**Statement of Qualifications
Douglas L. Beahm, PE, PG
Principal Engineer, BRS Inc.**

In regard to the Technical report titled:

“CHARLIE URANIUM PROJECT MINERAL RESOURCE NI 43-101 Technical Report, JOHNSON COUNTY, WYOMING, USA” with an effective date for the mineral resource estimate is September 5, 2018 and of the Technical Report, is October 5, 2018.

Qualifications as a Qualified Person:

1. I am the Principal Engineer and President of BRS, Inc., whose main office is located at 1130 Major Avenue, Riverton, Wyoming 82501.
2. I graduated with a Bachelor of Science degree in Geological Engineering from the Colorado School of Mines in 1974. I am a licensed Professional Engineer in Wyoming, Colorado, Utah, and Oregon; a licensed Professional Geologist in Wyoming; and Registered Member of the SME.
3. I have worked as an engineer and a geologist associated with the mineral industry for over 40 years. My work experience includes: uranium exploration, mine production, and mine/mill decommissioning and reclamation. Specifically, I have worked with similar sandstone hosted uranium projects throughout the Western US and elsewhere.
4. I am independent of the issuer applying all of the tests in NI 43-101.
5. I have read the definition of “qualified person” set out in National Instrument 43-101 and certify that by reason of my education, professional registration, and past relevant work experience, I fulfill the requirements to be a “qualified person” for the purposes of NI 43-101.

Signed and Sealed

Douglas L Beahm, PE, PG
