At a minimum, only registered shareholders or their duly appointed proxyholders will be permitted to attend the Meeting. The Company reserves the right, however, to take any such additional precautionary measures in relation to the Meeting as it considers necessary or advisable in response to further COVID-19 related public health developments, which could include changing the location of the Meeting, hosting the Meeting by means of remote communication only, placing further restrictions on in-person attendance, or postponing or adjourning the Meeting. Any such changes to the Meeting location, date or format will be announced by way of news release, and a copy thereof (if any) will be filed under the Company's issuer profile on SEDAR at www.sedar.com. Please monitor any such news release for updates to the Meeting date for the most current information. The Company does not intend to prepare or mail supplementary meeting materials in the event of changes to the Meeting location, date or format. **To mitigate health and safety risks, the Company strongly discourages shareholders from attempting physical attendance at the Meeting, accommodation for which cannot be guaranteed at this time, and asks that all shareholders instead vote by proxy in advance of the Meeting.**

INFORMATION CIRCULAR

as of
May 3, 2022
(unless otherwise noted)

MANAGEMENT SOLICITATION OF PROXIES

This Information Circular ("Circular") is furnished to you in connection with the solicitation of proxies by management of Impact Acquisitions Corp. ("we", "us", "Impact" or the "Company") for use at the Annual General and Special Meeting (the "Meeting") of shareholders of the Company to be held on Monday, June 6, 2022, at the time and place and for the purposes set forth in the accompanying Notice of Meeting. We will conduct the solicitation by mail and our officers, directors and employees may, without receiving special compensation, contact shareholders by telephone, electronic means or other personal contact. We will not specifically engage employees or soliciting agents to solicit proxies. We do not reimburse shareholders, nominees or agents (including brokers holding shares on behalf of clients) for their costs of obtaining authorization from their principals to sign forms of proxy. We will pay the expenses of this solicitation.

As of the date of this Circular, the Company intends to proceed with the Meeting but limit in-person attendance in light of public health directives and recommendations relating to the ongoing coronavirus (COVID-19) pandemic and efforts to reduce its spread, including restrictions on in-person gatherings of any size, which continue to be strongly discouraged, and physical distancing requirements, and overarching concern for the wellbeing of shareholders, directors, their families and others. At a minimum, only registered shareholders or their duly appointed proxyholders will be permitted to attend the Meeting. The Company reserves the right, however, to take any such additional precautionary measures in relation to the Meeting as it considers necessary or advisable in response to further COVID-19 related public health developments, which could include changing the location of the Meeting, hosting the Meeting by means of remote communication only, placing further restrictions on in-person attendance, or postponing or adjourning the Meeting. Any such changes to the Meeting location, date or format will be announced by way of news release, and a copy thereof (if any) will be filed under the Company's issuer profile on SEDAR at www.sedar.com. Please monitor any such news release for updates prior to the Meeting date for the most current information. The Company does not intend to prepare or mail supplementary meeting materials in the event of changes to the Meeting location, date or format. **To mitigate health and safety risks, the Company strongly discourages shareholders from attempting physical attendance at the Meeting, accommodation for which cannot be guaranteed at this time, and asks that all shareholders instead vote by proxy in advance of the Meeting.**

APPOINTMENT OF PROXY HOLDER

The individuals named in the accompanying form of proxy (the "**Proxy**") are directors or officers of the Company. **A SHAREHOLDER WISHING TO APPOINT SOME OTHER PERSON OR COMPANY (WHO NEED NOT BE A SHAREHOLDER) TO ATTEND AND ACT FOR THE SHAREHOLDER AND ON THE SHAREHOLDER'S BEHALF AT THE MEETING HAS THE RIGHT TO DO SO, EITHER BY INSERTING SUCH PERSON'S NAME IN THE BLANK SPACE PROVIDED IN THE PROXY AND STRIKING OUT THE TWO PRINTED NAMES, OR BY COMPLETING ANOTHER PROXY.** A Proxy will not be valid unless it is completed, dated and signed and delivered to Odyssey Trust Company not less than 48 hours (excluding Saturdays, Sundays and holidays) before the time for holding the Meeting or any adjournment of it or to the chair of the Meeting on the day of the Meeting or any adjournment of it.

REGISTERED SHAREHOLDERS

Registered shareholders may wish to vote by proxy whether or not they are able to attend the Meeting in person. A registered shareholder may submit a proxy using one of the following methods:

1. By Internet: Visit <https://login.odysseytrust.com/pxlogin> and click on VOTE. You will require the CONTROL NUMBER printed with your address to the right on your proxy form. If you vote by Internet, do not mail this proxy; or
2. By mail or personal delivery to Odyssey Trust Company: United Kingdom Building, 350 – 409 Granville Street, Vancouver, B.C. V6C 1T2; or
3. By fax to Odyssey Trust Company: Attention: Proxy Department, at 1-800-517-4553 (toll free within Canada and the U.S.) or 416-263-9524 (international).

In all cases please ensure that your vote is received at least 48 hours (excluding Saturdays, Sundays and statutory holidays) before the Meeting or the adjournment thereof at which the Proxy is to be used.

NON-REGISTERED SHAREHOLDERS

Only shareholders whose names appear on the records of the Company as the registered holders of shares or duly appointed proxyholders are permitted to vote at the Meeting. Most shareholders of the Company are "non-registered" shareholders because the shares they own are not registered in their names but instead registered in the name of a nominee such as a brokerage firm through which they purchased the shares; bank, trust company, trustee or administrator of self-administered RRSP's, RRIF's, RESP's and similar plans; or clearing agency such as The Canadian Depository for Securities Limited (a "Nominee"). If you purchased your shares through a broker, you are likely a non-registered holder. Non-registered holders who have not objected to their Nominee disclosing certain ownership information about themselves to the Company are referred to as "non-objecting beneficial owners" ("NOBOs"). Those non-registered holders who have objected to their Nominee disclosing ownership information about themselves to the Company are referred to as "objecting beneficial owners" ("OBOs").

In accordance with securities regulatory requirements, the Company has distributed copies of the Meeting materials, being the Notice of Meeting, this Circular and the Proxy, to the Nominees for distribution to non-registered holders.

Nominees are required to forward the Meeting materials to non-registered holders to seek their voting instructions in advance of the Meeting. Shares held by Nominees can only be voted in accordance with the instructions of the non-registered holder. The Nominees often have their own form of proxy, mailing procedures and provide their own return instructions. If you wish to vote by proxy, you should carefully follow the instructions from the Nominee in order that your shares are voted at the Meeting. If you, as a non-registered holder, wish to vote at the Meeting in person, you should appoint yourself as proxyholder by writing your name in the space provided on the request for voting instructions or proxy provided by the Nominee and return the form to the Nominee in the envelope provided. Do not complete the voting section of the form as your vote will be taken at the Meeting.

The Company does not intend to pay for Nominees to deliver the meeting materials and Form 54-101F7 – Request for Voting Instructions Made by Intermediary to OBOs. As a result, OBOs will not receive the meeting materials unless their Nominee assumes the costs of delivery. The Company is not sending the Meeting materials directly to NOBOs in connection with the Meeting, but rather has distributed copies of the Meeting materials to the Nominees for distribution to NOBOs.

REVOCATION OF PROXY

A shareholder who has given a Proxy may revoke it by an instrument in writing executed by the shareholder or by the shareholder's attorney authorized in writing or, if the shareholder is a corporation, by a duly authorized officer or attorney of the corporation, and delivered to the registered office of Company, at any time up to and including the last business day preceding the day of the Meeting or any adjournment of it or to the chair of the Meeting on the day of the Meeting or any adjournment of it. **Only registered shareholders have the right to**

revoke a Proxy. Non-registered holders who wish to change their vote must, at least seven days before the Meeting, arrange for their respective Intermediaries to revoke the Proxy on their behalf.

A revocation of a Proxy does not affect any matter on which a vote has been taken prior to the revocation.

EXERCISE OF DISCRETION

If the instructions in a Proxy are certain, the shares represented thereby will be voted on any poll by the persons named in the Proxy, and, where a choice with respect to any matter to be acted upon has been specified in the Proxy, the shares represented thereby will, on a poll, be voted or withheld from voting in accordance with the specifications so made.

Where no choice has been specified by the shareholder, such shares will, on a poll, be voted in accordance with the notes to Proxy.

The enclosed Proxy, when properly completed and delivered and not revoked, confers discretionary authority upon the persons appointed proxyholders thereunder to vote with respect to any amendments or variations of matters identified in the Notice of Meeting and with respect to other matters which may properly come before the Meeting. At the time of the printing of this Circular, the management of the Company knows of no such amendment, variation or other matter which may be presented to the Meeting.

VOTING SHARES AND PRINCIPAL SHAREHOLDERS

We are authorized to issue an unlimited number of common shares without par value, of which **5,800,000** common shares were issued and outstanding as of May 2, 2022.

Any shareholder of record at the close of business on May 2, 2022 who either personally attends the Meeting or who has completed and delivered a Proxy in the manner specified, subject to the provisions described above, shall be entitled to vote or to have such shareholder's shares voted at the Meeting.

Unless you provide other instructions, the enclosed proxy will be voted for the nominees listed below, all of whom are presently members of the Company's board of directors (the "**Board**"). Audit Committee Oversight

At no time since the beginning of our most recently completed financial year was a recommendation of the Audit Committee to nominate or compensate an external auditor not adopted by our Board.

Reliance on Certain Exemptions

At no time since the commencement of the Company's most recently completed financial year has the Company relied on the exemption in Section 2.4 (*De Minimis Non-audit Services*) or Part 8 (*Exemptions*) of NI 52-110. Section 2.4 provides an exemption from the requirement that the Audit Committee must pre-approve all non-audit services to be provided by the auditor, where the total amount of fees related to the non-audit services are not expected to exceed 5% of the total fees payable to the auditor in the financial year in which the non-audit services were provided. Part 8 permits a company to apply to a securities regulatory authority for an exemption from the requirements of NI 52-110, in whole or in part.

Pre-Approval Policies and Procedures

The Audit Committee has adopted specific policies and procedures for the engagement of non-audit services as described under the heading "IV - Responsibilities", subsection "B - Independent Auditors" of the Audit Committee Charter as set out in Appendix "A" to this Circular.

Audit Fees, Audit—Related Fees, Tax Fees and all other Fees

In the following table, "audit fees" are fees billed by the Company's external auditor for services provided in auditing the Company's annual financial statements for the subject year. "Audit-related fees" are fees not included in audit fees that are billed by the auditor for assurance and related services that are reasonably related to the performance of the audit or review of the Company's financial statements. "Tax fees" are fees billed by the auditor for professional services rendered for tax compliance, tax advice and tax planning. "All other fees" are fees billed by the auditor for products and services not included in the foregoing categories.

The fees paid by the Company to its auditor for the years ended December 31, 2020 and December 31, 2021 were as follows:

Financial Year End	Audit Fees	Audit Related Fees	Tax Fees	All Other Fees	Total
December 31, 2020	\$5,802	Nil	Nil	Nil	\$5,802
December 31, 2021	\$7,500	Nil	Nil	Nil	\$7,500

Reliance on Exemptions in NI 52-110 regarding Audit Committee Composition & Reporting Obligations

Since the Company is a venture issuer, it relies on the exemption contained in section 6.1 of NI 52-110 from the requirements of Part 3 Composition of the Audit Committee and Part 5 Reporting Obligations of NI 52-110 (which requires certain prescribed disclosure about the Audit Committee in this Circular).

APPROVAL OF ROLLING STOCK OPTION PLAN

Approval of Rolling Stock Option Plan

The Company has adopted a rolling stock option plan (the "**Option Plan**") which provides eligible directors, officers, employees and consultants with the opportunity to acquire an ownership interest in the Company and is the basis for the Company's long-term incentive scheme. A copy of the Option Plan is attached to this Circular as Appendix "B". The Option Plan has not been previously approved by the shareholders of the Company. The key features of the Option Plan are as follows:

- The maximum number of common shares issuable under the Option Plan may not exceed in aggregate such number of common shares as is equal to 10% of the common shares issued and outstanding at the time of such grant; provided that, if the Company is a capital pool company ("**CPC**"), such number cannot exceed 10% of the aggregate number of common shares issued and outstanding as at the closing of the Company's initial public offering.
- The options have a maximum term of ten years from the date of issue.
- Options vest as the board of directors of the Company may determine upon the award of the options.
- The exercise price of options granted under the Option Plan shall be determined by the board of directors but shall not be lower than the last closing price for common shares of the Company as quoted on the TSX Venture Exchange, less any discount permitted by the TSX Venture Exchange, on the date of grant of the option, and provided that, if the Company is a CPC, the exercise price shall not be lower than \$0.10.
- The expiry date of an option shall be the earlier of the date fixed by the Company's board of directors on the award date, and: (a) in the event of the death or disability of the option holder while he or she is a director, officer, employee or consultant, 12 months from the date of death or disability of the option holder; (b) in the event that the option holder ceases to be a director, employee or consultant other than by reason of death or disability, 90 days following the date the option holder ceases to be a director, employee or consultant; and (c) the date on which the optionee ceases to be a director, officer, consultant or employee by reason or termination of the optionee as an employee or consultant of the Company for cause (which, in the case of a consultant, includes any breach of an agreement between the Company and the consultant).

Shareholder Approval

The rules of the TSX Venture Exchange require that the Option Plan be approved by an Ordinary Resolution passed by a majority of the votes cast by holders of Shares of the Company present or represented by proxy at the Meeting.

Shareholders will be asked at the Meeting to consider and, if deemed advisable, to pass, with or without variation, the Ordinary Resolution in the form set forth below:

"BE IT RESOLVED THAT AS AN ORDINARY RESOLUTION OF THE SHAREHOLDERS THAT":

1. Subject to the approval of the TSX Venture Exchange and any other regulatory approvals, if so required, the Option Plan as described in the Circular of the Company dated May 3, 2022, together with any amendments required by the TSX Venture Exchange, and all unallocated entitlements issuable pursuant to the Option Plan are hereby approved and authorized for issuance; and
2. Any one director or officer of the Company is authorized and directed on behalf of the Company to execute all documents and to do all such other acts and things as such director or officer may determine to be necessary or advisable to give effect to the foregoing provisions of this resolution."

The Board recommends voting FOR the approval of the Option Plan. Unless contrary instructions are indicated on the proxy form or the voting instruction card, the persons designated in the accompanying form of proxy or voting instructions card intend to vote FOR the approval of the Option Plan.

CORPORATE GOVERNANCE

National Instrument 58-101 *Disclosure of Corporate Governance Practices* ("NI 58-101") requires issuers to disclose their governance practices on an annual basis. A discussion of the Company's governance practices within the context of NI 58-101 is set out below.

Board of Directors

NI 52-110 sets out the standard for director independence. Under NI 52-110, a director is independent if he or she has no direct or indirect material relationship with the Company. A material relationship is a relationship which could, in the view of the Board, be reasonably expected to interfere with the exercise of a director's independent judgment. NI 52-110 also sets out certain situations where a director will automatically be considered to have a material relationship with the Company.

Applying the definition set out in NI 52-110, one of the members of the Board, Itamar David, is not independent. Itamar David is not independent by virtue of the fact that he is the Company's President, CEO and Corporate Secretary. Andrew Gertler, Gilad Bebzuck and Meghan Brown are considered to be independent.

In addition to their positions on the Board, the following directors or proposed directors for nomination also serve as directors of the following reporting issuers or reporting issuer equivalent(s):

Ethical Business Conduct

Directors, officers and employees are required as a function of their directorship, office or employment to structure their activities and interests to avoid conflicts of interest and potential conflicts of interest and refrain from making personal profits from their positions. The Board does not consider it necessary at this time to have a written policy regarding ethical conduct.

Nomination of Directors

The Board is responsible for reviewing the composition of the Board on a periodic basis. The Board analyzes the needs of the Board when vacancies arise and identifies and proposes new nominees who have the necessary competencies and characteristics to meet such needs.

Compensation

The Board reviews and approves all matters relating to compensation of the directors and executive officers of the Company. With regard to the CEO, the Board reviews and approves corporate goals and objectives relevant to the CEO's compensation, evaluates the CEO's performance in light of those goals and objectives and sets the CEO's compensation level based on this evaluation.

Other Board Committee

The Board does not have any committees other than the Audit Committee.

OTHER BUSINESS

Management is not aware of any matters to come before the Meeting other than those set forth in the Notice of Meeting. 3.2 The Board may, from time to time, adopt such rules and regulations for administering the Plan as it may deem proper and in the best interests of the Corporation and may, subject to applicable law, delegate its powers hereunder to administer the Plan to a committee of the Board (the "**Committee**"). The Committee shall be comprised of two or more members of the Board who shall serve at the pleasure of the Board. Vacancies occurring on the Committee shall be filled by the Board.

3.3 The Committee (or the Board where the Committee has not been constituted) shall have the power to delegate to any member of the Board or officer so designated (the "**Administrator**"), the power to determine which Participants are to be granted Options and to grant such Options, the number of Common Shares purchasable under each Option, the Option Price and the time or times when and the manner in which Options are exercisable, and the Administrator shall make such determinations in accordance with the provisions of this Plan and with applicable securities and stock exchange regulatory requirements, subject to final approval by the Committee or Board.

4. Granting of Option

4.1 Participants may be granted Options from time to time. The grant of Options will be subject to the conditions contained herein and may be subject to additional conditions determined by the Board from time to time. Each Option granted hereunder shall be evidenced by an agreement in writing, signed on behalf of the Corporation and by the Participant, in such form as the Board shall approve from time to time. Each such agreement shall recite that it is subject to the provisions of this Plan.

4.2 The aggregate number of Common Shares of the Corporation allocated and made available to be granted to Participants under the Plan shall not exceed 10% of the issued and outstanding Common Shares of the Corporation as at the date of grant (on a non-diluted basis). Any issuance of Common Shares from treasury pursuant to the exercise of Options shall automatically replenish the number of Common Shares available for Option grants under the Plan. Common Shares in respect of which Options are cancelled or not exercised prior to expiry, for any reason, shall be available for subsequent Option grants under the Plan. No fractional shares may be purchased or issued hereunder.

4.3 The Corporation shall at all times, during the term of the Plan, reserve and keep available such number of Common Shares as will be sufficient to satisfy the requirements of the Plan.

4.4 Any grant of Options under the Plan shall be subject to the following restrictions:

- (a) the aggregate number of Common Shares reserved for issuance pursuant to Options granted to any one Participant, other than a consultant, in any 12 month period may not exceed 5% of the Corporation's total issued and outstanding Common Shares, unless disinterested shareholder approval is obtained;
- (b) the aggregate number of Common Shares issuable pursuant to Options granted to Insiders pursuant to the Plan and other security based compensation arrangements may not exceed 10% of the Corporation's total issued and outstanding Common Shares, unless disinterested shareholder approval is obtained;
- (c) the aggregate number of Common Shares issued to Insiders pursuant to the Plan and other security based compensation arrangements in any 12 month period may not exceed 10% of the Corporation's total issued and outstanding Common Shares, unless disinterested shareholder approval is obtained;
- (d) no more than 2% of the total issued and outstanding Common Shares at the time of grant may be granted to any one consultant in any 12 month period; and
- (e) no more than an aggregate of 2% of the total issued and outstanding Common Shares at the time of grant may be granted to all persons engaged to conduct Investor Relations Activities in any 12 month period and all Options issued to persons engaged to conduct Investor Relations Activities must vest in stages over a period of not less than 12 month with no more than ¼ of the Options vesting in any three month period.

4.5 No CPC Stock Option may be granted by a CPC unless the optionee first enters into a CPC Escrow Agreement agreeing to deposit the CPC Stock Option, and the Common Shares acquired pursuant to the exercise of such CPC Stock Option, into escrow as described in Part 11.

4.6 All Options granted pursuant to this Plan shall be subject to rules and policies of the Exchange and any other regulatory body having jurisdiction.

4.7 A Participant who has been granted an Option may, if otherwise eligible, and if permitted under the policies of the Exchange, be granted an additional Option if the Board so determines.

5. Option Price

5.1 Subject to applicable Exchange approval, the Option Price shall be fixed by the Board at the time the Option is granted to a Participant. In no event shall the price be less than the Discounted Market Price (as defined in the policies of the Exchange). If a press release fixing the price is not issued, the Discounted Market Price is the closing price per Common Share on the Exchange on the last trading day preceding the date of grant on which there was a closing price (less the applicable discount) or, if the Common Shares are not listed on any stock exchange, a price determined by the Board; provided that, if the Board, in its sole discretion, determines that the closing price on the last trading day preceding the date of grant would not be representative of the market price of the Common Shares, then the Board may base the price on the greater of the closing price and the weighted average price per share for the Common Shares for five (5) consecutive trading days ending on the last trading day preceding the date of grant on which there was a closing price on the Exchange. The weighted average price shall be determined by dividing the aggregate sale price of all Common Shares sold on the Exchange during the said five (5) consecutive trading days, by the total number of Common Shares so sold.

5.2 Once the Option Price has been determined by the Board, accepted by the Exchange and the Option has been granted, if the Participant is an Insider, the Option Price may only be reduced if disinterested shareholder approval is obtained; provided that such disinterested shareholder approval is then a requirement of the Exchange or other regulatory body having jurisdiction.

6. Term of Option

6.1 The term of the Option shall be a period of time fixed by the Board, not to exceed ten years from the date of grant. Unless the Board determines otherwise, Options shall be exercisable in whole or in part at any time during this period in accordance with such vesting provisions, conditions or limitations (including applicable hold periods) as are herein contained or as the Board may from time to time impose, or as may be required by the Exchange or under applicable securities law.

6.2 Each Option and all rights thereunder shall be expressed to expire at the Expiry Time, but shall be subject to earlier termination in accordance with Section 13 hereof.

6.3 Subject to any specific requirements of the Exchange, the Board shall determine the vesting period or periods within the Option term, during which a Participant may exercise an Option or a portion thereof.

6.4 In addition to any resale restriction under securities laws, an Option may be subject to a four month Exchange hold period commencing on the date the Option is granted.

6.5 Except in the case of a Participant's Option that terminates pursuant to section 13.4 below, in the event that the term of any Option expires within or immediately following a "blackout period" imposed by the Corporation, the Option shall expire on the date (the "**Blackout Expiration Date**") that is ten Business Days following the end of such blackout period. The Blackout Expiration Date shall not be subject to the discretion of the Board.

7. Exercise of Option

7.1 Subject to the provisions of the Plan and the terms of any stock option agreement, an Option or a portion thereof may be exercised, from time to time, by delivery of the Exercise Notice to the Corporation's principal office in Vancouver, British Columbia. The Exercise Notice shall state the intention of the Participant or the Participant's legal personal representative to exercise the said Option or a portion thereof and specify the number of Common Shares in respect of which the Option is then being exercised, and shall be accompanied by the full purchase price of the Common Shares which are the subject of the exercise. As long as the Corporation is listed on the TSX Venture Exchange, the purchase price must be paid by cash, certified cheque or bank draft. Such Exercise Notice shall contain the Participant's undertaking to comply, to the satisfaction of the Corporation, with all applicable requirements of the Exchange and any applicable regulatory authorities.

8. Adjustments in Shares

8.1 If the outstanding shares of the Corporation are increased, decreased, changed into or exchanged for a different number or kind of shares or securities of the Corporation through a re-organization, plan of arrangement, merger, re-capitalization, re-classification, stock dividend, subdivision or consolidation, an appropriate and proportionate adjustment shall be made by the Board, in its discretion, in the number or kind of shares optioned and the exercise price per share with respect to: (a) previously granted and unexercised Options or portions thereof; and (b) Options which may be granted subsequent to any such change in the Corporation's capital.

8.2 Determinations by the Board as to what adjustments shall be made, and the extent thereof, shall be final, binding and conclusive. The Corporation shall not be obligated to issue fractional securities in satisfaction of any of its obligations hereunder.

9. Accelerated Vesting

9.1 In the event that certain events such as a liquidation or dissolution of the Corporation or a re-organization, plan of arrangement, merger or consolidation of the Corporation with one or more corporations, as a result of which the Corporation is not the surviving corporation, or the sale by the Corporation of all or substantially all of the property and assets of the Corporation to another corporation prior to the Expiry Time, are proposed or contemplated, the Board may, notwithstanding the terms of this Plan or any stock option agreements issued hereunder, exercise its discretion, by way of resolution, to permit accelerated vesting of Options (subject to the prior written approval of the Exchange if the original vesting condition is mandatory under the policies of the Exchange) on such terms as the Board sees fit at that time. If the Board, in its sole discretion, determines that the Common Shares subject to any Option granted hereunder shall vest on an accelerated basis, all Participants entitled to exercise an unexercised portion of Options then outstanding shall have the right at such time, upon written notice being given by the Corporation, to exercise such Options to the extent specified and permitted by the Board and within the time period specified by the Board, which shall not extend past the Expiry Time.

9.2 An Option may provide that whenever the Corporation's shareholders receive a Take-Over Bid and the Corporation supports this bid, pursuant to which the "offeror" would, as a result of such Take-Over Bid being successful, beneficially own in excess of 50% of the outstanding Common Shares, the Participant may exercise the Acceleration Right. The Acceleration Right shall commence on the date of the mailing of the Board circular recommending acceptance of the Take-Over Bid and end on the earlier of:

- (a) the Expiry Time; and
- (b) (i) in the event the Take-Over Bid is unsuccessful, the expiry date of the Take-Over Bid; and (ii) in the event the Take-Over Bid is successful, the tenth (10th) day following the expiry date of the Take-Over Bid.

9.3 At the time of the termination of the Acceleration Right, the original vesting terms of the Options shall be reinstated with respect to the Common Shares issuable thereunder which were not acquired by the holders of such Options pursuant to the terms thereof. Notwithstanding the foregoing, the Acceleration Right may be extended for such longer period as the Board may resolve.

9.4 Provided that the Corporation is listed on the TSX and is in compliance with applicable TSX requirements, the Corporation may satisfy any obligations to a Participant hereunder by paying to the Participant in cash the difference between the exercise price of all unexercised Options granted hereunder and the Fair Market Value of the Common Shares to which the Participant would be entitled upon exercise of all unexercised Options, regardless of whether all conditions of exercise relating to continuous employment have been satisfied.

10. Capital Pool Company Restrictions

As long as the Corporation is classified as a Capital Pool Company (as defined in Policy 2.4 of the Exchange) (a "CPC"), the terms and conditions of the Plan will remain subject to the following specific restrictions:

- (a) Options granted by the CPC may only entitle the Participant to acquire Common Shares of the CPC. Options may only be granted to a director or officer of the CPC, and where permitted by applicable securities legislation, a technical consultant whose particular industry expertise in relation to the business of the Vendors or the Target Company, as the case may be, is required to evaluate the proposed Qualifying Transaction, or a company, all of whose securities are owned, directly and indirectly, by such a director, officer or technical consultant. The total number of Common Shares reserved for issuance pursuant to Options may not exceed 10% of the Common Shares outstanding as at the closing of the CPC's initial public offering (the "**IPO**").
- (b) The number of Common Shares reserved for issuance pursuant to Options to any individual director or officer may not exceed 5% of the Common Shares outstanding as at the closing of the IPO. The number of Common Shares reserved for issuance pursuant to Options to all technical consultants may not exceed 2% of the Common Shares outstanding as at the closing of the IPO. Options granted by a CPC are subject to the percentage limitations set forth in Policy 4.4 of the Exchange.
- (c) The CPC is prohibited from granting Options to any person providing Investor Relations Activities, promotional or market-making services.
- (d) The exercise price per Common Share under any Option granted by a CPC cannot be less than the greater of the IPO Share price and the Discounted Market Price.

11. Escrow

- (a) All Options issued, and any Shares acquired on exercise of Options, prior to the Completion of the Qualifying Transaction must be deposited in escrow under the CPC Escrow Agreement (as defined in Exchange Policy 2.4) and will be subject to escrow until the Final QT Exchange Bulletin (as defined in Exchange Policy 2.4) is issued, subject to Section 14(b).
- (b) All Options granted prior to the date of the Final QT Exchange Bulletin and any Shares acquired on exercise of Options that were issued prior to the date of the Final QT Exchange Bulletin will be released from escrow on the date of the Final QT Exchange Bulletin, other than Options that were granted prior to the Corporation's IPO with an exercise price that is less than the issue price of the IPO Shares and any Shares that were issued pursuant to the exercise of such Options will be released from escrow in accordance with the schedule set out in Exchange Policy 2.4 and the CPC Escrow Agreement.

12. Decisions of the Board

All decisions and interpretations of the Board respecting the Plan or Options granted thereunder shall be conclusive and binding on the Corporation and the Participants and their respective legal personal representatives and on all directors, officers, employees and consultants of the Corporation who are eligible to participate under the Plan.

13. Ceasing to be a Director, Officer, Employee or Consultant

13.1 Subject to the terms of the applicable stock option agreements and subject to section 13.4 hereof, in the event of the Participant ceasing to be a director, officer, employee or consultant of the Corporation or a Subsidiary for any reason other than death, including the resignation or retirement of the Participant or the termination by the Corporation or a Subsidiary of the employment of the Participant, prior to the Expiry Time, such Option (including an Option held by a Participant's Personal Holding Company) may be exercised as to such Common Shares in respect of which the Option has not previously been exercised (and as the Participant would have been entitled to exercise) at any time up to and including (but not after) the earlier of: (a) the Expiry Time; and (b) a date that is ninety (90) days (or such other period as may be determined by the Board, provided that such period is not more than one year) following the effective date of such resignation or retirement or a date that is ninety (90) days (or such other period as may be determined by the Board, provided that such period is not more than one year) following the date notice of termination of employment is given by the Corporation or a Subsidiary,

whether such termination is with or without reasonable notice, and subject to such shorter period as may be otherwise specified in the stock option agreement, after which date the Option shall forthwith expire and terminate and be of no further force or effect whatsoever.

13.2 In consideration of the Option hereby granted, in the event of the resignation or retirement of the Participant or the termination of employment by the Corporation without cause, the Participant hereby covenants not to sue the Corporation for damages arising from the loss of rights granted hereunder and releases the Corporation from any damages.

13.3 Notwithstanding the foregoing, in the event of termination for cause, such Option (including an Option held by a Participant's Personal Holding Company) shall expire and terminate immediately at the time of delivery of notice of termination of employment for cause to the Participant by the Corporation or a Subsidiary and shall be of no further force or effect whatsoever as to the Common Shares in respect of which an Option has not previously been exercised.

13.4 In the event of the death of a Participant on or prior to the Expiry Time, such Option (including an Option held by a Participant's Personal Holding Company) may be exercised as to such of the Common Shares in respect of which such Option has not previously been exercised (and as the Participant would have been entitled to purchase), by the legal personal representatives of the Participant at any time up to and including (but not after) a date one (1) year from the date of death of the Participant, after which date the Option shall forthwith expire and terminate and be of no further force or effect whatsoever.

13.5 Options shall not be affected by any change of employment of the Participant where the Participant continues to be employed by the Corporation or any of its Subsidiaries.

14. Transferability

All benefits, rights and options accruing to any Participant in accordance with the terms and conditions of the Plan shall not be transferable or assignable unless specifically provided herein or to the extent, if any, permitted by the Exchange.

15. Amendment or Discontinuance of Plan

- (a) The approval of the Board and the requisite approval from the Exchange and the shareholders shall be required for any of the following amendments to be made to the Plan:
 - (i) any increase to the fixed maximum percentage of Common Shares issuable under the Plan;
 - (ii) a reduction in the exercise price or purchase price of an Option (other than for standard anti-dilution purposes) held by or benefiting an Insider;
 - (iii) an increase in the maximum number of Common Shares that may be issued to Insiders within any one year period or that are issuable to Insiders at any time;
 - (iv) an extension of the term of an Option held by or benefiting an Insider;
 - (v) any change to the definition of "Participants" which would have the potential of broadening or increasing Insider participation;
 - (vi) provided that the Corporation is listed on the TSX, the addition of a cashless exercise feature, payable in cash or securities which does not provide for a full deduction of the number of underlying securities from the Plan reserve; and
 - (vii) any other amendments that may lead to significant or unreasonable dilution in the Corporation's outstanding securities or may provide additional benefits to Participants, especially Insiders, at the expense of the Corporation and its existing shareholders.

- (b) The Board may, without shareholder approval but subject to receipt of requisite approval as required by the Exchange, in its sole discretion make all other amendments to the Plan that are not of the type contemplated in subsection 15(a) above including, without limitation:
- (i) amendments of a housekeeping nature;
 - (ii) a change to the vesting provisions of an Option; and
 - (iii) a change to the termination provisions of an Option which does not entail an extension beyond the original expiry date, except as contemplated in Section 6.5 above;

16. Participants' Rights

16.1 A Participant shall not have any rights as a shareholder of the Corporation until the issuance of a certificate for Common Shares upon the exercise of an Option or a portion thereof, and then only with respect to the Common Shares represented by such certificate or certificates.

16.2 Nothing in the Plan or any Option shall confer upon any Participant any rights to continue in the employ of the Corporation or any Subsidiary or affect in any way the right of the Corporation or any such Subsidiary to terminate the employment of the Participant at any time; nor shall anything in the Plan or any Option be deemed or construed to constitute an agreement, or an expression of intent, on the part of the Corporation or any such Subsidiary to extend the employment of any Participant beyond the time such Participant would normally retire pursuant to the provisions of any present or future retirement plan of the Corporation or any Subsidiary, or beyond the time at which he would otherwise be retired pursuant to the provisions of any contract of employment with the Corporation or any Subsidiary.

17. Approvals

17.1 The Plan shall be subject, if applicable, to the approval of the Exchange or other regulatory body having jurisdiction at that time and, if so required thereby, to the approval of the shareholders of the Corporation.

17.2 Any Options granted prior to such approval and acceptance shall be conditional upon such approval and acceptance being given and no such Options may be exercised unless such approval and acceptance is given.

18. Government Regulation

18.1 The Corporation's obligation to issue and deliver Common Shares under any Option is subject to:

- (a) the satisfaction of all requirements under applicable securities laws in respect thereof and obtaining all regulatory approvals as the Corporation shall determine to be necessary or advisable in connection with the authorization, issuance or sale thereof;
- (b) the admission of such Common Shares to listing on any stock exchange on which such Common Shares may then be listed; and
- (c) the receipt from the Participant of such representations, warranties, agreements and undertakings as to future dealings in such Common Shares as the Corporation determines to be necessary or advisable in order to safeguard against the violation of the securities laws of any jurisdiction.

18.2 In this regard, the Corporation shall take all reasonable steps to obtain such approvals and registrations as may be necessary for the issuance of such Common Shares and for the listing of such Common Shares on the Exchange, in compliance with applicable securities laws. If any shares cannot be issued to any Participant for whatever reason, the obligation of the Corporation to issue such shares shall terminate and the Option Price paid to the Corporation will be returned to the Participant.

19. Costs

The Corporation shall pay all costs of administering the Plan.

20. Interpretation

This Plan shall be governed by and construed in accordance with the laws of the Province of British Columbia and the laws of Canada applicable therein.

21. Compliance with Applicable Law

If any provision of the Plan or any Option contravenes any law or any order, policy, bylaw or regulation of any regulatory body or the Exchange, then such provision shall be deemed to be amended to the extent required to bring such provision into compliance therewith.
