the Corporation's independent auditors, Board of Directors and Corporation management. The responsibilities of a member of the Audit Committee are in addition to such member's duties as a member of the Board of Directors.

While the Audit Committee has the responsibilities and powers set forth in the charter, it is not the duty of the Audit Committee to plan or conduct audits or to determine that the Corporation's financial statements are complete, accurate, and in accordance with generally accepted accounting principles.

For the financial year ended December 31, 2024, the Audit Committee included Messrs. John Paterson (Chairman), James E. Cohen O.M., J.J. Elkin, Peter C. Hubacheck, and Ernie J. Marcotte. Messrs. Paterson, J. Cohen, Elkin, Hubacheck, and Marcotte are considered independent directors. The Audit Committee met on April 23, 2025, to review the audited annual financial statements for the year ended

December 31, 2024, with all members in attendance and representatives of the auditor, Jones & O'Connell LLP, present by invitation.

Board Assessments

The Board of Directors, its committees and its individual directors are assessed regularly, on at least an annual basis, as to their effectiveness and contribution. The process by which such assessments are made is through questionnaires developed by the Board and its Corporate Governance and Nominating Committee, which are distributed to each director and/or committee member for review and completion each year. In addition, the Chairman of the Board and the Chair of each committee encourages discussion amongst the Board or the committee, as the case may be, as to their evaluation of their own effectiveness over the course of the year. All directors and/or committee members are free to make suggestions for improvement of the practice of the Board and/or its committees at any time and are encouraged to do so.

The Corporate Governance and Nominating Committee is responsible for reviewing with the Board, on an annual basis, the requisite skills and characteristics of prospective board members as well as the composition of the Board as a whole. This assessment will include member's contribution, qualification as independent, as well as consideration of diversity, age, skills and experience in the context of the needs of the Board.
