NEWS RELEASE

November 27, 2017

Canstar Resources Announces Management Change and Investor Call

TORONTO, ONTARIO--(Marketwired - Nov. 27, 2017) - Canstar Resources Inc. (TSX VENTURE:ROX) ("Canstar" or the "Company") announces that its President and Chief Executive Officer, Danniell Oosterman, will be retiring as an officer and director. The transition will be conducted over the next thirty days. The Company is engaged in a search process for a new senior officer. The Company thanks Mr. Oosterman for his work on the behalf of the Company and wishes him the best for his future endeavours. Future announcements will be made on the status of these matters.

Canstar Resources will be holding a conference call on Tuesday, November 28 at 1:30pm EST to discuss the results of the Kenora Gold Project announced on November 15, 2017, and future plans. The conference numbers are:

Local Dial-in Number: (+1) 416 764 8658

Toll Free Dial-in Number: (+1) 888 886 7786

ON BEHALF OF THE BOARD OF DIRECTORS

Dennis H. Peterson,
Chairman

Forward-Looking Statements

Neither TSX Venture Exchange nor its Regulation Services Provider (as that term is defined in the policies of the TSX Venture Exchange) accepts responsibility for the adequacy or accuracy of this release. This News Release includes certain "forward-looking statements". These statements are based on information currently available to the Company and the Company provides no assurance that actual results will meet management's expectations. Forward-looking statements include estimates and statements that describe the Company's future plans, objectives or goals, including words to the effect that the Company or management expects a stated condition or result to occur. Forward-looking statements may be identified by such terms as "believes", "anticipates", "expects", "estimates", "may", "could", "would", "will", or "plan".

Since forward-looking statements are based on assumptions and address future events and conditions, by their very nature they involve inherent risks and uncertainties. Actual results relating to, among other things, results of exploration, project development, reclamation and capital costs of the Company's mineral properties, and the Company's financial condition and prospects, could differ materially from those currently anticipated in such statements for many reasons such as: changes in general economic conditions and conditions in the financial markets; changes in demand and prices for minerals; litigation, legislative, environmental and other judicial, regulatory, political and competitive developments; technological and operational difficulties encountered in connection with the activities of the Company; and other matters discussed in this news release. This list is not exhaustive of the factors that may affect any of the Company's forward-looking statements. These and other factors should be considered carefully and readers should not place undue reliance on the Company's forward-looking statements. The Company does not undertake to update any forward-looking statement that may be made from time to time by the Company or on its behalf, except in accordance with applicable securities laws.
