

CERTIFICATE OF QUALIFIED PERSON

- 1) I, Jean Marie Pautler of 103-108 Elliott Street, Whitehorse, Yukon Territory, self-employed as a consulting geologist, authored and am responsible for all sections of the report entitled "Technical report on the Michelle Project, Yukon Territory, Canada", with an effective date of March 18, 2022.
- 2) I am a graduate of Laurentian University, Sudbury, Ontario with an Honours B.Sc. degree in geology (May, 1980) with over 40 years mineral exploration experience in the North American Cordillera. Pertinent experience includes exploration for carbonate hosted silver-lead-zinc deposits and extensive exploration throughout the Yukon. I have conducted exploration in the regional area for carbonate hosted silver-lead-zinc and iron oxide breccias and veins (Wernecke Breccias) and have examined Blende and Goz Creek in Yukon, Reeves MacDonald in British Columbia, the Franklin mining camp in New Jersey, USA and Navan in Ireland.
- 3) I am a registered member of the Association of Professional Engineers and Geoscientists of the Province of British Columbia (APEGBC), registration number 19804. I am licensed by Engineers and Geoscientists British Columbia (EGBC), permit to practice number 1001108.
- 4) I have visited the subject mining property of this report and am a "Qualified Person" in the context of and have read and understand National Instrument 43-101 and the Companion Policy to NI 43-101. This report was prepared in compliance with NI 43-101.
- 5) This report is based on a site visit on the property by the author on November 1, 2021, and a review of pertinent data. I conducted a prior site visit on September 5, 2015 for Strategic Metals Limited as a Qualified Person. I do not have any other prior involvement in the Michelle Project.
- 6) At the effective date of this technical report, to the best of my knowledge, information, and belief, the technical report contains all scientific and technical information that is required to be disclosed to make the report not misleading.
- 7) I am entirely independent, as defined in section 1.5 of National Instrument 43-101, of Silver77 Exploration Corp., Silver Range Resources Ltd., Zinccorp, Strategic Metals Limited, Archer, Cathro and Associates (1981) Limited, any associated companies and the Michelle Project.

Dated at Carcross, Yukon Territory this 10th day of May, 2022,

"Jean Pautler"

Jean Pautler, P.Geo. (APEGBC Reg. No. 19804)
(EGBC permit to practice number 1001108)
