

INFORMATION CIRCULAR
as at May 26, 2022
(except as otherwise indicated)

This Information Circular is furnished in connection with the solicitation of proxies by the management of ANFIELD ENERGY INC. (the “Company”) for use at the annual general and special meeting (the “Meeting”) of its shareholders to be held on June 30, 2022 at the time and place and for the purposes set forth in the accompanying notice of the Meeting.

In this Information Circular, references to “the Company”, “we” and “our” refer to **ANFIELD ENERGY INC.** “Common Shares” means common shares without par value in the capital of the Company. “Beneficial Shareholders” means shareholders who do not hold Common Shares in their own name and “intermediaries” refers to brokers, investment firms, clearing houses and similar entities that own securities on behalf of Beneficial Shareholders.

GENERAL PROXY INFORMATION

Solicitation of Proxies

The solicitation of proxies will be primarily by mail, but proxies may be solicited personally or by telephone by directors, officers and regular employees of the Company. The Company will bear all costs of this solicitation. We have arranged for intermediaries to forward the meeting materials to Beneficial Shareholders of the Common Shares held of record by those intermediaries and we may reimburse the intermediaries for their reasonable fees and disbursements in that regard.

Appointment of Proxyholders

The individuals named in the accompanying form of proxy (the “**Proxy**”) are officers and/or directors of the Company. **If you are a shareholder entitled to vote at the Meeting, you have the right to appoint a person or company other than either of the persons designated in the Proxy, who need not be a shareholder, to attend and act for you and on your behalf at the Meeting. You may do so either by inserting the name of that other person in the blank space provided in the Proxy or by completing and delivering another suitable form of proxy.**

Voting by Proxyholder

The persons named in the Proxy will vote or withhold from voting the Common Shares represented thereby in accordance with your instructions on any ballot that may be called for. If you specify a choice with respect to any matter to be acted upon, your Common Shares will be voted accordingly. The Proxy confers discretionary authority on the persons named therein with respect to:

- (a) each matter or group of matters identified therein for which a choice is not specified, other than the appointment of an auditor and the election of directors,
- (b) any amendment to or variation of any matter identified therein, and
- (c) any other matter that properly comes before the Meeting.

In respect of a matter for which a choice is not specified in the Proxy, the management appointee acting as a proxyholder will vote in favour of each matter identified on the Proxy and, if applicable, for the nominees of management for directors and auditors as identified in the Proxy.

Registered Shareholders

Registered shareholders (“**Registered Shareholders**”) may wish to vote by proxy whether or not they are able to attend the Meeting in person. Registered Shareholders electing to submit a proxy may do so by:

- (a) completing, dating and signing the enclosed form of proxy and returning it to the Company’s transfer agent, Computershare Trust Company of Canada, by fax within North America at 1-866-249-7775, outside North America at (416) 263-9524, or by mail to the 8th Floor, 100 University Avenue, Toronto, Ontario, M5J 2Y1;
- (b) using a touch-tone phone to transmit voting choices to a tollfree number. Registered Shareholders must follow the instructions of the voice response system and refer to the enclosed proxy form for the tollfree number, the holder’s account number and the proxy access number; or
- (c) using the internet through the website of the Company’s transfer agent at www.investorvote.com. Registered Shareholders must follow the instructions that appear on the screen and refer to the enclosed proxy form for the holder’s account number and the proxy access number;

in all cases ensuring that the proxy is received at least 48 hours (excluding Saturdays, Sundays and holidays) before the Meeting or the adjournment thereof at which the proxy is to be used.

Beneficial Shareholders

The following information is of significant importance to shareholders who do not hold Common Shares in their own name. Beneficial Shareholders should note that the only proxies that can be recognized and acted upon at the Meeting are those deposited by Registered Shareholders (those whose names appear on the records of the Company as the registered holders of Common Shares) or as set out in the following disclosure.

If Common Shares are listed in an account statement provided to a shareholder by a broker, then in almost all cases those Common Shares will not be registered in the shareholder's name on the records of the Company. Such Common Shares will more likely be registered under the names of the shareholder's broker or an agent of that broker (an "intermediary"). In the United States, the vast majority of such Common Shares are registered under the name of Cede & Co. as nominee for The Depository Trust Company (which acts as depository for many U.S. brokerage firms and custodian banks), and in Canada, under the name of CDS & Co. (the registration name for The Canadian Depository for Securities Limited, which acts as nominee for many Canadian brokerage firms).

Intermediaries are required to seek voting instructions from Beneficial Shareholders in advance of meetings of shareholders. Every intermediary has its own mailing procedures and provides its own return instructions to clients.

There are two kinds of Beneficial Shareholders - those who object to their name being made known to the issuers of securities which they own (called "OBOs" for Objecting Beneficial Owners) and those who do not object to the issuers of the securities they own knowing who they are (called "NOBOs" for Non-Objecting Beneficial Owners).

The Company is taking advantage of the provisions of National Instrument 54-101 *Communication with Beneficial Owners of Securities of a Reporting Issuer* ("NI 54-101") that permit it to directly deliver proxy-related materials to its NOBOs. As a result, NOBOs can expect to receive a scannable Voting Instruction Form ("VIF") from our transfer agent, Computershare. These VIFs are to be completed and returned to Computershare in the envelope provided or by facsimile. In addition, Computershare provides both telephone voting and internet voting as described on the VIF itself which contain complete instructions. Computershare will tabulate the results of the VIFs received from NOBOs and will provide appropriate instructions at the Meeting with respect to the shares represented by the VIFs they receive.

These securityholder materials are being sent to both Registered Shareholders and Beneficial Shareholders of the securities of the Company. If you are a Beneficial Shareholder, and the Company or its agent has sent these materials directly to you, your name and address and information about your holdings of securities, have been obtained in accordance with applicable securities regulatory requirements from the intermediary holding on your behalf.

By choosing to send these materials to you directly, the Company (and not the intermediary holding on your behalf) has assumed responsibility for (i) delivering these materials to you, and (ii) executing your proper voting instructions. Please return your voting instructions as specified in your request for voting instructions.

The Company has not adopted the notice and access procedure described in NI 54-101 and National Instrument 51-102 – *Continuous Disclosure Obligations* to distribute its proxy-related materials to the Registered Shareholders and the Beneficial Shareholders. In addition, the Company has not agreed to pay to distribute the proxy-related materials to the OBOs and,

unless the intermediaries acting for such OBOs agree to assume the cost of such delivery, OBOs will not receive the proxy-related materials for the Meeting.

Beneficial Shareholders who are OBOs should follow the instructions of their intermediary carefully to ensure that their Common Shares are voted at the Meeting.

The form of proxy supplied to you by your broker will be similar to the proxy provided to Registered Shareholders by the Company. However, its purpose is limited to instructing the intermediary on how to vote your Common Shares on your behalf. Most brokers now delegate responsibility for obtaining instructions from clients to Broadridge Financial Solutions, Inc. ("**Broadridge**") in the United States and in Canada. Broadridge mails a VIF in lieu of a proxy provided by the Company. The VIF will name the same persons as the Company's Proxy to represent your Common Shares at the Meeting. You have the right to appoint a person (who need not be a Beneficial Shareholder of the Company), other than any of the persons designated in the VIF, to represent your Common Shares at the Meeting and that person may be you. To exercise this right, you should insert the name of the desired representative (which may be yourself) in the blank space provided in the VIF. The completed VIF must then be returned to Broadridge by mail or facsimile or given to Broadridge by phone or over the Internet, in accordance with Broadridge's instructions. Broadridge then tabulates the results of all instructions received and provides appropriate instructions respecting the voting of Common Shares to be represented at the Meeting and the appointment of any shareholder's representative. **If you receive a VIF from Broadridge, the VIF must be completed and returned to Broadridge, in accordance with its instructions, well in advance of the Meeting in order to have your Common Shares voted or to have an alternate representative duly appointed to attend and to vote your Common Shares at the Meeting.**

Notice to Shareholders in the United States

The solicitation of proxies involves securities of an issuer located in Canada and is being effected in accordance with the corporate laws of the Province of British Columbia, Canada and securities laws of the provinces of Canada. Shareholders should be aware that disclosure requirements under the securities laws of the provinces of Canada differ from the disclosure requirements under United States securities laws.

Shareholders may not be able to sue a foreign company or its officers or directors in a foreign court for violations of United States federal securities laws. In addition to revocation in any other manner permitted by law, a Registered Shareholder who has given a proxy may revoke it by:

- (a) executing a proxy bearing a later date or by executing a valid notice of revocation, either of the foregoing to be executed by the Registered Shareholder or the Registered Shareholder's authorized attorney in writing, or, if the shareholder is a corporation, under its corporate seal by an officer or attorney duly authorized, and by delivering the proxy bearing a later date to Computershare Trust Company of Canada, or
- (b) executing an instrument in writing that is received at the registered office of the Company (at 2200 – 885 West Georgia Street, Vancouver, B.C. V6C 3E8,) at any time up to and including the last business day before the day set for the holding of the Meeting or if adjourned meeting, at any reconvening thereof, or to the chairman of the Meeting on the day of the Meeting or any reconvening thereof, or in any other manner provided by law, or
- (c) personally attending the Meeting and voting the registered shareholder's Common Shares.

A revocation of a proxy will not affect a matter on which a vote is taken before the revocation.

No director or executive officer of the Company, or any person who has held such a position since the beginning of the last completed financial year end of the Company, nor any nominee for election as a director of the Company, nor any associate or affiliate of the foregoing persons, has any substantial or material interest, direct or indirect, by way of beneficial ownership of securities or otherwise, in any matter to be acted on at the Meeting other than the election of directors and as may be set out herein. Advance Notice Policy

On August 7, 2013, the Board adopted, and on September 11, 2013 the Shareholders approved, an advance notice policy for the purpose of providing shareholders, directors and management of the Company with a clear framework for nominating directors of the Company in connection with any annual or special meeting of shareholders.

The purpose of the advance notice policy is to (i) ensure that all shareholders receive adequate notice of director nominations and sufficient time and information with respect to all nominees to make appropriate deliberations and register an informed vote; and (ii) facilitate an orderly and efficient process for annual or, where the need arises, special meetings of shareholders of the

Company. The advance notice policy fixes the deadlines by which shareholders of the Company must submit director nominations to the Company prior to any annual or special meeting of shareholders and sets forth the information that a shareholder must include in a written notice to the Company for any director nominee to be eligible for election at such annual or special meeting of shareholders.

The following is a brief summary of certain provisions of the advance notice policy, and the full text of the policy is available for review on SEDAR at www.sedar.com.

1. Other than pursuant to (i) a proposal made in accordance with the *Business Corporations Act* (British Columbia) (the “**Act**”), or (ii) a requisition of the shareholders made in accordance with the provisions of the Act, shareholders of the Company must give advance written notice to the Company of any nominees for election to the board of directors.
2. The advance notice policy fixes a deadline by which shareholders of the Company must submit, in writing, nominations for directors to the Corporate Secretary of the Company prior to any annual or special meeting of shareholders, and sets forth the specific information that such shareholders must include with their nominations in order to be effective. Only persons who are nominated in accordance with the advance notice policy are eligible for election as directors of the Company.
3. For an annual meeting of shareholders, notice to the Company must be not less than 30 days and not more than 65 days prior to the date of the annual meeting; provided, however, that in the event that the annual meeting is to be held on a date less than 40 days after the date on which the first public announcement of the date of such annual meeting was made, notice may be given not later than the close of business on the 10th day following such public announcement.
4. For a special meeting of shareholders (that is not also annual meeting), notice to the Company must be given not later than the close of business on the 15th day following the day on which the first public announcement of the date of such special meeting was made.
5. The time periods for giving notice set forth above shall in all cases be determined based on the original date of the applicable annual meeting and/or special meeting of shareholders, and in no event shall any adjournment or postponement of a meeting of shareholders, or the reconvening of any adjourned or postponed meeting of shareholders, or the announcement thereof, commence a new time period for the giving of notice as described above.

For the purposes of the advance notice policy, “public announcement” means disclosure in a press release reported by a national news service in Canada, or in a document publicly filed by the Company under its profile on SEDAR at www.sedar.com.

The Board may, in its sole discretion, waive any provision or requirement of the advance notice policy.

CORPORATE GOVERNANCE

General

Corporate governance refers to the policies and structure of the board of directors of a company, whose members are elected by and are accountable to the shareholders of the company. Corporate governance encourages establishing a reasonable degree of independence of the board of directors from executive management and the adoption of policies to ensure the board of directors recognizes the principles of good management. The

Board of the Company is committed to sound corporate governance practices, as such practices are both in the interests of shareholders and help to contribute to effective and efficient decision-making.

Board of Directors

Directors are considered to be independent if they have no direct or indirect material relationship with the Company. A “material relationship” is a relationship which could, in the view of the Company’s Board of Directors, be reasonably expected to interfere with the exercise of a director’s independent judgment.

The Board facilitates its independent supervision over management in several ways, including retaining independent consultants where it deems necessary, and by reviewing corporate developments with larger shareholders, analysts and potential industry partners.

The independent members of the Board are Don Falconer, Leonard M. Wright III and Stephen Lunsford. A majority of the Board is independent.

Directorships

The none of the directors currently serve on boards of other reporting companies (or equivalent).

Orientation and Continuing Education

When new directors are appointed, they receive an orientation, commensurate with their previous experience, on the Company’s properties and business and on the responsibilities of directors.

Board meetings may also include presentations by the Company’s management and employees to give the directors additional insight into the Company’s business.

Ethical Business Conduct

The Board has found that the fiduciary duties placed on individual directors by the Company’s governing corporate legislation and the common law and the restrictions placed by applicable corporate legislation on an individual directors’ participation in decisions of the Board in which the director has an interest have been sufficient to ensure that the Board operates independently of management and in the best interests of the Company.

Nomination of Directors

The Board considers its size each year when it considers the number of directors to recommend to the shareholders for election at the annual meeting of shareholders, taking into account the number required to carry out the Board’s duties effectively and to maintain a diversity of views and experience.

The Board does not have a nominating committee, and these functions are currently performed by the Board as a whole. However, if there is a change in the number of directors required by the Company, this policy will be reviewed.

The Company does have an Advance Notice Policy for the nomination of directors which policy can be viewed at www.sedar.com

Compensation

The Board as a whole determines compensation for the directors and CEO.

Other Board Committees

The Board has no other committees other than the audit committee.

Assessments

The Board monitors the adequacy of information given to directors, communication between the Board and management and the strategic direction and processes of the Board and committees.

Corey Dias, CEO, Joshua Bleak and Laara Shaffer, CFO, are the NEOs of the Company for the purposes of the following disclosure.

Compensation Discussion and Analysis

The overall objective of the Company’s compensation strategy is to offer medium-term and long-term compensation components to ensure that the Company has in place programs to attract, retain and develop management of the highest caliber and has in place a process to provide for the orderly succession of management, including receipt on an annual basis of any recommendations of the CEO, if any, in this regard. The Company currently has medium-term and long-term compensation components in place, and intends to further develop these compensation components. The objectives of the Company’s compensation policies and procedures are to align the interests of the Company’s employees with the interests of the

Company's shareholders. Therefore, a significant portion of the total compensation is based upon overall corporate performance.

The Company does not have in place a compensation committee or a nominating committee. All tasks related to developing and monitoring the Company's approach to the compensation of officers of the Company and to developing and monitoring the Company's approach to the nomination of directors to the Board are performed by the members of the Board. The compensation of the NEOs and the Company's employees is reviewed, recommended and approved by the independent directors of the Company.

The Company chooses to grant stock options to NEOs to satisfy the long-term compensation component. The Board may consider, on an annual basis, an award of bonuses to key executives and senior management. The amount and award of such bonuses is discretionary, depending on, among other factors, the financial performance of the Company and the position of a participant. The Board considers that the payment of such discretionary annual cash bonuses satisfies the medium-term compensation component. In the future, the Board may also consider the grant of options to purchase common shares of the Company with longer future vesting dates to satisfy the long-term compensation component.

The Board has assessed the Company's compensation plans and programs for its executive officers to ensure alignment with the Company's business plan and to evaluate the potential risks associated with those plans and programs. The Board has concluded that the compensation policies and practices do not create any risks that are reasonably likely to have a material adverse effect on the Company. The Board considers the risks associated with executive compensation and corporate incentive plans when designing and reviewing such plans and programs.

The Company has not adopted a policy restricting its executive officers or directors from purchasing financial instruments that are designated to hedge or offset a decrease in market value of equity securities granted as compensation or held, directly or indirectly, by its executive officers or directors. To the knowledge of the Company, none of the executive officers or directors have purchased such financial instruments.

Actions, Decisions or Policies Made After December 31, 2013

Option-based Awards

In accordance with Policy 4.4 of the TSXV, the directors of the Company have adopted a Share Option Plan dated for reference May 26, 2014 (the "**Plan**"), subject to shareholder and Exchange approval. The Plan complies with the requirements of Exchange Policy 4.4 for Tier 2 issuers. Under the Plan, a maximum of 10% of the issued and outstanding Common Shares of the Company are to be reserved at any time for issuance on the exercise of stock options. As the number of Common Shares reserved for issuance under the Plan increases with the issue of additional Common Shares by the Company, the Plan is considered to be a "rolling" share option plan.
