**CONSENT OF QUALIFIED PERSON**

I, Deepak Malhotra, state that I am responsible for preparing or supervising the preparation of Item 13 and a contributor of the overall content of the technical report titled "North Star Manganese Inc Emily Manganese Project NI 43-101 Technical Report", effective date December 31, 2023, issued on May 16, 2024, as signed and certified by me (the "Technical Report").

Furthermore, I state that:

- (a) I consent to the public filing of the Technical Report by Electric Metals (USA) Limited;
- (b) The document that the Technical Report supports is a news release entitled "Electric Metals Files the Upgraded Emily, Minnesota Manganese Project NI 43-101 Technical Report, Confirming the Highest Grade Manganese Resource in North America" to be dated on or about May 27, 2024 (the "News Release");
- (c) I consent to the use of extracts from, or a summary of, the Technical Report in the News Release;  
and
- (d) I confirm that I have read the News Release, and that the News Release fairly and accurately reflects, the information in the Technical Report or the part(s) thereof for which I am responsible.

Dated at Lakewood, Colorado this 24<sup>th</sup> day of May, 2024

(signed) "Deepak Malhotra"
