

CONSENT OF QUALIFIED PERSON

Brad M. Dunn, CPG
Barr Engineering Company
4300 MarketPointe Drive, Minneapolis, MN 55435

I, Brad M. Dunn, state that I am responsible for preparing the technical report titled “North Star Manganese Inc. NI43-101 Technical Report, Resource Estimate on the Emily Property, Minnesota, USA”, with an effective date of December 5, 2022 (the “**Technical Report**”), as signed and certified by me.

Furthermore, I state that:

- (a) I consent to the public filing of the Technical Report by Nevada Silver Corporation;
- (b) The document that the Technical Report supports is the press release titled “Nevada Silver Corporation Plans Name Change to Reference Its Battery and Technology-Related Minerals Portfolio” dated November 23, 2022 (the “**Document**”);
- (c) I consent to the use of extracts from, or a summary of, the Technical Report in the Document; and
- (d) I confirm that I have read the Document, and that the Document fairly and accurately reflects the information in the Technical Report.

Dated December 5, 2022.

(signed) “Brad M. Dunn”
