PALISADES GOLDCORP LTD. FILES EARLY WARNING REPORT

Vancouver, British Columbia – November 1, 2019: Palisades Goldcorp Ltd. (“**Palisades**”) announces it has filed an early warning report in respect of Anfield Energy Inc. (TSX-V:AEC) (“**Anfield**”) as a result of the acquisition of 8,800,000 common shares and 5,000,000 common share purchase warrants of Anfield (together, the “**Anfield Securities**”).

The Anfield Securities were acquired by Palisades pursuant to a three-cornered amalgamation dated October 31, 2019 (the “**Amalgamation**”), whereby Palisades acquired all of the issued and outstanding shares of Radio Fuels Corp. (“**Radio Fuels**”), a 10% security holder of Anfield. As Radio Fuels holds the Anfield Securities and has become a wholly-owned subsidiary of Palisades, Palisades has also become a 10% security holder of Anfield.

Palisades held no securities of Anfield prior to the Amalgamation and immediately upon Palisades’ acquisition of Radio Fuels, Palisades has beneficial ownership, or control and direction over, 8,800,000 common shares of Anfield (the “**Common Shares**”) and 5,000,000 common share purchase warrants of Anfield (the “**Warrants**”) representing an approximate 11.79% interest in Anfield on an undiluted basis and, assuming the conversion of the Warrants, an approximate 7.08% interest on a fully diluted basis.

The Warrants are each exercisable into a common share of Anfield at a price of \$0.30. An aggregate of 1,250,000 Warrants expire April 29, 2022, and the balance of 3,750,000 Warrants expire May 3, 2022.

Palisades acquisition of the Anfield Securities is for investment purposes only. Palisades may, depending on market and other conditions, or as future circumstances may dictate, from time to time, increase or dispose of some or all of the existing or additional Anfield securities it holds or will hold, or may continue to hold its current position.
