PREAMBLE:

WHEREAS the Borrower, Canadian Imperial Bank of Commerce and the other Lenders, and the Agent are party to the credit agreement dated April 29, 2009, as amended and restated pursuant to the amended and restated credit agreement dated April 19, 2017, the second amended and restated credit agreement dated July 14, 2020, the third amended and restated credit agreement dated June 25, 2021, the fourth amended and restated credit agreement dated October 20, 2021 and the fifth amended and restated credit agreement dated May 31, 2022 and as further amended to the date hereof (as so amended, the "**Original Credit Agreement**");

AND WHEREAS the parties hereto have agreed to amend and restate the Original Credit Agreement on the terms and conditions hereinafter set forth;

AND WHEREAS the Borrower has requested and the Lenders have agreed to establish senior secured credit facilities on the terms and conditions herein set forth, and CIBC has agreed to act as Agent for the Lenders under such credit facilities, all on the terms and conditions and for the purposes set out in this Agreement.

AGREEMENT:

In consideration of the covenants and agreements between the Parties contained in this Agreement and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Parties agree as follows:

ARTICLE 1 **INTERPRETATION**

1.1 Definitions

Capitalized words and phrases used in the Documents, the Schedules hereto and in all notices and communications expressed to be made pursuant to this Agreement will have the meanings set out in Schedule A, unless otherwise defined in any of the Documents.

1.2 Headings

Headings, subheadings and the table of contents contained in the Documents are inserted for convenience of reference only, and will not affect the construction or interpretation of the Documents.

1.3 Subdivisions

Unless otherwise stated, reference herein to a Schedule or to an Article, Section, paragraph or other subdivision is a reference to such Schedule to this Agreement or such Article, Section, paragraph or other subdivision of this Agreement. Unless specified otherwise, reference in Schedule A to a Schedule or to an Article, Section, paragraph or other subdivision is a reference to such Schedule or Article, Section, paragraph or other subdivision of this Agreement.

1.4 Number

Wherever the context in the Documents so requires, a term used herein importing the singular will also include the plural and vice versa.

1.5 Statutes, Regulations, Rules and Agreements

Any reference in the Documents to all or any section or paragraph or any other subdivision of any Law will, unless otherwise expressly stated, be a reference to that Law or the relevant section or paragraph or other subdivision thereof, as such Law may be amended, substituted, replaced or re-enacted from time to time. Any reference in the Documents to any document, instrument or agreement will, unless otherwise expressly stated, be a reference to that document, instrument or agreement as may be amended, substituted, restated or replaced from time to time.

1.6 Monetary References

Whenever an amount of money is referred to in the Documents, such amount will, unless otherwise expressly stated, be in Canadian Dollars.

1.7 Time

Time will be of the essence of the Documents.

1.8 Governing Law

The Documents will be governed by and construed in accordance with the Law in force in the Province of Alberta from time to time.

1.9 Enurement

The Documents will be binding upon and will enure to the benefit of the Parties and their respective successors and permitted assigns.

1.10 Amendments

No Document may be amended orally and, subject to Section 20.1(e), any amendment may only be made by way of an instrument in writing signed by the Parties.

1.11 No Waiver

- (a) Subject to Section 19.17, no waiver by a Party of any provision or of the breach of any provision of the Documents will be effective unless it is contained in a written instrument duly executed by an authorized officer or representative of such Party. Such written waiver will affect only the matter specifically identified in the instrument granting the waiver and will not extend to any other matter, provision or breach.
- (b) The failure of a Party to take any steps in exercising any right in respect of the breach or non-fulfillment of any provision of the Documents will not operate as a waiver of that right, breach or provision, nor will any single or partial exercise of any right preclude any other or future exercise of that right or the exercise of any other right, whether in Law or otherwise.
- (c) Acceptance of payment by a Party after a breach or non-fulfillment of any provision of the Documents requiring a payment to such Party will constitute a waiver of such provision if cured by such payment, but will not constitute a waiver or cure of any other provision of the Documents.

1.12 Severability

If the whole or any portion of the Documents or the application thereof to any circumstance will be held invalid or unenforceable to an extent that does not affect the operation of the Document in question in a fundamental way, the remainder of the Document in question, or its application to any circumstance other than that to which it has been held invalid or unenforceable, will not be affected thereby and will be valid and enforceable to the fullest extent permitted by applicable Law.

1.13 Inconsistency

To the extent that there is any inconsistency or ambiguity between the provisions of this Agreement and any other Document, the provisions of this Agreement will govern to the extent necessary to eliminate such inconsistency or ambiguity.

1.14 Accounting Terms and Principles

Except as otherwise expressly provided, all accounting terms, principles and calculations applicable to the Credit Facilities will be interpreted, applied and calculated, as the case may be, in accordance with GAAP. The basis of accounting and all calculations set out in this Agreement will be applied and made on a consistent basis and will not be changed for the purposes of this Agreement unless required by GAAP or as agreed to by the Majority Lenders in writing, such agreement not to be unreasonably withheld. It will be reasonable for the Lenders to withhold their consent if a proposed change could adversely affect the Obligations of the Borrower or any Material Subsidiary or rights of the Lenders under the Documents. In the event of a change in GAAP, the Borrower and the Agent shall negotiate in good faith to revise (if appropriate) such ratios and covenants to give effect to the intention of the Parties under this Agreement as at the Closing Date, and any new ratio or covenant shall be subject to approval by the Majority Lenders. In the event that such negotiation is unsuccessful, all calculations thereafter made for the purpose of determining compliance with the financial ratios and financial covenants contained herein shall be made on a basis consistent with GAAP in existence as at the Closing Date.

1.15 Changes to LMR

If (a) as a result of any change in any applicable Law, rule, policy, regulation, order or directive, the Alberta Energy Regulator ceases to use a liability management (or equivalent) rating as a means of determining whether a Person is in compliance with its abandonment and reclamation policies, regulations and directives in the Province of Alberta, (b) the method of calculation of such liability management rating changes in any material manner, (c) if the threshold for which license transfers of regulated properties shall be permitted under the Alberta Energy Regulator's licensee liability regime in the Province of Alberta changes or (d) certain other related circumstances occur which are to be agreed, then, in any such case, the Borrower and the Agent shall enter into good faith discussions with a view to determining a comparable rating system or threshold, as applicable, to replace the concept of LMR as set forth herein that is, at such time, broadly accepted as the prevailing market practice for such regulation in the Province of Alberta, with the intent of having the respective positions of the Lenders and the Borrower after such change conform as nearly as possible to their respective positions immediately prior to such change; provided that, until any such agreement is reached, the LMR shall continue to be calculated as if no such change had occurred. Upon the Borrower and the Agent agreeing on such methodology for determining LMR and the thresholds set forth herein, the Borrower and the Lenders party hereto shall enter into documentation to amend the provisions hereof to refer to such rate and make all other adjustments incidental thereto. The parties hereto agree that such amendment shall require the consent of the Majority Lenders notwithstanding anything to the contrary set out herein.

1.16 Permitted Encumbrances

Any reference in any of the Documents to a Permitted Encumbrance is not intended to and will not be interpreted as subordinating or postponing, or as any agreement to subordinate or postpone, any obligation of the Borrower or any Material Subsidiary to the Lenders under any of the Documents to any Permitted Encumbrance.

1.17 Amendment and Restatement

On the date on which all of the conditions set forth in Section 2.1 have been satisfied (or waived in writing by all of the Lenders):

- (a) the Original Credit Agreement shall be and is hereby amended and restated in the form of this Agreement;
- (b) all Advances (as that term is defined in the Original Credit Agreement) and other amounts outstanding under the Original Credit Agreement prior to the date hereof shall continue to be outstanding under this Agreement and shall be deemed to be:
 - (i) in the case of Advances and other Obligations under the Operating Loan (as such terms are defined in the Original Credit Agreement), such Advances and other Obligations shall continue to be outstanding as Advances and other Obligations under the Operating Loan under this Agreement; and
 - (ii) in the case of Advances and other Obligations under the Extendible Revolving Loan (as such terms are defined in the Original Credit Agreement), such Advances and other Obligations shall continue to be outstanding as Advances and other Obligations under the Extendible Revolving Loan under this Agreement; and
- (c) the Lenders hereby agree to take all steps and actions and execute and deliver all agreements, instruments and other documents as may be required by the Agent (including the assignment of interests in, or the purchase of participations in, such outstanding Advances) to give effect to the foregoing and to ensure that the aggregate Obligations owing to each Lender are outstanding in proportion to each Lender's Rateable Portion of all outstanding Obligations after giving effect to the amendment and restatement hereof.

Notwithstanding the foregoing or any other term hereof, all of the covenants, representations and warranties on the part of the Borrower under the Original Credit Agreement and all of the claims and causes of action arising against the Borrower in connection therewith, in respect of all matters, events, circumstances and obligations arising or existing prior to the date hereof shall continue, survive and shall not be merged in the execution of this Agreement or any other Documents or any Advance hereunder.

References herein to the "date hereof" or similar expressions shall be and shall be deemed to be to the date of the execution and delivery hereof, being November 25, 2022.

1.18 Confirmation of Security

The Borrower confirms and agrees that the Security to which it is a party is and shall remain in full force and effect in all respects notwithstanding the amendment and restatement of the Original Credit Agreement and shall continue to exist and apply to all of the Obligations, Swap Obligations and Cash Management Obligations, including, without limitation, the Obligations of the Borrower under, pursuant or related to the Original Credit Agreement, as amended and restated by this Agreement.

1.19 Rates

The Agent does not warrant or accept responsibility for, and shall not have any liability with respect to (a) the continuation of, administration of, submission of, calculation of or any other matter related to Canadian Prime Rate, U.S. Base Rate, CDOR, CDOR Rate, the Term SOFR Reference Rate, Adjusted Term SOFR or Term SOFR, or any component definition thereof or rates referred to in the definition thereof, or any alternative, successor or replacement rate thereto (including any Benchmark Replacement (as defined in Sections 8.4 and 9.8, as applicable)), including whether the composition or characteristics of any such alternative, successor or replacement rate (including any Benchmark Replacement (as defined in Sections 8.4 and 9.8, as applicable)) will be similar to, or produce the same value or economic equivalence of, or have the same volume or liquidity as, Canadian Prime Rate, U.S. Base Rate, CDOR, CDOR Rate, the Term SOFR Reference Rate, Adjusted Term SOFR, Term SOFR or any other Benchmark (as defined in Sections 8.4 and 9.8, as applicable) prior to its discontinuance or unavailability, or (b) the effect, implementation or composition of any Conforming Changes (as defined in Sections 8.4 and 9.8, as applicable). The Agent and its Affiliates or other related entities may engage in transactions that affect the calculation of Canadian Prime Rate, U.S. Base Rate, CDOR, CDOR Rate, the Term SOFR Reference Rate, Term SOFR, Adjusted Term SOFR, any alternative, successor or replacement rate (including any Benchmark Replacement (as defined in Sections 8.4 and 9.8, as applicable)) or any relevant adjustments thereto, in each case, in a manner adverse to the Borrower. The Agent may select information sources or services in its reasonable discretion to ascertain Canadian Prime Rate, U.S. Base Rate, CDOR, CDOR Rate, the Term SOFR Reference Rate, Term SOFR, Adjusted Term SOFR or any other Benchmark (as defined in Sections 8.4 and 9.8, as applicable), in each case pursuant to the terms of this Agreement, and shall have no liability to the Borrower, any Lender or any other Person for damages of any kind, including direct or indirect, special, punitive, incidental or consequential damages, costs, losses or expenses (whether in tort, contract or otherwise and whether at law or in equity), for any error or calculation of any such rate (or component thereof) provided by any such information source or service.

ARTICLE 3 **CREDIT FACILITIES**

3.1 The Credit Facilities

Subject to the terms and conditions hereof and effective on the Closing Date:

- (a) The Syndicated Lenders hereby establish the Extendible Revolving Loan in favour of the Borrower. The Individual Revolving Loan Commitment Amounts of each of the Syndicated Lenders is set out in Schedule B. The Operating Lender hereby establishes the Operating Loan in favour of the Borrower. The Operating Loan Commitment Amount of the Operating Lender is set out in Schedule B.
- (b) The Extendible Revolving Loan may be drawn down by the Borrower during a Revolving Period in Canadian Dollars or in U.S. Dollars, or any combination thereof, to a maximum of the lesser of: (i) the then applicable Borrowing Base minus the then applicable Operating Loan Commitment Amount and (ii) the Revolving Loan Commitment Amount to the extent it is comprised of Individual

Revolving Loan Commitment Amounts (for purposes of any such determination amounts drawn down in U.S. Dollars will be valued at the Exchange Equivalent thereof in Canadian Dollars). The Operating Loan may be drawn down by the Borrower during a Revolving Period in Canadian Dollars or in U.S. Dollars, or any combination thereof, to a maximum of the lesser of: (A) the then applicable Borrowing Base minus the then applicable Revolving Loan Commitment Amount and (B) the Operating Loan Commitment Amount (for purposes of any such determination amounts drawn down in U.S. Dollars will be valued at the Exchange Equivalent thereof in Canadian Dollars).

- (c) During the Revolving Period, the Borrower may:
 - (i) borrow, repay and reborrow under either Credit Facility from the Lenders by way of Canadian Prime Rate Loans (under the Extendible Revolving Loan, in minimum amounts of Cdn. \$5,000,000 and multiples of Cdn. \$100,000) and by way of U.S. Base Rate Loans (under the Extendible Revolving Loan, in minimum amounts of U.S. \$5,000,000 and multiples of U.S. \$100,000);

 - (iii) borrow, repay and reborrow under either Credit Facility from the Lenders by way of Bankers' Acceptances and BA Equivalent Loans (under the Extendible Revolving Loan, in minimum amounts of Cdn. \$5,000,000 and multiples of Cdn. \$500,000).
- (d) During the Term Period in respect of a Lender, each such Lender shall make its Individual Commitment Amount available to the Borrower by way of the methods of Advances described in Section 3.1(c) by way of Rollovers and Conversions only, provided however, that (for greater certainty), the Advances outstanding thereunder shall not revolve and each reduction thereof (required or otherwise) shall be permanent.

3.2 Extension of Revolving Period

- (a) End of Revolving Period: Subject to any extension in accordance with the provisions hereof, the Revolving Period will end on October 31, 2023.
- (b) Extension of Credit:
 - (i) The Borrower may, provided no Default or Event of Default has occurred and is continuing, request an Offer of Extension in respect of each Lender for which there is a Revolving Period at such time (each a "**Revolving Lender**") not more than 90 days and not less than 60 days prior to the last day of the then current Revolving Period in respect of such Revolving Lenders (or such other shorter period as the Revolving Lenders may agree).

Such request shall be made by the Borrower by delivering to the Agent an executed Request for Offer of Extension, together with its most current financial statements and production information required to be delivered hereunder. The Agent shall within two (2) Banking Days of receipt thereof notify the Revolving Lenders of such Request for Offer of Extension and each Revolving Lender shall notify the Agent and the Borrower as to whether or not it agrees (in its sole discretion) to such request no later than 30 days after the date the Agent received notice of the Request for Offer of Extension from the Borrower (the "**Notification Date**"); provided that, if a Revolving Lender does not so notify the Agent and the Borrower on or prior to the Notification Date, such Revolving Lender shall be deemed to have elected not to agree to such request.

- (ii) If the Borrower fails to make a Request for Offer of Extension within the time provided above in Section 3.2(b)(i), the then current Revolving Period for all Revolving Lenders will not be followed by a new Revolving Period and will continue only until the Term Date with each such Lender's Individual Commitment Amount remaining available for Drawdown until the Term Date applicable to such Lender, whereupon the undrawn portion of the Individual Commitment Amounts of all Revolving Lenders shall, effective at 5:00 p.m. (Toronto time) on the Term Date, be cancelled and all Revolving Lenders' Commitment Amounts shall thereafter convert from an extendible revolving loan facility to a non-revolving term facility repayable on the Term Maturity Date.
- (iii) If all Revolving Lenders, or a sufficient portion of the Revolving Lenders pursuant to Section 3.2(b)(v), agree to such Request for Offer of Extension, the Agent shall forthwith deliver to the Borrower an Offer of Extension within four (4) Banking Days of the Notification Date. Any such Offer of Extension shall be open for acceptance by the Borrower until the Banking Day immediately preceding the last day of the then current Revolving Period for such Revolving Lenders. Upon written notice by the Borrower to the Agent accepting an outstanding Offer of Extension and agreeing to the terms and conditions specified therein, if any, the Revolving Period for the Revolving Lenders which have agreed to the Request for Offer of Extension, shall be extended to the date specified in the Offer of Extension subject to the terms and conditions, if any, specified in such Offer of Extension effective on the date of acceptance of the Offer of Extension by the Borrower.
- (iv) If any Revolving Lender that receives notification from the Agent that the Borrower has made a Request for Offer of Extension, elects or is deemed not to agree to such Request for Offer of Extension (each a "**Non-Agreeing Lender**"), the Agent shall forthwith so advise each of the other Revolving Lenders which do agree to such Request for Offer of Extension and each such Revolving Lender shall have the right (but not the obligation) to purchase the Individual Commitment Amount of all but not less than all

such Non-Agreeing Lenders (collectively, the "**Non-Agreeing Lender Commitment Amount**") for a purchase price in an amount equal to the Aggregate Principal Amount of the Advances owing to all such Non-Agreeing Lenders under the Credit Facilities, together with accrued interest thereon to the date of payment of such principal amount (including arrangements satisfactory to such Non-Agreeing Lenders relating to all losses, costs and expenses suffered or incurred by the Non-Agreeing Lenders as a result of complying with this Section 3.2(b)). Each of the other Revolving Lenders wishing to exercise its rights to purchase the Non-Agreeing Lender Commitment Amount (each a "**Purchasing Lender**") shall so notify the Borrower, the Agent and each of the other Lenders in writing, and such Purchasing Lender shall thereupon be obligated to purchase not later than five (5) Banking Days prior to the end of the then current Revolving Period, an amount equal to the Non-Agreeing Lender Commitment Amount multiplied by such Purchasing Lender's Rateable Portion of the Commitment Amount over the aggregate of all Purchasing Lender's Rateable Portion of the Commitment Amount, or as otherwise agreed to by the Borrower and all Purchasing Lenders. The Non-Agreeing Lenders, the Purchasing Lenders, the Agent, the Borrower and each of the other Lenders, if any, shall forthwith duly execute and deliver any necessary documentation to give effect to such purchase, whereupon each Non-Agreeing Lender shall, as of the effective date thereof, be released from its obligations to the Borrower hereunder and under the other Documents arising subsequent to such date.

- (v) A Revolving Period may only be extended pursuant to this Section 3.2(b) if Revolving Lenders having, in the aggregate, Individual Commitment Amounts which are at least 66⅔% of the Commitment Amount agree to a Request for Offer of Extension, and if such Revolving Lenders do not agree to a Request for Offer of Extension, the undrawn portion of the Individual Commitment Amounts of all Revolving Lenders shall, effective at 5:00 p.m. (Toronto time) on the Term Date, be cancelled and all Revolving Lenders' Individual Commitment Amounts hereunder shall thereafter convert from an extendible revolving loan facility to a non-revolving term facility repayable on the Term Maturity Date.
- (vi) If, with respect to a Request for Offer of Extension, the provisions of Section 3.2(b)(ii), 3.2(b)(iii) or 3.2(b)(v) are not applicable, and there are Non-Agreeing Lenders under Section 3.2(b)(iv), then:
 - (A) the Revolving Period of all Revolving Lenders in respect of whom the Borrower has accepted the Offer of Extension made by them to extend the Revolving Period shall be extended for a period of up to one year, as specified in the Offer of Extension, from the date of acceptance by the Borrower of the offer made to it pursuant to Section 3.2(b)(iii) to extend the Revolving Period by the Agent on behalf of such Revolving Lenders;

- (B) the Revolving Period for all Non-Agreeing Lenders shall not be extended and all such Non-Agreeing Lender's Individual Commitment Amounts shall thereafter convert from an extendible revolving loan facility to a non-revolving term facility repayable on the Term Maturity Date of such Non-Agreeing Lender;
 - (C) any subsequent Drawdowns, Rollovers and Conversions under the Extendible Revolving Loan shall be allocated pro rata among the Revolving Lenders in accordance with their respective Individual Revolving Loan Commitment Amount; provided that, subject to the other provisions hereof, the Borrower shall be entitled to make Conversions and Rollovers in respect of Advances owing to a Non-Agreeing Lender and such Lender's Rateable Portion of each such Conversion and Rollover shall be the Principal Amount thereof;
 - (D) any cancellation or permanent reduction of the Revolving Loan Commitment Amount pursuant to Section 3.8 shall be allocated pro rata among the Revolving Lenders and the Non-Agreeing Lenders in accordance with their respective Individual Revolving Loan Commitment Amount; and
 - (E) if the Borrower makes an optional repayment under the Extendible Revolving Loan prior to the then latest Term Date other than pursuant to Section 3.8, such repayment shall be deemed to have been made to the Revolving Lenders only and shall not be applied in repayment of Advances owed to Non-Agreeing Lenders unless the Agent is expressly directed in writing by the Borrower at the time of payment to allocate such payment pro rata among the Revolving Lenders and the Non-Agreeing Lenders in accordance with their respective Individual Revolving Loan Commitment Amount.
- (vii) The Borrower understands that consideration of any Request for Offer of Extension constitutes an independent credit decision which each Revolving Lender retains the absolute and unfettered discretion to make, and that no commitment in this regard is given by any such Revolving Lender and that any extension of the Revolving Period may be on such terms and conditions in addition to those set out herein as the Revolving Lenders may stipulate and the Borrower may agree to.
 - (viii) If a Non-Agreeing Lender's Individual Commitment Amount is not purchased pursuant to Section 3.2(b)(iv), the Borrower may arrange for a replacement lender (a "**Replacement Lender**") (which may be one of the Revolving Lenders) to purchase the Non-Agreeing Lender's Individual Commitment Amount on the same basis and subject to the same requirements as specified in Section 3.2(b)(iv). Any such Replacement Lender shall require the approval of the Agent, such approval not to be

unreasonably withheld, and no later than two (2) Banking Days prior to the Term Date such Replacement Lender shall have purchased the Non-Agreeing Lender's Individual Commitment Amount by execution of all necessary documentation including, without limitation, execution and delivery of a Lender Assignment Agreement.

- (ix) Adjustment of Fees: If, on the Term Date of any Revolving Lender, any Advances are outstanding to such Revolving Lender by way of Bankers' Acceptances, Letters of Credit or SOFR Loans, then such Revolving Lender shall be entitled to receive the increased stamping fees in respect of any such Bankers' Acceptances in accordance with Section 3.11(a)(iii), the increased Letter of Credit Fee in accordance with Section 3.11(a)(v), and the increased interest in respect of any such SOFR Loans in accordance with Sections 3.11(a)(iv) and 7.2(d), in respect of such outstanding Advances calculated upon the revised Applicable Margin for the period from the Term Date to the maturity date of the Bankers' Acceptances, Letter of Credit or SOFR Loan, as the case may be. After the Term Date, the Agent shall calculate the adjusted stamping fees payable by the Borrower to such Revolving Lender in respect of such Advances by way of Bankers' Acceptances and such fees shall be payable not later than ten (10) days after receipt by the Borrower of written notice from the Agent as to such amounts. After the Term Date the adjusted interest in respect of such Advances by way of SOFR Loans shall be payable in accordance with Section 7.2(d). Any notice of the Agent setting forth the additional amounts payable shall be conclusive evidence thereof, absent manifest error. After the Term Date, the adjusted Letter of Credit Fee in respect of such Advances by way of Letters of Credit shall be payable not later than ten (10) days after receipt by the Borrower of written notice from the Operating Lender as to such amounts.
- (x) This Section 3.2 shall apply from time to time to permit successive extensions of the Revolving Period and the Term Date.

3.3 Maturity Date

Each Advance from a Lender under each Credit Facility will have a Maturity Date, which expires, on, or as provided herein, prior to, the Term Maturity Date for such Lender.

3.4 Repayments of Credit Facilities

- (a) During Revolving Period: During a Revolving Period, the Borrower may borrow, repay and re-borrow Advances from a Revolving Lender under such Revolving Lender's Individual Commitment Amount provided that, subject to Sections 3.2 and 5.7, (i) the Canadian Dollar Exchange Equivalent of the Aggregate Principal Amount of the Extendible Revolving Loan will at no time exceed the lesser of (A) the Borrowing Base minus the Operating Loan Commitment Amount, and (B) the Revolving Loan Commitment Amount, and (ii) the Canadian Dollar Exchange Equivalent of the Aggregate Principal Amount of the Operating Loan

will at no time exceed the lesser of (A) the Borrowing Base minus the Revolving Loan Commitment Amount; and (B) the Operating Loan Commitment Amount.

- (b) Reduction on Term Date: On the Term Date of each Revolving Lender, the unutilized portion of its Individual Commitment Amount shall be cancelled. On the Term Maturity Date applicable to such Revolving Lender, the Individual Commitment Amount of such Revolving Lender shall be reduced to zero and the Borrower shall repay the Aggregate Principal Amount and all other Obligations owed to such Revolving Lender under the terms of this Agreement and the other Documents. The Borrower shall ensure that all SOFR Loans and Bankers' Acceptances made by or accepted by such Revolving Lender mature on or prior to its Term Maturity Date and shall ensure that the maturities of all Bankers' Acceptances and all SOFR Loans are such that all Obligations owed to such Revolving Lender are paid in full on or prior to the Term Maturity Date.
- (c) Additional Repayment Terms:
 - (i) With respect to the funding of the repayment of unexpired Letters of Credit hereunder, it is agreed that the Borrower shall provide for the funding in full of the repayment of unexpired Letters of Credit by paying to and depositing with the Agent cash collateral for each such unexpired Letter of Credit equal to the maximum amount thereof, plus the fees payable pursuant to Sections 10.1(b) through to the expiry of such Letter of Credit, in each case, in the respective currency which the relevant Letter of Credit is denominated; such cash collateral deposited by the Borrower shall be held by the Agent in an interest bearing cash collateral account maintained by the Borrower with the Agent, with interest to be credited to the Borrower at rates prevailing at the time of deposit for similar accounts with the Agent. Such cash collateral accounts shall be assigned to the Agent as security for the obligations of the Borrower in relation to such Letters of Credit and the Borrower hereby grants to the Agent a fixed charge and specific security interest in such cash collateral and cash collateral accounts as security for such obligations; the Lien of the Agent thereby created in such cash collateral and cash collateral accounts shall rank in priority to all other Liens and adverse claims against such collateral. Such cash collateral shall be applied to satisfy the obligations of the Borrower for such Letters of Credit as payments are made thereunder and the Agent is hereby irrevocably directed by the Borrower to so apply any such cash collateral. Amounts held in such cash collateral accounts may not be withdrawn by the Borrower without the consent of the Operating Lender; however, interest on such deposited amounts shall be for the account of the Borrower and may be withdrawn by the Borrower so long as no Default or Event of Default is then continuing. If after expiry of the Letters of Credit for which such funds are held and application by the Agent of the amounts in such cash collateral accounts to satisfy the obligations of the Borrower hereunder with respect to the Letters of Credit being repaid, any excess remains, such excess shall be promptly paid by the Agent to the Borrower so long as no Default or Event of Default is then continuing.

- (ii) With respect to the repayment of unmatured Bankers' Acceptances hereunder, it is agreed that the Borrower shall provide for the funding in full of the unmatured Bankers' Acceptances to be repaid by paying to and depositing with the Agent cash collateral for each such unmatured Bankers' Acceptances equal to the face amount payable at maturity thereof; such cash collateral deposited by the Borrower shall be held by the Agent in an interest bearing cash collateral account maintained by the Borrower with the Agent with interest to be credited to the Borrower at rates prevailing at the time of deposit for similar accounts with the Agent. Such cash collateral accounts shall be assigned to the Agent as security for the obligations of the Borrower in relation to such Bankers' Acceptances, and the Borrower hereby grants to the Agent a fixed charge and specific security interest in such cash collateral and cash collateral accounts as security for such obligations; the Liens of the Agent thereby created in such cash collateral and cash collateral accounts shall rank in priority to all other Liens and adverse claims against such collateral. Such cash collateral shall be applied to satisfy the obligations of the Borrower for such Bankers' Acceptances as they mature and the Agent is hereby irrevocably directed by the Borrower to apply any such cash collateral to such maturing Bankers' Acceptances. Amounts held in such cash collateral accounts may not be withdrawn by the Borrower without the consent of: (x) the Syndicated Lenders, in respect of cash collateral provided in respect of Bankers' Acceptances issued under the Extendible Revolving Loan; or (y) the Operating Lender, in respect of cash collateral provided in respect of Bankers' Acceptances issued under the Operating Loan; however, interest on such deposited amounts shall be for the account of the Borrower and may be withdrawn by the Borrower so long as no Default or Event of Default is then continuing. If, after maturity of the Bankers' Acceptances for which such cash collateral is held and application by the Agent of the amounts in such cash collateral accounts to satisfy the obligations of the Borrower hereunder with respect to the Bankers' Acceptances being repaid, any excess remains, such excess shall be promptly paid by the Agent to the Borrower so long as no Default or Event of Default is then continuing.

3.5 Borrowing Base Shortfall

- (a) Borrowing Base Shortfall: If at any time there occurs a Borrowing Base Shortfall, the Agent may, at the direction of the Lenders, deliver to the Borrower a notice setting out the amount of the Borrowing Base Shortfall (the "**Shortfall Notice**"). Upon receipt of the Shortfall Notice, the Borrower will do one of the following or a combination thereof:
 - (i) reduce the Obligations under the Credit Facilities by the amount of the Borrowing Base Shortfall within sixty (60) days of receipt of the Shortfall Notice, with the proceeds of such reduction to be paid to the Lenders and the Operating Lender on a pro rata basis based on the Canadian Dollar

Exchange Equivalent of the Aggregate Principal Amount of each Credit Facility;

- (ii) eliminate the Borrowing Base Shortfall by providing in favour of the Agent for and on behalf of the Lenders, the Swap Lenders and the Cash Manager additional security, such security to be in form and substance acceptable to the Lenders, to be delivered by the Borrower to the Agent for and on behalf of the Lenders within sixty (60) days of receipt of the Shortfall Notice; or
- (iii) eliminate the Borrowing Base Shortfall within sixty (60) days of receipt of the Shortfall Notice by such other means as are acceptable to the Lenders, including adding additional P&NG Rights acceptable to the Lenders to the Borrowing Base Properties or by making a prepayment.

Notwithstanding the foregoing provisions of this Section 3.5(a), nothing herein contained will effect or modify the rights of the Lenders under the Documents or the obligations of the Borrower thereunder.

- (b) Effect of Borrowing Base Shortfall: If a Shortfall Notice is given, then unless and until the Borrowing Base Shortfall is eliminated as required by Section 3.5(a), the Borrower will:
 - (i) not request Advances under the Credit Facilities, except for the Rollover or Conversion of a then maturing Advance, provided the Maturity Date of such maturing Advances following their Conversion or Rollover, as the case may be, does not exceed the earlier of one month and the 60th day after the date the Shortfall Notice is given; and
 - (ii) not dispose or permit the disposition of any Borrowing Base Property, except pursuant to paragraphs (a), (b) and (c) of the definition of Permitted Dispositions, or as otherwise agreed to by all of the Lenders.

If the Borrowing Base Shortfall is eliminated, then the Borrower will no longer be subject to the restrictions and obligations imposed in this Section 3.5(b).

3.6 Payment on Term Maturity Date

The Aggregate Principal Amount of each Credit Facility, if any, remaining on the Term Maturity Date will be unconditionally and irrevocably paid by the Borrower in full, together with all accrued but unpaid interest thereon and all other Obligations owing to the Lenders, if any, on such date.

3.7 Payments to Agent

All payments of the Indebtedness and other Obligations of the Borrower under the Extendible Revolving Loan will be made by the Borrower to the Agent for the account of the Syndicated Lenders in accordance with each such Syndicated Lender's Rateable

Portions thereof. All payments of Indebtedness and other Obligations of the Borrower under the Operating Loan will be made by the Borrower to the Operating Lender.

3.8 General Right to Repay and Cancel

- (a) Subject to Section 9.6 and with the same notice required when the type of Advance to be repaid was made, the Borrower may at any time repay (in the case of the Extendible Revolving Loan, in minimum amounts of Cdn. \$5,000,000 or U.S. \$5,000,000, as applicable, and in multiples of Cdn. \$1,000,000 or U.S. \$1,000,000, as applicable, for any amount in excess thereof) without premium, bonus or penalty, any or all of the Aggregate Principal Amount under the Credit Facilities, except that (i) a Bankers' Acceptance under the Credit Facilities will not be paid prior to its Maturity Date, (ii) a SOFR Loan may not be paid prior to its Maturity Date except in accordance with Sections 8.2 and 11.2, and (iii) any Letter of Credit may only be prepaid if such Letter of Credit is returned to the Operating Lender for cancellation or if it collateralized in accordance with Section 5.8.
- (b) At any time during a Revolving Period, the Borrower may also, upon the Borrower giving the Agent not less than two (2) Banking Days prior written notice, cancel any undrawn portion of the Revolving Loan Commitment Amount in minimum amounts of Cdn. \$5,000,000, and in multiples of Cdn. \$1,000,000 for any amount in excess thereof, including any undrawn portion resulting from a prepayment. The Borrower may not cancel any undrawn portion of the Operating Loan Commitment Amount.
- (c) Any cancellation of the Revolving Loan Commitment Amount pursuant to this Section 3.8 shall reduce the Individual Revolving Loan Commitment Amount of each of the Syndicated Lenders *pro rata* in the same proportion that the amount of the reduction in the Revolving Loan Commitment Amount bears to the amount of the Revolving Loan Commitment Amount immediately prior to such cancellation.

3.9 Use of Proceeds

The Borrower will be entitled to use the proceeds of:

- (a) the Extendible Revolving Loan for general corporate purposes; and
- (b) the Operating Loan for working capital purposes;

provided that the Borrower shall not be entitled to use the proceeds of any Advance to finance a Hostile Acquisition unless consented to by all of the Lenders in writing.

3.10 Types of Accommodation

- (a) The Borrower may from time to time obtain under the Extendible Revolving Loan all or one or more of the following types of Accommodation:
 - (i) Canadian Dollar Advances. For Advances in Canadian Dollars:

- (A) Canadian Prime Rate Loans by way of direct Advances; and
- (B) Bankers' Acceptances.
- (ii) U.S. Dollar Advances. For Advances in U.S. Dollars:
 - (A) U.S. Base Rate Loans by way of direct Advances; and
 - (B) SOFR Loans.
- (b) The Borrower may from time to time obtain under the Operating Loan all or one or more of the following types of Accommodations:
 - (i) overdraft borrowing in Canadian Dollars or U.S. Dollars
 - (ii) Canadian Prime Rate Loans;
 - (iii) U.S. Base Rate Loans;
 - (iv) Bankers' Acceptances; and
 - (v) Letters of Credit with terms not exceeding one year.

3.11 Interest and Fees

- (a) Interest and Fees: Interest and fees payable by the Borrower will be paid as follows:
 - (i) each Canadian Prime Rate Loan will bear interest at a variable rate of interest per annum equal to the Canadian Prime Rate plus the Applicable Margin;
 - (ii) each U.S. Base Rate Loan will bear interest at a variable rate of interest per annum equal to the U.S. Base Rate plus the Applicable Margin;
 - (iii) for each Bankers' Acceptance, the stamping fee payable by the Borrower on the acceptance thereof by the Lenders shall be equal to the Applicable Margin calculated on the face amount of such Bankers' Acceptance and on the basis of the number of days in the term of such Bankers' Acceptance divided by three hundred sixty-five (365). All stamping fees payable pursuant to this Section 3.11(a)(iii) on any date in respect of any issuance of Bankers' Acceptances shall be calculated by the Agent and payable by the Borrower based on the Applicable Margin in effect on such date;
 - (iv) each SOFR Loan will bear interest at a rate per annum equal to Adjusted Term SOFR plus the Applicable Margin; and
 - (v) the Borrower will pay to the Operating Lender an issuance or renewal fee (the "**Letter of Credit Fee**") in respect of each Letter of Credit under the Operating Loan on the date of issuance or renewal thereof at a rate per

annum equal to the Applicable Margin and on the amount of each such Letter of Credit for the number of days which such Letter of Credit will be outstanding, subject to this Section 3.11, together with all other customary administrative charges in respect thereof; provided that such fee will be a minimum amount of \$350 (in the currency of the Letter of Credit) on each issuance or renewal.

- (b) **Payment Default:** Upon a default in the payment of interest or principal the Borrower shall pay to the Agent on behalf of each Lender, on demand, interest on all overdue payments in connection with this Agreement, at a rate per annum which is two per cent (2%) per annum in excess of (i) the Canadian Prime Rate plus the Applicable Margin (if any) with respect to all Advances denominated in Canadian Dollars and (ii) the U.S. Base Rate plus the Applicable Margin (if any) with respect to all Advances denominated in U.S. Dollars.
- (c) **Event of Default or Borrowing Base Shortfall:** Without duplication of interest on overdue amounts as provided in paragraph (b) above, the Applicable Margin applicable to Advances shall increase by 2.00% per annum (for certainty, in addition to any increase during the Term Period as provided for in the definition of Applicable Margin) during the continuance of any Borrowing Base Shortfall or Event of Default (however, provided that if a Borrowing Base Shortfall or Event of Default no longer exists and the Borrower has paid in advance the increased acceptance fees for the term to maturity of a Bankers' Acceptance, the applicable Lender will apply the amount of such increase for the remaining term to maturity of such Bankers' Acceptance against future Obligations owing to such Lender).
- (d) **Changes in Rates due to Change in Ratio:** For the purposes of this Agreement, the effective date on which any change in interest rates, stamping fees, Letter of Credit Fees or standby fees occurs will be the first day of the third month following the end of each Fiscal Quarter in respect of which a Compliance Certificate is delivered pursuant to Section 14.3(a) which evidences a change in the Consolidated Debt to EBITDA Ratio; provided that the effective date shall be the first day of the fifth month following the end of each Fiscal Year in respect of which a Compliance Certificate is delivered pursuant to Section 14.3(a) which evidences a change in the Consolidated Debt to EBITDA Ratio. If the Borrower fails to deliver a Compliance Certificate in accordance with Section 14.3(a), then the Applicable Margin shall be deemed to be at Level XI in the pricing table in the definition of Applicable Margin until such time as the applicable Compliance Certificate is delivered (and notwithstanding the Default which arises from such failure to so deliver such Compliance Certificate). Any increase or decrease in (i) the interest rates on SOFR Loans outstanding on the effective date of a change in the Consolidated Debt to EBITDA Ratio will apply proportionately to each such SOFR Loan outstanding on the basis of the number of days remaining in the term to maturity thereof, (ii) the stamping fees on Bankers' Acceptances outstanding on the effective date of a change in the Consolidated Debt to EBITDA Ratio will apply for new Bankers' Acceptances issued after such effective date or on any Rollover of an existing Bankers' Acceptance but otherwise the stamping fees on any Bankers' Acceptance

existing at such effective date will not change until the Maturity Date thereof, and (iii) the Letter of Credit Fees on Letters of Credit outstanding on the effective date of a change in the aforesaid rates will apply for new Letters of Credit issued or renewed after such effective date such that the Letter of Credit Fees on any such existing Letter of Credit will not change until the maturity or renewal thereof.

- (e) Restatement of Ratio: If the Borrower has delivered a Compliance Certificate that is subsequently found to be inaccurate in any way as a result of the Borrower's financial results having to be restated or if the Borrower's financial results were inaccurately reflected in the original financial results on which such Compliance Certificate was based or for any other reason and the result thereof is that the Consolidated Debt to EBITDA Ratio was originally different (and the corresponding Level in the pricing table in the definition of Applicable Margin was different) than it otherwise would have been in the absence of such inaccuracy or prior to such restatement, then (i) if the corresponding Level in the pricing table in the definition of Applicable Margin would have been higher than it was as previously reported, the Borrower will, immediately upon the correction of such inaccuracy or upon such restatement, pay to the Agent for the benefit of the applicable Lenders an amount equal to the interest, stamping fees, Letter of Credit Fees and standby fees that the Lenders should have received, but did not receive, over the applicable period had the Consolidated Debt to EBITDA Ratio, and the underlying components thereof, been reported correctly in the first instance, or (ii) if the corresponding Level in the pricing table in the definition of Applicable Margin would have been lower than it was as previously reported, the Borrower will be entitled to a credit equal to the additional interest, stamping fees, Letter of Credit Fees and standby fees that the Borrower paid over the applicable period had the Consolidated Debt to EBITDA Ratio, and the underlying components thereof, been reported correctly in the first instance.

3.12 Borrowing Base

- (a) Borrowing Base on Closing Date: The Borrowing Base as of the Closing Date is Cdn.\$110,000,000.
- (b) Setting of Borrowing Base: A determination of the Borrowing Base will occur by the Lenders semi-annually on or before May 31 and November 30 in each year the Credit Facilities remain available to the Borrower or any Indebtedness thereunder remains outstanding. At any time during the annual period between May 31 of each calendar year, but only once during any such annual period, at the option of the Majority Lenders, the Agent will, upon notice to the Borrower, redetermine the Borrowing Base in accordance with Section 3.12(c), which upon notice thereof to the Borrower, shall be in effect until any subsequent determination or redetermination of the Borrowing Base pursuant to this Agreement. However, the Lenders reserve the right to cause a redetermination of the Borrowing Base at any time during the Term Period. In addition, the Agent, at the direction of the Majority Lenders, reserves the right to cause a redetermination of the Borrowing Base at any time if (i) it becomes aware that, or has reasonable grounds to believe that, an

action, suit or other proceeding at law or before any court or administrative body is existing or pending or is threatened against the Borrower or any Material Subsidiary, (ii) any material Lien which would reasonably be expected to rank in priority to the Security has been registered against one or more of the properties of the Borrower or any Material Subsidiary, which in each such case could reasonably be expected to have a Material Adverse Effect, or (iii) the aggregate amount received by the Borrower and the Material Subsidiaries from all Hedge Monetizations effected since the last determination of the Borrowing Base, together with the aggregate fair market value of all sales or dispositions of Proved Producing Properties, Proved Non-Producing Properties, other P&NG Rights and related facilities and related tangibles made by the Borrower and the Material Subsidiaries in such period (for certainty, other than Permitted Dispositions described in clauses (a), (b), (c), (e), (f) and (g) of the definition thereof), exceeds the Threshold Amount. The next determination of the Borrowing Base shall occur on May 31, 2023.

- (c) Determination of Borrowing Base: The Borrowing Base will be determined by the Agent in accordance with its usual and customary practices for revolving loans of this nature, provided that, subject to Section 3.12(d) any increase, decrease or confirmation of the Borrowing Base will require the approval of all of the Lenders; also provided that each Lender, in making any such decision to provide any such approval, will act in accordance with its usual and customary practices for revolving loans of this nature. The Borrower will cooperate in all respects in providing the Agent, in a timely manner and for the benefit of the Agent and the Lenders, with such information as may be reasonably required by the Agent and the Lenders to assist each of them in determining the Borrowing Base within the applicable time period required hereunder. To assist the Agent and the Lenders in a determination of the Borrowing Base, the Borrower will, while any Credit Facility remains available to the Borrower, provide the Agent, for the benefit of the Lenders, with the following:
- (i) (A) prior to April 30 of each calendar Year, an independent economic and reserve evaluation report covering the then applicable Borrowing Base Properties prepared by an engineering firm acceptable to the Lenders, acting reasonably, with an effective date no earlier than December 31 of the immediately preceding calendar Year and (B) prior to October 31 of each calendar Year, an internally prepared economic and reserve evaluation report with an effective date of not earlier than July 31 of such calendar Year covering all of the then current Borrowing Base Properties together with lease operating statements, net revenue statements and any other information reasonably required by the Lenders;
 - (ii) prior to April 30 of each calendar Year, an operating and capital expenditure budget approved by the Borrower's Directors and by the Borrower's Directors for the then current Fiscal Year with respect to the Borrower, including any revisions thereto; and

- (iii) such other information available to the Borrower as the Lenders may request from time to time, acting reasonably.
- (d)
 - (i) Notification of Borrowing Base: If all of the Lenders agree to the amount of the Borrowing Base, on or prior to the applicable Borrowing Base Date, then the Agent shall deliver a Borrowing Base Certificate to the Borrower specifying the Borrowing Base.
 - (ii) Lowest Borrowing Base Lender: If all of the Lenders cannot agree on the amount of the Borrowing Base prior to the applicable Borrowing Base Date, then the Borrowing Base shall be deemed to have been determined by the Lenders as the lowest Borrowing Base amount proposed by a Lender or Lenders (each such Lender, a "**Lowest Borrowing Base Lender**") to the Agent and other Lenders by written notice prior to the applicable Borrowing Base Date, and, promptly after the applicable Borrowing Base Date, the Agent shall deliver a Borrowing Base Certificate to the Borrower specifying the Borrowing Base.
 - (iii) Borrowing Base in Effect: A Borrowing Base determination will remain in effect until the next redetermination is made as required or permitted herein.
 - (iv) Removal of Lowest Borrowing Base Lender: If the Borrowing Base has been determined pursuant to Section 3.12(d)(ii), the Borrower shall have the right to require any Lowest Borrowing Base Lender to assign its Individual Commitment Amount, its Rateable Portion of all Credit Facilities and other obligations and all of its rights, benefits and interests under the Documents to other Lenders which have agreed to increase their Individual Commitment Amounts or to other financial institutions acceptable to the Agent, acting reasonably.
- (e) Independent Reserve Report: The Lenders will have the right, not more than once per Year during a Revolving Period and provided that the Lenders believe there has been a material adverse change in the Borrowing Base Properties (other than by reason of a decline in commodity prices) or at any time during the Term Period, in each case acting reasonably, to request that an independent economic and reserve evaluation report covering the Borrowing Base Properties be provided by the Borrower at the Borrower's expense.
- (f) Borrower May Request Redetermination: The Borrower may at any time request a redetermination of the Borrowing Base. Upon such request, the Borrowing Base will be redetermined as soon as reasonably practicable, provided that the Borrower has made available to the Agent, for the benefit of the Lenders, the current information which, in the opinion of the Lenders, acting reasonably, is required to perform such redetermination. The Borrowing Base will be adjusted effective on the date specified in the notice of same given by the Agent to the Borrower. In connection with such redetermination, the Agent on behalf of the Lenders will be entitled to charge the Borrower a reasonable "work fee" to be agreed upon between the Borrower and the Agent.

- (g) Meeting with Lenders: The Borrower will meet annually with the Lenders at a time and place mutually acceptable to the Borrower and the Lenders to review and discuss the production profile of the Borrowing Base Properties, and such other matters affecting the Borrower's business as the Lenders may request, acting reasonably.
- (h) Notwithstanding anything to the contrary herein or in any other Document, and notwithstanding the determination of the Borrowing Base from time to time pursuant to this Section 3.12, the Commitment Amount shall not exceed Cdn.\$110,000,000 without: (i) the prior written consent of all of the Lenders; and (ii) the Agent having received evidence, in form and substance satisfactory to the Agent, of the written consent of the SAF Agent and SAF Lenders thereto, to the extent required under the Intercreditor Agreement (including to increase the First Lien Cap Amount (under and as defined in the Intercreditor Agreement)) and under the SAF Credit Agreement.

ARTICLE 4 **SECURITY**

4.1 Security

The Obligations, Swap Obligations and Cash Management Obligations will be secured by the following (collectively, the "**Security**"):

- (a) a demand debenture initially in the amount of Cdn. \$750,000,000 from the Borrower and each Material Subsidiary (the demand debentures to be substantially in the form of Schedule F), to be registered in all appropriate jurisdictions;
- (b) a general security agreement substantially in the form of Schedule G from the Borrower and each Material Subsidiary providing for a first priority security interest (subject only to Permitted Encumbrances) in all of such Person's present and after-acquired personal property, to be registered in all appropriate jurisdictions;
- (c) a guarantee, substantially in the form of Schedule H, from each Material Subsidiary in favour of the Agent for its own benefit and on behalf of the Lenders, the Swap Lenders and the Cash Manager with respect to the Borrower's and each Subsidiaries' obligations to the Agent, the Lenders, the Swap Lenders and the Cash Manager, under the Documents, the Swap Documents and the Cash Management Documents;
- (d) prior to, or concurrently with, any Subsidiary incurring Swap Obligations or Cash Management Obligations, a guarantee, substantially in the form of Schedule H, from the Borrower in favour of the Agent for its own benefit and on behalf of the Lenders, the Swap Lenders and the Cash Manager with respect to its Subsidiaries' obligations to the Agent, the Lenders, the Swap Lenders and the Cash Manager, under the Documents, the Swap Documents and the Cash Management Documents; and

- (e) when requested by the Agent in accordance with Section 4.6, such documents and instruments providing a fixed Lien in accordance with Section 4.6.

4.2 Sharing of Security

The Borrower and the Lenders agree and acknowledge that the Security is being shared equally among the Lenders, the Swap Lenders and the Cash Manager to secure the Obligations, Swap Obligations and Cash Management Obligations on a *pari passu* basis; and that the Agent will hold the Security for the benefit of the Lenders with respect to all Obligations, the Swap Lenders with respect to all Swap Obligations and the Cash Manager with respect to all Cash Management Obligations. For purposes of the above sentence, "*pari passu*" basis means, at any date of determination, the proportion that the Exchange Equivalent in Canadian Dollars of the amount of the Obligations, Cash Management Obligations and Swap Obligations of any Lender (including, for certainty, as a Cash Manager) and Swap Lender bears to the aggregate of the Exchange Equivalent in Canadian Dollars of the Obligations, Cash Management Obligations and Swap Obligations of all Lenders and Swap Lenders.

If requested by the Lenders, any Swap Lender or the Cash Manager, the Lenders, the Swap Lenders and the Cash Manager will enter into such further agreements and assurances as may be reasonably requested to further evidence the provisions of this Section 4.2.

4.3 Exclusivity of Remedies

Nothing herein contained or in the Security now held or hereafter acquired by the Agent and the Lenders, nor any act or omission of the Agent and the Lenders with respect to any such Security, will in any way prejudice or affect the rights, remedies or powers of the Agent and the Lenders with respect to any other security at any time held by the Agent and the Lenders.

4.4 Form of Security

The Security will be in such form or forms as will be required by the Agent, acting reasonably, and will be registered in such offices in Canada or any province thereof or any other jurisdiction as the Agent may from time to time reasonably require to protect the Liens created thereby. Should the Agent determine at any time and from time to time that the form and nature of the then existing Security is deficient in any way or does not fully provide the Agent and the Lenders with the Liens and priority to which each is entitled hereunder, the Borrower will forthwith execute and deliver or cause to be executed and delivered to the Agent, at the Borrower's expense, such amendments to the Security or provide such new security as the Agent may reasonably request.

4.5 After-Acquired Property

All property acquired by or on behalf of the Borrower or any Material Subsidiary after the date of execution of the Security which forms part of the property of the Borrower or such Material Subsidiary (hereafter collectively referred to as "**After-Acquired Property**"), will be subject to the Security without any further conveyance, mortgage, pledge, charge,

assignment or other act on the part of the Parties. Without limiting the effect of the preceding sentence, the Borrower and each of the Material Subsidiaries will from time to time execute and deliver, and the Agent will register, all at the Borrower's expense, such instruments supplemental to the Security, in form and substance satisfactory to the Agent, acting reasonably, as may be necessary or desirable to ensure that the Security, as amended and supplemented, constitutes in favour of the Agent, the Lenders, the Swap Lenders and the Cash Manager an effective Lien to the extent created by the Security over such After-Acquired Property as required hereunder, subject only to Permitted Encumbrances which under applicable Law rank in priority thereto.

4.6 Undertaking to Grant Fixed Charge Security

The Borrower or any Material Subsidiary, at the request of the Agent on the direction of the Majority Lenders, in their sole discretion, will forthwith grant or cause to be granted to the Agent for the benefit of the Agent, the Lenders, the Swap Lenders and the Cash Manager, a fixed Lien (subject only to Permitted Encumbrances) in such of the Borrower's or such Material Subsidiary's property as the Agent will, in its sole discretion, determine as security for all then present and future Obligations, Swap Obligations and Cash Management Obligations. In this regard, the Borrower and the Material Subsidiaries will:

- (a) provide the Agent with such information as is reasonably required by the Agent to identify the property to be charged pursuant to this Section 4.6 within 10 days of receipt of a request from the Agent to receive such information;
- (b) do all such things as are reasonably required to grant, or cause any such Material Subsidiary to grant, in favour of the Agent, the Lenders, the Swap Lenders and the Cash Manager, a fixed Lien (subject only to Permitted Encumbrances) in respect of such property to be so charged pursuant to this Section 4.6;
- (c) provide the Agent with all corporate, partnership or trust resolutions and other action, as reasonably required, for the Borrower or any Material Subsidiary to grant the fixed Lien (subject only to Permitted Encumbrances) in the property identified by the Agent to be so charged;
- (d) provide the Agent with such security instruments and other documents which the Agent, acting reasonably, deems are necessary to give full force and effect to the provisions of this Section 4.6;
- (e) assist the Agent in the registration or recording of such agreements and instruments in such public registry offices in Canada or any province thereof or any other jurisdiction as the Agent, acting reasonably, deems necessary to give full force and effect to the provisions of this Section 4.6; and
- (f) pay all reasonable costs and expenses incurred by the Agent in connection with the preparation, execution and registration of all agreements, documents and instruments, including any amendments to the Security, made in connection with this Section 4.6.

4.7 Discharge of Security

The Agent and the Lenders will discharge the Security at the Borrower's expense forthwith after all Obligations, Swap Obligations and Cash Management Obligations have been unconditionally and irrevocably paid or satisfied in full and the Lenders have no further obligations to make Advances to the Borrower hereunder, other than to the extent that such Security applies to a Permitted Disposition to a Person other than the Borrower or a Material Subsidiary (in which case the Security shall, without further action, cease to apply to the subject matter thereof for the benefit of the Agent and the Lenders).

4.8 Lender Swaps

- (a) Swaps: Subject to the terms and conditions hereof (and specifically Sections 14.2(c), (d), (e) and (f)), each of the Lenders (or an Affiliate of such Lender) may from time to time enter into Hedging Agreements with the Borrower during the term of this Agreement. Prior to engaging in any Hedging Agreements with a Swap Lender, the Borrower shall enter into an ISDA Master Agreement with the applicable Swap Lender, the terms of which will be not inconsistent with this Agreement and will provide for cross default hereto.
- (b) Secured Obligations: The parties agree that all Swap Obligations incurred by the Borrower shall be secured by the Security on a *pari passu* basis and shall rank *pari passu* with the Obligations and Cash Management Obligations.
- (c) Security for Former Lenders: If a Lender ceases to be a Lender under this Agreement (a "**Former Lender**"), all Swap Obligations owing to such Former Lender and its Affiliates under Swap Documents entered into while such Former Lender was a Lender shall remain secured by the Security (equally and rateably) to the extent that such Swap Obligations were secured by the Security prior to such Lender becoming a Former Lender and, subject to the provisions of this Section 4.8(c) and unless the context otherwise requires, all references herein or in any other Document to "Swap Obligations" shall include such obligations to a Former Lender and its Affiliates, all references herein or in any other Document to "Swap Lenders" shall include Former Lenders and their Affiliates for the purposes of such obligations, and all references herein or in any other Document to "Swap Documents" shall include such Swap Documents with a Former Lender and its Affiliates. For certainty, any Swap Obligations under Swap Documents entered into with a Former Lender or an Affiliate thereof after the Former Lender has ceased to be a Lender shall not be secured by the Security.

ARTICLE 5 **FUNDING AND OTHER MECHANICS**

5.1 Funding of Accommodations

Subject to Section 5.2 and Article 9, all Advances requested by the Borrower will be made available by deposit of the applicable funds (which in the case of Bankers' Acceptances

will be the Net Proceeds) into the appropriate Borrower's Account for value on the Banking Day on which the Advance is to take place.

5.2 Notice Provisions

Drawdowns under the Credit Facilities will be made available to the Borrower and the Borrower will be entitled to effect a Rollover or Conversion where permitted hereunder, provided a Notice of Borrowing or Notice of Rollover or Notice of Conversion, as applicable, is received from the Borrower by the Agent as follows:

- (a) with respect to Advances under the Operating Loan, other than by way of overdraft borrowings (where no notice is required) or Letters of Credit, provided notice is received by the Agent no later than 12:00 noon (Toronto time) on the same Banking Day as the requested Drawdown Date or the date of Rollover or Conversion, as applicable;
- (b) with respect to Advances under the Operating Loan by way of Letters of Credit, at least three (3) Banking Days prior to such Advance, provided notice is received by the Agent no later than 12:00 noon (Toronto time) on the third (3rd) Banking Day immediately preceding the Drawdown Date or the date of Rollover, as applicable;
- (c) with respect to Advances under the Extendible Revolving Loan, other than by way of SOFR Loans, of up to and including \$10,000,000 in the applicable currency, at least one (1) Banking Day prior to such Advance, provided notice is received by the Agent no later than 12:00 noon (Toronto time) on the Banking Day immediately preceding the requested Drawdown Date or the date of Rollover or Conversion, as applicable;
- (d) with respect to Advances under the Extendible Revolving Loan, other than by way of SOFR Loans, in excess of \$10,000,000 in the applicable currency, at least two (2) Banking Days prior to such Advance, provided notice is received by the Agent no later than 12:00 noon (Toronto time) on the second (2nd) Banking Day immediately preceding the Drawdown Date or the date of Rollover or Conversion, as applicable; and
- (e) with respect to a Drawdown, Rollover or Conversion of or into a SOFR Loan under the Extendible Revolving Loan, at least three (3) Banking Days prior to such Advance, provided notice is received by the Agent no later than 12:00 noon (Toronto time) on the third (3rd) Banking Day immediately preceding the Drawdown Date or the date of Rollover or Conversion, as applicable.

Any of the notices referred to in the foregoing paragraphs of this Section 5.2 may, subject to Section 20.2, be given by the Borrower, at its sole risk, to the Agent by telephone and in such case will be followed by the Borrower delivering to the Agent on the same day the written notice required hereunder confirming such instructions.

5.3 Irrevocability

A Notice of Borrowing, Notice of Rollover or Notice of Conversion when given by the Borrower will be irrevocable and will oblige the Borrower, the Agent and the Lenders to take the action contemplated herein and therein on the date specified therein, provided that, any such notice will not be binding on the Lender who makes a determination under Section 11.2.

5.4 Rollover or Conversion of Accommodations

- (a) Subject to Section 5.2, Article 8 and Article 9, the Borrower will be entitled to effect a Rollover of one type of Accommodation into the same type of Accommodation or to effect a Conversion of one type of Accommodation (other than Letters of Credit) into another type of Accommodation under the same Credit Facility on the terms herein provided.
- (b) If the Borrower fails to give the Agent a duly completed Notice of Rollover or Notice of Conversion if and as required by Section 5.2, or if in giving such notice the Borrower fails to provide for the Rollover or Conversion of all of the Advances then maturing, the Borrower will be deemed to have irrevocably elected for the Conversion of such maturing Advances, or that part of such maturing Advances which the Borrower has failed to provide for in such notice, as the case may be, into a Canadian Prime Rate Loan with respect to a Canadian Dollar Advance or a U.S. Base Rate Loan with respect to a U.S. Dollar Advance, in each case, under the same Credit Facility under which the maturing Advance was made.
- (c) No Conversion of a Bankers' Acceptance will be made prior to its Maturity Date.

5.5 Agent's Obligations

Upon receipt of a Notice of Borrowing, Notice of Rollover or Notice of Conversion with respect to a proposed Advance (other than by way of Bankers' Acceptances), the Agent will forthwith notify the Lenders of the proposed date on which such Advance is to take place, of each Lender's Rateable Portion of such Advance and, if applicable, of the account of the Agent to which each Lender's Rateable Portion thereof is to be credited.

5.6 Lenders' Obligations

Each Lender will, prior to 12:00 noon (Toronto time) on the proposed date on which an Advance is to take place (other than by way of Bankers' Acceptances), credit the account of the Agent specified in the Agent's notice given pursuant to Section 5.5 with such Lender's Rateable Portion of such Advance, and by 1:00 p.m. (Toronto time) on the same date, the Agent will make available to the Borrower the amount so credited.

5.7 Exchange Rate Fluctuations

- (a) Subject to Sections 5.7(b) and 5.8, if as a result of currency fluctuations the Canadian Dollar Exchange Equivalent of the Aggregate Principal Amount owing

to the Lenders under a Credit Facility exceeds the Commitment Amount under such Credit Facility, (in each case, the "**Excess**"), the Borrower will forthwith pay the Excess to the Agent as a Principal Repayment for the benefit of the Lenders.

- (b) If the Excess represents an amount, which is less than 3% of the then current Revolving Loan Commitment Amount or Operating Loan Commitment Amount, as applicable, then the Borrower will only be required to repay the Excess within five (5) days of the Excess arising.

5.8 Excess Relating to SOFR, Letters of Credit and Bankers' Acceptances

If to pay an Excess it is necessary to repay an Advance made by way of Bankers' Acceptance, Letter of Credit or a SOFR Loan, prior to the Maturity Date thereof, the Borrower will not be required to repay such Advances until the Maturity Date applicable thereto, provided, however, that at the request of the Agent, the Borrower will forthwith pay the Excess to the Agent, for deposit into a cash collateral account established by and in the name of the Borrower with the Agent for the benefit of the Agent and the Lenders and the Parties agree to enter into a cash collateral agreement reasonably requested by the Agent to evidence such arrangement. The Excess will be held by the Borrower in the foregoing cash collateral account for set-off against future Obligations owing by the Borrower to the Lenders in respect of such Excess, if any, and, pending such application, such amounts will bear interest for the Borrower's account at the rate payable by the Agent in respect of deposits of similar amounts and for similar periods of time. The Agent shall have exclusive control and a first priority security interest over all amounts at any time on deposit in such cash collateral account. The deposit of the Excess by the Borrower in the cash collateral account as herein provided, will not operate as a repayment of the Aggregate Principal Amount until such time as the Excess is actually paid to the Lenders as a Principal Repayment.

ARTICLE 6 **DRAWDOWN UNDER THE CREDIT FACILITIES**

6.1 Conditions Precedent to Drawdown

The Lenders' obligation to provide Advances will be subject to the following conditions precedent being met, unless waived in writing by the Lenders:

- (a) upon or prior to the date hereof, the Borrower will have complied, or caused to be complied, with the deliveries required under Section 2.1;
- (b) on each Drawdown Date, date of Conversion and date of Rollover, no Default or Event of Default shall have occurred and be continuing as of the date of such Advance or would be expected to result therefrom;
- (c) on each Drawdown Date, the representations and warranties contained in Section 13.1 are true and correct;

- (d) the appropriate Notice of Borrowing, Notice of Rollover or Notice of Conversion will have been delivered in accordance with the notice provisions provided in Section 5.2;
- (e) in the case of any Advances by way of a Drawdown, no Default, Event of Default or Borrowing Base Shortfall will have occurred and be continuing as of the date of such Advance or would be expected to result therefrom; and
- (f) after giving effect to such Advance and the application of proceeds thereof, the Borrower would not be required to repay any Advance pursuant to Section 14.1(z).

ARTICLE 7

CALCULATION OF INTEREST AND FEES

7.1 Records

The Agent will maintain records, in written or electronic form, evidencing all Advances and all other Indebtedness owing by the Borrower to the Agent and each Lender under this Agreement. The Agent will enter in such records details of all amounts from time to time owing, paid or prepaid by the Borrower to it hereunder. In addition, each Lender will maintain records, in written or electronic form, evidencing all Advances and other Obligations owing by the Borrower to such Lender. The information entered in such records will constitute prima facie evidence of the Indebtedness of the Borrower to the Agent and each Lender under the Credit Facilities. In the event of a conflict between the records of the Agent and a Lender maintained pursuant to this Section 7.1, the records of the Agent shall prevail, absent manifest error.

7.2 Payment of Interest and Fees

- (a) Interest: Except as expressly stated otherwise herein, all Canadian Prime Rate Loans, U.S. Base Rate Loans and SOFR Loans from time to time outstanding will bear interest, as well after as before maturity, default and judgment, with interest on overdue interest, at the applicable rates as prescribed under Section 3.11. Interest payable at a variable rate will be adjusted automatically without notice to the Borrower whenever there is a variation in such rate.
- (b) Calculation of Interest and Fees: Interest on Canadian Prime Rate Loans and U.S. Base Rate Loans will accrue and be calculated but not compounded daily and be payable monthly in arrears on the first (1st) Banking Day of each month for the immediately preceding month, or, after notice to the Borrower, on such other Banking Day as is customary for the Agent having regard to its then existing practice. Interest on Canadian Prime Rate Loans, U.S. Base Rate Loans, stamping fees on Bankers' Acceptances and Letter of Credit Fees will be calculated on the basis of a 365-day Year.
- (c) *Interest Act* (Canada): For the purposes of the *Interest Act* (Canada) and any other applicable Laws which may hereafter regulate the calculation or computation of interest on borrowed funds, the annual rates of interest and fees applicable to

Canadian Prime Rate Loans, U.S. Base Rate Loans and Bankers' Acceptances, respectively, are the rates as determined hereunder multiplied by the actual number of days in a period of one Year commencing on the first day of the period for which such interest or stamping fee is payable and divided by 365.

- (d) SOFR Loans: Interest on SOFR Loans will accrue and be calculated but not compounded daily and be payable at the end of each applicable Interest Period, provided that, where the Interest Period exceeds 3 months, interest will be calculated and payable every 3 months during the term of the Interest Period and on the last day of the applicable Interest Period. Interest on SOFR Loans will be calculated on the basis of the actual number of days in each Interest Period divided by 360. A change in the Applicable Margin in respect of the SOFR Loan will simultaneously cause a corresponding change in the interest payable for the portion of the Interest Period for such SOFR Loan remaining at the time of the change in the Applicable Margin. For the purposes of the *Interest Act* (Canada) and any other applicable Laws, the annual rates of interest applicable to SOFR Loans are the rates as determined hereunder multiplied by the actual number of days in a period of one Year commencing on the first day of the period for which such interest is payable and divided by 360.

7.3 Payment of Stamping Fee

The Borrower will pay to the Agent for the account of the Lenders the applicable stamping fee under Section 3.11(a) with respect to Bankers' Acceptances on the date of acceptance thereof by the Lenders and when required as a result of a change in the Applicable Margin. Payment of the stamping fee may be made by way of set-off as provided in Section 9.5.

7.4 Calculation and Payment of Issuance Fees

Letter of Credit Fees will be calculated on the basis of a 365 day year and for such period of time as the applicable Letter of Credit remains outstanding. The Letter of Credit Fees will be payable upon the issuance or renewal of the applicable Letter of Credit. Notwithstanding the foregoing, the minimum Letter of Credit Fee shall be not less than the minimum flat rate issuance fee set by the Operating Lender from time to time in accordance with its customary practice for letters of credit issued on behalf of comparable borrowers and, if the minimum issuance fee applies, the Letter of Credit Fee shall be payable in advance at the time of issuance of the applicable Letter of Credit.

7.5 Payments Clear of Taxes; FATCA

- (a) Subject to Section 7.5(b), any and all payments by the Borrower to the Agent or the Lenders on account of any obligation of the Borrower shall be made free and clear of, and without deduction or withholding for or on account of, any and all Indemnified Taxes and all liabilities with respect thereto imposed, levied, collected, withheld or assessed by any Administrative Body or under the laws of any international tax authority imposed on the Agent or the Lenders, or by or on behalf of the foregoing (and, for greater certainty, nothing in this Section 7.5(a) shall make the Borrower liable for any Excluded Taxes). In addition, the Borrower agrees to

pay any Indemnified Taxes which arise from any payment made under this Agreement or the Advances or in respect of the execution, delivery or registration or the compliance with this Agreement or the other Documents contemplated hereunder. The Borrower shall indemnify and hold harmless the Agent and the Lenders for the full amount of all of the foregoing Taxes or other amounts paid or payable by the Agent or the Lenders and any liability (including penalties, interest, additions to tax and reasonable out-of-pocket expenses) resulting therefrom or with respect thereto.

- (b) If the Borrower shall be required by law to deduct or withhold any Indemnified Taxes from any payment or other amount required to be paid to the Agent or the Lenders hereunder, or if any liability therefor shall be imposed or shall arise from or in respect of any sum payable hereunder, then the sum payable to the Agent or the Lenders hereunder shall be increased as may be necessary so that after making all required deductions, withholdings, and additional Indemnified Taxes payments attributable thereto (including deductions, withholdings or income tax payable for additional sums payable under this provision) the Agent or the Lenders, as the case may be, receive an amount equal to the amount they would have received had no such deductions or withholdings been made or if such additional taxes had not been imposed; in addition, the Borrower shall pay the full amount deducted or withheld for such liabilities to the relevant taxation authority or other authority in accordance with applicable Law, such payment to be made (if the liability is imposed on the Borrower) for its own account or (if the liability is imposed on the Agent or the Lenders) on behalf of and in the name of the Agent or the Lenders, as the case may be. If the liability is imposed on the Agent or the Lenders, the Borrower shall deliver to the Agent or the relevant Lenders evidence satisfactory to the Agent or the Lenders, acting reasonably, of the payment to the relevant taxation authority or other authority of the full amount deducted or withheld.
- (c) If a payment made to a Lender under any Document would be subject to U.S. federal withholding Tax imposed by FATCA if such Lender were to fail to comply with the applicable reporting requirements of FATCA (including those contained in Section 1471(b) or 1472(b) of the Code, as applicable, or the *Income Tax Act* (Canada)), such Lender shall deliver to the Borrower and/or the Agent (as applicable) at the time or times prescribed by applicable Laws and at such time or times reasonably requested by the Borrower or the Agent such documentation prescribed by applicable Laws (including as prescribed by Section 1471(b)(3)(C)(i) of the Code) and such additional documentation reasonably requested by the Borrower or the Agent as may be necessary for the Borrower and the Agent to comply with their obligations under FATCA and to determine that such Lender has complied with such Lender's obligations under FATCA or the *Income Tax Act* (Canada) or to determine the amount to deduct and withhold from such payment. Solely for purposes of this Section 7.5(c), "FATCA" shall include any amendments made to FATCA after the date of this Agreement.
- (d) Each Lender agrees that if any form or certification it previously delivered expires or becomes obsolete or inaccurate in any respect, it shall update such form or

certification or promptly notify the Borrower and/or the Agent (as applicable) in writing of its legal inability to do so.

- (e) Each party's obligations under this Section 7.5 shall survive the resignation or replacement of the Agent or any assignment of rights by, or the replacement of, a Lender, the termination of the Credit Facilities and the repayment, satisfaction or discharge of all Obligations.

7.6 Application of Payments

Except as otherwise agreed in writing by all of the Lenders, if any Event of Default shall occur and be continuing, all payments made by the Borrower to the Agent and the Lenders shall be applied in the following order:

- (a) to amounts due hereunder as fees other than stamping fees for Bankers' Acceptances or Letter of Credit Fees;
- (b) to amounts due hereunder as costs and expenses;
- (c) to amounts due hereunder as default interest;
- (d) to amounts due hereunder as interest or stamping fees for Bankers' Acceptances or Letter of Credit Fees; and
- (e) to amounts due hereunder as principal (including reimbursement obligations in respect of Bankers' Acceptances and Letters of Credit).

7.7 Debit Authorization

The Borrower authorizes and directs the Agent and the Operating Lender, in their discretion, to automatically debit, by mechanical, electronic or manual means, the bank accounts of the Borrower maintained by it for amounts that are due and payable under this Agreement.

7.8 Conversion to Another Currency

If the Borrower wishes to convert any part of an outstanding Advance from one currency to another currency, the Borrower will, subject to Sections 3.8, 5.4(c) and 8.2, repay to the Agent for the benefit of the Lenders the amount of such Advance in the initial currency and then re-borrow the applicable amount in the second currency provided that the Agent has received a Notice of Borrowing in accordance with Section 5.2.

7.9 Maximum Rate of Return

Notwithstanding any provision herein to the contrary, in no event will the aggregate "interest" (as defined in section 347 of the *Criminal Code* (Canada)) payable under this Agreement exceed the maximum effective annual rate of interest on the "credit advanced" (as defined in that section 347) permitted under that section and, if any payment, collection or demand pursuant to this Agreement in respect of "interest" (as defined in that section

347) is determined to be contrary to the provisions of that section 347, such payment, collection or demand will be deemed to have been made by mutual mistake of the Borrower and the applicable Lenders and the amount of such payment or collection will be refunded to the Borrower. For purposes of this Agreement, the effective annual rate of interest will be determined in accordance with generally accepted actuarial practices and principles over the term of the Credit Facilities on the basis of annual compounding of the lawfully permitted rate of interest and, in the event of dispute, a certificate of a Fellow of the Canadian Institute of Actuaries appointed by the Agent will be prima facie evidence, for the purposes of such determination.

7.10 Waiver of Judgment Interest Act (Alberta)

To the extent permitted by applicable Law, the provisions of the *Judgment Interest Act* (Alberta) will not apply to the Documents and are hereby expressly waived by the Borrower.

7.11 Deemed Reinvestment Not Applicable

For the purposes of the *Interest Act* (Canada), the principle of deemed reinvestment of interest will not apply to any interest calculation under the Documents, and the rates of interest stipulated in this Agreement are intended to be nominal rates and not effective rates or yields.

7.12 Interest Act (Canada)

- (a) **THE BORROWER ACKNOWLEDGES AND CONFIRMS THAT: (A) THIS AGREEMENT, INCLUDING SECTION 3.11 AND ARTICLE 7 HEREOF AND THE CONSTITUENT DEFINITIONS HEREIN AND UNDER THE OTHER DOCUMENTS RELATING TO INTEREST AND OTHER AMOUNTS PAYABLE HEREUNDER AND THEREUNDER, SATISFIES THE REQUIREMENTS OF SECTION 4 OF THE INTEREST ACT (CANADA) TO THE EXTENT THAT SUCH SECTION 4 OF THE INTEREST ACT (CANADA) APPLIES TO THE EXPRESSION, STATEMENT OR CALCULATION OF ANY RATE OF INTEREST OR OTHER RATE PER ANNUM HEREUNDER OR UNDER ANY OTHER DOCUMENT; AND (B) THE BORROWER AND THE BORROWER'S SUBSIDIARIES ARE EACH ABLE TO CALCULATE THE YEARLY RATE OR PERCENTAGE OF INTEREST PAYABLE UNDER ANY DOCUMENT BASED ON THE METHODOLOGY SET OUT HEREIN AND UNDER THE OTHER DOCUMENTS, INCLUDING SECTION 3.11 AND ARTICLE 7 HEREOF AND THE CONSTITUENT DEFINITIONS HEREIN AND UNDER THE OTHER DOCUMENTS RELATING TO INTEREST AND OTHER AMOUNTS PAYABLE HEREUNDER AND THEREUNDER.**
- (b) **THE BORROWER HEREBY IRREVOCABLY AGREES NOT TO, AND AGREES TO CAUSE EACH OF ITS SUBSIDIARIES NOT TO, PLEAD OR ASSERT, WHETHER BY WAY OF DEFENCE OR OTHERWISE, IN ANY PROCEEDING RELATING TO THE DOCUMENTS, THAT THE**

INTEREST PAYABLE UNDER THE DOCUMENTS AND THE CALCULATION THEREOF HAS NOT BEEN ADEQUATELY DISCLOSED TO THE BORROWER OR ANY SUBSIDIARY THEREOF, WHETHER PURSUANT TO SECTION 4 OF THE INTEREST ACT (CANADA) OR ANY OTHER APPLICABLE LAW OR LEGAL PRINCIPLE.

ARTICLE 8
GENERAL PROVISIONS RELATING TO SOFR LOANS

8.1 General

- (a) The aggregate amount of each Advance by way of a SOFR Loan will be at least U.S. \$5,000,000 and in multiples of U.S. \$500,000 for any amount in excess thereof, and each SOFR Loan will have a term to maturity of 1 month, 3 months, 6 months or as otherwise agreed by the Syndicated Lenders.
- (b) If the Borrower elects to Drawdown by way of a SOFR Loan, effect a Rollover of a SOFR Loan or a Conversion of an Accommodation into a SOFR Loan, the Borrower will specify in its Notice of Borrowing, Notice of Rollover or Notice of Conversion, as applicable, the Interest Period applicable to such SOFR Loan. If the Borrower fails, as required hereunder, to select an Interest Period for any proposed SOFR Loan, then the applicable Interest Period will be for one month.
- (c) Any amounts owing by the Borrower in respect of any SOFR Loan which is not paid at maturity in accordance with this Agreement will, as and from its Maturity Date, be deemed to be outstanding as a U.S. Base Rate Loan.

8.2 Early Termination of Interest Periods

If the early termination of any SOFR Loan is required hereunder, the Borrower will pay to the Syndicated Lenders all expenses and out-of-pocket costs incurred by the Syndicated Lenders as a result of the early termination of the SOFR Loan, including expenses and out-of-pocket costs incurred due to early redemption of offsetting deposits. If in the sole discretion of a Syndicated Lender, acting reasonably, any such early termination cannot be effected, the SOFR Loan will not be terminated and the Borrower will continue to pay interest to the applicable Syndicated Lenders, at the rate per annum applicable to such SOFR Loan for the remainder of the applicable Interest Period. A written statement of the Agent as to the aggregate amount of such expenses and out of pocket costs will be prima facie evidence of the amount thereof.

8.3 Pricing Disconnect

If, on any date, the Agent (acting reasonably) determines in good faith (which determination will be conclusive as between the Parties) or is advised by Syndicated Lenders holding at least 25% of the Revolving Loan Commitment Amount, in either case, that the Syndicated Lenders' ability to make a requested SOFR Loan has become

impracticable, impossible or unlawful, or has otherwise been materially adversely affected, because:

- (a) of any change in applicable Law, or in the interpretation or administration thereof by authorities having jurisdiction in the matter, whether or not having the force of law; or
- (b) Adjusted Term SOFR does not adequately and fairly reflect the cost of the Syndicated Lenders making or maintaining the SOFR Loan;

then the Agent will give the Syndicated Lenders and the Borrower notice thereof and thereupon, until the Agent notifies the Borrower and the Syndicated Lenders that the circumstances giving rise to such notice no longer exist, (i) any Notice of Conversion or Notice of Rollover provided by the Borrower to the Agent that requests the conversion of any Advance to, or rollover of any Advance as, a SOFR Loan shall be ineffective, and (ii) if any Notice of Borrowing requests an Advance by way of a SOFR Loan, such Advance shall be made as a U.S. Base Rate Loan.

8.4 Term SOFR Fallback

- (a) **Benchmark Replacement:** Notwithstanding anything to the contrary herein or in any other Document, if a Benchmark Transition Event and its related Benchmark Replacement Date have occurred prior to any setting of the then-current Benchmark, then (i) if a Benchmark Replacement is determined in accordance with paragraph (a) of the definition of "Benchmark Replacement" for such Benchmark Replacement Date, such Benchmark Replacement will replace such Benchmark for all purposes hereunder and under any Document in respect of such Benchmark setting and subsequent Benchmark settings without any amendment to, or further action or consent of any other party to, this Agreement or any other Document and (ii) if a Benchmark Replacement is determined in accordance with paragraph (b) of the definition of "Benchmark Replacement" for such Benchmark Replacement Date, such Benchmark Replacement will replace such Benchmark for all purposes hereunder and under any Document in respect of any Benchmark setting at or after 5:00 p.m. (New York City time) on the fifth (5th) Banking Day after the date notice of such Benchmark Replacement is provided to the Syndicated Lenders without any amendment to, or further action or consent of any other party to, this Agreement or any other Document so long as the Agent has not received, by such time, written notice of objection to such Benchmark Replacement from Syndicated Lenders comprising the Majority Lenders. If the Benchmark Replacement is Daily Simple SOFR, all interest payments will be payable on a monthly basis. No Hedging Agreement shall be deemed to be a "Document" for purposes of this Section 8.4.
- (b) **Conforming Changes:** In connection with the use, administration, adoption or implementation of a Benchmark Replacement, the Agent will have the right to make Conforming Changes from time to time and, notwithstanding anything to the contrary herein or in any other Document, any amendments implementing such Conforming Changes will become effective without any further action or consent of any other party to this Agreement or any other Document.

- (c) Notices; Standards for Decisions and Determinations: The Agent will promptly notify the Borrower and the Syndicated Lenders of (i) the implementation of any Benchmark Replacement and (ii) the effectiveness of any Conforming Changes in connection with the use, administration, adoption or implementation of a Benchmark Replacement. The Agent will notify the Borrower of (i) the removal or reinstatement of any tenor of a Benchmark pursuant to Section 8.4(d) and (ii) the commencement of any Benchmark Unavailability Period. Any determination, decision or election that may be made by the Agent or, if applicable, any Syndicated Lender (or group of Syndicated Lenders) pursuant to this Section 8.4, including any determination with respect to a tenor, rate or adjustment or of the occurrence or non-occurrence of an event, circumstance or date and any decision to take or refrain from taking any action or any selection, will be conclusive and binding absent manifest error and may be made in its or their sole discretion and without consent from any other party to this Agreement or any other Document, except, in each case, as expressly required pursuant to this Section 8.4.
- (d) Unavailability of Tenor of Benchmark: Notwithstanding anything to the contrary herein or in any other Document, at any time (including in connection with the implementation of a Benchmark Replacement), (i) if the then-current Benchmark is a term rate (including the Term SOFR Reference Rate) and either (A) any tenor for such Benchmark is not displayed on a screen or other information service that publishes such rate from time to time as selected by the Agent in its reasonable discretion or (B) the regulatory supervisor for the administrator of such Benchmark has provided a public statement or publication of information announcing that any tenor for such Benchmark is not or will not be representative, then the Agent may modify the definition of "Interest Period" (or any similar or analogous definition) for any Benchmark settings at or after such time to remove such unavailable or non-representative tenor and (ii) if a tenor that was removed pursuant to clause (i) above either (A) is subsequently displayed on a screen or information service for a Benchmark (including a Benchmark Replacement) or (B) is not, or is no longer, subject to an announcement that it is not or will not be representative for a Benchmark (including a Benchmark Replacement), then the Agent may modify the definition of "Interest Period" (or any similar or analogous definition) for all Benchmark settings at or after such time to reinstate such previously removed tenor.
- (e) Benchmark Unavailability Period: Upon the Borrower's receipt of notice of the commencement of a Benchmark Unavailability Period, the Borrower may revoke any pending request for an Advance by way of a SOFR Loan or of a conversion to or continuation of a SOFR Loan to be made, converted or continued during any Benchmark Unavailability Period and, failing that, the Borrower will be deemed to have converted any such request into a request for an Advance of or conversion to a U.S. Base Rate Loan. During a Benchmark Unavailability Period or at any time that a tenor for the then-current Benchmark is not an Available Tenor, the component of U.S. Base Rate based upon the then-current Benchmark or such tenor for such Benchmark, as applicable, will not be used in any determination of U.S. Base Rate.

- (f) Defined Terms: As used in this Article 8 or otherwise with respect to Term SOFR Reference Rate:

"Available Tenor" means, as of any date of determination and with respect to the then-current Benchmark, as applicable, (a) if such Benchmark is a term rate, any tenor for such Benchmark (or component thereof) that is or may be used for determining the length of an interest period pursuant to this Agreement or (b) otherwise, any payment period for interest calculated with reference to such Benchmark (or component thereof) that is or may be used for determining any frequency of making payments of interest calculated with reference to such Benchmark pursuant to this Agreement, in each case, as of such date and not including, for the avoidance of doubt, any tenor for such Benchmark that is then-removed from the definition of "Interest Period" pursuant to Section 8.4(d).

"Benchmark" means, initially, the Term SOFR Reference Rate; provided that if a Benchmark Transition Event has occurred with respect to the Term SOFR Reference Rate or the then-current Benchmark, then "Benchmark" means the applicable Benchmark Replacement to the extent that such Benchmark Replacement has replaced such prior benchmark rate pursuant to Section 8.4(a).

"Benchmark Replacement" means, with respect to any Benchmark Transition Event, the first alternative set forth in the order below that can be determined by the Agent for the applicable Benchmark Replacement Date:

- (a) the sum of (i) Daily Simple SOFR and (ii) [redacted percentage]; and
- (b) the sum of: (i) the alternate benchmark rate that has been selected by the Agent and the Borrower giving due consideration to (A) any selection or recommendation of a replacement benchmark rate or the mechanism for determining such a rate by the Relevant Governmental Body or (B) any evolving or then-prevailing market convention for determining a benchmark rate as a replacement to the then-current Benchmark for Dollar-denominated syndicated credit facilities and (ii) the related Benchmark Replacement Adjustment.

If the Benchmark Replacement as determined pursuant to paragraph (a) or (b) above would be less than the Floor, the Benchmark Replacement will be deemed to be the Floor for the purposes of this Agreement and the other Documents.

"Benchmark Replacement Adjustment" means, with respect to any replacement of the then-current Benchmark with an Unadjusted Benchmark Replacement, the spread adjustment, or method for calculating or determining such spread adjustment, (which may be a positive or negative value or zero) that has been selected by the Agent and the Borrower giving due consideration to (a) any selection or recommendation of a spread adjustment, or method for calculating or determining such spread adjustment, for the replacement of such Benchmark with the applicable Unadjusted Benchmark Replacement by the Relevant Governmental Body or (b) any evolving or then-prevailing market convention for determining a

spread adjustment, or method for calculating or determining such spread adjustment, for the replacement of such Benchmark with the applicable Unadjusted Benchmark Replacement for Dollar-denominated syndicated credit facilities at such time.

"Benchmark Replacement Date" means the earliest to occur of the following events with respect to the then-current Benchmark:

- (a) in the case of paragraph (a) or (b) of the definition of "Benchmark Transition Event," the later of (i) the date of the public statement or publication of information referenced therein and (ii) the date on which the administrator of such Benchmark (or the published component used in the calculation thereof) permanently or indefinitely ceases to provide all Available Tenors of such Benchmark (or such component thereof); or
- (b) in the case of paragraph (c) of the definition of "Benchmark Transition Event," the first date on which such Benchmark (or the published component used in the calculation thereof) has been determined and announced by the regulatory supervisor for the administrator of such Benchmark (or such component thereof) to be non-representative; provided that such non-representativeness will be determined by reference to the most recent statement or publication referenced in such paragraph (c) and even if any Available Tenor of such Benchmark (or such component thereof) continues to be provided on such date.

For the avoidance of doubt, the "Benchmark Replacement Date" will be deemed to have occurred in the case of paragraph (a) or (b) with respect to any Benchmark upon the occurrence of the applicable event or events set forth therein with respect to all then-current Available Tenors of such Benchmark (or the published component used in the calculation thereof).

"Benchmark Transition Event" means the occurrence of one or more of the following events with respect to the then-current Benchmark:

- (a) a public statement or publication of information by or on behalf of the administrator of such Benchmark (or the published component used in the calculation there-of) announcing that such administrator has ceased or will cease to provide all Available Tenors of such Benchmark (or such component thereof), permanently or indefinitely; provided that, at the time of such statement or publication, there is no successor administrator that will continue to provide any Available Tenor of such Benchmark (or such component thereof);
- (b) a public statement or publication of information by the regulatory supervisor for the administrator of such Benchmark (or the published component used in the calculation thereof), the Federal Reserve Board, the Federal Reserve Bank of New York, an insolvency official with jurisdiction over the administrator for such Benchmark (or such component), a

resolution authority with jurisdiction over the administrator for such Benchmark (or such component) or a court or an entity with similar insolvency or resolution authority over the administrator for such Benchmark (or such component), which states that the administrator of such Benchmark (or such component) has ceased or will cease to provide all Available Tenors of such Benchmark (or such component thereof) permanently or indefinitely; provided that, at the time of such statement or publication, there is no successor administrator that will continue to provide any Available Tenor of such Benchmark (or such component thereof); or

- (c) a public statement or publication of information by the regulatory supervisor for the administrator of such Benchmark (or the published component used in the calculation thereof) announcing that all Available Tenors of such Benchmark (or such component thereof) are not, or as of a specified future date will not be, representative.

For the avoidance of doubt, a "Benchmark Transition Event" will be deemed to have occurred with respect to any Benchmark if a public statement or publication of information set forth above has occurred with respect to each then-current Available Tenor of such Benchmark (or the published component used in the calculation thereof).

"Benchmark Unavailability Period" means, the period (if any) (a) beginning at the time that a Benchmark Replacement Date has occurred if, at such time, no Benchmark Replacement has replaced the then-current Benchmark for all purposes hereunder and under any Document in accordance with Section 8.4 and (b) ending at the time that a Benchmark Replacement has re-placed the then-current Benchmark for all purposes hereunder and under any Document in accordance with Section 8.4.

"Conforming Changes" means, with respect to either the use or administration of Term SOFR or the use, administration, adoption or implementation of any Benchmark Replacement, any technical, administrative or operational changes (including changes to the definition of "U.S. Base Rate," the definition of "Banking Day," the definition of "U.S. Government Securities Business Day," the definition of "Interest Period" or any similar or analogous definition (or the addition of a concept of "interest period"), timing and frequency of determining rates and making payments of interest, timing of borrowing requests or prepayment, conversion or continuation notices, the applicability and length of lookback periods, the applicability of Section 8.4 and other technical, administrative or operational matters) that the Agent decides may be appropriate to reflect the adoption and implementation of any such rate or to permit the use and administration thereof by the Agent in a manner substantially consistent with market practice (or, if the Agent decides that adoption of any portion of such market practice is not administratively feasible or if the Agent determines that no market practice for the administration of any such rate exists, in such other manner of administration as the Agent decides is

reasonably necessary in connection with the administration of this Agreement and the other Documents).

"Daily Simple SOFR" means, for any day, SOFR, with the conventions for this rate (which will include a lookback) being established by the Agent in accordance with the conventions for this rate selected or recommended by the Relevant Governmental Body for determining "Daily Simple SOFR" for syndicated business loans; provided that if the Agent decides that any such convention is not administratively feasible for the Agent, then the Agent may establish another convention in its reasonable discretion.

"Relevant Governmental Body" means the Federal Reserve Board or the Federal Reserve Bank of New York, or a committee officially endorsed or convened by the Federal Reserve Board or the Federal Reserve Bank of New York, or any successor thereto.

"Unadjusted Benchmark Replacement" means the applicable Benchmark Replacement excluding the related Benchmark Replacement Adjustment.

ARTICLE 9

BANKERS' ACCEPTANCES

9.1 General

Each bankers' acceptance draft tendered by the Borrower for acceptance by a Lender will be in a form acceptable to the accepting Lenders, acting reasonably, and the Advance in respect thereof under (a) the Extendible Revolving Loan will be in a principal amount of not less than Cdn.\$5,000,000 and in multiples of Cdn.\$500,000 for any amounts in excess thereof, and (b) under the Operating Loan will be in a principal amount of not less than Cdn.\$1,000,000 and in multiples of Cdn.\$100,000 for any amounts in excess thereof, and in any case will have a Standard Term, subject to availability, or as otherwise agreed to by the accepting Lenders.

9.2 Conditions Applicable to Bankers' Acceptances

- (a) Acceptance of Bankers' Acceptances: Subject to the terms and conditions of this Agreement, each Lender hereby agrees to accept its Rateable Portion of Bankers' Acceptances issued by the Borrower and the Lenders agree to purchase such Bankers' Acceptances at the applicable Discount Rate and provide to the Agent for the account of the Borrower the Discount Proceeds less the applicable fees payable by the Borrower to such Lender pursuant to Section 3.11(a). Any Lender may at any time and from time to time hold, sell, rediscount or otherwise dispose of any or all Bankers Acceptances purchased by it.
- (b) Payment to Borrower: On the Drawdown Date, or date of Conversion or Rollover, as applicable, relating to any issue of Bankers' Acceptances, each Lender shall deliver the Discount Proceeds of Bankers' Acceptances purchased by it (less any

fees payable to such Lender in respect thereof pursuant to Section 3.11(a)), for the account of the Borrower through the Agent.

- (c) **Waiver of Presentment and Other Conditions:** The Borrower waives presentment for payment and, except to the extent of the gross negligence or wilful misconduct of the Lenders referred to in Section 9.2(f), any other defence to payment of any amounts due to a Lender in respect of a Bankers' Acceptance accepted and, if applicable, purchased by it pursuant to this Agreement which might exist solely by reason of such Bankers' Acceptance being held, at the maturity thereof, by such Lender in its own right and the Borrower agrees not to claim any days of grace if such Lender as holder sues the Borrower on the Bankers' Acceptance for payment of the amount payable by the Borrower thereunder. On the specified maturity date of a Bankers' Acceptance, or such earlier date as may be required or permitted pursuant to the provisions of this Agreement, the Borrower shall pay the Agent on behalf of the Lender that has accepted such Bankers' Acceptance, the full face amount of such Bankers' Acceptance.
- (d) **Terms of Each Bankers' Acceptance:** Each Bankers' Acceptance shall, subject to the requirements of Section 9.2(i), be in the standard form of each Lender, provided, however, the Agent may require the Lender to use a generic form of Bankers' Acceptance which is satisfactory to each Lender and the Borrower, acting reasonably, provided by the Agent for such purpose in place of the Lender's own form.
- (e) **Power of Attorney:** Unless revoked with respect to a particular Lender in accordance with the provisions hereof, the Borrower hereby appoints each Lender, acting by any authorized signatory of such Lender, the attorney of the Borrower:
 - (i) to sign for and on behalf and in the name of the Borrower as drawer, drafts in such Lender's standard form which are either "depository bills" under and as defined in the DBNA drawn on such Lender payable to a "clearing house" under the DBNA or its nominee for deposit by such Lender with the "clearing house" after acceptance thereof by such Lender or which are non-interest bearing bills of exchange, as defined in the *Bills of Exchange Act* (Canada); and
 - (ii) to fill in the amount, date and maturity date of such Bankers' Acceptances;provided that such acts in each case are to be undertaken by the relevant Lender in accordance with instructions given to such Lender by the Borrower as provided in this power of attorney.

Instructions to a Lender relating to the execution, completion, endorsement, discount and/or delivery by such Lender on behalf of the Borrower of Bankers' Acceptances which the Borrower wishes to submit to such Lender for acceptance by such Lender shall be communicated by the Agent and/or the Borrower to such Lender in writing following delivery by the Borrower of a notice requiring an

Advance by way of Bankers' Acceptances pursuant to this Agreement and shall specify the following information:

- (i) reference to this power of attorney;
- (ii) a Canadian Dollar amount, which shall be the aggregate face amount of the Bankers' Acceptances to be accepted by such Lender in respect of a particular Advance;
- (iii) a specified period of time as provided in this Agreement which shall be the number of days after the date of such Bankers' Acceptances that such Bankers' Acceptances are to be payable, and the dates of issue and maturity of such Bankers' Acceptances; and
- (iv) payment instructions specifying the account number of the Borrower and the financial institution at which the proceeds from the sale of such Bankers' Acceptances are to be credited.

The communication in writing by the Borrower to a Lender of the instructions referred to above shall constitute the authorization and instruction of the Borrower to such Lender to complete and execute Bankers' Acceptances in accordance with such information as set out above and the request of the Borrower to such Lender to accept such Bankers' Acceptances and deposit the same with the "clearing house" against payment as set out in the instructions. The Borrower acknowledges that such Lender shall not be obligated to accept any such Bankers' Acceptances except in accordance with the provisions of this Agreement. Each Lender is hereby authorized to act on behalf of the Borrower upon and in compliance with instructions communicated to such Lender as provided herein if such Lender reasonably believes them to be genuine.

The Borrower agrees to indemnify each Lender and its directors, officers, employees, affiliates and agents and to hold it and them harmless from and against any loss, liability, expense or claim of any kind or nature whatsoever incurred by any of them as a result of any action or inaction in any way relating to or arising out of this power of attorney or the acts contemplated hereby including the deposit of any Bankers' Acceptance with the "clearing house"; provided that this indemnity shall not apply to any such loss, liability, expense or claim which results from the gross negligence or wilful misconduct of such Lender or any of its directors, officers, employees, affiliates or agents.

This power of attorney may be revoked at any time upon not less than five (5) Banking Days' written notice served upon the relevant Lender, provided that (A) it may be replaced with another power of attorney forthwith in accordance with the requirements of this Agreement; and (B) no such revocation shall reduce, limit or otherwise affect the obligations of the Borrower in respect of any Bankers' Acceptance executed, completed, endorsed, discounted and/or delivered in accordance herewith prior to the time at which such revocation becomes effective. This power of attorney may be terminated by any Lender at any time upon not less

than five (5) Banking Days' written notice to the Borrower in accordance with Section 20.1.

Any revocation or termination of this power of attorney shall not affect the rights of the relevant Lender and the obligations of the Borrower with respect to the indemnities of the Borrower as above stated with respect to all matters arising prior in time to any such revocation or termination.

- (f) Delivery of Blank Bankers' Acceptances: If the power of attorney provided for in Section 9.2(e) has been revoked, as a condition precedent to each Lender's obligation to accept and, if applicable, purchase Bankers' Acceptances hereunder, the Borrower shall have delivered directly to such Lender or through the Agent sufficient bankers' acceptances executed in blank in sufficient time for such Lender to forward to and hold same at such Lender's Toronto offices for issuance in accordance with a request from the Borrower. No Lender shall be liable for any damage, loss or other claim arising by reason of any loss or improper use of any such Bankers' Acceptance executed in blank except any loss arising by reason of the gross negligence or wilful misconduct of such Lender or its officers, employees, agents or representatives or any loss arising by reason of such Lender or its officers, employees, agents or representatives failing to use the same standard of care in the custody of such Bankers' Acceptances executed in blank as such Lender uses in the custody of its own property of a similar nature. The Agent shall maintain a record with respect to such Bankers' Acceptances executed in blank that are received from the Borrower and that are delivered by it to a Lender hereunder. Each Lender shall maintain a record with respect to such Bankers' Acceptances executed in blank that are:
- (i) received by such Lender from the Borrower or the Agent hereunder;
 - (ii) avoided by such Lender for any reason;
 - (iii) accepted by such Lender hereunder; or
 - (iv) cancelled by such Lender at the maturity thereof.

Each Lender agrees to provide such record to the Agent upon request therefor by the Agent concurrently with any request by such Lender to the Agent for any additional such Bankers' Acceptances executed in blank which are required from the Borrower. The Agent shall provide a report of such records received by the Agent to the Borrower upon request from the Borrower. Subject to Section 9.2(e), Bankers' Acceptances of the Borrower shall be signed by a duly authorized signatory or duly authorized signatories of the Borrower, and may, at the option of the Borrower, be signed by way of affixing a reproduction of the signature or signatures of such duly authorized signatory or signatories. Notwithstanding that any Person whose signature appears on any Bankers' Acceptance as a signatory may no longer be an authorized signatory of the Borrower at the date of issuance of a Bankers' Acceptance, and notwithstanding that the signature affixed may be a reproduction only, such signature shall nevertheless be valid and sufficient for all

purposes as if such authority had remained in force at the time of such issuance and as if such signature had been manually applied, and any such Bankers' Acceptance so signed shall be binding on the Borrower.

- (g) **Failure to Give Notice of Repayment:** If the Borrower fails to give notice to the Agent of the method of repayment of a Bankers' Acceptance prior to the date of maturity of such Bankers' Acceptance in accordance with the same period of notice required for the original acceptance of such Bankers' Acceptance as set forth in Section 5.2, the face amount of such Banker's Acceptance shall be converted on its maturity to a Canadian Prime Rate Loan pursuant to Section 5.4(b).
- (h) **Lenders to Purchase:** Each Lender shall purchase all, but not less than all, of any Bankers' Acceptances issued by the Borrower and accepted by each such Lender and forming a part of the same issue of Bankers' Acceptances on any Drawdown Date, date of Conversion or Rollover, as applicable, by advising the Agent of such election in any written notice of Advance by way of Bankers' Acceptances in the form of Schedule I or notice of Conversion of an Advance to Bankers' Acceptances in the form of Schedule J.
- (i) **CDS Book-Based System:** Unless otherwise requested by any Lender, all Bankers' Acceptances accepted by Lenders under this Agreement shall be issued in the form of a "depository bill" (as defined in the DBNA) deposited with the Canadian Depository for Securities ("**CDS**") and will be made payable to CDS & Co. In order to give effect to the foregoing, the Agent may, acting reasonably, establish and notify the Borrower and the other Lenders of any additional procedures, consistent with the terms of this Agreement and the requirements of the DBNA, as are reasonably necessary to accomplish the parties' intention including:
 - (i) a phrase will be inserted in the drafts held by the Agent and the Lenders to the effect that the Bankers' Acceptance is issued pursuant to the DBNA;
 - (ii) any reference to authentication of a Bankers' Acceptance will be removed; and
 - (iii) any reference to bearer will be removed.

9.3 Agent's Duties re Bankers' Acceptances and BA Equivalent Loans

- (a) **Advice to the Lenders:** The Agent, promptly following receipt of a notice of Advance by way of Bankers' Acceptance in the form of Schedule I, a notice of Conversion of an Advance to a Bankers' Acceptance in the form of Schedule J, or a notice of Rollover of a Bankers' Acceptance in the form of Schedule J, shall:
 - (i) advise the Borrower of the allocation of Bankers' Acceptances and, if applicable, BA Equivalent Loans of each Lender such that the aggregate amount of Bankers' Acceptances required to be accepted or BA Equivalent Loans required to be made by such Lender hereunder is in a whole multiple of Cdn.\$1,000; or

- (ii) advise each Lender of the face amount of each Bankers' Acceptance to be purchased by it and the term thereof which term shall be identical for all Lenders. By no later than 8:30 a.m. (Calgary time) on the Drawdown Date, date of Conversion or Rollover, as applicable, on which the Lenders are required to purchase Bankers' Acceptances hereunder, each Lender (in the case of Bankers' Acceptances which do not have a Standard Term) shall notify the Agent of the applicable rate (as contemplated in the definition of Discount Rate) to be used by the Agent in the calculation of the Discount Rate in respect of the issuance and purchase of such Bankers' Acceptances by the Lenders.
- (b) **Bankers' Acceptances Being Purchased:** If the Borrower has issued the relevant notice in the form of Schedule I or J, as applicable, then on or prior to 9:00 a.m. (Calgary time) on the Drawdown Date, or date of Conversion or Rollover, as applicable, relating to all Bankers' Acceptances to be purchased by such Lenders on such date, the Agent shall provide written advice to the Borrower and each Lender confirming the particulars with respect to such Bankers' Acceptances and related BA Equivalent Loan.
- (c) **Completion of Bankers' Acceptance:** Upon receipt of the telephone advice pursuant to Section 9.3(b), each Lender is thereupon authorized to complete and deal with Bankers' Acceptances in accordance with the particulars so advised by the Agent.

9.4 BA Equivalent Loans

In lieu of accepting bankers' acceptance drafts on any Drawdown Date, or any date of Rollover or Conversion, as applicable, each Non-BA Lender will make a BA Equivalent Loan. Any BA Equivalent Loan will be made on the relevant Drawdown Date, or any date of Rollover or Conversion, as applicable, and its Maturity Date will be the Maturity Date of the corresponding Bankers' Acceptances. The amount of each BA Equivalent Loan will be equal to: (a) the aggregate face value of corresponding Bankers' Acceptances that, but for this Section 9.4, the Non-BA Lender would otherwise be required to accept; (b) multiplied by the Discount Rate; and (c) multiplied by the number of days in the term of such BA Equivalent Loan divided by 365. On the Maturity Date of a BA Equivalent Loan, the Borrower will pay to the Non-BA Lender an amount equal to the face amount of the Bankers' Acceptance which such Non-BA Lender would have accepted in lieu of making a BA Equivalent Loan if it were not a Non-BA Lender. All provisions of this Agreement with respect to Bankers' Acceptances will apply to BA Equivalent Loans, provided that stamping fees with respect to a BA Equivalent Loan will be calculated on the basis of the amount with respect to such BA Equivalent Loan which the Borrower is required to pay on the Maturity Date, and the stamping fee will be paid in accordance with Section 3.11(a)(iii).

9.5 General Mechanics

- (a) **Rollovers:** In the case of a Rollover of maturing Bankers' Acceptances, each Lender, in order to satisfy the continuing liability of the Borrower to the Lender for the face amount of the maturing Bankers' Acceptances, will retain for its own

account the Net Proceeds of each new Bankers' Acceptance accepted by it in connection with such Rollover and the Borrower will, on the Maturity Date of the maturing Bankers' Acceptances, pay to the Agent for the benefit of the Lenders an amount equal to the difference between the face amount of the maturing Bankers' Acceptances and the aggregate Net Proceeds of the new Bankers' Acceptances.

- (b) Conversion from Accommodation to BA's: In the case of a Conversion from a Canadian Prime Rate Loan into an Accommodation by way of Bankers' Acceptances, each Lender, in order to satisfy the continuing liability of the Borrower to each Lender for the amount of the Canadian Prime Rate Loan being converted, will retain for its own account the Net Proceeds of each new Bankers' Acceptance accepted by it in connection with such Conversion and the Borrower will, on the date of issuance of the Bankers' Acceptances pay to the Agent for the benefit of the Lenders an amount equal to the difference between the amount of the Canadian Prime Rate Loan, including any accrued interest thereon, owing to the Lenders and the Net Proceeds of such Bankers' Acceptances.
- (c) Conversion from BA's to Accommodation: In the case of a Conversion of an Accommodation by way of Bankers' Acceptances into a Canadian Prime Rate Loan, each Lender, in order to satisfy the liability of the Borrower to each Lender for the face amount of the maturing Bankers' Acceptances, will record the obligation of the Borrower to it as a Canadian Prime Rate Loan, unless the Borrower provides for payment to the Agent for the benefit of the Lenders of the face amount of the maturing Bankers' Acceptance in some other manner acceptable to the Lenders.

9.6 Escrowed Funds

Upon the request of the Agent after the occurrence and during the continuance of a Default or an Event of Default, the Borrower will forthwith pay to the Agent for deposit into a cash collateral account established by and in the name of the Borrower with the Agent for the benefit of the Lenders, an amount equal to the Lenders' maximum potential liability under then outstanding Bankers' Acceptances (the "**Escrow Funds**") and the Borrower agrees to enter into a cash collateral agreement reasonably requested by the Agent to evidence such arrangement. The Escrow Funds will be held in the foregoing cash collateral account for set-off against future Obligations owing by the Borrower to the applicable Lenders in respect of such Bankers' Acceptances and pending such application will bear interest for the Borrower's Account at the rate payable by the Agent in respect of deposits of similar amounts and for similar periods of time. If such Default or Event of Default is either waived or cured in compliance with the terms of this Agreement, then the remaining Escrow Funds if any, together with any accrued interest to the date of release, will be released to the Borrower. The deposit of the Escrow Funds by the Borrower to the cash collateral account herein provided, will not operate as a repayment of the Aggregate Principal Amount until such time as the Escrow Funds are actually paid to the applicable Lenders as a Principal Repayment. The Agent will have exclusive control and a first priority security interest over all amounts at any time deposited in such cash collateral account.

9.7 Market Disruption

If at any time and from time to time, the Agent determines (in its reasonable discretion) or is advised by Lenders holding at least 25% of the Commitment Amount, in either case, that there no longer exists an active market for Bankers' Acceptances accepted by the Lenders or the Discount Rate does not actually reflect the discount rate which would be applicable to a sale of Bankers' Acceptances in the market, then the Agent shall give notice thereof to the Lenders and the Borrower and the right of the Borrower to request further Bankers' Acceptances or BA Equivalent Loans, or any Rollover in respect thereof, shall be suspended until the Agent determines that the circumstances causing the suspension no longer exist, and so notifies the Borrower. Any outstanding Notice of Borrowing requesting a Drawdown by way of Bankers' Acceptances or BA Equivalent Loans shall be deemed to be a Notice of Borrowing requesting an Advance by way of Canadian Prime Rate Loans in the amount specified in the original Notice of Borrowing. Any outstanding Notice of Rollover requesting a Rollover of an Advance by way of Bankers' Acceptances or BA Equivalent Loans, shall be deemed to be a Notice of Conversion requesting a Conversion of such Advance into an Advance by way of Canadian Prime Rate Loans under the same Credit Facility.

9.8 CDOR Replacement

- (a) Replacing CDOR: On May 16, 2022 Refinitiv Benchmark Services (UK) Limited ("**RBSL**"), the administrator of CDOR, announced in a public statement that the calculation and publication of all tenors of CDOR will permanently cease immediately following a final publication on Friday, June 28, 2024. Notwithstanding anything to the contrary herein or in any other Document, on the date that all Available Tenors of CDOR have either permanently or indefinitely ceased to be provided by RBSL (the "**CDOR Cessation Date**"), if the then-current Benchmark is CDOR, the Benchmark Replacement will replace such Benchmark for all purposes hereunder and under any Document in respect of any setting of such Benchmark on such day and all subsequent settings without any amendment to, or further action or consent of any other party to this Agreement or any other Document. If the Benchmark Replacement is Daily Compounded CORRA, all interest payments will be payable on a monthly basis. A Hedging Agreement shall be deemed not to be a "Document" for the purposes of this Section 9.8.
- (b) Replacing Future Benchmarks: Upon the occurrence of a Benchmark Transition Event, the Benchmark Replacement will replace the then-current Benchmark for all purposes hereunder and under any Document in respect of any Benchmark setting at or after 5:00 p.m. (Toronto time) on the fifth (5th) Banking Day after the date notice of such Benchmark Replacement is provided to the Lenders without any amendment to, or further action or consent of any other party to, this Agreement or any other Document so long as the Agent has not received, by such time, written notice of objection to such Benchmark Replacement from Lenders comprising the Majority Lenders. At any time that the administrator of the then-current Benchmark has permanently or indefinitely ceased to provide such Benchmark or such Benchmark has been announced by the administrator or the regulatory supervisor

for the administrator of such Benchmark pursuant to public statement or publication of information to be no longer representative of the underlying market and economic reality that such Benchmark is intended to measure and that representativeness will not be restored, the Borrower may revoke any request for a borrowing of, conversion to or continuation of an Advance to be made, converted or continued that would bear interest by reference to such Benchmark until the Borrower's receipt of notice from the Agent that a Benchmark Replacement has replaced such Benchmark, and, failing that, the Borrower will be deemed to have converted any such request into a request for a borrowing of or conversion to Canadian Prime Rate Loans. During the period referenced in the foregoing sentence, the component of the Canadian Prime Rate based upon the Benchmark will not be used in any determination of the Canadian Prime Rate.

- (c) **Benchmark Replacement Conforming Changes:** In connection with the implementation and administration of a Benchmark Replacement, the Agent will have the right to make Benchmark Replacement Conforming Changes from time to time and, notwithstanding anything to the contrary herein or in any other Document, any amendments implementing such Benchmark Replacement Conforming Changes will become effective without any further action or consent of any other party to this Agreement or any other Document.
- (d) **Notices; Standards for Decisions and Determinations:** The Agent will promptly notify the Borrower and the Lenders of (i) the implementation of any Benchmark Replacement, (ii) any occurrence of a Term CORRA Transition Event, (iii) the effectiveness of any Benchmark Replacement Conforming Changes, and (iv) by delivering a BA Cessation Notice pursuant to clause (g) of this Section, its intention to terminate the obligation of the Lenders to make or maintain Bankers' Acceptances. Any determination, decision or election that may be made by the Agent or, if applicable, any Lender (or group of Lenders) pursuant to this Section 9.8, including any determination with respect to a tenor, rate or adjustment or of the occurrence or non-occurrence of an event, circumstance or date and any decision to take or refrain from taking any action, will be conclusive and binding absent manifest error and may be made in its or their sole discretion and without consent from any other party to this Agreement or any other Document, except, in each case, as expressly required pursuant to this Section 9.8.
- (e) **Unavailability of Tenor of Benchmark:** At any time (including in connection with the implementation of a Benchmark Replacement), if the then-current Benchmark is a term rate (including Term CORRA or CDOR), then (i) the Agent may remove any tenor of such Benchmark that is unavailable or non-representative for Benchmark (including Benchmark Replacement) settings and (ii) the Agent may reinstate any such previously removed tenor for Benchmark (including Benchmark Replacement) settings.
- (f) **Secondary Term CORRA Conversion:** Notwithstanding anything to the contrary herein or in any Document and subject to the proviso below in this clause, if a Term CORRA Transition Event and its related Term CORRA Transition Date have

occurred, then on and after such Term CORRA Transition Date (i) the Benchmark Replacement described in clause (a)(i) of such definition will replace the then-current Benchmark for all purposes hereunder or under any Document in respect of any setting of such Benchmark on such day and all subsequent settings, without any amendment to, or further action or consent of any other party to, this Agreement or any other Document; and (ii) each Advance outstanding on the Term CORRA Transition Date bearing interest based on the then-current Benchmark shall convert, on the last day of the then-current interest payment period, into an Advance bearing interest at the Benchmark Replacement described in clause (a)(i) of such definition and having a tenor approximately the same length as the interest payment period applicable to such Loan immediately prior to the conversion or such other Available Tenor as may be selected by the Borrower and agreed by the Administrative Agent; provided that, this clause (f) shall not be effective unless the Agent has delivered to the Lenders and the Borrower a Term CORRA Notice, and so long as the Administrative Agent has not received, by 5:00 p.m. (Toronto time) on the fifth (5th) Business Day after the date of the Term CORRA Notice, written notice of objection to such conversion to Term CORRA from Lenders comprising the Required Lenders or the Borrower.

- (g) **Bankers' Acceptances:** The Agent shall have the option to, effective as of the date set out in the BA Cessation Notice, which shall be a date on or after the CDOR Cessation Date (the "**BA Cessation Effective Date**"), terminate the obligation of the Lenders to make or maintain Bankers' Acceptances, provided that the Agent shall give notice to the Borrower and the Lenders at least thirty (30) Banking Days prior to the BA Cessation Effective Date ("**BA Cessation Notice**"). If the BA Cessation Notice is provided, then as of the BA Cessation Effective Date, so long as the Agent has not received, by 5:00 p.m. (Toronto time) on the fifth (5th) Banking Day after the date of the BA Cessation Notice, written notice of objection to the termination of the obligation to make or maintain Bankers' Acceptances from Lenders comprising the Majority Lenders, (i) any requested Drawdown by way of conversion of any Advance to, or rollover of any Advance as, a Bankers' Acceptance shall be ineffective, and (ii) if any requested Drawdown requests a Bankers' Acceptance such Advance shall be made as a CORRA Loan of the same tenor. For the avoidance of doubt, any outstanding Bankers' Acceptance shall remain in effect following the CDOR Cessation Date until such Bankers' Acceptance's stated maturity.

- (h) *Definitions.* As used in this Section 9.8 or otherwise with respect to CDOR:

"**Available Tenor**" means, as of any date of determination and with respect to the then current Benchmark, as applicable, (x) if the then-current Benchmark is a term rate, any tenor for such Benchmark that is or may be used for determining the length of a Standard Term, as applicable, or (y) otherwise, any payment period for interest calculated with reference to such Benchmark, as applicable, pursuant to this Agreement as of such date.

"Benchmark" means, initially, CDOR; provided that if a replacement of the Benchmark has occurred pursuant to Section 9.8(a), then "Benchmark" means the applicable Benchmark Replacement to the extent that such Benchmark Replacement has replaced such prior benchmark rate. Any reference to "Benchmark" shall include, as applicable, the published component used in the calculation thereof.

"Benchmark Replacement" means, for any Available Tenor:

- (a) for purposes of Section 9.8(a), the first alternative set forth below that can be determined by the Agent:
 - (i) the sum of: (x) Term CORRA and (y) [redacted percentage] for an Available Tenor of one-month's duration, and [redacted percentage] for an Available Tenor of three months' duration; or
 - (ii) the sum of: (i) Daily Compounded CORRA and (ii) [redacted percentage] for an Available Tenor of one-month's duration, and [redacted percentage] for an Available Tenor of three-months' duration; and
- (b) for purposes of Section 9.8(b), the sum of (x) the alternate benchmark rate and (y) an adjustment (which may be a positive or negative value or zero), in each case, that has been selected by the Agent and the Borrower as the replacement for such Available Tenor of such Benchmark giving due consideration to any evolving or then-prevailing market convention, including any applicable recommendations made by the Relevant Governmental Body, for Canadian dollar-denominated syndicated credit facilities at such time;

provided that, if the Benchmark Replacement as determined pursuant to clause (a) or (b) above would be less than the Floor, the Benchmark Replacement will be deemed to be the Floor for the purposes of this Agreement and the other Documents.

"Benchmark Replacement Conforming Changes" means, with respect to any Benchmark Replacement, any technical, administrative or operational changes (including changes to the definition of "Canadian Prime Rate," the definition of "Banking Day," the definition of "Standard Term", the definition of "Bankers' Acceptance," the timing and frequency of determining rates and making payments of interest, the timing of borrowing requests or prepayment, conversion or continuation notices, the applicability and length of lookback periods, the applicability of breakage provisions, and other technical, administrative or operational matters, (including with respect to the obligation of the Agent and the Lenders to create, maintain or issue Bankers' Acceptances)) that the Agent decides may be appropriate to reflect the adoption and implementation of such Benchmark Replacement and to permit the administration thereof by the Agent in a manner substantially consistent with market practice (or, if the Agent decides that adoption

of any portion of such market practice is not administratively feasible or if the Agent determines that no market practice for the administration of such Benchmark Replacement exists, in such other manner of administration as the Agent decides is reasonably necessary in connection with the administration of this Agreement and the other Documents). Without limiting the foregoing, Benchmark Replacement Conforming Changes made in connection with the replacement of CDOR with a Benchmark Replacement may include the implementation of mechanics for borrowing loans that bear interest by reference to the Benchmark Replacement, to replace the creation or purchase of drafts or Bankers' Acceptances.

"Benchmark Transition Event" means, with respect to any then-current Benchmark other than CDOR, the occurrence of a public statement or publication of information by or on behalf of the administrator of the then-current Benchmark, the regulatory supervisor for the administrator of such Benchmark, the Bank of Canada, an insolvency official with jurisdiction over the administrator for such Benchmark, a resolution authority with jurisdiction over the administrator for such Benchmark or a court or an entity with similar insolvency or resolution authority over the administrator for such Benchmark, announcing or stating that (a) such administrator has ceased or will cease on a specified date to provide all Available Tenors of such Benchmark, permanently or indefinitely, provided that, at the time of such statement or publication, there is no successor administrator that will continue to provide any Available Tenor of such Benchmark or (b) all Available Tenors of such Benchmark are or will no longer be representative of the underlying market and economic reality that such Benchmark is intended to measure and that representativeness will not be restored.

"CORRA" means the Canadian Overnight Repo Rate Average administered and published by the Bank of Canada (or any successor administrator).

"Daily Compounded CORRA" means, for any day, CORRA with interest accruing on a compounded daily basis, with the methodology and conventions for this rate (which will include compounding in arrears with a lookback) being established by the Agent in accordance with the methodology and conventions for this rate selected or recommended by the Relevant Governmental Body for determining compounded CORRA for business loans; provided that if the Agent decides that any such convention is not administratively feasible for the Agent, then the Agent may establish another convention in its reasonable discretion; and provided that if the administrator has not provided or published CORRA and a Benchmark Transition Event with respect to CORRA has not occurred, then, in respect of any day for which CORRA is required, references to CORRA will be deemed to be references to the last provided or published CORRA.

"Relevant Governmental Body" means the Bank of Canada, or a committee officially endorsed or convened by the Bank of Canada, or any successor thereto.

"Term CORRA" means, for the applicable corresponding tenor, the forward-looking term rate based on CORRA that has been selected or recommended by the

Relevant Governmental Body, and that is published by an authorized benchmark administrator and is displayed on a screen or other information service, as identified or selected by the Agent in its reasonable discretion at approximately a time and as of a date prior to the commencement of a Standard Term determined by the Agent in its reasonable discretion in a manner substantially consistent with market practice.

"Term CORRA Notice" means the notification by the Agent to the Lenders and the Borrower of the occurrence of a Term CORRA Transition Event.

"Term CORRA Transition Date" means, in the case of a Term CORRA Transition Event, the date that is set forth in the Term CORRA Notice provided to the Lenders and the Borrower, for the replacement of the then-current Benchmark with the Benchmark Replacement described in clause (a)(i) of such definition, which date shall be at least thirty (30) days from the date of the Term CORRA Notice.

"Term CORRA Transition Event" means the determination by the Agent that (a) Term CORRA has been recommended for use by the Relevant Governmental Body, and is determinable for any Available Tenor, (b) the administration of Term CORRA is administratively feasible for the Agent and (c) a Benchmark Replacement, other than Term CORRA, has replaced CDOR in accordance with Section 9.8(a).

ARTICLE 10

LETTERS OF CREDIT

10.1 General

- (a) Each Letter of Credit will be made available by the Operating Lender and each Letter of Credit (including all documents and instruments required to be presented thereunder) will be satisfactory in form and substance to the Operating Lender, acting reasonably. No Letter of Credit will be issued (or will be renewable at the option of the beneficiary thereunder) for a term in excess of one year, or will require payment in any currency other than Canadian Dollars or U.S. Dollars.
- (b) As a condition of the issuance or renewal of any Letter of Credit, the Borrower will pay to the Operating Lender the issuance or renewal fee specified in Section 3.11(a)(v) on the day of issue or renewal. The Borrower will also pay to the Operating Lender its customary administrative charges in respect of the issue, amendment, renewal or transfer of such Letter of Credit, and each drawing made under such Letter of Credit.
- (c) The Operating Lender shall only issue a Letter of Credit if the following conditions have been satisfied:

- (i) the Operating Lender shall have received an originally executed LC Application, satisfactory to the Operating Lender, acting reasonably, specifying:
 - (A) the proposed date of issuance (which shall be a Banking Day at least three (3) Banking Days following the date of such request);
 - (B) the expiry date thereof;
 - (C) the name and address of the beneficiary thereof;
 - (D) whether the Letter of Credit is a Financial LC or a Performance LC; provided that in the case of any dispute, the Operating Lender shall determine whether a Letter of Credit is a Financial LC or a Performance LC in accordance with its usual and customary practices;
 - (E) the face amount and currency thereof; and
 - (F) the terms and conditions of the requested Letter of Credit and other relevant details; and
- (ii) the Operating Lender shall have received such other customary administrative documents as it shall have reasonably requested as a condition to the issuance of such Letter of Credit.

In the event of any conflict or inconsistency between the terms of an LC Application and such other documents and this Agreement, the terms of this Agreement shall prevail and any liability of the Borrower in respect of Letters of Credit shall be governed by this Agreement irrespective of the provisions of any LC Application or such other documents.

- (d) If the Operating Lender makes any payment pursuant to a Letter of Credit and the Borrower does not reimburse the Operating Lender for any such payment on or before the next Banking Day from the proceeds of an Accommodation obtained under this Agreement or otherwise, the Operating Lender shall, without receipt of a Notice of Borrowing and irrespective of whether any other applicable conditions precedent specified herein have been satisfied, make a Canadian Prime Rate Loan or a U.S. Base Rate Loan, as applicable depending on the currency of the Letter of Credit, to the Borrower under the Operating Loan in the amount of such required payment. The Borrower agrees to accept each such Canadian Prime Rate Loan or U.S. Base Rate Loan, as applicable, and hereby irrevocably authorizes and directs the Operating Lender to apply the proceeds thereof in payment of the liability of the Borrower with respect to such required payment.
- (e) If any Letter of Credit is outstanding at any time that an Event of Default occurs, a demand for repayment is made hereunder or a domestic or foreign court issues any judgment or order restricting or prohibiting payment by the Operating Lender under

such Letter of Credit or extending the liability of the Operating Lender to make payment under such Letter of Credit beyond the expiry date specified therein, the Borrower will forthwith upon demand by the Operating Lender pay to the Operating Lender funds in the applicable currency in the undrawn amount of the Letter of Credit and such funds (together with interest thereon) will be held by the Operating Lender for payment of any liability under such Letter of Credit so long as the Operating Lender has or may in any circumstances have any liability under such Letter of Credit, and shall bear interest at the Operating Lender's then prevailing rate payable by it in respect of deposits of similar amounts and of similar periods of time. Any balance of such funds and interest remaining at such time as the Operating Lender does not have and may never have any liability under such Letter of Credit will nevertheless continue to be held by the Operating Lender, if and so long as any Default or Event of Default is continuing, as security for the remaining liabilities of the Borrower hereunder.

- (f) The Borrower agrees that neither the Operating Lender nor its officers, directors, employees or agents will assume liability for, or be responsible for, and the Borrower hereby indemnifies and holds harmless any such Person from any losses or claims resulting from, the following: the use which may be made of any Letter of Credit; any acts or omissions of the beneficiary of any Letter of Credit including the application of any payment made to such beneficiary; the form, validity, sufficiency, correctness, genuineness or legal effect of any document or instrument relating to any Letter of Credit which on its face complies with requirements of the Letter of Credit, even if such document or instrument should in fact prove to be in any respect invalid, insufficient, inaccurate, fraudulent or forged; the failure of any document or instrument to bear any reference or adequate reference to any Letter of Credit; any failure to note the amount of any draft on any Letter of Credit or on any related document or instrument; any failure of the beneficiary of any Letter of Credit to meet the obligations of such beneficiary to the Borrower or any other Person other than the Operating Lender; any errors, inaccuracies, omissions, interruptions or delays in transmission or delivery of any messages, directions or correspondence by mail, facsimile or otherwise, whether or not they are in cipher; any inaccuracies in the translation of any messages, directions or correspondence or for errors in the interpretation of any technical terms; or any failure by the Operating Lender to make payment under any Letter of Credit as a result of any Law, control or restriction rightfully or wrongfully exercised or imposed by any domestic or foreign court or Administrative Body or as a result of any other cause beyond the control of the Operating Lender or its officers, directors or employees or agents. This Section 10.1(f) will survive the termination of this Agreement; provided that nothing in this Agreement shall exonerate or require the Borrower to indemnify the Operating Lender for its gross negligence or wilful misconduct.
- (g) The obligations of the Borrower under this Article 10 with respect to any Letter of Credit will be absolute, unconditional and irrevocable, and will be performed strictly in accordance with the terms hereof under all circumstances including: any matter referred to in Section 10.1(f), any invalidity of any obligation secured by any Letter of Credit; any incapacity, disability or lack or limitation of status or of

power of the Borrower or the beneficiary of any Letter of Credit; any lack of validity or enforceability of any Letter of Credit; the existence of any claim, set-off, defence or other right which the Borrower may have at any time against the Operating Lender, the beneficiary of any Letter of Credit or any other Person; or any breach of contract or other dispute between the Borrower and the Operating Lender, the beneficiary of any Letter of Credit or any other Person.

- (h) The Operating Lender may accept as complying with the terms of any Letter of Credit any document or instrument required by such Letter of Credit to be completed, signed, presented or delivered by or on behalf of any beneficiary thereunder which has been completed, signed, presented or delivered by a receiver, trustee in bankruptcy, assignee for the benefit of creditors, secured party or other like Person believed in good faith by the Operating Lender to be lawfully entitled to the property of such beneficiary, and the Operating Lender may make payments under such Letter of Credit to such Person. The provisions of this Article 10 are for the sole benefit of the Operating Lender and the Persons indemnified under Section 10.1(f) and may not be relied on by any other Person.
- (i) The Operating Lender shall not incur any liability by acting in reliance upon any notice, consent, certificate, statement or other writing (which may be a bank wire, telex, facsimile or similar writing) appearing on its face to be in compliance with the terms and conditions of the Letter of Credit.
- (j) Each Letter of Credit, except as specifically provided therein, and subject to any provision hereof to the contrary, will be subject to the Uniform Customs and Practice for Documentary Credits of the International Chamber of Commerce current at the time of issuance of such Letter of Credit.
- (k) For the purpose of calculating the Aggregate Principal Amount in respect of a Letter of Credit and for any other relevant provision of this Agreement, the amount of Accommodation constituted by any Letter of Credit at any time will be the maximum amount which the Operating Lender may in all circumstances be required to pay pursuant to the terms thereof at such time.

ARTICLE 11

INCREASED COSTS

11.1 Changes in Law

- (a) If, after the date hereof, due to either:
 - (i) the introduction of, or any change in, or in the interpretation of any Law, whether having the force of law or not, resulting in the imposition or increase of reserves, deposits or similar requirements by any central bank or Administrative Body charged with the administration thereof; or

- (ii) the compliance with any guideline or request from any central bank or other Administrative Body which a Lender, acting reasonably, determines that it or its Lender Parent is required to comply with,

there will be any increase in the cost to such Lender or its Lender Parent for such Lender agreeing to make or making, funding or maintaining an Accommodation, or there will be any reduction in the effective return to such Lender or its Lender Parent thereunder, then, subject to Section 11.1(b), the Borrower will, within five (5) Banking Days after being notified by such Lender of such event, pay to such Lender, quarterly in arrears, that amount (the "**Additional Compensation**") which such Lender, acting reasonably, determines will compensate it, after taking into account all applicable Taxes, and all interest and other amounts received, for any such increased costs or reduced returns incurred or suffered by such Lender or its Lender Parent.

- (b) If Additional Compensation is payable pursuant to Section 11.1(a), the Borrower will have the option to convert the Accommodation to another type of Accommodation in accordance with the terms of this Agreement, in respect of which no further Additional Compensation will be payable or prepay any amount the applicable Credit Facilities owed to the Lender entitled to receive the Additional Compensation, subject always to Section 8.2 without obligation to make a corresponding prepayment to any other Lender. If the Additional Compensation relates to outstanding Bankers' Acceptances under the applicable Credit Facility, such Lender may require the Borrower to deposit in an interest bearing cash collateral account with such Lender such amount as may be necessary to fully satisfy the contingent obligations of such Lender for all outstanding Bankers' Acceptances in accordance with arrangements similar to those set out in Section 9.6.

11.2 Changes in Circumstances

Notwithstanding anything to the contrary herein or in any of the other Documents, if on any date a Lender determines in good faith, which determination will be conclusive and binding on the Parties, and provided notice is given to the Agent and the other Lenders and to the Borrower that its or its Lender Parent's ability to maintain, or continue to offer any Accommodation has become unlawful or impossible due to:

- (a) any change in applicable Law, or in the interpretation or administration thereof by authorities having jurisdiction in the matter;
- (b) the imposition of any condition, restriction or limitation upon such Lender or its Lender Parent which is outside of its control; or
- (c) any change in the status of the Borrower or any Material Subsidiary or the addition to the Security of any new collateral located outside of Canada, in any case, after November 13, 2020,

then in any such case, any such Accommodation from such Lender shall no longer be available and the Borrower will forthwith repay to such Lender all principal amounts affected thereby, together with all unpaid interest accrued thereon to the date of repayment and all other expenses incurred in connection with the termination of any such Accommodation, including any expenses resulting from the early termination of any Interest Period relating thereto in accordance with Section 8.2, without any obligation to make a corresponding prepayment to any other Lender. The Borrower may utilize other forms of Accommodations not so affected in order to make any required repayment and after any such repayment, the Borrower may elect to re-borrow the amount repaid by way of some other Accommodation upon complying with applicable requirements thereof.

11.3 Application of Sections 11.1 and 11.2

If a Lender exercises its discretion under Sections 11.1 or 11.2, then concurrently with a notice from such Lender to the Agent and the other Lenders and the Borrower requiring compliance with the applicable Section, such Lender will provide the Borrower (with a copy to the Agent and the other Lenders) with a certificate in reasonable detail outlining the particulars giving rise to such notice, confirming that its actions are consistent with actions concurrently taken by such Lender with respect to similar type provisions affecting other borrowers of such Lender or its Lender Parent in comparable circumstances and certifying (with reasonable supporting detail) the increased costs, if any, payable by the Borrower thereunder, which will be *prima facie* proof thereof and binding on the Parties.

11.4 Limitations on Additional Compensation

Sections 11.1 and 11.2 will not apply to a Lender or its Lender Parent with respect to any event, circumstance or change of the nature and kind of which such Lender had actual knowledge on the Closing Date. A Lender will not be entitled to Additional Compensation to the extent such increase in costs or reduction in return is reflected in or recovered by an increase in the interest or other amounts payable hereunder (other than pursuant to Section 11.1). The Borrower will not be obligated to pay any portion of Additional Compensation accruing under Section 11.1 for any period prior to the date which is 120 days prior to the date on which the affected Lender gives notice to the Borrower that such Additional Compensation is so accruing.

11.5 New Rules

Notwithstanding anything herein to the contrary, (a) all requests, rules, guidelines, requirements and directives promulgated by the Bank for International Settlements, the Basel Committee on Banking Supervision (or any successor or similar authority) or by United States, Canadian or foreign regulatory authorities, in each case pursuant to Basel III and (b) the *Dodd-Frank Wall Street Reform and Consumer Protection Act* (United States) and all regulations, requests, rules, guidelines, requirements and directives thereunder or issued in connection therewith or in implementation thereof ((a) and (b), collectively, the "**New Rules**") shall, in each case, be deemed to be a change in applicable Law for purposes of this Article 11 regardless of the date enacted, adopted, issued or implemented, in each case (x) to the extent such New Rules are materially different from the applicable Law in effect on the date hereof and (y) to the extent that such New Rules

have general application to substantially all banks or their Affiliates which are subject to the New Rules in question.

ARTICLE 12

FEES AND EXPENSES

12.1 Agency Fee

The Borrower will pay to the Agent, on an annual basis, an annual administration fee agreed upon between the Borrower and the Agent, the amount thereof to be kept confidential by the Borrower.

12.2 Standby Fee

The Borrower shall pay standby fees to the Agent, on behalf of each Revolving Lender, calculated quarterly in arrears on the last Banking Day of each Fiscal Quarter commencing with the last Banking Day of the Fiscal Quarter in which the Closing Date occurs, and payable quarterly in arrears on the first (1st) Banking Day of each Fiscal Quarter in respect of the previous Fiscal Quarter and, for Non-Agreeing Lenders, on the Term Date of each such Lender. Each payment of fees shall be calculated for the period commencing on and including the date of execution of this Agreement or the last date on which such standby fees were payable hereunder, as the case may be, up to and including the last day of the Calendar Quarter for which such stand-by fees are to be paid or the Term Date applicable to such Lender (whichever is earlier) and shall be in an amount equal to the rate for standby fees noted in the definition of Applicable Margin applicable to such Lender, multiplied by (a) in the case of the Extendible Revolving Loan, the then current Individual Revolving Loan Commitment Amount for such Lender less the average of the Advances outstanding from such Lender under the Extendible Revolving Loan for each day in the period of the calculation, and (b) in the case of the Operating Loan, the Operating Loan Commitment Amount less the average of the Advances outstanding under the Operating Loan for each day in the period of the calculation. For purposes of calculating stand-by fees payable pursuant to this Section 12.2, the amount of Advances outstanding from time to time in U.S. Dollars on each day during the period for which such standby fees are payable shall for the purposes of determining an Exchange Equivalent on such day be notionally converted to the Exchange Equivalent in Canadian Dollars on a daily basis.

12.3 Expenses

The Borrower will pay or reimburse the Agent and the Lenders, as applicable, for the reasonable out-of-pocket expenses, reasonable legal fees (on a solicitor and his own client full indemnity basis) and enforcement costs, incurred by the Agent and the Lenders, as applicable, in connection with the negotiation, preparation, execution and maintenance of the Documents and the enforcement of their rights and remedies under the Documents.

Amount was to the Commitment Amount immediately prior to the Acceleration or Insolvency Event, as the case may be.

For certainty, from and after the Term Date applicable to a Lender under a Credit Facility:

- (a) the unutilized portion of such Lender's Individual Commitment Amount shall be cancelled pursuant to Section 3.2(b); and
- (b) the amount of such Lender's Individual Commitment Amount for all purposes hereof, including this Section 16.9, shall be the Aggregate Principal Amount owing to such Lender under such Credit Facilities as at any date of determination.

Each Lender shall, at any time and from time to time at the request of the Agent as required by any Lender, execute and deliver such agreements, instruments and other documents and take such other steps and actions as may be required to confirm, evidence or give effect to the foregoing.

For certainty, subject only to an Acceleration or the occurrence of an Insolvency Event, the provisions of this Section 16.9 are unconditional and irrevocable and (a) the Lenders shall be obligated to purchase participations and to effect the transactions and adjustments contemplated by this Section 16.9 and (b) the other provisions hereof shall operate and apply, in each case, in all events and circumstances and irrespective of whether any condition precedent in Section 6.1 is met.

18.4 Participations

Any Lender may at any time sell to one or more financial institutions or other Persons (each of such financial institutions and other Persons being herein called a "**Participant**") participating interests in any of the Advances, commitments, or other interests of such Lender hereunder, provided, however, that:

- (a) no participation contemplated in this Section 18.4 will relieve such Lender from its commitments or its other obligations hereunder or under any other Document;
- (b) such Lender will remain solely responsible for the performance of its commitments and such other obligations as if such participation had not taken place;
- (c) the Agent will continue to deal solely and directly with such Lender in connection with such Lender's rights and obligations under this Agreement and each of the other Documents;
- (d) no Participant will have any rights (through a right of consent or approval or otherwise) to require such Lender to take or refrain from taking any action hereunder or under any other Document; and
- (e) the Borrower will not be required to pay any amount hereunder that is greater than the amount which it would have been required to pay had no participating interest been sold.

The Borrower agrees that each Participant shall be entitled to the benefits of Section 7.5 and Article 11 with respect to its interest in the Commitment Amount and the Advances outstanding from time to time as if such Participant were such Lender; provided that no Participant shall be entitled to receive any amount which the transferor Lender would not have been entitled to receive in such circumstances nor any greater amount pursuant to either Section 7.5 or Article 11 than the transferor Lender would have been entitled to receive in respect of such amount of the participation transferred by such transferor Lender to such Participant had no such transfer occurred. For the purposes of this Section 18.4, each Lender from which a Participant purchased the related participation shall act as agent

on behalf of such Participant to the extent required so that such Participant shall receive the benefit of this Section 18.4.

18.5 Swap Lenders

Where any Lender assigns all of its interest in the Credit Facilities and in the Documents pursuant to this Article 18, such assigning Lender shall retain its rights to be indemnified under Section 20.5 and where such assigning Lender or its Affiliate is a party to one or more Swap Documents as of the date of such assignment which are not assigned, such assigning Lender shall continue to be a Lender for the following purposes:

- (a) the Security shall continue to secure the Swap Obligations; and
- (b) the assigning Lender's consent shall be required for any amendment contemplated by Sections 19.16(a)(ii) and 19.16(a)(vii) (as such Section relates to Section 19.16(a)(ii)).

Any Affiliate of a Lender that is party to a Swap Document shall appoint its Affiliate Lender as its attorney and representative for the purposes of dealing with the Agent, any other Lender and the Borrower and exercising or enforcing any rights or remedies hereunder or under the Security, and such Affiliate shall not be entitled to do so except through such Lender as its attorney.

Notwithstanding the foregoing, if any such Affiliate assigns all or any part of its interest under a Swap Document, the Swap Obligations thereunder shall cease to be secured by the Security unless such assignment is to a Lender or Swap Lender.

ARTICLE 19 **ADMINISTRATION OF THE CREDIT FACILITIES**

19.1 Authorization and Action

- (a) **Authorization and Action:** Each Lender hereby irrevocably appoints and authorizes the Agent to be its agent in its name and on its behalf and to exercise such rights or powers granted to the Agent or the Lenders under the Documents to the extent specifically provided therein and on the terms thereof, together with such powers and authority as are reasonably incidental thereto. As to any matters not expressly provided for by the Documents, the Agent will not be required to exercise any discretion or take any action, but will be required to act or to refrain from acting (and will be fully indemnified and protected by the Lenders to the greatest extent permitted by Law in so acting or refraining from acting) upon the instructions of the Lenders, and such instructions will be binding upon all Lenders, provided however that the Agent will not be required to take any action which, in the opinion of the Agent, might expose the Agent to liability in such capacity, which could result in the Agent incurring any costs and expenses, or which is contrary to the spirit and intent of this Agreement.

- (b) **Lenders' Determinations:** Where the provisions of this Agreement provide that any waiver of or any amendment to any provision of the Documents may be made or any action, consent or other determination in connection with the Documents may be taken or given, with the consent or agreement of the Majority Lenders or "the Lenders" and not "all the Lenders", then any such waiver, amendment, action, consent or determination so made, so taken or so given with the consent or agreement of the Majority Lenders shall be binding on all of the Lenders and all of the Lenders shall cooperate in all ways necessary or desirable to implement and effect such waiver, amendment, action, consent or determination.
- (c) **Deemed Non-Consent:** If the Agent delivers a written notice to a Lender requesting advice from such Lender as to whether it consents or objects to any matter in connection with the Documents, then, except as otherwise expressly provided herein, if such Lender does not deliver to the Agent its written consent or objection to such matter within ten (10) Banking Days of the delivery of such written notice by the Agent to such Lender, such Lender shall be deemed not to have consented thereto upon the expiry of such ten (10) Banking Day period.
- (d) **Intercreditor Agreement and Confirmation of Subordination:** The Lenders hereby authorize and direct the Agent to execute and deliver, and perform the Agent's obligations under, the Intercreditor Agreement and the Confirmation of Subordination.

19.2 Procedure for Making Advances

- (a) ***Pro Rata* Advances:** All Advances under a Credit Facility made by the Lenders under such Credit Facility will be made in accordance with each Participating Lender's Rateable Portion of such Advance.
- (b) **Instructions from Borrower:** Other than with respect to overdraft borrowings under the Operating Loan, the Lenders, through the Agent, will make Advances under a Credit Facility available to the Borrower as required hereunder by debiting the account of the Agent to which each Lender's Rateable Portion in respect of such Credit Facility of such Advances have been credited in accordance with Section 5.6 (or causing such account to be debited) and, in the absence of other arrangements agreed to by the Agent and the Borrower in writing, by transferring (or causing to be transferred) like funds in accordance with the instructions of the Borrower as set forth in the Notice of Borrowing, Notice of Rollover or Notice of Conversion, as the case may be, in respect of each Advance under a Credit Facility, provided that the obligation of the Agent hereunder will be limited to taking such steps as are in keeping with its normal banking practice and which are commercially reasonable in the circumstances to implement such instructions, and the Agent will not be liable for any damages, claims or costs which may be suffered by the Borrower or any of the Lenders and occasioned by the failure of such funds to reach their designated destination, unless such failure is due to the gross negligence or wilful misconduct of the Agent.

- (c) **Assumption Respecting Availability:** Unless the Agent has been notified by a Lender within one (1) Banking Day prior to an anticipated Advance under a Credit Facility that such Lender will not make available to the Agent its Rateable Portion of such Advance, the Agent may assume, without any enquiry required on its part, that such Lender has made or will make such portion of the Advance available to the Agent on the date such Advance is to take place, in accordance with the provisions hereof and the Agent may, in reliance upon such assumption, make available to the Borrower on such date a corresponding amount. If and to the extent such Lender will not have so made its Rateable Portion of an Advance under the applicable Credit Facility available to the Agent, such Lender agrees to pay to the Agent, forthwith on demand, such Lender's Rateable Portion of the Advance and all reasonable costs and expenses incurred by the Agent in connection therewith together with interest thereon (at the rate payable thereunder by the Borrower in respect of such Advance) for each day from the date such amount is made available to the Borrower until the date such amount is paid to the Agent, provided however, that if such Lender fails to so pay, the Borrower covenants and agrees that without prejudice to any rights the Borrower may have against such Lender, it will repay the amount of such Lender's Rateable Portion of the Advance (without duplication) to the Agent for the account of the Agent after receipt of the certificate referred to below and forthwith after demand therefor by the Agent. The amount payable to the Agent pursuant hereto will be as set forth in a certificate delivered by the Agent to such non-paying Lender and the Borrower (which certificate will contain reasonable details of how the amount payable is calculated) and will be conclusive and binding, for all purposes, in the absence of manifest error. If such Lender makes the payment to the Agent as required herein, the amount so paid will constitute such Lender's Rateable Portion of the Advance under the applicable Credit Facility for purposes of this Agreement. The failure of any Lender to make its Rateable Portion of the Advance will not relieve any other Lender of its obligation, if any, hereunder to make its Rateable Portion of the Advance on the date that such Advance is to take place, but no Lender will be responsible for the failure of any other Lender to provide its Rateable Portion of any Advance under the applicable Credit Facility.

19.3 Remittance of Payments

Forthwith after receipt of any payment by the Borrower hereunder, the Agent, if and to the extent a Lender is entitled thereto, will remit to such Lender its Rateable Portion of such payment, provided that, if the Agent, on the assumption that it will receive on any particular date a payment of principal, interest or fees hereunder, remits to a Lender its Rateable Portion of such payment and the Borrower fails to make such payment, each such Lender agrees to repay to the Agent forthwith on demand such Lender's Rateable Portion of any such payment, together with all reasonable costs and expenses incurred by the Agent in connection therewith and interest thereon at the rate and calculated in the manner customarily applicable to interbank payments for each day from the date such amount is remitted to such Lender. The exact amount of the repayment required to be made by a Lender pursuant hereto will be set forth in a certificate delivered by the Agent to such

Lender, which certificate will be conclusive and binding for all purposes in the absence of manifest error.

19.4 Redistribution of Payment

Each Lender agrees that:

- (a) if it exercises any right of counter-claim, set off, bankers' lien or similar right with respect to any property of the Borrower or if under applicable Law it receives a secured claim, the security for which is a debt owed by it to the Borrower, it will apportion the amount thereof proportionately between:
 - (i) amounts outstanding at such time owed by the Borrower to such Lender under this Agreement, which amounts will be applied in accordance with this Section 19.4; and
 - (ii) amounts otherwise owed to it by the Borrower, provided that any cash collateral account held by such Lender as collateral for a letter of credit or bankers' acceptance (including a Bankers' Acceptance) issued or accepted by such Lender on behalf of the Borrower may be applied by such Lender to such amounts owed by the Borrower to such Lender pursuant to such letter of credit or in respect of any such bankers' acceptance without apportionment; and
- (b) if it receives, through the exercise of a right or the receipt of a secured claim described in Section 19.4(a) or otherwise, payment of a proportion of the aggregate amount of principal, interest and fees due to it hereunder which is greater than the proportion received by any other Lender in respect of the aggregate amount of principal, interest and fees due in respect of a Credit Facility (having regard to the respective proportionate amounts advanced as Advances by each of the Lenders under such Credit Facility), the Lender receiving such proportionately greater payment will purchase a participation (which will be deemed to have been done simultaneously with receipt of such payment) in that portion of the applicable Credit Facility of the other Lenders so that their respective receipts will be *pro rata* to their respective Rateable Portions, provided however that, if all or part of such proportionately greater payment received by such purchasing Lender will be recovered, such purchase will be rescinded and the purchase price for such participation will be returned to the extent of such recovery, but without interest. Such Lender will exercise its rights in respect of such secured claim in a manner consistent with the rights of the Lenders entitled under this Section 19.4 to share in the benefits of any recovery on such secured claims.
- (c) If it does any act or thing permitted by Sections 19.4(a) or (b), it will promptly provide full particulars thereof to the Agent.
- (d) Except as permitted under Sections 19.4(a) or (b), no Lender will be entitled to exercise any right of counter-claim, set off, bankers' lien or similar right without the prior written consent of the other Lenders.

19.5 Duties and Obligations

The Agent or any of its directors, officers, agents or employees (and, for purposes hereof, the Agent will be deemed to be contracting as agent for and on behalf of such Persons) will not be liable to any Lender for any action taken or omitted to be taken by it under or in connection with the Documents, except for its own gross negligence or wilful misconduct. Without limiting the generality of the foregoing, the Agent:

- (a) may assume that there has been no assignment or transfer by the Lenders of their rights under the Documents, unless and until the Agent receives a duly executed Lender Assignment Agreement from such Lender;
- (b) may consult with counsel (including counsel for the Borrower), independent public accountants and other experts selected by it and will not be liable for any action taken or omitted to be taken in good faith by it in accordance with or reliance upon the advice of such counsel, accountants or experts;
- (c) will incur no liability under or in respect of the Documents by acting upon any notice, consent, certificate or other instrument or writing believed by it to be genuine and signed or sent by the apparently proper Person or by acting upon any representation or warranty of the Borrower made or deemed to be made hereunder;
- (d) may assume that no Default or Event of Default has occurred and is continuing unless it has actual knowledge to the contrary; and
- (e) may rely, as to any matter of fact which might reasonably be expected to be within the knowledge of any Person, upon a certificate signed by or on behalf of such Person.

Further, the Agent (i) does not make any warranty or representation to any Lender nor will it be responsible to any Lender for the accuracy or completeness of the data made available to any of the Lenders in connection with a Credit Facility, or for any statements, warranties or representations (whether written or oral) made in connection with a Credit Facility, (ii) will not have any duty to ascertain or to enquire as to the performance or observance of any of the terms, covenants or conditions of the Documents on the part of the Borrower or to inspect the property (including books and records) of the Borrower, and (iii) will not be responsible to any Lender for the due execution, legality, validity, enforceability, genuineness, sufficiency or value of the Documents or any other instrument or document furnished pursuant hereto or thereto.

19.6 Prompt Notice to the Lenders

Notwithstanding any other provision herein, the Agent agrees to provide to the Lenders, with copies where appropriate, all information, notices and reports required to be given to the Agent by the Borrower hereunder, promptly upon receipt of same, excepting therefrom information and notices relating solely to the role of the Agent hereunder.

19.7 Agent and Agent Authority

With respect to its Rateable Portion of a Credit Facility and the Advances made by it as a Lender thereunder as applicable, the Agent will have the same rights and powers under the Documents as any other Lender and may exercise the same as though it were not the Agent. The Agent may accept deposits from, lend money to, and generally engage in any kind of business with the Borrower or any Subsidiaries, their respective shareholders or any Person owned or controlled by any of them and any Person which may do business with any of them, all as if the Agent was not serving as Agent, and without any duty or obligation to account therefor to the Lenders.

19.8 Lenders' Credit Decisions

It is understood and agreed by each Lender that it has itself been, and will continue to be, solely responsible for making its own independent appraisal of and investigations into the financial condition, creditworthiness, condition, affairs, status and nature of the Borrower and any Material Subsidiaries. Accordingly, each Lender confirms with the Agent that it has not relied, and will not hereafter rely, on the Agent (a) to check or inquire on its behalf into the adequacy, accuracy or completeness of any information provided by the Borrower or any other Person under or in connection with the Credit Facilities (whether or not such information has been or is hereafter distributed to such Lender by the Agent) or (b) to assess or keep under review on its behalf the financial condition, creditworthiness, condition, affairs, status or nature of the Borrower or any Material Subsidiaries. Each Lender acknowledges that copies of the Documents have been made available to it for review and each Lender acknowledges that it is satisfied with the form and substance of the Documents. A Lender will not make any independent arrangement with the Borrower for the satisfaction of any Obligations owing to it under the Documents without the written consent of the other Lenders.

19.9 Indemnification

The Lenders hereby agree to indemnify the Agent and its directors, officers, agents and employees (to the extent not reimbursed by the Borrower) in accordance with their respective Rateable Portions, from and against any and all liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses or disbursements of any kind or nature whatsoever which may be imposed on, incurred by, or asserted against the Agent or its directors, officers, agents and employees in any way relating to or arising out of the Documents or any action taken or omitted by the Agent under or in respect of the Documents in its capacity as Agent, provided that no Lender will be liable for any portion of such liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses or disbursements resulting from the Agent's gross negligence or wilful misconduct. Without limiting the generality of the foregoing, each Lender agrees to reimburse the Agent promptly upon demand for its Rateable Portion of any reasonable out-of-pocket expenses (including legal fees, on a solicitor and his own client basis) incurred by the Agent in connection with the preservation of any right of the Agent or the Lenders under, or the enforcement of, or legal advice in respect of rights or responsibilities under, the Documents, to the extent that the Agent is not reimbursed for such expenses by the

Borrower. This indemnity will survive the termination of the other provisions of this Agreement as a separate and continuing covenant of the Lenders.

19.10 Successor Agent

The Agent may, as hereinafter provided, resign at any time by giving 30 days' notice (the "**Resignation Notice**") thereof to the Lenders and the Borrower. The remaining Lenders will forthwith upon receipt of the Resignation Notice unanimously appoint a successor administrative agent (the "**Successor Agent**") to assume the duties hereunder of the resigning Agent. Upon the acceptance of any appointment as administrative agent hereunder by a Successor Agent, such Successor Agent will thereupon succeed to and become vested with all the rights, powers, privileges and duties as administrative agent under the Documents of the resigning Agent. Upon such acceptance, the resigning Agent will be discharged from its further duties and obligations as agent under the Documents, but any such resignation will not affect such resigning Agent's obligations hereunder as a Lender, including for its Rateable Portion of the Commitment Amount. After the resignation of the Agent as administrative agent hereunder, the provisions of this Article 19 will continue to enure to its benefit as to any actions taken or omitted to be taken by it while it was the administrative agent of the Lenders hereunder. Notwithstanding the foregoing, if the remaining Lenders fail to appoint a Successor Agent within 30 days of receipt of the Resignation Notice, the resigning Agent may and with the approval of the Borrower prior to an Event of Default, such approval not to be unreasonably withheld, appoint a Successor Agent from among the Lenders.

19.11 Taking and Enforcement of Remedies

Except as otherwise provided herein, each Lender hereby acknowledges that, to the extent permitted by applicable Law, rights and remedies provided under the Documents to the Lenders are for the benefit of the Lenders collectively and not severally and further acknowledges that its rights and remedies thereunder are to be exercised not severally but collectively through the Agent upon the decision of the Lenders (with the required majority or unanimity as herein provided), regardless of whether acceleration of the Obligations was made, and accordingly, notwithstanding any of the provisions contained herein, each of the Lenders hereby covenants and agrees that it will not be entitled to take any action with respect to the Credit Facilities, including any acceleration of any Obligations, but that any such action will be taken only by the Agent with the prior written direction of the Lenders (with the required unanimity as herein provided). Notwithstanding the foregoing, in the absence of written instructions from the Lenders, and where in the sole opinion of the Agent the exigencies of the situation warrant such action, the Agent may without notice to or consent of the Lenders take such action on behalf of the Lenders as it deems appropriate or desirable in the circumstances. Each of the Lenders hereby covenants and agrees that it has not heretofore and will not seek, take, accept or receive any security for any of the Obligations and will not enter into any agreement with any of the Parties relating in any manner whatsoever to the Credit Facilities, unless all of the Lenders will at the same time obtain the benefit of any such security or agreement, as the case may be.

19.12 Reliance Upon Agent

The Borrower will be entitled to rely upon any certificate, notice or other document or other advice, statement or instruction provided to it by the Agent pursuant to the Documents, and the Borrower will be entitled to deal with the Agent with respect to matters under the Documents which the Agent is authorized hereunder to deal with, without any obligation whatsoever to satisfy itself as to the authority of the Agent to act on behalf of the Lenders and without any liability whatsoever to the Lenders for relying upon any certificate, notice or other document or other advice, statement or instruction provided to them by the Agent, notwithstanding any lack of authority of the Agent to provide the same.

19.13 Agent May Perform Covenants

If the Borrower fails to perform any covenant on its part herein contained, the Agent may give notice to the Borrower of such failure and if, within 30 days of such notice (or after the expiry of such other time or cure period as may be required in this Agreement), such covenant remains unperformed, the Agent on behalf of the Lenders may, in its sole discretion but need not, perform any such covenant capable of being performed by it and, if the covenant requires the payment or expenditure of money, the Agent may make such payment or expenditure and all sums so expended will be forthwith payable by the Borrower to the Agent on behalf of the Lenders and will bear interest at the Canadian Prime Rate plus 2%.

19.14 No Liability of Agent

The Agent, in its capacity as agent of the Lenders under the Documents, will have no responsibility or liability to the Borrower or the Lenders on account of the failure of any Lender to perform its obligations hereunder, or to any Lender on account of the failure of the Borrower to perform its obligations under the Documents.

19.15 Nature of Obligations under this Agreement; Defaulting Lenders

- (a) **Obligations Separate:** The obligations of each Lender and the Agent under this Agreement are separate. The failure of any Lender to carry out its obligations hereunder will not relieve the other Lenders, the Agent or the Borrower of any of their respective obligations hereunder.
- (b) **No Liability for Failure by other Lenders:** Subject to and without derogating from the operation of Section 19.18 and this Section 19.15, neither the Agent nor any Lender will be liable or otherwise responsible for the obligations of any other Lender hereunder.

- (c) Defaulting Lenders:
- (i) Notwithstanding any provision of this Agreement to the contrary, if any Lender becomes a Defaulting Lender, then the following provisions shall apply for so long as such Lender is a Defaulting Lender:
 - (A) the standby fees payable pursuant to Section 12.2 shall cease to accrue on the unused portion of the Individual Commitment Amount of such Defaulting Lender;
 - (B) a Defaulting Lender shall not be included in determining whether, and the Individual Commitment Amount and the Rateable Portion of the Aggregate Principal Amount of such Defaulting Lender shall not be included in determining whether, all Lenders or the Majority Lenders have taken or may take any action hereunder (including any consent to any amendment or waiver pursuant to Section 19.16), provided that any waiver, amendment or modification requiring the consent of all Lenders, all of the Lenders or each affected Lender that (I) materially and adversely affects such Defaulting Lender differently than other affected Lenders, (II) increases the Individual Commitment Amount or extends the Revolving Period or Term Maturity Date of such Defaulting Lender, or (III) relates to the matters set forth in Sections 19.16(a)(i), (vi) and (vii), shall require the consent of such Defaulting Lender; and
 - (C) for the avoidance of doubt, the Borrower shall retain and reserve its other rights and remedies respecting each Defaulting Lender.
 - (ii) If the Agent has actual knowledge that a Lender is a Defaulting Lender at the time that the Agent receives (A) a Notice of Borrowing or (B) a Notice of Conversion that will result in a currency conversion, then each other Lender shall fund its Rateable Portion of such affected Advance (and, in calculating such Rateable Portion, the Agent shall ignore the Individual Commitment Amounts of each such Defaulting Lender); provided that, for certainty, no Lender shall be obligated by this Section to make or provide Advances in excess of its Individual Commitment Amount.
 - (iii) If the Agent acquires actual knowledge that a Lender is a Defaulting Lender at any time after the Agent received (A) a Notice of Borrowing or (B) a Notice of Conversion that will result in a currency conversion, then the Agent shall promptly notify the Borrower that such Lender is a Defaulting Lender (and such Lender shall be deemed to have consented to such disclosure).
 - (iv) Each Defaulting Lender agrees to indemnify each other Lender for any amounts paid by such Lender under Section 19.15(c)(ii) and which would otherwise have been paid by the Defaulting Lender if its Individual

Commitment Amount had been included in determining the Rateable Portions of such affected Advances.

- (v) If any Lender shall cease to be a Defaulting Lender, then, upon becoming aware of the same, the Agent shall notify the other Lenders and (in accordance with the written direction of the Agent) such Lender (which has ceased to be a Defaulting Lender) shall purchase, and the other Lenders shall on a rateable basis sell and assign to such Lender, portions of such Advances equal in total to such Lender's Rateable Portion thereof without regard to Section 19.15(c)(ii).

19.16 Lenders' Consents to Waivers, Amendments, etc.

- (a) Unanimous Consent: Notwithstanding anything herein to the contrary and without in any way limiting the context of any provision in this Agreement requiring the consent, approval or action of all Lenders, the following matters shall require written approval, consent or agreement, as the context requires, of all Lenders:
 - (i) a change in the types of Advances, a reduction of the interest rates, the Bankers' Acceptance stamping fees, standby fees or the amount of any payments payable by the Borrower to the Lenders under this Agreement and any waiver of the time of payment of any amounts payable to the Lenders under this Agreement or any reduction in the notice periods provided for hereunder;
 - (ii) a release or discharge of or a material amendment to the Security, unless otherwise expressly permitted in the Documents;
 - (iii) an increase or decrease in the Individual Commitment Amount of any Lender;
 - (iv) an assignment or transfer by the Borrower of any of its rights and obligations under this Agreement other than as expressly contemplated or provided for hereunder;
 - (v) a change in the definition of "Majority Lenders";
 - (vi) a waiver of or change to any matter which, pursuant to the Documents, specifically requires the consent or agreement of all of the Lenders;
 - (vii) a change to the provisions of Section 16.9 or this Section 19.16(a);
 - (viii) an amendment or waiver which changes or relates to Sections 3.2, 3.4, 3.5, 3.6, 3.9, 3.12, 6.1, 14.1(cc), or 19.4, the definition of "Event of Default", or any waiver of an Event of Default under Sections 16.1(a), 16.1(b), 16.1(f) or 16.1(g);

- (ix) except as contemplated by Section 3.2, a change to the Term Date or the Term Maturity Date,

except in any such case to the extent related solely to the Operating Loan where only the consent, approval or action of the Operating Lender is required. Any other consent, approval or action taken or so given with the consent or agreement of the Majority Lenders shall be binding on all of the Lenders in accordance with Section 19.1(b)

Notwithstanding anything herein contained to the contrary, the Lenders hereby authorize the Agent to provide releases on behalf of all of the Lenders from time to time and at any time of any Lien created pursuant to the Security with respect to any Permitted Disposition and, for greater certainty, to also provide from time to time and at any time upon request from the Borrower, acting reasonably, confirmations to third parties to the effect that neither the Agent nor the Lenders has a continuing Lien in any such property which has been disposed of or encumbered as permitted pursuant to the Documents. Unless an Event of Default has occurred and is continuing, the Lenders shall, or cause the Agent to, provide such releases or postponements as the Borrower requests to facilitate the creation of Permitted Encumbrances and the effecting of Permitted Dispositions.

- (b) Agent's Consent: Any waiver of or any amendment to any provision of the Documents which relates to the rights or obligations of the Agent shall require the agreement of the Agent thereto.

19.17 Amendment of this Article 19

Save and except for the provisions of Section 19.10, the provisions of this Article 19 may be amended or added to, from time to time, without the agreement of the Borrower provided such amendment or addition does not adversely affect the rights of the Borrower hereunder or increase, in aggregate, the liabilities of the Borrower hereunder. A copy of the instrument evidencing any such amendment or addition shall be forwarded by the Agent to the Borrower as soon as practicable following the execution thereof.

19.18 Defaulting Lenders

- (a) Except in the case of Business Development Bank of Canada, each Defaulting Lender shall be required to provide to the Agent cash in an amount, as shall be determined from time to time by the Agent, in its discretion, equal to all obligations of such Defaulting Lender to the Agent that are owing or may become owing pursuant to this Agreement, including such Defaulting Lender's obligation to pay its Rateable Portion of any indemnification, reimbursement or expense reimbursement amounts not paid by the Borrower. Such cash shall be held by the Agent in one or more cash collateral accounts, which accounts shall be in the name of the Agent and shall not be required to be interest bearing. The Agent shall and shall be entitled to apply the foregoing cash in accordance with Section 19.18(c).

- (b) In addition to the indemnity and reimbursement obligations noted in Section 19.9, the Lenders agree to indemnify the Agent (to the extent not reimbursed by the Borrower and without limiting the obligations of the Borrower hereunder) rateably according to their respective Rateable Portions (and in calculating the Rateable Portion of a Lender, ignoring the Individual Commitment Amounts of Defaulting Lenders) any amount that a Defaulting Lender fails to pay the Agent and which is due and owing to the Agent pursuant to Section 19.9. Each Defaulting Lender agrees to indemnify each other Lender for any amounts paid by such Lender and which would otherwise be payable by the Defaulting Lender.
- (c) The Agent shall be entitled to set-off and/or withhold from any Defaulting Lender's Rateable Portion of all payments received from the Borrower against such Defaulting Lender's obligations to make payments and fund Advances required to be made by it and to purchase participations required to be purchased by it in each case under this Agreement and the other Documents. To the extent permitted by law, the Agent shall be entitled to withhold and deposit in one or more non-interest bearing cash collateral accounts in the name of the Agent all amounts (whether principal, interest, fees or otherwise) received by the Agent and due to a Defaulting Lender pursuant to this Agreement, for so long as such Lender is a Defaulting Lender, which amounts shall be used by the Agent:
- (i) first, to reimburse the Agent for any amounts owing to it, in its capacity as Agent, by such Defaulting Lender pursuant to any Document;
 - (ii) second, to the reimbursement, on a *pro rata* basis, of any indemnity amounts owing by such Defaulting Lender pursuant to Section 19.18(b);
 - (iii) third, to repay on a *pro rata* basis the incremental portion of any Advance made by a Lender pursuant to Section 19.15(c)(ii) in order to fund a shortfall created by a Defaulting Lender and, upon receipt of such repayment, each such Lender shall be deemed to have assigned to the Defaulting Lender such incremental portion of such Advance;
 - (iv) fourth, to cash collateralize all other obligations of such Defaulting Lender to the Agent owing pursuant to this Agreement in such amount as shall be determined from time to time by the Agent, in its discretion, including such Defaulting Lender's obligation to pay its Rateable Portion of any indemnification, reimbursement or expense reimbursement amounts not paid by the Borrower; and
 - (v) fifth, to fund from time to time the Defaulting Lender's Rateable Portion of Advances,

provided that any such funds in excess of such Defaulting Lender's defaulted obligations shall be paid to the Defaulting Lender.

- (d) For greater certainty and in addition to the foregoing, neither the Agent nor any of its Affiliates nor any of their respective shareholders, officers, directors, employees,

agents or representatives shall be liable to any Lender (including a Defaulting Lender) for any action taken or omitted to be taken by it in connection with amounts payable by the Borrower to a Defaulting Lender and received and deposited by the Agent in a cash collateral account and applied in accordance with the provisions of this Agreement, save and except for the gross negligence or wilful misconduct of the Agent as determined by a final non-appealable judgment of a court of competent jurisdiction.

19.19 Erroneous Payments by the Agent

- (a) **Clawback.** If the Agent notifies a Lender or other Secured Party, or any Person who has received funds on behalf of a Lender or other Secured Party under or pursuant to any of the Documents (any such Lender, other Secured Party or other recipient, a "**Payment Recipient**") that the Agent has determined in its sole discretion (whether or not after receipt of any notice under immediately succeeding clause (b)) that any funds received by such Payment Recipient from the Agent or any of its Affiliates were erroneously or mistakenly transmitted or paid to, or otherwise erroneously or mistakenly received by, such Payment Recipient (whether or not known to such Lender, other Secured Party or other Payment Recipient on its behalf) (any such funds, whether received as a payment, prepayment or repayment of principal, interest, fees, distribution or otherwise, individually and collectively, an "**Erroneous Payment**") and demands the return of such Erroneous Payment (or a portion thereof), such Erroneous Payment shall at all times remain the property of the Agent and shall be segregated by the Payment Recipient and held in trust for the benefit of the Agent, and such Lender or other Secured Party shall (or, with respect to any Payment Recipient who received such funds on its behalf, shall cause such Payment Recipient to) promptly, but in no event later than three (3) Banking Days thereafter, return to the Agent the amount of any such Erroneous Payment (or portion thereof) as to which such a demand was made, in same day funds (in the currency so received), together with interest thereon in respect of each day from and including the date such Erroneous Payment (or portion thereof) was received by such Payment Recipient to the date such amount is repaid to the Agent in same day funds at the greater of (x) in respect of an Erroneous Payment in U.S. Dollars, the Federal Funds Rate, and in respect of an Erroneous Payment in Canadian Dollars, at a fluctuating rate per annum equal to the overnight rate at which Canadian Dollars or funds in the currency of such Erroneous Payment, as the case may be, may be borrowed by the Agent in the interbank market in an amount comparable to such Erroneous Payment (as determined by the Agent), and (y) a rate determined by the Agent in accordance with banking industry rules or prevailing market practice for interbank compensation from time to time in effect. A notice of the Agent to any Payment Recipient under this Section 19.19(a) shall be conclusive, absent manifest error.
- (b) **Error Designation.** Without limiting the immediately preceding Section 19.19(a), each Lender or other Secured Party, or any Person who has received funds on behalf of a Lender or other Secured Party under or pursuant to any of the Documents, hereby further agrees that if it receives a payment, prepayment or repayment

(whether received as a payment, prepayment or repayment of principal, interest, fees, distribution or otherwise) from the Agent (or any of its Affiliates) (x) that is in a different amount than, or on a different date from, that specified in a notice of payment, prepayment or repayment sent by the Agent (or any of its Affiliates) with respect to such payment, prepayment or repayment, (y) that was not preceded or accompanied by a notice of payment, prepayment or repayment sent by the Agent (or any of its Affiliates), or (z) that such Lender or other Secured Party, or other such recipient, otherwise becomes aware was transmitted, paid, or received, in error or by mistake (in whole or in part) in each case:

- (i) (A) in the case of immediately preceding clauses (x) or (y), an error shall be presumed to have been made (absent express written confirmation from the Agent to the contrary), or (B) an error has been made (in the case of immediately preceding clause (z)), in each case, with respect to such payment, prepayment or repayment; and
 - (ii) such Lender or other Secured Party shall (and shall cause any other recipient that receives funds on its respective behalf to) promptly (and, in all events, within one (1) Banking Day of its knowledge of such error) notify the Agent of its receipt of such payment, prepayment or repayment, the details thereof (in reasonable detail) and that it is so notifying the Agent pursuant to this Section 19.19(b).
- (c) Set-off. Each Lender or other Secured Party hereby authorizes the Agent to set-off, net and apply any and all amounts at any time owing to such Lender or other Secured Party under any Document, or otherwise payable or distributable by the Agent to such Lender or other Secured Party from any source, against any amount due to the Agent under immediately preceding Section 19.19(a) or under the indemnification provisions of this Agreement.
- (d) Assignment. In the event that an Erroneous Payment (or portion thereof) is not recovered by the Agent for any reason, after demand therefor by the Agent in accordance with the immediately preceding Section 19.19(a), from any Lender that has received such Erroneous Payment (or portion thereof) (and/or from any Payment Recipient who received such Erroneous Payment (or portion thereof) on its behalf) (such unrecovered amount, an "**Erroneous Payment Return Deficiency**"), upon the Agent's notice to such Lender at any time:
- (i) such Lender shall be deemed to have assigned its outstanding Advances (but not any of its Individual Commitment Amount) under any of the applicable Credit Facilities with respect to which such Erroneous Payment was made (the "**Erroneous Payment Impacted Facilities**") in an amount equal to the Erroneous Payment Return Deficiency (or such lesser amount as the Agent may specify) (such assignment of the outstanding Advances (but not any of its Individual Commitment Amount) of the Erroneous Payment Impacted Facilities, the "**Erroneous Payment Deficiency Assignment**") at par plus any accrued and unpaid interest (with the assignment fee to be waived by

- (ii) the Agent as the assignee Lender shall be deemed to acquire the Erroneous Payment Deficiency Assignment;
- (iii) upon such deemed acquisition, the Agent as the assignee Lender shall become a Lender hereunder with respect to such Erroneous Payment Deficiency Assignment and the assigning Lender shall cease to be a Lender hereunder with respect to such Erroneous Payment Deficiency Assignment, excluding, for the avoidance of doubt, its obligations under the indemnification provisions of this Agreement and any of its Individual Commitment Amount which shall survive as to such assigning Lender; and
- (iv) the Agent may reflect in its records its ownership interest in the outstanding Advances subject to the Erroneous Payment Deficiency Assignment.

Subject to Section 18.2, the Agent may, in its discretion, sell any outstanding Advances acquired pursuant to an Erroneous Payment Deficiency Assignment and, upon receipt of the proceeds of such sale, the Erroneous Payment Return Deficiency owing by the applicable Lender shall be reduced by the net proceeds of the sale of such outstanding Advances (or portion thereof), and the Agent shall retain all other rights, remedies and claims against such Lender (and/or against any recipient that receives funds on its respective behalf). For the avoidance of doubt, no Erroneous Payment Deficiency Assignment will reduce the Individual Commitment Amount of any Lender under any of the Credit Facilities and such Individual Commitment Amount under such Credit Facilities shall remain available in accordance with the terms of this Agreement. In addition, each party hereto agrees that, except to the extent that the Agent has sold an outstanding Advance (or portion thereof) acquired pursuant to an Erroneous Payment Deficiency Assignment, and irrespective of whether the Agent may be equitably subrogated, the Agent shall be contractually subrogated to all the rights and interests of the applicable Lender or other Secured Party under the applicable Documents with respect to each Erroneous Payment Return Deficiency (the "**Erroneous Payment Subrogation Rights**").

- (e) *Indebtedness Satisfaction.* The parties hereto agree that an Erroneous Payment shall not pay, prepay, repay, discharge or otherwise satisfy any Indebtedness owed by the Borrower or any Material Subsidiary, except, in each case, to the extent such Erroneous Payment is, and solely with respect to the amount of such Erroneous Payment that is, comprised of funds received by the Agent from (i) the Borrower or any Material Subsidiary or (ii) the proceeds of realization from the enforcement of one or more of the Documents against or in respect of the Borrower one or more of the Material Subsidiaries; provided that, in each case, such funds were received by the Agent for the purpose of discharging such Indebtedness.
- (f) *Waiver of Defences.* To the extent permitted by applicable law, no Payment Recipient shall assert any right or claim to an Erroneous Payment, and hereby

waives, and is deemed to waive, any claim, counterclaim, defense or right of set-off or recoupment with respect to any demand, claim or counterclaim by the Agent for the return of any Erroneous Payment received, including waiver of any defense based on "discharge for value", "good consideration" for the Erroneous Payment or change of position by such Payment Recipient, any defense that the intent of the Agent was that such Payment Recipient retain the Erroneous Payment in all events, or any doctrine or defense similar to any of the foregoing.

- (g) *Survival.* Each party's obligations, agreements and waivers under this Section 19.19 shall survive the resignation or replacement of the Agent, or any assignment or transfer of rights or obligations by, or the replacement of, a Lender or an Affiliate thereof the termination of the Credit Facilities and/or the repayment, satisfaction or discharge of all Indebtedness (or any portion thereof) under any Document.
- (h) *Affiliates.* For purposes of this Section 19.19, each Lender:

- (i) *No Borrower Liability.* Except pursuant to an Erroneous Payment Deficiency Assignment or the exercise of any Erroneous Payment Subrogation Rights (or any equivalent equitable subrogation rights), the Borrower shall not have any liability to the Agent for any Erroneous Payment or any interest, loss, cost or damages related thereto arising therefrom under any provision of this Agreement or any other Document or under any legal principle or theory, whether arising by law or in equity.

- (xii) the occurrence of any Default or Event of Default; and
- (xiii) the use of the proceeds of the Credit Facilities,

provided that this Section 20.5(a) will not apply to any losses, claims, costs, damages or liabilities that arise by reason of the gross negligence or wilful misconduct of the Indemnified Party claiming indemnity hereunder. The provisions of this Section 20.5(a) shall survive repayment of the Obligations.

- (b) **Environmental Indemnity:** The Borrower hereby indemnifies and holds harmless each of the Indemnified Parties, for any costs, losses, damages, expenses, judgments, suits, claims, awards, fines, sanctions and liabilities whatsoever (including any reasonable costs or expenses of defending or denying the same and the reasonable costs or expenses of preparing any environmental assessment report or other such reports) suffered or incurred by an Indemnified Party, arising out of, or in respect of:

During the continuation of an Event of Default, the Indemnified Parties will be entitled, but not obligated, to negotiate any settlement of a claim in consultation with the Borrower and any such settlement will be binding on the Parties, provided that the Borrower will not be liable for any settlement of any action without its written consent, such consent not

to be unreasonably withheld. Notwithstanding the foregoing, the Borrower, at its option by notice to the Lenders, may assume carriage at any time of any proceedings giving rise to a claim, including choice of counsel.

20.6 Further Assurances
