INFORMATION CIRCULAR

This Information Circular is furnished in connection with the solicitation of proxies by the management of GETTY COPPER INC. (the “Company”) for use at the meeting (the “Meeting”) of the holders (“Shareholders”) of common shares of the Company (“Common Shares”) to be held on Tuesday, June 20, 2023, at the time and place and for the purposes set forth in the accompanying notice of annual general meeting of the shareholders (the “Notice of Meeting”) or at any adjournment or postponement of the Meeting.

How to Access the Meeting Materials

Meeting Materials can be viewed online on the Company’s website at www.gettycopper.com/agm/ or under the Company’s profile on SEDAR at www.sedar.com.

Date and Currency

The date of this Information Circular and the information therein, unless otherwise specified, is May 18, 2023. Unless otherwise stated, all amounts herein are in Canadian dollars.

MANAGEMENT SOLICITATION OF PROXIES

The solicitation of proxies will be primarily by mail, but proxies may be solicited personally or by telephone by directors, officers, and regular employees of the Company. All costs of this solicitation will be borne by the Company. These officers and employees will receive no compensation other than their regular salaries but will be reimbursed for their reasonable expenses, which are expected not to exceed \$3,000 in the aggregate.

You can vote your Common Shares by attending and voting your Common Shares at the Meeting, or by having your Common Shares voted by proxy. How you exercise your vote depends on whether you are a “Registered Holder” or a “Non-Registered Holder”.

Registered Holders - If you were a Registered Holder on May 15, 2023 (the “Record Date”), you can attend and vote at the Meeting, together with all other Registered Holders. Alternatively, you can submit your completed proxy for your Common Shares to the Company’s transfer agent, Computershare Investor Services Inc., through the internet or telephone or by signing, dating and returning the enclosed form of proxy (the “Form of Proxy”) in the envelope provided, so that such Common Shares can be voted at the Meeting.

Non-Registered Holders - If your Common Shares are not registered in your name but are held in the name of a nominee (usually a bank, trust company, securities broker or other financial institution) you should have received a request for voting instructions (the “Voting Instruction Form”) from your nominee or an agent acting on its behalf. Please note that the Company has limited access to the names of its Non-Registered Holders. If you attend the Meeting, the Company will have no record of your shareholding or your entitlement to vote unless your nominee has appointed you as proxyholder. Therefore, if you wish to vote in person at the Meeting insert your own name in the space provided on the Voting Instruction Form and return it by following the instructions provided therein. Do not otherwise complete the Voting Instruction Form as your vote will be taken at the Meeting. Please register with Computershare when you arrive at the Meeting. If you do not intend to attend the Meeting in person, follow the instructions on your Voting Instruction Form to vote by telephone, internet or complete, sign and mail it in the envelope provided.

There are two categories of Non-Registered Holders under applicable securities regulations for the purposes of dissemination to Non-Registered Holders of proxy-related materials and other security holder materials and requests for the Voting Instruction Form from such Non-Registered Holders. Non-objecting beneficial owners (“NOBOs”) are Non-Registered Holders who have advised their intermediaries (such as brokers or other nominees) that they do not object to their intermediary disclosing ownership information to the Company, consisting of their name, address, e-mail address, securities holdings and preferred language of communication. Canadian Securities Laws restricts the use of that information to matters strictly relating to the affairs of the

Company. Objecting beneficial owners (“OBOs”) are Non-Registered Holders who have advised their intermediaries that they object to their intermediaries disclosing such ownership information to the Company.

APPOINTMENT AND REVOCATION OF PROXIES

Appointment of Proxy

The individuals named as proxyholders in the Form of Proxy are (i) Thomas Hamaoka, the President and a director of the Company, and (ii) Philip A. Potter, the Chief Executive Officer and a director of the Company. **A Shareholder eligible to vote at the Meeting has the right to appoint a person, who need not be a Shareholder, to attend and act for the Shareholder and on the Shareholder’s behalf at the Meeting other than either of the persons designated in the Form of Proxy, and may do so either by striking the printed names and inserting the name of that other person in the blank space provided in the Form of Proxy or by completing another suitable form of proxy. Such Shareholders should provide instructions to the nominee on how the Shareholder’s Common Shares should be voted. The Nominee should bring personal identification to the Meeting.**

Shareholders are requested to date, sign and return the Form of Proxy for use at the Meeting if they are not able to attend the Meeting personally. To be effective, Forms of Proxy must be received by the Company’s registrar and transfer agent, Computershare Investor Services Inc., no later than 48 hours (excluding Saturdays, Sundays and holidays) before the time of the Meeting (namely, by 11:00 a.m., Vancouver time, on Friday, June 16, 2023) or any adjournment thereof at which the proxy is to be used. Proxies delivered by regular mail should be addressed to Computershare Investor Services Inc., Attention: Proxy Department, 9th Floor, 100 University Avenue, Toronto, Ontario, M5J 2Y1. Proxies delivered by facsimile should be sent to Computershare Investor Services Inc., Attention: Proxy Department, at toll free 1-866-249-7775 in North America and 416-263-9524 internationally.

A proxy may not be valid unless it is dated and signed by the Shareholder who is giving it or by that Shareholder’s attorney-in-fact duly authorized by that Shareholder in writing or, in the case of a corporation, dated and executed by a duly authorized officer or attorney-in-fact for the corporation. If a Form of Proxy is executed by an attorney-in-fact for an individual Shareholder or joint Shareholders, or by an officer or attorney-in-fact for a corporate Shareholder, the instrument so empowering the officer or attorney-in-fact, as the case may be, or a notarially certified copy thereof, must accompany the Form of Proxy.

Revocation of Proxy

A Shareholder who has given a proxy may revoke it by an instrument in writing duly executed and delivered either to Computershare Investor Services Inc. or to the registered office of the Company at any time up to and including the last business day that precedes the day of the Meeting, namely June 19, 2023, or, if the Meeting is adjourned, that precedes any reconvening thereof, or to the chairman of the Meeting on the day of the Meeting or of any reconvening thereof, or in any other manner provided by law. A revocation of a proxy will not affect a matter on which a vote is taken before the revocation of such proxy.

NON-REGISTERED HOLDERS

These securityholder materials are being sent to both registered and non-registered owners of Common Shares. If you are a non-registered owner, and the Company or its agent has sent these materials directly to you, your name and address and information about your holdings of Common Shares have been obtained in accordance with applicable securities regulatory requirements from the intermediary holding such Common Shares on your behalf.

The Company does not intend to pay for intermediaries to forward to OBOs under NI 54-101 the proxy-related materials and Form 54-101F7 – *Request for Voting Instructions Made by Intermediary*, and that in the case of an OBO, the objecting beneficial owner will not receive the materials unless the OBO’s intermediary assumes the cost of delivery.

Only registered Shareholders or duly appointed proxyholders are permitted to vote at the Meeting. Most Shareholders are “non-registered” Shareholders because the Common Shares they own are not registered in their names but are instead registered in the name of the brokerage firm, bank or trust company through which they purchased the Common Shares. More particularly, a person is not a registered Shareholder in respect of

Common Shares which are held on behalf of that person (the “**Non-Registered Holder**”) but which are registered either: (a) in the name of an intermediary (an “**Intermediary**”) that the Non-Registered Holder deals with in respect of the Common Shares (Intermediaries include, among others, banks, trust companies, securities dealers or brokers and directors or administrators of self-administered RRSPs, RRIFs, RESPs and similar plans); or (b) in the name of a clearing agency (such as The Canadian Depository for Securities Limited) of which the Intermediary is a participant. In accordance with the requirements of National Instrument 54-101 – *Communication with Beneficial Owners of Securities of a Reporting Issuer* (“**NI 54-101**”) of the Canadian Securities Administrators, the Company has distributed copies of the Notice of Meeting, the Information Circular and the Form of Proxy (collectively, the “**Meeting Materials**”) to the clearing agencies and Intermediaries for onward distribution to Non-Registered Holders. The Company does not intend to pay for delivery of the Meeting Materials to OBOs, and as a result OBOs will not receive the Meeting Materials unless their intermediary assumes the cost of delivery.

Intermediaries are required to forward the Meeting Materials to Non-Registered Holders unless a Non-Registered Holder has waived the right to receive them. Very often, Intermediaries will use service companies to forward the Meeting Materials to Non-Registered Holders. Generally, Non-Registered Holders who have not waived the right to receive Meeting Materials will either receive the Voting Instruction Form or, less frequently, the Form of Proxy. Non-Registered Holders should follow the procedures set out below, depending on which type of form they receive.

- (a) **Voting Instruction Form.** In most cases, a Non-Registered Holder will receive, as part of the Meeting Materials, the Voting Instruction Form which is not signed by the Intermediary, and which, when properly completed and signed by the Non-Registered Holder and returned to the Intermediary or its service company, will constitute voting instructions (often called a “proxy authorization form”) which the Intermediary must follow. Typically, the proxy authorization form will consist of a one-page pre-printed form. Sometimes, instead of the one-page pre-printed form, the proxy authorization form will consist of a regular printed proxy form accompanied by a page of instructions which contains a removable label containing a bar-code and other information. In order for the form of proxy to validly constitute a proxy authorization form, the Non-Registered Holder must remove the label from the instructions and affix it to the form of proxy, properly complete and sign the form of proxy and return it to the Intermediary or its service company in accordance with the instructions of the Intermediary or its service company.
- (b) **Form of Proxy.** Less frequently, a Non-Registered Holder will receive, as part of the Meeting Materials, a form of proxy which has already been signed by the Intermediary (typically by a facsimile, stamped signature), which is restricted as to the number of Common Shares beneficially owned by the Non-Registered Holder but which is otherwise not completed. Because the Intermediary has already signed the form of proxy, this form of proxy is not required to be signed by the Non-Registered Holder when submitting the proxy. In this case, the Non-Registered Holder who wishes to submit a proxy should otherwise properly complete the form of proxy and deposit it with Computershare Investor Services Inc. as provided above.

In either case, the purpose of this procedure is to permit Non-Registered Holders to direct the voting of the Common Shares which they beneficially own. Should a Non-Registered Holder who receives one of the above forms wish to vote at the Meeting in person, the Non-Registered Holder should strike out the names of the management proxy nominees named in the form and insert the Non-Registered Holder’s name in the blank space provided. **In either case, Non-Registered Holders should carefully follow the instructions of their Intermediary, including those regarding when and where the proxy or proxy authorization form is to be delivered.**

EXERCISE OF DISCRETION

On a poll the nominees named in the Form of Proxy will vote or withhold from voting the Common Shares represented thereby in accordance with the instructions of the Shareholder on any ballot that may be called for. If a Shareholder specifies a choice with respect to any matter to be acted upon, the Common Shares will be voted accordingly. The proxy will confer discretionary authority on the nominees named therein with respect to:

- (a) each matter or group of matters identified therein for which a choice is not specified; and
- (b) any other matter, including amendments to any of the foregoing, as may properly come before the Meeting or any adjournment thereof.

In respect of a matter for which a choice is not specified in the proxy, or unless otherwise provided for in the proxy, the nominees named in the Form of Proxy will vote Common Shares represented by the proxy in favour of each matter identified in the proxy and for the nominees of the Company's board of directors (the "Board") for directors and auditor of the Company.

As of the date of this Information Circular, management of the Company knows of no amendment, variation or other matter that may come before the Meeting, but if any amendment, variation or other matter properly comes before the Meeting each nominee intends to vote thereon in accordance with the nominee's best judgment.

In the case of abstentions from, or withholding of, the voting of the Common Shares on any matter, the Common Shares that are the subject of the abstention or withholding will be counted for determination of a quorum, but will not be counted as affirmative or negative on the matter to be voted upon.

INTEREST OF CERTAIN PERSONS OR COMPANIES IN MATTERS TO BE ACTED UPON

To the knowledge of management of the Company, no director or executive officer of the Company at any time since the beginning of the last completed financial year of the Company, no proposed nominee for election as a director of the Company and no associate or affiliate of any of the foregoing has any material interest, direct or indirect, by way of beneficial ownership of securities or otherwise, in any matter to be acted upon at the Meeting, other than the election of directors or the appointment of auditors.

Stock Option Plans and Other Incentive Plans

The Company has adopted a stock option plan (the “**Option Plan**”) pursuant to which Board may grant options (the “**Options**”) to purchase Common Shares to officers, directors and employees of the Company or affiliated companies and to consultants retained by the Company.

The Option Plan is a 10% “rolling” plan whereby the aggregate number of Common Shares that may be reserved for issuance pursuant to Options shall not exceed 10% of the issued and outstanding Common Shares at the time of the granting of Options. The Board is of the view that the Option Plan is required in order to provide incentive to the directors, management, employees and consultants of the Company to act in the best interest of the Company and contribute to the future growth and success of the Company.

Under the Option Plan, the Board, from time to time, at its discretion, grant to directors, officers, employees, management company employees or consultants of the Company Options to acquire Common Shares, provided that the number of Options granted does not exceed a maximum of 10% of the aggregate number of Common Shares issued and outstanding.

Consequently, the number of Common Shares that are reserved under the Option Plan is automatically increased or decreased as the number of issued and outstanding Common Shares increases or decreases.

Employment, Consulting and Management Agreements

Management functions of the Company are not, to any substantial degree, performed other than by directors or NEOs of the Company. There are no agreement or arrangements that provide for compensation to NEOs or directors of the Company, or that provide for payments to a NEO or director at, following or in connection with any termination (whether voluntary, involuntary or constructive), resignation, retirement, severance, a change of control in the Company or a change in the NEO or director’s responsibilities other than (i) the grant of Options under the Option Plan; (ii) the reimbursement of expenses that any director or NEO may have incurred on behalf of the Company; and (iii) the management agreement dated July 1, 1995 (the “Management Agreement”) with Freeway, a company controlled by John B. Lepinski, the Chairman Emeritus and director of the Company, as described under “*Management Contracts*”.

Oversight and Description of Director and NEO Compensation

Compensation Discussion and Analysis

The purpose of this Compensation Discussion and Analysis is to provide information about the Company’s executive compensation objectives and processes and to discuss compensation decisions relating to its Directors and NEOs.

The Company is a development stage company engaged in the acquisition and exploration of natural resource properties. The Company has, as of yet, no significant revenues from operations and often operates with limited financial resources to ensure that funds are available to complete scheduled programs. As a result, the Board has to consider not only the financial situation of the Company at the time of the determination of executive compensation of its’ Directors and NEOs, but also the estimated financial situation of the Company in the mid and long term. The Company recognizes that there may be risks associated with its current processes; however, the Company does not believe the risks to be significant. As of the date hereof, executive compensation consists solely of Options, which do not require cash disbursement by the Company.

Compensation Objectives and Principles

The primary goal of the Company’s executive compensation program is to attract and retain the key executives necessary for the Company’s long-term success and to motivate and encourage executives to further the development of the Company and its operations. As of the date hereof, executive compensation consists of Options.

Compensation Process

The Company relies solely on the Board in determining the compensation of its executive officers and directors. The Board is responsible for determining compensation in the form of Options to be granted to the NEOs, as well as to its directors.

Option-Based Awards

The Option Plan has been established to provide incentives to qualified parties to increase their propriety interest in the Company and thereby encourage their continuing association with the Company. Pursuant to the Company's Option Plan, the Board, at its sole discretion, determines all grants of Options to NEOs and directors. Such grants are considered incentives intended to align the NEOs', directors' and Shareholders' interests in the long term. The Company emphasizes Options in executive compensation as they allow the NEOs and directors to share in corporate results in a manner that is relatively cost-effective despite the effects of treating Options as a compensation expense. The grant of Options is not influenced by the number of Options outstanding or in-the-money value of outstanding Options.

Pension Plan Benefits

The Company does not have a defined benefit plan, defined contribution plan or deferred compensation plan.

BOARD AND SENIOR MANAGEMENT DIVERSITY

The Company has a long-standing view that directors and members of senior management of the Company are best identified, nominated and/or appointed based on merit, which includes consideration of competencies, expertise, skills, background and other qualities the Company identifies from time to time as being important, regardless of whether or not the candidate is a member of a designated group. The *Canada Business Corporations Act* (the "CBCA") defines "designated groups" to include women, Aboriginal peoples, persons with disabilities and members of visible minorities. While the Company respects the value of diversity, this view ensures that the Company consistently selects from the best possible candidates.

In light of the foregoing: (i) the Company does not have a written diversity policy relating to the identification and nomination of directors who are part of designated groups; (ii) the Board does not consider the level of representation of designated groups on the Board in identifying and nominating candidates for election or re-election to the Board, and the Company does not consider the same when appointing members of senior management of the Company; and (iii) the Company has not adopted a target number or percentage (or range) for members of the designated groups to hold positions on the Board or to be members of senior management of the Company by a specific date.

There is currently one person on the Board who is a representative of designated groups, specifically one Board member being a visible minority representing approximately 17% of the Board. There is currently two officers of the Company who are representatives of designated groups, specifically the President of the Company being a visible minority and the Corporate Secretary of the Company being a woman. Other than as disclosed above, there are no other members of designated groups who hold positions on the Board or who are members of senior management.

Shareholders will be asked to approve by ordinary resolution the continuation of the Option Plan pursuant to which 10% of the issued and outstanding Common Shares are set aside and reserved for Options on a rolling basis.

The Option Plan was last approved by the Shareholders at the annual general meeting of Shareholders held on June 15, 2022.

As at May 15, 2023, the Company had 7,075,000 Options outstanding under the Option Plan.

The following is a summary of the principal terms of the Option Plan.

The Option Plan is administered by the Company’s Board.

The Option Plan may be amended or terminated by the Board at any time, but such amendment or termination

Any Option outstanding when the Option Plan is amended or terminated will remain in effect until it is exercised or expires or is otherwise terminated in accordance with the provisions of the Option Plan.

The Option Plan provides that other terms and conditions, including vesting provisions, may be attached to a particular Option, at the discretion of the Board. All Option grants are to be evidenced by the execution of an option commitment substantially in the form attached as Schedule "A" to the Option Plan.

An Option may be granted for a period of up to ten (10) years from the date of the grant. If the optionee resigns or is terminated other than for cause, all unexercised Options previously granted to such optionee will expire after 90 days. If the optionee was providing investor relations services to the Company, then all of the Options previously granted to such optionee will expire after 30 days. All unvested Options will be cancelled immediately. If an optionee is terminated for cause, all Options previously granted to such optionee expire immediately. If an optionee dies, all Options previously granted to such optionee shall expire on the earlier of the expiry date and the date that is twelve (12) months following the date of such optionee's death.
